

## Title 1

### GENERAL PROVISIONS

	Chapter 1.01 <b>CODE ADOPTION</b>	§ 1.10.030. § 1.10.040.	Notice of violation. Service of notices, orders, and citations.
§ 1.01.010.	Recodification and adoption.	§ 1.10.050.	Notice of pending administrative enforcement action.
§ 1.01.020.	Title—Citation—Reference.	§ 1.10.055.	Administrative costs.
§ 1.01.030.	Reference applies to amendments.	§ 1.10.060.	Civil penalties.
§ 1.01.040.	Codification authority.		
§ 1.01.050.	Definitions and construction.		
§ 1.01.060.	Title, chapter and section headings.		Article II <b>Administrative Citations and Appeals</b>
§ 1.01.070.	Reference to ordinances.	§ 1.10.070.	Administrative citations.
§ 1.01.080.	Effect of code on past actions and obligations.	§ 1.10.080.	Administrative citation procedures.
§ 1.01.090.	Effective date.	§ 1.10.090.	Contents of administrative citation.
§ 1.01.100.	Severability.	§ 1.10.100.	Administrative penalties assessed.
§ 1.01.110.	Limitation on liability.	§ 1.10.110.	Failure to pay administrative penalties; late fees.
§ 1.01.120.	Continuation of existing law.	§ 1.10.115.	Transfer of ownership.
§ 1.01.130.	Effect of recodification.	§ 1.10.120.	Appeal of notice, order, or administrative citation.
	Chapter 1.08 <b>PENALTIES</b>		
§ 1.08.010.	Violations—Penalties.		
§ 1.08.020.	Authority of city employee to arrest.		Article III <b>Administrative Hearings</b>
§ 1.08.030.	Authority of police rangers to arrest.	§ 1.10.130.	Administrative hearing procedures.
	Chapter 1.10 <b>ADMINISTRATIVE CODE ENFORCEMENT REMEDIES</b>	§ 1.10.140.	Additional rules and procedures for administrative hearing officers and administrative hearings.
	Article I <b>General</b>		
§ 1.10.005.	Purpose and intent.		Chapter 1.12 <b>ELECTIONS</b>
§ 1.10.010.	Definitions.	§ 1.12.010.	Candidate's filing fee.
§ 1.10.015.	Remedies not exclusive.	§ 1.12.020.	Date for general municipal election.
§ 1.10.020.	General enforcement authority.	§ 1.12.030.	Mail ballot elections.
§ 1.10.025.	Procedural compliance.		

§ 1.12.040.	Governing law absent code provisions.	§ 1.15.100.	Carry-over contributions from one election to another for the same city office.
§ 1.12.050.	Severability.	§ 1.15.110.	Violations.
	Chapter 1.13	§ 1.15.120.	Severability.
<b>ELECTION CAMPAIGN DISCLOSURES</b>			
§ 1.13.010.	Purpose and intent.	<b>TIME LIMITS FOR JUDICIAL REVIEW</b>	
§ 1.13.020.	Definitions.	§ 1.16.010.	Time limits for judicial review.
§ 1.13.025.	Contributions—Disclosure.	§ 1.16.020.	Additional time limits for commencement of court proceedings.
§ 1.13.026.	Online filing of campaign statements.		
§ 1.13.040.	Penalties and enforcement.		
§ 1.13.050.	Rules of construction.		
§ 1.13.060.	Severability.		
	Chapter 1.14	<b>MEETINGS</b>	
<b>DISQUALIFICATION FOR CONFLICT OF INTEREST</b>		§ 1.20.010.	Policies applicable to all meetings.
§ 1.14.010.	Purpose and intent.	§ 1.20.020.	Regular, special and emergency City Council meetings.
§ 1.14.020.	Definitions.	§ 1.20.030.	Adjournment of meetings.
§ 1.14.030.	Conflict of interest—Materiality standard: financial interest in real property.	§ 1.20.040.	Quorum.
§ 1.14.040.	Penalties and enforcement.	§ 1.20.050.	Confidentiality of closed sessions.
§ 1.14.050.	Rules of construction.	§ 1.20.060.	City Council agenda.
§ 1.14.060.	Severability.	§ 1.20.070.	Agenda packet.
	Chapter 1.15	§ 1.20.080.	Minutes.
<b>CAMPAIGN CONTRIBUTION LIMITS</b>		§ 1.20.090.	Recordings of meetings.
§ 1.15.010.	Purpose and intent.	§ 1.20.100.	Role of the presiding officer.
§ 1.15.020.	Definitions.	§ 1.20.110.	Commencement of meetings.
§ 1.15.030.	Cash contributions prohibited.	§ 1.20.120.	Consent calendar.
§ 1.15.040.	Campaign contribution limits.	§ 1.20.130.	General rules of procedure.
§ 1.15.050.	Candidate contributions.	§ 1.20.140.	Public participation.
§ 1.15.060.	Transfer of funds between a candidate's controlled committees.	§ 1.20.150.	Use of city equipment.
§ 1.15.070.	Loans.	§ 1.20.160.	Conduct of public hearings.
§ 1.15.080.	Recall measures.	§ 1.20.170.	Decision following a public hearing.
§ 1.15.090.	Post-election contributions.	§ 1.20.180.	Application to administrative hearings—Disclosure of ex parte communications.
		§ 1.20.190.	Application of procedures required by law.
		§ 1.20.200.	Evidence—Record of proceedings.

GENERAL PROVISIONS

<b>§ 1.20.210.</b>	<b>Subpoenas.</b>	<b>§ 1.20.320.</b>	<b>Correspondence addressed to the City Council.</b>

<b>§ 1.20.310.</b>	<b>Appeals procedure.</b>	<b>§ 1.24.060.</b>	<b>Exemption for certain projects.</b>
		<b>§ 1.24.070.</b>	<b>Amendment or repeal.</b>

## CHAPTER 1.01 CODE ADOPTION

### **§ 1.01.010. Recodification and adoption.**

Pursuant to the provisions of Government Code Sections 50022.1 through 50022.8 and 50022.10, there is hereby recodified and adopted the "Carlsbad Municipal Code" as revised, reformatted, indexed, codified, compiled, updated and republished by Quality Code Publishing, together with those secondary codes adopted by reference as authorized by the California State Legislature, save and except those portions of the secondary codes as are deleted, modified or amended by the provisions of the Carlsbad Municipal Code.

(Ord. 1133 § 1, 1971; Ord. CS-289 § 1, 2016)

### **§ 1.01.020. Title—Citation—Reference.**

This code shall be known as the "Carlsbad Municipal Code," in any prosecution for the violation of any provision thereof or in any proceeding at law or equity. It shall also be sufficient to designate any ordinance adding to, amending, correcting or repealing all or any part or portion thereof as an addition to, amendment to, correction of or repeal of the "Carlsbad Municipal Code." Further reference may be had to the titles, chapters, sections and subsections of the "Carlsbad Municipal Code" and such reference shall apply to that numbered title, chapter, section or subsection as it appears in that code.

(Ord. 1133 § 2, 1971)

### **§ 1.01.030. Reference applies to amendments.**

Whenever a reference is made to this code as the "Carlsbad Municipal Code" or to any portion thereof, or to any ordinances of the City of Carlsbad, California, that reference shall apply to all amendments, corrections and additions heretofore, now, or hereafter made.

(Ord. 1133 § 3, 1971)

### **§ 1.01.040. Codification authority.**

The Carlsbad Municipal Code consists of all the regulatory, penal, and administrative ordinances of the City of Carlsbad, California, of a general and permanent character, as originally codified pursuant to Government Code Sections 50022.1 through 50022.8, and herein recodified and recompiled pursuant to Government Code Section 50022.10.

(Ord. 1133 § 4, 1971; Ord. CS-289 § 2, 2016)

### **§ 1.01.050. Definitions and construction.**

Unless the context otherwise requires, the following words and phrases where used in the ordinances of the City of Carlsbad shall have the meaning and construction given in this section:

"Across" includes along, in or upon.

"City" means the City of Carlsbad.

"City Council" means the City Council of the City of Carlsbad.

"Code" means the Carlsbad Municipal Code.

"County" means the County of San Diego.

"Ex officio" means by virtue of office.

Gender. The masculine gender includes the feminine and neuter.

"Goods" includes wares and merchandise.

Number. The singular number includes the plural, and the plural includes the singular.

"Oath" includes affirmation.

"Operate" or "engage in" includes carry on, keep, conduct, maintain, or cause to be kept or maintained.

"Owner" when pertaining to a building or land shall include any part owner, joint owner, tenant in common, or joint tenant of the whole or part of such building or land.

"Person" means any natural person, firm, association, joint venture, joint stock company, partnership, organization, club, company, corporation, business trust, or the manager, lessee, agent, servant, officer, or employee of any of them.

"Sale" includes any sale, exchange, barter or offer for sale. Shall, may.

"Shall" is mandatory, "may" is permissive.

"State" means the State of California.

"Street" includes all streets, highways, public roads, county roads, avenues, lanes, alleys, courts, places, squares, curbs, sidewalks, parkways, or other public ways in Carlsbad which have been or may hereafter be dedicated and open to public use, or such other public property so designated in any law of this state.

Tenses. The present tense includes the past and future tenses, and the future tense includes the present tense.

"Tenant" or "occupant" when pertaining to a building or land shall include any person who occupies the whole or part of such building or land, whether alone or with others.

Title of office. The use of the title of any officer, employee, department, board or commission means that officer, employee, department, board or commission of the City of Carlsbad.

(Ord. 1133 § 5, 1971)

#### **§ 1.01.060. Title, chapter and section headings.**

Title, chapter, and section headings contained in this code shall not be deemed to govern, limit, modify or in any manner affect the scope, meaning or intent of the provisions of any title, chapter or section of this code.

(Ord. 1133 § 6, 1971)

#### **§ 1.01.070. Reference to ordinances.**

Any reference in matters of record to any ordinance designated by number or otherwise, existing prior to the adoption of this code, shall be construed to apply to the corresponding provisions in this code. Pursuant to Government Code Section 50022.8, copies of this code that have been duly certified by the City Clerk shall be received without further proof as prima facie evidence of the provisions of such code in all courts and administrative tribunals of this state. Carlsbad Municipal Code sections cited on signage within the city shall, until updated if and as required, be deemed to be citations to the counterpart sections in the recodified Carlsbad Municipal Code for purposes of notice and enforcement.

(Ord. 1133 § 7, 1971; Ord. CS-289 § 5, 2016)

**§ 1.01.080. Effect of code on past actions and obligations.**

Neither the adoption of this code nor the repeal or amendment hereby of any ordinance or any part of any ordinance of the city shall in any manner affect the prosecution for violations of ordinances, which violations were committed prior to the effective date of this code, nor be construed as a waiver of any license, fee, or penalty at the effective date due and unpaid under such ordinances, nor be construed as affecting any of the provisions of such ordinances relating to the collection of any such license, fee, or penalty, or the penal provisions applicable to any violation thereof, nor to affect the validity of any bond or cash deposit in lieu thereof required to be posted, filed, or deposited pursuant to any ordinance and all rights and obligations thereunder appertaining shall continue in full force and effect.

(Ord. 1133 § 8, 1971)

**§ 1.01.090. Effective date.**

The Carlsbad Municipal Code shall become effective on the date that the ordinance codified in this chapter becomes effective.

(Ord. 1133 § 9, 1971)

**§ 1.01.100. Severability.**

It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses and phrases of this code are severable, and if any phrase, clause, sentence, paragraph or section of this code is declared unconstitutional or without effect by any final judgment or decree of a court of competent jurisdiction, such judgment or decree shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this code.

(Ord. 1133 § 10, 1971; Ord. CS-289 § 6, 2016)

**§ 1.01.110. Limitation on liability.**

Except when otherwise specifically indicated the obligations imposed upon city officers or employees for implementation and enforcement of this code are directory in nature. Nothing in this code shall be construed as limiting or eliminating any defense or immunity from liability for the city or its officers or employees established by the provisions of Title 1, Division 3.6 of the California Government Code or by any other provision of law. Except when otherwise specifically indicated, the manner and timing of enforcement and implementation of this code shall be within the discretion of the City Manager or other designated city officers or employees. Except when otherwise specifically indicated this code shall not be construed to hold the city or any officer or employee of the city responsible for any damage to persons or property by reason of a failure to enforce, implement or execute any of the provisions of this code. Nothing in this code shall be construed to hold the city or any officer or employee of the city responsible for any damage resulting to persons or property by reason of any interpretation of this code by any city officer or employee.

(Ord. 1277 § 1, 1985)

**§ 1.01.120. Continuation of existing law.**

Nothing contained herein is intended to enact any new taxes or to affect any penalty clauses contained in the existing ordinances recodified by this action. The recodification of the Carlsbad Municipal Code is intended by the City Council to be a continuation, without change, of existing ordinances.

(Ord. CS-289 § 3, 2016)

**§ 1.01.130. Effect of recodification.**

The recodification and adoption of the Carlsbad Municipal Code as specified in this chapter shall not affect the following matters:

- A. Actions and proceedings that began before the effective date of the ordinance codified in this chapter.
- B. Civil, criminal and administrative proceedings concerning ordinance violations committed before the effective date of the ordinance codified in this chapter.
- C. The amount of or collection of license, fee, penalty debt, forfeiture or obligation due and unpaid as of the effective date of the ordinance codified in this chapter.
- D. Bonds and cash deposits required to be posted, filed or deposited pursuant to any ordinance, resolution or regulation.

(Ord. CS-289 § 4, 2016)

## CHAPTER 1.08 **PENALTIES**

### **§ 1.08.010. Violations—Penalties.**

#### A. General.

1. Except as otherwise provided in this code, a violation of any provision of this code, or a violation of any permit or license issued under this code, may be charged as an infraction.
2. A violation of any provision in Title 8 or 11 of this code, or any other provision specifically stating a violation is a misdemeanor, may be charged as an infraction or a misdemeanor at the discretion of the City Attorney.
3. Nothing contained in this code abrogates the City Attorney's discretion to reduce any act chargeable as a misdemeanor under this chapter to an infraction if the City Attorney determines the reduction serves the interest of justice.
4. Aiding and abetting. Whenever a provision of this code prohibits any act or omission, the provision also prohibits the causing, permitting, aiding, abetting, suffering, maintaining, or concealing of the act or omission. Any person who causes, permits, aids, abets, suffers, maintains, or conceals the act or omission is guilty of a violation of this code and subject to the punishment prescribed for the act or omission.
5. Separate Violations. Each day during any portion of which a violation of this code is committed, continued, or permitted is a separate offense.
6. A conviction or payment of a fine or penalty for any violation of this code does not excuse or exempt compliance with all provisions of this code, including payment of any tax, fee, or other charge required by this code.
7. Nothing contained in this chapter shall preclude the city from enforcing the provisions of this code through any other legal or equitable remedies, including the administrative remedies contained in Chapter 1.10 and/or the public nuisance abatement procedures in Chapter 6.16 of this code.

#### B. Criminal Penalties.

1. Misdemeanor. Except as otherwise provided in this code, a violation of this code determined to be a misdemeanor is punishable by a fine not exceeding \$1,000.00, imprisonment in county jail for a term not exceeding six months, or both.
2. Infraction.
  - a. A violation of this code determined to be an infraction is punishable by a fine as provided for in California Government Code Section 36900, subdivision (b).
  - b. Notwithstanding any other law, a violation of a local building or safety code determined to be an infraction is punishable by a fine as provided for in California Government Code Section 36900, subdivision (c).
  - c. Notwithstanding any other law, a violation of Chapter 5.60, Short-Term Vacation Rentals, of this code that poses a threat to public health or safety is punishable by a fine as provided for in California Government Code Section 36900, subdivision (d). These enhanced fines

apply to "short-term rentals" and "residential dwellings," as defined in California Government Code Section 36900, subdivision (d)(2) and (d)(3).

- d. A person fined for an infraction under California Government Code Section 36900, subdivision (b)(2), (b)(3), (c)(2), or (c)(3), who meets the requirements of California Government Code Section 36900, subdivision (e), may request a hardship waiver under that subdivision to reduce the amount of the fine.
- 3. In addition to a monetary fine set forth in this subsection B, both conditional sentencing and probation are authorized as sentencing options in accordance with California Penal Code Section 1203, subdivision (a).
- C. Civil Penalties. Any provision of this code may be enforced by a civil suit brought by the city, a civil injunction issued by the superior court, or any other civil legal or equitable remedy. As part of a civil action, the court may assess a civil penalty for each day the violator commits, continues, allows or maintains the violation. Civil penalties may also be issued administratively pursuant to Section 1.10.060 of this code.

(Ord. 1236 § 1, 1980; Ord. 1252 § 1, 1982; Ord. 5064 § 1, 1983; Ord. 6068 § 1, 1983; Ord. 1274 § 1, 1984; Ord. 1278 § 2, 1985; Ord. 5071 § 2, 1986; Ord. 1296 § 1, 1987; Ord. NS-70 § 1, 1989; Ord. NS-394 § 1, 1997; Ord. NS-811 § 4, 2006; Ord. NS-861 § 1, 2007; Ord. CS-090 § 2, 2010; Ord. CS-153 § 7, 2011; Ord. CS-211 § 1, 2013; Ord. CS-323 § 3, 2017; Ord. CS-374 § 2, 2020; Ord. CS-434 § 2, 2022)

#### **§ 1.08.020. Authority of city employee to arrest.**

- A. The City Manager or a deputized city employee is authorized under California Penal Code Section 836.5 to arrest a person without a warrant whenever the employee has reasonable cause to believe the person to be arrested committed a misdemeanor offense in the employee's presence that is a violation of this code or any uncodified city building or zoning ordinance.
  - B. The City Manager may deputize a city employee to exercise the power of arrest described in subsection A of this section if the employee has completed an introductory course of training prescribed by the Commission on Peace Officer Standards and Training pursuant to California Penal Code Section 832. Nothing in this section authorizes a deputized employee to carry a firearm.
- (Ord. 197 § 1, 1992; Ord. NS-370 § 1, 1996; Ord. NS-385 § 1, 1996; Ord. NS-625 § 12, 2002; Ord. CS-105 § 1, 2010; Ord. CS-164 § 14, 2011; Ord. CS-374 § 2, 2020; Ord. CS-434 § 2, 2022)

#### **§ 1.08.030. Authority of police rangers to arrest.**

- A. The City Manager or a deputized police ranger is authorized under California Penal Code Section 836.5 to arrest a person without a warrant whenever the police ranger has reasonable cause to believe the person to be arrested committed a misdemeanor or infraction in the employee's presence that is a violation of any provision of this code or the animal control provisions of the San Diego County Code as adopted by reference in Section 7.08.010(B) of this code.
  - B. The City Manager may deputize a police ranger to exercise the power of arrest described in subsection A of this section if the police ranger has satisfactorily completed an introductory course of training prescribed by the Commission on Peace Officer Standards and Training pursuant to California Penal Code Section 832. Nothing in this section authorizes a deputized police ranger to carry a firearm.
- (Ord. CS-320 § 3, 2017; Ord. CS-374 § 2, 2020; Ord. CS-434 § 2, 2022)

**CHAPTER 1.10  
ADMINISTRATIVE CODE ENFORCEMENT REMEDIES**

**Article I  
General**

**§ 1.10.005. Purpose and intent.**

The enforcement of this code and applicable state codes throughout the city is an important public service and is vital to the protection of the public's health, safety, and quality of life. There is a need for alternative methods of code enforcement, and a comprehensive code enforcement system uses a combination of judicial and administrative remedies to gain compliance with code regulations. There is a need to draft precise regulations that can be effectively applied in judicial and administrative proceedings, and there is a need to establish uniform procedures for administrative enforcement hearings.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

**§ 1.10.010. Definitions.**

The following definitions apply in interpreting and enforcing this chapter:

"Administrative code enforcement remedies" include administrative abatement, summary abatement, civil penalties, notices of violation, administrative citations, recordation of notices of violation and certificates of noncompliance, and the withholding or revocation of permits as authorized by this code.

"Administrative costs" means the actual costs incurred by the city from first discovery of a violation through the appeal process and until compliance is achieved, including staff time inspecting property, documenting violations, sending notices, and interviewing and responding to witnesses/complaining parties; laboratory, photographic, printing and other expenses incurred to document or establish the existence of a violation; scheduling and processing of any administrative hearing and related actions; and time and resources necessary to prepare for and participate in any appeal hearing. The amount of administrative costs shall not exceed the actual cost incurred in performing inspections and enforcement activity, including permit fees, fines, late charges, and interest.

"Administrative enforcement order" means an administrative hearing officer's written decision and order.

"Administrative hearing officer" means any neutral third party contracted by the city to preside over administrative hearings.

"Administrative penalty" means a monetary fine imposed by the city for acts or omissions determined to violate this code.

"Director" means the director of any city department, including, but not limited to, the Director of Community Development, the Director of Public Works, the Director of Finance, and the Director of Environmental Management.

"Enforcement officer" means any city employee or agent of the city with the authority to enforce any provision of this code.

"Notice" means a notice of violation, a notice and order for civil penalties, a notice of ineligibility for land development, a notice of hearing, and any notice and order that may be issued by the city pursuant to this code or any state code.

"Person" means a natural person, firm, association, business, trust, organization, corporation, partnership, company, or other entity, which is recognized by law as the subject of rights or duties.

"Responsible party" means a person in charge of a premises or location, or a person responsible for an event or incident, and includes any of the following:

1. A person who owns a property where a violation exists.
2. A person in charge of or exercising control over a premises where a violation exists.
3. A person renting, leasing, or using a premises where a violation exists.
4. If a person is a minor under the age of 18, the parents or guardians of the minor shall be the responsible party.
5. If a person is a business entity, the manager or on-site supervisor where a violation exists shall be a responsible party.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

#### **§ 1.10.015. Remedies not exclusive.**

The procedures established in this chapter shall be in addition to criminal, civil, or other legal and equitable remedies established by law which may be pursued to address violations of this code or applicable state codes, including cease and desist orders for violations that pose a threat to health, safety, welfare, or the environment. The use of this chapter shall be at the sole discretion of the city.

(Ord. CS-434 § 3, 2022)

#### **§ 1.10.020. General enforcement authority.**

- A. Unless otherwise specified in this code, the City Manager or designee or designated enforcement officer shall have the power to inspect public and private property, and use the judicial and administrative remedies available under this code and state law to enforce any violation of any provision of this code, any permit or license approved pursuant to any provision of this code, any condition of approval of a permit or entitlement granted pursuant to any provision of this code, any required environmental mitigation measure, any term or condition of any city agreement pursuant to a police power, or any order issued by or on behalf of the city or by an administrative hearing officer contracted with the city.
- B. The City Manager or designee or designated enforcement officer shall have the power to issue the following notices, orders, and citations in accordance with the procedures set forth in Section 1.10.040 of this chapter, unless another procedure is specified in this section:
  1. Notice of violation. A notice of violation may be issued to a responsible party pursuant to the procedures of Article I of this chapter.
  2. Administrative citation. An administrative citation may be issued to a responsible party pursuant to the procedures of Article II of this chapter.
  3. Compliance agreement and order. At the discretion of the Code Enforcement Manager and in consultation with the City Attorney, a compliance agreement and order may be executed with a property owner and any responsible party(ies) to ensure ongoing and long-term actions to remedy any violation of this code or other violation as stated in Section 1.10.020(A) of this chapter. The compliance agreement and order may contain a compliance schedule with milestones, penalty payment plans and due dates, action plans, compliance meetings, or other measures necessary to achieve and maintain compliance.

4. Notice of hearing.

- a. The City Manager or designee may issue a notice of nuisance abatement hearing for violations of Chapter 6.16 of this code to a property owner and any additional responsible party pursuant to the procedures in Chapter 6.16 of this code.
- b. For all other violations of this code or other violations as stated in Section 1.10.020(A) of this chapter, a designated enforcement officer may issue a notice of hearing to a property owner and any additional responsible party if cure or abatement of the violation(s) is not achieved by the compliance date provided on the notice, administrative citation, or order, or within three business days of issuance if no date is provided.
- c. The following procedures shall apply when a notice of hearing is issued:
  - i. The city shall file the notice of hearing with the City Clerk's office.
  - ii. The hearing shall be scheduled, noticed, and administered in accordance with Article III of Chapter 1.10 of this code.
  - iii. The person requesting the hearing shall be notified of the time and place set for the hearing at least 10 calendar days prior to the date of the hearing.
  - iv. If the enforcement officer submits an additional written report concerning the violation to the administrative hearing officer at the hearing, then a copy of that report shall also be served on the person requesting the hearing at least five calendar days prior to the date of the hearing.
  - v. Within 15 days of receipt of the notice of hearing, the property owner or responsible party shall pay an advance deposit of the full amount of any administrative penalties owed or file a request for an advance deposit hardship waiver pursuant to Section 1.10.120(F) of this chapter. A failure to comply with the requirements of this provision will not prohibit the city from proceeding with the hearing.

5. Stop work order and stop use order.

- a. Reason for issuance. Without advance written notice, a stop work order or stop use order may be issued to a property owner or responsible party to immediately cease any construction, installation, operation, or activity, or to immediately cease the use of a building, building component, structure, or mechanical device for any of the following reasons:
  - i. There is reasonable cause to believe that the construction, installation, activity, existing condition, or method of operation creates an imminent danger to public safety or health as a result of a violation of this code or of other applicable law.
  - ii. The activity is being performed or conducted by an individual who does not hold the appropriate license, certification, or registration as required by this code or by other applicable law.
  - iii. The construction, installation, activity, or operation has not been approved or has not been issued the appropriate permit as required by this code or by other applicable law.
  - iv. Where a permit has been issued and no imminent danger circumstances defined in

Section 1.10.020(B)(5)(a)(i) of this chapter exist, the City Attorney's office must review the stop work order or stop use order before issuance to ensure the work or use is unlawful.

- b. Issuance of order.
  - i. Unless otherwise specified in this code, a stop work order or stop use order shall be issued only upon the review and approval of the Director of Community Development or designee. This section is not intended to conflict with, override, or interfere with other sections of this code that provide the building official, City Engineer, Director of Public Works, City Planner, or their designee with primary stop work order authority and enforcement responsibility.
  - ii. A stop work order or stop use order shall be in writing and shall be served using the procedures in Section 1.10.040(A)(2) of this chapter, requiring posting and mailing.
  - iii. The stop work order or stop use order shall include at least all of the following:
    - (A) The date and location of the violation(s) and, if applicable, the approximate time the violation(s) were observed.
    - (B) The code section(s) violated and describe how the section(s) were violated.
    - (C) A description of the application and the extent of the order describing the object, component, or activity covered by the order. A stop work order or stop use order issued in relation to the construction of a building may not extend to other activities or portions of a building, structure, building component, or mechanical device that is not directly associated with the reason for the stop work order or stop use order.
    - (D) A description of the action required to correct the violation(s) and a requirement that the corrective action take place immediately.
    - (E) A reference that the stop work order or stop use order shall remain in effect until the enforcement officer or City Manager or designee determines that the conditions of the order are fulfilled, or until the order is rescinded or overturned by the City Manager or designee.
    - (F) The signature of the issuing enforcement officer and the Director of Community Development or designee, or if issued pursuant to another chapter of this code, the signature of the issuing building official, City Engineer, Director of Public Works, City Planner, or their designee. The City Attorney's office must also review any stop work order or stop work order issued pursuant to Section 1.10.020(B)(5)(a)(iv) of this chapter.
    - (G) Instructions for submitting a request to appeal the stop work order or stop use order to the City Manager or designee, consistent with Section 1.10.020(B)(5)(c) of this chapter.
    - (H) A reference to the potential consequences should the property owner or responsible party refuse to immediately comply with the conditions of the stop work order or stop use order, including criminal prosecution; civil injunction; administrative abatement; additional administrative citations; an administrative

hearing requested by the city to resolve the violations; suspension, revocation, or stay of issuance of municipal permits or other city authorizations; recordation of notices of violation, certificates of noncompliance, or notices of ineligibility for land development; bonding requirements; and referral to other enforcement authorities.

- iv. The city may post a sign or notice to the public regarding the issuance of a stop work order or stop use order. The sign or notice shall be posted in a conspicuous location and shall remain where posted until the enforcement officer or City Manager determines that the conditions of the order are fulfilled, or until the order is rescinded or overturned by the City Manager.
  - v. The property owner or responsible party must furnish to the city any additional information, investigations and reports necessary to resolve the stop work order or stop use order conditions. The property owner or responsible party must pay for all expenses associated with furnishing these items, as well as any additional staff time to resolve the stop work order or stop use order conditions.
  - vi. Any person who continues or allows prohibited work or a prohibited use after a stop work order or stop use order has been issued by the city, or who removes a stop work order or stop use order posted by the city, is in violation of the stop work order or stop use order. This offense will be treated as a violation of this code and may be prosecuted as an infraction or misdemeanor at the discretion of the City Attorney. The city may use any other available legal or equitable remedy to recover any penalties, costs, fees, and obtain compliance with the stop work order or stop use order, as provided in this code or other applicable law.
- c. Appeal of stop work order or stop use order to the City Manager or designee.
- i. The recipient of a stop work order or stop use order or any person who is adversely affected by the order may request to appeal the order to the City Manager or designee within 30 calendar days of posting of the order.
  - ii. A request to appeal a stop work order or stop use order shall be in writing and shall include a statement of the specific reasons why the person believes that the issuance of the order is incorrect or inappropriate. Request to appeal forms may be obtained from the city's website, the code enforcement division, or the department or division specified on the stop work order or stop use order.
  - iii. The request to appeal shall be filed with the department or division specified on the stop work order or stop use order.
  - iv. Hearing on appeal and decision of City Manager or designee.
    - (A) The City Manager or designee shall set a date, time, and location for the appeal hearing on a date no later than 10 business days after the request to appeal has been filed, unless the parties stipulate to a later date.
    - (B) At the hearing, the party contesting the stop work order or stop use order shall have an opportunity to testify and to present evidence concerning the stop work order or stop use order. Formal rules of evidence shall not apply during the hearing.

- (C) Any city-issued notices, administrative citations, and additional report(s) submitted by an enforcement officer shall constitute *prima facie* evidence of the respective facts contained in those documents.
- (D) The City Manager or designee may continue the hearing and request additional information from the enforcement officer, the recipient of the stop work order or stop use order, or the property owner prior to issuing a written decision.
- (E) The failure of any person requesting to appeal a stop work order or stop use order to appear at any scheduled appeal hearing shall result in the dismissal of the appeal and a failure to exhaust administrative remedies.
- (F) The failure of any person to file a request for appeal in accordance with the provisions of this section shall constitute a waiver of the person's rights to an administrative determination of the merits of the stop work order or stop use order. If no request for appeal is filed, the stop work order or stop use order shall be deemed a final order.
- (G) The City Manager or designee shall issue a written decision within five business days following an appeal hearing of a stop work order or stop use order. The written decision shall include information about appeal rights and procedures if the decision adversely affects the person requesting the appeal.

d. Administrative review hearing.

- i. A person adversely affected by the decision of the City Manager or designee under Section 1.10.020(B)(5)(c) of this chapter concerning a stop work order or stop use order may file an appeal of the decision to be reviewed by an administrative hearing officer, in accordance with the procedures of Section 1.10.120 of this chapter and Article III of Chapter 1.10 of this code.
- ii. A request for a hearing to review the decision of the City Manager or designee regarding a stop work order or stop use order shall include a statement of the specific reasons why the person believes the decision is incorrect or inappropriate.
- iii. A request for a hearing to review the decision of the City Manager or designee regarding a stop work order or stop use order shall be denied if the request is received more than 30 calendar days after issuance of the decision.
- iv. An administrative hearing to review the decision of the City Manager or designee regarding a stop work order or stop use order shall be governed by the provisions of Section 1.10.120 and Article III of Chapter 1.10 of this code.

7. Notice of intent to determine ineligibility for land development.

- a. Any person who fails to perform construction, grading, building, or other work in accordance with a city-issued permit or who performs construction, grading, building, or other work in violation of applicable provisions of this code, a city-issued permit or order, conditions of approval, or other regulatory requirements, along with the property owner, may be served a notice of intent to determine ineligibility for land development, which prohibits the continuation of development or construction activities on the property where the violation occurred.

- b. The notice of intent required by this section must:
    - i. Be served on the responsible party and property owner personally, or posted on the property and mailed by certified mail and first-class mail to the address shown on the most recent tax assessment roll;
    - ii. State the city's intent to record a notice of ineligibility for land development against the property;
    - iii. Fix a location, time, and date, not less than 15 calendar days after delivery of the notice, at which an administrative hearing will occur; and
    - iv. Explain that during the hearing the responsible party and property owner may submit written or oral comments or reasons why a notice of ineligibility should not be recorded.
  - c. The ineligibility hearing must:
    - i. Be held at the appointed time, or at a time agreed to by all parties;
    - ii. Provide the responsible party and property owner an opportunity to present written or oral comments or reasons why a notice of ineligibility should not be recorded against the property;
    - iii. Result in a determination of whether a violation occurred, whether it has been remedied, and whether to record a notice of ineligibility for land development; and
    - iv. Comply with the hearing requirements of this chapter to the extent those requirements do not conflict with the requirements of this section.
  - d. A notice of ineligibility for land development that is recorded in accordance with this section remains in effect until the enforcement officer records a release of notice of ineligibility for land development. A release of notice of ineligibility for land development may be recorded when the responsible party implements all required plans and best management practices (if applicable) and remedies all noncompliant site conditions as described in the notice of ineligibility for land development. During the effective dates of any notice of ineligibility recorded in accordance with this section, no application for a building permit, administrative permit, site plan, use permit, variance, tentative parcel map, tentative map, parcel map, final map, or any other permit for the development of the property on which the violation occurred will be approved.
  - e. This remedy is not intended to conflict with any other notices that may be recorded against a property for violations of this code.
8. Bonding requirement. A responsible party may be required to post a bond or other security instrument to assure the correction of a violation of any provision of this code or other violation as stated in Section 1.10.020(A) of this chapter.
  9. Referral to other enforcement authorities. Where required or appropriate, violations of this code or other violations as stated in Section 1.10.020(A) of this chapter may be referred to agencies having authority over the action constituting a violation.
- C. Each type of notice, order, or citation authorized by this code may be issued alone, or it may be combined with any other type of notice, order, or citation.

D. The City Manager may establish rules and procedures necessary to implement the provisions of this chapter.

E. This section is not intended to replace or override any enforcement powers that are provided to other designated city employees in this code or in any other applicable law.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

#### **§ 1.10.025. Procedural compliance.**

Failure to comply with any procedural requirement of this chapter, to receive any notice, decision, or order specified in this chapter, or to receive any copy required to be provided by this chapter does not affect the validity of proceedings conducted under this chapter unless the responsible person is denied constitutional due process by the failure.

(Ord. CS-434 § 3, 2022)

#### **§ 1.10.030. Notice of violation.**

An enforcement officer may issue a notice of violation to a responsible party in response to any violation of any provision of this code, any permit or license approved pursuant to any provision of this code, any required environmental mitigation measure, any term or condition of any city agreement pursuant to a police power, or any order issued by or on behalf of the city or by an administrative hearing officer contracted with the city. The notice of violation shall include the following information:

- A. The name of the record owner of the property.
- B. Street address.
- C. The code section(s), provision(s), condition(s), or term(s) violated.
- D. A description of how the property's condition violates the applicable code section(s), provision(s), condition(s), or term(s).
- E. A description of necessary corrections to bring the property into compliance.
- F. A reasonable deadline or specific date to correct the violations listed in the notice of violation.
- G. If the notice of violation is issued for a public nuisance under Chapter 6.16 of this code, an advisement that the responsible party has 10 calendar days from the date of mailing of the notice of violation to file an appeal, or 10 calendar days from the date of personal service of the notice of violation if served using this method.
- H. A reference to the potential consequences should the property remain in violation after the expiration of the compliance deadline, including criminal prosecution; civil injunction; administrative abatement; administrative citations; an administrative hearing requested by the city to resolve the violations; suspension, revocation, or stay of issuance of municipal permits or other city authorizations; recordation of notices of violation, certificates of noncompliance, or notices of ineligibility for land development; bonding requirements; and referral to other enforcement authorities.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

#### **§ 1.10.040. Service of notices, orders, and citations.**

- A. Except for an initial notice of violation, whenever a notice, order, or administrative citation is required

to be given under this code for enforcement purposes, the notice, order, or administrative citation shall be served on a responsible party by any of the following methods unless different provisions are otherwise specifically stated to apply:

1. Personal service.
  2. Posting the notice, order, or administrative citation conspicuously on or in front of the property that is the subject of the violation and subsequently mailing a copy to a responsible party in the manner described in subsection (A)(3) of this section. The form of the posted notice, order, or administrative citation shall be approved by the City Attorney or designee.
  3. Certified mail, postage prepaid, return receipt requested to the property address and any other mailing address(es) on file with the county tax collector and the county assessor. The city may, but is not required to, provide this form of notice to any other known address for a responsible party.
    - a. Simultaneous to service by certified mail, the same notice, order, or administrative citation may also be sent by regular mail to the property address(es) on file with the county tax collector and the county assessor.
    - b. If a notice, order, or administrative citation sent by certified mail is returned unsigned, then service shall be deemed effective pursuant to any regular mailing. However, if the notice, order, or administrative citation sent by both regular mail and certified mail are returned, the notice, order, or administrative citation must be served pursuant to subsection (A)(1) or (A)(2) of this section.
    - c. Service by certified or regular mail in the manner described in this subsection is effective on the date of mailing.
- B. The failure of a responsible party to receive any notice, order, or administrative citation served in accordance with this chapter shall not affect the validity of any proceedings taken under this code.
- C. The notice requirements in this section do not apply to initial notices of violation, which may be sent by regular mail to the property address(es) on file with the county tax collector and the county assessor. Service of a notice of violation by regular mail is effective on the date of mailing.
- D. If a responsible party is not an individual, the enforcement officer shall attempt to identify the property owner and issue the property owner the notice, order, or administrative citation. If the enforcement officer can only identify the manager or on-site supervisor of the property, the notice, order, or administrative citation may be issued in the name of the property owner and served upon the manager or on-site supervisor in the manner provided in this chapter. A copy of the notice, order, or administrative citation shall also be mailed to the property owner in the manner prescribed by this section.
- E. If the property that is the subject of a violation is owned by a corporation, notices and administrative citations may be served by certified mail to the registered agent for the corporation.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

#### **§ 1.10.050. Notice of pending administrative enforcement action.**

- A. For purposes of this chapter the enforcement officer may have a notice recorded with the County Recorder's office against a property that is the subject of a pending administrative enforcement action with the city.

B. The notice of the pending administrative enforcement action shall be on a form approved by the City Attorney or designee and shall describe the nature of the administrative enforcement action, the owner's assessor's parcel number, the parcel's legal description, a copy of the latest notice of violation, and the governing code section(s).

C. Notification Letter.

1. Prior to recording the notice of pending administrative enforcement action, the enforcement officer shall serve a notification letter on the responsible party and property owner stating that the notice of pending administrative enforcement action will be recorded unless a request for hearing form is filed pursuant to the procedures outlined in Section 1.10.120 of this chapter, except that the time to file the request for hearing form is 10 calendar days from the date of mailing of the notification letter.
2. The notification letter shall be served on the responsible party and property owner pursuant to any of the methods of service set forth in Section 1.10.040 of this chapter. The enforcement officer may also send a courtesy copy of the letter to any other party with an interest in the property.
3. If a request for hearing form is not received by the city within 10 calendar days of the date of mailing of the notification letter, the enforcement officer may record the notice of pending administrative enforcement action if the code violations remain. The failure of any person to file a request for hearing form in accordance with these provisions shall constitute a waiver of the right to an administrative hearing and shall not affect the validity of the recorded notice of pending administrative enforcement action.

D. Hearing Prior to Recordation of Notice of Pending Administrative Enforcement Action.

1. Any hearing conducted upon receipt of a request for hearing form shall follow the procedures set forth in Section 1.10.120 and Article III of this chapter.
  2. The purpose of the hearing is for the responsible party or property owner to state any reasons why a notice of pending administrative enforcement action should not be recorded. The administrative enforcement officer shall only consider evidence that is relevant to the following issues:
    - a. Whether the conditions listed in the notice of pending administrative enforcement action violate the Carlsbad Municipal Code or applicable state codes, or whether the conditions constitute any other violation as described in Section 1.10.020(A) of this chapter; and
    - b. Whether the enforcement officer afforded the responsible party and property owner with due process by adhering to the notification procedures specified in this section.
  3. If the administrative hearing officer affirms the enforcement officer's decision to record the notice of pending administrative enforcement action, the enforcement officer may record the notice.
  4. If the administrative hearing officer determines that recordation is improper, the administrative hearing officer shall invalidate the enforcement officer's decision to record the notice of pending administrative enforcement action.
- E. A copy of the recorded notice of pending administrative enforcement action shall be served on the property owner and responsible party pursuant to any of the methods of service set forth in Section

1.10.040 of this chapter.

- F. Prohibition Against Issuance of Multiple Permits. The city may withhold permits for any alteration, repair, or construction pertaining to any existing or new structures or signs on the property, or any permits pertaining to the use and development of the real property or the structure: (1) if a request for hearing prior to recordation of notice of pending administrative enforcement action has not been timely filed and the notice is subsequently recorded; or (2) after an administrative hearing officer affirms the enforcement officer's decision to record a notice of pending administrative enforcement action and the notice is subsequently recorded. The city may withhold permits until a certificate of compliance or notice of release has been issued by the enforcement officer. The city may not withhold permits which are necessary to obtain a certificate of compliance or notice of release, or which are necessary to correct serious health and safety violations.
- G. Upon final resolution of the pending administrative enforcement action, including the correction of all violations and payment of all outstanding penalties, costs, and fees, the enforcement officer shall have a certificate of compliance or notice of release filed with the County Recorder's office releasing the property from the notice of pending administrative enforcement action. The certificate of compliance or notice of release shall be on a form approved by the City Attorney or designee.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

#### **§ 1.10.055. Administrative costs.**

- A. In addition to the assessment of any administrative penalties, the enforcement officer is authorized to assess administrative costs against a responsible party, as provided for in California Government Code Section 54988.
- B. The city shall provide a responsible party and the property owner with written notice of assessment of administrative costs on a form approved by the City Attorney or designee, which shall include:
  - 1. The basis for the administrative costs;
  - 2. The code section(s) of the underlying administrative enforcement action;
  - 3. A statement that the property owner has 45 calendar days after such notice is issued to pay the administrative costs, after which time the property may be subject to a proposed lien;
  - 4. A statement that the property owner has an opportunity to appear before the Planning Commission and be heard regarding whether the proposed lien should become a lien and the lien amount.
- C. The notice of assessment of administrative costs shall be mailed using the service by mail procedures in Section 1.10.040 of this chapter.
- D. If the property owner elects to appear before the Planning Commission and be heard regarding whether the proposed lien should become a lien and the lien amount, the Planning Commission shall conduct a hearing. Written notice of the hearing shall be provided to the property owner by mail at least 10 calendar days in advance of the hearing. After the hearing, the Planning Commission shall make a written recommendation to the City Council. The recommendation shall include factual findings based on the evidence introduced at the hearing.
- E. The City Council may adopt the Planning Commission's recommendation or direct the matter be set for a new hearing before the City Council. Written notice of the new hearing shall be provided to the property owner by mail at least 10 calendar days in advance of the hearing.

- F. If the City Council determines that the proposed lien shall become a lien, the City Council may have a notice of lien recorded with the County Recorder. The lien shall attach upon recordation and shall have the same force, priority, and effect as a judgment lien, not a tax lien. The notice of lien shall include the record owner or possessor of the property, the last known address of the record owner or possessor, the date upon which the lien was created against the property, and a description of the real property subject to the lien and the amount of the lien.
- G. The failure of any person with a financial interest in the property to actually receive the notice of the lien shall not affect the validity of the lien or any proceedings taken to collect the outstanding civil penalties.
- H. All administrative costs assessed are cumulative. If a responsible party fails to correct the violation(s), or has the same, similar, repeated, or continuing violation(s), subsequent administrative costs may be assessed.
- I. Payment of administrative costs does not excuse the failure of a responsible party to correct the violation(s) and does not bar further enforcement action by the city.
- J. The correction of a violation does not excuse the failure of a responsible party to pay any outstanding administrative costs.

(Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

### **§ 1.10.060. Civil penalties.**

- A. Declaration of Purpose. The City Council finds that there is a need for alternative methods of code enforcement. The administrative assessment of civil penalties along with an administrative hearing procedure is a necessary alternative method of code enforcement, in addition to any other administrative or judicial remedy established by law which may be pursued to address violations of this code and applicable state codes.
- B. Authority.
1. Any person violating any provision of this code or applicable state code, any permit or license approved pursuant to any provision of this code, any condition of approval of a permit or entitlement granted pursuant to any provision of this code, any required environmental mitigation measure, any term or condition of any city agreement pursuant to a police power, or any order issued by or on behalf of the city or by an administrative hearing officer contracted with the city may be subject to the assessment of civil penalties pursuant to the administrative procedures provided in this section.
  2. Each day a violation as described in Section 1.10.060(B)(1) of this chapter exists constitutes a separate and distinct violation.
  3. Civil penalties may be directly assessed by means of a notice and order issued by any director or imposed, affirmed, or modified by an administrative hearing officer.
  4. Civil penalties shall be assessed at a daily rate determined by a director or administrative hearing officer pursuant to the criteria listed in Section 1.10.060(D)(3) of this chapter. The maximum rate shall be \$2,500.00 per violation. The maximum amount of civil penalties shall not exceed \$400,000.00 per parcel or structure for any related series of violations, exclusive of administrative costs.
- C. Procedures—Notice and Order.

1. Whenever a director determines that a violation as described in Section 1.10.060(B)(1) of this chapter has occurred or continues to exist, a written civil penalties notice and order may be issued to the responsible party.
  2. The notice and order shall list all applicable sections violated and describe how each section is or has been violated.
  3. The notice and order shall refer to the dates and locations of the violations.
  4. The notice and order shall describe the remedial action required to permanently correct outstanding violations and establish time frames for completion.
  5. The notice and order shall establish a daily amount of civil penalties. A director shall determine the daily amount of civil penalties pursuant to the criteria in Section 1.10.060(D)(3) of this chapter.
  6. The notice and order shall identify a date when the civil penalties began to accrue and a date when the assessment of civil penalties ended, unless the violation is continuous. In the case of a continuous violation, there shall be an ongoing assessment of penalties at the daily rate established in the notice and order until the violations are corrected.
  7. If a director determines that the violations are continuing, the notice and order shall demand that the responsible party cease and desist from further action causing the violations and commence and complete all action to correct the outstanding violations under the guidance of the appropriate city department(s) or division(s).
  8. The notice and order shall enumerate any other consequences should the responsible party fail to comply with the terms and deadlines as prescribed in the notice and order.
  9. The notice and order shall explain the responsible party's right to appeal in accordance with Section 1.10.020 of this chapter and shall follow the appeal procedures set forth in Section 1.10.120 and Article III of this chapter. Unless contested, the notice and order shall be final and be enforced pursuant to this section.
  10. The notice and order shall be served upon the responsible party by any one of the methods of service provided in Section 1.10.040 of this chapter.
  11. The notice and order shall identify the factors used by a director in determining the duration and the daily amount of civil penalties.
  12. More than one notice and order may be issued against the same responsible party if it encompasses different dates or different violations.
- D. Determination of Civil Penalties.
1. In determining the date when civil penalties start to accrue, a director or administrative hearing officer may consider the date when the department or division first discovered the violations as evidenced by the issuance of a notice of violation or any other written correspondence.
  2. The assessment of civil penalties shall end when all action required by the notice and order has been completed.
  3. In determining the amount of the civil penalty to be assessed at a daily rate, a director or administrative hearing officer may consider some or all of the following factors:

- a. The duration of the violation.
  - b. The frequency or recurrence of the violation.
  - c. The nature and seriousness of the violation.
  - d. The history of the violation.
  - e. Whether the offense impacted environmentally sensitive lands, a historical resource, or a designated historical resource as defined throughout this code.
  - f. The willfulness of the responsible party's misconduct.
  - g. The responsible party's conduct after issuance of the notice and order.
  - h. The good faith effort by the responsible party to comply.
  - i. The economic impact of the penalty on the responsible party.
  - j. The impact of the violation on the community.
  - k. Any other factors that justice may require.
4. The City Manager may establish a penalty schedule for a director and administrative hearing officer to use as a guideline in determining the amount of civil penalties in appropriate cases. The City Manager may also establish procedures for the use of this penalty schedule.
- E. Failure to Comply With Director's Notice and Order. When the responsible party fails to comply with the terms of the notice and order, a director shall schedule a civil penalties hearing in accordance with the administrative hearing procedures contained in Article III of Chapter 1.10 of this code, to the extent those procedures do not conflict with the requirements of this section. Failure to comply includes failure to pay the assessed civil penalties, failure to commence and complete corrections by the established deadlines, or failure to refrain from continuing violations as described in Section 1.10.060(B)(1) of this chapter.
- F. Civil Penalties Hearing.
1. The procedures for a civil penalties hearing are the same as the hearing procedures set forth in Article III of Chapter 1.10 of this code.
  2. The administrative hearing officer shall only consider evidence that is relevant to the following issues:
    - a. Whether the responsible party has caused or maintained a violation as described in Section 1.10.060(B)(1) of this chapter which existed on the dates specified in the notice and order.
    - b. If a notice and order was issued by a director, whether the amount of civil penalties assessed by the director pursuant to the procedures and criteria outlined in this section was reasonable.
- G. Administrative Enforcement Order.
1. Once all evidence and testimony are completed, the administrative hearing officer shall issue an administrative enforcement order which affirms or rejects the director's notice and order or which modifies the daily rate or duration of the civil penalties depending upon the review of the

- evidence. The administrative hearing officer may increase or decrease the total amount of civil penalties and costs that are assessed by the director's notice and order.
2. The administrative hearing officer may issue an administrative enforcement order that requires the responsible party to cease and desist from committing the specified violations and to make specified corrections.
  3. As part of the administrative enforcement order, the administrative hearing officer may establish specific deadlines for the payment of penalties and costs and condition the total or partial assessment of civil penalties on the responsible party's ability to complete compliance by specified deadlines.
  4. The administrative hearing officer may issue an administrative enforcement order that imposes additional civil penalties that will continue to be assessed until the responsible party complies with the administrative enforcement order and corrects the violation.
  5. The administrative hearing officer may schedule subsequent review hearings as necessary or as requested by a party to the hearing to ensure compliance with the administrative enforcement order.
- H. Failure to Comply With the Administrative Enforcement Order. The failure of a responsible party to comply with the terms and deadlines set forth in the administrative enforcement order will trigger the enforcement provisions set forth in Section 1.10.130(C) of this chapter. If the civil penalties were initially imposed pursuant to a notice and order, the director shall monitor the violations and determine compliance.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

**Article II**  
**Administrative Citations and Appeals**

**§ 1.10.070. Administrative citations.**

- A. An enforcement officer may issue an administrative citation to any responsible party in response to any violation of any provision of this code, any permit or license approved pursuant to any provision of this code; any condition of approval of a permit or entitlement granted pursuant to any provision of this code, any required environmental mitigation measure, any term or condition of any city agreement pursuant to a police power, or any order issued by or on behalf of the city or by an administrative hearing officer contracted with the city.
- B. A continuing violation of the violations specified in subsection (A) above constitutes a separate and distinct violation each day the violation exists.
- C. Administrative penalties shall be assessed by means of an administrative citation issued by an enforcement officer and shall be payable directly to the city.
- D. Administrative penalties shall be collected in accordance with the procedures specified in this chapter.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

**§ 1.10.080. Administrative citation procedures.**

- A. Upon discovering a violation of this code, an enforcement officer may issue and serve an administrative citation to a responsible party in the manner prescribed in this chapter. The administrative citation shall be issued on a form approved by the City Attorney or designee.
- B. A responsible party shall be provided a notice of violation prior to the issuance of an administrative citation, except in the event of certain violations related to the illegal cultivation of cannabis, as governed by California Government Code Section 53069.4(a)(2)(B).
- C. A second or subsequent notice of violation does not need to be issued to the same responsible party prior to the issuance of an administrative citation if a notice of violation for the same, similar, repeated, or continuing violation was previously issued.
- D. Failure to comply with any portion of a notice of violation may result in the issuance of an administrative citation.
- E. If an administrative citation is served by personal service, the enforcement officer shall attempt to obtain the signature of the responsible party to whom the administrative citation is being issued. If the responsible party refuses or fails to sign the administrative citation, the failure or refusal to sign shall not affect the validity of the citation and any subsequent proceedings.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

**§ 1.10.090. Contents of administrative citation.**

An administrative citation shall:

- A. Document the date and location of the violation(s) and, if applicable, the approximate time the violation(s) were observed.
- B. Document the code section(s), provision(s), condition(s), or term(s) violated and describe what action

or absence of action resulted in the violation.

- C. Describe the action required to correct the violation(s).
- D. Require the responsible party to correct the violation(s) by a reasonable compliance date to be provided by the enforcement officer and explain the consequences of failure to correct the violation(s).
- E. If a violation is continuing in nature, demand the responsible party cease and desist from further action causing the violation(s) and commence and complete all action to correct the outstanding violation(s).
- F. State the amount of the administrative penalty imposed for the violation(s).
- G. Explain how the administrative penalty shall be paid, the time period by which it shall be paid and the consequences of the failure to timely pay it.
- H. Indicate the responsible party has 30 calendar days from the date of issuance of the administrative citation to appeal the citation, including any administrative penalty imposed.
- I. Contain the signature of the issuing enforcement officer and the signature of the responsible party, if the responsible party was personally served and signed the administrative citation, as provided in this chapter.
- J. Contain a reference to the potential consequences should the property remain in violation after the expiration of the compliance deadline, including criminal prosecution; civil injunction; administrative abatement; additional administrative citations; an administrative hearing requested by the city to resolve the violations; suspension, revocation, or stay of issuance of municipal permits, or other city authorizations; recordation of notices of violation, certificates of noncompliance, or other notices of ineligibility for land development; bonding requirements; and referral to other enforcement authorities.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

#### **§ 1.10.100. Administrative penalties assessed.**

- A. The amount of administrative penalty assessed shall be as authorized in California Government Code Sections 36900, subdivisions (b)-(d), 36901, and 53069.4, subdivision (a)(1).
- B. All administrative penalties assessed are cumulative. If a responsible party fails to correct the violation(s), or has the same, similar, repeated, or continuing violation(s), subsequent administrative penalties may be issued.
- C. All administrative penalties assessed shall be payable to the city within 30 calendar days from the date of the administrative citation.
- D. All administrative penalties paid under this section shall be refunded if it is determined, after a hearing, the person charged in the administrative citation was not responsible for the violation(s) or there were no violation(s) as charged in the administrative citation.
- E. Payment of administrative penalties shall not excuse the failure of any responsible party to correct the violation(s) nor shall it bar further enforcement action by the city.
- F. The correction of a violation does not excuse the failure of a responsible party to pay any outstanding administrative penalties.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

**§ 1.10.110. Failure to pay administrative penalties; late fees.**

- A. The failure of any person to pay an administrative penalty or late fee within the time specified on the administrative citation or other notice without the filing of an appeal as provided in this chapter will result in the assessment of an additional late fee. The amount of the late fee is 25% of the total amount of the administrative penalty and will be assessed independent of whether the violation has been corrected.
- B. The failure of any person to pay an administrative penalty or late fee assessed within the time specified on the administrative citation or other notice constitutes a debt to the city. The city may file a civil action and/or pursue any other legal remedy to collect the debt.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

**§ 1.10.115. Transfer of ownership.**

- A. It is unlawful for the owner of any real property or structure who has an outstanding notice of violation, order, or administrative citation related to the real property or structure to sell, transfer, mortgage, lease, or otherwise dispose of the real property or structure to another until: (1) the corrective action has been completed and all penalties, costs, and late fees have been paid; or (2) until the owner furnishes the grantee, transferee, mortgagee, or lessee a true copy of any notice, order, or administrative citation and furnishes an enforcement officer a signed and notarized statement from the grantee, transferee, mortgagee, or lessee acknowledging the receipt of the notice, order, or administrative citation and either: (a) fully accepting the responsibility without condition for making the corrections or repairs required by the notice, order, or administrative citation; or (b) stating the grantee, transferee, mortgagee, or lessee intends to timely challenge the notice, order, or administrative citation. The transfer of ownership in violation of this section shall not abrogate the transfer.
- B. Any property owner and any responsible party shall be jointly and severally liable for any financial obligations as a result of any city actions and proceedings involving the property, even if the property is subsequently transferred, exchanged, sold, inherited, or gifted, to ensure the continuity of the city's business and administration of its laws. These financial obligations may include administrative penalties, late fees, and administrative costs as defined in this chapter; civil fines and penalties; and criminal fines and penalties. The city may use any legal means to enforce the collection of these financial obligations, including referral to collections agencies and the Franchise Tax Board.
- C. If the property is exchanged, sold, inherited, or gifted, the obligation to correct any such violations against the property shall then be the responsibility of the purchaser, transferee, or lessee of interest, who shall be bound by the obligation to correct without further notice.

(Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

**§ 1.10.120. Appeal of notice, order, or administrative citation.**

- A. A recipient of an administrative citation or an unfavorable decision of the City Manager or designee related to a stop work order or stop use order may contest the citation or decision on a stop work order or a stop use order by completing all required request for hearing forms and returning them to the code enforcement division or other department or division specified on the administrative citation or decision on a stop work order or a stop use order within 30 calendar days from the date the administrative citation or decision was issued, together with an advance deposit of the full amount of

administrative penalties or notice that a request for an advance deposit hardship waiver has been filed pursuant to subsection F of this section. If the deadline to appeal falls on a weekend or city holiday, then the deadline is extended to the next regular business day.

- B. A recipient of a notice of violation for a public nuisance under Chapter 6.16 of this code or a notice and order for civil penalties has 10 calendar days from the date of mailing of the notice, or 10 calendar days from the date of personal service of the notice if served using this method, to submit a request for hearing form to the code enforcement division or other department or division specified on the notice. If the deadline to appeal falls on a weekend or city holiday, then the deadline is extended to the next regular business day. A notice of violation for any other offense besides a public nuisance under Chapter 6.16 of this code is not appealable until an administrative citation has been issued for that offense.
- C. Request for hearing forms may be obtained from the city's website, the code enforcement division, or the department or division specified on the notice, administrative citation, or decision on a stop work order or a stop use order.
- D. The person requesting the hearing shall be notified of the time and place set for the hearing at least 10 calendar days prior to the date of the hearing.
- E. If the enforcement officer submits an additional written report concerning the notice, administrative citation, or decision on a stop work order or a stop use order to the administrative hearing officer at the hearing, then a copy of that report shall also be served on the person requesting the hearing at least five calendar days prior to the date of the hearing.
- F. Advance Deposit Hardship Waiver for Appeal of Administrative Citations.
  1. A responsible party who intends to request a hearing to contest an administrative citation, and who is financially unable to make the advance deposit of the full amount of any administrative penalty, may file a request for an advance deposit hardship waiver, to be considered by the finance department designee.
  2. The advance deposit hardship waiver request shall be filed with the code enforcement division or other department or division specified on the administrative citation within 10 calendar days of the date the administrative citation was served. The waiver request shall be filed using the advance deposit hardship waiver application form, which shall be available on the city's website or from the code enforcement division.
  3. The requirement of depositing the full amount of the administrative penalties shall be stayed unless or until the finance department designee makes a determination not to issue the advance deposit hardship waiver.
  4. The finance department designee may issue an advance deposit hardship waiver up to the full amount of any administrative penalty only if the responsible party submits to the finance department designee a sworn declaration, together with relevant supporting documents or materials, demonstrating to the satisfaction of the finance department designee:
    - a. The responsible party has made a bona fide effort to comply with the code violated; and
    - b. Depositing the full amount of the required payment in advance of the hearing would result in an undue financial burden.
  5. If the finance department designee determines not to issue an advance deposit hardship waiver,

the responsible party shall remit the full amount of the administrative penalty to the code enforcement division or other department or division specified on the administrative citation within 10 calendar days of the date of the finance department designee's determination.

6. The finance department designee shall issue a written determination listing the reasons for the determination to issue or not to issue the advance deposit hardship waiver. The written determination of the finance department shall be final and non-appealable.
7. The written determination of the finance department designee shall be served upon the person who applied for the advance deposit hardship waiver by regular U.S. mail or any other method reasonably likely to reach the applicant, including electronic mail and facsimile.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

**Article III**  
**Administrative Hearings**

**§ 1.10.130. Administrative hearing procedures.**

Administrative hearings shall be conducted in accordance with this chapter and any administrative orders promulgated by the City Manager.

**A. Administrative Hearing Procedures.**

1. No hearing to contest an administrative citation before an administrative hearing officer shall be scheduled unless the full amount of administrative penalties has been deposited in advance or an advance deposit hardship waiver has been issued.
2. A hearing before the administrative hearing officer shall be set for a date not less than 15 calendar days and not more than 60 calendar days from the date the request for hearing is filed and the city receives a deposit of the full amount of administrative penalties or an advanced deposit hardship waiver is issued.
3. An appeal or request for an administrative hearing upon receipt of a notice of violation for a public nuisance, a notice and order for civil penalties, a decision of the City Manager or designee on a stop work order or stop use order appeal, or a notice of hearing, and any accompanying administrative citation(s) may be consolidated and heard on the same date.
4. Notice of the administrative hearing shall be served on the responsible party(ies) by the city in the manner prescribed by Section 1.10.040 of this chapter.
5. The failure of any person with an interest in the property, or other responsible party, to receive a properly addressed notice of hearing, served pursuant to Section 1.10.040 of this chapter, shall not affect the validity of any proceedings under this chapter.
6. The failure of any recipient of a notice of violation for public nuisance, notice and order for civil penalties, stop work order or stop use order, an administrative citation, or a notice of hearing to appear at any scheduled hearing shall result in an adjudication of the notice, order, or administrative citation, a forfeiture of any penalties, late fees, and other costs, and a failure by the recipient to exhaust administrative remedies.
7. At the hearing, the party contesting the notice, order, or administrative citation shall have an opportunity to testify and to present evidence concerning the notice, order, or administrative citation. Formal rules of evidence shall not apply during an administrative hearing.
8. Any city-issued notices, administrative citations, and additional report(s) submitted by an enforcement officer shall constitute *prima facie* evidence of the respective facts contained in those documents.
9. The administrative hearing officer may continue the hearing and request additional information from the enforcement officer, the recipient of the notice, order, or administrative citation, or the property owner prior to issuing an administrative enforcement order.
10. Failure of a person to file an appeal in accordance with the provisions of this section shall constitute a waiver of the person's rights to an administrative determination of the merits of the notice, order, or administrative citation and the amount of any administrative penalties or late fees. If no appeal is filed, the citation shall be deemed a final administrative order.

B. Administrative Hearing Officer's Order.

1. After considering all relevant testimony and evidence submitted at the hearing, the administrative hearing officer shall issue a written administrative enforcement order that upholds, modifies, or dismisses the notice, stop work order or stop use order, or administrative citation. The administrative enforcement order shall list the reasons for the decision and shall be supported by substantial evidence in the record. The administrative enforcement order shall provide the timeframe for any future compliance dates or payment due dates and otherwise comply with the requirements of any administrative orders promulgated by the City Manager.
2. As part of the administrative enforcement order, the administrative hearing officer may:
  - a. Reduce, waive, or modify the administrative penalties or late fees assessed by the citation, in an amount consistent with the provisions of this chapter and Chapter 1.08. The total administrative penalty shall not exceed \$100,000.00 exclusive of administrative costs.
  - b. Impose, sustain, or modify civil penalties, consistent with the procedures in Section 1.10.060 of this chapter. The total civil penalty shall not exceed \$400,000.00 exclusive of administrative costs.
  - c. Impose conditions and deadlines to correct the violations or require payment of any outstanding penalties or late fees.
  - d. Assess reasonable administrative costs incurred by the city as defined in Section 1.10.010 of this chapter.
3. In determining the amount of an administrative penalty, civil penalty, late fee, or administrative costs, or in determining conditions and deadlines to correct violations or make payments, the administrative hearing officer shall consider all relevant evidence and the following factors:
  - a. The duration of the violation.
  - b. The frequency or recurrence of the violation.
  - c. The nature and seriousness of the violation.
  - d. The history of the violation.
  - e. Whether the offense impacted environmentally sensitive lands, a historical resource, or a designated historical resource as defined throughout this code.
  - f. The willfulness of the responsible party's misconduct.
  - g. The responsible party's conduct after issuance of the notice, citation, or stop work order or stop use order.
  - h. The good faith effort by the responsible party to comply.
  - i. The economic impact of the penalty on the responsible party.
  - j. The impact of the violation upon the community.
  - k. Any other factors that justice may require.
4. The employment, performance evaluation, compensation, and benefits of the administrative

hearing officer shall not be directly or indirectly conditioned upon the amount of the administrative citation penalties, civil penalties, late fees, or administrative costs upheld by the administrative hearing officer.

5. If the administrative hearing officer determines that the notice, stop work order or stop use order, and/or administrative citation should be upheld, then any administrative penalty amount(s) on deposit with the city shall be retained by the city.
  6. If the administrative hearing officer determines the notice, stop work order or stop use order, and/or administrative citation should be upheld, and the civil penalties have not been paid and/or the administrative penalties have not been deposited pursuant to an advance deposit hardship waiver, the administrative hearing officer shall set forth in the administrative enforcement order a payment schedule for the administrative penalties, civil penalties, and any costs imposed.
  7. If the administrative hearing officer determines the notice, stop work order or stop use order, and/or administrative citation should be dismissed and civil penalties were paid or administrative penalties were deposited with the city, then the city shall promptly refund the amount of the paid or deposited penalties together with interest at the average rate earned on the city's investment portfolio for the period of time the penalties were held by the city.
  8. The administrative hearing officer shall serve their administrative enforcement order on all parties to the hearing within 14 calendar days of the last hearing date by regular U.S. mail or any other method reasonably likely to reach the recipient, including, but not limited to, electronic mail or facsimile.
  9. The administrative enforcement order constitutes a final decision, effective on the date of mailing. The administrative enforcement order must contain the following statement: "The administrative enforcement order of the hearing officer is final and binding. Judicial review of this administrative enforcement order is subject to the provisions and time limits set forth in California Government Code Section 53069.4."
  10. If the administrative enforcement order finds in favor of the city, the City Clerk's office shall cause a copy of the administrative enforcement order to be recorded against the affected property with the County Recorder's office.
  11. If the Code Enforcement Manager determines that compliance has been achieved after the recording of an administrative enforcement order, the Code Enforcement Manager shall direct the assigned enforcement officer to issue and record a certificate of compliance against the affected property.
- C. Failure to Comply With Administrative Enforcement Order.
1. Upon issuance of an administrative enforcement order, the enforcement officer shall monitor the violations and determine compliance.
  2. It is unlawful for a party to an administrative hearing, who has been served with a copy of the administrative enforcement order pursuant to this chapter, to fail to comply with the order. The city may treat such failure as a violation of this code and use all available legal or equitable remedies to recover any penalties, costs, fees, and obtain compliance with the administrative enforcement order.
- D. Right to Judicial Review. The recipient of the notice of violation or administrative citation may obtain judicial review of a final administrative decision by filing an appeal under California Government

Code Section 53069.4, subdivision (b). If no appeal of the final administrative decision is filed within the time period set forth in California Government Code Section 53069.4, the final administrative decision shall be deemed confirmed.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

**§ 1.10.140. Additional rules and procedures for administrative hearing officers and administrative hearings.**

- A. The City Manager shall establish rules and procedures pursuant to Section 1.10.020(D) of this chapter as are necessary to identify a pool of qualified persons capable of acting as administrative hearing officers.
- B. Administrative hearing officers presiding at administrative hearings shall be appointed and compensated by the city. The City Manager shall develop policies and procedures relating to the employment and compensation of administrative hearing officers.
- C. Any person designated to serve as an administrative hearing officer is subject to disqualification for bias, prejudice, interest, or for any other reason for which a judge may be disqualified in a court of law. Rules and procedures for the disqualification of an administrative hearing officer shall be established by the City Manager under Section 1.10.020(D) of this chapter.

(Ord. NS-591 § 1, 2001; Ord. CS-375 § 2, 2020; Ord. CS-434 § 3, 2022)

## CHAPTER 1.12 ELECTIONS

### **§ 1.12.010. Candidate's filing fee.**

- A. Upon the filing of nomination papers, or upon the filing of supplemental nomination papers, a candidate for elective office must pay a filing fee of \$25.00 to the City Clerk, which shall be deposited into the general fund.
- B. In lieu of paying the filing fee in subsection A, a candidate may submit a petition under California Elections Code Section 8106.

(Ord. 1161 § 1, 1973; Ord. 1175 § 1, 1975; Ord. NS-448 § 1, 1998; Ord. CS-394 § 2, 2021)

### **§ 1.12.020. Date for general municipal election.**

The general municipal election for the city shall be held on the same day as the statewide general election.  
(Ord. 1242 § 1, 1982; Ord. 1259 § 1, 1982; Ord. NS-448 § 2, 1998; Ord. CS-394 § 2, 2021)

### **§ 1.12.030. Mail ballot elections.**

- A. The City Council may conduct the following elections or proceedings wholly by mail ballot:
  1. An election to approve a special tax under Article XIII C of the California Constitution.
  2. An election to approve a property-related fee or charge under Article XIII D of the California Constitution.
  3. An assessment ballot proceeding under Article XIII D of the California Constitution; however, the proceeding shall be denominated an "assessment ballot proceeding" and ballots shall be denominated "assessment ballots."
- B. The City Council shall determine whether an election or proceeding described in subsection A will be conducted wholly by mail ballot at the time the City Council calls the election.
- C. An election under this section shall be held on a mail ballot election date established in California Elections Code Section 1500.
- D. An election under this section shall be conducted in accordance with any special provisions adopted by the resolution of the City Council calling the election and with the applicable provisions for mail ballot elections in California Elections Code Section 4100 et seq.

(Ord. CS-394 § 2, 2021)

### **§ 1.12.040. Governing law absent code provisions.**

Except as provided in this code, city elections shall be governed by the applicable provisions of the California Government Code and California Elections Code.

(Ord. CS-394 § 2, 2021)

### **§ 1.12.050. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of this chapter or the application of the chapter to persons or

circumstances not similarly situated.

(Ord. CS-394 § 2, 2021)

**CHAPTER 1.13  
ELECTION CAMPAIGN DISCLOSURES**

**§ 1.13.010. Purpose and intent.**

- A. This chapter supplements the provisions of the Political Reform Act of 1974 (Act; Cal. Gov. Code, Section 81000 et seq.) and its implementing regulations (Cal. Code of Regs., Title 2, Section 18110 et seq.) by:
  - 1. Providing for online filing of campaign statements, reports and other documents (campaign statements); and
  - 2. Requiring additional campaign disclosures in city elections to ensure the city's voters will be fully informed about the receipts and expenditures of candidates and committees prior to the elections.
- B. The City Council finds the online filing system will operate securely and effectively and will not unduly burden filers.
- C. The City Council further finds this chapter is enacted in recognition of the City Council's authority under California Government Code Sections 81009.5 and 81013 to impose additional campaign disclosure requirements that apply only to city elections and do not prevent a person from complying with the Act.

(Ord. 1276 § 1, 1985; Ord. NS-671 § 1, 2003; Ord. CS-395 § 2, 2021)

**§ 1.13.020. Definitions.**

The words and phrases used in this chapter have the same meaning as defined in the Act.  
(Ord. 1276 § 1, 1985; Ord. CS-395 § 2, 2021)

**§ 1.13.025. Contributions—Disclosure.**

- A. No person shall knowingly accept any contribution or loan in excess of \$100.00 without obtaining the name, address, occupation, employer's name, or if self-employed, the name of the business of the person making the contribution or loan.
- B. No person shall make a contribution or loan for any other person under an assumed name or under the name of any other person.
- C. Contributions or loans, not to exceed a total of \$100.00 from any one person or source, are permitted to be retained by a candidate or any committee, including a committee supporting or opposing the passage of a measure, when received from anonymous sources or from persons who do not consent to having their name made known. Any such amount in excess of \$100.00 shall be turned over to the City Clerk and deposited into the city's treasury within 10 days of receipt of the contribution.
- D. Any candidate or committee that is required to file a campaign statement for a city election under the Act shall, in addition to the information otherwise required, list the name, address, occupation, name of employer, or if self-employed, the name of the business, and amount contributed or loaned by each person who has contributed or loaned a cumulative amount in excess of \$100.00.

(Ord. 1281 § 1, 1985; Ord. NS-671 § 2, 2003; Ord. CS-395 § 2, 2021)

**§ 1.13.026. Online filing of campaign statements.**

- A. Any elected officer, candidate, committee or other person who is required to file campaign statements with the City Clerk under California Government Code Section 84100 et seq., and who received contributions and made expenditures totaling \$2,000.00 or more in a calendar year, must file such statements using the City Clerk's online system.
- B. When an original campaign statement is required to be filed with the Secretary of State and a copy of the statement is required to be filed with the City Clerk, the copy may be, but is not required to be, filed using the City Clerk's online system.
- C. If a campaign statement is filed under this chapter using the City Clerk's online system, the statement does not have to be filed with the City Clerk in paper format.
- D. The City Clerk may establish and amend procedures for using the City Clerk's online system as necessary to accomplish the following:
  - 1. Ensure the online system complies with the requirements in California Government Code Section 84615, including containing a procedure allowing filers to comply with the obligation in California Government Code Section 81004 for campaign statements to be signed under penalty of perjury.
  - 2. Meet the purpose and intent of this chapter and comply with other applicable laws.
  - 3. Ensure the integrity of the data transmitted and include safeguards against efforts to tamper with, manipulate, alter, or subvert the data.
  - 4. Enable filers to complete and submit filings free of charge.
- E. An online filing under this chapter will only be accepted if it is made in the standardized record format developed by the California Secretary of State under California Government Code Section 84602, subdivision (a)(2), and is compatible with the Secretary of State's system for receiving an online or electronic filing.
- F. If a campaign statement is not required to be filed using the City Clerk's online system, or if the City Clerk's online system is not capable of accepting a particular type of statement, the statement must be filed with the City Clerk in paper format. The City Clerk must post copies of documents filed in paper format to the Internet within the time periods and subject to the requirements specified in subsection J.
- G. The City Clerk must provide a person who files a campaign statement using the City Clerk's online system with an electronic confirmation notifying the filer the statement was received. The confirmation must include the date and time the City Clerk received the statement and the method by which the filer may view and print the data received.
- H. The filing date of a campaign statement filed using the City Clerk's online system is the date the City Clerk received the statement.
- I. The City Clerk must make all data filed available on the Internet in an easily understood format that provides the greatest public access. The data must be made available free of charge and as soon as possible after receipt. The data made available on the Internet shall not contain the street name and building number of the persons or entity representatives listed on the electronically filed forms or any bank account number required to be disclosed by the filer. The City Clerk must make a complete, unredacted copy of a filed campaign statement available to any person upon request.

- J. The City Clerk must post a copy of a document filed in paper format to the Internet within 72 hours of the applicable filing deadline. If the final day of the 72-hour period is a Saturday, Sunday, or holiday, the period is extended to the next day that is not a Saturday, Sunday, or holiday. The Internet posting must otherwise comply with the requirements of subsection I. The posted document must remain available for four years from the date of the election associated with the filing.
- K. The City Clerk's office must maintain, for a period of at least 10 years commencing from the date filed, a secured, official version of each online campaign statement filed under this chapter, which will serve as the official version of the record for purposes of audits and any other legal purpose. After data has been maintained for at least 10 years, the City Clerk may archive it in a secure format.  
(Ord. CS-258 § 2, 2014; Ord. CS-395 § 2, 2021)

**§ 1.13.040. Penalties and enforcement.**

Violations of this chapter are subject to the enforcement and penalty provisions of California Government Code Sections 91000-91014. Any person who knowingly or willfully violates any provision of this chapter is guilty of a misdemeanor. The San Diego County District Attorney is the civil and criminal prosecutor for this chapter.

(Ord. 1276 § 1, 1985; Ord. CS-395 § 2, 2021)

**§ 1.13.050. Rules of construction.**

The provisions of this chapter must be construed liberally in order to accomplish the intent and purposes of this chapter and the Act.

(Ord. 1276 § 1, 1985; Ord. CS-395 § 2, 2021)

**§ 1.13.060. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision will not affect the validity of the remaining portions of this chapter or the application of this chapter to persons or circumstances not similarly situated.

(Ord. CS-395 § 2, 2021)

**CHAPTER 1.14  
DISQUALIFICATION FOR CONFLICT OF INTEREST**

**§ 1.14.010. Purpose and intent.**

- A. This chapter supplements the provisions of the Political Reform Act of 1974 (Act; California Government Code, Section 81000 et seq.) and its implementing regulations (Regulations; California Code of Regulations, Title 2, Section 18110 et seq.) by imposing a stricter standard for determining whether a governmental decision will have a material financial effect on a public official's interest in real property.
- B. The City Council further finds that this chapter is enacted in recognition of the City Council's authority under California Government Code Section 81013 to impose additional requirements regarding conflicts of interest and that the additional requirements imposed by this chapter do not prevent a person from complying with the act.

(Ord. NS-38 § 1, 1988; Ord. CS-433 § 2, 2022)

**§ 1.14.020. Definitions.**

The words and phrases used in this chapter have the same meaning as defined in the act.

(Ord. NS-38 § 1, 1988; Ord. CS-433 § 2, 2022)

**§ 1.14.030. Conflict of interest—Materiality standard: financial interest in real property.**

- A. Section 87100 of the act prohibits a public official from making, participating in making, or attempting to use the official's position to influence a governmental decision in which the official knows or has reason to know the official has a financial interest. Section 87103 provides that an official has a "financial interest" within the meaning of Section 87100 if it is reasonably foreseeable that the decision will have a material financial effect on one or more of the official's interests as identified and distinguishable from the decision's effect on the public generally.
- B. The City Council has determined it is reasonably foreseeable that a decision will have a material financial effect on a public official's interest in real property if the decision involves real property with a property line located within 600 feet or less of the official's property. This is a stricter standard than the 500 feet set forth in Regulation 18702.2(a)(7).
- C. Except as modified by this section, all public officials and designated employees in the city shall comply in all respects and with all provisions of the act and the regulations related to identifying a conflict of interest based on the material financial effect of a public official's interest in real property.

(Ord. NS-38 § 1, 1988; Ord. NS-575 § 1, 2001; Ord. CS-433 § 2, 2022)

**§ 1.14.040. Penalties and enforcement.**

Violations of this chapter are subject to the enforcement and penalty provisions of California Government Code Sections 91000-91014. Any person who knowingly or willfully violates any provision of this chapter is guilty of a misdemeanor. The San Diego County District Attorney is the civil and criminal prosecutor for this chapter.

(Ord. NS-38 § 1, 1988; Ord. CS-433 § 2, 2022)

**§ 1.14.050. Rules of construction.**

The provisions of this chapter shall be construed liberally in order to accomplish the intent and purposes of

this chapter and the act.

(Ord. NS-38 § 1, 1988; Ord. CS-433 § 2, 2022)

**§ 1.14.060. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision will not affect the validity of the remaining portions of this chapter or the application of this chapter to persons or circumstances not similarly situated.

(Ord. CS-433 § 2, 2022)

## CHAPTER 1.15 CAMPAIGN CONTRIBUTION LIMITS

### **§ 1.15.010. Purpose and intent.**

California Government Code Section 85702.5, subdivision (a), authorizes the City Council to adopt campaign contribution limits applicable to elective city offices. In providing this authorization, the State Legislature found that in cities without campaign contribution limits, candidates for elective city offices often receive contributions exceeding the limits for a state senate campaign, even though most cities contain far fewer people than the average state senate district. The Legislature further found that in cities without campaign contribution limits, candidates for elective city offices sometimes raise 40% or more of their total campaign funds from a single contributor and that allowing unlimited contributions to candidates for elective city offices creates the risk and perception elective city officials are beholden to their contributors and will act in the best interest of their contributors at the expense of the people.

It is the purpose and intent of the City Council in enacting this chapter:

- A. To preserve an orderly political forum in which individuals may express themselves effectively;
- B. To place realistic and enforceable limits on the amounts of money that may be contributed to campaigns for elective city offices; and
- C. To prevent corruption and avoid the appearance of corruption by regulating campaign contributions to candidates for elective city offices.

(Ord. CS-396 § 2, 2021)

### **§ 1.15.020. Definitions.**

The words and phrases used in this chapter have the same meaning as defined in the Political Reform Act of 1974, California Government Code Section 81000 et seq., as it now exists or may subsequently be amended.

(Ord. CS-396 § 2, 2021)

### **§ 1.15.030. Cash contributions prohibited.**

No candidate for city elective office shall accept a cash contribution of \$100.00 or more. All such contributions must be made by check. A candidate is required to make a copy of each such check received.

A cash contribution will not be deemed received if it is returned to the contributor before the closing date of the campaign statement on which the contribution would otherwise be reported. If a cash contribution, other than a late contribution, is spent or deposited, it will not be deemed received if it is refunded within 72 hours of receipt. In the case of a late contribution, it will not be deemed received if it is returned to the contributor within 48 hours of receipt.

(Ord. NS-58 § 1, 1989; Ord. NS-671 § 4, 2003; Ord. NS-800 § 1, 2006; Ord. CS-396 § 2, 2021)

### **§ 1.15.040. Campaign contribution limits.**

- A. A person shall not make to a candidate for City Council, and a candidate for City Council shall not accept from a person, a contribution totaling more than \$1,000.00 per election.
- B. A person shall not make to a candidate for Mayor, City Treasurer or City Clerk and a candidate for Mayor, City Treasurer or City Clerk shall not accept from a person, a contribution totaling more than

\$3,300.00 per election.

- C. The City Clerk shall adjust the contribution limitations provisions in subsections A and B in January of every odd-numbered year to reflect any increase or decrease in the California Consumer Price Index for All Urban Consumers (CPI-U) for the San Diego region. Those adjustments shall be calculated based on the total change in the CPI-U, San Diego region, since the last adjustment was made and shall be rounded to the nearest \$100.00. The City Clerk shall post the adjusted contribution limit to the city's website.

(Ord. CS-396 § 2, 2021; Ord. CS-443 § 2, 2023)

#### **§ 1.15.050. Candidate contributions.**

A candidate for elective city office or a committee controlled by that candidate shall not make a contribution to any other candidate for elective city office in excess of the limits set forth in Section 1.15.040.

(Ord. CS-396 § 2, 2021)

#### **§ 1.15.060. Transfer of funds between a candidate's controlled committees.**

A candidate for elective city office may transfer campaign funds from one of the candidate's controlled committees to the candidate's controlled committee for elective city office, provided all of the following requirements are met:

- A. The candidate establishes a new campaign account into which funds will be transferred. The candidate may not re-designate an existing campaign account.
- B. The transferred contributions are attributed to specific contributors to the campaign contribution account from which they were transferred. Contributions must be allocated and attributed to each specific contributor on either a "first in, first out" or "last in, first out" basis. For purposes of this section, the terms "first in, first out" and "last in, first out" have the following meanings:
1. "First in, first out" means the campaign funds being transferred are attributed to the transferring committee's contributors in chronological order beginning with the earliest of its contributors or, if there has been a prior transfer, beginning with the earliest contributor for which unattributed contributions remain.
  2. "Last in, first out" means that campaign funds being transferred are attributed to the transferring committee's contributors in reverse chronological order beginning with the most recent of the committee's contributors or, if there has been a prior transfer, beginning with the most recent contributor for which unattributed contributions remain.
- C. The transferred contributions, when aggregated with all other contributions from and transfers attributable to the same contributor, do not exceed the amount that the contributor could have contributed to the candidate, or the controlled committee of the candidate, under Section 1.15.040.

(Ord. CS-396 § 2, 2021)

#### **§ 1.15.070. Loans.**

- A. A candidate for elective city office shall not personally loan to the candidate's campaign, including the proceeds of a loan obtained by the candidate from a commercial lending institution, an amount, the outstanding balance of which exceeds \$10,000.00. A candidate shall not charge interest on any loan the candidate made to the candidate's campaign.

B. The provisions of this section apply to extensions of credit, but do not apply to loans made to a candidate by a commercial lending institution in the lender's regular course of business on terms available to members of the general public for which the candidate is personally liable.

(Ord. CS-396 § 2, 2021)

#### **§ 1.15.080. Recall measures.**

A. Notwithstanding any other provision of this chapter, an elected city officer may establish a committee to oppose the qualification of a recall measure and the recall election. This committee may be established when the elected city officer receives a notice of intent to recall under California Elections Code Section 11021. An elected city officer may accept campaign contributions to oppose the qualification of a recall measure, and if qualification is successful, the recall election, without regard to the campaign contribution limits set forth in this chapter.

B. After the failure of a recall petition or after the recall election, the committee formed by the elected city officer shall wind down its activities and dissolve. Any remaining funds shall be treated as surplus funds and shall be expended within 30 days after the failure of the recall petition or after the recall election for a purpose specified in California Government Code Section 89519, subdivision (b).

(Ord. CS-396 § 2, 2021)

#### **§ 1.15.090. Post-election contributions.**

A contribution for an election may be accepted by a candidate for elective city office after the date of the election only to the extent that the contribution does not exceed net debts outstanding from the election, and the contribution does not otherwise exceed the applicable contribution limit for that election.

(Ord. CS-396 § 2, 2021)

#### **§ 1.15.100. Carry-over contributions from one election to another for the same city office.**

Notwithstanding Section 1.15.060, a candidate for elective city office may carry over contributions raised in connection with one election for elective city office to pay campaign expenditures incurred in connection with a subsequent election for the same elective city office.

(Ord. CS-396 § 2, 2021)

#### **§ 1.15.110. Violations.**

Violations of this chapter are subject to the enforcement and penalty provisions of California Government Code Sections 91000-91014. Any person who knowingly or willfully violates any provisions of this chapter is guilty of a misdemeanor. The San Diego County District Attorney is the civil and criminal prosecutor for this chapter.

(Ord. CS-396 § 2, 2021)

#### **§ 1.15.120. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of this chapter or the application of the chapter to persons or circumstances not similarly situated.

(Ord. CS-396 § 2, 2021)

**CHAPTER 1.16**  
**TIME LIMITS FOR JUDICIAL REVIEW**

**§ 1.16.010. Time limits for judicial review.**

- A. Judicial review of any decision of the city or of any commission, board, officer, or agent of the city may be had pursuant to Code of Civil Procedure, Section 1094.5, only if the petition for writ of mandate pursuant to such section is filed within the time limits specified in this section.
- B. Any such petition shall be filed not later than the 90th day following the date on which the decision becomes final. If there is no provision for the reconsideration of the decision, or for a written decision or written findings supporting the decision, in any applicable provision of any statute, charter, or rule, for the purposes of this section, the decision is final on the date that it is announced. If the decision is not announced at the close of the hearing, the date, the time, and the place of the announcement of the decision shall be announced at the hearing. If there is a provision for reconsideration, the decision is final for the purposes of this section upon the expiration of the period during which such reconsideration can be sought; provided, that if reconsideration is sought pursuant to any such provision, the decision is final for the purposes of this section on the date that reconsideration is rejected. If there is a provision for a written decision or written findings, the decision is final for the purposes of this section upon the date it is mailed by first class mail, postage prepaid, including a copy of the affidavit or certificate of mailing to the party seeking the writ. Subdivision (a) of Section 1013 of the California Code of Civil Procedure does not apply to extend the time, following deposit in the mail of the decision or findings, within which a petition shall be filed.
- C. The complete record of the proceedings shall be prepared by the city or its commission, board, officer or agent which made the decision and shall be delivered to the party requesting such record within 190 days after he or she has filed a written request therefor. A request for the preparation of the record of the proceedings shall be filed with the person designated in the final decision. Such person shall, within 10 days of such request, notify the party of the estimated cost of the preparation of the requested record. The party requesting such record shall, within 10 days of such notification, deposit with the person designated in the decision an amount sufficient to cover the estimated cost. If during the preparation of the record it appears that additional costs will be incurred, the party requesting such record may be notified and, if requested, shall deposit such additional amounts before the record will be completed. If the cost of the preparation of the record exceeds the amount deposited, the party requesting such record shall pay this additional amount. If the amount deposited exceeds the cost, the difference shall be returned to the party requesting such record. Upon receiving the required deposit, the person designated in the decision shall promptly prepare such record in accordance with the request. Such record shall include the transcript of the proceedings; all pleadings; all notices and orders; any proposed decision by a hearing officer; the final decision; all admitted exhibits; all rejected exhibits in the possession of the city or its commission, board, officer or agent; all written evidence; and any other papers in the case.
- D. If the party files a request for the record as specified in subsection C of this section within 10 days after the date the decision becomes final as provided in subsection B of this section, the time within which a petition pursuant to Code of Civil Procedure, Section 1094.5, may be filed shall be extended to not later than the 30th day following the date on which the record is either personally delivered or mailed to the party or the party's attorney of record, if the party has one.
- E. As used in this section, "decision" means any adjudicatory administrative decision made, after hearing, suspending, demoting or dismissing an officer or employee, revoking or denying an application for a permit, license, or other entitlement, imposing a civil or administrative penalty, fine,

charge, or cost or denying an application for any retirement benefit or allowance.

- F. In making a final decision as defined in subsection E of this section, the city shall provide notice to the party that the time within which judicial review must be sought is governed by this section. Upon giving notice of any decision subject to this section, the person responsible to issue such decision shall include in the decision a statement substantially as follows:

The time within which judicial review of this decision must be sought is governed by Code of Civil Procedure, Section 1094.6, which has been made applicable in the City of Carlsbad by Carlsbad Municipal Code Chapter 1.16. Any petition or other paper seeking judicial review must be filed in the appropriate court not later than the 90th day following the date on which this decision becomes final; however, if within 10 days after the decision becomes final a request for the record of the proceedings accompanied by the required deposit in an amount sufficient to cover the estimated cost of preparation of such record, the time within which such petition may be filed in court is extended to not later than the 30th day following the date on which the record is either personally delivered or mailed to the party, or the party's attorney of record, if the party has one. A written request for the preparation of the record of the proceedings shall be filed with \_\_\_\_\_,

(name and address of designated person)

As used in this section, "party" means an officer or employee who has been suspended, demoted or dismissed; a person whose permit or license or other entitlement has been revoked or suspended or whose application for a permit or license or other entitlement has been denied; or a person whose application for a retirement benefit or allowance has been denied.

(Ord. 1203 § 1, 1977; Ord. NS-218 § 1, 1992; Ord. NS-327 § 1, 1995; Ord. NS-839 §§ 1—3, 2007)

#### **§ 1.16.020. Additional time limits for commencement of court proceedings.**

Except as otherwise provided in Section 1.16.010 of this code, Sections 65860, 66020, 66021, 66022, 66024 and 66499.37 of the Government Code and Sections 21167 and 30801 of the Public Resources Code of the state, any legally permitted court action or proceeding to attack, review, set aside, void, annul or seek damages or compensation for any city decision or action taken pursuant to this code shall not be maintained by any person unless such action or proceeding is commenced and service of summons is effected within 30 days after the date of such decision or action. Thereafter all persons are barred from commencing or prosecuting any such action or proceeding or asserting any defense of invalidity or unreasonableness of such decision, proceeding, determination or actions taken. For the purpose of this section, the terms "decision," "determination," "action taken" and "action taken pursuant to this code" shall include administrative adjudicatory, legislative, discretionary, executive and ministerial decisions, determinations, proceedings or other action taken or authorized by this code. This section shall not expand the scope of judicial review and shall prevail over any conflicting provision and any other applicable law relating to the subject.

(Ord. 1216 § 1, 1979; Ord. NS-839 § 4, 2007)

## CHAPTER 1.20 MEETINGS

### **§ 1.20.010. Policies applicable to all meetings.**

- A. Meetings of the City Council, city boards and commissions, and other legislative bodies of the city will be held according to the requirements of the Ralph M. Brown Act (California Government Code Section 54950 et seq., referred to in this code as the "Brown Act") and this chapter. Terms defined in the Brown Act have the same meaning when used in this chapter.
- B. Meetings will be open and public, except for closed sessions held as authorized by the Brown Act.
- C. When a meeting is in session, council members, city officers and employees, and members of the public are expected to observe good order and decorum, and to not by conversation or otherwise, improperly delay or interrupt the proceedings or refuse to obey the lawful directives of the presiding officer.
- D. The city is committed to maintaining safe and orderly meetings, free from intimidation, harassment and disruption. Public participation is encouraged provided that participants abide by the rules of conduct and procedure established by this chapter. The City Council finds and declares it is important to remember that no one has a constitutional right to disrupt a public meeting by attempting to impose their own voice or actions in a manner that is loud, boisterous or unruly where such conduct is substantially disruptive of the meeting itself and continues after the presiding officer has requested the person or persons to stop. The issue in such cases is not about the content of speech, unless the content itself violates the law, but rather with the extent of disruption caused to the meeting itself by the manner and conduct of the disrupter's actions. Therefore, to promote civic engagement, orderly deliberation and efficient conduct of city business, the following general rules of conduct apply to all city meetings:
  1. Interactions among all meeting participants will be conducted in a mutually respectful manner rather than an insulting, demeaning, intimidating or offensive manner.
  2. Conduct that disrupts, disturbs, impedes, or renders infeasible the orderly conduct of business will not be tolerated. This conduct includes failing to comply with reasonable and lawful regulations adopted by the City Council and engaging in behavior that constitutes use of force or a true threat of force under Section 54957.95 of the Brown Act.
  3. Individuals who continue to disrupt, disturb, impede or render infeasible the orderly conduct of a meeting may be removed from the meeting under Section 54957.9 of the Brown Act after the presiding officer has directed the person to cease the disrupting behavior and warned that continued disrupting behavior may result in removal from the meeting. If a meeting is willfully interrupted by a group or groups of persons and order cannot be restored by the removal of those individuals, the presiding officer, subject to objection by a majority of council members in attendance, may order the meeting room cleared and the meeting may continue as provided in Section 54957.9 of the Brown Act.
  4. Weapons and any object that may be used to inflict serious bodily injury are prohibited at city meetings except those lawfully in the possession of authorized city personnel.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

### **§ 1.20.020. Regular, special and emergency City Council meetings.**

- A. Regular City Council meetings will be held on the dates and at the times established by City Council resolution. Regular City Council meetings will be held at City Hall in the City Council Chamber, unless a different location has been designated by the Mayor or action of the City Council. If the Mayor, a majority of the City Council, City Manager, Fire Chief, Police Chief or building official determines that the Council Chamber is unsafe for a meeting due to an emergency, regular meetings may be held for the duration of the emergency at a location designated on the agenda or other notice of the meeting.
- B. Special City Council meetings may be called by the Mayor, a majority of the City Council, the City Manager or the City Attorney. Notice of a special meeting must be given and posted as provided in Section 54956 of the Brown Act. The notice must include the date, time and location of the meeting, and a brief statement of the business to be transacted or discussed. For special meetings, public comments can be made on agendized items only. No other business may be transacted or discussed at the meeting. A special meeting regarding the salaries, salary schedules or compensation paid in the form of fringe benefits, of the City Manager, City Attorney, any department head or other executive level employee is prohibited; however, special meetings to discuss the city's budget are permitted.
- C. During emergency situations, meetings may be held as provided in Section 54956.5 of the Brown Act.
- D. City Council meetings may be held concurrently as meetings of the legislative body of any public agency the governing body of which is comprised of the members of the City Council. When a concurrent meeting is held, the presiding officer or City Clerk will commence the meeting with the announcement required by Section 54952.3 of the Brown Act. The agenda shall include the information required by Section 54952.3 on the agenda for a meeting, and the oral announcement may be made by reference to that information. As used in this chapter, City Council also means the legislative body of any public agency the governing body of which is comprised of the members of the City Council.
- E. The City Clerk services staff and City Manager are authorized and directed to prepare, deliver and post meeting notices.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

#### **§ 1.20.030. Adjournment of meetings.**

Meetings may be adjourned to a time and place stated in the notice of adjournment and as provided by law. The presiding officer may adjourn any meeting without need for a motion and absent the objection of a majority of the quorum. Once adjourned, a meeting may not be reconvened, except at the time and place stated in the notice of adjournment. A regular meeting may not be adjourned to a date beyond the next regular meeting. The City Clerk services staff and City Manager are authorized and directed to prepare, deliver and post notices of adjournment. A notice of adjournment is not required when a meeting is adjourned without specification of the time and date when it will be reconvened.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

#### **§ 1.20.040. Quorum.**

A quorum necessary for the transaction of business at a meeting of the City Council exists whenever a majority of the City Council are present. A meeting may be adjourned for lack of a quorum by the presiding officer or, in the absence of a presiding officer, any member of the City Council or the City Clerk. A council member disqualified from participation in a matter due to a conflict of interest will not be counted toward achieving a quorum as to that matter. If a disqualification due to a conflict of interest results in the

lack of a quorum, consideration of the matter will be deferred until either a quorum of non-disqualified council members is present, or a quorum is determined as defined in and subject to the regulations of the Fair Political Practices Commission.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

#### **§ 1.20.050. Confidentiality of closed sessions.**

The privilege of confidentiality of closed sessions is held by the City Council. No person may disclose any information communicated during a closed session. This prohibition does not apply to:

- A. Disclosures expressly authorized by action taken by a majority of the City Council;
- B. Reports of action taken in closed session;
- C. Disclosures expressly authorized or required by law; or
- D. Confidential disclosures to a council member, city employee or other person authorized to attend a closed session without loss of the privilege of confidentiality.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

#### **§ 1.20.060. City Council agenda.**

- A. The City Clerk, under direction of the City Manager, will prepare an agenda for each City Council meeting. The agenda for a special or emergency meeting may be combined with the notice of the meeting.
- B. An agenda will contain the following information:
  1. The date, time and location of the meeting;
  2. The order of business and a brief general description of each item of business to be transacted or discussed at the meeting, including a brief statement of the specific action requested or recommended to be taken by the City Council;
  3. A description of each closed session matter substantially in the manner authorized by Section 54954.5 of the Brown Act;
  4. Information relating to special services available to persons with disabilities to permit those persons to participate in the meeting.

An agenda may contain other information relating to the conduct of the meeting, time limits for public participation, rules of decorum, presentation of materials and other similar matters.

- C. The City Manager is responsible for scheduling matters for consideration by the City Council based on established City Council priorities, the city's business and governmental needs, and the requirements of applicable law. Items of business may be placed on the agenda by any council member, the City Manager or the City Attorney, or by City Council action. City Council-originated items must be submitted to the City Manager not less than seven days before the date of the City Council meeting at which the member desires the item to appear on the agenda. Nothing in this section precludes a council member from requesting City Council action to place an item on the agenda for a future meeting.
- D. The City Clerk services staff is authorized and directed to post agendas in accordance with applicable law, including posting on the city's website. The City Clerk services staff is also authorized and

directed to mail agendas to persons and organizations who have filed a request for a mailing of agendas. The agenda may be made available and delivered in electronic format.

E. The agenda for regular meetings will be based on the following order of business:

1. Call to order;
2. Roll call;
3. Announcement of concurrent meetings;
4. Pledge of allegiance;
5. Approval of minutes;
6. Presentations;
7. Public report of any action taken in closed session;
8. Public comment on matters not listed on the agenda;
9. Consent calendar;
10. Board and commission member appointments;
11. Ordinances for introduction;
12. Ordinances for adoption;
13. Public hearings;
14. Departmental and City Manager reports;
15. City Council commentary and requests for consideration of matters;
16. Public comment (continuation);
17. Announcements;
18. City Manager comments;
19. City Attorney comments;
20. City Clerk comments;
21. Adjournment.

F. When a meeting is a concurrent meeting of the City Council and the legislative body of any public agency the governing body of which is comprised of the members of the City Council, action will be deemed to have been taken by the appropriate legislative body with jurisdiction over the matter.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

#### **§ 1.20.070. Agenda packet.**

A. The City Manager is responsible for all staff reports and other documents relevant to each item of business placed on an agenda by the City Manager or by City Council action. The City Attorney is responsible for all staff reports and other documents relevant to each item of business placed on the

agenda by the City Attorney. For matters placed on the agenda by a council member, the council member may provide information or other documents relevant to the item so that staff can prepare a brief report on the council member's behalf. The City Manager or City Attorney may provide a report or recommendation relating to a matter placed on the agenda by a council member. Staff reports and other documents relevant to items of business, including reports and other documents provided by a council member with respect to an item placed on the agenda by that council member, must be delivered to the City Clerk by the deadline established by the City Manager. The City Clerk services staff, under the direction of the City Manager, is responsible for compiling the reports and other documents and for preparing an agenda packet.

- B. Staff reports, ordinances, resolutions and contract documents must be prepared or approved by the City Attorney before delivery to the City Clerk services staff for inclusion in the agenda packet. Nothing in this chapter is intended to preclude the City Council from orally amending any ordinance, resolution, contract, or other document presented to it prior to final action at a meeting.
- C. Correspondence, including electronic mail, relating to an item of business on an agenda received by the City Clerk before 5:00 p.m. of the Wednesday preceding a regular meeting will be included as part of the agenda packet materials for that item; correspondence received later may be included in the agenda packet in any manner or may be delivered to the City Council by different means.
- D. The agenda packet for a regular meeting will be made available to the council members not later than the Friday preceding the meeting. The agenda packet will be available to the public at the office of the City Clerk and posted on the city's website on the same day that it is delivered to the council members. An agenda packet for a special or emergency meeting may be delivered to the City Council and made available to the public at the meeting. The City Clerk services staff is also authorized and directed to mail agenda packets to persons and organizations who have filed a request for a mailing of agenda packets and have paid the fee in the amount established by the city for that service. Agenda packets may be made available and delivered in electronic format.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

#### **§ 1.20.080. Minutes.**

- A. The City Clerk services staff is responsible for the minutes of all City Council meetings. The minutes will be a record of each particular type of business transacted, summary action not a verbatim transcript of the proceedings. The minutes may include the names of persons addressing the City Council, the title of the subject matter to which their remarks related and whether they spoke in support of or in opposition to such matter. The City Clerk services staff will include in the minutes of the meeting a council member's statement on a matter upon request made by that council member at the time the statement is made. Any council member may have the reasons for his or her support for or dissent from any action of the City Council entered in the minutes by making a request in substantially the following manner: "I would like the minutes to show that I [support] [am opposed to] this action for the following reasons..." or "For the record..."
- B. The City Clerk services staff will prepare proposed minutes and present them to the City Council for approval.
- C. The minutes may be approved without reading if the City Clerk services staff has included the proposed minutes in the agenda packet. The minutes will be read before approval upon motion approved by the City Council. Proposed amendments to the minutes as submitted by the City Clerk services staff must be verified by the City Clerk services staff prior to approval by the City Council. Following approval, minutes of meetings will be permanently kept in a format or medium suitable for

storage of permanent public records.  
(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.090. Recordings of meetings.**

- A. All City Council meetings are recorded as an aid in the preparation of minutes and posted on the city's website for public access. Recordings will be retained in accordance with the city's adopted Records Retention Schedule unless a longer retention is required by the City Council, the City Manager or the City Attorney.
- B. If any person desires to have a matter reported by a stenographer, such person may employ one directly at the person's expense. The City Manager may make reasonable accommodations to ensure that the stenographer is seated at a position at the meeting to facilitate accurate reporting.
- C. Any person may film, videotape, photograph or audio tape a City Council meeting in the absence of a reasonable finding by the presiding officer that the recording cannot continue without noise, illumination or obstruction of view that constitutes or would constitute a persistent disruption of the proceedings. Meetings may be televised by any person if it can be accomplished without noise, illumination or obstruction of view that constitutes or would constitute a persistent disruption of the proceedings.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.100. Role of the presiding officer.**

- A. The presiding officer is the Mayor, or in the Mayor's absence, the Mayor pro tem. In the absence of both the Mayor and Mayor pro tem, the presiding officer will be selected from among the council members constituting the quorum for the meeting. In the absence of the Mayor and Mayor pro tem, the City Clerk shall call the City Council meeting to order, and a temporary presiding officer shall be elected by the council members present. Upon the arrival of the Mayor or the Mayor pro tem, the temporary presiding officer shall relinquish the chair at the conclusion of the business then before the City Council.
- B. The presiding officer will endeavor to conduct the meeting in an orderly, even-handed and businesslike manner and in substantially the order and manner provided on the agenda. Council members should have a full and equal opportunity to ask questions and express their opinions and fully deliberate on each item before action is taken. Once the presiding officer calls for final comments on the item, each council member shall have up to three minutes to deliver their concluding remarks related to the item prior to initiation of a City Council vote on the item.
- C. The presiding officer may move, second, debate and vote from the chair. The presiding officer is not deprived of any of the rights and privileges of a council member due to acting as presiding officer. The presiding officer, or such person as the presiding officer may designate, may verbally restate each question immediately prior to calling for the vote.
- D. The presiding officer is responsible for the maintenance of order and decorum at all meetings. The presiding officer will decide all matters of order and procedure under this chapter, subject to the right of any council member to request a ruling by the quorum and the question shall be, "Shall the decision of the presiding officer be sustained?" Requests for a ruling by the quorum require a second and will be promptly considered. A majority vote of the quorum will conclusively determine the question.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.110. Commencement of meetings.**

At the time set for each regular meeting, each member of the City Council, the City Manager, City Clerk, City Attorney and such department heads or others as have been requested to be present shall take their regular places in the City Council Chamber or other set meeting location. The presiding officer will call the meeting to order. Before proceeding with the business of the City Council, the City Clerk will call the roll of the council members and the names of the council members present will be entered in the minutes. If the meeting is a concurrent meeting of the City Council and one or more legislative bodies of a public agency for which the City Council is the governing body, the Mayor or the presiding officer will also make the announcement required by law.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.120. Consent calendar.**

An agenda may contain a consent calendar of items grouped together for action by single motion and without discussion when the items are considered by the City Manager to be routine, noncontroversial or in the nature of housekeeping matters. The actions recommended or requested by the City Manager will be included in summary form in the agenda description of each consent calendar item. Before accepting a motion to approve the consent calendar, the presiding officer will ask if any council member, city officer or employee, or member of the public desires to be heard on one or more consent items. In that event, the presiding officer will defer action on the particular matter or matters as part of the regular agenda in any order deemed appropriate. A council member may record a negative vote or an abstention on a consent calendar item without removing the item for discussion by so stating prior to the vote on the motion to approve the consent calendar. A request from the public to discuss an item on the consent calendar must be filed with the City Clerk in writing prior to the commencement of City Council consideration of the consent calendar. The City Clerk services staff is directed to include on an agenda containing a consent calendar, a statement of this requirement along with a summary of the procedure for consideration of consent calendar items.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.130. General rules of procedure.**

- A. Every council member, city officer or employee, or any other person desiring to speak during a City Council meeting must first gain recognition by the presiding officer. Following recognition by the presiding officer, speakers must confine their remarks to the question or matter under consideration, avoiding reference to character and indecorous language.
- B. Every council member wanting to question the city staff will address the questions to the City Manager or the City Attorney, who shall be entitled either to answer the inquiry or to designate a member of his or her staff for that purpose. Members of the public desiring to ask a question regarding an item on the agenda must do so only when public comment regarding the item is permitted. Questions from a member of the public must be directed to the presiding officer, who may refer the question to any member of the City Council, the City Manager or the City Attorney as the presiding officer deems appropriate.
- C. Once a council member, city officer or employee, or other person has been recognized and allowed to speak by the presiding officer, the person will be allowed to conclude his or her remarks without interruption, except an interruption by the presiding officer to preserve order, subject to applicable time limits. A council member seeking to raise a point of order or personal privilege must first gain recognition from the presiding officer. If a council member while speaking is called to order, the council member shall cease speaking until the question of order is determined, and if determined to

be in order, the council member may proceed. If interrupted by the presiding officer, city officers and employees and members of the public must cease speaking until further authorization by the presiding officer.

- D. The right of a council member to address the City Council on a question of personal privilege is limited to cases in which the council member's integrity, character or motives are questioned or where the welfare of the City Council is concerned. A council member raising a point of personal privilege may interrupt another council member who has the floor only if the presiding officer recognizes the privilege.
- E. A council member who wishes to terminate discussion of a motion may call for the question. If the call is seconded, the presiding officer shall ask for a vote. If the call carries, the council shall then vote on the motion without further discussion.
- F. Voting will be conducted using the voting system installed in the City Council Chamber, unless the City Council dispenses with use of the voting system or the system is not functioning. If the voting light system is not used, voting will be by voice vote or other system by which the vote of each council member is made known to the public. Secret ballots are prohibited.
- G. Every council member should vote unless disqualified due to a conflict of interest. A council member who abstains from voting acknowledges that a majority of the quorum may decide the question voted upon; however, ordinances, resolutions, orders for franchise or payments of money or adoption or amendment of a specific or general plan require the affirmative vote of a majority of the City Council (i.e., three affirmative votes).
- H. For matters that may be decided by a majority of the quorum, tie votes constitute "no action," and the matter voted upon remains before the City Council and is subject to further City Council consideration. If the presiding officer determines the City Council is unable to take action on a matter during a meeting because of a tie vote, the City Clerk services staff shall place the item on the next regular meeting of the City Council for further consideration. For matters requiring approval by affirmative vote of a majority of the City Council, any vote of less than the required number of affirmative votes results in denial of the action, unless a member of the City Council who did not vote in the affirmative requests that the matter remain open for further consideration. For matters involving development applications before the City Council because of a recommendation or appeal from the Planning Commission, if a final decision of the City Council is not reached within 60 days of the date of the first meeting at which the matter is considered, the matter will be deemed denied. During this 60-day period, any council member may make a written request that the matter be restored to the City Council's agenda.
- I. A council member may change his or her vote immediately following the announcement of the result of a vote on a matter by the presiding officer and before the next item of business. Except in the case of a tie vote, a council member who publicly announces that he or she is abstaining from voting on a particular matter may not withdraw the abstention.
- J. A motion to reconsider any action taken by the City Council may be made only at the meeting at which the action was taken, including a recessed or adjourned session of the meeting and by a council member who voted with the prevailing side. Consideration of action to rescind, repeal, cancel or otherwise nullify prior City Council action is in order at any subsequent meeting of the City Council, subject to placement of the matter on the agenda in the same manner as any new item of business. The effect of such action will operate prospectively and not retroactively and will not operate to adversely affect individual rights which may have been vested in the interim without notice and an opportunity to be heard having been given to the affected party or parties.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.140. Public participation.**

- A. Members of the public may address the City Council on items of business listed on an agenda of any meeting. Persons desiring to address the City Council regarding any item on the agenda, including an item listed on the consent calendar or items noticed for a public hearing, must submit a request to speak to the City Clerk before the item is called by the presiding officer. The presiding officer, with the consent of the majority of the quorum, may allow a person who has not filed such a request to address the City Council.
- B. At regular meetings, including adjourned regular meetings, members of the public may address the City Council on items not appearing on the agenda during the portion of the agenda set aside for this purpose. The total amount of time set aside for this purpose at the beginning of the meeting will not exceed 15 minutes; additional time will be set aside at the end of the meeting. Persons addressing the City Council must confine their remarks to matters within the subject matter jurisdiction of the City Council or a public agency for which the City Council serves as the governing body. Persons desiring to address the City Council on items not appearing on the agenda must submit a request to speak to the City Clerk before public comment is called. The presiding officer, with the consent of the majority of the quorum, may allow a person who has not filed such a request to address the City Council. Group time and presentations requiring the use of audiovisual equipment will not be permitted during public comment on matters not appearing on the agenda.
- C. The City Clerk will organize speaker slips pertaining to each agenda item in the order received and persons will be invited to address the City Council based on that order. Upon direction of the presiding officer, the names will be called by the City Clerk.
- D. Members of the public will address the City Council from the podium provided for that purpose. Each member of the public will be permitted to speak for up to three minutes, unless the presiding officer has announced a shorter duration at the commencement of the item under consideration. A shorter duration may be set when the presiding officer or a majority of the quorum determine that the length and duration of public comments on a matter would be unduly burdensome and prevent or frustrate the City Council from reaching a timely decision on the matter. Persons must confine their remarks to the agenda item under consideration. A speaker may not yield time to another speaker.
- E. After the presiding officer has closed the public input portion of an agenda item, no member of the public may address the City Council without first being recognized by the presiding officer and securing permission to do so by a majority vote of the quorum.
- F. To facilitate organized presentations, a group of persons may submit a request to speak as a group for items listed on the agenda only. Groups must select one single member to speak on behalf of that group. The group representative must identify the group and list not fewer than three additional members of the group who will simultaneously turn in their own individual speaker cards and be present during the meeting at which the presentation is made. The presentation on behalf of the group may not exceed 10 minutes unless additional time is authorized by a majority of the quorum.
- G. For items listed on the agenda, members of the public will generally be invited to speak following the staff presentation, if any, and before City Council discussion of the item. For items removed from the consent calendar at the request of a member of the public, the presiding officer may invite the speaker to address the City Council and may defer or waive presentation of a staff report.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.150. Use of city equipment.**

Persons desiring to use city information system or communication equipment for presentation of information to the City Council must make arrangements in advance with the City Manager. The City Manager may establish reasonable rules regarding format, security, time for submission and other similar matters. The time spent presenting visual materials is included in the maximum time limit provided to speakers. All materials exhibited to the City Council during the meeting are part of the public record. (Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.160. Conduct of public hearings.**

- A. The provisions of this section apply to matters listed on the agenda as public hearing items. Except as otherwise provided in this section, all of the provisions of this chapter apply to matters listed as public hearing items.
- B. Public hearings will be noticed to begin at the time the City Council convenes, unless otherwise determined by the City Manager or directed by the City Council in which case the notice of public hearing and agenda may state a different time. Public hearings may commence any time after the noticed commencement time and in any order determined by the City Council. Meetings may be adjourned when necessary or convenient to complete a public hearing or schedule of public hearings.
- C. All documents intended by the city to be part of the record of the public hearing and any correspondence received by the city pertaining to the subject matter of the public hearing will be available at the office of the City Clerk at least 24 hours prior to commencement of the public hearing. This provision does not preclude the submission by any person of supplemental or additional information during the public hearing.
- D. The applicant will be permitted 10 minutes to make a presentation, not including time to respond to questions by members of the City Council, and five minutes to respond to comments by members of the public. As used in this section, the applicant includes any person or entity whose rights or interests are directly the subject matter of the public hearing.
- E. The order of the hearing will be as follows unless otherwise required by law or agreed upon by the city and the applicant:
  1. Presentation of staff and/or Planning Commission report;
  2. Questions from the City Council;
  3. Presentation by the applicant, if any;
  4. Comments by members of the public;
  5. Response by staff or applicant to facts or issues raised by public comments;
  6. City Council discussion and action.
- F. The presiding officer may set longer time limits than otherwise allowed by this chapter for adequate presentation of testimony and evidence to provide a fair hearing. The decision of the presiding officer may be appealed to the City Council and determined by a majority of the quorum.
- G. Any person, other than a member of the City Council, who wishes to direct question(s) to an opposing witness shall submit such question(s) to the presiding officer, who will ask the question(s) to the witness. The presiding officer may at his or her discretion restrict the number and nature of any

questions asked pursuant to this section.

- H. Before commencement of City Council discussion and action, the presiding officer may order closed the public input portion of the public hearing, at which time no further evidence, either oral or written, will be accepted by the City Council except in response to a question by a council member; provided, however, that this rule may be relaxed by the presiding officer where it appears that good cause exists to hear further evidence concerning the matter which is the subject of the public hearing. Following completion of questions by council members, the presiding officer may order the public hearing closed. A public hearing once closed cannot be reopened on the date set for hearing unless the presiding officer determines that all persons who were present when the public hearing closed are still present. Nothing in this section, however, is intended to prevent or prohibit the reopening of a public hearing at any subsequent meeting, provided notice is first given in the manner required for the initial public hearing.
- I. A public hearing may be continued to a date certain any time before the closing of the public hearing in order to permit presentation of additional written or oral evidence, or return the matter to the Planning Commission for further consideration. The presiding officer will publicly announce the date, time and place that the public hearing will reconvene, and further evidence will be taken, and the announcement constitutes sufficient notice to the public of the date, time, and place of the continued public hearing. If the matter is returned to the Planning Commission for further consideration, the presiding officer must publicly announce the matter has been returned to the Planning Commission for consideration and may announce the date, time and place of the continued public hearing to receive the further report by the Planning Commission. If the presiding officer announces the date, time and place of the continued hearing, the clerk will post a notice of continuance in the same manner as for posting notices of an adjourned meeting; however, no further public notice is required. If the presiding officer does not announce the date, time and place for continuance of the matter following return to the Planning Commission, the public hearing will be noticed in the same manner as for the initial public hearing.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

#### **§ 1.20.170. Decision following a public hearing.**

- A. A decision may be made at any time following the close of a public hearing. The City Council may adopt a resolution or ordinance recommended by staff and presented as part of the agenda packet or may indicate its intended decision and instruct the City Attorney to return with the resolution or ordinance necessary to effect the decision. For decisions that include a quasi-judicial determination, the City Council may adopt the resolution or ordinance, as presented or as may be amended by the City Council, if it determines that the findings contained in the document are supported by the evidence presented at the hearing and the decision is supported by the findings. The City Council's decision is not final until adoption of the documents.
- B. A council member who was absent from all or a part of a public hearing shall not participate in a decision on the matter unless the council member has examined all the evidence, including listening to a recording of the oral testimony or reviewing a videotape or other electronic medium of the proceedings and represents that he or she has a full understanding of the matter.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

#### **§ 1.20.180. Application to administrative hearings—Disclosure of ex parte communications.**

- A. The procedures for the conduct of public hearings will apply to any quasi-judicial administrative hearing conducted by the City Council except as provided in Section 1.20.190.

B. During the public hearing for a quasi-judicial matter and as required by City Council Policy No. 92, council members must verbally disclose all ex parte communications concerning the subject of the public hearing. Such disclosure shall include a brief statement describing the name and content of the communication. As used in this section, ex parte communications are substantive, individual oral or written communications concerning quasi-judicial matters that occur outside of a noticed public hearing. Ex parte communications include site visits or investigations made by a council member. The presiding officer will request disclosure of ex parte communications from all council members before the time for receipt of public comment.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.190. Application of procedures required by law.**

Whenever the requirements of this code or other law require that hearings regarding a particular matter be conducted pursuant to a specific procedure, the provisions of the law establishing the requirements shall prevail over this chapter to the extent of any inconsistency. Specific rules of procedure for an administrative hearing established by official action of the City Council, upon recommendation of the City Attorney, will prevail over the provisions of this chapter to the extent of any inconsistency with respect to that hearing and other hearings of a similar nature.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.200. Evidence—Record of proceedings.**

- A. A decision of the City Council may be based on any relevant evidence provided to the City Council for its consideration of an item and accepted into the record of the proceedings by the presiding officer or made a part of the record of the proceedings pursuant to this section. In addition to oral presentations and documents presented at a meeting, the City Council may consider any adopted general plan, specific plan, ordinance, resolution or other record of official action of the city, and facts of common, general knowledge. The rules of evidence as established by law for judicial proceedings in the State of California are not applicable to proceedings of the City Council and any credible, relevant evidence appropriate to afford a full presentation of the facts necessary or convenient for judicious consideration of the matter which is the subject of the City Council's consideration may be presented at the discretion of the presiding officer. Failure of the presiding officer to strictly enforce rules of evidence or to reject matters that may be irrelevant or immaterial does not affect the validity of the hearing. Any procedural errors that do not materially affect the substantial rights of the parties will be disregarded. Rulings of the presiding officer are subject to change by the City Council in the same manner as any other procedural order.
- B. All materials included in the agenda packet for a meeting are evidence and part of the record of the proceedings for the agenda item to which they pertain. It is not necessary for materials included in the agenda packet to be read in full or referenced at the meeting; however, the staff may present a summary of the information as part of the staff presentation or upon request of the presiding officer. In addition, any of the following may be presented to the City Council during the meeting and, if presented, are evidence and part of the record:
  1. Exhibits and documents not included in the agenda packet that are used during the presentation by city staff or persons addressing the City Council and are provided to the City Council;
  2. Maps and displays used at the meeting; provided that, whenever practicable, they shall be displayed in full view of the participants and the audience;
  3. All written communications and petitions concerning an item presented at a meeting if the

presiding officer grants a request for inclusion in the record; however, reading of communications and petitions is not required and will generally be permitted only upon authorization by the presiding officer; and

4. Information obtained outside the City Council Chamber, such as a view of the site, provided the information, to the extent it is relied upon in a quasi-judicial matter, is disclosed for the record.
- C. The City Clerk services staff will retain the agenda packet, exhibits, reports, maps and other physical evidence placed before the City Council as public records. Such records may be released by the City Clerk services staff with the approval of the City Attorney. Items that are large, perishable, bulky or otherwise difficult to store may be returned to the person submitting the item provided that the City Clerk services staff retains a photographic, video or digital record of the item. The City Clerk services staff may make and retain photographic, video or digital records of proceedings of meetings subject to the same requirements applicable to other public records of the city.
- D. Whenever any law requires that testimony be presented to the City Council under oath or affirmation, the presiding officer or the City Clerk services staff may administer the oath or affirmation.  
(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

#### **§ 1.20.210. Subpoenas.**

The City Council may order the City Clerk to issue, and the Chief of Police or representative to serve, subpoenas for any witnesses or records necessary for the production of evidence at any duly scheduled public hearing or quasi-judicial administrative proceeding.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

#### **§ 1.20.220. Enforcement of decorum.**

- A. The Police Chief or such member of the police department as the chief, or authorized agent, may designate, is the sergeant-at-arms of the City Council. The sergeant-at-arms is required to be available to respond to all meetings immediately upon call, and will attend meetings at the request of the Mayor, City Manager or majority of the City Council. The sergeant-at-arms is responsible for enforcing the orders of the presiding officer given for the purpose of maintaining order and decorum at the City Council meetings. The sergeant-at-arms may, at any time, request assistance from other members of the police department to accomplish that purpose. The City Council may require the presiding officer to enforce the rules upon approval of a motion by any council member.
- B. Any person, including any member of the City Council or city staff, who by voice or conduct engages in disrupting conduct prohibited by Section 1.20.010(D) of this chapter or otherwise disrupts a City Council meeting by failing to comply with the rules established by this chapter or any applicable ethics ordinance adopted by the City Council, and continues to do so after the presiding officer has directed the person to stop, commits an offense punishable as an infraction.
- C. Any person arrested under subsection B of this section and who returns to the same meeting and again violates the provisions of subsection B of this section commits an offence punishable as a misdemeanor.
- D. Any person previously convicted under subsection B of this section who again violates the provisions of subsection B of this section commits an offence punishable as a misdemeanor.  
(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.230. Motions.**

A motion is the formal statement of a proposal or question to the City Council for consideration and action. Every council member has the right to present a motion. A motion may be made at any time during consideration of a matter on the agenda; however, the presiding officer may defer recognizing a motion until after presentation of a report of staff, public comment and questions by members. It is not necessary for a motion to be pending for deliberation of a matter on the agenda. If a motion is properly made, the presiding officer will call for a second. No further action is required on a motion that does not receive a second. If a motion contains two or more divisible propositions, the presiding officer may divide it and call for a separate vote on each proposition. A motion once made and seconded may not be withdrawn by the maker without the consent of the second. The presiding officer may, and upon request of any council member will, restate a motion before a vote; provided, however, that the presiding officer may request the restatement be made by the City Clerk or City Attorney.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.240. Rules relating to motions.**

- A. When a main motion is pending, no other motion may be entertained except the following which shall have precedence, one over the other, in the following order:
  1. Adjourn;
  2. Recess;
  3. Defer;
  4. Call the question;
  5. Limit or extend debate;
  6. Refer to commission, committee, or staff;
  7. Amend;
  8. Continue;
  9. Main motion.
- B. A motion may not repeat a motion made previously at the same meeting unless there has been some intervening City Council action or discussion. A motion may not be made if a motion to call the question is pending, and if the question has been called, until after the vote on the question. A motion may not be made while a vote is being taken. A motion may not be made to interrupt a council member while speaking. A motion regarding a point of order or to direct the presiding officer to enforce a provision of this chapter may be made at any time.
- C. The purpose and salient criteria of the motions listed in subsection A are as follows:
  1. Motion to adjourn:

Purpose. To terminate a meeting.  
Debatable or Amendable. No, except a motion to adjourn to another date, time, or place is debatable and amendable as to the date, time and place to which the meeting is to be adjourned.
  2. Motion to recess:

Purpose. To permit an interlude in the meeting and to set a definite time for continuing the meeting. Debatable or Amendable. Yes, but restricted as to time or duration of recess.

3. Motion to defer:

Purpose. To set aside, on a temporary basis, a pending main motion; provided that, it may be taken up again for consideration during the current meeting or at the next regular meeting. A motion to defer is also known as a motion to table.

Debatable or Amendable. It is debatable but not amendable.

4. Motion to call the question:

Purpose. To prevent or stop discussion on the pending question or questions and to bring such question or questions to vote immediately. If the motion passes, a vote shall be taken on the pending motion or motions.

Debatable or Amendable. No.

5. Motion to limit or extend debate:

Purpose. To limit or determine the time that will be devoted to discussion of a pending motion or to extend or remove limitations already imposed on its discussion.

Debatable or Amendable. Debate and amendments are restricted to duration of the proposed limit or extension.

6. Motion to refer to commission, committee or staff:

Purpose. To refer the question before the City Council to a commission, committee or city staff for the purpose of investigating or studying the proposal and making a report back to the City Council. If the motion fails, discussion or vote on the question resumes.

Debatable or Amendable. Yes.

7. Motion to amend:

Purpose. To modify or change a motion that is being considered. An amendment may be in any of the following forms: to "add" or "insert" certain words or phrases; to "strike out certain words or phrases and to add others"; to "replace" certain words, phrases or actions on the same subject matter as the one pending; to "divide the question" into two or more questions to allow for a separate vote on particular points. A motion to amend shall relate to the subject of the main motion. A motion to amend, including a motion to substitute an entire motion for the one pending, shall not be used to change the nature of the main motion; for example, a motion to replace the word "approve" with the word "disapprove" is prohibited where the nature of the main motion is changed. If a motion to amend passes, then the main motion should be voted on as amended.

Debatable or Amendable. It is debatable if the main motion to which it applies is debatable. It is amendable, but a motion to amend an amendment is not further amendable.

8. Motion to continue:

Purpose. To prevent further discussion and voting on the main motion until a future date or event. If the motion fails, discussion and voting on the main motion resumes. If it passes, the

subject of the main motion shall not be brought up again until the specified date or event.

Debatable or Amendable. It is debatable and amendable; however, amendments are limited to the date or event.

9. Main motion:

Purpose. The primary proposal or question before the City Council for discussion and decision.

Debatable or Amendable. Yes.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.250. City Council action.**

City Council action will be taken by motions approved by vote of council members. Action required by law to be taken by resolution or ordinance may be taken upon approval by the required number of affirmative votes of a motion to approve or adopt the resolution or ordinance. Action not requiring adoption of a resolution or ordinance, including providing direction or authorization to a city officer or employee, may be taken by motion recorded in the minutes of the meeting.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.260. Resolutions.**

Whenever feasible, resolutions implementing a staff recommendation will be included in the agenda packet. Resolutions will be prepared or approved by the City Attorney before submission to the City Council. It is not necessary to read the resolution by title or in full, provided it is identified by the presiding officer. Where a particular resolution has not been prepared in advance, a motion may direct the City Attorney to prepare the document and return it to the City Council. When necessary, a resolution may be presented verbally in motion form together with instructions for written preparation. Upon execution of such a resolution, it shall become an official action of the City Council.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.270. Ordinances.**

All ordinances will be prepared or approved by the City Attorney before submission to the City Council. The City Attorney will not prepare an ordinance unless directed by the City Council or City Manager or on the City Attorney's own initiative.

Ordinances will be adopted according to the procedure established by statute. As permitted by Government Code Section 36934, and unless otherwise directed by the City Council, a reading of the title or the ordinance shall not be required if the title is included on the published agenda and a copy of the full ordinance is made available to the public online and in print at the meeting prior to its introduction or passage.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.280. Correction of documents.**

The City Clerk services staff, with the consent of the City Attorney, is authorized to correct any typographical or other technical or clerical error in any document approved by the City Council. Upon correction, the corrected document may be executed in the manner required of the original and, when properly executed, will replace the original document, to be effective as of the date of the original document, and to be retained in the files of the City Clerk.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.290. Failure to observe procedures—Waiver.**

The provisions of this chapter are adopted to expedite the transaction of the business of the City Council in an orderly fashion and are deemed to be procedural only. The failure to strictly observe such rules shall not affect the jurisdiction of the City Council or invalidate any action taken at a meeting that is otherwise held in conformity with law. Nothing in this section shall preclude the presiding officer or City Council from taking any action to cure a violation or alleged violation of the provisions of this chapter or other applicable law governing the conduct of City Council meetings. Nothing in this section precludes the City Council from correcting a violation or alleged violation of the Brown Act according to the provisions of that Act.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.300. Limitation on liability.**

The procedural provisions of this chapter are directory in nature and shall not be deemed to create a mandatory duty, the breach of which could result in liability to the city or to any city officer or employee pursuant to state statute or other law.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.310. Appeals procedure.**

Where no specific appeals procedure is established by this code for any decision of a city commission, committee or official that substantially affects the rights, duties or privileges of an aggrieved person, such decision may be appealed to the City Council by filing a written notice of appeal with the City Clerk services staff within 10 calendar days of the date of the decision. Fees for filing an appeal shall be established by resolution of the City Council. The City Manager will place the matter on an agenda for City Council consideration in the manner provided in Section 1.20.060 and provide notice to the aggrieved person of the date, time and place of the meeting at which the matter will be considered. The aggrieved person will be permitted five minutes to make a presentation to the City Council, but otherwise, the procedures applicable to items not scheduled for public hearing will apply. The decision of the City Council regarding the matter is final.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

**§ 1.20.320. Correspondence addressed to the City Council.**

The City Manager is authorized to open and examine all written communications addressed to the City Council, except correspondence addressed to an individual council member. An individual council member may authorize the City Manager to open and examine correspondence addressed to that council member. The City Manager is authorized to take appropriate administrative action to address constituent concerns consistent with existing city policy. Matters requiring City Council action may be placed on the agenda by the City Manager in the manner provided in this chapter. On a weekly basis, the City Manager will provide the Mayor and council members with correspondence received and a report of any administrative action taken. Correspondence relating to an item on the agenda for a City Council meeting will be provided to the City Clerk services staff for inclusion in the agenda packet. The City Manager's office and City Clerk's office will coordinate on mail received by the City Clerk's office to effectively accomplish the purposes of this section.

(Ord. CS-329 § 3, 2018; Ord. CS-459 § 2, 2023)

## CHAPTER 1.24 EXPENDITURE LIMITATION

### **§ 1.24.010. Purpose and intent.**

The acquisition and/or development of real estate by the city has profound financial impacts upon the budget of the city and upon the tax burden imposed upon the taxpayers.

The city's financial resources have become more constrained as a result of the passage of recent constitutional amendments such as Proposition 13 and the Gann Initiative Spending Limitation, thereby increasing the significance and importance of decisions by the city to spend large amounts of money to purchase or develop real property.

In the absence of the provisions of this chapter requiring voter approval for major land acquisition or development projects by the city these decisions are often made without adequate public review and comment in the context of an overall capital improvements program.

It is the intent of this chapter to provide the citizens and taxpayers of Carlsbad with an opportunity to express directly their preference by vote prior to major city expenditures for the purchase or development of land.

It is not the intent of this chapter to interfere with the normal day-to-day administration of the city or with routine ongoing capital expenditures.

(Ord. 1255 § 1, 1982)

### **§ 1.24.020. Definitions.**

For purposes of this chapter, the following words and phrases shall have the following definitions:

"City funds" mean City of Carlsbad general fund moneys; federal general revenue sharing moneys and all other moneys, but shall not include categorical federal and state grants available to the city for specific purposes. City funds shall not include special assessments.

"Effective date" means the date on which the proposed ordinance codified in this chapter was adopted by the City Council or was passed by the voters at the polls, whichever occurs first.

"Improvement to real property" means the actual physical construction of improvements on real property owned, leased, or controlled by the city, or the modification, enlargement, or alteration of existing improvements on such property.

"Real property acquisition" means the purchase or lease of any real property, improved or unimproved, within or without the corporate limits of the city to be paid for in whole or in part by city funds.

(Ord. 1255 § 1, 1982)

### **§ 1.24.030. Vote required.**

The city shall make no real property acquisition and/or no improvement to real property the cost of which exceeds one million dollars in city funds, unless the proposed acquisition and/or improvement project and the cost in city funds is first placed upon the ballot and approved by a majority of the voters voting thereon at an election. A project may not be separated into parts or phases so as to avoid the effects of this chapter.  
(Ord. 1255 § 1, 1982)

**§ 1.24.040. Determination of cost.**

In determining whether or not the cost in city funds of a proposed real property acquisition or improvement to real property exceeds one million dollars, the following costs shall be included:

- A. The purchase price of the real estate, including improvements, or the present value of a lease, as appropriate;
- B. The contract price of the improvements;
- C. All preliminary studies and reports directly related to the acquisition or improvement, including, but not limited to, environmental impact reports, architectural renderings, soils analyses, engineering work, and the like;
- D. Finance cost, if any.

(Ord. 1255 § 1, 1982)

**§ 1.24.050. Guidelines.**

The City Council may adopt reasonable guidelines to implement this chapter following notice and public hearing.

(Ord. 1255 § 1, 1982)

**§ 1.24.060. Exemption for certain projects.**

This chapter shall not apply to any real property acquisition or improvement to real property which has obtained a vested right as of the effective date of the ordinance codified in this chapter. For purposes of this chapter, a "vested right" shall have been obtained if each of the following is met:

- A. The proposed project has received its final discretionary approval; and
- B. Substantial expenditures have been made in good faith reliance on the final discretionary approval; and
- C. Substantial construction has been commenced in good faith reliance on the final discretionary approval, where construction is contemplated.

Whether or not a vested right has been obtained in a particular case is a question of fact to be determined on a case-by-case basis by the City Council following notice and public hearing.

(Ord. 1255 § 1, 1982)

**§ 1.24.070. Amendment or repeal.**

This chapter may be amended or repealed only by a majority of the voters voting at an election thereon.

(Ord. 1255 § 1, 1982)

## GENERAL PROVISIONS

**Title 2****ADMINISTRATION AND PERSONNEL**

Chapter 2.04 <b>ELECTED OFFICIALS</b>		Chapter 2.12 <b>CITY MANAGER</b>

## CHAPTER 2.04 ELECTED OFFICIALS

### **§ 2.04.010. Compensation—Mayor and City Council.**

- A. The monthly compensation of City Council Members is increased from \$2,264.18 to \$2,354.75 upon the effective date of the ordinance codified in this section. Adjustments to City Council compensation shall not exceed the amount established by the San Diego Regional Consumer Price Index. Adjustments to City Council compensation must be made or permanently waived by ordinance in January of each year. The City Council is prohibited from enacting retroactive increases for years in which a salary increase was waived.
- B. The Mayor shall receive compensation of \$100.00 in addition to the compensation the Mayor receives as a City Council Member under subsection A of this section.
- C. The compensation established by this section is exclusive of any amounts payable to each member of the City Council as reimbursement for actual and necessary expenses incurred in the performance of official duties for the city.

(Ord. 1095-A § 1; Ord. 1188 § 1, 1976; Ord. 1207 § 1, 1978; Ord. 1213 § 1, 1979; Ord. 1227 § 1, 1980; Ord. 1243 § 1, 1982; Ord. 1272 § 1, 1984; Ord. 1289 § 1, 1986; Ord. 1293 § 1, 1987; Ord. NS-28 § 1, 1988; Ord. NS-122 § 1, 1990; Ord. NS-363 § 1, 1996; Ord. NS-442 § 1, 1998; Ord. NS-528 § 1, 2000; Ord. NS-615 § 1, 2001; Ord. NS-689 § 1, 2004; Ord. NS-792 § 1, 2006; Ord. NS-858 § 1, 2007; Ord. CS-024 § I, 2009; Ord. CS-269 § I, 2015; Ord. CS-340 § 2, 2018; Ord. CS-391 § 4, 2021; Ord. CS-414 § 1, 2022; Ord. CS-444 § 1, 2023; Ord. CS-463, 1/30/2024)

### **§ 2.04.020. Compensation—City Clerk and City Treasurer.**

- A. The compensation of the City Clerk and City Treasurer is increased from \$1,141.69 to \$1,187.36 per month, payable biweekly. In January of each year, when the City Council considers compensation adjustments under section 2.04.010(A), the City Council shall consider whether to adjust the compensation for the City Clerk and City Treasurer. Adjustments to the compensation for the City Clerk and City Treasurer shall not exceed the amount established by the San Diego Regional Consumer Price Index. The City Council may not enact retroactive increases for years in which a salary increase was not approved.
- B. In addition to the compensation the City Clerk and City Treasurer receive under subsection A of this section, the City Clerk and City Treasurer shall receive an automobile allowance as established by resolution of the City Council.

(Ord. CS-391 § 4, 2021; Ord. CS-435 § 2, 2022; Ord. CS-445 § 1, 2023; Ord. CS-464, 1/30/2024)

### **§ 2.04.025. Benefits—Elected officials.**

The city shall make available to each elected official the same benefit programs available to unrepresented management employees for retirement, health and welfare. Amounts provided to elected officials for retirement, health and welfare, or payments made to elected officials in lieu of receiving such benefits, shall not be included for purposes of determining compensation under Section 2.04.010 or 2.04.020.

(Ord. CS-429 § 2, 2022)

### **§ 2.04.030. Duties of Mayor.**

- A. The Mayor is a City Council Member with all the powers and duties of a City Council Member. The

Mayor may make or second motions and otherwise participate fully in the workings of the City Council. The Mayor shall vote on all questions. Whenever the vote is taken by means of a roll call, the Mayor's name shall be called last.

B. The Mayor shall sign:

1. All warrants drawn on the city treasury.
2. All written contracts and conveyances made or entered into by the city for which the City Council is the awarding authority as specified in Chapter 3.28.
3. All instruments requiring the city seal. The City Council may by ordinance authorize other officers of the city to sign such documents if the Mayor and Mayor Pro Tempore are both absent or unable to act.

C. The Mayor shall be the official head of the city for all ceremonial purposes, and shall perform all other duties as may be prescribed by resolution or ordinance.

D. Notwithstanding subsection (B)(2) of this section, the City Council may by ordinance or resolution authorize the City Manager or designee to sign any written contract or conveyance on behalf of the city.

(Ord. CS-391 § 4, 2021; Ord. CS-462, 12/12/2023)

#### **§ 2.04.040. Eligibility for office.**

A. To be eligible to hold office as Mayor, City Council Member, City Clerk or City Treasurer, a person must be an elector of the city at the time nomination papers are issued and must not have been convicted of a felony or other crime rendering the person ineligible under state law to hold public office.

B. To be eligible to become a candidate for the office of City Clerk, a person must meet one of the following minimum criteria at the time nomination papers are issued:

1. The person must have obtained the designation of Certified Municipal Clerk from the International Institute of Municipal Clerks.
2. The person must have two years of full-time, salaried work experience in either business administration or public administration and possesses a bachelor's degree from an accredited college or university.

C. To be eligible to become a candidate for the office of City Treasurer, a person must meet the following minimum criteria at the time nomination papers are issued:

1. The person must have a four-year college degree majoring in business administration, public administration, accounting, finance or economics.
2. The person must have four years of financial work experience.
3. In lieu of the work experience required in the preceding subsection (C)(2), the person may have one of the following:
  - a. A valid certificate from the California State Board of Accountancy to practice as a Certified Public Accountant;

- b. A valid Chartered Financial Analyst credential or a Certificate in Investment Performance Management from the CFA Institute;
  - c. A valid Certified Investment Management Analyst certification from the Investments & Wealth Institute; or
  - d. A valid Certified California Municipal Treasurer designation from the California Municipal Treasurers Association.
- D. Notwithstanding California Government Code Section 53227 or any successor statute regulating the eligibility of a local agency employee to serve on the local agency's legislative body, the Mayor or a City Council Member may simultaneously serve, without compensation, as a city volunteer subject to all applicable federal and state laws, municipal ordinances and rules and regulations, including conflict of interest and ethics laws, ordinances, rules and regulations.

(Ord. CS-023 § 1, 2009; Ord. CS-391 § 4, 2021; Ord. CS-462, 12/12/2023)

#### **§ 2.04.050. At-large election of Mayor, City Clerk, and City Treasurer.**

The Mayor, City Clerk, and City Treasurer shall be elected by the voters of the city at large. The persons elected as Mayor, City Clerk, and City Treasurer shall hold office for a term of four years from the first Tuesday following election and until a successor is elected, qualified and sworn into office.

(Ord. CS-391 § 4, 2021)

#### **§ 2.04.060. By-district election of City Council Members.**

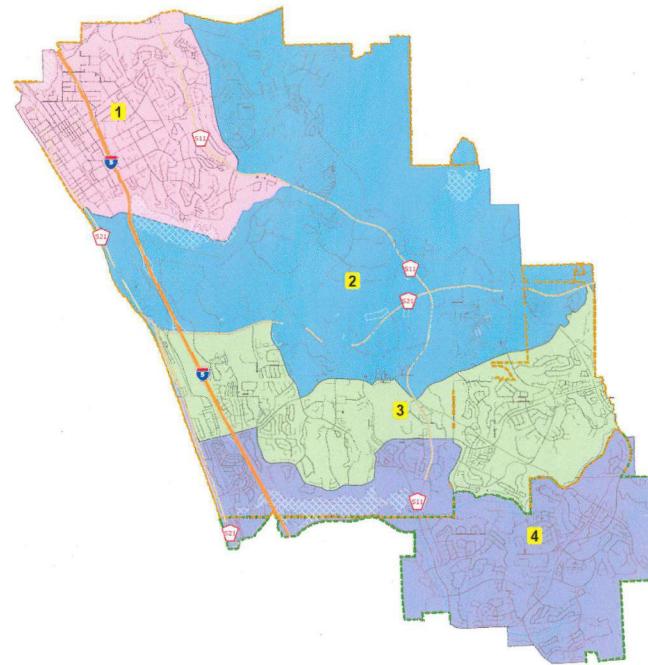

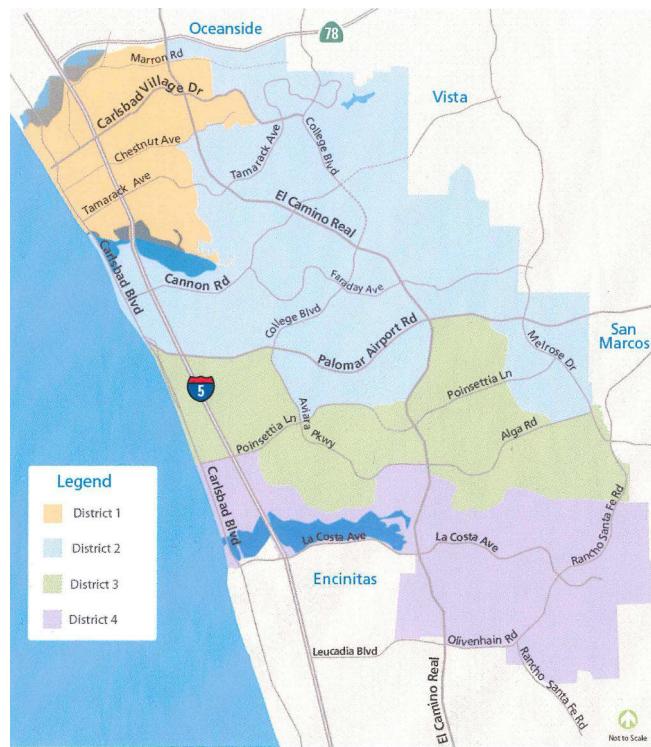

Pursuant to California Government Code Section 34886 and the schedule established in Section 2.04.080, City Council Members shall be elected on a by-district basis from four single-member council districts. The city's by-district electoral system shall be conducted in accordance with California Government Code Section 34871, subdivision (c).

(Ord. CS-322 § 2, 2017; Ord. CS-391 § 4, 2021)

#### **§ 2.04.070. Establishment of council districts.**

- A. Pursuant to Section 2.04.060, City Council Members shall be elected on a by-district basis, as that term is defined in California Government Code Section 34871, subdivision (c), from the four council districts.
  - 1. For City Council elections beginning in November 2022:
    - a. Council District 1 shall comprise all that portion of the city reflected on Figure A.
    - b. Council District 2 shall comprise all that portion of the city reflected on Figure B.
    - c. Council District 3 shall comprise all that portion of the city reflected on Figure A.
    - d. Council District 4 shall comprise all that portion of the city reflected on Figure B.
  - 2. For City Council elections beginning in November 2024 and continuing in effect until amended or repealed:
    - a. Council District 1 shall comprise all that portion of the city reflected on Figure A.
    - b. Council District 2 shall comprise all that portion of the city reflected on Figure A.

- c. Council District 3 shall comprise all that portion of the city reflected on Figure A.
- d. Council District 4 shall comprise all that portion of the city reflected on Figure A.

**Figure A****Figure B**

- B. Members of the City Council, excluding the Mayor, shall be elected in the electoral districts established by this section and subsequently reapportioned pursuant to applicable state and federal

law.

- C. Notwithstanding any other provision of this chapter, the City Council Member elected to represent a council district must reside in the district and be a registered voter in the district, and any candidate for City Council must live in, and be a registered voter in, the council district in which the candidate seeks election at the time nomination papers are issued, pursuant to California Government Code Section 34882 and California Elections Code Section 10227. Termination of residency in a council district by a City Council Member shall create an immediate vacancy for that council district unless a substitute residence within the district is established within 30 days after the termination of residency. (Ord. CS-322 § 2, 2017; Ord. CS-391 § 4, 2021; Ord. CS-418 § 2, 2022)

#### **§ 2.04.080. Council district election schedule.**

Except as otherwise required by Section 2.04.110, the City Council Members shall be elected in Council Districts 1 and 3 beginning at the General Municipal Election in November 2018, and every four years thereafter, as such Council Districts shall be amended. City Council members shall be elected from Council Districts 2 and 4 beginning at the General Municipal Election in November 2020, and every four years thereafter, as such council districts shall be amended.

(Ord. CS-322 § 2, 2017; Ord. CS-391 § 4, 2021)

#### **§ 2.04.090. Selection and duties of Mayor pro tempore.**

The City Council shall meet on the first Tuesday after the certification of the General Municipal Election results, or as soon thereafter as reasonably practicable, and choose one of its members as Mayor pro tempore. If the Mayor is absent or unable to act, the Mayor pro tempore shall serve as Mayor until the Mayor returns or is able to act. While serving as Mayor pursuant to this section, the Mayor pro tempore shall have all of the powers and duties of the Mayor.

(Ord. CS-391 § 4, 2021)

#### **§ 2.04.100. Reorganization of the City Council.**

As soon as reasonably practicable after a new City Council Member is sworn into office, or at the first regularly scheduled City Council meeting of the calendar year, the City Council shall appoint individual members of the City Council to boards, commissions, committees or other bodies as the City Council may find necessary for its effective functioning. These appointments shall be made by the Mayor subject to the approval of the City Council.

(Ord. 1258 § 1, 1982; Ord. NS-563 § 1, 2000; Ord. CS-391 § 4, 2021)

#### **§ 2.04.110. Vacancies in office.**

##### A. Declaration of Vacancy.

1. Vacancies. The office of an elected official becomes vacant upon death, resignation, or forfeiture or removal from office on any ground provided by law.
2. Forfeiture. In addition to any other ground provided by law, an elected official forfeits office if the elected official:
  - a. Lacks at any time during the elected official's term of office any qualification for the office prescribed by the city charter, this code or other applicable law; or
  - b. Accepts or retains any other elective public office.

3. Declaration of Vacancy. If a vacancy occurs, the City Council shall declare the existence of the vacancy or anticipated vacancy as soon as practicable. The date of the vacancy shall be determined as:

- a. In the case of a resignation, the effective date specified in the letter of resignation or, if no effective date is specified, the date upon which the letter of resignation is delivered to the City Clerk.
- b. In the case of election to another office, the date on which the elected official is sworn into the other office.
- c. If subsections (A)(3)(a) and (A)(3)(b) of this section do not apply, the date of the declaration of vacancy by the City Council.

B. Filling of Vacancy by Appointment.

1. If a vacancy is declared by the City Council with one year or less remaining in the term from the date of the declaration of vacancy, the City Council shall within 45 days appoint a person to fill the vacancy. A person appointed to fill a vacant office must meet the eligibility requirements for the office.
2. The City Council shall use good faith and best efforts to reach agreement on an appointment. If the City Council is unable to make an appointment within 45 days of the declaration of vacancy, the office shall remain vacant for the remainder of the term.
3. For a vacancy created by a City Council Member resigning from office, the resigning City Council Member may not cast a vote on the appointment.
4. In the event the City Council makes an appointment, the appointee office holder shall hold office until a successor is elected. Any person appointed by the City Council to fill the office of a council member or Mayor may not seek election to that same office until one year after the end of the appointed term.

C. Filling of Vacancy by Election. If a vacancy declared by the City Council occurs with 25 months or more remaining in the term from the date of the declaration of vacancy, the City Council shall fill the vacancy by calling a special election to be held on the next established election date not less than 114 days after the declaration of vacancy.

D. Filling of Vacancy by Appointment or Election.

1. If a vacancy is declared by the City Council with more than one year but less than 25 months remaining in the term from the date of the declaration of vacancy, the City Council may either appoint a person to fill the vacancy under subsection B of this section or call a special election to fill the vacancy under subsection C of this section.
2. The City Council shall determine whether to fill the vacancy by appointment or by special election within 14 days of the declaration of vacancy.
3. If the City Council determines to fill the vacancy by appointment and is unable to make an appointment within 45 days of the City Council declaring a vacancy, the City Council shall call a special election under subsection C of this section.

E. Notwithstanding any other provision in this section, if an appointment would result in a majority of the City Council Members being appointed, the City Council may not fill the vacancy by

appointment; rather: (1) where the vacancy is for a remaining term of one year or less, the office shall remain vacant; and (2) where the vacancy is for a remaining term of more than one year but less than 25 months, the City Council shall call a special election under subsection C of this section to fill the vacancy.

- F. Notwithstanding any other provision in this section, if the vacancy is in the office of City Clerk and there is less than 16 months remaining in the term from the date of the declaration of vacancy, the City Council may choose not to fill the vacancy by either appointment or by calling a special election and the office shall remain vacant for the remainder of the term.

(Ord. 1253 § 1, 1982; Ord. NS-223 § 1, 1993; Ord. NS-256 § 1, 1993; Ord. NS-529 § 1, 2000; Ord. NS-836, 2007; Ord. CS-044 § 1, 2009; Ord. CS-100 § 1, 2010; Ord. CS-391 § 4, 2021; Ord. CS-400 § 2, 2021)

**CHAPTER 2.08  
OFFICERS—EMPLOYEES GENERALLY**

**§ 2.08.035. Definition of City Engineer.**

The term "City Engineer" as used in this code is defined as the "Transportation Director," or designee, and is the person authorized to perform the functions of the City Engineer as defined in California Government Code Section 66416.5.

(Ord. CS-164 § 4, 2011; Ord. CS-389 § 2, 2021)

**§ 2.08.036. Definition of Deputy City Engineer.**

The term "Deputy City Engineer" as used in this code is defined as a licensed, registered professional engineer in the State of California who has been designated by the City Engineer to perform duties delegated to the Deputy City Engineer.

(Ord. CS-389 § 3, 2021)

**§ 2.08.037. Definition of district engineer.**

The term "district engineer" as used in this code is defined as a licensed, registered professional engineer in the State of California who has been authorized to perform district engineer duties for Carlsbad Municipal Water District matters.

(Ord. CS-389 § 3, 2021)

**§ 2.08.040. Officers' and employees' bonds.**

- A. Wherever individual bonds are required for specified officers or employees of the city, they may be provided in the form of a master official bond applicable to all other city officers and employees.
- B. The City Clerk, City Treasurer and Finance Director shall provide honesty and faithful discharge bonds regarding the duties imposed on their offices, in the amount recommended by the City Attorney pursuant to Government Code Section 36518 and as set forth in a resolution adopted by the City Council.
- C. The Finance Director is authorized and directed to pay the premium annually for any official bonds authorized or required by this section.

(Ord. 1005 § 3; Ord. 1009 § 1; Ord. 1239 § 1, 1981; Ord. NS-510 § 1, 1999)

**§ 2.08.050. Location of city offices—Office hours.**

The office for the conduct of business of the City Clerk, City Treasurer and Community and Economic Development Director shall be located in such place as the City Council by resolution may establish. Such resolution shall be passed at least two weeks in advance of any change and to be published once in a legal newspaper of general circulation of the city. Such office shall be kept open for the transaction of official business between the hours of 8:00 a.m. and 5:00 p.m., Saturdays, Sundays and legal holidays excluded.

(Ord. 1005 § 3; Ord. 1261 § 1, 1983; Ord. NS-676 § 1, 2003; Ord. CS-164 §§ 1, 14, 2011)

**§ 2.08.060. Vacation accrual, sick leave accrual and holiday pay.**

- A. Regular employees will accrue vacation and sick leave and be paid for city-recognized holidays in accordance with the memorandum of understanding applicable to them, as it may from time to time be amended by the parties to it and approved by resolution of the City Council.

B. Management employees will accrue vacation and sick leave and be paid for city-recognized holidays in accordance with the management compensation plan, as it may from time to time be amended by resolution of the City Council.

C. Hourly and temporary employees will not accrue vacation and sick leave or be paid for city-recognized holidays.

(Ord. NS-793 § 1, 2006)

**§ 2.08.070. Acceptance of state aid for training peace officers.**

The city declares that it desires to qualify to receive aid from the state under the provisions of Chapter 1 of Title 4, Part 4 of the California Penal Code. Pursuant to Section 13522 of such Chapter 1, the city while receiving aid from the state pursuant to such Chapter 1 will adhere to the standards for recruitment and training established by the commission on peace officer standards and training.

(Ord. 3052 §§ 1, 2)

**§ 2.08.100. Delegation of authority to accept donations.**

The City Manager shall have authority on behalf of the city to accept donations to the city in an amount or of a value of up to \$5,000.00. The City Manager shall use the gift or may sell it and use the proceeds in accordance with the donor's intent. If there is no such intent, the money shall be added to the city's contingency account. Each month the City Manager shall send to the City Council a report of all donations that have been accepted.

(Ord. 1295 § 1, 1987; Ord. CS-221, 2013)

## CHAPTER 2.12 CITY MANAGER

### **§ 2.12.005. Office created—Appointment.**

The office of the City Manager is created and established. The City Manager shall be appointed by the City Council wholly on the basis of his or her administrative and executive ability and qualifications and shall hold office for and during the pleasure of the City Council.

(Ord. 1040 § 1; Ord. 1088 § 1; Ord. 1156 § 1, 1973)

### **§ 2.12.010. Residency requirements.**

Residence in the city at the time of appointment of a City Manager shall not be required as a condition of the appointment, but within 180 days after reporting for work, the City Manager must become a resident of the city unless the City Council approves his or her residence outside the city.

(Ord. 1040 § 2; Ord. 1156 § 2, 1973)

### **§ 2.12.015. Eligibility of councilmembers for position.**

No member of the City Council shall be eligible for appointment as City Manager until one year has elapsed after such council member has ceased to be a member of the City Council.

(Ord. 1040 § 2; Ord. 1156 § 3, 1973)

### **§ 2.12.025. Manager pro tempore—Acting City Manager.**

The Assistant City Manager shall serve as Manager Pro Tempore during any temporary absence or disability of the City Manager. In the event there is no Assistant City Manager, the City Manager, by filing a written notice with the City Clerk, shall designate another qualified city employee to exercise the powers and perform the duties of the City Manager during the City Manager's temporary absence or disability. In the event the City Manager's absence or disability extends beyond a two-month period, the City Council may, after the two-month period, appoint an acting City Manager. Notwithstanding the aforementioned provisions of this section, the City Manager may, by filing a written notice with the City Clerk, designate a qualified city employee to exercise the powers and perform the duties of the City Manager during the City Manager's temporary absence of a period less than two months.

(Ord. 1040 § 4; Ord. 1156 § 5, 1973; Ord. CS-309 § 3, 2016; Ord. CS-403 § 2, 2021)

### **§ 2.12.030. Compensation.**

The City Manager shall receive such compensation as the City Council shall from time to time determine.

In addition, the City Manager shall be reimbursed for all actual and necessary expenses incurred by him or her in the performance of his or her official duties.

On termination of employment of the City Manager by reason of involuntary removal from service other than for wilful misconduct in office, the City Manager shall receive cash severance pay in a lump sum equal to one month's pay for each of the first three years of continuous service or fraction thereof as City Manager, not to exceed a total of three months' pay, such pay to be computed at the highest salary received by the City Manager during his or her service with the city. Involuntary removal from service shall include reduction in pay not applicable to all employees of the city.

(Ord. 1040 § 5; Ord. 1156 § 6, 1973)

**§ 2.12.035. Powers and duties.**

The City Manager shall be the administrative head of the government of the city under the direction and control of the City Council except as otherwise provided in this chapter. The City Manager shall be responsible for the efficient administration of all the affairs of the city which are under his or her control. In addition to the City Manager's general powers as administrative head, and not as a limitation thereon, it shall be the City Manager's duty, and he or she shall have the powers set forth in the following subsections.

- A. Law Enforcement. It shall be the duty of the City Manager to enforce all laws and ordinances of the city and to see that all franchises, contracts, permits and privileges granted by the City Council are faithfully observed.
- B. Authority Over Employees. It shall be the duty of the City Manager, and he or she shall have the authority to control, order, and give directions to all heads of departments and to subordinate officers and employees of the city under his or her jurisdiction through their department heads.
- C. Power of Appointment and Removal. It shall be the duty of the City Manager to appoint, discipline, remove, promote and demote any and all officers and employees of the city, except the City Clerk, City Treasurer and City Attorney, and as provided in Section 2.44.050 of this title, subject to all applicable personnel ordinances, rules and regulations.
- D. Administrative Reorganization of Offices. It shall be the duty and responsibility of the City Manager to conduct studies and effect such administrative reorganization of offices, positions or units under his or her direction as may be indicated in the interest of efficient, effective and economical conduct of the city's business.
- E. Ordinances. It shall be the duty of the City Manager and he or she shall recommend to the City Council for adoption such policies, measures and ordinances as the City Manager deems necessary or expedient for the health, safety or welfare of the community.
- F. Attendance at Council Meetings. It shall be the duty of the City Manager to attend all meetings of the City Council unless at the City Manager's request he or she is excused therefrom by the Mayor individually or the City Council, except when his or her removal is under consideration. The City Manager may take part in all matters coming before the council.
- G. Financial Reports. It shall be the duty of the City Manager to keep the City Council at all times fully advised as to the financial conditions and needs of the city and make such recommendations as the City Manager may deem desirable.
- H. Budget and Salary Plan. It shall be the duty of the City Manager to prepare and submit the proposed annual budget and the proposed annual salary plan to the City Council, with a message describing important features thereof, and be responsible for its administration after adoption.
- I. Expenditure Control and Purchasing. It shall be the duty of the City Manager to see that no expenditures shall be submitted or recommended to the City Council except on approval of the City Manager or authorized representative. The City Manager, or authorized representative, shall be responsible for the purchase of all supplies, materials and equipment for all the departments or divisions of the city for which funds are provided in the annual budget, and prepare and submit to the council as of the end of the fiscal year a complete report on the finances and administrative activities of the city for the preceding year.
- J. Investigations and Complaints. It shall be the duty of the City Manager to make investigations into the affairs of the city and any department or division thereof, and any contract or the proper

performance of any obligations of the city; further, it shall be the duty of the City Manager to investigate all complaints in relation to matters concerning the administration of the city government and in regard to the service maintained by public utilities in the city.

- K. Public Buildings and City Property. It shall be the duty of the City Manager, and he or she shall exercise general supervision over all public buildings, public parks and all other public property, equipment and supplies, which are under the control and jurisdiction of the City Council.
- L. Additional Duties. It shall be the duty of the City Manager to perform such other duties and exercise such other powers as may be delegated to him or her from time to time by ordinance or resolution or other official action of the City Council.

The City Manager shall also act as the Executive Manager for the Municipal Water District. The Executive Manager shall be the administrative head for the water district and report directly to the Board of Directors.

(Ord. 1040 § 6; Ord. 1156 § 7, 1973; Ord. NS-160 § 1, 1991; Ord. NS-793 § 2, 2006)

#### **§ 2.12.040. Delegation of powers and duties.**

Unless otherwise prohibited by state law or a provision of a resolution or ordinance adopted by the City Council, all duties and powers granted to or imposed upon the City Manager may be delegated by the City Manager to other officers, department heads or management employees of the city as the City Manager deems appropriate.

(Ord. NS-793 § 3, 2006)

#### **§ 2.12.110. Council-Manager relations.**

The City Council and its members shall deal with the administrative services of the city only through the City Manager, except for the purpose of inquiry, and neither the City Council nor any member thereof shall give orders or instructions to any subordinates of the City Manager. The City Manager shall take his or her orders and instructions from the City Council only when sitting in a duly convened meeting of the City Council and no individual councilmember shall give any orders or instructions to the City Manager; however, any councilmember may, as an individual, request pertinent information on municipal affairs and citizen complaints from the City Manager and from department heads through the City Manager. These requests will be answered promptly.

(Ord. 1040 § 21; Ord. 1156 § 9, 1973)

#### **§ 2.12.115. Departmental cooperation.**

It shall be the duty of all subordinate officers and the City Clerk, City Treasurer and City Attorney to assist the City Manager in administering the affairs of the city efficiently, economically and harmoniously.

(Ord. 1040 § 22; Ord. 1156 § 10, 1973)

#### **§ 2.12.125. Attendance at Commission meetings.<sup>1</sup>**

The City Manager may attend any and all meetings of the Planning Commission, Parks and Recreation Commission, Harbor Commission, Library Commission, Traffic and Mobility Commission and any other commissions, boards or committees created by the City Council, upon the City Manager's own volition or

---

1. Editor's Note: As to meetings of the Library Commission, see Section 2.16.025 of this code; as to meetings of the Planning Commission, see Section 2.24.040; as to meetings of the Parks and Recreation Commission, see Section 2.36.060.

upon direction of the City Council. At such meetings which the City Manager attends, he or she shall be heard by such commissions, boards or committees as to all matters upon which the City Manager wishes to address the members thereof, and he or she shall inform the members as to the status of any matter being considered by the City Council, and the City Manager shall cooperate to the fullest extent with the members of all commissions, boards or committees appointed by the City Council.

(Ord. 1040 § 24; Ord. 1156 § 12, 1973; Ord. CS-356 § 2, 2019)

#### **§ 2.12.130. Removal of City Manager.**

The removal of the City Manager shall be effected only by a majority vote of the whole City Council as then constituted, convened in a regular council meeting. In case of the City Manager's intended removal by the City Council, the City Manager shall be furnished with a written notice citing the council's action to remove him or her at least 30 days before the effective date of his or her removal. If the City Manager so requests, the City Council shall provide in writing reasons for the removal, which shall be provided the City Manager within seven days after the receipt of such request from the City Manager, and at least 15 days prior to the effective date of such removal. After furnishing the City Manager with written notice of removal, the City Council may suspend him or her from duty, but his or her compensation shall continue until the date of his or her removal has been established by action of the council. The removal of the City Manager is subject to the following subsections:

- A. Hearing. Within seven days after the delivery to the City Manager of such notice of intention to remove, the City Manager may, by written notification to the City Clerk, request a hearing before the City Council. Thereafter, the City Council shall fix a time for the hearing which shall be held at its usual meeting place, but before the expiration of the 30-day period, at which the City Manager shall appear and be heard, with or without counsel.
- B. Suspension Pending Hearing. After furnishing the City Manager with written notice of intended removal, the City Council may suspend him or her from duty, but his or her compensation shall continue until his or her removal by action of the council passed subsequent to the aforesaid hearing.
- C. Discretion of Council. In removing the City Manager, the City Council shall use its uncontrolled discretion and its action shall be final and shall not depend upon any particular showing or degree of proof at the hearing, the purpose of which is to allow the City Manager to present to the City Council his or her grounds of opposition to his or her removal prior to its action.

(Ord. 1040 § 25; Ord. 1156 § 13, 1973)

#### **§ 2.12.135. Limitation on removal.**

Notwithstanding the provision of Section 2.12.130, the City Manager shall not be removed from office, other than for misconduct in office, during or within a period of 90 days next succeeding any general municipal election held in the city at which election a member of the City Council is elected or when a new City Councilmember is appointed. The purpose of this provision is to allow any newly elected or appointed member of the City Council or a reorganized City Council to observe the actions and ability of the City Manager in the performance of the powers and duties of the City Manager's office. After the expiration of the 90-day period, the provisions of Section 2.12.130 as to the removal of the City Manager shall apply and be effective.

(Ord. 1040 § 26; Ord. 1088 § 3; Ord. 1156 § 14, 1973)

#### **§ 2.12.140. Agreements on employment.**

Nothing in this chapter shall be construed as a limitation on the power or authority of the City Council to

enter into any supplemental agreement with the City Manager delineating additional terms and conditions of employment not inconsistent with any provisions of this chapter.

(Ord. 1156 § 15, 1973)

**§ 2.12.145. Resignation.**

The City Manager shall provide written notice, in the event of his or her resignation, to the City Council at least 30 days prior to his or her termination date. The City Council may waive this provision at their sole discretion.

(Ord. 1156 § 16, 1973)

## CHAPTER 2.14 CITY ATTORNEY

### **§ 2.14.010. Office created.**

The office of the City Attorney is created and established.

(Ord. 1212 § 1, 1978)

### **§ 2.14.020. Appointment—Qualifications.**

The City Attorney shall be appointed by the City Council wholly on the basis of his or her legal ability and experience, particularly in the municipal law field. The City Attorney shall be an attorney-at-law licensed to practice law in the state.

(Ord. 1212 § 1, 1978)

### **§ 2.14.030. Eligibility of council members for position.**

No member of the City Council shall be eligible for appointment as City Attorney until one year has elapsed after such council member has ceased to be a member of the City Council.

(Ord. 1212 § 1, 1978)

### **§ 2.14.040. Compensation.**

The City Attorney shall receive such compensation as the City Council shall from time to time determine.

In addition, the City Attorney shall be reimbursed for all actual and necessary expenses incurred by him or her in the performance of his or her official duties.

On termination of employment of the City Attorney by reason of involuntary removal from service other than for wilful misconduct in office, the City Attorney shall receive cash severance pay in a lump sum equal to one month's pay for each of the first three years of continuous service or fraction thereof as City Attorney, not to exceed a total of three months' pay, such pay to be computed at the highest salary received by the City Attorney during his or her service with the city. Involuntary removal from service shall include reduction in pay not applicable to all employees of the city.

(Ord. 1212 § 1, 1978)

### **§ 2.14.050. Powers and duties.**

The City Attorney shall be the chief legal officer of the city under the direction and control of the City Council. The City Attorney will also act as the legal counsel for the municipal water district (district), and report directly to the Board of Directors. Except as otherwise provided in this chapter, the City Attorney shall have the following responsibilities for both the city and district:

- A. Advise the City Council, its committees, its various boards and commissions or any city officer, when requested, upon all legal questions arising in the conduct of city business;
- B. Prepare or revise ordinances or resolutions when so requested by the City Council or by the City Manager;
- C. Make recommendations for ordinances, resolutions or other documents or procedures affecting the legal position of the city;

- D. Give his or her opinion upon any legal matter or question submitted to him or her by the City Council, any board or commission of the city, the City Manager, or any other city officer;
- E. Attend all City Council meetings, unless excused by the City Council, for the purpose of giving the City Council any legal advice requested by its members;
- F. Attend such meetings of other boards and commissions of the city as he or she shall deem necessary and proper or as the City Council may direct;
- G. Prepare for execution, or approve as to form, all contracts and instruments to which the city is a party, and approve as to form and for filing all bonds and insurance policies submitted to the city;
- H. Make the following reports:
  - 1. Immediately report the outcome of any litigation in which the city has an interest to the City Manager and the City Council;
  - 2. Make an annual report to the City Manager and the City Council as of July 31st of each year of all pending litigation in which the city has an interest and the condition thereof and of the state of his or her office;
- I. Enforce city laws and regulations through office hearings and court proceedings, both civil and criminal;
- J. Review and analyze all state and federal legislation affecting the city;
- K. Appear on behalf of the city before such legislative committees and regulatory agencies as the City Council may direct;
- L. Represent the city in all legal actions to which the city is a party and for which other arrangements for legal counsel have not been made;
- M. Perform such other duties as may be imposed by statute, by any ordinance of the city or by other action of the City Council;
- N. Deliver all records, documents and property of every description in his or her possession belonging to the City Attorney's office or to the city to his or her successor in office.

(Ord. 1212 § 1, 1978; Ord. NS-160 § 2, 1991)

#### **§ 2.14.060. Council-City Attorney relations.**

The City Attorney shall take his or her orders and instructions from the City Council only when sitting in a duly convened meeting of the City Council, and no individual council member shall give any orders or instructions to the City Attorney. However, any council member may, as an individual, request pertinent information on municipal affairs from the City Attorney. These requests will be answered promptly.

(Ord. 1212 § 1, 1978)

#### **§ 2.14.070. Departmental cooperation.**

It shall be the duty of all subordinate officers and the City Clerk, City Treasurer and City Manager to assist the City Attorney in carrying out the functions of his or her office.

(Ord. 1212 § 1, 1978)

**§ 2.14.080. Removal of City Attorney.**

The removal of the City Attorney shall be effected only by a majority vote of the whole City Council as then constituted, convened in a regular council meeting. In case of the City Attorney's intended removal by the City Council, the City Attorney shall be furnished with a written notice citing the council's action to remove him or her at least 30 days before the effective date of his or her removal. If the City Attorney so requests, the City Council shall provide in writing reasons for the removal, which shall be provided the City Attorney within seven days after the receipt of such request from the City Attorney, and at least 15 days prior to the effective date of such removal. After furnishing the City Attorney with written notice of removal, the City Council may suspend him or her from duty, but the City Attorney's compensation shall continue until the date of his or her removal has been established by action of the council. The removal of the City Attorney is subject to the following subsections:

- A. Hearing. Within seven days after the delivery to the City Attorney of such notice of intention to remove, the City Attorney may, by written notification to the City Clerk, request a hearing before the City Council. Thereafter, the City Council shall fix a time for the hearing which shall be held at its usual meeting place, but before the expiration of the 30-day period, at which the City Attorney shall appear and be heard, with or without counsel.
- B. Suspension Pending Hearing. After furnishing the City Attorney with written notice of intended removal, the City Council may suspend him or her from duty, but the City Attorney's compensation shall continue until his or her removal by action of the council passed subsequent to the aforesaid hearing.
- C. Discretion of Council. In removing the City Attorney, the City Council shall use its uncontrolled discretion and its action shall be final and shall not depend upon any particular showing or degree of proof at the hearing, the purpose of which is to allow the City Attorney to present to the City Council his or her grounds of opposition to his or her removal prior to its action.

(Ord. 1212 § 1, 1978)

**§ 2.14.090. Limitation on removal.**

Notwithstanding the provision of Section 2.14.080, the City Attorney shall not be removed from office, other than for misconduct in office, during or within a period of 90 days next succeeding any general or special municipal election held in the city, at which election a member of the City Council is elected or when a new City Council Member is appointed. The purpose of this provision is to allow any newly elected or appointed member of the City Council or a reorganized City Council to observe the actions and ability of the City Attorney in the performance of the powers and duties of his or her office. After the expiration of this 90-day period, the provisions of Section 2.14.080 as to the removal of the City Attorney shall apply and be effective.

(Ord. 1212 § 1, 1978)

**§ 2.14.100. Agreements on employment.**

Nothing in this chapter shall be construed as a limitation on the power or authority of the City Council to enter into any supplemental agreement with the City Attorney delineating additional terms and conditions of employment not inconsistent with any provisions of this chapter.

(Ord. 1212 § 1, 1978)

**§ 2.14.110. Resignation.**

The City Attorney shall provide written notice, in the event of his or her resignation, to the City Council at least 30 days prior to his or her termination date. The City Council may waive this provision at its sole discretion.

(Ord. 1212 § 1, 1978)

**§ 2.14.120. Management and control of office.**

The City Attorney shall have the management and control over his or her office subject to all applicable personnel ordinances, rules and regulations.

(Ord. 1212 § 1, 1978; Ord. NS-793 § 4, 2006)

**§ 2.14.130. Employment of special counsel.**

Whenever the City Council deems it to be in the best interests of the city, it may employ special counsel to handle particular legal matters of the city, upon such terms as the City Council shall deem proper.

(Ord. 1212 § 1, 1978)

**§ 2.14.140. Limitation upon private practice.**

The City Attorney shall not engage in the private practice of law without the consent of the City Council, and then only upon such conditions as the City Council may impose.

(Ord. 1212 § 1, 1978)

## CHAPTER 2.15 BOARDS AND COMMISSIONS

### **§ 2.15.010. Applicability of provisions.**

The general provisions of this chapter apply to all boards and commissions, except as otherwise specifically provided in the Charter or in the ordinance or resolution authorizing a specific board or commission. In the event of an inconsistency between the general provisions contained in this ordinance and the provisions contained in a specific enabling ordinance or resolution, the specific ordinance or resolution shall control. (Ord. CS-337 § 3, 2018)

### **§ 2.15.020. General functions, powers, and duties.**

- A. Each board or commission shall have the functions, powers, and duties as are granted to or bestowed upon it by this chapter, by ordinance or by resolution of the City Council.
- B. The City Council may, at any time, change the powers, functions and duties of any board or commission in any manner and to any extent as the City Council deems necessary.
- C. Each board or commission shall provide to the City Council for its approval an annual work plan of activities to be undertaken and a subsequent report of its accomplishments. If any board or commission seeks to amend its work plan prior to the annual approval date, then the board or commission may vote to submit the amendment to the City Council for approval and may also request a joint meeting if the board or commission deems it necessary to discuss the proposed amendments.
- D. Each board or commission will provide periodic written reports to the City Council which should include:
  1. Recent activities of the board or commission;
  2. Attendance at the board or commission's meetings;
  3. Any ad hoc subcommittees which the board or commission has formed;
  4. Any proposed amendments to the board or commission's work plan; and
  5. Any matters which the board or commission wishes to bring to the attention of the City Council or to have placed on a future City Council agenda.
- E. Each board or commission may organize ad hoc subcommittees of a limited duration to advise the board or commission concerning its functions and duties.
- F. Each board or commission shall do such other things as may from time to time be requested or approved by the City Council.
- G. Each board or commission shall meet in accordance with its approved regular meeting schedule, unless a meeting(s) is cancelled by the chair or the majority of the board or commission for a lack of agenda items, and each board or commission shall be subject to the Ralph M. Brown Act, Government Code Section 54950 et seq.
- H. All board or commission meetings shall be held in the City Council Chambers unless another public meeting room has been approved by the City Clerk.
- I. The City Manager shall designate a city employee as a liaison for each board or commission.

(Ord. CS-337 § 3, 2018)

**§ 2.15.030. Board and commission membership—Qualifications.**

- A. In addition to any qualifications or limitations imposed by law or contained in the authorizing ordinance or resolution for any specific board or commission, members of the boards and commission must meet the following minimum qualifications:
  - 1. Resident of the City of Carlsbad and a registered voter.
  - 2. Not currently an officer of or employed by the City of Carlsbad.
  - 3. Not currently a sole proprietor under contract with the city, or a consultant or employee of an entity under contract with the city, performing work that relates to the powers or duties of the board or commission.
  - 4. Not currently an officer, director, owner or principal of an entity under contract with the City of Carlsbad to perform work that relates to the powers or duties of the board or commission.
  - 5. Appointment would not violate any term limits applicable to the position sought.
- B. The City Council may consider, in its discretion, the following additional criteria in appointing members to the boards and commission:
  - 1. Prior participation in the Citizen's Academy.
  - 2. Recent experience and/or understanding of municipal government.
  - 3. Knowledge of subject matter governed by the board or commission.
  - 4. Ability to fairly and impartially represent community interests.
  - 5. Experience on other boards, commissions or committees.
  - 6. Geographical diversity of the membership of the board or commission.

(Ord. CS-337 § 3, 2018; Ord. CS-442 § 2, 2022)

**§ 2.15.040. Local appointments list.**

The City Clerk shall compile and publish a local appointments list in accordance with Government Code Section 54970 et seq.

(Ord. CS-337 § 3, 2018)

**§ 2.15.050. Appointments.**

- A. Appointments to the Planning Commission, Parks and Recreation Commission, Community-Police Engagement Commission, and traffic safety and mobility commission shall be made by the following process:
  - 1. The Mayor and each council member shall nominate one individual to serve on each of the commissions for a term coinciding with the term of the council member making the appointment. The Mayor shall nominate two additional individuals to serve on each of the Planning Commission, Parks and Recreation Commission, and traffic safety and mobility commission. All nominations shall be subject to ratification by a majority vote of the City

Council. If a nominee is not approved by a majority vote of the City Council, the council member making the nomination may nominate another individual at the same or a subsequent meeting. In the event that a member of the City Council does not make any nomination within 45 days of the date the council member is sworn into office or within 60 days of the occurrence of a vacancy, the appointment will be made by the Mayor with the approval of the City Council.

2. Although each member of the City Council elected by a district shall use his or her best efforts to appoint individuals residing in that district to these commissions, members of the City Council may appoint individuals not residing in their districts in their discretion in order to ensure that the most interested and qualified individuals serve on the commissions.
- B. Appointments to all other city boards and commissions shall be made by the Mayor with the approval of the City Council.

(Ord. CS-337 § 3, 2018; Ord. CS-342 § 2, 2018; Ord. CS-356 § 2, 2019; Ord. CS-441 § 2, 2022; Ord. CS-451 § 2, 2023)

#### **§ 2.15.060. Term.**

- A. Members of boards or commissions shall serve for a term of four years, unless otherwise specified in this chapter. Such members shall be eligible for reappointment at the expiration of their first term for one additional four-year term. The City Council will specify the effective date of the appointment.
- B. Unless otherwise specified in this chapter, members who are appointed to serve unexpired terms due to an unplanned vacancy shall serve to the end of the former incumbent's term.
- C. Except as otherwise specified in this chapter, a member may be appointed to serve a term of less than four years if the council determines that it is in the best interest of the board or commission that a member serve a shorter term in order to provide for appropriate staggered terms to preserve a continuity of membership on the board or commission.
- D. Except as otherwise specified in this chapter, if a member has been appointed to serve a term of less than two years, the member may be reappointed to serve on the same board or commission for up to two consecutive additional terms.

(Ord. CS-337 § 3, 2018)

#### **§ 2.15.070. Vacancies, removal and attendance.**

- A. Members of the city's boards, commissions and committees shall serve until reappointed or until the member's successor has been appointed, qualified and seated. If a vacancy occurs other than by the expiration of a term, the vacancy shall be filled in the same manner as the original appointment.
- B. Appointees to all of the city's boards and commissions shall serve at the pleasure of the City Council. Any member of a city board or commission may be removed at any time, with or without cause, by the affirmative vote of three members of the City Council.
- C. Any member of a city board or commission will forfeit their seat on the board or commission if the member no longer meets the qualifications specified in Section 2.15.030(A)(1)–(4).
- D. To assure participation of board and commission members, attendance by the members of the boards and commissions at all regularly scheduled and special meetings of the boards and commissions shall be recorded, and such record shall be provided annually to the City Council for review. A board or commission member may be removed by the affirmative vote of three members of the City Council

due to the member's absence from three consecutive regular meetings or from 25% of the duly scheduled meetings of the board or commission within any fiscal year, except in the case of absences due to illness or by permission of the board or commission as documented by the board or commission liaison.

(Ord. CS-337 § 3, 2018; Ord. CS-442 § 3, 2022)

**§ 2.15.080. Chair and vice chair.**

- A. Each board or commission shall appoint one of its members as chair to serve for a term of one year.
- B. The chair shall preside at all meetings of the board or commission.
- C. Each board or commission may also appoint one of its members as a vice chair to serve in the place and stead of the chair during the chair's absence.
- D. The chair and vice chair shall be subject to removal at any time, for any or no reason, by a majority vote of the board or commission.

(Ord. CS-337 § 3, 2018)

**§ 2.15.090. Procedural rules and regulations.**

All boards and commissions shall conduct their meetings pursuant to the rules contained in Carlsbad Municipal Code Chapter 1.20 and any additional rules and regulations developed by the City Clerk working in conjunction with the board or commission.

(Ord. CS-337 § 3, 2018)

**§ 2.15.100. Quorum.**

Unless otherwise specifically provided in this chapter, a majority of the total number of members of the board or commission shall be necessary to constitute a quorum for a board or commission to take action.

(Ord. CS-337 § 3, 2018)

**§ 2.15.110. Relationship with city departments and staff liaisons.**

So far as is practicable, and subject to approval of the City Manager, the services of the various city departments shall be made available by the heads of each department to the board or commission, to the extent it is necessary to enable it to perform its functions, powers, and duties.

Staff liaisons are generally responsible for accurate meeting notices and record keeping, communicating between the board or commission and other city staff, assisting the committee in executing the council approved work plan, gathering public input, assisting the board or commission in staying focused on noticed agenda items and maintaining a positive work relationship with the board or commission.

The liaisons do not work "for" or "at the direction" of the board or commission. Instead, the liaisons are professionals who work for the City Manager and with the boards and commissions to develop information and recommendations for the City Council within the scope of an approved work plan.

(Ord. CS-337 § 3, 2018)

**§ 2.15.120. Members—Compensation.**

Unless specifically appropriated and approved by the City Council, all members of the city's boards, commissions and committees shall serve without compensation.

(Ord. CS-337 § 3, 2018)

**CHAPTER 2.16  
BOARD OF LIBRARY TRUSTEES**

**§ 2.16.005. Created.**

The Board of Library Trustees is created to manage the city library.

(Ord. NS-169 § 7, 1991; Ord. CS-036 § 1, 2009)

**§ 2.16.010. Membership—Appointment—Terms.**

The Board of Library Trustees shall consist of five members, appointed by the Mayor with the approval of the City Council. The trustee shall serve a four-year term. Trustees may serve no more than two complete terms. If a vacancy occurs as a result of a trustee leaving the Board before the end of the trustee's term, the successor shall serve for the remaining term of his or her predecessor.

(Ord. NS-176 § 7, 1991; Ord. CS-036 § 1, 2009)

**§ 2.16.025. Monthly meetings.**

Boards of library trustees shall meet at least once a month at such times and places as they may fix by resolution.

(Ord. 1072 § 6; Ord. CS-036 § 1, 2009)

**§ 2.16.030. Special meetings.**

Special meetings may be called at any time by three trustees, by written notice served upon each member at least three hours before the time specified for the proposed meeting.

(Ord. 1072 § 7; Ord. CS-036 § 1, 2009)

**§ 2.16.035. Quorum.**

A majority of the Board shall constitute a quorum for the transaction of business.

(Ord. 1072 § 8; Ord. CS-036 § 1, 2009)

**§ 2.16.040. President.**

The Board shall appoint one of its members president, who shall serve for one year and until his or her successor is appointed, and in his or her absence, shall select a president pro tempore. The president shall serve as chair of the Board, and in his or her absence, the president pro tempore shall serve as vice-chair of the Board.

(Ord. 1072 § 9; Ord. CS-036 § 1, 2009)

**§ 2.16.045. Record of proceedings.**

The Board of Library Trustees shall cause a proper record of its proceedings to be kept.

(Ord. 1072 § 10; Ord. CS-036 § 1, 2009)

**§ 2.16.050. Rules, regulations and bylaws for the administration of the Board.**

The Board of Library Trustees may make and enforce all rules, regulations and bylaws necessary for the administration of the Board of Library Trustees and all property belonging thereto.

(Ord. 1072 § 11; Ord. CS-036 § 1, 2009; Ord. CS-174 § 2, 2012)

**§ 2.16.055. Administration of trusts—Receipt, holding and disposal of property.**

Subject to City Council approval, the Board of Library Trustees may administer any trust declared or created for the benefit of the library, and receive by gift, devise, or bequest and hold in trust or otherwise, property situated in this state or elsewhere, and where not otherwise provided, dispose of the property for the benefit of the library.

(Ord. 1072 § 12; Ord. CS-036 § 1, 2009)

**§ 2.16.060. Recommendations to City Council.**

The Board of Library Trustees may make recommendations to the City Council and advise the City Council in matters pertaining to the following:

- A. The duties and powers of the librarian and other library employees;
- B. The number of employees;
- C. The purchase of equipment, real estate and buildings;
- D. The advisability and desirability of facilities of the city library;
- E. The amounts of moneys required to operate the library;
- F. Policies related to the administration of the city library.

(Ord. 1072 § 13; Ord. CS-036 § 1, 2009; Ord. CS-174 § 3, 2012)

**§ 2.16.070. Purchase of real property—Erection or rental and equipment of buildings or rooms.**

Subject to City Council approval, the Board of Library Trustees shall have the authority to purchase real property, and erect or rent and equip, such buildings or rooms as may be necessary, providing they have sufficient funds in the "library trust fund" provided for in Section 3.24.020.

(Ord. 1072 § 15; Ord. CS-036 § 1, 2009)

**§ 2.16.075. State publications.**

The Board of Library Trustees may request the appropriate state officials to furnish the library with copies of any and all reports, laws and other publications of the state not otherwise disposed of by law.

(Ord. 1072 § 16; Ord. CS-036 § 1, 2009)

**§ 2.16.080. Borrowing library materials.**

The Board of Library Trustees shall authorize the library and cultural arts director to borrow library materials from, lend library materials to, and exchange library materials with other libraries, and may allow residents and nonresidents to borrow library materials upon such condition as the Board may prescribe.

(Ord. 1072 § 17; Ord. CS-036 § 1, 2009; Ord. CS-164 § 16, 2011)

**§ 2.16.085. Incidental powers of Board.**

The Board of Library Trustees may do and perform any and all other acts and things necessary or proper to carry out the provisions of this chapter. The Board of Library Trustees shall further have the power to promulgate and adopt rules and regulations pertaining to the city library.

(Ord. 1072 § 18; Ord. CS-036 § 1, 2009; Ord. CS-174 § 4, 2012)

**§ 2.16.090. Annual report.**

The Board of Library Trustees, or if there is no Board of trustees, then the Library and Cultural Arts Director shall, on or before September 30, in each year, report to the legislative body of the municipality and to the state librarian on the condition of the library, for the year ending the 30th day of June preceding. The reports shall, in addition to other matters deemed expedient by the Board of Trustees or Library and Cultural Arts Director, contain such statistical and other information as is deemed desirable by the state librarian. For this purpose, the state librarian may send to the several Boards of Trustees or Library and Cultural Arts Director instructions or question blanks so as to obtain the material for a comparative study of library conditions in the state.

(Ord. 1072 § 19; Ord. CS-036 § 1, 2009; Ord. CS-164 § 16, 2011)

**§ 2.16.095. Safety, preservation and application of funds not payable into library trust fund.**

If payment into the library trust fund or other fund is inconsistent with the conditions or terms of any gift, devise or bequest, the Board of Library Trustees shall provide for the safety and preservation of the funds, and the application thereof to the use of the library in accordance with the terms and conditions of the gift, devise or bequest.

(Ord. 1072 § 22; Ord. CS-036 § 1, 2009)

**§ 2.16.105. Free use of library by residents and nonresident taxpayers—Exclusions.**

Every city library established pursuant to this chapter shall be forever free to the residents and nonresident taxpayers of the municipality, subject always to such rules and regulations as may be made by the Board of Library Trustees. Any person who violates any rule or regulation may be fined or excluded from the privileges of the library.

(Ord. 1072 § 24; Ord. CS-036 § 1, 2009)

**§ 2.16.110. Contracts for lending books with neighboring municipalities or county—Compensation.**

The Board of Library Trustees and the legislative body of any neighboring municipality or the Board of Supervisors of the county in which the public library is situated, may contract for lending the books of the library to residents of the county or neighboring municipality, upon a reasonable compensation to be paid by the county or neighboring municipality.

(Ord. 1072 § 25; Ord. CS-036 § 1, 2009)

**§ 2.16.115. Title to property.**

The title to all property acquired for the purposes of the library, when not inconsistent with the terms of its acquisition, or otherwise designated, vests in the municipality in which the library is situated, and in the name of the municipal corporation may be sued for and defended by action at law or otherwise. The City Council may authorize title to any property acquired for the purposes of the library to be vested in the Board of Library Trustees.

(Ord. 1072 § 26; Ord. 1076 § 1; Ord. CS-036 § 1, 2009)

**CHAPTER 2.18  
CARLSBAD ARTS COMMISSION**

**§ 2.18.010. Created.**

The Carlsbad Arts Commission is created as an advisory body to the City Council.  
(Ord. CS-124 § 2, 2011; Ord. CS-446 § 2, 2023)

**§ 2.18.020. Purpose.**

The purpose of the Carlsbad Arts Commission is to advise the City Council on arts and culture related matters and implementation of the arts element of the Carlsbad General Plan.  
(Ord. CS-124 § 3, 2011; Ord. CS-268 § 1, 2015; Ord. CS-446 § 2, 2023)

**§ 2.18.030. Membership.**

The Carlsbad Arts Commission shall consist of seven members on staggered terms appointed pursuant to Section 2.15.050(B).  
(Ord. CS-124 § 4, 2011; Ord. CS-446 § 2, 2023)

**§ 2.18.100. Powers and duties generally.**

The Carlsbad Arts Commission shall:

- A. Encourage and advocate for the arts;
- B. Provide assistance and guidance to the cultural arts office regarding arts programming, public art and arts-related educational programming;
- C. Make recommendations to the City Council regarding policies related to arts programming, public art and arts-related educational programming;
- D. Provide a forum for citizen concerns regarding art issues;
- E. Provide financial assistance whenever feasible to groups or individuals who provide public arts programming to the citizens;
- F. Make recommendations to the City Council for the planning and development of new or augmented arts facilities as may be needed;
- G. Make recommendations to the City Council regarding all works of art to be acquired by the city, either by purchase, gift or otherwise, and their proposed locations;
- H. Make recommendations to the City Council regarding the conservation, restoration, relocation or disposition of works of art in the city's possession;
- I. Determine a method or methods of recommending the selection and commissioning of artists with respect to the design, execution and placement of works of art for which appropriations have been made, and pursuant to such method or methods, recommend to the City Council selection of artists by contract for such purposes.

(Ord. CS-124 § 11, 2011; Ord. CS-446 § 2, 2023)

**§ 2.18.110. Appropriations for arts.**

- A. All city departments shall include in all estimates of necessary expenditures and all requests for authorizations or appropriations for construction projects, an amount for works of art equal to at least one percent of the total cost of any such construction project as estimated in the city's capital improvement program for the year in which such estimate or request is made. If there are legal restrictions on the source of funding with respect to any particular project which precludes art as an object of expenditure of funds, the amount of funds so restricted shall be excluded from the total project cost in making the required estimate.
- B. The City Council may make appropriations for works of art in connection with construction projects as provided in this chapter.
- C. "Construction project" means any of the following:
1. Construction, reconstruction, or renovation in excess of \$500,000.00, involving any publicly owned, leased, or operated facility including any plant, building, structure, utility system, real property, streets and highways, or other public work improvement.
  2. Street or streetscape improvement projects other than street repair or reconstruction. In the case of streetscape and right-of-way enhancement projects, streetscape means an improvement to a public right-of-way, including a sidewalk, tree, light fixture, sign, and furniture. Some funding sources, such as sources restricted to "transportation purposes" or "direct construction costs" may prohibit formula-based expenditures for art. Thus, one percent for art will not be collected from those sources. However, the City Council may provide funding for public art for street or streetscape improvements from general fund revenues on a case-by-case basis.
  3. In the case of a publicly owned utility system, "construction project" shall include only the construction, erection, and improvement, of dams, reservoirs, and power plants.
- D. For the purposes of the art in public places program, "construction project" does not mean any of the following maintenance work:
1. Routine, recurring, and usual work for the preservation or protection of any publicly owned or publicly operated facility (see Section 2.18.110(C)(1)) for its intended purposes.
  2. Resurfacing of streets and highways.
  3. Landscape maintenance, including mowing, watering, trimming, pruning, planting, replacement of plants, and servicing of irrigation and sprinkler systems.
  4. Work performed to keep, operate, and maintain publicly owned water, power, or waste disposal systems, including, but not limited to, dams, reservoirs, and power plants.
- E. Annually, the administrative services branch of the City of Carlsbad will verify the one percent for public art allocation for all eligible capital improvement program projects has been included in the budgeted amounts for City Council approval. As an alternative, where funding for eligible projects is restricted and cannot be used for public art, the City Council may appropriate one percent for art funding from the general capital construction fund or the general fund. The funds for art allocations may be used for projects located at the direct site of the capital improvement program project, or pooled for other future public art projects identified by the Cultural Arts Manager and Carlsbad Arts Commission. The park in lieu fee funded one percent for art allocations must be used for artwork at a park within the same quadrant where the fee was paid.
- F. Any funds realized from the disposition of objects in the city's art in public places collection shall be

used for the benefit of the city's art in public places collection; specifically, for the purposes of acquiring, restoring and refurbishing public art. Notwithstanding the preceding sentence, the City Council shall have the discretion to appropriate any funds realized from the disposition of objects in the city's art in public places collection for other purposes.

(Ord. CS-124 § 12, 2011; Ord. CS-268 § 3, 2015; Ord. CS-446 § 2, 2023)

**§ 2.18.120. Selection and placement of works of art.**

- A. The selection of artists, commissioning of artworks, acceptance of donated artworks, and placement of works of art shall be governed by the art in public places program as developed and adopted by the Carlsbad Arts Commission and the City Council.
- B. The Carlsbad Arts Commission shall have the power to promulgate and adopt rules and regulations pertaining to the art in public places program.

(Ord. CS-124 § 13, 2011; Ord. CS-268 § 4, 2015; Ord. CS-446 § 2, 2023)

**§ 2.18.130. No delegation of legislative authority.**

Nothing in this chapter shall be construed as restricting any of the powers of the City Council, or as a delegation to the Carlsbad Arts Commission of any of the authority or discretionary powers vested and imposed by law in the City Council. The City Council declares that the public interest requires the establishment of a Carlsbad Arts Commission to act in a purely advisory capacity to the City Council for the purposes enumerated in this chapter. Any power herein delegated to the Carlsbad Arts Commission to adopt rules and regulations shall not be construed as a delegation of legislative authority but purely a delegation of administrative authority.

(Ord. CS-124 § 14, 2011; Ord. CS-446 § 2, 2023)

## CHAPTER 2.24 PLANNING COMMISSION

### **§ 2.24.010. Created.**

Pursuant to Section 65100 of the California Government Code a Planning Commission for the city is created and established.

(Ord. 1020 § 1; Ord. CS-040 § I, 2009; Ord. CS-367 § 2, 2019)

### **§ 2.24.020. Composition—Appointment.**

The Planning Commission shall consist of seven members to be appointed pursuant to Section 2.15.050, and of three ex officio members who shall be the City Engineer, the City Attorney and the City Planner. For the purposes of the Planning Commission Membership, "City Engineer" means the City Engineer or Deputy City Engineer, land development engineering.

(Ord. 1020 § 2; Ord. 1157 § 1, 1973; Ord. 1200 § 1, 1977; Ord. 1256 § 1, 1982; Ord. NS-676 §§ 1, 2, 2003; Ord. CS-040 § I, 2009; Ord. CS-164 §§ 10, 14, 2011; Ord. CS-367 § 2, 2019; Ord. CS-389 § 4, 2021)

### **§ 2.24.030. Duties.**

In addition to the duties specified by this chapter, the Planning Commission shall perform the duties and have all the rights, powers and privileges specified and provided for by city or state law.

(Ord. 1020 § 6; Ord. 9424 § 1, 1975; Ord. CS-040 § I, 2009; Ord. CS-333 § 1, 2018; Ord. CS-367 § 2, 2019)

### **§ 2.24.040. General plan conformance—Time for or waiver of report.**

A. The Planning Commission shall not be required to report as to conformity with the general plan regarding real property acquired by dedication or otherwise for street, square, park or other public purposes, the disposition of real property, vacated or abandoned streets, and the construction or authorization of a public building or structure. The City Council shall make a finding of consistency with the general plan when approving any of the above.

B. The Planning Commission shall not be required to make a general plan consistency finding for the list of proposed public works recommended for planning, initiation or construction during the ensuing fiscal year for the city's capital improvement program. The City Council shall make the general plan consistency finding when approving the city's annual capital improvement program or any amendments thereto.

(Ord. 9424 § 2, 1975; Ord. CS-040 § I, 2009; Ord. CS-071 § 1, 2009; Ord. CS-367 § 2, 2019)

## CHAPTER 2.28 TRAFFIC SAFETY AND MOBILITY COMMISSION

### **§ 2.28.010. Created.**

A traffic safety and mobility commission for the city is established.

(Ord. 1106 § 1, 1968; Ord. 1262, 1983; Ord. NS-169 § 4, 1991; Ord. CS-214, 2013; Ord. CS-356 § 2, 2019; Ord. CS-451 § 3, 2023)

### **§ 2.28.020. Membership.**

The traffic safety and mobility commission shall consist of seven members appointed pursuant to Section 2.15.050(A).

(Ord. CS-451 § 3, 2023)

### **§ 2.28.050. Duties.**

It shall be the duty of the traffic safety and mobility commission to study matters concerning mobility and traffic safety, including implementation of the General Plan Mobility Element, and to make written recommendations to the City Council and Planning Commission regarding measures that should be taken to promote mobility and traffic safety within the city as follows:

- A. Review staff studies and reports, and make recommendations to the City Council and Planning Commission on mobility and traffic safety matters, including, but not limited to, those related to pedestrian, bicycle, vehicular, and transit modes of travel, and parking and school safety;
- B. Provide a public forum to review community input regarding mobility and traffic safety matters, including, but not limited to, those related to pedestrian, bicycle, vehicular, and transit modes of travel, and parking and school safety;
- C. Review and provide recommendations for revision to the city codes and plans on mobility and traffic safety matters, including, but not limited to, pedestrian, bicycle, vehicular, and transit modes of travel, and parking and school safety.

(Ord. 1106 § 5, 1968; Ord. 1262, 1983; Ord. NS-9 § 1, 1988; Ord. CS-214, 2013; Ord. CS-356 § 2, 2019; Ord. CS-451 § 3, 2023)

### **§ 2.28.060. Powers delegated to commission to be advisory.**

Nothing in this chapter shall be construed as restricting any of the powers of the City Council, or as a delegation to the traffic safety and mobility commission of any of the authority or discretionary powers vested and imposed by law in the City Council. The City Council declares that the public interest, convenience and welfare require the appointment of a traffic safety and mobility commission to act in a purely advisory capacity to the City Council for the purposes enumerated. Any power herein delegated to the commission to adopt rules and regulations shall not be construed as a delegation of legislative authority but purely a delegation of administrative authority.

(Ord. CS-451 § 3, 2023)

**CHAPTER 2.30  
COMMUNITY-POLICE ENGAGEMENT COMMISSION**

**§ 2.30.010. Created.**

A Community-Police Engagement Commission is created.

(Ord. CS-441 § 3, 2022)

**§ 2.30.020. Purpose.**

The purpose of the Commission is to provide a cooperative and collaborative forum for the community and police leadership to learn and discuss the challenges of modern-day policing and provide a community perspective about public safety challenges. The Commission will work collaboratively with the Police Chief to provide advice, support, and recommendations relating to current or newly considered policies and programs with an overarching goal of building trust and fostering strong police-community relations.

The Commission shall have no authority to direct the conduct of any department, including the police department, to review or advise upon personnel matters related to individual peace officers or to review confidential peace officer personnel files. It is not the purpose of this Commission to review or comment upon items staff will present to the City Council, unless the item is referred to the Commission by the City Council or City Manager.

(Ord. CS-441 § 3, 2022)

**§ 2.30.030. Membership—Term—Qualification.**

The Community-Police Engagement Commission shall consist of five members to be appointed pursuant to Section 2.15.050(A) with staggered terms as provided in Section 2.15.060. In addition to those qualifications provided by Section 2.15.030, the City Council may consider the following additional criteria in appointing members to the Commission:

1. A demonstrated ability to be open minded, impartial, objective, and unbiased;
2. An absence of any real or perceived bias, prejudice, or conflict of interest;
3. A record of community involvement;
4. An ability to build constructive working relationships and communicate effectively with diverse groups;
5. A demonstrated commitment to the purpose of the Commission with an eye toward fostering positive police-community relationships;
6. Attendance at the Carlsbad Citizens Police Academy.

Persons with ongoing litigation against the city related to police matters shall be ineligible to serve on the Commission. In addition, current Carlsbad Police Department employees and their parents or children are ineligible to serve on the Commission.

(Ord. CS-441 § 3, 2022)

**§ 2.30.040. Training.**

- A. Following appointment to the Commission, members shall receive training on the following:

1. The authority and responsibilities associated with their role as a Commission member;
  2. City policies and legal requirements governing Commission meetings; and
  3. Carlsbad Police Department policies, procedures, and practices.
- B. In addition, as soon as reasonably practical, ideally within the first six months of their appointment, Commission members shall attend or observe the following:
1. Police officer use of force training, including defensive tactics and scenario-based training;
  2. Police officer implicit bias training;
  3. Police officer training related to interaction with people in mental health crisis;
  4. At least two ride-alongs with the Carlsbad Police Department, one of which should be with the homeless outreach team; and
  5. A presentation from the city's homeless services coordinator.

(Ord. CS-441 § 3, 2022)

#### **§ 2.30.050. Meetings.**

The Community-Police Engagement Commission shall establish a regular time and place of meetings and shall hold not less than one meeting per quarter. The majority of the appointed members shall constitute a quorum for the purpose of transacting the business of the Commission.

Each regular meeting agenda shall include an item allowing the Police Chief or designee to provide a police department update, including a report on any notable past or upcoming events the police department is planning for and relevant data, such as crime analysis and police response data.

(Ord. CS-441 § 3, 2022)

#### **§ 2.30.060. Duties.**

The Commission's duties are to:

1. Promote productive communication and interaction between the City of Carlsbad Police Department and community;
2. Provide a forum for police leadership to inform the Commission and public of police initiatives, challenges, and data relating to police activity;
3. Educate the community and receive community feedback regarding policing standards and expectations;
4. Create additional community access to public safety information;
5. Recommend changes or improvements to Carlsbad Police Department policies, procedures or training;
6. Review new or proposed Carlsbad Police Department programs to evaluate how those programs might impact the Carlsbad community, including disenfranchised and marginalized communities;
7. Provide a forum for presentations by police leadership on matters that receive high media interest or come to the attention of the Commission.

(Ord. CS-441 § 3, 2022)

**§ 2.30.080. Powers delegated to Commission to be advisory.**

Nothing in this chapter shall be construed as restricting or curtailing any of the powers of the City Council, or as a delegation to the Community-Police Engagement Commission of any of the authority or discretionary powers vested and imposed by law in the City Council. The City Council declares that the public interest, convenience and welfare require the appointment of a Community-Police Engagement Commission to act in a purely advisory capacity to the City Council for the purposes enumerated. Any power herein delegated to the Commission to adopt rules and regulations shall not be construed as a delegation of legislative authority but purely a delegation of administrative authority.

(Ord. CS-441 § 3, 2022)

## CHAPTER 2.34 BEACH PRESERVATION COMMISSION

### **§ 2.34.010. Created.**

A Beach Preservation Commission for the city is established.

(Ord. CS-452 § 2, 2023)

### **§ 2.34.020. Membership.**

The Beach Preservation Commission shall consist of seven members appointed pursuant to Section 2.15.050(B).

(Ord. CS-452 § 2, 2023)

### **§ 2.34.030. Duties.**

The Beach Preservation Commission shall investigate, research, and make recommendations to the City Council and the City Manager on general coastal topics, studies, and programs, including, but not limited to, the following:

- A. Protecting and enhancing the shoreline (e.g., littoral cells, and sea level rise);
- B. Preventing beach erosion; and
- C. Preserving and maintaining beaches for the safety and optimum enjoyment of the public.

(Ord. CS-452 § 2, 2023)

### **§ 2.34.040. Powers delegated to Commission to be advisory.**

Nothing in this chapter shall be construed as restricting any of the powers of the City Council, or as a delegation to the Beach Preservation Commission of any of the authority or discretionary powers vested and imposed by law in the City Council. The City Council declares that the public interest, convenience and welfare require the appointment of a Beach Preservation Commission to act in a purely advisory capacity to the City Council for the purposes enumerated. Any power herein delegated to the Commission to adopt rules and regulations shall not be construed as a delegation of legislative authority but purely a delegation of administrative authority.

(Ord. CS-452 § 2, 2023)

**CHAPTER 2.36  
PARKS AND RECREATION COMMISSION**

**§ 2.36.010. Created.**

A Parks and Recreation Commission for the city is created.

(Ord. 1025 § 1; Ord. CS-453 § 2, 2023)

**§ 2.36.020. Membership.**

The Parks and Recreation Commission shall consist of seven members appointed pursuant to Section 2.15.050(A).

(Ord. 1025 § 2; Ord. CS-453 § 2, 2023)

**§ 2.36.070. Duties.**

The Parks and Recreation Commission shall:

- A. Make recommendations to the City Council and advise the City Council in matters pertaining to the creation, operation, maintenance, management and control of community recreation programs, playgrounds and recreation activities and facilities.
- B. Advise and make recommendations to the City Council on matters pertaining to planting, trimming, pruning, and care of all trees, shrubs or plants and the removal of all objectionable trees, shrubs and plants in any city park.
- C. Review all tree-related issues and make recommendations to the City Council regarding the needs of the city with respect to its tree planting, replacement, maintenance and preservation programs.
- D. Make recommendations to the City Council on policies, regulations and ordinances pertaining to the care and protection of public trees and the selection of specific species of trees for planting along city streets, including the development of a community forest management plan for the city.
- E. In accordance with Section 11.12.150 of this code, hear appeals from decisions of the City Manager acting through the Parks and Recreation Director or designee, regarding the planting or removal of street trees.
- F. Adopt rules and regulations pertaining to the cutting, trimming, pruning, planting, removal or interference with any tree, shrub or plant upon any street, park, boulevard, alley or public place of the city.

(Ord. 1025 §§ 7, 9; Ord. NS-547 §§ 1, 2, 2000; Ord. CS-072 § 1, 2009; Ord. CS-453 § 2, 2023)

**§ 2.36.090. Funds—Disposition of money.**

- A. Funds Generally. The Parks and Recreation Commission is authorized to and may receive donations, gifts, legacies, endowments or bequests made to the city or to the commission for or on behalf of the city for the acquisition of parks and recreation facilities and the construction, maintenance and operation of any of the foregoing facilities, subject to the approval of the City Council.
- B. Gifts Paid to City Treasurer. All donations, gifts, legacies, endowments or bequests received by the Commission shall be turned over to the City Treasurer, and shall be kept in a special fund to be designated as the Parks and Recreation Fund.

- C. Parks and Recreation Fund. The City Council shall establish a fund to be known as the "Parks and Recreation Fund." There shall be deposited to and expended from this fund all fees or moneys received by the Commission, including the proceeds from all gifts, legacies or bequests as set forth in subsection B and including the proceeds of other sources managed or controlled by the Commission and derived by it in connection with the operation of the public recreational activities and facilities under its jurisdiction. All moneys in the fund shall be used for the promotion, supervision and operation of public recreation, and not otherwise, and if not used during any current year shall accumulate in the Parks and Recreation Fund.
- D. Carrillo Ranch Trust. A special trust fund is hereby established to receive and hold donations of money, artifacts, and memorabilia for the Carrillo Ranch. Proposed donations shall be referred to the Parks and Recreation Commission for a recommendation before acceptance by the City Council. All donations accepted in the trust must be used exclusively for purposes relating to the development, operation, and maintenance of the Carrillo Ranch.

(Ord. 1025 § 10; Ord. NS-113 § 1, 1990; Ord. CS-453 § 2, 2023)

**§ 2.36.110. Powers delegated to Commission to be advisory.**

Nothing in this chapter shall be construed as restricting any of the powers of the City Council, or as a delegation to the Parks and Recreation Commission of any of the authority or discretionary powers vested and imposed by law in the City Council. The City Council declares that the public interest, convenience and welfare require the appointment of a Parks and Recreation Commission to act in a purely advisory capacity to the City Council for the purposes enumerated. Any power herein delegated to the Commission to adopt rules and regulations shall not be construed as a delegation of legislative authority but purely a delegation of administrative authority.

(Ord. 1025 § 12; Ord. CS-453 § 2, 2023)

## CHAPTER 2.38 SENIOR COMMISSION

### **§ 2.38.010. Created.**

A Senior Commission of the city is created.

(Ord. 1282 § 1, 1985; Ord. NS-45 § 1, 1988; Ord. CS-454 § 2, 2023)

### **§ 2.38.020. Membership.**

The Senior Commission shall consist of five members appointed pursuant to Section 2.15.050(B).

(Ord. 1282 § 1, 1985; Ord. NS-45 § 1, 1988; Ord. NS-169 § 5, 1991; Ord. CS-454 § 2, 2023)

### **§ 2.38.040. Duties.**

The Senior Commission shall make recommendations to the City Council and advise the City Council on the special needs and concerns of seniors, including the creation, operation, maintenance, management and control of senior programs, activities and facilities.

(Ord. 1282 § 1, 1985; Ord. NS-45 § 1, 1988; Ord. CS-454 § 2, 2023)

### **§ 2.38.050. Funds—Disposition of money.**

The Senior Commission is authorized to receive donations, gifts, legacies, endowments or bequests made to the city or to the Commission for or on behalf of the city, subject to the approval of the City Council. All donations, gifts, legacies, endowments or bequests so received by the Commission shall be turned over to the City Treasurer and shall be kept in a special fund to be designated as the "Senior Fund." All moneys in the fund shall be used for promotion, supervision and operation of senior programs. No moneys in the fund shall be spent without prior authorization of the City Council.

(Ord. 1282 § 1, 1985; Ord. NS-45 § 1, 1988; Ord. CS-454 § 2, 2023)

### **§ 2.38.060. Powers delegated to Commission to be advisory.**

Nothing in this chapter shall be construed as restricting any of the powers of the City Council, or as a delegation to the Senior Commission of any of the authority or discretionary powers vested and imposed by law in the City Council. The City Council declares that the public interest, convenience and welfare require the appointment of a Senior Commission to act in a purely advisory capacity to the City Council for the purposes enumerated. Any power herein delegated to the Commission to adopt rules and regulations shall not be construed as a delegation of legislative authority but purely a delegation of administrative authority.

(Ord. 1282 § 1, 1985; Ord. NS-45 § 1, 1988; Ord. CS-454 § 2, 2023)

## CHAPTER 2.40 HOUSING COMMISSION

### **§ 2.40.010. Created.**

Pursuant to Section 34291 of the California Health and Safety Code, a Housing Commission is created as an advisory body to the City Council and Community Development Commission.  
(Ord. NS-467 § 1, 1999; Ord. CS-199 § 1, 2013; Ord. CS-455 § 2, 2023)

### **§ 2.40.020. Membership.**

The Housing Commission shall consist of five members appointed pursuant to Section 2.15.050(B).

In addition to the qualifications outlined in Section 2.15.030, two members of the Housing Commission shall be tenants assisted by the Carlsbad Housing Authority, one of which shall be at least 62 years of age. The remaining three members shall, to the extent possible, have experience and expertise within one or more of the following areas: development, construction, real estate, social services, housing advocacy, planning, architecture or finance. To the extent possible, the Commission members shall be representative of the four districts of the city. If a tenant member ceases to be a tenant assisted by the Housing Authority, or if any Commission member moves out of the City of Carlsbad, that member will forfeit their seat and the vacancy will be filled according to the procedures in Section 2.15.070.

(Ord. NS-467 § 1, 1999; Ord. CS-455 § 2, 2023)

### **§ 2.40.060. Duties.**

- A. The Housing Commission shall advise and make recommendations to the Community Development Commission (the governing body of the Carlsbad Housing Authority) and/or the City Council on the following matters:
  1. Establishment of or amendments to affordable housing programs, policies and regulations;
  2. Adoption of or amendments to the Housing Element of the General Plan, and related strategies or programs;
  3. Review of project concept and affordability objectives of off-site combined projects as defined by Chapter 21.85 of this code and located outside of the master plan area, specific plan area or subdivision which has the inclusionary housing requirement;
  4. Requests for financial assistance and/or incentives for the development of affordable housing projects;
  5. Requests to sell affordable housing credits for alternative methods to satisfy an inclusionary housing obligation;
  6. Establishment of or amendments to programs and services that aim to prevent, reduce and manage homelessness in the City of Carlsbad;
  7. Other special assignments as requested by the Community Development Commission or City Council as related to the development of affordable housing, community development and homelessness programs, or regional and state policies and legislation.
- B. The Commission shall annually report to the City Council on the status and progress of affordable housing and homelessness programs.

(Ord. NS-467 § 1, 1999; Ord. CS-199 § 1, 2013; Ord. CS-371 § 2, 2020; Ord. CS-455 § 2, 2023)

**§ 2.40.080. Relocation appeals Board.**

Pursuant to Government Code Section 7266, the Housing Commission is designated as the Relocation Appeals Board for the City of Carlsbad and the Carlsbad Municipal Water District to hear and determine (subject to appeal to the appropriate governing body) complaints regarding relocation and compliance with applicable local, state and federal relocation assistance laws and regulations.

(Ord. NS-574 § 1, 2001; Ord. CS-455 § 2, 2023)

## CHAPTER 2.42 HISTORIC PRESERVATION COMMISSION

### **§ 2.42.010. Created.**

A Historic Preservation Commission of the city is created.

(Ord. NS-433 § 1, 1997; Ord. CS-438 § 2, 2022)

### **§ 2.42.020. Membership.**

Membership on the Historic Preservation Commission shall consist of five regular members appointed pursuant to Section 2.15.050(B), and one non-voting, ex officio representative from the Planning Commission.

(Ord. NS-433 § 1, 1997; Ord. CS-438 § 2, 2022)

### **§ 2.42.040. Duties.**

Duties of the Historic Preservation Commission are as follows:

- A. The Commission shall act in an advisory capacity to the City Council, Planning Commission, and Housing Commission in all matters relating to the identification, protection, retention, and preservation of historic resources within the city.
- B. It shall be the responsibility of the Commission to provide advice to the City Council on the following matters:
  1. The designation of historic resources and historic districts;
  2. Recommending properties of historical significance for listing in the National Register of Historic Places or the California Register of Historical Resources;
  3. Different ways to increase the public's understanding of and involvement in historic preservation programs including the promotion and dissemination of public information, education, and interpretive programs pertaining to historical areas and sites;
  4. Cooperation with local, county, state, and federal governments in pursuit of the objectives of historic preservation;
  5. The approval, conditional approval, or denial of preservation benefits and incentives; and
  6. Any other matter necessary to identify or protect historical resources.
- C. The Commission shall be responsible for:
  1. Investigating and reporting to the City Council on the use of various federal, state, local, or private funding sources available to promote historic preservation in the city;
  2. Rendering advice and guidance, upon the request of the property owner or occupant, on any matter related to historic, cultural or architectural resources;
  3. As part of the environmental review of development projects affecting historic buildings or structures, as identified in the environmental study, the Commission may review and comment upon the adequacy of the environmental document during the public review period under the California Environmental Quality Act or the National Environmental Policy Act. Absent a

request for an extension of the public review period, the Commission's failure to comment within the advertised public review period shall indicate that the Commission has no comment to make; and

4. Performing any other functions that may be designated by the City Council.  
(Ord. NS-433 § 1, 1997; Ord. CS-438 § 2, 2022)

## CHAPTER 2.44 PERSONNEL

### **§ 2.44.010. Adoption of personnel merit—System for classified service.**

In order to establish an equitable and uniform procedure for dealing with personnel matters; to attract to municipal service the best and most competent persons available; to assure that appointments and promotions of employees will be based on merit and fitness as determined by competitive test; and to provide a reasonable degree of security for qualified employees, the following personnel merit system is adopted for positions in the classified service.

(Ord. 1120 § 1, 1970; Ord. NS-793 § 8, 2006)

### **§ 2.44.020. Personnel officer.**

The City Manager will be the personnel officer. The City Manager may delegate any of the powers and duties conferred upon him or her as personnel officer under this chapter to any other officer or employee of the city or may recommend that such powers and duties be performed under contract as provided in Section 2.44.140. The personnel officer will:

- A. Administer all provisions of this chapter and of the personnel rules not specifically reserved to the council;
- B. Prepare and recommend to the council, revisions and amendments to the personnel rules. The City Attorney will approve the legality of such revisions and amendments prior to their submission to the council;
- C. Prepare or cause to be prepared a position classification plan, including class specifications, and revisions of the plan. For classifications in the classified service, the plan, and any revisions thereof, will become effective upon approval by the council; for classifications not in the classified service, the plan, and any revisions thereof, will become effective upon approval by the personnel officer;
- D. Prepare or cause to be prepared, a plan of compensation, and any subsequent revisions to it, covering all classifications in the classified service. The plan, and any revisions thereof, will become effective upon approval by the council;
- E. Publish or post notices of examinations for positions in the classified service; receive applications; conduct and score examinations and certify to the appointing power a list of all persons eligible for appointment to the appropriate position in the classified service.

(Ord. 1120 § 2, 1970; Ord. NS-793 §§ 5, 6, 7, 9, 10, 2006; Ord. CS-336 § 2, 2018)

### **§ 2.44.030. City service.**

The provisions of this chapter will apply to all offices, positions and employees in the service of the city, except:

- A. Elective officers;
- B. Members of appointive boards, commissions and committees;
- C. Persons engaged under contract to supply expert, professional or technical services for a definite period of time;
- D. Volunteer personnel who receive no regular compensation from the city;

- E. City Manager;
- F. City Attorney;
- G. All positions listed on the management salary range schedule;
- H. All positions listed on the part-time salary range schedule;
- I. All positions listed on the non-management unclassified salary range schedule;
- J. Emergency employees who are hired to meet the immediate requirements of any emergency condition, such as extraordinary fire, flood or earthquake which threatens life or property;
- K. Hourly employees, other than those listed elsewhere in this section, who are expected to or do work less than 1,000 hours in any one fiscal year; and
- L. Temporary positions which are authorized by the City Council and are of limited duration.  
(Ord. 1120 § 3, 1970; Ord. 1166 § 1, 1974; Ord. 1186 § 1, 1975; Ord. 1196 § 1, 1976; Ord. 1211 § 1, 1978; Ord. 1219 § 1, 1979; Ord. 1225 § 1, 1979; Ord. 1261 § 3, 1983; Ord. NS-93 § 1, 1989; Ord. NS-159 § 1, 1991; Ord. NS-793 § 5, 2006; Ord. CS-404 § 2, 2021)

#### **§ 2.44.035. Volunteers and contractors.**

The provisions of this chapter do not apply to and are not intended to confer any employment rights or benefits on volunteers or persons under contract to supply expert, professional, technical or other services for the city.

(Ord. NS-793 § 12, 2006)

#### **§ 2.44.040. Rule adoption and amendment.**

Personnel rules, prepared by the personnel officer subject to this chapter and to revisions by the council, will be adopted, and may be amended from time to time, by resolution of the council. The rules will establish specific procedures and regulations governing the following phases of the personnel system:

- A. Preparation, installation, revision, and maintenance of a position classification plan covering all positions in the classified service, including employment standards and qualifications for each class;
- B. Preparation, revision, and administration of a plan of compensation directly correlated with the position classification plan, providing a rate or range of pay for each class;
- C. Public announcement of all tests and the acceptance of applications for employment;
- D. Preparation and conduct of tests and the establishment and use of resulting employment lists containing names of persons eligible for appointment;
- E. Certification and appointment of persons from employment lists, and making of part-time, temporary, and emergency appointments;
- F. Evaluation of employees during the probationary period;
- G. Transfer, promotion, demotion, reinstatement, disciplinary action and layoff of employees in the classified service;
- H. Separation of employees from the classified service;

- I. Standardization of hours of work, attendance and leave regulations, working conditions, and the development of employees' morale, welfare and training;
- J. Suitable provision for orderly and equitable presentations to the City Manager and to the City Council by employees relating to general conditions of employment, including the establishment of appeals procedures;
- K. The establishment of adequate personnel records;
- L. The provision of a grievance procedure for classified employees.

(Ord. 1120 § 4, 1970; Ord. 1130 § 1, 1971; Ord. 1182 § 1, 1975; Ord. NS-793 §§ 5, 6, 2006)

#### **§ 2.44.050. Appointments.**

- A. Appointments to vacant positions in the classified service will be made in accordance with the personnel rules. Appointments and promotions will be based on merit and fitness to be ascertained so far as practicable by competitive examinations. Examinations will be used and conducted to aid in the selection of qualified employees, and will consist of recognized selection techniques such as achievement aptitude tests and other written tests, personal interviews, performance tests, physical agility tests, evaluations of daily work performance, or any combination of these, which will, in the opinion of the personnel officer, test fairly the qualifications of candidates. Physical and medical tests may be given as a part of any examination when otherwise permitted by state and federal law. In any examination, the personnel officer may include, in addition to competitive tests, a qualifying test or tests, and set minimum standards therefor.
- B. Appointments of department heads and other employees who are not part of the classified service will be made by the City Manager, except as otherwise provided in this title.
- C. Notwithstanding the above, the City Attorney will have appointing power for vacant positions in the City Attorney's office.
- D. Department heads may appoint and remove officers and employees in their respective departments or areas of supervision, upon written authorization of the City Manager and subject to the applicable provisions of this chapter and the personnel rules.

(Ord. 1120 § 5, 1970; Ord. 1211 § 2, 1978; Ord. NS-93 § 2, 1989; Ord. NS-793 §§ 5, 6, 13, 2006)

#### **§ 2.44.060. Probationary period.**

- A. All regular appointments, including promotional appointments, will be for a probationary period of not less than six months except as otherwise indicated. During the probationary period, the employee may be rejected at any time without the right of appeal or hearing. For newly employed uniformed police and fire personnel, the minimum probationary period will be not less than one full year.
- B. An employee rejected during the probationary period from a position to which the employee has been promoted will be reinstated to the position from which such employee has been promoted, unless the employee is dismissed from the classified service as provided in this chapter and the rules.
- C. An employee in the classified service promoted or transferred to a position not included in the classified service will be reinstated to the position from which the employee was promoted or transferred if, within six months after such promotion or transfer, action is taken to reject or dismiss the employee, unless the employee is discharged in the manner provided in this chapter and the personnel rules for positions in the classified service.

(Ord. 1120 § 6, 1970; Ord. NS-793 §§ 5, 6, 7, 14, 2006)

**§ 2.44.070. Status of present employees.**

Any person holding a position included in the classified service who, on the effective date of the ordinance codified in this chapter will have served continuously in such position, or in some other position in the classified service, for a period equal to the probationary period prescribed in the rules for his or her class, will assume regular status in the classified service in the position held on such effective date without qualifying test, and will thereafter be subject in all respects to the provisions of the ordinance codified in this chapter and the personnel rules.

Any other persons holding positions in the classified service will be regarded as probationers who are serving out the balance of their probationary periods as prescribed in the rules before obtaining regular status. The probationary period will be computed from the first day of the first full calendar month after date of appointment or employment.

(Ord. 1120 § 7, 1970; Ord. NS-793 §§ 5, 6, 2006)

**§ 2.44.080. Applicability of rules to certain exempt positions.**

The provisions of the personnel rules relating to the attendance and leaves will apply to the incumbents of full-time exempt positions.

(Ord. 1120 § 8, 1970; Ord. NS-793 § 5, 2006)

**§ 2.44.090. Abolition of position.**

Whenever in the judgment of the City Manager it becomes necessary in the interest of economy or because the necessity for the position or employment involved no longer exists, then the City Manager may abolish any position or employment in the classified service and layoff, demote, or transfer an employee holding such position or employment without filing written charges and without the right of appeal.

The names of probationary and permanent employees laid off will be placed upon reemployment lists for classes which, in the opinion of the personnel officer, require basically the same qualifications and duties and responsibilities of those of the class of position from which layoff was made.

Names of persons laid off will be placed upon reemployment lists in order of their continuous cumulative time and will remain on such lists for a period of one year unless reemployed sooner.

(Ord. 1120 § 10, 1970; Ord. NS-793 §§ 5, 6, 7, 2006)

**§ 2.44.095. Right of appeal.**

Any employee in the classified service will have the right to appeal to a hearing officer any disciplinary action or alleged violation of this chapter or the personnel rules, except in those instances where the right of appeal is specifically prohibited by this chapter or the personnel rules.

(Ord. 1179 § 1, 1975; Ord. NS-793 §§ 5, 15, 2006; Ord. NS-883 § 4, 2008)

**§ 2.44.100. Political activity.**

Any person holding an office or employed in the city will conform to the pertinent provisions of state law.  
(Ord. 1120 § 11, 1970; Ord. NS-793 §§ 5, 16, 2006)

**§ 2.44.110. Political activities not affected.**

This chapter does not prevent any officer or employee from:

- A. Becoming or continuing to be a member of a political club or organization;
- B. Attending a political meeting;
- C. Enjoying entire freedom from all interference in casting his or her vote;
- D. Seeking signatures to any initiative or referendum petition directly affecting his or her rates of pay, hours of work, retirement, or other working conditions;
- E. Distributing badges, pamphlets, dodgers, or handbills, or other participation in any campaign in connection with such petition, provided such activities are not carried on during hours of work or when dressed in the uniform required in any department of the city government. The violation of this provision constitutes grounds for discharge.

(Ord. 1120 § 12, 1970; Ord. NS-793 § 18, 2006)

**§ 2.44.120. Discrimination.**

All employees and applicants for employment in the city will not be subject to discrimination or harassment on any basis protected by state or federal law.

(Ord. 1120 § 13, 1970; Ord. NS-793 §§ 5, 6, 19, 2006)

**§ 2.44.130. Solicitation of contributions.**

No officer, agent, or employee, under the government of the city, and no candidate for any city office will, directly or indirectly, solicit or receive, or be in any manner concerned in soliciting or receiving, any assessment, subscription, contribution, or political service, whether voluntary or involuntary, for any political purpose whatsoever, from anyone on the employment lists or holding any position under the provisions of this chapter.

No officer or employee in the city service will, directly or indirectly solicit or receive, or be in any manner concerned in soliciting or receiving, any assessment, subscription, or contribution, whether voluntary or involuntary, for any purpose affecting his or her working conditions, from any person other than an officer or employee in the city service.

(Ord. 1120 § 14, 1970; Ord. NS-793 §§ 5, 7, 2006)

**§ 2.44.140. Right to contract for special service.**

The City Manager will consider and make recommendations to the City Council regarding the extent to which the city should contract for the performance of technical services in connection with the establishment or operation of the personnel system. The council may contract with any qualified person or agency for the performance of all or any of the following responsibilities and duties imposed by this chapter:

- A. The preparation of personnel rules and subsequent revisions and amendments thereof;
- B. The preparation of a position classification plan, and subsequent revisions and amendments thereof;
- C. The preparation of a plan of compensation, and subsequent revisions and amendments thereof;

- D. The preparation, conduct, and grading of competitive tests;
- E. Special and technical services of advisory or informational character on matters relating to personnel administration.

(Ord. 1120 § 15, 1970; Ord. NS-793 § 5, 2006)

**§ 2.44.150. Appropriation of funds.**

The council will appropriate such funds as are necessary to carry out the provisions of this chapter.  
(Ord. 1120 § 16, 1970; Ord. NS-793 § 5, 2006)

## CHAPTER 2.48 EMPLOYER-EMPLOYEE RELATIONS

**Note: Prior ordinance history: Ord. Nos. 1181, 1199, 1206, 1225, 1231, 1238, 1246, 1250, 1261, NS-117, NS-159, NS-291, and NS-676.**

### **§ 2.48.010. Title.**

The ordinance codified in this chapter will be known as the employer-employee relations ordinance of the city.

(Ord. NS-793 § 17, 2006)

### **§ 2.48.020. Statement of purpose.**

The purpose of this chapter is to implement Chapter 10, Division 4, Title 1 of the Government Code of the state (Sections 3500, et seq.) captioned "Public Employee Organizations," by providing orderly procedures for the administration of employer-employee relations between the city and its employee organizations and for resolving disputes regarding wages, hours, and other terms and conditions of employment.

(Ord. NS-793 § 20, 2006)

### **§ 2.48.030. Rules and regulations.**

The City Council may adopt such rules and regulations necessary or convenient to implement the provisions of this chapter and Chapter 10, Division 4, Title 1 of the Government Code of the state.

(Ord. NS-793 § 21, 2006)

### **§ 2.48.040. Construction.**

- A. Nothing in this chapter will be construed to deny any person or employee the rights granted by federal or state laws.
- B. The rights, powers and authority of the City Council in all matters, including the right to maintain any legal action, will not be modified or restricted by this chapter.
- C. The provisions of this chapter are not intended to conflict with the provisions of Chapter 10, Division 4, Title 1 of the Government Code of the state (Sections 3500, et seq.).

(Ord. NS-793 § 22, 2006)

### **§ 2.48.050. Severability.**

If any provision of this chapter or the application of such provision to any person or circumstance is held invalid, the remainder of this chapter or the application of such provision to persons or circumstances other than those as to which it is held invalid will not be affected thereby.

(Ord. NS-793 § 23, 2006)

**CHAPTER 2.52  
ACCESS TO CRIMINAL RECORDS**

**§ 2.52.010. Criminal conduct—Ineligibility for license and permits—Authorized access to records.**

Whenever any section of this code requires disqualification from any permit or license issued pursuant to this code because of the conviction, including pleas of guilty or nolo contendere, of a felony or a misdemeanor, then, pursuant to Section 11105 of the Penal Code of the State of California, the following officers of the city are authorized to have access to, and to utilize, State Summary Criminal History Information when needed to assist them in fulfilling the licensing or permit issuing duties set forth in this code:

- A. City Council;
- B. Chief of police;
- C. City Clerk;
- D. City Attorney;
- E. Assistant City Attorney;
- F. City Manager;
- G. Any other person designated by the chapter of this code which establishes the disqualification.  
(Ord. 1214 § 1, 1979)

**§ 2.52.020. Criminal conduct—Ineligibility for employment—Authorized access to records.**

Whenever any section of this code or any resolution of the City Council requires disqualification from any position of employment by the city, then, pursuant to Section 11105 of the California Penal Code, the following officers of the city are authorized to have access to, and to utilize, State Summary Criminal History Information when needed to assist them in fulfilling employment duties set forth in this code or by such resolution:

- A. City Council;
- B. City Manager;
- C. Personnel Director;
- D. City Attorney;
- E. Assistant City Attorney;
- F. Any other officer or employee of the city to whom the City Manager has delegated any of the powers and duties conferred upon him or her as personnel officer.  
(Ord. 1214 § 1, 1979)

## CHAPTER 3.04 TAXES—ASSESSMENT AND COLLECTION

### **§ 3.04.010. Transfer of city tax function to county.**

The duties of assessment and tax collection shall be transferred to and shall be performed by the county assessor and the county tax collector, respectively.

(Ord. 1010 § 1)

### **§ 3.04.020. Payment of tax moneys to city.**

All taxes levied and collected by the county for the city shall be paid by warrant of the county auditor to the City Treasurer subject to Section 3.04.030.

(Ord. 1010 § 3)

### **§ 3.04.030. Cost of collection.**

The county auditor is authorized to deduct the cost of collection of city taxes. The amount of the cost of collection shall be determined by the Board of Supervisors; provided, however, that in no event shall the cost of collection exceed one percent for collecting the first \$25,000.00 of taxes, and not more than one-quarter percent for all taxes collected over \$25,000.00.

(Ord. 1010 § 4)

### **§ 3.04.040. Transfer of authority to City Clerk.**

All duties and powers authorized by general statutes of the state or by ordinances of the city that would have vested in the office of city assessor, other than the assessing of property within the city, shall be transferred to and shall be performed by the City Clerk.

(Ord. 1010 § 5)

### **§ 3.04.050. Transfer of authority to Chief of Police.**

All duties and powers authorized by general statutes of the state or by ordinances of the city that would have vested in the office of city tax collector, other than the collection of taxes, shall be transferred to and shall be performed by the Chief of Police.

(Ord. 1010 § 6)

## CHAPTER 3.08 UNIFORM SALES AND USE TAXES

### **§ 3.08.010. Short title.**

This chapter shall be known as the "Uniform Local Sales and Use Tax Ordinance."  
(Ord. 1160 § 1, 1973)

### **§ 3.08.020. Rate.**

The rate of sales tax and use tax imposed by this chapter shall be one percent.  
(Ord. 1160 § 1, 1973)

### **§ 3.08.030. Operative date.**

This chapter shall be operative on January 1, 1974.  
(Ord. 1160 § 1, 1973)

### **§ 3.08.040. Purpose.**

The City Council declares that the ordinance codified herein is adopted to achieve the following, among other, purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

- A. To adopt a sales and use tax ordinance which complies with the requirements and limitations contained in Part 1.5 of Division 2 of the Revenue and Taxation Code;
- B. To adopt a sales and use tax ordinance which incorporates provisions identical to those of the Sales and Use Tax Law of the state insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.5 of Division 2 of the Revenue and Taxation Code;
- C. To adopt a sales and use tax ordinance which imposes a tax and provides a measure therefor that can be administered and collected by the State Board of Equalization in a manner that adopts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the State Board of Equalization in administering and collecting the California state sales and use taxes;
- D. To adopt a sales and use tax ordinance which can be administered in a manner that will, to the degree possible consistent with the provisions of Part 1.5 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting city sales and use taxes and at the same time minimize the burden of record keeping upon persons subject to taxation under the provisions of this chapter.

(Ord. 1160 § 1, 1973)

### **§ 3.08.050. Contract with state.**

Prior to the operative date, this city shall contract with the State Board of Equalization to perform all functions incident to the administration and operation of the sales and use tax ordinance codified herein; provided, that if this city has not contracted with the State Board of Equalization prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract rather than the first day of the first calendar quarter following the adoption of the ordinance codified herein.

(Ord. 1160 § 1, 1973)

**§ 3.08.060. Sales tax.**

For the privilege of selling tangible personal property at retail, a tax is imposed upon all retailers in the city at the rate stated in Section 3.08.020 of this code of the gross receipts of the retailer from the sale of all tangible personal property sold at retail in this city on and after the operative date.

(Ord. 1160 § 1, 1973)

**§ 3.08.070. Place of sale.**

For the purposes of this chapter, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his/her agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the state or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the State Board of Equalization.

(Ord. 1160 § 1, 1973)

**§ 3.08.080. Use tax.**

An excise tax is imposed on the storage, use or other consumption in this city of tangible personal property purchased from any retailer on and after the operative date for storage, use or other consumption in the city at the rate stated in Section 3.08.020 of this code of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

(Ord. 1160 § 2, 1973)

**§ 3.08.090. Adoption of provisions of state law.**

Except as otherwise provided in this chapter and except insofar as they are inconsistent with the provisions of Part 1.5 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 of Division 2 of the Revenue and Taxation Code are adopted and made a part of this chapter as though fully set forth herein.

(Ord. 1160 § 2, 1973)

**§ 3.08.100. Limitations on adoption of state law.**

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, wherever the State of California is named or referred to as the taxing agency, the name of this city shall be substituted therefor. The substitution, however, shall not be made when the word "State" is used as part of the title of the State Controller, the State Treasurer, the State Board of Control, the State Board of Equalization, the State Treasury or the Constitution of the State of California; the substitution shall not be made when the result of that substitution would require action to be taken by or against the city, or any agency thereof, rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this chapter; the substitution shall not be made in those sections, including, but not necessarily limited to, sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the state under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or to impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the

state under the provisions of that code; the substitution shall not be made in Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code; and the substitution shall not be made for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 or in the definition of that phrase in Section 6203.

(Ord. 1160 § 2, 1973)

**§ 3.08.110. Permit not required.**

If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional seller's permit shall not be required by this chapter.

(Ord. 1160 § 2, 1973)

**§ 3.08.120. Exclusions and exemptions.**

- A. The amount subject to tax shall not include any sales or use tax imposed by the State of California upon a retailer or consumer.
- B. The storage, use, or other consumption of tangible personal property, the gross receipts from the sale of which have been subject to tax under a sales and use tax ordinance enacted in accordance with Part 1.5 of Division 2 of the Revenue and Taxation Code by any city and county, county, or city, in this state shall be exempt from the tax due under this chapter.
- C. There are exempted from the computation of the amount of the sales tax the gross receipts from the sale of tangible personal property to operators of aircraft to be used or consumed principally outside the city in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this state, the United States, or any foreign government.
- D. In addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code the storage, use, or other consumption of tangible personal property purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this state, the United States, or any foreign government is exempted from the use tax.

(Ord. 1160 § 2, 1973; Ord. 1267 § 1, 1983)

**§ 3.08.130. Exclusions and exemptions.**

- A. The amount subject to tax shall not include any sales or use tax imposed by the State of California upon a retailer or consumer.
- B. The storage, use, or other consumption of tangible personal property, the gross receipts from the sale of which have been subject to tax under a sales and use tax ordinance enacted in accordance with Part 1.5 of Division 2 of the Revenue and Taxation Code by any city and county, county, or city in this state shall be exempt from the tax due under this chapter.
- C. There are exempted from the computation of the amount of the sales tax the gross receipts from the sale of tangible personal property to operators of waterborne vessels to be used or consumed principally outside the city in which the sale is made and directly and exclusively in the carriage of persons or property in such vessels for commercial purposes.
- D. The storage, use, or other consumption of tangible personal property purchased by operators of

waterborne vessels and used or consumed by such operators directly and exclusively in the carriage of persons or property of such vessels for commercial purposes is exempted from the use tax.

- E. There are exempted from the computation of the amount of the sales tax the gross receipts from the sale of tangible personal property to operators of aircraft to be used or consumed principally outside the city in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this state, the United States, or any foreign government.
- F. In addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code the storage, use, or other consumption of tangible personal property purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this state, the United States, or any foreign government is exempted from the use tax.

(Ord. 1160 § 2, 1973; Ord. 1267 § 1, 1983)

#### **§ 3.08.140. Application of provisions relating to exclusions and exemptions.**

- A. Section 3.08.120 shall be operative January 1, 1984.
- B. Section 3.08.130 shall be operative on the operative date of any act of the Legislature of the State of California which amends Section 7202 of the Revenue and Taxation Code or which repeals and reenacts Section 7202 of the Revenue and Taxation Code to provide an exemption from city sales and use taxes for operators of waterborne vessels in the same, or substantially the same, language as that existing in subdivisions (i)(7) and (i)(8) of Section 7202 as those subdivisions read on October 1, 1983.

(Ord. 1160 § 2, 1973; Ord. 1267 § 1, 1983)

#### **§ 3.08.150. Amendments.**

All subsequent amendments of the Revenue and Taxation Code which relate to the sales and use tax and which are not inconsistent with Part 1.5 of Division 2 of the Revenue and Taxation Code shall automatically become a part of this chapter.

(Ord. 1160 § 2, 1973)

#### **§ 3.08.160. Enjoining collection forbidden.**

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the state or this city, or against any officer of the state or this city, to prevent or enjoin the collection under this chapter, or Part 1.5 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

(Ord. 1160 § 2, 1973)

#### **§ 3.08.170. Penalties.**

Any person violating any of the provisions of this chapter shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than \$500.00 or by imprisonment for a period of not more than six months, or by both such fine and imprisonment.

(Ord. 1160 § 2, 1973)

**§ 3.08.180. Severability.**

If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the remainder of the chapter and the application of such provision to other persons or circumstances shall not be affected thereby.

(Ord. 1160 § 2, 1973)

## CHAPTER 3.12 TRANSIENT OCCUPANCY TAX

### **§ 3.12.010. Short title.**

This chapter shall be known as the uniform transient occupancy tax regulations of the city.

(Ord. 1087 § 1)

### **§ 3.12.020. Definitions.**

Except where the context otherwise requires, the definitions given in this section govern the construction of this chapter, as follows:

"Hotel" means any structure, or any portion of any structure, which is occupied or intended or designed for occupancy by transients for dwelling, lodging or sleeping purposes and includes any hotel, inn, tourist home or house, motel, studio hotel, bachelor hotel, lodginghouse, rooming house, apartment house, dormitory, public or private club, mobile home or house trailer at a fixed location or other similar structure or portion thereof. Hotel shall also include a private campground where only a site and accompanying facilities are rented;

"Occupancy" means the use or possession, or the right to use or possession of any room or rooms or campsite or sites or portion thereof in any hotel for dwelling, lodging or sleeping purposes;

"Operator" means the person who is proprietor of the hotel, whether in the capacity of owner, lessee, sublessee, mortgagee in possession, licensee or any other capacity. Where the operator performs his or her functions through a managing agent of any type or character other than an employee, the managing agent shall also be deemed an operator for the purpose of this chapter and shall have the same duties and liabilities as his or her principal. Compliance with the provisions of this chapter by either the principal or the managing agent shall, however be considered to be compliance by both;

"Person" means any individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation, estate, trust, business trust, receiver, trustee, syndicate or any other group or combination acting as a unit;

"Rent" means the consideration charged, whether or not received, for the occupancy of space in a hotel valued in money, whether to be received in money, goods, labor or otherwise, including all receipts, cash, credits and property and services of any kind of nature, without any deduction therefrom whatsoever;

"Tax Administrator" means the City Finance Director;

"Transient" means any person who exercises occupancy or is entitled to occupancy by reason of concession, permit, right of access, license or other agreement for a period of 30 consecutive calendar days or less, counting portions of calendar days as full days. Any such person so occupying space in a hotel shall be deemed to be a transient until the period of 30 days has expired unless there is an agreement in writing between the operator and the occupant providing for a longer period of occupancy. In determining whether a person is a transient, uninterrupted periods of time extending both prior and subsequent to the effective date of the ordinance codified in this chapter may be considered.

(Ord. 1087 § 2; Ord. 1269 §§ 1—3, 1984; Ord. 1275 § 1, 1985; Ord. 1287 §§ 1, 2, 1986)

### **§ 3.12.030. Imposition—Amount—Where payable.**

For the privilege of occupancy in any hotel, each transient is subject to and shall pay a tax in the amount of nine percent of the rent charged by the operator. After January 1, 1990, the tax shall be 10% for such rent. The tax constitutes a debt owed by the transient to the city which is extinguished only by payment to the

operator or to the city. The transient shall pay the tax to the operator of the hotel at the time the rent is paid. If the rent is paid in installments, a proportionate share of the tax shall be paid with each installment. The unpaid tax shall be due upon the transient's ceasing to occupy space in the hotel. If for any reason the tax due is not paid to the operator of the hotel, the Tax Administrator may require that such tax shall be paid directly to the Tax Administrator.

(Ord. 1087 § 3; Ord. 1113 § 1, 1969; Ord. 1190 § 1, 1976; Ord. NS-8 § 1, 1988; Ord. NS-52 § 1, 1989)

#### **§ 3.12.040. Exemptions.**

No tax shall be imposed upon:

- A. Any person as to whom, or any occupancy as to which, it is beyond the power of the city to impose the tax provided in this chapter;
- B. Any federal or state officer or employee when on official business;
- C. Any officer or employee of a foreign government who is exempt by reason of express provision of federal law or international treaty.

No exemption shall be granted except upon a claim therefor made at the time rent is collected and under penalty of perjury upon a form prescribed by the Tax Administrator.

(Ord. 1087 § 4)

#### **§ 3.12.050. Operator's duties.**

Each operator shall collect the tax imposed by this chapter to the same extent and at the same time as the rent is collected from every transient. If the operator collects the rent but fails to collect the tax imposed by this chapter for any reason, the city shall require the operator to pay such tax. The amount of tax shall be separately stated from the amount of the rent charged and each transient shall receive a receipt for payment from the operator. A duplicate of this receipt shall be kept by the operator in accordance with Section 3.12.110. No operator of a hotel shall advertise or state in any manner, whether directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the operator, or that it will not be added to the rent, or that, if added, any part will be refunded except in the manner hereinafter provided. Each operator shall account monthly, for taxable rents and for taxes collected. Each operator shall notify the Tax Administrator within 10 days upon the cessation of business for any reason and shall make his or her books and records available for audit.

(Ord. 1087 § 5; Ord. 1275 § 2, 1985)

#### **§ 3.12.060. Transient occupancy registration certificate.**

Within 30 days after August 20, 1964, or within 30 days after commencing business, whichever is later, each operator of any hotel renting occupancy to transients shall register such hotel with the Tax Administrator and obtain from him or her a "transient occupancy registration certificate" to be at all times posted in a conspicuous place on the premises. Such certificate shall, among other things, state the following:

- A. The name of the operator;
- B. The address of the hotel;
- C. The date upon which the certificate was issued;

D. This transient occupancy registration certificate signifies that the person named on the face hereof has fulfilled the requirements of the uniform transient occupancy tax chapter by registering with the Tax Administrator for the purpose of collecting from transients the transient occupancy tax and remitting such tax to the Tax Administrator. This certificate does not authorize any person to conduct any unlawful business or to conduct any lawful business in an unlawful manner, nor to operate a hotel without strictly complying with all local applicable laws, including, but not limited to, those requiring a permit from any board, commission, department or officer of this city. It is unlawful to operate a hotel in the city without a currently valid certificate.

(Ord. 1087 § 6; Ord. 1285 § 1, 1985)

**§ 3.12.070. Remitting and reporting.**

- A. All operators shall remit monthly the full amount of taxes collected on the appropriate return form provided by the Tax Administrator and a return shall be filed quarterly.
- B. Returns filed quarterly and taxes remitted monthly and actually received by the Tax Administrator on or before the last day of the following month shall be deemed timely filed and remitted; otherwise, the taxes are delinquent and subject to the penalties imposed by Section 3.12.080.
- C. Each operator reporting on a calendar quarter basis shall, on or before the last day of the month following the close of each calendar quarter, make a return to the Tax Administrator on forms provided, of the total taxable rents charged and the amount of tax collected for the quarter, remittances made for each of the first two months of the calendar quarter, and the balance of the tax due. At the time the return is filed, the full amount of the balance of the tax due shall be remitted to the Tax Administrator.
- D. The Tax Administrator may establish shorter reporting periods for any certificate holder if the Tax Administrator deems it necessary in order to insure collection of the tax and he or she may require further information in the return.
- E. Any operator required to report on other than a calendar quarter basis shall, on or before the same day of the next month following the close of such reporting period, or on the last day of the next month if no corresponding day exists, make a return to the Tax Administrator on forms provided, or the total taxable rents charged and the amount of tax collected for the quarter, remittances made during the approved reporting period, and the balance of the tax due. At the time the return is filed, the full amount of the balance of the tax due shall be remitted to the Tax Administrator.
- F. Each operator, upon cessation of business for any reason, shall, on or before the same day of the next month following the cessation of business or on the last day of the month if no corresponding day exists, make a return to the Tax Administrator on forms provided of the total taxable rents charged, the amount of tax collected for the reporting period, remittances made, if any, and the balance of the tax due. At the time the return is filed the full amount of the balance of the tax due, if any, shall be remitted to the Tax Administrator. Returns filed and taxes remitted and actually received by the Tax Administrator on or before the same day of the next month following the cessation of business, or on the last day of the next month if no corresponding day exists, shall be deemed timely filed and remitted; otherwise, the taxes are delinquent and subject to the penalties imposed by Section 3.12.080.
- G. All taxes collected by operator pursuant to this chapter shall be held in trust for the account of the city until payment thereof is made to the Tax Administrator.

(Ord. 1087 § 7; Ord. 1275 § 3, 1985)

**§ 3.12.072. Duty of successor of operator.**

If an operator who is liable for any tax or penalties under this chapter sells or otherwise disposes of his or her business, the operator's successor shall notify the Tax Administrator of the date of sale and withhold a sufficient portion of the purchase price to equal the amount of such tax or penalty until the selling operator produces a receipt from the Tax Administrator showing that the tax or penalty has been paid or a tax clearance certificate from the Tax Administrator stating that no tax or penalty is due. If the seller does not present a receipt or tax clearance certificate within 30 days after such successor commences to conduct business, the successor shall deposit the withheld amount with the Tax Administrator pending settlement of the account of the seller.

(Ord. 1275 § 4, 1985)

**§ 3.12.074. Liability of successor for failure to withhold—Notice of amount due.**

If the successor to the business fails to withhold a portion of the purchase price as required, he or she shall be liable for the payment of the amount required to be withheld. Within 30 days after receiving a written request from the successor for a tax clearance certificate, stating that no tax or penalty is due, the Tax Administrator shall either issue the certificate or mail notice to the successor at his or her address as it appears on the records of the Tax Administrator of the estimated amount of the tax and penalty that must be paid as a condition of issuing the certificate.

(Ord. 1275 § 4, 1985)

**§ 3.12.080. Penalties for failure to remit tax when due.**

- A. Original Delinquency. Any operator who fails to remit any tax imposed by this chapter within the time required shall pay a penalty of 10% of the amount of the tax in addition to the amount of the tax.
- B. Continued Delinquency. Any operator who fails to remit any delinquent remittance on or before a period of 30 days following the date on which the remittance first became delinquent shall pay a second delinquency penalty of 10% of the amount of the tax in addition to the amount of the tax and the 10% penalty first imposed.
- C. Audit Deficiency. If, upon audit by the city, an operator is found to be deficient in his or her return or remittance, or both, the Tax Administrator shall immediately invoice the operator for the amount of the net deficiency plus a penalty of 10% of the net deficiency. If the operator fails or refuses to pay the deficient amount and applicable penalties within 14 days of the date of the invoice, an additional penalty shall be imposed at the rate of one percent per day of the net deficiency, not to exceed 10%.
- D. Fraud. If the Tax Administrator determines that the nonpayment of any remittance due under this chapter is due to fraud, a penalty of 25% of the amount of the tax shall be added thereto in addition to the penalties stated in subsections A and B of this section.
- E. Interest. In addition to the penalties imposed, any operator who fails to remit any tax imposed by this chapter shall pay interest at the rate of one and one-half percent per month or fraction thereof on the amount of the tax, exclusive of penalties, from the date on which the remittance first became delinquent until paid.
- F. Penalties Merged with Tax. Every penalty imposed and such interest as accrues under the provisions of this section shall become a part of the tax required to be paid by this chapter.
- G. Revocation. In addition to the other penalties provided by this section, if an operator is delinquent in any way more than one time in any 12-month period the Tax Administrator may revoke the operator's

transient occupancy registration certificate.  
(Ord. 1087 § 8; Ord. 1275 § 5, 1985; Ord. 1285 § 1, 1985)

#### **§ 3.12.090. Failure to collect—Penalties—Hearing.**

If any operator shall fail or refuse to collect such tax and to make, within the time provided in this chapter, any report and remittance of such or any portion thereof required by this chapter, the Tax Administrator shall proceed in such a manner as he or she may deem best to obtain facts and information on which to base his or her estimate of the tax due. As soon as the Tax Administrator shall procure such facts and information as he or she is able to obtain upon which to base the assessment of any tax imposed by this chapter and payable by any operator who has failed or refused to collect the same and to make such report and remittance, the Tax Administrator shall proceed to determine and assess against such operator the tax, interest and penalties provided for by this chapter. In case such determination is made, the Tax Administrator shall give a notice of the amount so assessed by serving it personally or by depositing it in the United States mail, postage prepaid, addressed to the operator so assessed at his or her last known place of address. Such operator may within 10 days after the serving or mailing of such notice make application in writing to the Tax Administrator for a hearing on the amount assessed. If application by the operator for a hearing is not made within the time prescribed, the tax, interest and penalties, if any, determined by the Tax Administrator shall become final and conclusive and immediately due and payable. If such application is made, the Tax Administrator shall give not less than five days' written notice in the manner prescribed herein to the operator to show cause at a time and place fixed in such notice why the amount specified therein should not be fixed for such tax, interest and penalties. At such hearing, the operator may appear and offer evidence why such specified tax, interest and penalties should not be so fixed. After such hearing the Tax Administrator shall determine the proper tax to be remitted and shall thereafter give written notice to the person in the manner prescribed herein of such determination and amount of such tax, interest and penalties. The amount determined to be due shall be payable after 15 days unless an appeal is taken as provided in Section 3.12.100.

(Ord. 1087 § 9)

#### **§ 3.12.100. Appeal.**

Any operator aggrieved by any decision of the Tax Administrator with respect to the amount of such tax, interest and penalties, if any, may appeal to the council by filing a notice of appeal with the City Clerk within 15 days of the serving or mailing of the determination of tax due. The council shall fix a time and place for hearing such appeal, and the City Clerk shall give notice in writing to such operator at his or her last known place of address. The findings of the council shall be final for service of notice of hearing. Any amount found to be due shall be immediately due and payable upon the service of notice.

(Ord. 1087 § 10)

#### **§ 3.12.110. Records to be kept for a period of three years.**

It shall be the duty of every operator liable for the collection and payment to the city of any tax imposed by this chapter to keep and preserve, for a period of three years, all records as may be necessary to determine the amount of such tax as he or she may have been liable for the collection of and payment to the city, which records the Tax Administrator shall have the right to inspect at all reasonable times.

(Ord. 1087 § 11)

#### **§ 3.12.120. Refunds.**

A. Whenever the amount of any tax, interest or penalty has been overpaid or paid more than once or has

been erroneously or illegally collected or received by the city under this chapter it may be refunded as provided in subsections B and C of this section provided a claim in writing thereof, stating under penalty of perjury the specific grounds upon which the claim is founded, is filed with the Tax Administrator within three years of the date of payment. The claim shall be on forms furnished by the Tax Administrator.

- B. An operator may claim a refund or take as credit against taxes collected and remitted the amount overpaid, paid more than once or erroneously or illegally collected or received when it is established in a manner prescribed by the Tax Administrator that the person from whom the tax has been collected was not a transient; provided, however, that neither a refund nor a credit shall be allowed unless the amount of the tax so collected has either been refunded to the transient or credited to rent subsequently payable by the transient to the operator.
- C. A transient may obtain a refund of taxes overpaid or paid more than once or erroneously or illegally collected or received by the city by filing a claim in the manner provided in subsection A of this section, but only when the tax was paid by the transient directly to the Tax Administrator, or when the transient having paid the tax to the operator, establishes to the satisfaction of the Tax Administrator that the transient has been unable to obtain a refund from the operator who collected the tax.
- D. No refund shall be paid under the provisions of this section unless the claimant establishes his or her right thereto by written records showing entitlement thereto.
- E. It shall be a condition that, prior to the filing of any lawsuit, of any kind whatsoever, including a claim for refund of taxes, injunction or writ of mandate or other equitable process, the payment of all taxes, interest and penalties as determined by the City Council shall be required to be paid as a condition to seeking such judicial review of any tax liability. In addition, no such legal action shall be proper unless all of the administrative remedies provided by this chapter shall have first been exhausted.

(Ord. 1087 § 12; Ord. CS-081 § 1, 2010)

#### **§ 3.12.130. Actions to collect.**

Any tax required to be paid by any transient under the provisions of this chapter shall be deemed a debt owed by the transient to the city and payable through the operator. Any such tax, collected by an operator, which has not been paid to the city, shall be deemed funds held in trust for the account of the city which are due and payable by the operator to the city pursuant to the provisions of this chapter. Any person owing money to the city under the provisions of the chapter shall be liable to an action brought in the name of the city for the recovery of such amount plus attorney's fees and costs.

(Ord. 1087 § 13; Ord. 1275 § 6, 1985)

#### **§ 3.12.140. Violations.**

Any operator who fails to remit any tax collected pursuant to this chapter shall be subject to prosecution under Section 424 of the Penal Code of the State of California. Any person violating any of the other provisions of this chapter shall be guilty of a misdemeanor and shall be punishable as provided in Section 1.08.010.

(Ord. 1087 § 14; Ord. 1275 § 6, 1985)

#### **§ 3.12.160. Revocation of certificate.**

Whenever any operator fails to comply with any provision of this chapter relating to occupancy tax or any

rule or regulation of the Tax Administrator relating to occupancy tax prescribed and adopted under this chapter, the Tax Administrator upon hearing, after giving the operator 10 days' notice in writing specifying the time and place of hearing and requiring him or her to show cause why his or her certificate should not be revoked, may suspend or revoke the certificate held by the operator. The Tax Administrator shall give the operator written notice of the suspension or revocation of his or her certificate. The notice required in this section may be served personally or by mail in the manner prescribed for service of notice of a deficiency determination. The Tax Administrator shall not issue a new certificate after a revocation unless he or she is satisfied that the former holder of the certificate will comply with the provisions of this chapter relating to the occupancy tax and regulations of the Tax Administrator.

(Ord. 1285 § 3, 1985)

#### **§ 3.12.170. Closure of hotel without certificate.**

During any period of time during which a certificate has not been issued or is suspended, revoked or otherwise not validly in effect, the Tax Administrator may require that the hotel be closed.

(Ord. 1285 § 3, 1985)

#### **§ 3.12.180. Recording notice of lien.**

If any amount required to be remitted or paid to the city under this chapter is not remitted or paid when due, the Tax Administrator may, within three years after the amount is due, file for record in the office of the County Recorder a notice of lien specifying the amount of tax, penalties and interest due, the name and address as it appears on the records of the Tax Administrator of the operator liable for the same and the fact that the Tax Administrator has complied with all provisions of this chapter in the determination of the amount required to be remitted and paid. From the time of the filing for record, the amount required to be remitted together with penalties and interest constitutes a lien upon all real property in the county owned by the operator or afterwards and before the lien expires acquired by him or her. The lien has the force, effect and priority of a judgment lien and shall continue for 10 years from the time of filing of the notice of lien unless sooner released or otherwise discharged.

(Ord. 1285 § 3, 1985)

#### **§ 3.12.190. Priority and lien of tax.**

A. The amounts required to be paid by any operator under this chapter with penalties and interest shall be satisfied first in any of the following cases:

1. Whenever the person is insolvent;
2. Whenever the person makes a voluntary assignment of his or her assets;
3. Whenever the estate of the person in the hands of executors, administrators, or heirs is insufficient to pay all the debts due from the deceased;
4. Whenever the estate and effects of an absconding, concealed or absent person required to pay any amount under this chapter are levied upon by process law. This chapter does not give the city a preference over any recorded lien which attached prior to the date when the amounts required to be paid became a lien.

B. The preference given to the city by this section shall be subordinate to the preferences given to claims for personal services by Sections 1204 and 1206 of the Code of Civil Procedure.

(Ord. 1285 § 3, 1985)

**§ 3.12.200. Warrant for collection of tax.**

At any time within three years after any operator is delinquent in the remittance or payment of any amount herein required to be remitted or paid or within three years after the last recording of a notice of lien under Section 3.12.180, the Tax Administrator may issue a warrant for the enforcement of any liens and for the collection of any amount required to be paid to the city under this chapter. The warrant shall be directed to any Sheriff, Marshal, or constable and shall have the same effect as a writ of execution. The warrant shall be levied and sale made pursuant to it in the same manner with the same effect as a levy of and a sale pursuant to a writ of execution. The Tax Administrator may pay or advance to the Sheriff, Marshal or constable the same fees, commissions and expenses for his or her services as are provided by law for similar services pursuant to a writ of execution. The Tax Administrator, and not the court, shall approve the fees for publication in a newspaper.

(Ord. 1285 § 3, 1985)

**§ 3.12.210. Seizure and sale.**

At any time within three years after any operator is delinquent in the remittance or payment of any amount, the Tax Administrator may forthwith collect the amount in the following manner. The Tax Administrator shall seize any property, real or personal, of the operator and sell the property, or a sufficient part of it, at public auction to pay the amount due together with any penalties and interest imposed for the delinquency and any costs incurred on account of the seizure and sale. Any seizure made to collect occupancy taxes due shall be only of property of the operator not exempt from execution under the provision of the Code of Civil Procedure.

(Ord. 1285 § 3, 1985)

**§ 3.12.220. Withhold notice.**

If any person or operator is delinquent in the remittance or payment of the amount required to be remitted or paid by him or her or in the event a determination has been made against him or her for the remittance of tax and payment of the penalty, the city may, within three years after the tax obligation became due, give notice thereof personally or by registered mail to all persons, including the state or any political subdivision thereof, having in their possession or under their control any credits or other personal property belonging to the taxpayer. After receiving the withholding notice, the person so notified shall make no disposition of the taxpayer's credits, other personal property or debts until the city consents to a transfer or disposition or until 60 days elapse after the receipt of the notice, whichever expires earlier. All persons, upon receipt of said notice, shall advise the city immediately of all such credits, other personal property or debts in their possession, under their control or owing by them. If such notice seeks to prevent the transfer or other disposition of a deposit in a bank or other credits or personal property in the possession or under the control of the bank, to be effective the notice shall be delivered or mailed to the branch or office of such bank at which such deposit is carried or at which such credits or personal property is held. If any person so notified makes transfer or disposition of the property or debts required to be held hereunder during the effective period of the notice to withhold, he or she shall be liable to the city to the extent of the value of the release up to the amount of the indebtedness owed by the taxpayer to the city.

(Ord. 1285 § 3, 1985)

## CHAPTER 3.16 DOCUMENTARY STAMP TAX

### **§ 3.16.010. Short title—Adoption.**

This chapter shall be known as the real property transfer tax ordinance of the City of Carlsbad. It is adopted pursuant to the authority contained in Part 6.7 (commencing with Section 11901) of Division 2 of the Revenue and Taxation Code of the State of California.

(Ord. 1105 § 1, 1967)

### **§ 3.16.020. Imposition—Rates.**

There is imposed on each deed, instrument or writing by which any lands, tenements, or other realty sold within the city shall be granted, assigned, transferred or otherwise conveyed to, or vested in, the purchaser or purchasers, or any other person or persons, by his or her or their direction, when the consideration or value of the interest or property conveyed (exclusive of the value of any lien or encumbrances remaining thereon at the time of sale) exceeds \$100.00, a tax at the rate of 27.5 cents for each \$500.00 or fractional part thereof.

(Ord. 1105 § 1, 1967)

### **§ 3.16.030. Payment of tax by whom.**

Any tax imposed pursuant to Section 3.16.020, shall be paid by any person who makes, signs or issues any document or instrument subject to the tax, or for whose benefit the same is made, signed or issued.

(Ord. 1105 § 3, 1967)

### **§ 3.16.040. Not applicable to instruments in writing to secure debts.**

Any tax imposed pursuant to this chapter shall not apply to any instrument in writing given to secure a debt.

(Ord. 1105 § 4, 1967)

### **§ 3.16.050. United States agencies exempt.**

Any deed, instrument or writing to which the United States or any agency or territory, or political subdivision thereof, is a party shall be exempt from any tax imposed pursuant to this chapter when the exempt agency is acquiring title.

(Ord. 1105 § 5, 1967; Ord. 1118 § 1, 1970)

### **§ 3.16.060. Conveyances to make effective plan of reorganization or adjustment.**

Any tax imposed pursuant to this chapter shall not apply to the making, delivering or filing of conveyances to make effective any plan of reorganization or adjustment:

- A. Confirmed under the Federal Bankruptcy Act, as amended;
- B. Approved in an equity receivership proceeding in a court involving a railroad corporation, as defined in subdivision (m) of Section 205 of Title 11 of the United States Code, as amended;
- C. Approved in an equity receivership proceeding in a court involving a corporation, as defined in subdivision (3) of Section 506 of Title 11 of the United States Code, as amended; or

D. Whereby a mere change in identity, form or place of organization is effected.

Subsections A to D, inclusive, of this section shall only apply if the making, delivery or filing of instruments of transfer or conveyances occurs within five years from the date of such confirmation, approval or change.

(Ord. 1105 § 6, 1967)

**§ 3.16.070. Conveyances to make effective order of Securities and Exchange Commission.**

Any tax imposed pursuant to this chapter shall not apply to the making or delivery of conveyances to make effective any order of the Securities and Exchange Commission, as defined in subdivision (a) of Section 1083 of the Internal Revenue Code of 1954; but only if:

- A. The order of the Securities and Exchange Commission in obedience to which such conveyance is made recites that such conveyance is necessary or appropriate to effectuate the provisions of Section 79k of Title 15 of the United States Code, relating to the Public Utility Holding Company Act of 1935;
- B. Such order specifies the property which is ordered to be conveyed;
- C. Such conveyance is made in obedience to such order.

(Ord. 1105 § 7, 1967)

**§ 3.16.080. Partnerships.**

- A. In the case of any realty held by a partnership, no levy shall be imposed pursuant to this chapter by reason of any transfer of an interest in a partnership or otherwise, if:
  1. Such partnership or another partnership is considered a continuing partnership within the meaning of Section 708 of the Internal Revenue Code of 1954; and
  2. Such continuing partnership continues to hold the realty concerned.
- B. If there is a termination of any partnership within the meaning of Section 708 of the Internal Revenue Code of 1954, for purposes of this chapter, such partnership shall be treated as having executed an instrument whereby there was conveyed, for fair market value (exclusive of the value of any lien or encumbrance remaining thereon), all realty held by such partnership at the time of termination.

(Ord. 1105 § 8, 1967)

**§ 3.16.081. Conveyances in lieu of foreclosure.**

Any tax imposed pursuant to this chapter shall not apply with respect to any deed, instrument, or writing to a beneficiary or mortgagee, which is taken from the mortgagor or trustor as a result of or in lieu of foreclosure; provided, that such tax shall apply to the extent that the consideration exceeds the unpaid debt, including accrued interest and cost of foreclosure.

Consideration, unpaid debt amount and identification of grantee as beneficiary or mortgagee shall be noted on the deed, instrument or writing or stated in an affidavit or declaration under penalty of perjury for tax purposes.

(Ord. 1296 § 3, 1987)

**§ 3.16.082. Conveyances between spouses.**

- A. Any tax imposed pursuant to this chapter shall not apply with respect to any deed, instrument, or other writing which purports to transfer, divide, or allocate community, quasi-community, or quasi-marital property assets between spouses for the purpose of effecting a division of community, quasi-community, or quasi-marital property which is required by a judgment decreeing a dissolution of the marriage or legal separation, by a judgment of nullity, or by any other judgment or order rendered pursuant to Part 5 (commencing with Section 4000) of Division 4 of the Civil Code, or by a written agreement between the spouses, executed in contemplation of any such judgment or order, whether or not the written agreement is incorporated as part of any of those judgments or orders.
- B. In order to qualify for the exemption provided in subsection A of this section, the deed, instrument, or other writing shall include a written recital, signed by either spouse, stating that the deed, instrument, or other writing is entitled to the exemption.

(Ord. 1296 § 3, 1987)

**§ 3.16.090. Administration.**

The County Recorder shall administer this chapter in conformity with the provisions of Part 6.7 of Division 2 of the Revenue and Taxation Code and the provisions of any county ordinance adopted pursuant thereto.  
(Ord. 1105 § 9, 1967)

**§ 3.16.100. Claims for refund.**

Claims for refund of taxes imposed pursuant to this chapter shall be governed by the provisions of Chapter 5 (commencing with Section 5096) of Part 9 of Division 1 of the Revenue and Taxation Code of the State of California.

(Ord. 1105 § 10, 1967)

**CHAPTER 3.20  
SPECIAL GAS TAX STREET IMPROVEMENT FUND**

**§ 3.20.010. Created.**

There is created in the city treasury a special fund to be known as the "special gas tax street improvement fund," pursuant to the provisions of Section 2113 of the Streets and Highways Code, with particular reference to the amendments made thereto by Chapter 5.42, Statutes of 1935.

(Ord. 7010 § 1)

**§ 3.20.020. Moneys to be paid into fund.**

All moneys received by the city from the state under the provisions of such sections of the Streets and Highways Code shall be paid into the fund created by the preceding section.

(Ord. 7010 § 2)

**§ 3.20.030. Expenditure of moneys in fund.**

All moneys in the special gas tax street improvement fund shall be expended exclusively for the purposes authorized by, and subject to the provisions of Sections 2107, 2107.1, 2107.2, 2107.4, 2111, 2112, 2113, 2113.5, 2114, 2114.5, 2115 and 2116 of the Streets and Highways Code.

(Ord. 7010 § 3)

**CHAPTER 3.24  
LIBRARY TRUST FUND**

**§ 3.24.020. Trust fund.**

The revenue derived from all money acquired by gift, devise, bequest and moneys transferred to such fund by the City Council, but specifically excepting money derived from the city tax levy, other than funds transferred by the City Council to the library trust fund for the purpose of the library, shall be apportioned to a fund to be designated the "library trust fund," and shall be applied for the purpose authorized in Chapter 2.16.

(Ord. 1072 § 21; Ord. CS-036 § 1, 2009)

## CHAPTER 3.28 PURCHASING

### **§ 3.28.010. Title.**

This chapter shall be known and may be cited and referred to as the "Purchasing Ordinance of the City of Carlsbad."

(Ord. CS-002 § 2, 2008)

### **§ 3.28.020. Purpose.**

The purposes of this chapter are to define a uniform system for the purchase of supplies, services and equipment by the city, to provide for the fair and equitable treatment of all persons involved in the purchasing process, to obtain the highest possible value in exchange for public funds and to safeguard the quality and integrity of the purchasing system.

(Ord. CS-002 § 2, 2008)

### **§ 3.28.030. Definitions.**

For the purposes of this chapter, the following definitions apply:

"Awarding authority" means the entity who has the power to legally assign work, accept bids and bind the city to a contract.

"Best value" means the best value to the city based on all factors that may include the following:

1. Cost;
2. The ability, capacity and skill of a contractor to perform a contract or provide the supplies, services or equipment required;
3. The ability of a contractor to provide the supplies, services or equipment promptly or within the time specified without delay or interferences;
4. The character, integrity, reputation, judgment, experience and efficiency of a contractor;
5. The quality of a contractor's performance on previous purchases/services with the city; and
6. The ability of a contractor to provide future maintenance, repairs, parts and services for the use of the goods and services purchased.

"Bid, contract or proposal documents" means the documents, including their attachments and addenda, which set forth instructions to bidders or proposers and which are disseminated for the purpose of soliciting bids or proposals.

"Capital outlay item" means fixed asset equipment with a monetary value that meets or exceeds an amount established by the Finance Director.

"City Director of Public Works" means the Director of Public Works or the Deputy City Manager of the public works branch of the City of Carlsbad.

"City Traffic Engineer" has the same meaning as set forth in Carlsbad Municipal Code Section 10.08.060, as it may be amended from time to time.

"Construction projects" or "construction" means those public projects defined in California Public Contract Code Section 22002(c).

"Contract" is synonymous to "agreement" and, regardless of which term is used, it means an agreement between the city and one or more other parties for the purchase or disposition of goods, services, professional services, and/or construction projects.

"Contractor" includes vendor and means any business entity/party that has entered into a contract with the city for the provision or disposition of goods, services, professional services, and/or construction projects.

"End user" means the City of Carlsbad and includes, any city department/division requesting goods, services, professional services, and/or construction projects.

"Fixed asset equipment" means equipment of a permanent nature that has a useful life of more than one year and meets or exceeds a monetary value established by the Finance Director.

"Goods" means articles or items that are moveable at the time of sale, including, but not limited to, equipment, supplies and/or materials.

"Procurement" or "procure" means the acquisition of goods, services, professional services, or construction projects by the city, including, but not limited to, purchasing, renting or leasing, and all functions and procedures pertaining to such acquisitions.

"Professional services" means the procurement of services that involve the exercise of professional discretion and independent judgment based on advanced or specialized knowledge, expertise or training gained by formal study or experience. Such professional services include, but are not limited to, services provided by appraisers, architects, engineers, instructors, insurance advisors, physicians and/or other specialized consultants. Professional services includes, but is not limited to, those professionals as defined in California Government Code Section 4526. Professional services does not include attorney/legal services.

"Purchasing officer" means the person(s) responsible for the procurement of goods, services, professional services, and/or construction projects in accordance with the provisions of this chapter. The person(s) designated, in writing, by the City Manager as the purchasing officer of the city, or an individual specifically authorized by the purchasing officer to act on his or her behalf.

"Responsible bidder" means a bidder determined by the awarding authority:

1. To have the ability, capacity, experience and skill to provide the goods, services, professional services, and/or construction projects in accordance with bid specifications, and if applicable;
2. To have the ability to provide the goods, services, professional services, and/or construction projects promptly, or within the time specified, and if applicable;
3. To have equipment, facilities and resources of such capacity and location to enable the bidder to provide the required goods, services, professional services, and/or construction projects, and if applicable;
4. To be able to provide future maintenance, repair, parts and service for the use of the goods and/or construction projects purchased, and if applicable;
5. To have a record of satisfactory performance under prior contracts with the city or other purchasers where such bidder has previously been awarded such contract.

"Responsive bidder" means a bidder determined by the awarding authority to have submitted a complete bid or proposal which conforms in all material respects to the requirements of the bid, contract, or other proposal documents.

"Services" means work performed, or labor, time and effort expended, by the contractor.

"Specifications" means the description of the physical and/or functional characteristics or of the nature of the required goods, services, professional services, and/or construction projects.

"Surplus personal property" means goods that are owned by the city and which are no longer needed or which are obsolete or unserviceable, or property that is a by-product (e.g., scrap metal, used tires and oil, etc.).

"UPCCAA" means Uniform Public Construction Cost Accounting Act. (California Public Contract Code Section 22000, et seq.)

(Ord. CS-002 § 2, 2008; Ord. CS-361 § 2, 2019)

**§ 3.28.040. Procurement and disposition responsibilities.**

A. End User. The end user shall:

1. Identify its procurement needs and the availability of funding;
2. Submit to the purchasing officer specifications for the required goods, services, professional services, and/or construction projects;
3. Participate in the evaluation of bids and proposals; and
4. Inspect goods delivered, services performed, professional services rendered, and/or construction projects to determine conformity with the requirements set forth in the bid or proposal documents and with contractual obligations, and authorize payments for conforming goods, services, professional services, and/or construction projects.

B. Purchasing Officer. The purchasing officer shall be responsible for the procurement of goods, services, professional services, and/or construction projects for the city in accordance with the provisions of this chapter. Except as provided for herein, no procurement shall be made contrary to the provisions of this chapter. Any agreement or contract for the purchase of goods, services, professional services, and/or construction projects made contrary to the provisions of this chapter shall be void and any claim or demand against the city based thereon shall be invalid. The purchasing officer shall:

1. Prepare and recommend to the City Manager operational procedures and forms for the procurement of goods, services, professional services, and/or construction projects in cooperation with the end users and for the disposal of surplus personal property;
2. Procure or supervise the procurement of all goods, services, professional services, and/or construction projects needed in coordination with end users;
3. Process the contracts awarded administratively and/or by City Council;
4. Whenever possible, establish standardized specifications and consolidation of requirements for goods and/or services required by two or more end users; and
5. Sell or otherwise dispose of surplus personal property, and lost and unclaimed property held by the city's police department.

C. City Manager. The City Manager shall be the awarding authority for:

1. All procurement of goods for which the cost to the city is \$100,000.00 or less;
2. All contracts for services and professional services of \$100,000.00 or less per agreement year;

3. All construction project contracts less than the formal bidding threshold established by the UPCCAA;
4. Any change order, amendment or extension to an existing contract which when added to the contract amount, including prior change orders, is within the authority granted in subsections (C)(1) through (C)(3) above;
5. Any construction project change order up to the dollar amount equal to the contingency amount set when the underlying contract was awarded;
6. Any construction project change order in which the total amount of the original contract and all amendments and change orders are less than the formal bidding threshold established by the UPCCAA;
7. Any change order or amendment to a non-construction project contract awarded by the City Council in an amount up to 25% of the original contract amount, including the total of all amendments and change orders, up to a limit of \$100,000.00 per agreement year;
8. Any extensions to a contract awarded by the City Council as delegated in the contract or the approving resolution;
9. The City Manager shall approve alternate procurement methods, if appropriate, for use on an experimental basis, and recommend to the City Council additions, deletions or modifications to the city's procurement methods;
10. The City Manager shall have the authority to delegate the awarding of contracts, amendments and change orders for goods, services, professional services, and/or construction projects as set forth in this chapter by memorandum or by administrative order;
11. Each month the City Manager shall send to the City Council a report of all contracts that have been awarded over the formal bidding requirement.

D. City Council. The City Council shall be the awarding authority for:

1. Any procurement of goods, services and/or professional services costing more than \$100,000.00 per agreement year;
2. Any construction project contract at or above the formal bidding threshold established by the UPCCAA;
3. Any change order or amendment that exceeds the City Manager's authority.

E. City Attorney. The City Attorney shall be the awarding authority for the procurement of legal services, regardless of the dollar amount, up to the amount of appropriations available.

(Ord. CS-002 § 2, 2008)

**§ 3.28.050. Procurement of goods.**

- A. Small Procurements. Procurements of goods where the total cost of goods are \$30,000.00 or less in any one transaction, shall be made using simplified and cost effective operational procedures and forms approved by the City Manager. The use of formal or informal bids is not required, but is considered the best management practice. The small procurement limit shall be reviewed and adjusted annually per the procedures set forth in subsection (C)(1) of this section. Procurement requirements shall not be divided so as to constitute several small procurements under this subsection.

B. Informal Bidding for Goods.

1. Informal bidding procedure shall be utilized:
  - a. When the anticipated cost of the goods to be purchased is less than the dollar amount established for formal bidding for goods in subsection (C)(1) herein; or
  - b. When no bids are received pursuant to the formal bid procedures established; or
  - c. When all bids received substantially exceed the city's estimated costs, as determined by the purchasing officer through the formal bidding procedure.
  - d. The City Council may designate types or classes of procurements costing more than the dollar amount established for formal bidding in subsection (C)(1) herein; which may be purchased through the use of informal bidding procedures whenever the City Council finds that use of the informal bidding procedure is advantageous to the city consistent with applicable law.
2. The informal bidding procedure shall be as follows:
  - a. Bids shall be obtained by written or oral request.
  - b. When possible, a minimum of three bidders should be solicited.
  - c. Best value criteria, if used, must be determined before bids/quotes are published or distributed to potential bidders/suppliers.
  - d. Responses shall be in writing, and may be transmitted by facsimile, by mail, electronically over the Internet, or by any other means of delivery as described in the bid documents.
  - e. The award shall be based on best value to the city or the lowest bid submitted by a responsive bidder, as determined by the purchasing officer, and shall be awarded by the City Manager.

C. Formal Bidding for Goods.

1. Formal bidding procedures shall be utilized when the anticipated cost of the goods is greater than \$30,000.00 per agreement year. The bid limit shall be reviewed annually and adjusted in response to the San Diego—All Urban Consumers Consumer Price Index. The purchasing officer shall calculate the effect of the cumulative change in the index to \$30,000.00 beginning in fiscal year 2009. Adjustment to the bid limit will be made in \$5,000.00 increments whenever the calculated value exceeds a previously set bid limit by more than \$2,500.00. The bid limit adjustment will be made effective at the beginning of a fiscal year by memorandum from the purchasing officer.
2. Procurement requirements shall not be divided so as to avoid the formal bidding requirements.
3. The formal bidding procedures shall be as follows:
  - a. The purchasing officer, or designee, shall issue a notice inviting bids using one or more methods designed to provide reasonable public notice in a manner which will permit current information to be disseminated widely. The notice shall include:
    - i. Instruction to bidders;

- ii. Specifications describing the required goods;
  - iii. Bid forms and schedules;
  - iv. Any required bond forms;
  - v. General contract provisions;
  - vi. The time on or before which bids will be received;
  - vii. Where and with whom bids shall be filed;
  - viii. The date, time and place where and when bids will be publicly opened;
  - ix. Statement of bidders exceptions.
- b. The sealed formal bids shall be received by the purchasing officer, or designee, at a time, date and place designated in the bid documents. Formal bids, timely received, will be publicly opened by the purchasing officer, or designee, and the aggregate bid pricing shall be read aloud.
  - c. Any person or entity with whom the city has contracted to prepare or assist in the preparation of bid or proposal documents is ineligible to submit a bid or proposal for the provision of the goods so specified in the notice inviting bids or proposals.
  - d. Formal bids received after the deadline for receipt of bids shall not be accepted by the city and shall be returned to the bidder unopened, unless opening is necessary for identification purposes. The purchasing officer, or designee, shall submit written notification to the bidder whose bid was received after the deadline stating what the deadline was, when the bid was actually received and that the bid is being returned because it was received after the deadline.
- 4. If no bids are received or if no bids meet the requirements as specified in the solicitation documents, the purchasing officer may reissue the solicitation using the informal bidding procedures, negotiate a contract based upon the solicitation, without further complying with this section or the city may cease the procurement.
  - 5. If two or more bids are received with the same total amount or unit price, quality and service being equal, and if the public interest will not permit the delay of re-advertising for bids, the City Council, or the City Manager if the procurement is under \$100,000.00, may exercise sound discretion and accept the bid it chooses.
  - 6. In considering formal bids for goods, the awarding authority may waive minor defects or irregularities, provided that the irregularities do not affect the bid amount or give a particular bidder an advantage over others.
  - 7. All bids shall be deemed rejected if no City Council or City Manager action is taken on the bids or proposals within 90 days after the bids have been received and opened, unless bidders agree to extend a bid's effective date upon request by the city.
- D. Additional Responsibilities and Authorities.
- 1. The city shall have the authority to require a performance bond in such amount as it finds reasonably necessary to protect the best interests of the city consistent with applicable law. If

the city requires a performance bond, the amount of the bond shall be described in the notice inviting bids and bid proposal documents.

2. All contracts may be awarded based on the best value for the city. Best value criteria, if used, must be determined before bids/quotes are published or distributed to potential bidders/suppliers.
  3. The City Manager shall be the awarding authority for procurement of goods for which the cost to the city is \$100,000.00 per agreement year or less.
  4. The City Council shall be the awarding authority for procurement of goods for which the cost to the city is more than \$100,000.00 per agreement year and have not been previously approved as capital outlay items in the budget process.
- E. The city's goods procurement practice prohibits unlawful activity, including, but not limited to, rebates, kickbacks, or other unlawful consideration. No city employee shall participate in the selection process if that employee has a relationship with a person or business entity seeking a contract with the city that would subject that employee to the prohibition of Government Code Section 87100. (Conflicts of Interest).

(Ord. CS-002 § 2, 2008; Ord. CS-307 §§ 3—5, 2016)

#### **§ 3.28.060. Procurement of professional services and services.**

##### **A. Professional Services Procurement.**

1. Request for proposals should be used when professional services are needed. The selection of professional services for, private architectural, landscape architectural, engineering, environmental, land surveying or construction project management firms should be based on the professional qualifications necessary for the satisfactory performance of the professional services required, on demonstrated competence, and on a fair and reasonable price consistent with Government Code Section 4526.
2. Procurements of professional services where the total cost of services are \$30,000.00 or less per agreement year shall be made using simplified and cost effective operational procedures and forms approved by the City Manager. If the cost of needed professional services is expected to exceed \$30,000.00 per agreement year, at least three proposals should be solicited for the professional service needed whenever possible. The purchasing officer may waive the requirements for solicitation of multiple proposals if only one individual or firm can reasonably provide the professional services, and it is in the best interest of the city to waive the requirement.

##### **B. Small Procurements of Services.** Procurements of services where the total cost of services are \$30,000.00 or less in any one transaction, shall be made using simplified and cost effective operational procedures approved by the City Manager and forms approved by the City Manager. The use of formal or informal bids is not required, but is considered the best management practice. The small procurement limit shall be reviewed and adjusted annually per the procedures set forth in Section 3.28.050(C)(1). Procurement of services requirements shall not be divided so as to constitute several small procurements under this subsection.

##### **C. Informal Bidding for Services.**

1. Informal bidding procedure, as set forth in Section 3.28.050(B)(2) may be utilized:

- a. When no bids are received pursuant to the formal bid procedures established; or
- b. The City Council may designate types or classes of procurements costing more than the dollar amount established for formal bidding in subsection (D)(1) herein; which may be purchased through the use of informal bidding procedures whenever the City Council finds that use of the informal bidding procedure is advantageous to the city consistent with applicable law.

D. Formal Bidding for Services.

1. Formal bidding procedures shall be utilized when the anticipated cost of the services is greater than \$30,000.00 per agreement year. The bid limit shall be reviewed annually and adjusted in response to the San Diego—All Urban Consumers Consumer Price Index. The purchasing officer shall calculate the effect of the cumulative change in the index to \$30,000.00 beginning in fiscal year 2009. Adjustment to the bid limit will be made in \$5,000 increments whenever the calculated value exceeds a previously set bid limit by more than \$2,500.00. The bid limit adjustment will be made effective at the beginning of a fiscal year by memorandum from the purchasing officer.
  2. Procurement requirements shall not be divided so as to avoid the formal bidding requirements.
  3. The formal bidding procedures and requirements shall be as set forth in Section 3.28.050(C) and (D).
  4. The City Manager shall be the awarding authority for procurement of services and professional services for which the cost to the city is \$100,000.00 or less per agreement year.
  5. The City Council shall be the awarding authority for procurement of services and professional services for which the cost to the city is more than \$100,000.00 per agreement year.
- E. The city's services and professional services procurement practice prohibits unlawful activity including, but not limited to, rebates, kickbacks, or other unlawful consideration. No city employee shall participate in the selection process if that employee has a relationship with a person or business entity seeking a contract with the city that would subject that employee to the prohibition of Government Code Section 87100. (Conflicts of Interest).

(Ord. CS-002 § 2, 2008; Ord. CS-307 §§ 6, 7, 2016)

**§ 3.28.070. Competitive negotiations for goods, services, and professional services.**

- A. The purchasing officer may authorize the solicitation of services and/or professional services other than those listed in Section 3.28.060, and the purchase of highly specialized goods by competitive negotiations when:
1. The cost of the goods, services and/or professional services is greater than the dollar amount established for formal bidding in Section 3.28.050(C)(1) and Section 3.28.060(D)(1); and
  2. The goods are such that suitable technical or performance specifications are not readily available; or
  3. The city is not able to develop descriptive specifications; or
  4. Requesting proposals for the particular service or goods to be procured would be more advantageous to the city.

- B. Whenever possible, at least three proposals shall be received and the award will be based on the proposal that is determined to be most advantageous to the city, taking into consideration price and the evaluation criteria set forth in the request for proposal. Competitive negotiations are not intended to be used for the purpose of avoiding the bidding procedure set forth in this chapter.
- C. The City Manager or designee shall award contracts for goods and/or services less than \$100,000.00 per agreement year.
- D. The City Council shall award contracts for goods and/or services over \$100,000.00 per agreement year.

(Ord. CS-002 § 2, 2008)

#### **§ 3.28.080. Construction projects.**

Except where specifically exempted from such laws by ordinance of the City Council, contracts for construction projects in the city shall be governed by applicable state laws including the California Public Contract Code, Division 2, Part 1, and Division 2, Part 3, the Local Agency Public Construction Act, which includes the adoption by the city of the alternative provisions of the Uniform Public Construction Cost Accounting Act for use in the city. Contracts for construction projects shall also be governed by the current edition of the standard specifications for public works construction and the latest supplement thereto, adopted by the Greenbook Committee of the Public Works Standards, Inc., except as otherwise provided by the City Council or the City Manager if the contract is within his or her authority.

- A. Construction projects less than the amount specified in Section 22032(a) of the California Public Contract Code may be performed by city employees by force account, by negotiated contract or by purchase order.
- B. Construction projects less than the amount specified in Section 22032(b) of the California Public Contract Code may be let to contract by informal procedures set forth in this section.
- C. Construction projects of more than the amount specified in Section 22032(c) of the California Public Contract Code shall be let by formal bidding procedure.
- D. It shall be unlawful to split or separate work or projects into smaller work orders on projects for the purpose of evading the provisions of this chapter.
- E. The City Council shall adopt plans and specifications for all construction projects to be formally bid when the value exceeds the limits established by the UPCCAA.
- F. The city Traffic Engineer, or another professional civil engineer licensed by the State of California that is designated by City Council resolution, shall review and approve plans and specifications for all traffic control devices included in construction projects not adopted by City Council pursuant to subsection E of this section.
- G. The city Director of Public Works, or another professional civil engineer licensed by the State of California that is designated by City Council resolution, shall review and approve plans and specifications for all construction projects not adopted by City Council pursuant to subsection E of this section, except for plans and specifications reviewed and approved pursuant to subsection F of this section.
- H. The informal bidding for construction projects procedures shall include the following procedures:
1. The purchasing officer or designee shall develop a list of qualified contractors eligible to submit

bids on informal contracts awarded by the city. The list shall be organized in accordance with the license classifications of the contractor's state license board.

2. The purchasing officer or designee shall mail notice inviting informal bids to all contractors on the list of qualified contractors and construction trade journals not less than 10 calendar days before bids are due.
3. The notice inviting informal bids shall describe the project in general terms, how to obtain more detailed information about the project, the time, date and place for the submission of bids, and whether or not the project will require the payment of prevailing wages.
4. When the awarding authority deems feasible, bid documents may be transmitted and/or received over the internet.
5. The awarding authority may in its sole discretion reject any or all bids presented and waive any minor irregularity or informality in such bids. The contract shall be awarded to the lowest responsive, responsible bidder. If no bids are received through the informal procedure, the project may be performed by city employees, by force account or negotiated contract without further complying with this section.
6. The City Manager or designee shall award all informal contracts.

I. The formal bidding procedures for construction projects shall include the following:

1. The purchasing officer, or delegate, shall mail notice inviting formal bids for construction projects to construction trade journals at least 15 calendar days before the bid opening date. The notice inviting formal bids shall be published at least 14 calendar days before the bid opening date in a newspaper of general circulation in the city. In addition to the newspaper, the notice inviting formal bids may be advertised in any manner which will permit the information to be widely disseminated.
2. When the awarding authority deems feasible, bid documents may be transmitted and/or received over the internet.
3. The awarding authority may waive any minor irregularity or informality in such bids or may, in its sole discretion, reject all bids presented.
4. The contract shall be awarded to the lowest responsive, responsible bidder.
5. If no bids are received through the formal procedure, the project may be performed by city employees, by force account or negotiated contract without further complying with this section.
6. The City Council shall award all formal contracts.

(Ord. CS-002 § 2, 2008; Ord. CS-307 § 8, 2016; Ord. CS-361 § 3, 2019)

**§ 3.28.085. Design-build contracts.**

Section 100 of the Charter of the City of Carlsbad provides that the City Council shall have full power and authority to adopt laws with respect to municipal affairs. Section 404 provides that the City Council shall have the power to establish procedures and regulations for contracts for the construction of public improvements. As an alternative to the bidding process set forth in this chapter and the California Public Contract Code, and when recommended by the City Manager in writing, there is hereby established a design build procurement and contracting approach.

A. Purpose and Intent. The purpose of this section is to provide definitions and guidelines for the award, use, and evaluation of design-build contracts.

B. Definitions. For the purposes of this section, the following definitions apply:

"Design-build" means a public works contract procurement method in which both the design and construction of a project are procured from a single entity.

"Design-build entity" means a natural person, partnership, joint venture, corporation, business association or other legal entity that is able to provide appropriately licensed contracting, architectural, and engineering services as needed.

"Design-build entity member" includes any person who provides licensed contracting, architectural, or engineering services.

C. Design-Build Procurement. For purposes of this section only, prior to procuring a design-build public works contract, the city shall prepare a request for proposal setting forth the scope of the project that may include, but is not limited to, the size, type, and desired design character of the buildings and site, and performance specifications. The performance specifications shall describe the quality of materials, equipment, and workmanship, preliminary plans or building layouts and other information deemed necessary to adequately describe the city's needs. The performance specifications shall be prepared by a design professional who is duly licensed and registered in California.

D. Competitive Prequalification and Selection Process. The city may establish a competitive prequalification and selection process for design-build entities that specifies the prequalification criteria, as well as recommends the manner in which the winning entity will be selected.

E. Prequalification Criteria. Prequalification may be limited to consideration of all or any of the following criteria supplied by a design-build entity:

1. Possession of all required licenses, registration, and credentials in good standing that are required to design and construct the project.
2. Submission of documentation establishing that the design-build entity members have completed, or demonstrated the capability to complete, projects of similar size, scope, building type, or complexity, and that proposed key personnel have sufficient experience and training to competently manage and complete the design and construction of the project.
3. If the design-build entity is a partnership, limited partnership, joint venture or other association, a listing of all of the partners, general partners, or association members known at the time of bid submission who will participate in the design-build contract.
4. Submission of a proposed project management plan establishing that the design-build entity has the experience, competence, and capacity needed to effectively complete the project.
5. Submission of evidence establishing that the design-build entity has the capacity to obtain all required payment and performance bonding, liability insurance, and errors and omissions insurance, as well as a financial statement assuring the city that the design-build entity has the capacity to complete the project.
6. Information concerning the bankruptcy or receivership of any member of the design-build entity, including information concerning any work completed by a surety.
7. Information concerning any debarment, disqualification, or removal of the design-build entity

from a federal, state, or local government public works project. Any instance in which the design-build entity or any member submitted a bid on a public works project and were found to be non-responsive, or were found by the awarding body not to be a responsible member.

8. Provision of a declaration providing detail for the past five years concerning all of the following:
    - a. Civil or criminal violations of the Occupational Safety and Health Act against any member of the design-build entity.
    - b. Civil or criminal violations of the contractors' state license law against any member of the design-build entity.
    - c. Any conviction of any member of the design-build entity of submitting a false or fraudulent claim to a public agency.
    - d. Civil or criminal violations of federal or state law governing the payment of wages, benefits, or personal income tax withholding, or of Federal Insurance Contributions Act (FICA) withholding requirements, state disability insurance withholding, or unemployment insurance payment requirements against any member of the design-build entity. For purposes of this subsection only, violations by a design-build entity member, as an employer shall be deemed applicable, unless it is shown that the design-build entity member, in his or her capacity as an employer, had knowledge of a subcontractor's violations or failed to comply with the conditions set forth in Section 1775(b) of the State Labor Code.
    - e. Civil or criminal violations of federal or state law against any design-build entity member governing equal opportunity employment, contracting or subcontracting.
    - f. Information concerning all settled adverse claims, disputes, or lawsuits between the owner of a public works project and any member of the design-build entity in which the claim, settlement, or judgment exceeds \$50,000.00.
  9. The information required pursuant to this subdivision shall be verified under oath by the entity and its members in the manner in which civil pleadings in civil actions are verified. Information that is not a public record pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code) shall not be open to public inspection.
- F. Selection Method. The awarding authority shall select one of the following methods as the process to be used for the selection of the winning entity:
1. A design-build competition based on performance, specifications, and criteria set forth by the awarding authority in the request for proposals.
    - a. Criteria used in this form of evaluation of proposals may include, but not be limited to, items such as proposed design approach, initial and/or life-cycle costs, project features, financing, quality, capacity, schedule, and operational and functional performance of the facility. However, any criteria and methods used to evaluate proposals shall be limited to those contained in the request for design-build proposals.
    - b. Any architectural firms, engineering firms, specialty consultants, or individuals retained by the city to assist in the development of criteria or preparation of the request for proposals shall not be eligible to participate in the competition with any design-build

entity.

- c. Award shall be made to the design-build entity whose proposal is judged as providing best value meeting the interests of the city and meeting the objectives of the project.
2. A design-build competition based on program requirements, performance specifications, and a preliminary design or combination thereof set forth by the awarding authority in the request for proposals. Limited drawings and specifications detailing the requirements of the project may accompany the request for proposals.
  - a. The awarding authority shall establish technical criteria and methodology, including price, to evaluate proposals and shall describe the criteria and methodology of evaluation and selection in the request for design-build proposals.
  - b. Any architectural firms, engineering firms, specialty consultants, or individuals retained by the city to assist in the preparation of the preliminary design or request for proposals shall not be eligible to participate in the competition with any design-build entity.
  - c. Award shall be made to the design-build entity on the basis of the technical criteria and methodology, including price, whose proposal is judged as providing best value in meeting the interests of the city and meeting the objectives of the project.
3. A design-build competition based on program requirements and a detailed scope of work, including any preliminary design drawings and specifications set forth by the awarding authority in the request for proposals.
  - a. Any architectural firms, engineering firms, specialty consultants, or individuals retained by the city to assist in the preparation of the preliminary design or request for proposals shall not be eligible to participate in the competition with any design-build entity.
  - b. Award shall be made on the basis of the lowest responsible and reliable bid.

G. Work Listing. The city recognizes that the design-build entity is charged with performing both design and construction. Because a design-build contract may be awarded prior to the completion of the design, it is often impracticable for the design-build entity to list all subcontractors at the time of the award.

1. It is the intent of the city to establish a clear process for the selection and award of subcontracts entered into pursuant to this division in a manner that retains protection for subcontractors while enabling design-build project to be administered in an efficient fashion.
2. All of the following requirements shall apply to subcontractors, licensed by the state, that are employed on design-build projects undertaken pursuant to this section.
  - a. The design-build entity in each design-build proposal shall specify the construction trades or types of subcontractors that may be named as members of the design-build entity at the time of award. In selecting the trades that may be identified as members of the design-build entity, the design-build entity shall identify the trades deemed essential in the design considerations of the project. All subcontractors that are listed at the time of award shall be afforded the protection of all applicable laws.
  - b. All subcontracts that were not listed by the design-build entity at the time of award in accordance with subsection (G)(2)(a) shall be performed and awarded by the design-build

entity, in accordance with a bidding process set forth in the request for proposals.  
(Ord. CS-046 § 1, 2009)

**§ 3.28.087. Job order contracts.**

Section 100 of the Charter of the City of Carlsbad provides that the City Council shall have full power and authority to adopt laws with respect to municipal affairs. Section 404 provides that the City Council shall have the power to establish procedures and regulations for contracts for the construction of public improvements. As an alternative to the bidding process set forth in this chapter and the California Public Contract Code, and when recommended by the City Manager in writing, there is hereby established a job order procurement and contracting approach.

A. Purpose and Intent. The purpose of this section is to provide definitions and guidelines for the award, use, and evaluation of job order contracts.

B. Definitions. For the purposes of this section, the following definitions apply:

"Job order contract" means a construction contract for minor or recurring construction tasks, including repair, with a firm, fixed price, and indefinite quantity awarded on a unit price basis for all necessary labor, materials, and equipment.

"Task order" means an authorization to perform construction work under a job order contract.

C. Job Order Procurement.

1. Except as specifically set forth in this section, job order contracts are subject to Section 3.28.080.

2. Job order contracts shall have a term no longer than five years, including all modifications.

3. The advertisement for bids and specifications shall contain a maximum dollar amount of the job order contract not to exceed \$1,000,000.00. Any cumulative change orders to a job order contract shall not result in a contract exceeding \$1,000,000.00.

4. The advertisement for bids and specifications shall include unit prices and detailed technical specifications for each construction task to be performed under the job order contract.

5. Contractors submitting bids on a job order contract shall state in their bids an adjustment on a percentage basis either increasing or decreasing the unit prices for all construction tasks set forth in the bid documents.

D. Issuance of Task Orders.

1. Each task order shall include a detailed scope of work and time certain for completion of work. The task order price shall be no more than the sum of the applicable unit prices with the bid adjustment factor.

2. The City Manager or designee shall have authority to issue task orders less than the dollar amount specified in Section 3.28.080(B).

(Ord. CS-307 § 2, 2016)

**§ 3.28.090. Execution of change orders and amendments.**

A. No amendment to an agreement or contract shall be made without the issuance of a written change

order or amendment, and no payment for any such change or amendment shall be made unless a written change order or amendment has first been approved and executed in accordance with this section designating in advance the work to be done and the amount of additional compensation to be paid.

- B. The City Council may by resolution authorize the City Manager or designee to approve change orders on a project to an amount it determines appropriate for a large, complex project.  
(Ord. CS-002 § 2, 2008; Ord. CS-307 § 9, 2016)

#### **§ 3.28.100. Cooperative purchasing.**

The purchasing officer shall have the authority to join with other public or quasi-public agencies in cooperative purchasing plans or programs for the purchase of goods and/or services by contract, arrangement or agreement as allowed by law and as determined by the purchasing officer to be in the city's best interest. The purchasing officer may buy directly from a vendor at a price established by another public agency when the other agency has made their purchase in a competitive manner.

(Ord. CS-002 § 2, 2008)

#### **§ 3.28.110. Exemptions.**

The following procurements, contracts or transactions are exempted, as determined by the awarding authority, from the provisions of this chapter:

- A. Emergency procurements for construction, goods or services;
- B. Goods, services and/or professional services that can be reasonably obtained from only a single source;
- C. Items required matching or being compatible with other goods, furnishings, materials or equipment previously purchased by the city;
- D. Goods, furnishings, types of materials or equipment that have been standardized for the city by the City Manager or by the City Council;
- E. Utility services and related charges;
- F. Goods, services and/or professional services obtained from or through agreement with any governmental, public or quasi-public agency;
- G. Real property leases or purchases and related title and escrow fees;
- H. Insurance and bonds;
- I. Advertising in magazines, newspapers or other media;
- J. Works of art, entertainment or performers;
- K. Library collection materials or services or other books or periodicals;
- L. Membership dues, conventions, training, travel arrangements including hotels, car rentals and airfare;
- M. Surplus personal property owned by another government, public or quasi-public entity;
- N. Situations where solicitations of bids or proposals for goods, services and/or professional services

would be, in the discretion of the awarding authority, impractical, unavailing, impossible, or not in the best interests of the city.

(Ord. CS-002 § 2, 2008)

**§ 3.28.120. Emergencies.**

In cases of emergency, as determined by the City Council, including, but not limited to, states of emergency defined in Government Code Section 8558, as may be amended from time to time, when repair or replacements are necessary to permit the continued conduct of the operation or services of a public agency or to avoid danger to life or property, the City Manager may then proceed at once to replace or repair any public facility or infrastructure and/or procure the necessary goods and/or services adopting the plans, specifications, or working details giving notice of bids to let contracts. Emergency work may be completed by day labor under the direction of the City Manager, or by contractor, or a combination of the two. The City Manager is delegated the power to declare a public emergency subject to confirmation by the City Council, by a four-fifths vote at its next regular meeting following the City Manager declaring a public emergency.

(Ord. CS-002 § 2, 2008)

**§ 3.28.140. Severability.**

If any section, subsection, sentence, clause or phrase of this chapter is for any reason held invalid or unconstitutional by the decision of any court of competent jurisdiction, the decision will not affect the validity of the remaining portions of this chapter. The City Council declares that it would have passed the ordinance codified in this chapter and each section, subsection, sentence, clause or phrase contained in it irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases are declared invalid or unconstitutional.

(Ord. CS-002 § 2, 2008)

## CHAPTER 3.29 DISPOSAL OF SURPLUS CITY PROPERTY

**Note: Prior ordinance history: Ord. Nos. 1198, NS-154, and NS-310.**

### **§ 3.29.010. Duty to report surplus supplies and equipment.**

All departments shall supply to the purchasing officer, at such times and in such forms as prescribed, reports showing all supplies and equipment which are no longer used or which have become obsolete or worn out or otherwise surplus to the needs of the city. The purchasing officer shall have authority to exchange for or trade in such property on new supplies and equipment in accordance with this chapter.

(Ord. NS-613 § 2, 2001)

### **§ 3.29.020. Disposal required.**

The purchasing officer shall determine if any surplus supplies or equipment can be used by any other agency in the city. If such supplies or equipment cannot be used or are unsuitable for city use, the purchasing officer shall, in the manner provided in this chapter, dispose of such supplies and equipment that cannot be exchanged for or traded in on new supplies or equipment.

(Ord. NS-613 § 2, 2001)

### **§ 3.29.030. Authority.**

The purchasing officer is authorized to sell or dispose of surplus personal property having a salvage value in the open market by public auction, through electronic auctions or sales including Internet-based market places, by consignment, by competitive sealed bids, by negotiated sale to other public or quasi-public agencies or by exchange or trade in for new goods.

If the surplus property which is not required for city use has an estimated value of more than the amount established as the City Manager's authority for awarding procurement contracts for goods and services, the City Manager shall dispose of the property as provided by resolution of the City Council.

(Ord. NS-613 § 2, 2001)

### **§ 3.29.040. Property with no salvage value or unable to be sold.**

Surplus property that is determined to be "unable to be sold" or items having no estimated or appraisal value, may be disposed of by the purchasing officer in any manner deemed appropriate, keeping full records of such disposition.

(Ord. NS-613 § 2, 2001)

### **§ 3.29.050. Records.**

The purchasing officer shall provide regular reports to the City Manager which indicate surplus property disposed of, the method of disposal, and the amounts recovered from such disposal efforts. The City Manager shall send to the City Council regular reports of all surplus property that has been disposed of, including the amounts received for the sale of surplus property.

(Ord. NS-613 § 2, 2001)

**§ 3.29.060. Donations.**

In addition to the methods of disposal listed in Section 3.29.030, the City Manager may authorize the disposal of surplus property through donation of such property to a governmental, public or quasi-public agency, charitable or non-profit organization. Upon approval in advance, in writing by the City Manager, surplus personal property may be donated to governmental, public or quasi-public agencies, charitable or non-profit organizations.

(Ord. NS-613 § 2, 2001)

**§ 3.29.070. Proceeds of sale.**

Proceeds from the sale of surplus personal property shall be deposited into the appropriate fund, as determined by the Finance Director.

(Ord. NS-613 § 2, 2001)

**§ 3.29.080. City personnel prohibited.**

No city officer or employee shall purchase surplus city property sold in accordance with this chapter.

(Ord. NS-613 § 2, 2001)

**CHAPTER 3.30  
LOST AND UNCLAIMED PROPERTY**

**§ 3.30.010. Lost property.**

All lost property in the possession of any city personnel shall be placed in the custody of the police department to be held and disposed of in accordance with this chapter.

(Ord. 1198 § 1, 1976)

**§ 3.30.020. Retention authorized—Tagging required.**

- A. All lost and unclaimed property, including bicycles, in the possession of the police department shall be held by the department for a period of at least three months. Lost and unclaimed animals shall be turned over to the San Diego County animal regulation department. Lost and unclaimed perishable property shall be held by the department for at least 24 hours.
- B. All lost and unclaimed property in the possession of the department shall be tagged showing the date and circumstances of its acquisition by the department.

(Ord. 1198 § 1, 1976; Ord. 1268 § 1, 1984; Ord. NS-154 § 2, 1991)

**§ 3.30.030. Restoration to owner—Costs.**

- A. If, during the time that lost and unclaimed property is in the possession of the police department, the owner of the property appears and proves his or her ownership, the department shall restore the property to him or her.
- B. The department may require that the reclaiming owner pay to the department the reasonable costs of storage and care of the property and the costs of publication incurred by reason of compliance with the terms of this chapter.

(Ord. 1198 § 1, 1976)

**§ 3.30.040. Transfer to finder.**

Personal property, except bicycles, which has been held by the department for 90 days, and which has not been returned to the rightful owner, shall be subject to and may be transferred to the finder thereof in accordance with Section 2080.3 of the California Civil Code.

(Ord. 1198 § 1, 1976)

**§ 3.30.050. Disposition to city.**

If, after the expiration of the applicable retention period, the City Manager determines any unclaimed property in the possession of the police department is needed for public use, such property shall be retained by the city.

(Ord. 1198 § 1, 1976)

**§ 3.30.060. Disposition to public authorized.**

After the expiration of the applicable return period all lost and unclaimed property remaining in the custody of the police department shall be sold at public auction to the highest bidder in accordance with this chapter.

(Ord. 1198 § 1, 1976)

**§ 3.30.070. Auction procedure.**

The purchasing officer, on behalf of the Police Chief, shall authorize a public auction at least once each year, or more frequently if, in the judgment of the Police Chief, it is necessary for the more immediate disposition of lost or unclaimed property. The date of a public auction shall be not less than five days following the publication in a newspaper of general circulation in the city, printed and published in the county, of a notice of the sale at public auction of lost and unclaimed property. The public auction may, but is not required to be conducted over the Internet. Property purchased at public auction shall not be reclaimable by the original owner.

(Ord. 1198 § 1, 1976; Ord. NS-590 § 2, 2001)

**§ 3.30.080. Auction proceeds.**

All proceeds from the sale at public auction of lost or unclaimed property, including bicycles, shall be deposited in the general fund of the city.

(Ord. 1198 § 1, 1976)

**§ 3.30.090. Authorization to destroy.**

After the expiration of the applicable retention period all lost and unclaimed property which is deemed to be of limited or no value, or which is a thing which is commonly not the subject of sale, may be destroyed or otherwise disposed of by the city. All unclaimed property remaining unsold after being offered for sale at public auction may be destroyed or otherwise disposed of by the city.

(Ord. 1198 § 1, 1976)

**§ 3.30.100. City personnel prohibited.**

No city officer or employee may claim property as a finder or purchase lost or unclaimed property sold in accordance with this chapter.

(Ord. 1198 § 1, 1976)

## CHAPTER 3.32 CLAIMS AND DEMANDS

### **§ 3.32.010. Payment of demands.**

Demands, before payment, shall be processed in accordance with the following procedure:

- A. Demands other than payroll demands shall, before payment, be duly certified:
  1. By the department head for whom the work was performed;
  2. By the Finance Director that such demands conform to the budgetary allowances set forth by the City Council.
- B. Payroll demands shall, before payment, be duly certified as follows: The department heads shall certify or approve departmental attendance or payroll records for employees in their departments. The Finance Director shall certify attendance or payroll records for other officers and employees.
- C. After demands have been certified in accordance with the foregoing, the Finance Director shall prepare warrants upon funds of the city as authorized by the City Council in appropriate budgetary and salary resolutions. For other than payroll warrants, the Finance Director shall indicate on each warrant the fund from which such warrant demands are to be paid and the purpose for which such warrant is issued. The Finance Director shall then transmit the prepared warrants to the City Treasurer and the Mayor for signature. The signature of the Mayor and the treasurer may be affixed by a stamped facsimile of their signature by an authorized representative.

(Ord. 1215 § 2, 1979; Ord. 1294 § 1, 1987)

### **§ 3.32.020. Ratification of payment of demands.**

Warrants and payroll checks on checks drawn in payment of demands or payroll obligations certified or approved by the Finance Director as conforming to the city's budget as adopted or amended by council shall be presented to the City Council in the form of an audited comprehensive annual financial report.

(Ord. 1215 § 2, 1979; Ord. 1294 § 2, 1986)

### **§ 3.32.025. Submitting false claims—Monetary penalties.**

- A. Any contractor, subcontractor or consultant who commits any of the following acts may be liable to the city for three times the amount of damages which the city sustains because of the act of that contractor, subcontractor or consultant. A contractor, subcontractor or consultant who commits any of the following acts shall also be liable to the city for the costs, including attorney's fees, of a civil action brought to recover any of those penalties or damages, and may be liable to the city for a civil penalty of up to \$10,000.00 for each false claim:
  1. Knowingly presents or causes to be presented to an officer or employee of the city a false claim or request for payment or approval;
  2. Knowingly makes, uses or causes to be made or used a false record or statement to get a false claim paid or approved by the city;
  3. Conspires to defraud the city by getting a false claim allowed or paid by the city;
  4. Knowingly makes, uses or causes to be made or used a false record or statement to conceal, avoid or decrease an obligation to pay or transmit money or property to the city;

5. Is a beneficiary of an inadvertent submission of a false claim to the city, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the city within a reasonable time after discovery of the false claim.
- B. This section does not apply to any controversy involving an amount of less than \$500.00 in value. For purposes of this subsection, "controversy" means any one or more false claims submitted by the same contractor, subcontractor or consultant in violation of this section.
- C. Every contract performed at the expense of the city, or the costs of which are paid for out of monies deposited in the treasury of said city, whether directly awarded or indirectly by or under subcontract, subpartnership, day labor, station work, piece work, or any other arrangement whatsoever, shall contain a clause reciting the provisions of subsection A of this section.
- D. Liability under this section shall be joint and severable for any act committed by two or more persons.
- E. For purposes of this section, the terms "contractor" and "subcontractor" shall have the same definitions as found in Section 4113 of the Public Contract Code. The term "consultant" shall be broadly defined to include any person or entity that provides services to the city.
- F. For purposes of this section, "claim" includes any request or demand for money, property or services made to any employee, officer or agent of the city, or to any contractor, subcontractor, grantee or other recipient, whether under contract or not, if any portion of the money, property or services requested or demanded issued from, or was provided by, the city.
- G. For purposes of this section, "knowingly" means that a contractor, subcontractor or consultant, with respect to information, does any of the following:
1. Has actual knowledge of the information;
  2. Acts in deliberate ignorance of the truth or falsity of the information;
  3. Acts in reckless disregard of the truth or falsity of the information. Proof of specific intent is not required and reliance on the claim by the city is also not required.

(Ord. NS-313 § 1, 1995; Ord. NS-681 § 1, 2003)

#### **§ 3.32.026. Disqualification of irresponsible contractors—Effect of disqualification.**

- A. Any contractor, subcontractor or consultant who fails to comply with the terms of its contract with the city or the provisions of this chapter may be declared an irresponsible bidder, after a hearing in accordance with Section 3.32.028. Upon a determination of irresponsibility, the contractor, subcontractor or consultant (or any other entity with substantially the same officers, directors, owners or principals) shall not be permitted to submit bids, contract, subcontract, or conduct business on any public work or improvement for the city for the period of the debarment. The contract of any such person or entity may, at the option of the City Manager, be canceled and in the event of such cancellation, no recovery shall be had thereon by the contractor, subcontractor or consultant.
- B. Any one of the following acts or omissions may constitute grounds for temporary debarment of three to five years:
1. The contractor, subcontractor or consultant unsatisfactorily performed a contract;
  2. The contractor, subcontractor or consultant unjustifiably failed to honor or observe contractual obligations or legal requirements pertaining to the contract;

3. The contractor, subcontractor or consultant used substandard materials or has failed to furnish or install materials in accordance with the contract requirements, even if the discovery of the defect is subsequent to acceptance of the project and expiration of the warranty thereof, if such defect amounts to intentionally deficient or grossly negligent performance of the contract under which the defect occurred;
  4. The contractor, subcontractor or consultant willfully failed to cooperate in the investigation or hearing of the proposed debarment;
  5. The contractor, subcontractor or consultant performs, or fails to perform, the contract in such a way that significant environmental damage results, or a violation of environmental laws or permits is committed; or
  6. The contractor substitutes a subcontractor in violation of Section 4100 et seq., of the Public Contract Code (Subletting and Subcontracting Fair Practices Act).
- C. Any of the following may constitute grounds for permanent debarment of the contractor, subcontractor or consultant:
1. Any violation of Section 3.32.025(A);
  2. A final conviction under any state or federal statute or municipal ordinance, including a plea of nolo contendere, or final unappealable civil judgment of any one or more of the grounds listed below:
    - a. Embezzlement, theft, fraudulent schemes and artifices, fraudulent schemes and practices, bid rigging, perjury, forgery, bribery, falsification or destruction of records, receiving stolen property or any offense demonstrating a lack of business integrity, business honesty or responsibility on the part of the contractor, subcontractor or consultant's responsibility;
    - b. A criminal offense arising out of obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of such a contract;
    - c. Violations of the California Government Code, Section 84300 or 84301 (sections of the California Political Reform Act requiring disclosure of the true campaign donor) or Section 1.13.025 of the Carlsbad Municipal Code, relating to any city election, or any amendments to the code;
    - d. Fraud or criminal offense in connection with obtaining a public contract;
    - e. Conviction under federal or state antitrust statutes involving public contracts;
  3. Any two or more of the acts or omissions specified in Section 3.32.026(B).
- D. In addition to all other remedies permitted by law, the City Council may, upon the recommendation of the City Manager and upon advice of the City Attorney, by resolution, declare a bidder or contractor ineligible to bid on city procurement and public works contracts based upon any debarment of the contractor, subcontractor or consultant by another governmental agency, for the debarment period designated by the other agency.

(Ord. NS-313 § 2, 1995; Ord. NS-342 §§ 1, 2, 1996; Ord. NS-681 § 2, 2003)

#### **§ 3.32.027. Conduct required of responsible contractors.**

The covenant of good faith and fair dealing is contained in every city contract, and contractors,

subcontractors and consultants shall at all times deal in good faith with the city and shall submit claims, requests for equitable adjustments, requests for change orders, requests for contract modifications or requests of any kind seeking increased compensation on a city contract only upon a good faith, honest evaluation of the underlying circumstances and a good faith, honest calculation of the amount sought. Violation of this section subjects the contractor, subcontractor or consultant to the penalties set forth in this chapter, including disqualification. The act of knowingly submitting a false, untrue or misleading claim, request for equitable adjustment, request for contract modification, request for change order or request of any kind seeking increased compensation is sufficient of itself to subject the contractor, subcontractor or consultant to the penalties stated in this chapter, regardless of the city's reliance on, or response to, the submission.

(Ord. NS-313 § 3, 1995)

**§ 3.32.028. Procedures for disqualification of irresponsible contractors.**

- A. When an action is brought pursuant to Section 3.32.025, 3.32.026 or 3.32.027 of this chapter, the contractor, subcontractor or consultant shall be given notice of the charges and of all evidence supporting such charges. The contractor, subcontractor or consultant or its attorney shall be entitled to offer rebuttal evidence and any other evidence in support of its position.
- B. The city shall schedule a hearing, as soon as practicable upon delivery of the notice to the contractor, where all evidence supporting grounds for debarment shall be presented. The hearing shall be conducted before an unbiased arbitrator with expertise in the area related to the contract. Any such hearing shall be conducted pursuant to the applicable sections of the American Arbitration Association's Construction Industry Arbitration Rules, or other applicable arbitration rules. The arbitrator shall follow and comply with all applicable California case, statutory, and regulatory law in arriving at a decision. The City Attorney may, in his or her discretion, appoint outside counsel to prosecute the charges.
- C. The parties shall attempt to agree upon an unbiased third-party arbitrator. If unable to agree, each party shall select an arbitrator. The two selected arbitrators shall agree on a third arbitrator, who will conduct the hearing. The parties shall share the costs of conducting the hearing before an arbitrator.
- D. A decision of the arbitrator, making a finding of irresponsibility, is final and effective 10 calendar days after a written determination and delivery of the decision to the parties, unless within the 10-day period following delivery, the contractor, subcontractor or consultant, or the City Manager, submits a written appeal to the City Council, filed with the City Clerk for the City Council. The written appeal shall specifically state the reason(s) for the appeal and the manner in which the decision of the arbitrator is in error. Fees for filing an appeal under this section shall be established by resolution of the City Council.
- E. The decision of the arbitrator shall be affirmed by the City Council unless the appellant shows by a preponderance of the evidence that the decision of the arbitrator is in error or inconsistent with state law. The appeal hearing shall be held as soon as practicable after the date of filing the appeal. Within 10 days following the conclusion of the hearing, the City Council shall render its decision on the appeal. The decision of the City Council is final.
- F. All proceedings shall be as informal as is compatible with the requirements of justice. The arbitrator and/or City Council need not be bound by the common law or statutory rules of evidence and procedure, but may make inquiries in the matter through all means and in a manner best calculated to make a just factual determination.

(Ord. NS-313 § 4, 1995; Ord. NS-681 § 3, 2003)

**§ 3.32.029. Notice.**

Whenever a notice is required to be delivered under this chapter, the notice shall be delivered by any one of the following methods. Service is effective as described herein unless different provisions are specifically stated to apply:

- A. Personal Delivery. Service shall be deemed effective on the date of delivery. Proof of delivery of notice may be made by the certification of any designated person over the age of 18 years by declaration under penalty of perjury. The proof shall show that the delivery was done in conformity with this section or other provisions of law applicable to the subject matter concerned.
- B. Certified Mail, Postage Prepaid, Return Receipt Requested. Service shall be deemed effective on the date of mailing. If a notice is sent simultaneously by regular mail and the notice of certified mail is returned unsigned, then service by regular mail will be deemed effective on the date mailing provided the regular mail notice is not returned.
- C. Publication. Service shall be deemed effective on the first date of publication.

(Ord. NS-681 § 4, 2003)

**§ 3.32.030. Refunds.**

- A. When not otherwise prohibited by law, the City Manager may authorize a refund in an amount up to \$25,000.00 for monies that were erroneously paid to or collected by, but not actually due to the city at the time the funds were received, such as overpayments or duplicate payments.
- B. A written request for refund, signed by the person paying the fee or by the department head of the requesting department shall be filed with the Finance Director setting forth the facts and reasons which justify the request.
- C. The Finance Director shall investigate the request and forward the request and his or her recommendation to the City Manager or designee.
- D. The City Manager or designee shall make written findings that support the authorization for refund and shall send to the City Council regular reports of refunds exceeding \$10,000.00.
- E. The City Manager may also authorize a refund when the request for refund is based on the withdrawal of an application for a development project requiring a fee for city services, including, but not limited to, checking of improvement plans, review of tentative tract maps, site development plans, conditional use permits, or other similar zoning permits and building permits. The city shall retain a portion of the application fee as compensation for staff time invested in the acceptance and processing functions through the time the refund was requested. The appropriate department head shall provide the Finance Director with an estimate of the number of hours spent in processing any such application or permit as the basis for the city's retention. The City Manager may then authorize the refund of any remaining balance.
- F. Upon receipt of proper authorization, the Finance Director shall make the refund.

(Ord. 1215 § 2, 1979; Ord. 1284 § 1, 1985; Ord. 142 § 1, 2011)

**§ 3.32.040. Claims for damage.**

- A. No claim for damages against the city shall ever be allowed or paid unless there has been first filed with the City Clerk a claim therefor within the time periods required by subsection B of this section. All such claims for damages shall be first verified by the claimant before an officer authorized to

administer oaths.

- B. A claim relating to a cause of action for death or for injury to person or to personal property or growing crops shall be filed not later than six months after the accrual of the cause of action. A claim relating to any other cause of action shall be filed not later than one year after the accrual of the cause of action.

(Ord. 1215 § 2, 1979; Ord. 1296 § 5, 1987; Ord. NS-150 § 1, 1991)

**CHAPTER 3.34  
SECURITIES AND RETENTIONS**

**§ 3.34.010. Securities and retentions held in trust.**

Whenever security or a retention of funds is required under the Carlsbad Municipal Code or under the terms of a contract with the city, that security or retention shall be held in trust for the City of Carlsbad. (Ord. NS-229 § 1, 1993)

## CHAPTER 3.36 FEES FOR SPECIAL POLICE SERVICES

### **§ 3.36.010. Established.**

- A. A fee established by City Council resolution shall be paid whenever special police services are provided by the Carlsbad police department. The fee shall not exceed the cost of providing the service.
- B. For the purposes of this chapter, "special police services" includes, but is not limited to, providing crime reports, accident reports, fingerprinting, photographs, clearance letters and patrol or security officers or equipment for special events.

(Ord. 1263 § 1, 1983)

### **§ 3.36.020. Special events.**

- A. Whenever a special event, including, but not limited to exhibits, fairs, athletic events, trade shows, concerts or conventions, requires any permit under the provisions of this code the Chief of Police may, as a condition of the permit, require that patrol or security officers or equipment be provided.
- B. The patrol or security officers or equipment provided shall be approved by the Chief of Police.
- C. The Chief of Police may require that the patrol or security officers or equipment shall be provided by the Carlsbad police department as a special police service.
- D. Whenever patrol or security officers or equipment shall be provided by the Carlsbad police department the applicant shall deposit with the city security in a form acceptable to the Chief of Police, or cash, in an amount sufficient to guarantee payment for the cost of providing the special police service.
- E. Whenever a person holding an event not requiring a permit requests special police services the provisions of this section shall apply.

(Ord. 1263 § 1, 1983)

### **§ 3.36.030. Waiver of fees.**

Governmental agencies and nonprofit corporations, agencies, or organizations whose nonprofit status is listed and declared by the State of California may request a waiver of the fees from the City Council.  
(Ord. 1263 § 1, 1983)

### **§ 3.36.040. Fee for police services at parties requiring a second response.**

- A. It is the purpose of this section to recover the city's costs for second or subsequent responses to the scene of a party when the police officer determines that continued activity is a threat to the peace, health, safety or general welfare of the public. Return calls to a party to disperse uncooperative participants is a drain on personnel and resources often leaving other areas of the city without adequate levels of police protection which creates a hazard to the public, requires resources over and above the level of police services normally provided and constitutes a public nuisance the costs for which should be paid by the responsible person.
- B. For the purpose of this section, the following definitions shall apply:  
"Costs of a second or subsequent responses" include the salaries of the police officers for the amount

of time actually spent in responding to or remaining at the party, at a rate established by the City Manager plus the actual cost of any medical treatment to injured city employees and the cost of repairing any damaged city equipment or property.

"Party" includes a gathering or event where a group of persons have assembled or are assembling on private property for a social occasion or social activity which may constitute a disturbance of the peace in violation of California Penal Code Section 415.

"Responsible person" is the person or persons who own the property where the party takes place or who are in charge of the premises or who organized the party. If the responsible person is a minor, then the minor's parents or guardians will jointly and severally be liable for the costs.

- C. During a first response to a complaint of a disturbance at a party, the responding officer may, among other things, deliver to the responsible person a "Notice of Violation: First Response" which shall contain a message substantially as follows:

This notice of violation is given to you as a result of a first response by the City of Carlsbad to a disturbance of the peace occurring in violation of California Penal Code Section 415. You will be charged all City personnel and equipment costs incurred as a result of any second or subsequent response by the police to this location.

The notice may also contain such other information as deemed necessary by the City Manager to accomplish the purposes of this section.

- D. If the city is required to make a second or subsequent response to a party and a "Notice of Violation: First Response" has been delivered to the responsible person, then the city shall compute the costs of such response. A bill for the costs incurred by the city for its second and subsequent responses shall be prepared and delivered to the responsible person who shall be liable for its payment. The amount of the charge shall be deemed a debt to the city of the responsible person who shall be liable in an action brought in the name of the city for recovery of such amount, including reasonable attorney's fees.
- E. The City Manager is authorized to adopt appropriate procedures for billing and other matters necessary for the administration of this section.
- F. Any person aggrieved by any decision of the City Manager to bill for costs of a second or subsequent response may appeal to the City Council by filing a notice of appeal with the City Clerk within 15 days of the date of the billing. Upon the filing of such request, the City Clerk shall set a time and place for the hearing and shall notify the appellant thereof. At the hearing, any person may present evidence in opposition to or in support of the appellant's case. At the conclusion of the hearing, the City Council may affirm, reverse or modify the decision and the decision of the City Council shall be final.

(Ord. NS-84 § 1, 1989)

**CHAPTER 3.37  
CARLSBAD TOURISM BUSINESS IMPROVEMENT DISTRICT**

**§ 3.37.010. Definitions.**

"Hotel" shall have the meaning defined in Section 3.12.020 of the Carlsbad Municipal Code.  
(Ord. NS-778 § 1, 2005)

**§ 3.37.020. Procedure and findings.**

This chapter is made and enacted pursuant to the provisions of the Parking and Business Improvement Area Law of 1989 (Sections 36500, et seq., of the Streets and Highways Code) (the "law").

- A. On September 13, 2005, the City Council of the City of Carlsbad adopted Resolution No. 2005-281 entitled, "A Resolution of Intention of the City Council of the City of Carlsbad, California, Declaring the Intention of the City Council to Establish the Carlsbad Tourism Business Improvement District (CTBID), Fixing the Time and Place of a Public Meeting and Public Hearing Thereon and Giving Notice Thereof."
- B. Said Resolution No. 2005-281 was published and copies thereof were duly mailed and posted, all as provided by said law and said Resolution No. 2005-281.
- C. Pursuant to said Resolution No. 2005-281, a public meeting concerning the formation of said district was held before the City Council of the City of Carlsbad on October 11, 2005 at 6:00 p.m. in the council chambers of the City Hall of the City of Carlsbad.
- D. Pursuant to said Resolution No. 2005-281, a public hearing concerning the formation of said district was held before the City Council of the City of Carlsbad on November 8, 2005 at 6:00 p.m. in the council chambers of the City Hall of the City of Carlsbad.
- E. All written and oral protests made or filed were duly heard; evidence for and against the proposed action was received; a full, fair and complete hearing was granted and held.
- F. The City Council determined that there was no majority protest within the meaning of Section 36525 of the law.
- G. Following such hearing, the City Council hereby finds that the hotel businesses lying within the district herein created, in the opinion of the City Council, will be benefited by the expenditures of funds raised by the assessment or charges proposed to be levied hereunder.

(Ord. NS-778 § 1, 2005)

**§ 3.37.030. Establishing the Carlsbad Tourism Business Improvement District.**

Pursuant to said law, the Carlsbad Tourism Business Improvement District (CTBID) is hereby established in the City of Carlsbad as herein set forth and all hotel businesses in the district established by this chapter shall be subject to any amendments made hereafter to said law or to other applicable laws.

(Ord. NS-778 § 1, 2005)

**§ 3.37.040. Boundaries.**

The boundaries of the CTBID shall be the boundaries of the City of Carlsbad as shown on the map labeled Exhibit A attached to the ordinance codified in this chapter and found on file in the City Clerk's office.  
(Ord. NS-778 § 1, 2005)

**§ 3.37.050. Levy and collection of assessments.**

The CTBID will include all hotel businesses located within the CTBID boundaries. An assessment shall be levied on all hotel businesses, existing and future, within the City of Carlsbad of two percent of gross short-term room rental revenue for all transient occupancies as defined in Section 3.12.020 of the Carlsbad Municipal Code. The amount of the assessment shall be separately stated from the amount of the rent and other taxes charged, and each transient shall receive a receipt for payment from the operator. The assessment will be collected monthly, based on two percent of gross short-term room rental revenue for the previous month. New hotel businesses within the boundaries will not be exempt from the levy of assessment authorized by Section 36531. Assessments pursuant to the CTBID shall not be included in gross room rental revenue for purpose of determining the amount of the transient occupancy tax. No assessment shall be imposed upon occupancies of any federal or State of California officer or employee when on official business nor on occupancies of any officer or employee of a foreign government who is exempt by reason of express provision of federal law or international treaty.

(Ord. NS-778 § 1, 2005; Ord. CS-381 § 2, 2020)

**§ 3.37.055. Refund of assessments.**

- A. When not otherwise prohibited by law, the CTBID Advisory Board may authorize a refund in any amount for assessment monies that were erroneously paid to or collected by, but not actually due to the CTBID at the time the funds were received, such as overpayments or duplicate payments.
- B. A written request for refund, signed by the person paying the fee shall be filed with the City of Carlsbad Finance Director setting forth the facts and reasons which justify the request.
- C. The Finance Director shall investigate the request and forward the request and his or her recommendation to the CTBID Advisory Board.
- D. The CTBID Advisory Board shall make written findings that supports the authorization for refund and shall send to the City Manager regular reports of assessments refunds exceeding \$10,000.00.
- E. Upon receipt of proper authorization, the Finance Director shall make the assessment refund.
- F. All requests for refund of assessments fees paid in error shall be made within one year of the date in which the assessment payment made in error was posted to the CTBID account.

(Ord. CS-185 § 1, 2012)

**§ 3.37.060. Ordering the collection of assessments.**

The City Council hereby levies and imposes and orders the collection of an additional assessment to be imposed upon persons occupying hotel business premises in the proposed district described above, which shall be calculated pursuant to Section 3.37.050 above. Such levy shall begin on January 1, 2006.

(Ord. NS-778 § 1, 2005)

**§ 3.37.070. Use of proceeds from assessments.**

The proceeds of the additional hotel business assessment shall be spent to administer marketing and visitor programs to promote the City of Carlsbad as a tourism visitor destination and to fund projects, programs, and activities, including appropriate administrative charges, that benefit hotels within the boundaries of the district. Funds remaining at the end of any CTBID term may be used in subsequent years in which CTBID assessments are levied as long as they are used consistent with the requirements of this section. The City Council of the City of Carlsbad shall consider recommendations as to the use of said revenue made by the

Advisory Board created by Section 3.37.100 of this chapter.  
(Ord. NS-778 § 1, 2005)

#### **§ 3.37.080. Penalty for nonpayment of assessment.**

Any hotel business that fails to remit any assessment imposed by this chapter within the time required shall pay a penalty of 10% of the amount of the assessment in addition to the amount of the assessment. Any hotel business that fails to remit any delinquent remittance on or before a period of 30 days following the date on which the remittance first became delinquent shall pay a second delinquency penalty of 10% of the amount of the assessment and the 10% penalty first imposed. In addition to the penalties imposed, any hotel business that fails to remit any assessment imposed by this chapter shall pay interest at the rate of one and one-half percent per month or fraction thereof on the amount of the assessment, exclusive of penalties, from the date on which the remittance first became delinquent until paid.

(Ord. NS-778 § 1, 2005)

#### **§ 3.37.090. Assessments to be used within the district.**

The improvements and activities to be provided in the CTBID will be funded by the levy of the assessments. The revenue from the levy of assessments within the CTBID shall not be used to provide improvements or activities outside the CTBID or for any purpose other than the purposes specified in the resolution of intention.

(Ord. NS-778 § 1, 2005)

#### **§ 3.37.100. Advisory Board.**

The Advisory Board for the district is hereby appointed pursuant to Section 36530 of the law. The initial members and the powers and duties of the Advisory Board shall be set forth in a separate resolution adopted by the City Council. It shall be the purpose of the Advisory Board to make recommendations to the City Council on expenditures for the programs and activities of the CTBID, to make recommendations for its annual budget to be approved by the City Council, and to provide end-of-year financial reports of the CTBID operations as required by the City Council. The powers and duties of the Advisory Board shall be specified by resolution of the City Council. The City Attorney shall serve as the general counsel of the Advisory Board.

(Ord. NS-778 § 1, 2005)

#### **§ 3.37.110. Severability.**

If any section, subsection, sentence, clause or phrase of this chapter is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the chapter. The City Council hereby declares that it would have passed this chapter and each section, subsection, sentence, clause and phrase hereof, irrespective of the fact that any one or more of the sections, subsections, sentences, clauses or phrases hereof be declared invalid or unconstitutional.

(Ord. NS-778 § 1, 2005)

**CHAPTER 3.38  
CARLSBAD GOLF LODGING BUSINESS IMPROVEMENT DISTRICT**

**§ 3.38.010. Definitions.**

"Hotel" shall have the meaning defined in Section 3.12.020 of the Carlsbad Municipal Code.  
(Ord. CS-194 § I, 2012)

**§ 3.38.020. Procedure and findings.**

This chapter is made and enacted pursuant to the provisions of the Parking and Business Improvement Area Law of 1989 (Section 36500 et seq., of the Streets and Highways Code) (the "law").

- A. On September 11, 2012, the City Council of the City of Carlsbad adopted Resolution No. 2012-221 entitled, "A Resolution of Intention of the City Council of the City of Carlsbad, California, Declaring the Intention of the City Council to Establish the Carlsbad Golf Lodging Business Improvement District (CTBID), Fixing the Time and Place of a Public Meeting and Public Hearing Thereon and Giving Notice Thereof."
- B. Said Resolution No. 2012-221 was published and copies thereof were duly mailed and posted, all as provided by said law and said Resolution No. 2012-221.
- C. Pursuant to said Resolution No. 2012-221, a public meeting concerning the formation of said district was held before the City Council of the City of Carlsbad on September 25, 2012 at 6:00 p.m. in the council chambers of the City Hall of the City of Carlsbad.
- D. Pursuant to said Resolution No. 2012-221, a public hearing concerning the formation of said district was held before the City Council of the City of Carlsbad on November 6, 2012 at 6:00 p.m. in the council chambers of the City Hall of the City of Carlsbad.
- E. All written and oral protests made or filed were duly heard; evidence for and against the proposed action was received; a full, fair and complete hearing was granted and held.
- F. The City Council determined that there was no majority protest within the meaning of Section 36525 of the law.
- G. Following such hearing, the City Council hereby finds that the Carlsbad hotels opting in to the district, in the opinion of the City Council, will be benefited by the expenditures of funds raised by the assessment or charges proposed to be levied hereunder.

(Ord. CS-194 § I, 2012)

**§ 3.38.030. Establishing the Carlsbad Golf Lodging Business Improvement District.**

Pursuant to said law, the Carlsbad Golf Lodging Business Improvement District (CGLBID) is hereby established in the City of Carlsbad as herein set forth and hotel businesses that elect to be part of the district established by this chapter shall be subject to any amendments made hereafter to said law or to other applicable laws. The initial members of the Advisory Board shall be set forth in a separate resolution adopted by the City Council.

(Ord. CS-194 § I, 2012)

**§ 3.38.040. Boundaries.**

The boundaries of the CGLBID shall be the boundaries of the City of Carlsbad as shown on the attached

map labeled Exhibit A and found on file in the City Clerk's office.  
(Ord. CS-194 § I, 2012)

#### **§ 3.38.050. Levy and collection of assessments.**

The CGLBID members will include all lodging businesses within the City of Carlsbad that have elected to be part of the district. Businesses may elect to participate in the district by submitting a written letter to the city requesting inclusion no later than May 1 for the following fiscal year. Once a lodging business has submitted a signed request to be included, the assessment shall be mandatory. Participating businesses will be listed in the annual report submitted to the city. The assessment shall be levied on these hotel businesses that have elected to be part of the district for that fiscal year, within the City of Carlsbad based upon a flat fee of two dollars per occupied room per night for all transient occupancies as defined in Section 3.12.020 of the Carlsbad Municipal Code. The amount of the assessment shall be separately stated from the amount of the rent and other taxes charged, and each transient shall receive a receipt for payment from the operator. The assessment will be collected monthly, based on two dollars per occupied room per night in revenues for the previous month. New hotel businesses within the boundaries of the district opening during the term of the district will receive notice of the opportunity to be included at least 30 days prior to the annual hearing. Assessments pursuant to the CGLBID shall not be included in gross room rental revenue for purpose of determining the amount of the transient occupancy tax. No assessment shall be imposed upon occupancies of any federal or State of California officer or employee when on official business nor on occupancies of any officer or employee of a foreign government who is exempt by reason of express provision of federal law or international treaty.

(Ord. CS-194 § I, 2012)

#### **§ 3.38.055. Refund of assessments.**

- A. When not otherwise prohibited by law, the CGLBID Advisory Board may authorize a refund in any amount for assessment monies that were erroneously paid to or collected by, but not actually due to the CGLBID at the time the funds were received, such as overpayments or duplicate payments.
- B. A written request for refund, signed by the person paying the fee shall be filed with the City of Carlsbad Finance Director setting forth the facts and reasons which justify the request.
- C. The Finance Director shall investigate the request and forward the request and his or her recommendation to the CGLBID Advisory Board.
- D. The CGLBID Advisory Board shall make written findings that support the authorization for refund and shall send to the City Manager regular reports of assessments refunds exceeding \$10,000.00.
- E. Upon receipt of proper authorization, the Finance Director shall make the assessment refund.
- F. All requests for refund of assessments fees paid in error shall be made within one year of the date in which the assessment payment made in error was posted to the CGLBID account.

(Ord. CS-194 § I, 2012)

#### **§ 3.38.060. Ordering the collection of assessments.**

The City Council hereby levies and imposes and orders the collection of an additional assessment to be imposed upon persons occupying hotel business premises in the proposed district described above, which shall be calculated pursuant to Section 3.38.050 above. Such levy shall begin on January 1, 2013.

(Ord. CS-194 § I, 2012)

**§ 3.38.070. Use of proceeds from assessments.**

The proceeds of the additional hotel business assessment shall be used to promote golf-related tourism within the boundaries of the CGLBID, as well as marketing related capital improvements such as golf-related signage, golf-related equipment and to pay for related administrative costs. Funds remaining at the end of any CGLBID term may be used in subsequent years in which CGLBID assessments are levied as long as they are used consistent with the requirements of this section. The City Council of the City of Carlsbad shall consider recommendations as to the use of said revenue made by the Advisory Board created by Section 3.38.100 of this chapter.

(Ord. CS-194 § I, 2012)

**§ 3.38.080. Penalty for nonpayment of assessment.**

Any hotel business that fails to remit any assessment imposed by this chapter within the time required shall pay a penalty of 10% of the amount of the assessment in addition to the amount of the assessment. Any hotel business that fails to remit any delinquent remittance on or before a period of 30 days following the date on which the remittance first became delinquent shall pay a second delinquency penalty of 10% of the amount of the assessment and the 10% penalty first imposed. In addition to the penalties imposed, any hotel business that fails to remit any assessment imposed by this chapter shall pay interest at the rate of one and one-half percent per month or fraction thereof on the amount of the assessment, exclusive of penalties, from the date on which the remittance first became delinquent until paid.

(Ord. CS-194 § I, 2012)

**§ 3.38.090. Assessments to be used within the district.**

The improvements and activities to be provided in the CGLBID will be funded by the levy of the assessments. The revenue from the levy of assessments within the CGLBID shall not be used to provide improvements or activities outside the CGLBID or for any purpose other than the purposes specified in the resolution of intention.

(Ord. CS-194 § I, 2012)

**§ 3.38.095. Opting out of the district.**

As stated in Section 3.38.050 of this chapter, the assessment is mandatory for hotel businesses within the City of Carlsbad that have elected to be part of the district. If one of these participating hotel businesses no longer wish to be part of the district, that hotel business must submit a written letter to the City requesting exclusion no later than May 1 for the following fiscal year. The hotel business shall cease collecting the assessment as of July 1. The exiting hotel business shall have 180 days after July 1 to request reimbursement of any remaining funds. After 180 days, any remaining funds of that hotel business shall revert to the CGLBID for administrative costs.

(Ord. CS-321 § 1, 2017)

**§ 3.38.100. Advisory Board.**

The Advisory Board for the district is hereby created pursuant to Section 36530 of the law. The initial members and the powers and duties of the Advisory Board shall be set forth in a separate resolution adopted by the City Council. It shall be the purpose of the Advisory Board to make recommendations to the City Council on expenditures for the programs and activities of the CGLBID, to make recommendations for its annual budget to be approved by the City Council, and to provide end-of-year financial reports of the CGLBID operations as required by the City Council. The City Attorney shall serve as the general counsel of the Advisory Board.

(Ord. CS-194 § I, 2012)

**§ 3.38.110. Severability.**

If any section, subsection, sentence, clause or phrase of this chapter is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the chapter. The City Council hereby declares that it would have passed this chapter and each section, subsection, sentence, clause and phrase hereof, irrespective of the fact that any one or more of the sections, subsections, sentences, clauses or phrases hereof be declared invalid or unconstitutional.

(Ord. CS-194 § I, 2012)

## CHAPTER 3.40 CARLSBAD REIMBURSEMENT FEE

### **§ 3.40.010. Short title.**

This chapter shall be known as the "Carlsbad Reimbursement Fee."

(Ord. CS-281 § 1, 2015)

### **§ 3.40.020. Purpose.**

Chapter 21.90 of the Carlsbad Municipal Code requires the preparation of a local facilities management plan for each local facilities management zone within the city to include, among other provisions, a financing plan establishing various methods of funding the public facilities and improvements identified in such local facilities master plan needed to accommodate development within the related local facilities management zone to fairly allocate the cost of construction of such public facilities and improvements to the various properties within such local facilities management zone.

A local facilities management plan may provide that an owner or developer of property within the related local facilities management zone fund and construct certain required LFMP improvements prior to or concurrent with development of such owner's or developer's property to comply with the phasing schedule and performance standards for such LFMP improvements provided for in the LFMP.

The purpose of this chapter is to establish, in accordance with the freedom afforded to charter cities generally and by the Charter of the City of Carlsbad, a mechanism by which the costs of the construction of LFMP improvements (defined in Section 3.40.030 herein) and certain appurtenant improvements, defined in Section 3.40.030 herein collectively as "eligible improvements," incurred by an owner or developer of property within a local facilities management zone may, as required pursuant to Chapter 21.90, be fairly allocated among the properties within such local facilities management zone and the owner or developer that originally incurred such costs may be reimbursed by the owners of the other properties within the local facilities management zone that would otherwise have been responsible for financing and/or constructing all or some portion of such eligible improvements as a condition of approval of the development of such properties.

(Ord. CS-281 § 1, 2015)

### **§ 3.40.030. Definitions.**

As used in this chapter, the following terms shall have the following meanings:

"Administrative Services Director" shall mean the Administrative Services Director of the city or designee.

"Building permit" means a permit required by and issued pursuant to Chapter 18.04 of the Carlsbad Municipal Code.

"Chapter 21.90" means Chapter 21.90 of the Carlsbad Municipal Code as it may be amended from time to time.

"City" shall mean the City of Carlsbad.

"City Council" shall mean the City Council of the city.

"City Engineer" shall mean the City Engineer or designee.

"Eligible improvements" shall mean those improvements for which the cost of construction thereof may be eligible for reimbursement pursuant to this chapter.

"Eligible incidental costs" shall mean those incidental costs that may be eligible for reimbursement pursuant to this chapter and which the City Engineer determines are reasonable and customary for the work performed or services provided.

"LFMP improvements" means those public facilities and improvements identified in an LFMP that are needed to accommodate development with the LFMZ for which such LFMP was prepared pursuant to Chapter 21.90.

"LFMZ property" or "LFMZ properties" means a property or the properties, as applicable, within a local facilities management zone.

"Local facilities management plan" or "LFMP" shall have the meaning given such term in Chapter 21.90.

"Local facilities management zone" or "LFMZ" means a local facilities management zone established pursuant to Chapter 21.90.

"Occupancy permit" means a permit required by and issued pursuant to Chapter 21.60 of the Carlsbad Municipal Code.

"Project" means any project undertaken on LFMZ properties for the purpose of development. "Project" includes a project involving the issuance of a permit for construction or reconstruction, but not a permit to operate.

"Public agency" shall mean any city or county, whether general law or chartered, special district, school district or any other municipal corporation, district, or political subdivision of the State of California.

"Reimbursement fee" means a fee adopted pursuant to the Charter of the City of Carlsbad, this chapter and any City Council resolution adopted pursuant to this chapter.

"Reimbursement fee study" means a study prepared or caused to be prepared by the City Engineer pursuant to Section 3.40.090 hereto pertaining to a request for establishment of a reimbursement fee.

"Requesting party" means the owner or developer of LFMZ property within an LFMZ that has filed a request pursuant to Section 3.40.050 hereto that the city establish a reimbursement fee pursuant to the provisions of this chapter. "Requesting party" also means, collectively, the owners and/or developers of LFMZ properties within an LFMZ that have jointly filed such a request.

(Ord. CS-281 § 1, 2015; Ord. CS-389 § 5, 2021)

#### **§ 3.40.040. Request for establishment of a reimbursement fee.**

Whenever a requesting party is required by the city to construct eligible improvements the cost of which such requesting party believes will exceed the cost fairly allocable to the requesting party's LFMZ property, the requesting party may file a written request with the City Engineer requesting that the city undertake proceedings pursuant to this chapter to consider the establishment by the city of a reimbursement fee to be imposed on those LFMZ properties located within such LFMZ upon which a portion of the cost of such eligible improvements should be fairly allocated as a condition of approval of the development of such LFMZ properties. Such request must be received by the City Engineer prior to the construction of the eligible improvements for which reimbursement is being requested.

Such a request shall include a description of each eligible improvement in sufficient detail to enable the City Engineer to identify each such improvement and a detailed plat of the applicable LFMZ showing the precise location of each such eligible improvement with respect to each of the LFMZ properties. Such request must also include an engineer's estimate of the cost of construction of such eligible improvements, together with an estimate of the eligible incidental costs for which reimbursement is requested. For any request for which the requesting party consists of multiple owners and/or developers that are jointly filing

such request, such request must be executed by all such owners and developers and must include the designation of one party to whom the city is authorized and directed to make all reimbursement payments, together with an acknowledgment that the city shall have no responsibility whatsoever for determining the allocation of reimbursements among such owners and/or developers or making such allocation to such owners and developers. The requesting party shall, at such requesting party's expense, also mail a copy of such request to the owner of each LFMZ property and the requesting party shall file proof of such mailing satisfactory to the City Engineer.

The request of such requesting party shall not be deemed to be complete until:

- A. The City Engineer has received satisfactory proof of the mailing of the requesting party's request for establishment of a reimbursement fee; and
- B. The Administrative Services Director has received the initial deposit from the requesting party as required pursuant to Section 3.40.050 below.

(Ord. CS-281 § 1, 2015)

#### **§ 3.40.050. Deposits.**

All city and consultant costs incurred in the implementation of a request for the establishment of a reimbursement fee pursuant to the provisions of this chapter, the preparation of the reimbursement fee study for such reimbursement fee request, the proceedings to establish a reimbursement fee, the amendment of the reimbursement fee study pursuant to Section 3.40.120 and the proceedings to consider the adjustment of a reimbursement fee pursuant to Section 3.40.120 will be paid by the requesting party by advance deposit with the city of monies sufficient to pay all such costs.

Each request for the establishment of a reimbursement fee shall be accompanied by an initial deposit in an amount to be determined by the Administrative Services Director to be adequate to fund the initial review of the request, preparation of the reimbursement fee study and the proceedings to implement the reimbursement fee request. If additional funds are required to pay implementation costs, the Administrative Services Director may make written demand upon the requesting party for such additional funds and the requesting party shall deposit such additional funds with the city within five working days of the date of receipt of such demand. Upon the depletion of the funds deposited by the requesting party for such costs, all work related to the preparation of the reimbursement fee study and all proceedings related to the establishment of such reimbursement fee shall be suspended until receipt by the city of such additional funds as the Administrative Services Director may demand.

The deposits shall be used by the city to pay for costs and expenses incurred by the city incident to the initial review of the reimbursement fee request, preparation of the reimbursement fee study, proceedings for the consideration of the reimbursement fee request, and the review of the actual costs of construction of the eligible improvements and the eligible incidental costs and proceedings for the consideration of the adjustment of the reimbursement fee pursuant to Section 3.40.120, including, but not limited to, legal, reimbursement fee consulting, engineering, administration and staff costs and expenses, required notifications, printing, and publication costs.

The city shall refund any unexpended portion of the deposits if the requesting party files a written request with the City Engineer that the requesting party is terminating its reimbursement request.

(Ord. CS-281 § 1, 2015)

#### **§ 3.40.060. Improvements eligible for reimbursement.**

Eligible improvements must be LFMP improvements or other additional public improvements identified

in this section that will be owned, operated, or maintained by the city or another public agency and that are constructed pursuant to and in compliance with all applicable requirements of the city, including, without limitation, this chapter, or such other public agency that will own, operate or maintain such eligible improvements. The City Council shall have the final determination as to the eligibility of any improvements for reimbursement. Such eligible improvements may include, but are not limited to:

- A. Streets and Highways. Arterial streets, highways, major bridges, and freeway interchanges constituting LFMP improvements for an LFMZ. If the primary purpose of completing a circulation link is met, and overriding public interest is shown, then public facilities increasing traffic capacity for a circulation element may be considered. Right-of-way must be dedicated or acquired prior to submission of a request for reimbursement. The value of right-of-way required to be dedicated by the owner thereof is generally not eligible for reimbursement except under special circumstances as recommended by the City Engineer.
- B. Additional Public Improvements. If appurtenant to the types of street and highway improvements described in subsection A, the following additional improvements may be considered for reimbursement:
  1. Sewer Lines or Other Sewer Facilities. Sewer lines must be located within the rights-of-way of the arterial streets when the City Engineer has determined it is necessary that they be so located.
  2. Water Lines and Other Water Facilities. Water lines must be located within the public rights-of-way of the arterial streets when the City Engineer has determined it is necessary that they be so located.
  3. Drainage facilities.
  4. Landscape and irrigation facilities.
  5. Recycled water facilities.
  6. Grading for eligible public streets.
  7. The construction of environmental mitigation required for eligible improvements.
  8. Bicycle and pedestrian facilities, if located on land or easements owned or dedicated to the city and accepted as part of the city-wide trail system.
  9. Such other improvements as may be authorized by law and which the City Council determines are consistent with Chapter 21.90 and the applicable LFMP.

Each eligible improvement must be located in public rights-of-way dedicated or otherwise granted to the city or the other public agency that shall own, operate or maintain any such eligible improvement.

Notwithstanding the foregoing, no facility or improvement the financing of which is included in any fee program established for the purpose of financing such facility or improvement by the city or the other public agency that will own such facility or improvement shall be considered to be an eligible improvement. Additionally, dry utilities or other utility improvements that will be owned by a public utility or other private entity shall not be considered to be eligible improvements.

(Ord. CS-281 § 1, 2015)

**§ 3.40.070. Eligible costs.**

Costs of an eligible improvement that shall be eligible for reimbursement pursuant to the provisions of this chapter shall include the following:

- A. The actual costs of construction as determined by the City Engineer to be reasonable and customary costs of the work performed. Costs incurred to expedite the completion of the construction of any eligible improvement within a time period not required by the city or the public agency that will own such eligible improvement will not be eligible for reimbursement.
- B. Eligible incidental costs, as determined by the City Engineer to be reasonable and customary for such incidental costs, that are directly related to eligible improvements the costs of construction of which shall be reimbursed from the related reimbursement fees and that are identified in the "Administrative Procedures for Reimbursable Public Works Projects" as issued by the City Engineer from time to time as eligible incidental costs for public works projects.

The following incidental costs are considered ineligible to be reimbursed from reimbursement fees established pursuant to this chapter:

1. Development impact fees.
2. Administrative or overhead expenses, financial consultant, or legal fees incurred by a requesting party for the establishment of a reimbursement fee. This limitation does not apply to amounts advanced by the requesting party to the city pursuant to the provisions of this chapter to pay for costs incurred by the city to undertake the proceedings to establish reimbursement fees pursuant to this chapter.
3. Land-use planning and subdivision costs and environmental review costs related to such land use planning and subdivision.
4. Environmental impact studies, unless directly related to the project and done separately for the project.
5. Maintenance, monitoring and endowment costs for mitigation land.
6. Construction loan interest.
7. Subdivision financial analysis.
8. Attorney's fees incurred by the property owners or their agents, except as recommended by the City Attorney related to condemnation proceedings.

(Ord. CS-281 § 1, 2015)

**§ 3.40.080. Construction of eligible improvements.**

A requesting party shall solicit at least three bids from licensed contractors for the construction of any eligible improvements for which the requesting party is seeking reimbursement and shall award the contract for the construction of such eligible improvements to the lowest responsible bidder. Nothing in the preceding sentence shall prohibit a requesting party from including more than one such eligible improvement in a single solicitation for bids. In the case where the requesting party does include more than one such eligible improvement in a single solicitation for bids, the requesting party shall award the contract for the construction of such eligible improvements to the bidder submitting the lowest aggregate bid for the construction of all such eligible improvements included in such solicitation.

Following the award of a contract for the construction of an eligible improvement or eligible improvements, the requesting party shall provide to the City Engineer copies of the bid solicitation documents, the names of the contractors from whom such bids were solicited, the results of the bid solicitation including the response provided by each contractor submitting a bid or declining to submit a bid if provided and copies of the executed construction contracts.

Following completion of the construction of the eligible improvements, the requesting party shall submit to the City Engineer: (a) copies of all change orders to the construction contracts, all invoices for the construction of the eligible improvements for which the requesting party is seeking reimbursement and documents satisfactory to the City Engineer evidencing payment for the construction of the eligible improvements; and (b) copies of all contracts related to eligible incidental costs for which the requesting party is seeking reimbursement, all change orders related to such contracts, all invoices for such eligible incidental costs and documents satisfactory to the City Engineer evidencing payment of such eligible incidental costs. All such invoices must be submitted to the City Engineer no later than 60 calendar days following acceptance by the city of the last of the eligible improvements for which the requesting party is seeking reimbursement. Costs represented by invoices received beyond this period of time shall not be eligible for reimbursement.

Following the receipt of such invoices, the City Engineer shall review the invoices and shall determine whether or not the costs represented thereby are reasonable and customary costs for the work performed or the costs incurred. If, in the opinion of the City Engineer, the costs represented by the invoices are higher than that which are customary and reasonable for such work performed or costs incurred, the City Engineer may deny reimbursement for that portion of such costs deemed to be excessive.

(Ord. CS-281 § 1, 2015)

#### **§ 3.40.090. Reimbursement fee study.**

The City Engineer will, following receipt of the documents required to be provided to the City Engineer pursuant to Section 3.40.040 hereto, in the exercise of his or her independent professional judgment, prepare or cause to be prepared a reimbursement fee study for the requested reimbursement fee that will include the following:

- A. A legal description or list of the assessor's parcel numbers of each parcel within the applicable LFMZ, including the properties owned or being developed by the requesting party, upon which the City Engineer determines that a portion of the eligible costs of eligible improvements and eligible incidental costs should be fairly allocated, the name of the owner thereof, street address thereof each such parcel, if any, and the acreage thereof;
- B. A detailed plat showing the precise locations of all of the eligible improvements for which the requesting party has requested reimbursement shown in relation to the parcels identified pursuant to subsection A;
- C. A list of each of the eligible improvements and the estimated cost of the construction of the eligible improvements and each of the estimated eligible incidental costs, as determined by the City Engineer to be reasonable and customary for such eligible improvements and eligible incidental costs;
- D. A determination whether any portion of the cost of the construction of any eligible improvements and related eligible incidental costs may be subject to reimbursement from any existing city impact fee program. If and to the extent that any portion of such costs is subject to reimbursement from such impact fee program, such amount shall be deducted from estimated cost of the construction of such eligible improvements and the related eligible incidental costs;

- E. A report identifying the burden which the development of each parcel, including the parcels owned or being developed by the requesting party, identified pursuant to subsection A in accordance with its zoning and general plan designation and other existing land use entitlements, if any, will impose upon the eligible improvements and the extent to which the development of each such parcel will contribute to the need for or burden upon such eligible improvements;
- F. An explanation of how there is a reasonable relationship between the reimbursement fee's use and the types of projects on which the reimbursement fee may be imposed;
- G. A detailed description of the method of reimbursement fee allocation;
- H. A reimbursement schedule to include a list of all LFMZ properties determined by the City Engineer to be subject to the proposed reimbursement fee with current assessor's parcel number, owner's name, property's street address, and the acreage of such parcels and the proposed reimbursement fee applicable to each such LFMZ property.

Upon completion of a reimbursement fee study the City Engineer shall mail a copy of such study to the requesting party and the owner of each property determined by the City Engineer to be subject to the proposed reimbursement fee as set forth in such reimbursement fee study, together with the notice of the date, time and place of a property owner informational meeting at which the City Engineer or designee shall be available to answer questions regarding the reimbursement fee study. Such notice shall be given at no less than 10 days before the date of such meeting. Such meeting shall be scheduled to occur not less than 20 days prior to the public hearing required to be held pursuant to Section 3.40.110 hereto.

(Ord. CS-281 § 1, 2015; Ord. CS-286 § 2, 2015)

#### **§ 3.40.100. Notice of public hearing.**

Upon completion of the reimbursement fee study pursuant to Section 3.40.080 hereto, the time and place for a public hearing of the City Council shall be set, as part of a regularly scheduled meeting of the City Council, at which oral or written presentations can be made regarding the proposed reimbursement fee. Notice of such public hearing shall be published pursuant to Government Code Section 6062a and such notice shall be mailed to the requesting party and the owner of each parcel that may be subject to the imposition of the proposed reimbursement fee at least 15 calendar days prior to the date set for such public hearing.

(Ord. CS-281 § 1, 2015)

#### **§ 3.40.110. Public hearing and establishment of reimbursement fee.**

The City Council shall hold a public hearing to determine the types of projects that shall be subject to the reimbursement fee and the reimbursement fee that shall be imposed on each project. This reimbursement fee shall only be established if the City Council can make the following findings:

- A. The purpose and use of the reimbursement fee.
- B. Determine how there is a reasonable relationship between the use of the reimbursement fee and the type of project on which the reimbursement fee is imposed.
- C. Determine how there is a reasonable relationship between the need for the eligible improvement and the type of project on which the reimbursement fee is imposed.

At the conclusion of the public hearing, the City Council shall adopt a resolution approving, conditionally approving or denying the establishment of the reimbursement fee. If the City Council approves the establishment of the reimbursement fee, the resolution shall attach as an exhibit thereto a copy of the reimbursement plan as adopted by the City Council and shall set forth the method of reimbursement fee allocation as approved by the City Council.

If the establishment of a reimbursement fee is approved, such resolution shall establish the term that such reimbursement fee shall be in effect and may be collected from LFMZ properties subject to such fee. The term of a reimbursement fee shall be consistent with the term, if any, for a reimbursement agreement specified in the LFMP related to the LFMZ subject to the reimbursement fee, the terms for reimbursement agreements or fees specified or contemplated in legislation or policies pertaining to such reimbursement agreements or fees, including, but not limited to, the ordinances and policies of the city, or the terms for reimbursement agreements previously established by the city, in such order of priority; provided, however, except as provided in Section 3.40.140, no reimbursement fee shall have a term longer than 20 years from the first day of the calendar year following the date of adoption of the resolution of the City Council establishing such reimbursement fee.

If the reimbursement fee is to be subject to escalation, the resolution shall state the rate of escalation applicable to the reimbursement fee.

(Ord. CS-281 § 1, 2015; Ord. CS-286 § 3, 2015)

#### **§ 3.40.120. Adjustment of the reimbursement fee to reflect actual costs.**

Upon completion of the construction of the eligible improvements for which a reimbursement fee has been established and acceptance of such eligible improvements by the city or the other public agency that will own, operate and maintain such eligible improvements and receipt by the City Engineer of the information and documents required to be submitted by the requesting party, the City Engineer shall prepare or cause an amendment to the reimbursement fee study to be prepared to incorporate such actual costs of the eligible improvements and the related eligible incidental costs that are determined by the City Engineer pursuant to Section 3.40.070 to be eligible costs. As to the reimbursement fee applicable to properties owned or developed by the requesting party, the City Engineer shall apply the eligible costs allocated to such properties as a credit against the reimbursement fee applicable to such properties. If and to the extent that the eligible costs allocated to any such properties are less than the reimbursement fee applicable to such properties, the amount of the eligible costs allocable to such properties that shall be subject to reimbursement shall be reduced by the difference between the reimbursement fee applicable to such properties and such eligible costs.

Upon completion of the amendment to the reimbursement fee study, the City Engineer shall mail a copy of such amendment to the requesting party and the owner of each property subject to the reimbursement fee, together with the notice of the date, time and place of a property owner informational meeting at which the City Engineer or designee shall be available to answer questions regarding the amendment to the reimbursement fee study. Such notice shall be given at no less than 10 days before the date of such meeting. Such meeting shall be scheduled to occur not less than 20 days prior to the public hearing required to be held pursuant to this section.

The existing reimbursement fee shall be subject to increase or decrease, as applicable, to reflect differences between the estimated costs of the eligible improvements and the eligible incidental costs utilized to establish the reimbursement fee and the eligible costs of such eligible improvements and eligible improvement costs. Such adjustments may be considered for approval by the City Council following a public hearing thereon for which notice is given pursuant to Section 3.40.100 hereto. At such public

hearing oral or written presentations may be made regarding the proposed adjustment in the reimbursement fee. At the conclusion of such public hearing, adjustments to the reimbursement fee may be made by resolution of the City Council.

(Ord. CS-281 § 1, 2015)

**§ 3.40.130. Adjustment of reimbursement fee for specific projects.**

Upon application filed with the city for approval of the land use entitlements to permit development and construction of a project to be developed on property subject to a reimbursement fee established pursuant to this chapter, the City Engineer shall prepare or cause to be prepared an analysis of the project based upon the land used entitlements reflected in such application and whether there is a reasonable relationship between the amount of the reimbursement fee to which such project would be subject and the cost of the eligible improvements attributable to such project. The City Engineer shall mail a copy of such analysis to the applicant for the entitlement and the owner of such property, if other than the applicant, and the requesting party entitled to reimbursement from the proceeds of the reimbursement fee not less than 20 days prior to the public hearing described in the following paragraph.

The City Council shall, prior to imposing the payment of such reimbursement fee as a condition of approval of such project, hold a public hearing for the purpose of determining whether there is a reasonable relationship between the amount of the reimbursement fee to which such project would be subject and the cost of the eligible improvements attributable to such project. Such public hearing may be consolidated with any public hearing to consider the approval of the land use entitlements for such project. In addition to any other notice of such public hearing required by law, notice of such public hearing shall be mailed to the owner of the property on which such project is proposed to be developed and the requesting party entitled to reimbursement from the proceeds of the reimbursement fee not less than 15 days prior to the date of such public hearing.

At such public hearing oral or written presentations may be made regarding whether there is a reasonable relationship between the amount of such reimbursement fee and the cost of the eligible improvements attributable to such project.

Upon the conclusion of such public hearing, the City Council shall determine whether there is a reasonable relationship between the amount of the reimbursement fee to which such project would be subject and the cost of the eligible improvements attributable to such project. If the City Council determines that there is such a reasonable relationship, the approval of such project may be conditioned with the requirement for the payment of the reimbursement fee. If the City Council determines that there is not a reasonable relationship between the amount of the reimbursement fee to which such project would be subject and the eligible cost of the eligible improvements attributable to the project, the City Council shall adopt a resolution modifying the reimbursement fee so that there is a reasonable relationship between the reimbursement fee, as modified, to which such project will be subject and the eligible cost of the eligible improvements attributable to such project.

(Ord. CS-281 § 1, 2015)

**§ 3.40.140. Imposition of a reimbursement fee.**

Notwithstanding any provisions of the Carlsbad Municipal Code, no permit shall be issued for any project subject to a reimbursement fee established pursuant to this chapter except upon the condition that the reimbursement fee applicable to such project shall be paid in accordance with the provisions of this chapter. The obligation for the payment of a reimbursement fee for any project shall attach at the time the initial grading permit for such project is issued. Such obligation shall continue to apply to such project for a period not to exceed 10 years beyond the term of such reimbursement fee established pursuant to Section

3.40.110.

(Ord. CS-281 § 1, 2015; Ord. CS-286 § 4, 2015)

**§ 3.40.150. Payment of the reimbursement fee.**

The owner or developer of a project subject to the payment of a reimbursement fee established by the City Council pursuant to this chapter shall pay such reimbursement fee prior to issuance of any building permit or occupancy permit for such project; provided, however, that if the Carlsbad Municipal Code provides for development impact fees assessed by the city pursuant to the Charter of the City of Carlsbad or the Mitigation Fee Act (Chapter 5 of Division 1 of Title 7 of the California Government Code) to be collected at a later time, then a reimbursement fee collected pursuant to this chapter shall be collected at the same time as that mandated by the Carlsbad Municipal Code for the payment of such other fees.

In no event shall a final inspection or an occupancy permit be issued for any project subject to a reimbursement fee prior to the payment of such reimbursement fee in full.

A reimbursement fee required to be paid pursuant to this chapter shall be the reimbursement fee in effect at the time of payment.

Notwithstanding anything in the Carlsbad Municipal Code or any other written documentation to the contrary, the reimbursement fee applicable to a project shall be paid whether or not such project is subject to conditions of approval by the city.

For projects for which the city does not require a permit, final inspection or issuance of an occupancy permit, the reimbursement fee applicable to a project shall be paid prior to use or occupancy of such project.

(Ord. CS-281 § 1, 2015)

**§ 3.40.160. Establishment of funds and use of reimbursement fees.**

Reimbursement fees collected under this chapter shall be segregated into a reimbursement fee fund with separate accounts established for each separate reimbursement fee established pursuant to this chapter. Reimbursement fees deposited in such an account may be disbursed solely to reimburse the applicable requesting party for eligible improvements and eligible incidental costs as approved by the City Council in the establishment of such reimbursement fee.

No reimbursement payment shall be made to any requesting party until the construction of all eligible improvements has been completed and such eligible improvements have been accepted by the city or the other public agency that will own such eligible improvements and the adjustment, if any, to the applicable reimbursement fee pursuant to Section 3.40.120 has been approved. If a reimbursement fee shall have paid at the rate initially established pursuant to Section 3.40.110 and such reimbursement fee is reduced pursuant to Section 3.40.120, the city shall refund to the payee of such reimbursement fee the amount by which such reimbursement fee shall have been reduced prior to disbursing any funds on deposit in the applicable account of the reimbursement fee fund to the requesting party.

(Ord. CS-281 § 1, 2015)

**§ 3.40.170. Use of Chapter 3.40 in combination with use of bond financing prohibited.**

Notwithstanding anything to the contrary in this chapter, this chapter may not be used to impose a reimbursement fee on certain LFMZ properties to provide for the reimbursement of the costs of construction of eligible improvements allocable to such LFMZ properties in combination with the levy of special taxes pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, or special

assessments pursuant to the Municipal Improvement Act of 1913 against other LFMZ properties to secure the payment of special tax bonds or limited obligation improvement bonds, as applicable, issued to fund the costs of construction of such eligible improvements allocable to such other LFMZ properties.  
(Ord. CS-281 § 1, 2015; Ord. CS-286 § 5, 2015)

## CHAPTER 5.04 LICENSING BUSINESSES GENERALLY

### **§ 5.04.010. Definitions.**

As used in this title the following words and phrases shall have the following meanings:

"Business" includes professions, trades, occupations and all and every kind of calling whether or not carried on for profit;

"Gross receipts" includes the total amount of the sale price of all sales and the total amount charged or received for the performance of any act or service, of whatever nature it may be, for which a charge is made or credit allowed, whether or not such act or service is done as part of or in connection with the sale of materials, goods, wares or merchandise. Included in gross receipts shall be all receipts, cash, credits and property of any kind or nature without any deduction therefrom on account of the cost of the property sold, the cost of the materials used, labor or service costs, interest paid or payable, or losses or other expenses whatsoever. Gross receipts shall also include all receipts from coin-operated vending machines. Excluded from gross receipts shall be cash discounts allowed and taken on sales; any tax required by law to be included in or added to the purchase price and collected from the customer or purchaser; such part of the sale price of property returned by purchasers upon rescission of the contract of sale as is refunded either in cash or by credit; and amounts collected for others where the business is acting as an agent or trustee to the extent that such amounts are paid to those for whom collected.

(Ord. 6040 § 6, 1967; Ord. 6049 § 1, 1973)

### **§ 5.04.020. License required.**

- A. There are imposed upon persons engaged in the specified businesses in this title, within the city limits, license taxes in the amounts hereinafter prescribed. The license tax shall be due and payable before the commencement of any new business. A penalty charge shall accrue to any new business without a license upon the expiration of one year, or after receiving written notice of this requirement, whichever occurs first. Notification shall be in writing and proof of receipt shall be retained on file by the license collector. The tax shall be increased by a penalty of 25% of the license tax 60 days after it is due, and increased by a penalty of 50% of the license tax 90 days after it is due.
- B. For all previously licensed businesses the license tax shall be due and payable annually in advance on the first day of the month in which the business was originally established. In the event any person fails to pay a license renewal tax, the tax shall be increased by a penalty of 25% of the license tax 60 days after it is due, and increased by a penalty of 50% of the license tax 90 days after it is due.
- C. The Finance Director or designee shall have the discretion to waive all or a portion of penalties imposed for failure to obtain or renew a business license upon a showing of good cause.
- D. Nothing contained in this section shall be construed as permitting the operation of a business, which is intended to be operated for only a limited period of time and on a nonpermanent basis, such as athletic events, carnivals, etc., without having first obtained a business license. Each such license shall show the number of such license, the period of time covered thereby, the name of the person to whom issued, and the location or place where such business is to be commenced or conducted, and upon a detachable portion of such license, shall also show the number of such license and the amount of the fee paid therefor. No error or mistake on the part of the license collector or any other person in the determination, stating or collection of the amount of any license tax shall prevent or prejudice the collection by or for the city of what shall be actually due from anyone commencing or conducting any business subject to a license tax, nor shall the issuance of any license under this title authorize the

commencing or conducting of any business in any zone, district or location within the city, contrary to the provisions of any zoning or other ordinance of the city.

Applications on forms prescribed by the license collector shall be filed annually by each licensee before the issuance of a license. Any person intending to engage in the business of owning, renting, leasing, operating, maintaining or servicing coin-operated vending machines or newsracks shall include with the application a list of the number, type and location of such machines.

For the purposes of determining the correct tax to be collected, the license collector may at any time require a licensee to furnish his or her books of account and records for inspection and audit and may require the production of other documents and information regarding the business as authorized by law. Refusal by a licensee or applicant to furnish such books of account and records upon request therefor by the license collector shall automatically revoke any then existing business license, and shall require the license collector to refuse to issue any further business licenses to the person so refusing. Any and all books of account and records furnished pursuant hereto, and any and all statements made by a licensee for the purpose of obtaining a business license shall be confidential in character and shall not be subject to public inspection or disclosure, except in the proper proceedings before the City Council or a competent court or tribunal. It is unlawful for any person to cause to be disclosed, except as provided in this title, any of the information required to be furnished hereunder to the license collector for purposes of determining the correct tax to be collected.

(Ord. 6040 § 2, 1967; Ord. 6049 § 2, 1973; Ord. 6061 § 1, 1980; Ord. 6073 § 1, 1983; Ord. NS-324 § 1, 1995; Ord. NS-389 § 1, 1997)

#### **§ 5.04.025. Temporary amnesty period.**

To encourage voluntary compliance with this chapter during the city's public awareness campaign, the city establishes a temporary amnesty period for persons or entities currently engaged in a business that should have been but has not previously been licensed under this chapter. Such persons or entities will not be subject to the penalties specified in Section 5.04.020(A) provided they obtain a business license prior to the end of this amnesty period and prior to being cited for a violation under Section 5.04.030.

This section and the amnesty period shall be operative until September 30, 2000, at which time this section and the amnesty period shall be automatically repealed.

(Ord. NS-549 § 1, 2000)

#### **§ 5.04.030. Violations.**

It is unlawful for any person to conduct any business within the city without first having obtained from the city a license so to do, and each day or portion thereof of conduct of such business constitutes a separate violation of this title.

It is unlawful for any person wilfully to make any false statement or representation for the purpose of obtaining a business license pursuant to the provisions of this title.

(Ord. 6040 § 3, 1967)

#### **§ 5.04.040. License nontransferable except for changed location.**

No license issued pursuant to this title shall be transferable; provided, that where a license is issued authorizing a person to transact and carry on a business at a particular place, such licensee may upon application therefor and the paying a fee of one dollar have the license amended to authorize the transacting and carrying on of such business under the license at some other location to which the business is or is to

be moved.  
(Ord. 6040 § 4, 1967)

#### **§ 5.04.050. Duplicate licenses.**

Upon receipt of an affidavit filed in the office of the license collector, by or on behalf of any licensee, stating that any license has been lost or destroyed, the license collector shall issue a duplicate of such license to the licensee therein named. A charge of one dollar shall be made for each such duplicate license issued, which sum shall be paid into the treasury of the city to the credit of the general fund.

(Ord. 6040 § 5, 1967; Ord. 6061 § 1, 1980)

#### **§ 5.04.060. Separate license for each place of business.**

A separate license must be obtained for each branch establishment or separate place of business in which the business licensed is commenced or conducted within the city, except that in the case of vending machines and newsracks only one license per owner/operator need be obtained. Each license shall authorize the licensee named therein to commence or conduct only that business described in such license and only at the location or place indicated therein; provided, however, that where a license is herein imposed on any business the gross receipts or sales of which are made the basis for fixing the amount of the license fee of such license, a separate license fee shall be paid for each branch establishment or separate place of business in which such business is commenced or conducted, based upon the gross receipts or sales of such branch establishment or separate place of business.

(Ord. 6040 § 6, 1967; Ord. NS-324 § 2, 1995)

#### **§ 5.04.070. Posting and display of license.**

All persons conducting businesses within the city at fixed places shall post their licenses issued under this title, except for the detachable portions thereof showing the fees paid, at such places of business.

In all instances in which a license is required under this title for the use of any vehicle, equipment, contrivance or device, the license shall be attached to the vehicle, equipment, contrivance or device. Any person conducting business within the city shall, upon demand therefor by the license collector or properly designated city employee, exhibit his or her license for inspection.

(Ord. 6040 § 7, 1967; Ord. 6061 § 1, 1980)

#### **§ 5.04.080. Exemptions.**

Nothing in this title shall be deemed or construed to apply to any person conducting any of the following businesses:

- A. Any business exempt by virtue of the United States Constitution or statutes of the United States or of the State of California from the payment of such taxes as are prescribed in this title;
- B. Any business conducted under a written franchise from the city;
- C. Any business which is conducted, managed or carried on only for charitable, fraternal or educational purposes, or from which profit is not derived, either directly or indirectly, by any person.
- D. Small or large family day care homes (defined in Sections 21.04.147 and 21.04.128), pursuant to California Health and Safety Code Section 1597.46.

(Ord. 6040 § 8, 1967; Ord. CS-435 § 2, 2022)

**§ 5.04.085. Constitutional apportionment.**

None of the license tax as provided for by Chapters 5.04 and 5.08 shall be so applied as to occasion an undue burden upon interstate commerce or be violative of the equal protection and due process clauses of the Constitutions of the United States and the State of California.

In any case where a license tax is believed by licensee or applicant for a license to place an undue burden upon interstate commerce or to be violative of such constitutional clauses, the licensee or applicant may apply to the City Council for an adjustment of the tax. Such application may be made before, at, or within six months after payment of the prescribed license tax. The burden of proving an undue burden upon interstate commerce or a violation of the equal protection or due process clauses of the Constitutions of the United States and the State of California shall be upon the applicant. The decision of the City Council shall be final.

(Ord. 6063 § 1, 1981)

**§ 5.04.090. Appeals to council.**

In the event of a dispute between an applicant or licensee and the license collector regarding the classification of any business under this title or the amount of the license fee to be paid therefor, then any such applicant or licensee or the license collector/City Attorney, may appeal to the City Council to hear and determine such matter. The appeal shall be taken by addressing a communication to the council in writing, briefly stating the question involved. The communication shall be presented to the City Council at a council meeting within 30 days of its receipt, at which meeting the City Council shall hear such evidence with reference to the subject thereof as may be offered and may continue the hearing from time to time. The findings and decisions of the council after hearing and considering such evidence shall be binding, final and conclusive as to the classification of the business and the amount of license fee involved under this title. Pending the hearing on any such appeal filed by an applicant for a license under this title, no license shall be issued for the business involved in such controversy unless the classification assigned thereto by the license collector is accepted in the mean-time and the license fee therefor paid as provided in this title. Such acceptance and payment shall be deemed made under protest and subject to decision of the council and such adjustment, if any, as the council may order. Appeals by a licensee must be taken within 10 days after the issuance of the license constituting the basis of appeal, and if not so taken shall be waived, and thereafter shall not be considered by the council.

(Ord. 6040 § 9, 1967; Ord. 6061 § 1, 1980)

**§ 5.04.100. Unlawful operation or nuisance.**

The granting of a license under this title shall not be deemed in any sense whatsoever a permit or license to conduct the business referred to therein, in any unlawful manner, or in any manner so as to constitute the same a nuisance.

(Ord. 6040 § 10, 1967)

**§ 5.04.110. Vested rights.**

No provision of this title or any license issued under this title, shall give any vested right pursuant to any license issued, or required to be issued, thereunder, either as to the rates or amounts of license fees, or the terms and durations thereof, and any and all matters provided therein are and shall be subject to repeal, amendment, alteration and change to become effective at the end of any license period, and all licenses for such purposes shall be subject to such ordinances of the city as the city may from time to time establish; provided, that if any license is revoked, the amount of the license fee paid shall be proportioned accordingly, and the proportional part for the unexpired part of the term of such license shall be repaid to

the licensee within 10 days after written demand, or at the licensee's option, credited upon any other license required of him or her.

(Ord. 6040 § 11, 1967)

#### **§ 5.04.120. Refusal to issue to hazardous businesses—Appeal.**

Notwithstanding any of the other provisions of this title, in all those cases where application is made for a license for a business which from its general nature, or the materials, goods, wares, merchandise or commodities handled, or to be handled, constitutes, in the opinion of the license collector, a potential fire hazard, or public safety hazard, the license collector may refuse to issue a license for such business unless and until there has been filed with him or her, in writing, from the Community and Economic Development Director and from the Fire Chief, statements approving the location indicated therefor. The applicant shall have the right of appeal to the City Council from any refusal of the license collector to issue any such license under the provisions of this section, such appeal to be made and heard in substantially the same manner as hereinabove contemplated for appeals under Section 5.04.090.

(Ord. 6040 § 12, 1967; Ord. 6061 § 1, 1980; Ord. 1261 § 5, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

#### **§ 5.04.130. Adjustments.**

If it is found that an additional license fee amount is required from any licensee, the license collector shall bill the licensee for such amount and such amount shall be paid by the licensee within 30 days after the billing. It is unlawful for any licensee to continue to conduct any business within the city if the licensee is billed as provided in this chapter for an additional license fee and fails to pay such additional license fee within 30 days after such billing. In the event it is found that any licensee has paid a license fee amount in excess of that required, the licensee may submit a request for refund to the license collector, who shall investigate the request and forward the request and recommendation to the City Manager or designee. At the request of the licensee, the license collector may, in the license collector's discretion, apply a refund in an amount less than \$25,000.00, or a portion thereof, to the next ensuing license fee payable by such licensee for such business. No minimum license fee or any portion of such minimum fee shall be refunded.

The City Manager reserves the right to pass upon and in his or her discretion either grant or refuse to grant refunds or amounts, or portions thereof, paid as license fees over and above the minimum fee, after ascertaining the facts in each particular case where requests or demand for refund is made or presented.  
(Ord. 6040 § 13, 1967; Ord. 6060 § 1, 1979; Ord. 6061 § 1, 1980; Ord. 142 § 2, 2011)

#### **§ 5.04.140. Permits or franchises in lieu of prescribed licenses.**

In those cases where any other ordinance of the city prescribing a registration or license fee relates to a particular business, or classification therein referred to, then and in all such cases the particular registration or license fees prescribed by such other ordinance shall be paid and shall be in lieu of the business license fees. It is the purpose and intention of the City Council that every business, which is lawfully subject to the payment of a business license tax shall pay such a tax, but in no case to require a duplication of such business license fees or taxes. Nothing contained in this section, however, shall be construed as relating to permits or other fees required to be paid under the building, electricity and plumbing chapters<sup>2</sup> or permits or other fees required to be paid in connection with such matters as building, plumbing, electrical and similar permits or plan checking fees, as all such fees are in addition to the license taxes or registration charges imposed by this and other ordinances of the city.

---

2. Building, electrical and plumbing codes can be found in Title 18 of this code.

(Ord. 6040 § 14, 1967)

**§ 5.04.150. Administration.**

The City Manager shall be responsible for the administration and enforcement of this chapter and may adopt such written procedures as are necessary for its efficient administration. The City Manager's decisions may be appealed within 10 calendar days of the date of the decision to the City Council, whose decision shall be final. Fees for appeal shall be established by resolution of the City Council.

(Ord. NS-549 § 2, 2000)

**§ 5.04.160. (Reserved)**

## CHAPTER 5.08 LICENSE TAXES

### **§ 5.08.010. Based on gross receipts.**

- A. Classification A. Persons engaged in the businesses listed in this subsection shall pay a license tax of \$25.00 plus 40 cents for each \$1,000.00 of annual gross receipts or portion thereof, from the business, but in no event shall the license tax be less than \$30.00.

Coin-operated vending machines  
Newsracks

Public dance halls, ice skating rinks and roller skating rinks, subject to a special permit from the City Council to be first obtained; provided, however, that nothing contained in this chapter shall be construed as abrogating or repealing the provisions of any ordinance or regulation of the city or of the City Council thereof, dealing expressly with the subject of public dance halls or public dances, nor as interfering with any regulatory ordinance or requirement made or adopted with reference thereto by the City Council; provided further, that when a dance is conducted in connection with and only as an incident of any other business duly licensed under the provisions of this chapter, conducting the same shall be subject to special permit from the council to be first obtained.

- D. Classification D. Persons engaged in the businesses listed in this subsection shall pay a license tax of \$25.00 plus 20 cents for each \$1,000.00 of annual gross receipts or portion thereof, from the business, but in no event shall the license tax be less than \$30.00.

Wholesaler  
Manufacturer  
Farmer  
Rancher  
Grower

- E. In the event a person is engaged in a business which conducts activities in two or more of the stated classifications in this section, and does not segregate the gross receipts of such activities, he or she shall pay a license tax on the gross receipts of all the business activities, at the rate applicable to the major or largest single portion of his or her business.
- F. Any business for which a business license tax is not provided herein, shall be taxed upon its gross receipts as if classified in classification B of this section.

(Ord. 6040 § 15, 1967; Ord. 6042 § 1, 1971; Ord. 6049 § 3, 1973; Ord. NS-68 § 1, 1989; Ord. NS-324 § 3, 1995)

**§ 5.08.015. Solicitors and vendors.**

Any person engaged in the business of soliciting, vending or peddling regulated by Chapter 8.32 shall pay a license tax according to Section 5.08.010(C) unless such soliciting, vending or peddling is conducted as an incident to any business regularly licensed under this chapter.

(Ord. 6076 § 3, 1985)

**§ 5.08.020. Distribution of advertising matter.**

The license tax for distributing advertising bills, posters, pictures, lithographs, maps, plates, announcements, samples or other devices, or any other advertising matter of any kind is \$10.00 per day for each individual person engaged in such actual distribution; provided, however, that such license fee shall not be payable when such distribution is made as an incident to the conducting of any business regularly licensed under this chapter, where the things, articles or matter distributed relate to or advertise only the business so licensed, or exclusively the goods, wares or merchandise dealt in by such licensee; provided further, that any distribution made or licensed to be made under this section, must be made in full conformity with the requirements of any other ordinance of the city relating thereto.

(Ord. 6040 § 16, 1967)

**§ 5.08.030. Auctioneer.**

The license tax for auctioning real estate, goods, wares, merchandise or property, or conducting any public auction, sale or sales not hereinabove otherwise provided for in Section 5.08.040, is \$50.00 per day.

(Ord. 6040 § 17, 1967)

**§ 5.08.040. Auctions and bankrupt stock.**

The license tax for auction sales of goods, wares, merchandise or property where goods or property are brought or transported to the premises where such sales are made for the purpose of making or conducting such auction sales; and the selling or offering for sale of a bankrupt stock of goods, wares, merchandise or property of any kind is \$150.00 per year (which shall include the right to the service of one auctioneer for sales at such place only). Before being entitled to a license under this section, the licensee must have filed with the license collector his or her written statement describing the particular stock to be sold, and his or her agreement not to sell anything under such license applied for but the particular stock referred to in such statement; and in the event stock other than that so described is offered for sale or if the advertising relating to such sale is unsure or misleading, the license collector may forthwith revoke the license without notice. With regard to the activities for which a license tax is charged under the provisions of this section, it is further provided that no such license fee shall be required to be paid under this chapter for the selling at auction or at public sale of any goods, wares, merchandise or property belonging to the United States of America, or the state, or the county, or the city, or any governmental agency, or for any sale conducted under or by virtue of, or pursuant to the authority of any process issued out of or by any duly constituted city, county, state or federal court, commission or body, or for the bona fide sale of the household goods, livestock, or farming implements of the owner thereof at the domicile of such owner, or of the assets of the estate of a decedent, or to the sale by the owner thereof of the real or personal property upon which his or her home, domicile or business license under this chapter is located; and the provisions of this section further shall not apply to the selling, or offering for sale of a bankrupt stock of goods, wares, merchandise or property of any kind, transported into the city for the purpose of sale pursuant to the order of any duly constituted city, county, state, or federal court, body, board or tribunal.

(Ord. 6040 § 18, 1967; Ord. 6061 § 1, 1980)

**§ 5.08.050. Automobile wrecking yard.**

The license tax for commencing or conducting an automobile wrecking yard, or any yard where automobiles or other vehicles are torn down, broken up or otherwise taken apart for the salvaging of a part thereof is \$100.00 per year, subject to special permit from the council to be first obtained. It is provided, however, that any license under this section shall not permit the licensee to sell or assemble used motor vehicles if the sale or assembly of such used motor vehicles is covered and regulated by other ordinance provisions of the city, and the persons engaged in such business must qualify for a license and pay the fees prescribed for such type of business according to such provisions.

(Ord. 6040 § 19, 1967)

**§ 5.08.060. Athletic events, shows and similar events.**

- A. Every person desiring to engage in or commence the business of conducting an athletic event, show, circus, game, or similar exhibition or event shall first obtain permission therefor from the City Council. The permission may be upon such conditions as the City Council may impose and shall be revocable by the City Council at any time.
- B. After first having obtained such a permit, persons engaged in said businesses shall pay a license tax of \$125.00 for the first day, \$100.00 for the second day and \$75.00 for each day thereafter.
- C. Anything contained in this chapter to be contrary notwithstanding, persons conducting legitimate theatrical or operatic performances, not as an incident to another business licensed under this chapter shall pay a license tax of \$15.00 per day of performance.

(Ord. 6040 § 20, 1967)

**§ 5.08.070. Contractors, subcontractors and sign painters.**

Any person who engages with the owner or lessee or other person in possession of a lot or parcel of land or building, for the erection, construction or repair of any building or structure in the city, or for the doing of any plumbing, wiring, heating, air conditioning, drainage, irrigation, brick laying, cement work, sewer work, painting, tile work, carpenter work, lathing, plastering, roofing, shingling, sign painting, sign erecting, sign maintaining, landscaping or any other work in connection with any of the building trades, whether the same be by contract at a fixed price, or upon the cost of material and labor basis, or upon the cost of construction plus a percentage thereof basis, shall pay a fee as follows:

- A. General contractors, \$80.00 per year;
- B. Subcontractors, \$60.00 per year;
- C. Sign painters who paint and maintain or erect signs, \$30.00 per year.

Contractors, subcontractors and sign painters who do not maintain a regularly established place of business with the city, shall pay the same license tax as would be charged to contractors, subcontractors or sign painters respectively, whose regularly established places of business are located within the city.

Such license fee for contractors, subcontractors and sign painters shall be paid in full for the full taxable year, whenever issued.

(Ord. 6040 § 21, 1967; Ord. NS-68 § 2, 1989)

**§ 5.08.080. Home occupations.**

Persons engaged in occupations in their home shall pay license fees in accordance with the license fees provided for the types of businesses conducted notwithstanding the limited use permitted in such cases. (Ord. 6040 § 22, 1967)

**§ 5.08.090. Junk.**

The license tax for junk business, junk dealer or junk collector is \$100.00 per year, subject to a special permit from the City Council to be first obtained.

(Ord. 6040 § 23, 1967)

**§ 5.08.100. Motion picture taking (commercial).**

The license tax for the taking of motion pictures, shots or scenes for commercial purposes, or for commercial use, or in connection with the production for commercial purposes of any motion picture play or production is \$30.00 for the first day and \$10.00 per day thereafter, when private property exclusively is used, and \$100.00 for the first day and \$50.00 for each day thereafter when public property is used. (Ord. 6040 § 24, 1967; Ord. NS-68 § 3, 1989)

**§ 5.08.110. Oil wells.**

The license tax for oil and petroleum product production from any well is \$180.00 per well per year (minimum), which shall cover the first 18,000 or fewer barrels produced from such well, and shall be paid at the beginning of the license period, and in addition thereto, payable within 15 days after the close of each license year, shall be the sum of one cent per barrel for each barrel in excess of 18,000 barrels produced from such well during such year. In the event of abandonment of any well such additional amount shall be paid within 15 days after production from such well is finally stopped. A separate license must be procured and a separate license fee paid for each such well. Each such license shall be subject to a special permit from the council to be first obtained. Such special permit must be obtained for each oil or gas well or other hydrocarbon substance well, notwithstanding any variance for the development of natural resources which may have been granted under the zoning ordinance or land use regulations of that city. Such special permits shall contain such provisions and shall be subject to such terms and conditions as the City Council in the exercise of its discretion may promulgate, prescribe or impose; provided, however, that the permit fee for each such permit shall be the sum of \$1,000.00 which shall be paid at or before the time of the issuance of such permit. Each such permit shall be valid for the particular well covered thereby until the same expires, or is forfeited, canceled or revoked according to its terms, conditions or provisions.

(Ord. 6040 § 25, 1967)

**§ 5.08.120. Pawnbrokers.**

Any person engaging in the business of being a pawnbroker shall pay a business license fee of \$150.00 per year and obtain a pawnbroker license from the Chief of Police.

(Ord. 6040 § 26, 1967; Ord. CS-027 § 1, 2009)

**§ 5.08.130. Public utility.**

The license tax for a public utility not having a written franchise whereby the city obtains money shall be as follows:

- A. Transportation utility, \$48.00 per year per vehicle used;

B. Public utilities other than transportation, which do not have a written franchise shall pay a license fee of \$100.00 per year.

(Ord. 6040 § 27, 1967)

#### **§ 5.08.140. Taxicabs.<sup>3</sup>**

The fee for taxicabs shall be \$25.00 per cab per year, plus \$100.00 per street or alley stand per year.  
(Ord. 6040 § 28, 1967)

#### **§ 5.08.150. Vending machines—Amusement and skill machines and related devices.**

Any person who causes or allows a coin-operated vending machine to be kept, maintained or operated in or about the person's place of business by another person shall include any proceeds to the business derived from the machines in the gross receipts from the business for business license tax purposes. In addition, such person shall furnish the license collector with the name and address of the person, or persons, who owns, rents, leases, operates, maintains or services the machines.

(Ord. 6040 § 29, 1967; Ord. 6049 § 4, 1973; Ord. 6061 § 1, 1980)

#### **§ 5.08.160. Professional licenses.**

Each person engaged in the rendering of professional or semiprofessional services for compensation shall pay the sum of \$50.00 per year per person so engaged. The professional or semiprofessional services shall include but not be limited to these: Appraiser, chiropodist, optician, orthopedist, pathologist, radiologist, surveyor, osteopath, doctor of veterinary medicine, chemist, chiropractor, physiotherapist, optometrist, bacteriologist, accountant, engineer, architect, attorney, dentist, physician, surgeon, oculist, real estate broker, dental technician, and fortuneteller.

(Ord. 6040 § 30, 1967; Ord. 6077 § 4, 1985)

#### **§ 5.08.170. Billiards, pool, ping-pong and related games.**

The license tax for a billiard room or poolroom, ping-pong parlor, skeeball alley or other similar game, device or business other than coin operated is \$25.00 per year for each table, alley or device; provided, however, that the foregoing rate shall not include or authorize the sale of any goods, wares or merchandise in connection with the conducting of any such game or business.

(Ord. 6040 § 31, 1967; Ord. NS-68 § 4, 1989)

#### **§ 5.08.180. Private police patrols or private watch service.**

The license tax for private police patrols or private watch service is \$30.00 per year.  
(Ord. 6040 § 32, 1967; Ord. 6054 § 1, 1975; Ord. NS-68 § 5, 1989)

#### **§ 5.08.190. Wheel tax.**

With the exception of intercity transportation business licensed under the Highway Carriers' Uniform Business License Tax Act, every person who does not have a regularly established place of business within the city, who conducts business within the city through the use of a motor vehicle or vehicles, shall pay an annual license tax as follows:

A. At retail, the license tax for the first vehicle shall be according to the following schedule, and for each

---

3. See also Chapter 5.20 of this code.

additional vehicle used within the city, the license tax shall be three-fifths of the rate for the first vehicle:

Lunch wagon and catering service	\$80.00
Bread and bakery supplies	\$80.00
Concrete or road mix	\$100.00
Dairy and ice cream	\$80.00
Dry cleaning	\$100.00
Laundry	\$100.00
Linen service	\$20.00
Meat distributor	\$80.00
Petroleum products (home delivery)	\$20.00
Retail bottled water supply	\$80.00
Rock and sand	\$100.00
Transfer or delivery service	\$20.00
Water softener service	\$100.00
Other businesses not herein specified	\$40.00

- B. At wholesale, the license tax shall be \$20.00 for the first vehicle, and \$12.00 for each additional vehicle used within the city, plus two dollars for each employee performing work within the city.  
(Ord. 6040 § 33, 1967; Ord. 6042 § 2, 1971)

## CHAPTER 5.09 ADDITIONAL LICENSE TAX ON NEW CONSTRUCTION

### **§ 5.09.010. Purpose and intent.**

The City Council declares that the license taxes required to be paid hereby are assessed pursuant to Section 37101 of the Government Code of the State of California and the taxing power of the city and solely for the purpose of producing revenue. This chapter is not adopted for regulatory purposes. The continued development of the city, with the consequent increase in population and in the use of public facilities, has imposed increased requirements for such facilities, including, but not limited to parks, major streets, traffic signals, storm drains, bridges and public buildings (such as fire stations, police facilities, maintenance facilities, libraries and general offices). The necessity for such facilities results from new construction. The need for such facilities cannot be met from existing city revenues. The most practical and equitable method of raising city revenue is to impose a tax upon new construction in the city.

(Ord. 6067 § 1, 1982)

### **§ 5.09.020. Definitions.**

For the purposes of this chapter, the following words and phrases shall have the meanings respectively ascribed to them by this section:

"Mobile home space" means each space, area or building, in a trailer park or mobile home park or other place, designed or intended as a place to accommodate any mobile home, trailer, van, bus or other vehicle or mobile structure, at a time when the same is being used as living or sleeping quarters for human beings.

"Person" includes every individual, firm, partnership, joint venture, association, trust, corporation or any other group engaging in construction activities itself or through the services of any employee, agent or independent contractor.

(Ord. 6067 § 1, 1982)

### **§ 5.09.030. Imposition of tax—Amount.**

- A. In addition to any other fee, license or tax required by this code, every person constructing or causing to be constructed or erected any building or structure in the city for which a building permit is required, shall pay a license tax in the amount of 3.5 percent of the valuation of the building or structure established pursuant to this code for determining the building permit fee.
- B. The developer of a mobile home park shall pay a license tax fee of \$1,150.00 for each mobile home space. The license tax for mobile home spaces shall be automatically increased or decreased on January 1st of each year by the same percentage as the percentage of increase or decrease in construction costs between December 1st of each of the two immediately preceding years, for which purpose construction costs and the increase or decrease therein shall be based on the Engineering News Record Construction Cost Index.
- C. For the alteration of or addition to residential structures or mobile home parks, the license tax shall be computed only on the valuation of additional dwelling units or mobile home spaces, if any, resulting from the alteration or addition.
- D. For additions to structures, other than residential structures, the tax shall be calculated on the value of the addition only.
- E. For the alteration of structures, other than residential structures, the tax shall be calculated on the

value added by the alteration. The tax shall be imposed upon alterations only where the alteration changes the use potential for the structure, results in the ability to accommodate a more intense operation of the existing use, or results in making the structure suitable for occupancy or use pursuant to the building code.

(Ord. 6067 § 1, 1982; Ord. 6072 § 1, 1983; Ord. 6078 § 1, 1986; Ord. 6082 § 1, 1987; Ord. CS-041 § 5, 2009; Ord. CS-094 § 5, 2010; Ord. CS-154 § 5, 2011; Ord. CS-186 § 5, 2012)

#### **§ 5.09.040. Credit.**

A credit toward the license tax imposed by this chapter shall be given if:

- A. A public facilities fee has been paid pursuant to council policy number 17 in satisfaction of an obligation under a public facilities fee agreement for the building or structure. The amount of the credit shall be the amount of the fee paid. For purposes of this section, the payment of a public facilities fee shall be deemed to include any applicable credits against such fee from community facilities district number one;
- B. The property is subject to taxation under the communities facilities district number one amount of the credit shall be determined by the City Council and established by resolution.

(Ord. 6067 § 1, 1982; Ord. NS-156 § 1, 1991)

#### **§ 5.09.050. Time and place of payment.**

The license taxes imposed pursuant to Section 5.09.030 shall be due and payable at the Office of the Community and Economic Development Director, City Hall, Carlsbad, California, upon issuance of the building permit. The tax for a mobile home space shall be paid prior to the issuance of the first permit for the construction of such space or if such construction is performed without a permit, at the time when construction is commenced.

No permit shall be issued until the tax is paid.

(Ord. 6067 § 1, 1982; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

#### **§ 5.09.060. Refunds.**

If a permit for construction work expires or if such permit is revoked and if within 30 days following the expiration or revocation date of the permit the permittee files written application for a refund in the office of the City Clerk, there shall be a refund of the entire tax paid. There shall be no refund if any construction work has been performed nor shall there be any partial refund. In the event of a refund, it is unlawful for any person to proceed in any way with further construction without first applying for another building permit and paying the tax imposed by this chapter. If no refund is made and a permit expires after work has been performed, a new building permit shall be required and the tax imposed by this chapter shall be paid; provided, however, a credit shall be given not to exceed the tax paid in connection with the expired permit.

(Ord. 6067 § 1, 1982)

#### **§ 5.09.070. Disposition of proceeds.**

Funds from this tax shall be placed in the general fund and shall be available for general governmental purposes. Decisions on the expenditure of such funds shall be made by the City Council in the context of approval of the city's annual operating and capital improvements budget or at such other time as the council may direct.

(Ord. 6067 § 1, 1982)

**§ 5.09.080. Exceptions.**

There is excepted from the tax imposed by this chapter, the following:

- A. The construction of a building or structure or mobile home space which is a replacement for a building or space being removed from the same lot or parcel of land. The exception shall equal but not exceed the tax which would be payable hereunder if the building being replaced were being newly constructed. If the tax imposed on the new building exceeds the amount of this exception, such excess shall be paid;
- B. Accessory buildings or structures in mobile home parks, such as a club house, swimming pool, or laundry facilities;
- C. Buildings or structures which are clearly accessory to an existing use such as fences, pools, patios and automobile garages;
- D. Additions to existing single-family or two-family residential structures, provided the addition does not create a new dwelling unit or economy dwelling unit as defined by the Uniform Building Code;
- E. The City Council may grant an exception for a low cost housing project where the City Council finds such project consistent with the housing element of the general plan and that such exception is necessary. In approving an exception for low cost housing, the City Council may attach conditions, including limitations on rent or income levels of tenants. If the City Council finds a project is not being operated as a low cost housing project in accordance with all applicable conditions, the tax, which would otherwise be imposed by this chapter, shall immediately become due and payable.

(Ord. 6067 § 1, 1982)

**§ 5.09.090. Exemptions.**

There is excluded from the tax imposed by this chapter:

- A. Any person when imposition of such tax upon that person would be in violation of the Constitution and laws of the United States or the State of California;
- B. The construction of any building by a nonprofit corporation exclusively for religious, educational, hospital or charitable purposes;
- C. The construction of any building by the City of Carlsbad, the United States or any department or agency thereof or by the State of California or any department, agency or political subdivision thereof.

(Ord. 6067 § 1, 1982)

**§ 5.09.100. Construction prohibited.**

It is unlawful for any person to erect, construct, enlarge, alter, repair, move, improve, make, put together or convert any building or structure in the city, or attempt to do so, or cause the same to be done, without first paying the tax imposed by this chapter.

(Ord. 6067 § 1, 1982)

**§ 5.09.110. Tax liability—Enforcement.**

The taxes imposed by this chapter are due from the person by or on behalf of whom a residential, industrial or commercial building or mobile home space is constructed, whether such person is the owner or a lessee

of the land upon which the construction is to occur. The Community and Economic Development Director shall collect the tax due hereunder. The full amount due under this chapter shall constitute a debt to the city. An action for the collection thereof may be commenced in the name of the city in any court having jurisdiction of the cause.

The City Manager shall be responsible for the administration and enforcement of this chapter. The City Manager's decisions may be appealed to the City Council whose decision shall be final.  
(Ord. 6067 § 1, 1982; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

**§ 5.09.120. Effective date.**

The taxes imposed by this chapter shall be applicable with respect to building permits for construction activities, issued on or after November 3, 1987, provided any person constructing one or more dwelling units, or otherwise engaging in construction taxable hereunder, pursuant to a building permit applied for before July 28, 1987, but not actually issued until on or after the date, shall not be liable for payment of the tax provided such person has obtained all other discretionary approvals required for the project, has had the application accepted as complete, paid the plan check fee, and who obtains the permit applied for within 180 days of the date the application was accepted and diligently pursues the project to completion.

(Ord. 6067 § 1, 1982; Ord. 6082 § 1, 1987)

**§ 5.09.130. Effective date of increased tax.**

The increased tax adopted by Ordinance No. 6078 shall apply to all projects for which building permits were issued after January 21, 1986. In those instances where building permits were issued after January 21, 1986, and before the effective date of this ordinance, the increased tax shall be due and owing upon the effective date of this ordinance. This section is adopted to implement city Ordinance No. 9791.

(Ord. 6078 § 2, 1986)

## CHAPTER 5.10 **BINGO**

### **§ 5.10.010. Bingo authorized.**

This chapter is adopted pursuant to Section 19 of Article IV of the California Constitution and Section 326.5 of the California Penal Code in order to make the game of bingo lawful under the terms and conditions in the following sections of this chapter.

(Ord. 1194 § 1, 1976)

### **§ 5.10.020. Definitions.**

Whenever in this chapter the following terms are used they shall have the meanings respectively ascribed to them in this section:

"Bingo" is a game of chance in which prizes are awarded on the basis of designated numbers or symbols on a card which conform to numbers or symbols selected at random.

"Licensee" is a nonprofit, charitable organization to which the license collector has issued a license to conduct bingo games pursuant to this chapter.

"Minor" is any person under the age of 18 years.

"Nonprofit, charitable organization" is an organization exempted from the payment of the bank and corporation tax by Section 23701(d) of the Revenue and Taxation Code, Mobile Home Park Associations, Senior Citizens Organization; and Veterans Organizations which are exempted from the payment of the bank and corporation tax by Sections 23701(b), 23701(e), 23701(f), 23701(g) or 23701(l) of the Revenue and Taxation Code.

(Ord. 1194 § 1, 1976; Ord. 1204 § 1, 1977; Ord. 1208 § 1, 1978; Ord. 6061 § 1, 1980)

### **§ 5.10.030. License required.**

It is unlawful for any person to conduct any bingo game in the city unless such person is a member of a nonprofit, charitable organization, acting on behalf of such organization, and has a valid license issued pursuant to this chapter.

(Ord. 1194 § 1, 1976)

### **§ 5.10.040. Term of license.**

The term of a bingo license is one year and may be renewed for successive periods of one year each if application therefor is made prior to expiration of the preceding license.

(Ord. 1194 § 1, 1976; Ord. 1228 § 1, 1980)

### **§ 5.10.050. Application.**

Application for a bingo license shall be made to the license collector on forms prescribed by the license collector, and shall be filed not less than 20 days prior to the proposed date of the bingo game or games. Such application form shall require from the applicant at least the following:

- A. A list of all members of the nonprofit, charitable organization who will operate the bingo game, including full names of each such member, date of birth, place of birth, physical description and driver's license number;

- B. The date and place of the proposed bingo game or games;
- C. Proof that the organization is a nonprofit, charitable organization as defined by this chapter.  
(Ord. 1194 § 1, 1976; Ord. 6061 § 1, 1980)

#### **§ 5.10.060. License fee.**

The fee for a bingo license shall be \$50.00. The fee for a renewal license shall be \$50.00. The appropriate fee shall be paid at the time of submission of each application for a license or renewal and shall be used to defray the cost of issuance of a license. If a license is denied, one-half the fee shall be refunded to the applicant.

(Ord. 1194 § 1, 1976; Ord. 1204 § 2, 1977; Ord. 1228 § 2, 1980)

#### **§ 5.10.070. Application investigation.**

- A. Upon receipt of an application for a license the license collector may send copies of such application to any office or department which the license collector deems essential in order to carry out a proper investigation of the applicant.
- B. The license collector and every officer and department to which an application is referred shall investigate the truth of the matters set forth in the application, the nature of the applicant, the membership in the organization of the persons to operate the games, and may examine the premises to be used for the bingo game. If the license collector is satisfied the requirements of this chapter are and will be met, the application shall be approved, and the license collector shall issue the license.

(Ord. 1194 § 1, 1976; Ord. 6061 § 1, 1980)

#### **§ 5.10.080. License not transferable.**

Each license issued under this chapter shall be issued to a specific person on behalf of a specific nonprofit, charitable organization to conduct bingo games at a specific location and shall in no event be transferable from one person to another nor from one location to another.

(Ord. 1194 § 1, 1976)

#### **§ 5.10.090. Limitations.**

- A. A nonprofit, charitable organization shall conduct a bingo game only on property owned, leased or donated to the organization for use by it, and used by it for an office or for the performance of the purposes for which the organization is organized. Nothing in this subsection shall be construed to require that the property owned, leased, or donated to the organization for use by the organization be used or leased exclusively by, or donated exclusively to, such organization.
- B. No minors shall be allowed to participate in any bingo game.
- C. All bingo games shall be open to the public, not just to the members of the nonprofit, charitable organization.
- D. A bingo game shall be operated and staffed only by members of the nonprofit, charitable organization which organized it and obtained the license. Such members shall be limited to those set forth in the most recent application for a license or renewal as approved by the license collector, and shall not receive a profit, wage or salary from any bingo game. Only the organization authorized to conduct a bingo game shall operate such game, or participate in the promotion, supervision or any other phase of such games. This subdivision does not preclude the employment of security personnel by the

organization.

- E. No individual, corporation, partnership, or other legal entity except the organization authorized to conduct a bingo game shall hold a financial interest in the conduct of such bingo game.
- F. With respect to organizations exempted from payment of the bank and corporation tax by Section 23701(d) of the Revenue and Taxation Code, all profits derived from the bingo games shall be kept in a special fund or account and shall not be commingled with any other fund or account. Such profits shall be used only for charitable purposes. With respect to other organizations authorized to conduct bingo games pursuant to this chapter, all proceeds derived from a bingo game shall be kept in a special fund or account and shall not be commingled with any other fund or account. Proceeds are the receipts of bingo games conducted by business organizations not within the scope of the first sentence of this subsection. Such proceeds shall be used only for charitable purposes, except as follows:
  - 1. Such proceeds may be used for prizes;
  - 2. A portion of such proceeds, not to exceed 20% of the proceeds before deduction for prizes, or \$1,000.00 per month, whichever is less, may be used for rental of property, overhead, including the purchase of bingo equipment, administrative expenses, security equipment and security personnel;
  - 3. Such proceeds may be used to pay the license fees required by this chapter.

On or before the 15th of each month the licensee shall file with the license collector a full and complete financial statement on a form to be approved by the license collector of all moneys collected, disbursed and the amount remaining for charitable purposes as a result of all bingo games conducted during the preceding month.

- G. No person shall be allowed to participate in a bingo game unless the person is physically present at the time and place in which the bingo game is being conducted.
- H. The total value of prizes awarded during the conduct of any bingo games shall not exceed \$250.00 in cash or kind, or both, for each separate game which is held.
- I. No bingo game shall be conducted between the hours of midnight and 8:00 a.m.  
(Ord. 1194 § 1, 1976; Ord. 1204 § 3, 1977; Ord. 1208 § 2, 1978; Ord. 1228 § 3, 1980; Ord. 6061 § 1, 1980; Ord. 6068 § 2, 1983)

#### **§ 5.10.100. Inspection.**

The license collector, license inspector and any peace officer of the city shall have free access to the premises in which any bingo game licensed under this chapter is conducted. The licensee shall have the bingo license and list of approved staff available for inspection at all times during any bingo game.  
(Ord. 1194 § 1, 1976)

#### **§ 5.10.110. Application denial—License suspension or revocation.**

- A. The license collector may deny any application for a bingo license, or suspend or revoke a license, if the license collector finds the applicant or licensee or any agent or representative thereof has:
  - 1. Knowingly made any false, misleading or fraudulent statements of a material fact in the application or in any record or report required to be filed pursuant to this chapter;

2. Violated any of the provisions of this chapter.
- B. If after investigation the license collector determines that a bingo license should be suspended or revoked or an application for such license denied, the license collector shall prepare a notice of suspension, revocation or denial of the application setting forth the reasons for such suspension, revocation or denial of application. Such notice shall be sent by certified mail to the applicant's last address provided in the application or be personally delivered. Any person who has had an application for a bingo license denied by the license collector, or who has had a bingo license suspended or revoked by the license collector, may appeal the license collector's decision in the manner provided in Section 5.10.120.

(Ord. 1194 § 1, 1976; Ord. 6061 § 1, 1980)

#### **§ 5.10.120. Appeal procedure.**

Whenever an appeal is provided for in this chapter, such appeal shall be filed and conducted as prescribed in this section.

- A. Within 15 calendar days after the date of any suspension, revocation or denial or other decision of the license collector, an aggrieved party may appeal such action by filing with the license collector a written appeal briefly setting forth the reasons why such suspension, revocation or denial or other decision is not proper;
- B. Upon receipt of such written appeal, the license collector shall set the matter for hearing before the City Council within 30 days. At least 10 calendar days prior to the date of the hearing on the appeal the license collector shall notify the appellant of the date and place of the hearing. At such hearing the license collector and the appellant may present evidence relevant to the suspension, revocation or denial or other decision of the license collector. The City Council shall receive evidence and shall rule on the admissibility of evidence and on questions of law. The formal rules of evidence applicable in a court of law shall not apply to such hearing;
- C. At the conclusion of the hearing, the City Council may uphold the suspension, revocation or denial or other decision of the license collector, or the City Council may reinstate that which has been suspended or revoked, or allow that which has been denied, or modify or reverse any other license collector's decision which is the subject of the appeal. The City Council's decision shall be final.

(Ord. 1194 § 1, 1976; Ord. 6061 § 1, 1980)

#### **§ 5.10.130. Violations and penalties.**

- A. It is a misdemeanor for any person to receive a profit, wage or salary from any bingo game authorized by this chapter. A violation of this subsection shall be punishable by a fine not to exceed \$10,000.00 which fine shall be deposited in the general fund of the city.
- B. Any person violating any of the provisions or failing to comply with any of the requirements of this chapter, other than subsection A of this section, is guilty of a misdemeanor and upon conviction thereof, shall be punishable by a fine not to exceed \$500.00 or by imprisonment in the county jail for a period of not more than six months or by both such fine and imprisonment. All sanctions provided herein shall be cumulative and not exclusive.

(Ord. 1194 § 1, 1976)

## CHAPTER 5.12 CARDROOMS

### **§ 5.12.010. Definition.**

For the purposes of this chapter, a "cardroom" is defined to be any space, room, collection of rooms or enclosure furnished or equipped with a table used or intended to be used as a card table for the playing of cards and similar games.

(Ord. 6083 § 2, 1988)

### **§ 5.12.020. Cardrooms prohibited.**

It is unlawful for any person to engage in or carry on, or to maintain or conduct, or cause to be engaged in, carried on, maintained or conducted any cardroom in the city for the purpose of playing cards or games of chance where cards are used for money, profit, barter or where other consideration exchanges hands. This is not intended to prohibit the recreational playing of cards in single-family homes where no consideration passes to the owner of such single-family residence by virtue of such recreational playing.

(Ord. 6083 § 2, 1988)

### **§ 5.12.025. Exceptions.**

This chapter shall not apply to the lawful playing of card games at the Carlsbad Senior Center at such times and under such reasonable rules and regulations as established by the City Manager.

(Ord. NS-193 § 1, 1992)

### **§ 5.12.030. Existing lawful use of cardrooms excepted.**

Cardrooms lawfully existing on the date of the passage of the ordinance codified in this chapter, may continue to exist provided they shall not be altered, improved, reconstructed, restored, repaired, intensified, expanded or extended. In addition, existing cardrooms shall comply with the following requirements.

(Ord. 6083 § 2, 1988)

### **§ 5.12.040. Work permit requirements.**

Employees in cardrooms must obtain a work permit from the Chief of Police. Applications for such work permits shall be submitted under oath and contain such information as may be deemed by the Chief of Police necessary to determine whether the applicant is a proper person to be employed in a cardroom.

No work permit shall be issued to any person who is not a citizen of the United States and who has not been a resident of the county for at least one year. The Chief of Police may deny to such applicant a work permit if, in the chief's opinion, good cause appears why such person should not be permitted to be employed in a cardroom. Each application for work permit shall be accompanied by a fee of \$10.00 and the work permit when issued shall be valid for one year.

(Ord. 6083 § 2, 1988)

### **§ 5.12.050. Revocation or suspension of license or permit—Appeal.**

The Chief of Police shall have the right for cause to revoke or suspend any cardroom license or cardroom work permit issued under this chapter and take possession of such license or permit. The action of the Chief of Police in this respect shall be subject to an appeal to the City Council. Notice of such appeal shall be filed with the license collector within 10 days; otherwise the action of the Chief of Police in revoking or

suspending the cardroom license or cardroom work permit shall be final and conclusive.  
(Ord. 6083 § 2, 1988)

#### **§ 5.12.060. Licenses—Number per person, assignment and transfer.**

Only One License to One Person; Assignment or Transfer of License. No person shall be granted a license to conduct more than one cardroom. No cardroom license shall be assignable or transferable. Once a licensee under this chapter establishes a cardroom at a specific location, he or she may not thereafter move such cardroom business to another location. Any license issued under this chapter shall automatically become revoked upon the occurrence of any of the following conditions:

- A. If after the issuance of a license, the licensee does not begin operation of a cardroom within six months from the date of issuance. The licensee under this chapter may, upon written application to the City Council therefor, be granted one additional six-month period within which to begin operation of a cardroom;
- B. If, after the beginning of a cardroom, the licensee ceases operation of his or her cardroom for a period of 30 days or longer.

(Ord. 6083 § 2, 1988)

#### **§ 5.12.070. Rules and regulations.**

It is unlawful to operate a cardroom in violation of any of the following regulations and rules:

- A. Not more than one cardroom shall be located at any one address. On and after the 30th day after the effective date of this chapter, all licenses to operate cardrooms in the city, issued before that time, shall be null and void and of no further force and effect;
- B. No game except pinochle, low-ball draw poker, draw poker, panguingue, without variation as defined by Hoyle, contract or auction bridge, shall be played in any cardroom;
- C. Not more than five tables shall be permitted in any cardroom;
- D. Not more than eight players shall be permitted to any one card table;
- E. No minor shall be permitted at any card table, or to participate in any game played thereat;
- F. All cardrooms shall be closed at 2:00 a.m. and shall remain closed until 10:00 a.m. of every day;
- G. All cardrooms shall be open to police inspection during all hours of operation.

(Ord. 6083 § 2, 1988)

#### **§ 5.12.080. Alcoholic beverages prohibited.**

No alcoholic liquor or beverage shall be served, consumed, sold or given away in any cardroom, and no cardroom shall have an entrance leading to any establishment which serves or sells intoxicating liquor.  
(Ord. 6083 § 2, 1988)

#### **§ 5.12.090. Rates.**

No charge in excess of the following rates shall be assessed for the privilege of participating in the following games:

- A. Pinochle: 20 cents per game and 15 cents per set;
  - B. Low-ball and draw poker: Five percent of each pot;
  - C. Bridge: 60 cents per hour per player.
- (Ord. 6083 § 2, 1988)

**§ 5.12.100. Limit on table stakes.**

No player shall be permitted to make any bet in excess of \$20.00 or bet more than \$100.00 in any one hand and shall in any event be limited to betting the amount of money then on the table belonging to the player. (Ord. 6083 § 2, 1988)

**§ 5.12.110. Cashing of bank checks.**

The cashing of bank checks for players shall not be permitted in any cardroom.  
(Ord. 6083 § 2, 1988)

**§ 5.12.120. Supervision—Identification badges of employees.**

All card tables shall be supervised by the operator or his/her employees, who may at their discretion refuse any individual the right to participate. They shall see to it that it is operated strictly in accordance with the terms of this chapter, and with the provisions of the Penal Code of the state. Every operator and employee of an operator of a cardroom licensed under this chapter shall at all times when on duty in such cardroom wear an identification badge containing his or her photograph, together with the name, age, address and description of such individual.

(Ord. 6083 § 2, 1988)

**§ 5.12.130. Exterior signs.**

No signs or other insignia advertising or relative to cardrooms shall be permitted upon the exterior of any premises occupied as a cardroom, except the word "cardroom" and the name of the operator thereof. Such a sign shall be flush with the building, and shall not be more than one and one-half feet by six feet in size. (Ord. 6083 § 2, 1988)

**§ 5.12.140. Interior signs.**

There shall be posted in every cardroom in letters plainly visible from all parts thereof, signs stating that only draw poker, pinochle or bridge is permitted to be played and stating the charge exacted for the privilege of playing.  
(Ord. 6083 § 2, 1988)

**§ 5.12.150. Monthly collections by city.**

There shall be collected for each card table where the game of poker is played during any portion of the license period the sum of \$30.00 per table per month, or portion thereof, payable quarterly in advance. There shall be collected for each table licensed under this chapter where any other permitted games than poker are played the sum of five dollars per table per month, or portion thereof, payable quarterly in advance. In addition to the above amounts, there shall be an additional license fee based upon total monthly gross revenue of the cardroom so licensed, according to the following schedule:

Total Monthly Gross Cardroom Revenue	Monthly Fee Based on the Following Percentage of Total Monthly Revenue
\$250,000 or less	7.0%
\$250,001 but less than \$500,000	8.0%
\$500,000 and over	9.0%

(Ord. 6083 § 2, 1988)

#### **§ 5.12.160. Scope of chapter.**

The council declares that it is not the intention of this chapter to license any cardroom for the playing of any game prohibited by the laws of this state and particularly those games enumerated in Section 330 of the Penal Code of the state.

(Ord. 6083 § 2, 1988)

#### **§ 5.12.170. Violations.**

It is unlawful for any person to violate any provision or fail to comply with any of the requirements of this chapter. Any person violating any of the provisions or failing to comply with any of the provisions of this chapter shall be guilty of a misdemeanor and shall be punished by a fine of not more than \$1,000.00 or by imprisonment in the county jail for a period not exceeding six months, or by both.

(Ord. 6083 § 2, 1988)

## CHAPTER 5.16 MASSAGE SERVICES

**Note: Prior ordinance history: Ord. Nos. 1296, 3096, 3112, 6059, 6061, NS-216, and NS-291.**

### **§ 5.16.010. Purpose and intent.**

It is the purpose and intent of the City Council that this chapter relies upon California Business and Professions Code Chapter 10.5 of Division 2, as it may be amended, to provide for the orderly and consistent regulation of massage services, to enable consumers to identify legitimate massage workers and businesses, and additionally to establish minimum health and safety standards, thus protecting the public interest, health, safety and welfare of the city.

(Ord. CS-234 § 2, 2013)

### **§ 5.16.020. Definitions.**

For the purpose of this chapter, the following words and phrases shall have the following meanings:

"Applicant" means an applicant for a certificate of registration—individual or business, and each of the following persons: the managing responsible officer/employee, a general partner, a limited partner, a shareholder, a sole proprietor, or any person who has a five percent or greater ownership interest in a massage business whether as an individual, corporate entity, limited partner, shareholder or sole proprietor.

"California Massage Therapy Council" or "CAMTC" means the massage therapy organization formed pursuant to California Business and Professions Code Section 4600, and following, as amended.

"CAMTC identification cards" or "identification cards" means the cards issued by CAMTC to a certified massage practitioner.

"Certificate administrator" means the City Manager's designee for promulgating rules, regulations, and requirements consistent with the provisions of this section and all other law in connection with the issuance of a certificate of registration.

"Certificate of registration—business" means a certificate issued by the certificate administrator upon submission of satisfactory evidence as required that a massage business or sole proprietorship employs or uses only certified massage therapists or practitioners possessing valid and current state certifications and has satisfied all other requirements pursuant to the provisions of this chapter.

"Certificate of registration—individual" means a certificate issued by the certificate administrator upon submission of satisfactory evidence that a massage practitioner or therapist has a valid and current state certification and has satisfied all other requirements pursuant to the provisions of this chapter.

"Certified massage business" means any business where the only persons employed or used by that business to provide massage services have current and valid state certifications.

"Certified massage practitioner" means any person holding a current and valid state certificate issued by the CAMTC (pursuant to California Business and Professions Code Sections 4600, and following, as amended), whether as a massage practitioner or massage therapist, as defined therein.

"Certified sole proprietorship" means any massage business where the owner is the only person employed or used by that business to provide massage services and the owner has a current and valid unconditional state certification.

"City" means the City of Carlsbad.

"Massage" means any method of treating the external parts of the body for remedial, health, or hygienic purposes for any form of consideration (whether for the massage, as part of a membership, as part of other services or a product, or otherwise) by means of pressure on or friction against, or stroking, kneading, rubbing, tapping, pounding, or stimulating the external parts of the body, with or without the aid of any mechanical or electrical apparatus or appliances; or with or without supplementary aids, such as rubbing alcohol, liniments, antiseptics, oils, powders, creams, lotions, ointments, or other similar preparations commonly used in this practice; or by baths, including, but not limited to, Turkish, Russian, Swedish, Japanese, vapor, shower, electric tub, sponge, mineral, fomentation, or any other type of bath.

"Owner" or "operator" means any and all owners of a massage business including any of the following persons: the managing responsible officer/employee, a general partner, a limited partner, a shareholder, a sole proprietor, or any person who has a five percent or greater ownership interest in a massage business whether as an individual, corporate entity, limited partner, shareholder or sole proprietor.

"Registered certificate holder" means a person or business that has been issued a certificate of registration by the certificate administrator.

"State certification," "state certificate," or "state certified" means a valid and current certification properly issued by CAMTC (pursuant to California Business and Professions Code Sections 4600, et seq., as amended) to a certified massage practitioner.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.030. Authority.**

The certificate administrator shall have the power and authority to promulgate rules, regulations, and requirements consistent with provisions of this chapter and other law in connection with the issuance of a certificate of registration. The certificate administrator may designate an employee to make decisions and investigations and take actions under this chapter.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.040. State certification and city certificate of registration required.**

- A. It is unlawful for any individual to administer massage in exchange for compensation or consideration of any type within the city unless that individual is a CAMTC certified massage practitioner.
- B. It is unlawful for any massage business within the city to provide or allow any form of massage to be administered unless all individuals employed by the massage business to administer massage, whether as an employee or independent contractor, are CAMTC certified massage practitioners.
- C. It is unlawful for any person, association, partnership or corporation to engage in, conduct or carry on, or permit to be engaged in, conducted or carried on in or upon any premises within the city, the operation of a massage establishment or to allow any person to administer massage or function as a certified massage practitioner, unless a current and valid certificate of registration has been issued for that massage business pursuant to this chapter.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.045. Compliance period.**

- A. Within six months of the effective date this ordinance, any business that is operating in the city with a current and valid city massage business license and is otherwise subject to this chapter, shall submit an application for a certificate of registration pursuant to the provisions of this chapter.
- B. Within six months of the effective date of this ordinance, any person who possesses a current and

valid city license as a holistic health practitioner or massage technician and is otherwise subject to this chapter, shall submit an application for a certificate of registration pursuant to the provisions of this chapter.

- C. Massage businesses, massage technicians and holistic health providers that are subject to the requirements of this chapter, and that have a current and valid city massage business license and that have submitted a complete application for certificate of registration in accordance with this chapter may continue to operate while the certificate of registration application is processed.
- D. Massage businesses, massage technicians and holistic health providers that are subject to the requirements of this chapter, and that have a current and valid city massage business license or a current and valid city massage technician or holistic health practitioner license, issued pursuant to former Carlsbad Municipal Code Section 5.16.030 or 5.16.190, on the effective date of this ordinance shall be entitled to receive a prorated refund of the city massage license fee for the remaining portion of the license period. All requests for refunds shall be made in writing within six months of the effective date of this ordinance and will be paid to the licensee within 60 days of the request. All requests for refunds shall be directed to business licensing.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.050. Certified massage business—Certificate of registration required.**

- A. A certificate of registration application shall be filed on forms provided by the certificate administrator, submitted under penalty of perjury and shall contain all of the following information:
  - 1. State Certification Verification.
    - a. If a certified sole proprietorship, the applicant/owner shall produce a valid and current state certification and a valid and current CAMTC identification card.
    - b. If a certified massage business other than a certified sole proprietorship, the applicant/owners shall produce:
      - i. A valid and current state certification; and
      - ii. A valid and current CAMTC identification card; and
      - iii. A statement that the certified massage business shall employ only certified massage practitioners along with copies of valid and current state certificates for all certified massage practitioners employed or who will be employed by the massage business and copies of their current and valid CAMTC identification cards.
    - c. The certificate administrator may require the applicant/owner of a certified sole proprietorship or a certified massage business to produce a valid and current California driver's license and/or identification card issued by a state governmental agency.
    - d. The certificate administrator may require the certified massage practitioners whom the applicant/owner has identified as employees to personally appear and produce valid and current state certificates, a valid and current California driver's license and/or identification card.
    - e. The following information shall be provided by any applicant/owner who is not state certified and who owns or will own five percent or more of the massage business:

- i. Acceptable proof that the applicant/owner is at least 18 years of age.
- ii. Full, true name, and other names used, date of birth and valid and current California driver's license or identification card issued by a state governmental agency.
- iii. One photograph provided by the applicant. The photograph must be in color, printed on photo quality paper, two by two inches in size, sized such that the head is between one inch and one and three-eighths inches from the bottom of the chin to the top of the head, taken within the last six months to reflect the applicant's current appearance, taken in front of a plain white or off-white background, and taken in full-face view directly facing the camera.
- iv. Current address and all previous residence(s) for the past 10 years, including dates at each address.
- v. Business, occupation, and employment history for 10 years preceding the date of current or proposed employment, the inclusive dates of same; the name and address of any massage business or other like establishment owned or operated by any person subject to the background check including, but not limited to, history, if any, with any agency, board, city, county, territory, or state; and dates of issuance, denial, restriction, revocation, or suspension, and the reasons therefor of any individual or business permit.
- vi. Fingerprints, subject to a fee to cover actual costs, to submit to the Department of Justice through LiveScan or equivalent, and may submit additional fee to cover the actual costs for subsequent arrest notice for renewal applications, to determine whether the applicant/owner has any of the following:
  - (A) Convictions for any crime involving conduct which requires registration under California Penal Code Section 290 (Sex Offender Registration Act);
  - (B) Convictions of violation of California Penal Code Section 653.23 (supervision of prostitute);
  - (C) Convictions of violation of California Penal Code Section 647(b) or California Penal Code Section 415(3) where the original charge was for violation of California Penal Code Section 647(b);
  - (D) Convictions of crimes designated in Government Code Section 51032 (massage - grounds for denial of license), or any crime involving dishonesty, fraud, deceit, violence or moral turpitude;
  - (E) Injunctions for nuisances under Penal Code Section 11225-11235 (red light abatement law);
  - (F) Convictions in any other state of any offense which, if committed or attempted in this state, would have been punishable as one or more of the referenced offenses of this subdivision;
  - (G) Conspiracy or attempt to commit any such offense described in paragraphs (1)(e)(i)—(v) of this subsection A.

2. General Business Information. Applicant/owner to provide all of the following:

- a. The full true name under which the massage business will be conducted. The mailing address for the present or proposed massage business.
  - b. The present or proposed address where the massage services will be conducted.
  - c. Complete description of all massage services to be provided.
  - d. The name and address of any massage business or other like business owned or operated by any person whose name is required to be given pursuant to this section.
  - e. A description of any other business to be operated on the same premises, or on adjoining premises, owned or controlled by the applicant/owner.
  - f. The name and address of the owner and lessor of the real property, if any, upon or in which the massage business is to be conducted.
3. Corporate Information. Applicant/owner to provide all of the following:
    - a. If the applicant/owner is a corporation, the name of the corporation shall be set forth exactly as shown in its articles of incorporation or charter together with the state and date of incorporation and the names and residence addresses of each of its current officers and directors, and of each stockholder holding more than five percent of the stock of that corporation, and its registered agent for receipt of process.
    - b. If the applicant/owner is a partnership, the application shall set forth the names and residence address of each of the partners, including limited partners. If the applicant is a limited partnership, it shall furnish a copy of its certificate of limited partnership as filed with the county clerk. If one or more of the partners is a corporation, the provisions of this subsection pertaining to corporate applicants shall apply to the corporate partner.
    - c. The applicant/owner, corporation or partnership shall designate one of its officers or general partners to act as its responsible managing officer/employee. Such person shall complete and sign all application forms required of an individual applicant under this chapter. The corporation's or partnership's responsible managing officer must, at all times, meet all of the requirements set by this chapter or the corporation or partnership certificate of registration— business shall be suspended until a responsible managing officer who meets such requirements is designated and verified. If no such person is found within 90 days, the corporation or partnership's certificate of registration is deemed canceled and a new application for certificate of registration must be filed.
    - d. If an applicant/owner, operator, corporation, or partner owns five percent or more of the massage business and is not state certified, the police department shall conduct a background check of that owner, operator, corporation, or partner, which shall include the information requested in paragraphs (1)(e)(vi)(A)—(G) inclusive of this subsection A, and the name and address of any massage business or other like business owned or operated by any person who is subject to the background check requirement of this subdivision.
  4. Authorization for the city, its agents and employees, to seek information and conduct an investigation into the truth of the statements set forth in the application and into the background of the applicant/owner, where authorized by this chapter.
  5. A certificate of compliance from the city's building official (or other compliance person as designated by the City Manager) that certifies that the premises of the massage business will

meet or does meet all applicable codes and regulations. The certificate of compliance must be submitted prior to the application approval.

6. Zoning consistency check in writing from city. A zoning consistency check does not confer or authorize any entitlement to a use permit or building permit or similar, which process, if applicable, is separate from the certificate of registration process.
  7. A signed statement that the applicant/owner shall be responsible for the conduct of all employees or independent contractors working on the massage premises of the business and that failure to comply with California Business and Professions Code Section 4600, and following, with any local, state, or federal law, or with the provisions of this chapter may result in the suspension or revocation of the certificate of registration—business.
  8. Payment of a registration fee, if any, as per Section 5.16.070.
- B. Upon receipt of the application, the certificate administrator shall refer the application for a certificate of registration—business to other city departments for review and the building official or other designee shall inspect the massage premises, if any, proposed to be used as a massage business and shall make a written recommendation to the certificate administrator concerning compliance with the respective requirements.
- C. The certificate administrator shall have 60 days, after the submission of all required information, to either issue or deny the application for a certificate of registration. For those applications that are submitted without all the required information, the certificate administrator, in his or her sole discretion, may either reject the application outright or request the applicant/owner to submit the missing information by a date certain. A rejected application, based on failure to submit all required information, shall not form the basis for a hearing as set forth in Section 5.16.200 of this chapter.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.060. Certified massage business—Certificate of registration issuance.**

- A. The certificate administrator shall issue a certificate of registration—business to any certified sole proprietorship that demonstrates all of the following:
1. That the operation, as proposed, if permitted, complies with all applicable laws, including, but not limited to, the city's building, zoning, business license, health regulations, and this chapter.
  2. The owner is a certified massage practitioner and is the same person to whom the CAMTC issued a valid and current identification card.
  3. That the applicant has not made a material misrepresentation in this application or with respect to any other document or information required by the city with respect to this application or for an application for a city massage permit under applicable law within the last five years.
- B. The certificate administrator shall issue a certificate of registration—business to a certified massage business that demonstrates all of the following:
1. That the operation, as proposed, if permitted, complies with all applicable laws, including, but not limited to, the city's building, zoning, business license, health regulations, and this chapter.
  2. The owner is a certified massage practitioner and is the same person to whom the CAMTC issued a valid and current identification card.

3. The massage business employs or uses only certified massage practitioners whose state certifications are valid and current are the same persons to whom CAMTC issued valid and current identification cards.
  4. That the applicant has not made a material misrepresentation in this application or with respect to any other document or information required by the city with respect to this application or for an application for a city massage license under applicable law within the last five years.
  5. That the background check for any applicant/owner authorized by this chapter shows that such person has not been required to register under the provisions of Section 290 of the California Penal Code; within 10 years preceding the application had a conviction in court of competent jurisdiction for any of the crimes identified in Section 5.16.050(A)(1)(e)(6)(i—vii) herein; has not had an individual or business permit or license with any agency, board, city, county, territory, or state, denied, revoked, restricted, or suspended within the last five years; and has not been subject to an injunction for nuisance pursuant to Penal Code Sections 11225—11235 within the last 10 years.
- C. In the event of a denial of issuance of a certificate of registration—business, the certificate administrator will provide notification of and the reasons for denial shall be set forth in writing and shall either be hand delivered to the applicant/owner or sent by registered or certified mail. The applicant/owner shall, at the applicant/owner's election, have the right to receive a hearing as set forth in Section 5.16.200. If such a hearing is not requested within 10 calendar days of the notice of denial by the certificate administrator, the denial shall be final. A request for hearing is deemed timely if the certificate administrator received said request by close of business on the 10th calendar day.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.070. Registration fee.**

A registration fee, if any, shall be set by resolution of the City Council and shall be required only for background checks for those applicants/owners of a certified massage business who are not state certified and own five percent or more of the certified massage business. A registration fee shall not be charged to certified massage practitioners or as to those state certified applicants/owners applying for a certificate of registration—business.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.080. City business license.**

All persons shall obtain a business license where required by the city's business license provisions. The issuance of a certificate of registration (individual or business) is a condition precedent to the granting of such a city business license. Upon the issuance of a certificate of registration pursuant to this chapter, the applicant/owner shall apply for and furnish the information necessary to obtain a city business license as required by the provisions of this code. No business license shall be issued until the certificate of registration has been issued and the business license fee, as provided in this code, has been paid. A certified massage practitioner employed by a certified massage business is not required to obtain a city business license. The business license fee shall be commensurate with the business license fee charged to other professionals as established by this code.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.090. Exemptions from requirement for certificate of registration—Business and individual.**

The provisions of this chapter shall not apply to the following classes of persons or businesses while

engaged in the performance of their duties:

- A. Physicians, surgeons, chiropractors, osteopaths, nurses or any physical therapists duly licensed to practice their respective professions in the State of California and working within the scope of their licenses.
- B. Barbers, cosmetologists, aestheticians, and manicurists who are duly licensed under the laws of the State of California while engaging in practices within the scope of their licenses, except that this provision shall apply solely to the massaging of the neck, face, hands and feet, and/or scalp of the customers, and this exception shall not apply to full body work or full body massage.
- C. Hospitals, nursing homes, sanatoriums, or any other health facilities duly licensed by the State of California.
- D. A trainer of any duly constituted athletic team who administers a massage in the normal course of training duties and when acting within the scope of their employment.
- E. Trainers of amateur, semi-professional or professional athletes or athletic teams while engaging in their training responsibilities for and with athletes; and trainers working in conjunction with a specific athletic event such as an outdoor road or bike race.
- F. Health clubs, health spa, gymnasium, or other similar facility designed or intended for general physical exercise or conditioning in which the furnishing of massage or bathing services or facilities is subordinate and incidental, except that the person performing massage services shall obtain a state certification and city certificate of registration in conformance with this chapter.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.100. Health and safety requirements.**

All premises of certified massage businesses shall be subject to periodic inspection by the city at any time and without prior notice for compliance with health, safety, and building standards and all such establishments shall comply with the following requirements:

- A. Health and Safety Requirements—Facility.
  - 1. One artificial white light of not less than 40 watts shall be provided in each room where massage is being administered.
  - 2. The walls shall be clean and painted with an approved washable mold resistant paint in all rooms where water or steam baths are given.
  - 3. Floors shall be free from any accumulation of dust, dirt, or refuse.
  - 4. All equipment used in the massage operation shall be maintained in a clean and sanitary condition.
  - 5. Dressing and locker facilities shall be provided for patrons. Security deposit facilities for the protection of the valuables of the patrons shall also be available.
  - 6. One front door shall be provided for patron entry to the massage business, which shall open to an interior patron reception and waiting area immediately inside the front door. All patrons and any persons other than individuals employed or retained by the massage business shall be required to enter and exit through the front.

7. No part of the massage business establishment shall be used for or connected with any bedroom or sleeping quarters. Nor shall any person sleep in such massage business establishment except for limited periods incidental to and directly related to a massage.

B. Health Requirements—Linens.

1. Towels, sheets, clothes and linens of all types, and items for personal use of operators and patrons shall be clean and freshly laundered and shall not be used for more than one person.
2. Reuse of such items is prohibited unless the same has first been laundered. Such items shall not be laundered or dried in any massage business unless such business is provided with approved laundry facilities for such laundering and drying.
3. Heavy white paper may be substituted for sheets provided that such paper is used once for every person and then discarded into a sanitary receptacle.

C. General Health and Safety Regulations.

1. No person afflicted with an infection or parasitic infestation transmissible to a patron shall knowingly provide massage therapy to a patron, or remain on the premises of a certified massage business while so infected or infested.
2. It is unlawful for any certified massage practitioner or other person to massage the genital area of any patron or the breasts of any female patron or for any operator of a massage business to allow or permit such massage.
3. It is unlawful for any certified massage practitioner or other person to be other than fully clothed in nontransparent clothing at all times that shall not expose their genitals, pubic area, buttocks, or chest or for any operator of a massage business to allow or permit prohibited dress.
4. If during the life of a certificate of registration, the applicant/owner has any change in information concerning the original application or is different from what was included in the original application; notification must be made to the certificate administrator, in writing, within 10 calendar days of the change.
5. It is unlawful for any certified massage business or registered certificate holder to provide a massage between 10:00 p.m. and 7:00 a.m. and the hours of operation shall be displayed in a conspicuous public place in the reception area and in any front window clearly visible from outside of the massage business. Patrons and visitors shall be permitted in the massage business only during hours of operation.
6. A list of massage services available and the cost of such services shall be posted in an open and conspicuous public place on the massage premises. The massage services shall be described in English and may also be described in such other languages as the business chooses. No massage business operator shall permit, and no person employed or retained by the certified massage business shall offer to perform, any massage services or fees other than those posted.
7. It is unlawful for any certified massage business or any registered certificate holder, owner, operator, or responsible managing officer/employee to violate any requirements of this chapter.

(Ord. CS-234 § 2, 2013)

**§ 5.16.110. Inspection by city officials and notices of violation.**

- A. The investigating officials of the city, including the San Diego County Health Official, shall have the right to enter the massage business premises from time to time during regular business hours, prior to the issuance of a certification of registration—business and subsequently, for the purpose of making reasonable inspections to enforce compliance with this chapter and with building, fire, electrical, plumbing, and/or health and safety regulations. In the event a certificate of registration—business has been issued, it may be suspended or revoked in the manner hereinafter set forth in this chapter.
- B. Whenever a city official makes an inspection of a massage business and finds that any provision of this chapter has been violated, the certificate administrator shall give notice of such violation by means of a written notice. Any resulting written notice shall set forth the specific violation or violations found, and notify the registered certificate holder that failure to comply with any notice issued in accordance with the provisions of this chapter may result in the suspension or revocation of the certification of registration. The registered certificate holder may be issued a warning that any future violation of this chapter may result in suspension or revocation of the certificate of registration. The certificate administrator may establish a specific and reasonable period of time for the correction of the violation or violations. No time to correct need be given for health and safety violations or violations of criminal law.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.120. Display of signs and certification of registration.**

A recognizable and legible sign shall be posted at the main entrance of each certified massage business identifying the business as such. The owner or operator of each certified massage business shall display the certificate of registration—business and the certificate of registration—individual issued to each certified massage practitioner employed in or providing massage services to the massage business in an accessible and conspicuous place on the premises.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.130. Transfer of certificate of registration—Business.**

A certificate of registration—business shall not be transferable except with the written approval of the certificate administrator. A written application for such a transfer shall be made to the certificate administrator. The application for such transfer shall contain the same information as required herein for an initial application for a certification of registration as set forth in Section 5.16.050. In the event of denial of such transfer, notification of and reasons for denial shall be set forth in writing and shall be sent to the applicant/owner by means of registered or certified mail or delivered in person.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.140. Notification of changes.**

Every certified massage business owner or operator shall report in writing immediately to the certificate administrator any and all changes of address or ownership of the certified massage business and any changes of certified massage practitioners employed in or providing massage services to the massage business.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.150. Certificate of registration—Individual; nontransferable.**

- A. It is unlawful to practice massage for any form of consideration as a principal, employee, agent or otherwise within the city, unless a person has a current and valid certificate of registration issued pursuant to this chapter and a CATMC identification card. This section does not apply to individuals

specifically exempted pursuant to the provisions of this chapter.

- B. The certificate administrator shall issue a certificate of registration—individual to any certified massage practitioner who demonstrates the following:
  - 1. A valid and current state certification; and
  - 2. A valid and current CAMTC identification card.
- C. In the event of a denial of issuance of a certificate of registration—individual, the certificate administrator will provide notification of and the reasons for denial shall be set forth in writing and shall either be hand delivered to the applicant or sent by registered or certified mail. The applicant shall, at the applicant's election, have the right to receive a hearing as set forth in Section 5.16.200. If such a hearing is not requested within 10 calendar days of the notice of denial by the certificate administrator, the denial shall be final. A request for hearing is deemed timely if the certificate administrator received said request by close of business on the 10th calendar day.
- D. A certificate of registration—individual shall not be transferable.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.160. Certificate of registration expiration and renewal.**

- A. Certificates of registration shall be valid for two years from issuance or as extended pursuant to this chapter.
- B. The registered certificate holder—business shall apply to the certificate administrator to renew such registration within 60 days prior to expiration and shall apply to the certificate administrator to amend the certificate of registration—business within 30 days after any change in the registration information, including, but not limited to a change in certified massage business mailing address or the address of the massage premises. The certificate administrator may extend the certificate of registration one time in a renewal period for up to 90 days for sole proprietors who provide timely evidence of a renewal application to CAMTC.
- C. The registered certificate holder—individual shall apply to the certificate administrator to renew such registration within 30 days prior to expiration of the certificate of registration and shall apply to the certificate administrator to amend the certificate of registration within 30 days after any change in the registration information, including, but not limited to a change in the mailing or work address. The certificate administrator may extend the certificate of registration one time during a renewal period for up to 90 days for individuals who provide timely evidence of a renewal application to CAMTC.
- D. If a renewal application and all required information for the renewal is not received by the certificate administrator within 30 days after expiration, the certificate of registration shall be deemed expired and no privilege to provide massage services in Carlsbad shall exist. Renewals shall be processed and investigated and the applicant/owner is required to submit that information which has changed from the last application or renewal.
- E. In the event of a denial of a renewal certificate of registration for reasons other than the applicant/owner's failure to submit a complete renewal application with all required information, the certificate administrator will provide notification of and the reasons for denial shall be set forth in writing and shall either be hand delivered to the applicant/owner or sent by registered or certified mail. The applicant/owner shall, at the applicant/owner's election, have the right to receive a hearing as set forth in Section 5.16.200. If such a hearing is not requested within 10 calendar days of the notice of denial

by the certificate administrator, the denial shall be final. A request for hearing is deemed timely if the certificate administrator received said request by close of business on the 10th calendar day.

(Ord. CS-234 § 2, 2013)

**§ 5.16.170. Grounds for suspension or revocation of certificate of registration—Business.**

The certificate administrator may suspend or revoke a certificate of registration issued to a certified massage business or certified sole proprietorship upon any of the following grounds:

- A. A registered certificate holder is no longer in possession of a current and valid state certification.
- B. A noncertified owner, operator, corporation, or partner who owns five percent or more of the massage business has been convicted of a crime that would have caused denial of the certificate of registration.
- C. A registered certificate holder has made a material misrepresentation on the application for certificate of registration or renewal.
- D. The registered certificate holder has engaged in conduct or operated the certified massage business or as a certified massage practitioner in a manner which violates any of the provisions of this chapter, any conditions of the certification of registration, or any of the laws which would have been grounds for denial of the certification of registration.
- E. The registered certificate holder employs or uses noncertified massage technicians to perform massage services.
- F. Violations of this chapter or of California Business and Professions Code Sections 4600, and following, have occurred on the massage business premises.
- G. The registered certificate holder has failed to comply with one or more of the health and safety requirements under this chapter.
- H. The registered certificate holder has engaged in fraud, misrepresentation, or false statements in obtaining or maintaining a certificate of registration.

(Ord. CS-234 § 2, 2013)

**§ 5.16.180. Grounds for suspension or revocation of certificate of registration—Individual.**

The certificate administrator may suspend or revoke a certificate of registration issued to an individual upon any of the following grounds:

- A. Registered certificate holder—individual is no longer in possession of a current and valid state certification or CAMTC identification card;
- B. The registered certificate holder—individual has engaged in fraud, misrepresentation, or false statements in obtaining or maintaining a certificate of registration.

(Ord. CS-234 § 2, 2013)

**§ 5.16.190. Suspension or revocation of certificate of registration.**

In the event that the certificate administrator determines that any of the grounds identified in Section 5.16.170 or 5.16.180 exists for the suspension or revocation of a certificate of registration, the certificate administrator shall notify the registered certificate holder in writing of the intended action and the reasons therefor, and of the right to request a hearing in regard thereto. The action indicated in the written notice

shall be final unless the registered certificate holder files a written request for hearing with the certificate administrator which is received by the certificate administrator within 14 calendar days of the date of the notice. A request for hearing is deemed timely if the certificate administrator received said request by close of business on the 14th calendar day. If the request for hearing is timely received, the certificate administrator shall proceed in accord with Section 5.16.200.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.200. Hearing.**

Any person who has been denied a certificate of registration, for reasons other than submitting an incomplete certificate of registration application or renewal, by the certificate administrator or any registered certificate holder who has received a notice of intent to suspend or revoke a certificate of registration may request a hearing.

- A. Upon receipt of a timely written request for hearing, the certificate administrator shall schedule a hearing and shall set forth in writing and send to the applicant or registered certificate holder, by means of registered mail, certified mail or hand delivery, notice that within a period of not less than five days nor more than 14 days from the date of the posting of the notice, a hearing shall be conducted to determine the existence of any facts which constitute grounds for denial, suspension or revocation of a certificate of registration. The notice shall include the date, time and place of the hearing.
- B. The hearing shall be conducted by a hearing officer appointed by the City Manager.
- C. The applicant/owner or registered certificate holder may have the assistance of counsel or may appear by counsel and shall have the right to present evidence. The hearing need not be conducted according to the rules of evidence. Any relevant evidence may be admitted and considered by the hearing officer if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs. Objections to evidence shall be noted and a ruling given by the hearing officer.
- D. In the event that the applicant/owner, registered certificate holder or counsel for applicant/owner or registered certificate holder fails to appear at the hearing, the evidence of the existence of facts which constitute grounds for denial, suspension or revocation of the certificate of registration shall be considered unrebutted.
- E. Notice of the decision shall be given in the same manner as for the hearing and shall specify findings of fact and the reasons for the decision. The hearing officer shall inform the party against whom the decision is rendered of his or her right to appeal to the City Council pursuant to this chapter.

(Ord. CS-234 § 2, 2013)

#### **§ 5.16.210. Appeal.**

Within 10 days after receipt of the decision of the hearing officer, any party affected by the decision may file with the City Clerk a written request for a public hearing before the City Manager. Upon the filing of such a request, the City Clerk shall, within 14 days thereafter, set the matter for a hearing and shall notify the appellant of the date, time and place of such hearing at least five days before the hearing date. At the hearing, any person may present relevant evidence in opposition to, or in support of, appellant's case. At the conclusion of the hearing, the City Manager shall either grant or deny the appeal, and the decision of the City Manager shall be final.

(Ord. CS-234 § 2, 2013)

**§ 5.16.220. Reapplication after denial.**

No reapplication for a certificate of registration will be accepted within one year after an application or renewal is denied or a certificate of registration is revoked, provided that, if a certificate of registration—business is denied for the sole reason that a certified massage practitioner does not possess the required state certification, reapplication may occur when the required certification is obtained.

(Ord. CS-234 § 2, 2013)

**§ 5.16.230. Public nuisance.**

A certified massage business operated, conducted, or maintained contrary to the provisions of this chapter shall be unlawful and a public nuisance, and the City Attorney may in the exercise of discretion, in addition to or in lieu of prosecuting a criminal action hereunder, commence an action or actions, proceeding or proceedings, for the abatement, removal and enjoinder thereof, in a manner provided by law.

(Ord. CS-234 § 2, 2013)

**§ 5.16.240. Violations, penalties.**

- A. Unless otherwise exempted by the provisions of this chapter, every person, whether acting as an individual, owner, employee of the owner, operator, or employee of the operator or whether acting as a mere helper for the owner, employee, or operator, or whether acting as a participant or worker in any way, who gives massages or conducts a massage business, or who, in connection with the business, gives or administers, or practices the giving or administering of, massages or baths or any of the services defined in this chapter, without first obtaining state certification and a city certificate of registration, or who violates any provision of this chapter, shall be guilty of an infraction or misdemeanor punishable as provided in Section 1.08.010(B).
- B. Any owner, licensee, manager, or registered certificate holder in charge or in control of a massage business or certified massage business or certified sole proprietorship who knowingly employs a person who is not in possession of a valid, unrevoked certificate of registration, or who allows such persons to perform, operate, or practice within a massage business, shall be guilty of an infraction or misdemeanor punishable as provided in Section 1.08.010(B).

(Ord. CS-234 § 2, 2013)

**§ 5.16.250. Interpretation.**

This chapter shall be construed liberally in favor of regulation as determined if necessary and appropriate by the City Manager for the public protection and welfare and in order to accomplish its purpose and intent.

(Ord. CS-234 § 2, 2013)

**§ 5.16.260. Constitutionality.**

If any section, subsection, sentence, clause or phrase of this chapter is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this chapter. The City Council declares that it would have adopted the chapter and each section, subsection, sentence, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared invalid.

(Ord. CS-234 § 2, 2013)

## CHAPTER 5.17 ESCORT SERVICES

### **§ 5.17.010. Purpose and intent.**

It is the purpose and intent of this chapter to provide for the orderly regulation of escort services and escorts in the City of Carlsbad, by establishing certain minimum standards for the conduct of this type of business by the adoption of a licensing procedure for escort establishments as well as the individuals providing escort services. This is determined to be necessary to protect and preserve the public order and the health, safety and general welfare of the residents of the City of Carlsbad.

(Ord. NS-388 § 1, 1997)

### **§ 5.17.020. Definitions.**

For the purpose of this chapter, the following words and phrases shall have the meanings ascribed to them in this section.

"Employee" means any and all persons who work in or about or render any services whatsoever to the patrons or customers of an escort service and who receive compensation for such service.

"Escort" means any person who, for a fee, commission, hire, reward, or profit, accompanies other persons to or about social affairs, entertainments, or places of amusement, or consorts with others about any place of public resort or within any private quarters. Excluded from this definition are any persons employed by any business, agency or a person regulated by Chapter 21.43 of this code.

"Escort license" means the license to engage in the activities of an escort required by this chapter.

"Escort service" means any place where patrons can purchase the social company or companionship of another person to be given either on or off the premises, excluding any use regulated by Chapter 21.43 of this code.

"Escort service license" means the business license to operate an escort service required by this chapter.

"Operator" means any person operating an escort service, including, but not limited to, the owner or proprietor of the premises upon which it is located, and the lessee, sublessee, or mortgagee in possession.

"Person" means an individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation, estate, trust, business trust, receiver, trustee, syndicate, or any other group or combination acting as a unit, excepting the United States of America, the State of California, and any political subdivision thereof.

(Ord. NS-388 § 1, 1997)

### **§ 5.17.030. Escort service—License required.**

It is unlawful for any person, as defined in Section 5.17.020, to engage in, conduct, carry on, or to permit to be engaged in, conducted or carried on, the operation of an escort service as defined in Section 5.17.020, without a license issued by the Chief of Police of the city pursuant to the provisions of this section for each and every such business. Any person obtaining an escort service license shall pay to the license collector a license fee in an amount established by City Council resolution and payable when the license issues. This license fee shall be in lieu of any business license tax.

(Ord. NS-388 § 1, 1997)

**§ 5.17.040. Escort service license.**

Each application for an escort service license shall be submitted to the Chief of Police and shall contain the following information:

- A. A definition of services to be provided;
- B. The location and mailing address of the proposed name of the escort service and address;
- C. The name and residence address and phone number of the applicant;
- D. The full true name and any other names used by the applicant and address of all owners of the escort service establishment, including corporate officers and directors, stockholders owning more than 10% of the corporation, and general, managing and limited partners. Corporations shall also furnish the name and address of an agent for service of process and the state of incorporation;
- E. The previous address of the applicant, if any, for a period of five years immediately prior to the date of the application and the dates of residences at each;
- F. Written proof that the applicant is over the age of 18 years;
- G. Provision of acceptable government issued identification containing the name, date of birth and photograph of the applicant;
- H. A complete set of the applicant's fingerprints and a photograph which shall be taken by the Chief of Police or agent;
- I. Business, occupation or employment history of the applicant for the five years immediately preceding the date of the application;
- J. The history of the applicant in the operation of an escort service or similar business or occupation, including, but not limited to, whether or not such person, in previously operating in this or another city or state under license, had had such license revoked or suspended and the reason therefor, and the business activity or occupation subsequent to such action of suspension or revocation;
- K. All criminal convictions, other than minor traffic violations, with a full explanation of the circumstances thereof for the escort service establishment manager, the operator and the owner, including all partners, corporate officers and directors;
- L. At the discretion of the Chief of Police, the applicant may be required to submit the name and address of each escort service applicant who is or will be employed in the establishment;
- M. The name and address of the owner and lessor of the real property upon or in which the business is to be conducted, and a copy of the lease or rental agreement;
- N. Such other identification and information necessary to discover the truth of the matters hereinbefore specified as required to be set forth in the application;
- O. The applicant shall be the owner of the escort service establishment. If the applicant is not responsible for the daily management and operation of the service, the person who is responsible must also submit an application and pay a fee pursuant to Section 5.17.050.

(Ord. NS-388 § 1, 1997)

**§ 5.17.050. Investigation fee—Escort service.**

A nonrefundable fee in an amount established by the Chief of Police shall accompany the submission of each application for an escort service license to defray, in part, the costs of investigation. The fee shall not be in lieu of, and shall be in addition to, the license fee to be paid pursuant to the terms of this chapter.  
(Ord. NS-388 § 1, 1997)

**§ 5.17.060. License investigation—Escort service.**

- A. Upon receipt of a completed application and fee, the Chief of Police shall have a reasonable time, not to exceed 60 days, in which to verify the application information and to investigate the background of the applicant.
- B. The Chief of Police shall notify the planning, building, fire and health departments regarding the pending application. The notified departments, within the 30 days from the application date, shall inspect the premises proposed to be devoted to the escort service and shall make separate recommendations to the Chief of Police concerning compliance with the provisions of this chapter and with the other applicable provisions of state law and the municipal code.
- C. If the escort service has made application for a conditional use permit pursuant to Chapter 21.43, Section 21.43.110 of this code, the investigations required therein may satisfy the requirements of this section as well.

(Ord. NS-388 § 1, 1997)

**§ 5.17.070. Issuance or denial of license.**

Based upon the results of his or her own investigation and upon the reports received from the other city departments, the Chief of Police shall issue a escort service license if the chief finds:

- A. That the operation, as proposed by the applicant, if licensed, would comply with all applicable laws, including, but not limited to, the city's building, zoning, fire and health regulations;
- B. That the applicant, if an individual, or in the case of an applicant which is a corporation or a partnership, any of its officers, directors, holders of 10% or more of corporation stock, has not been convicted in a court of competent jurisdiction of:
  1. An offense involving the use of force or violence upon the person of another; or
  2. A crime requiring registration under Section 290 of the California Penal Code, or of any violation of Sections 266i, 315, 316, 318 or subdivision (a) or (b) of Section 647 of the Penal Code; or
  3. Any felony offense involving the sale of a controlled substance specified in Sections 11054, 11055, 11056, 11057, or 11058 of the Health and Safety Code; or
  4. Any of the above substantive offenses as defined in the laws of any jurisdiction other than the State of California;
- C. That the applicant has not knowingly and with intent to deceive made false, misleading or fraudulent statements of fact in the license application or any other document required by the city in conjunction therewith;
- D. The applicant has met all the requirements of this chapter;

E. The applicant has not had an escort service, massage establishment, nude entertainment, outcall service activity, nude photo studio or similar type of license or a permit suspended for one year or more, or revoked for good cause within three years immediately preceding the date of the filing of the application unless the applicant can show material change in circumstances or mitigating circumstances exist since the revocation or suspension.

If one or more of the above described findings cannot be made, the license shall be denied. In the event of denial, notifications and reasons for denial shall be set forth in writing by the Chief of Police and shall be sent to the applicant by means of registered or certified mail or hand delivery. The denied applicant shall, at his or her election, have the right to receive a hearing before the City Manager pursuant to the provisions of this chapter. If such a hearing is not requested within 10 days of the notice of denial by the Chief of Police, the denial shall be final.

(Ord. NS-388 § 1, 1997)

#### **§ 5.17.080. Escort service establishment facilities.**

No license to conduct an escort service shall be granted unless an inspection by the city reveals that the proposed establishment from which the service is to be conducted complies with the minimum requirements set forth in Title 21, Chapter 21.42, Section 21.42.010 of this code.

(Ord. NS-388 § 1, 1997)

#### **§ 5.17.090. Display of licenses.**

Every person issued an escort service license under the terms of this chapter shall display the license in a conspicuous place so that the same may be readily seen by persons entering the premises from which the escort service is operated.

(Ord. NS-388 § 1, 1997)

#### **§ 5.17.100. Name of business.**

No person licensed to do business as provided in this chapter shall operate under any name or conduct his or her business under any designation not specified in the person's license.

(Ord. NS-388 § 1, 1997)

#### **§ 5.17.110. Telephone number or numbers of business.**

All telephone numbers or listings of the escort service shall be reported in writing to the Chief of Police within 10 days of the telephone number becoming operative or inoperative.

(Ord. NS-388 § 1, 1997)

#### **§ 5.17.120. Change of location.**

A change of location of a licensed escort service may be approved by the Chief of Police; provided all applicable provisions of this code are complied with and a change of location fee to be determined by a resolution of the City Council to defray, in part, the costs of investigation and inspection has been paid to city.

(Ord. NS-388 § 1, 1997)

#### **§ 5.17.130. Change in escort service manager.**

If the owner of an escort service establishment is not acting as the manager of the establishment, and

there is a change in managers, the new manager shall submit information required for an escort service application to the Chief of Police or agent within 30 days of becoming the new manager. The application information must be accompanied by an investigation fee pursuant to Section 5.17.050. No other license fee pursuant to this chapter shall be required due to a change in escort service managers if the manager is not the establishment owner.

(Ord. NS-388 § 1, 1997)

#### **§ 5.17.140. Sale or transfer.**

Upon the sale or transfer of any interest in an escort service, the license for that establishment shall be null and void. A new application shall be made by any person desiring to own or operate an escort service. An application fee to be determined by a resolution of the City Council shall be payable for each such application.

(Ord. NS-388 § 1, 1997)

#### **§ 5.17.150. Inspection.**

Representatives of the city departments of building inspection, housing, fire, police and health shall have the right to enter the premises from time to time during regular business hours for the purpose of making reasonable inspections to enforce compliance with building, fire, electrical, mechanical, plumbing or health regulations. This shall not restrict or limit the right of entry vested in any law enforcement agency.

(Ord. NS-388 § 1, 1997)

#### **§ 5.17.160. Escort—License required.**

It is unlawful for any person to engage in the business of acting or act as an escort without an escort license issued pursuant to the provisions of this chapter. Such persons when providing services as an escort shall have the permit in his or her immediate possession and shall exhibit the permit upon demand of any peace officer.

(Ord. NS-388 § 1, 1997)

#### **§ 5.17.170. Escort license.**

- A. Any person desiring to obtain a license to act as an escort shall make application to the Chief of Police, or designated representative. An annual nonrefundable fee shall accompany the submission of each application to defray, in part, the cost of investigation and examination as required by this chapter. An annual nonrefundable renewal fee shall be charged to defray associated costs of investigation and enforcement.
- B. Each applicant for a license to act as an escort shall furnish the following information to the Chief of Police:
  1. The full true name and any other names used by the applicant;
  2. The present address and telephone number of the applicant;
  3. Each residence and business address of the applicant for the three years immediately preceding the date of the application, and the inclusive dates of each such address;
  4. Written proof that the applicant is at least 18 years of age;
  5. Applicant's height, weight, color of eyes and hair;

6. Two photographs of the applicant of a size specified by the Chief of Police taken within the last 30 days immediately preceding the date of application. One photograph shall be retained by the Chief of Police and one photograph shall be affixed to the license;
  7. Applicant's business, occupation and employment history for the three years immediately preceding the date of application;
  8. The business or permit history of the applicant including whether such applicant has ever had any business, professional or vocational license or permit issued by an agency or board, city, county or state revoked or suspended, and the reason therefor;
  9. All criminal convictions, except traffic violations, and a statement of the dates and places of such convictions;
  10. The establishment or business locations, if any, at which the applicant expects to be employed;
  11. Such other identification and information as may be required in order to discover the truth of the matters herein specified as required to be set forth in the application;
  12. The Chief of Police may require the applicant to furnish fingerprints when needed for the purpose of establishing identification;
  13. A certificate from a medical doctor, licensed to practice in the State of California, stating that the applicant has within 30 days immediately preceding the date of application been examined and had no communicable disease on the date of the examination.
- C. The Chief of Police shall have a reasonable time, not to exceed 60 days, in which to investigate the application and background of the applicant.
- D. A permit shall be issued within 60 days of receipt of the application to any applicant who has furnished all of the information required by this section of the application for such permit, unless:
1. The applicant has knowingly made a false or misleading statement of a material fact or omission of a material fact in the application for the permit; or
  2. The applicant has within five years immediately preceding the date of the filing of the application been convicted of any of the following offenses: 315, 316, or subdivision (a) or (b) of Section 647 of the California Penal Code, or when the prosecution accepted a plea of guilty or nolo contendere to a charge of a violation of Section 415 of the California Penal Code in satisfaction of, or as a substitute for, an original charge of a violation of Section 315, 316 or subdivision (a) or (b) of Section 647 of the California Penal Code; any offense which requires registration as a sex offender with the Chief of Police under Penal Code Section 290; any offense in another state which if committed in this state would have been punishable as one or more of the heretofore mentioned offenses; any offense involving the use of force or violence upon the person of another; any offense involving theft, embezzlement, or moral turpitude; or any violation of a statute, ordinance or regulation pertaining to the same or similar business operational; or
  3. The applicant has had an escort service, massage technician or establishment, nude entertainment, outcall services activity, nude photo studio or similar type of license or permit suspended for one year or more, or revoked for good cause within three years immediately preceding the date of the filing of the application, unless the applicant can show material changes in circumstances or mitigating circumstances exist since the revocation or suspension;

or

4. The applicant is under 18 years of age.
- E. A license to act as an escort does not authorize the operation of an escort service. Any person obtaining a license to act as an escort who desires to operate an escort service must separately apply for a license therefor. A person who applies for a license to operate an escort service and who desires to act as an escort within said business, who pays the fee required by Section 5.17.050 of this chapter, shall not be required to pay the fee required in this section.

(Ord. NS-388 § 1, 1997)

#### **§ 5.17.180. Operative date—Escort services, escorts.**

All persons operating an escort service or acting as an escort at the time this chapter becomes effective shall apply for an escort service license or escort license, as described in this chapter, within 30 days of the effective date of the ordinance codified in this chapter.

(Ord. NS-388 § 1, 1997)

#### **§ 5.17.190. Escort services—Operating requirements.**

No person, association, partnership or corporation shall engage in, conduct or carry on, or license to be engaged in, conducted or carried on the operation of an escort service unless each and all of the following requirements are met:

- A. Each person employed or acting as an escort shall have a valid license issued pursuant to the provisions of this chapter, and it shall be unlawful for any owner, operator, responsible managing employee, manager or licensee in charge of or in control of an escort service to employ or permit any person to act as an escort who is not in possession of a valid, unrevoked escort permit.
- B. The possession of a valid escort service license does not authorize the possessor to perform services for which an escort license is required.
- C. Every owner, operator, responsible managing employee, manager or licensee in charge of or in control of an escort service shall maintain a daily register, approved as to form by the police department, containing the following information:
  1. The identification of all employees employed by such establishment together with a duplicate of each of said employee's escort permit;
  2. The hours of employment of each employee for each day; and
  3. The true identity of each patron as it appears on bona fide documentary evidence of identity issued by a governmental agency, the city and state of each patron's residence, hours of employment of escort service, name of escort or employee providing escort services, location and place where escort services took place, and fee charged.
- D. The daily register shall at all times during the establishment's business hours be subject to inspection by the police department and shall be kept on file for one year on the premises.
- E. This section is regulatory only within this chapter.

(Ord. NS-388 § 1, 1997)

**§ 5.17.200. Patrons obligation.**

No person who is a patron shall place or be cause to be placed in the daily register a false name, or false city and state of that patron's address.

(Ord. NS-388 § 1, 1997)

**§ 5.17.210. Rules and regulations.**

The Chief of Police may adopt rules and regulations supplemental to the provisions of this chapter and not in conflict therewith.

(Ord. NS-388 § 1, 1997)

**§ 5.17.220. Denial of license.**

Any person who has been denied a license by the Chief of Police may request a hearing and appeal in accordance with the provisions set forth in Chapter 5.16, Sections 5.16.270 and 5.16.280.

(Ord. NS-388 § 1, 1997)

**§ 5.17.230. Suspension or revocation of license.**

In the event that any person holding a license issued pursuant to this chapter violates or causes or permits to be violated any of the provisions of this chapter or any provision of any other ordinance or law relating to or regulating escort services, or conducts or carries on such business or occupation in an unlawful manner or in such manner as to constitute a public nuisance, the City Manager may, in addition to other penalties provided by ordinance, suspend or revoke the license as follows:

- A. The City Manager shall notify the licensee in writing of the intended action and the reasons therefor, and of the right to request a hearing in regard thereto;
- B. The action indicated in the written notice shall be final unless the licensee files a written request for hearing with the City Manager within 10 days of the notice;
- C. If a notice of hearing is received, the City Manager shall proceed in accord with Chapter 5.16, Sections 5.16.270 and 5.16.280.

(Ord. NS-388 § 1, 1997)

**§ 5.17.240. Injunctive relief.**

An addition to the legal remedies provided for in this code, the operation of any escort service in violation of the terms of this chapter is a public nuisance and may be enjoined by the city.

(Ord. NS-388 § 1, 1997)

**§ 5.17.250. Violations.**

Any person who violates any of the provisions of this chapter upon conviction is guilty of misdemeanor punishable as provided in Section 1.08.010.

(Ord. NS-388 § 1, 1997)

**§ 5.17.260. Constitutionality.**

If any section, subsection, sentence, clause or phrase of this chapter is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this chapter. The council declares

that it would have adopted the chapter and each section, subsection, sentence, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid.

(Ord. NS-388 § 1, 1997)

## CHAPTER 5.20 TAXICABS

**Note: Prior ordinance history: Ord. Nos. 6010, 6031, 6048, 6052, 6061, 1296, NS-142, and CS-055.**

### **§ 5.20.010. Definitions.**

For the purposes of this chapter, the following words and phrases shall have the meaning respectively ascribed to them by this section, unless it is apparent from the context that a different meaning is intended:

"Certificate of liability insurance" means the certificate of liability insurance issued by an insurance company in the name of the taxi company in the required coverage amounts by the City of Carlsbad in order to obtain a business license.

"Chief of Police" means the Chief of the Carlsbad Police Department, or duly authorized agents and representatives.

"City" means the City of Carlsbad.

"City of Carlsbad business license" or "business license" means the business license that is issued by the City of Carlsbad that is required to operate a taxi business or provide taxi services that originate within the city limits of Carlsbad.

"County" means the County of San Diego and includes the San Diego County Sheriff's Department.

"Decal" means a pre-numbered decal that demonstrates issuance of a city business license, to be affixed to the left portion of the passenger side rear window. The decal will be hole-punched with its expiration month and year. This decal authorizes the taxicab to provide taxi services that originate in the City of Carlsbad.

"Passenger" shall mean every occupant other than the driver of a taxicab.

"Posted rate" means the rate the operator has registered with the county for transporting passengers and which is conspicuously posted in the taxicab. The "posted rate" includes flat rate fares and the fares at which the taximeter has been calibrated and inspected by the sealer of the County of San Diego weights and measures.

"Primary business address" means the location where the taxicab operator, his or her employees, contractors and/or agents are physically located and conduct the majority of their taxicab business.

"Substantially located" shall mean, in reference to a city or county, the taxicab company meets either of the following:

1. Has its primary business address within that city's or county's jurisdiction.
2. The total number of prearranged and non-prearranged trips that originate within that city's or county's jurisdiction account for the largest share of the taxicab company's total number of trips over the previous calendar year, as determined annually.
3. A taxicab company that initiates taxi operations after January 1, 2019, in reference to a city or county in which that company had operated before January 1, 2019, the following:
  - a. In the first year of its operation, the jurisdiction where that taxicab company has its primary business address.

- b. After the first year of operation, it meets either of the following: the test described in paragraph 1 or 2.

"Taxicab" means a motor vehicle as the term is defined by the California Vehicle Code used for transportation of passengers for hire, equipped with a taximeter. A taxicab shall be a vehicle designed to transport no more than eight persons, excluding the driver.

"Taxicab driver" means any person or individual who drives, or is in actual physical control of, a taxicab.

"Taxicab driver identification cards" or "identification cards" means the two annual county identification cards issued to a taxicab driver, by the San Diego County Sheriff's Department, authorizing a taxicab driver to pick up passengers. Both identification cards shall be made available to any passenger or law enforcement official for inspection prior to, during, and after any transportation of passengers.

1. The larger identification card is approximately eight inches long by five and one-fourth inches high and will be on display, unaltered and without obstruction, on the dash board of all taxicabs while the taxicab driver is operating the taxicab in the city.
2. The smaller identification card is approximately three and one-fourth inches long by two inches high, and shall be worn by the taxicab driver at all time while operating the taxicab in the city.

"Taxicab operator" means the person, business, partnership, association, firm or corporation which is engaged in the taxicab business.

"Taxicab operator license" means the annual license issued by the county Sheriff's department authorizing a taxicab operator to pick up passengers. In addition the taxicab operator shall obtain a city business license.

"Taxicab vehicle inspection form" means the County Sheriff's Department taxicab vehicle inspection form. Each and every taxicab operating within the city shall have a completed and approved taxicab vehicle inspection form. A copy of the taxicab vehicle inspection form shall be maintained in each taxicab and shall be made available for viewing by any passenger or law enforcement official prior to, during, and after, any transportation of passengers.

"Taximeter" means any type of taximeter, device or technology approved by the Division of Measurement Standards to calculate fares, including the use of Global Positioning System metering, provided that the device or technology complies with Section 12500.5 of the Business and Professions Code and with all regulations established pursuant to Section 12107 of the Business and Professions Code.

"Taximeter certificate" means the certificate issued by the county weights and measures department showing that the taximeter for that taxicab has been calibrated. A copy of the taximeter certificate, to its specifically assigned taxicab, shall be maintained in each taxicab and be made available to any passenger or law enforcement official for inspection prior to, during and after any transportation of passengers.  
(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

#### **§ 5.20.015. Permit requirements.**

- A. No owner of a taxicab business that is substantially located in the city shall operate or permit the operation of a taxicab as a vehicle for hire on the streets of the city without having obtained from the city a taxicab permit pursuant to the provisions of this chapter.
- B. A taxicab company substantially located and permitted by another city within the County of San Diego or by the County of San Diego may operate in the city on a prearranged basis only. That taxicab company may pick up trips originating through online enabled application, phone dispatch, or Internet website.

C. It is unlawful to operate a taxicab without a valid permit to operate issued by each city or county in which a taxicab company is substantially located. The minimum fine for operating without a permit from the city or county in which a taxicab company is substantially located shall be \$500.00.  
(Ord. CS-343 § 2, 2018)

#### **§ 5.20.020. Business license.**

No taxicab owner or operator substantially located in the City of Carlsbad shall engage in the business of providing taxicab services that originate in the City of Carlsbad without having obtained a City of Carlsbad business license and shall comply with all the provisions of this chapter and of such business license.  
(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

#### **§ 5.20.030. Application information and fee.**

Any person wanting to obtain a business license required by this chapter to operate taxicab services originating in the City of Carlsbad shall pay a fee as established by resolution of the City Council to the city finance department.

The application shall include, at a minimum, the following:

A. Owners:

1. The name and address of applicant, and if the same be a corporation, the names of its principal officers; if the same be a partnership, association or fictitious company, the names of the partners or persons comprising the association or company, with the address of each.
2. The trade name of the taxicab operator or company.
3. Taxicab operator's certificate of liability insurance for the taxicab.
4. Data verifying that the taxicab company is substantially located within the City of Carlsbad; said data shall include the addresses and the trip data showing that the total number of prearranged and non-prearranged trips that originated within the City of Carlsbad account for the largest share of the taxicab company's total number of trips over the previous calendar year.

B. For taxicab vehicle(s):

1. A photo copy of a valid California registration card for every taxicab vehicle owned or leased by applicant taxicab operator for which a city decal will be issued.
2. A photo copy of each taximeter certificate, including the serial number that was issued by the county for each taxicab for which a city decal will be issued.
3. A photo copy of each taxicab vehicle inspection form issued by the county for each taxicab for which a city decal will be issued.
4. The distinctive color scheme, name, monogram or insignia which shall be used on such taxicab vehicle.
5. Copy of a certificate of insurance pursuant to Section 5.20.080.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

#### **§ 5.20.040. Investigation and issuance of a City of Carlsbad business license and City of Carlsbad**

**decal.**

Taxicab operators names are submitted to the Carlsbad Police Department for approval. The Chief of Police or designee shall inspect all applications and forms required by the chapter to ensure they are valid copies issued by the County of San Diego prior to applicant(s) operating any taxicab service/business in the City of Carlsbad. After the police department has reviewed all documents in their entirety, and checked with the County of San Diego that the taxicab operator(s) and taxicab(s) are in good standing with the County of San Diego, the police department shall notify the city's finance department that taxicab operator(s) is authorized to conduct business as a licensed Carlsbad taxicab operator.

Upon the receipt of appropriate approvals and certifications, the finance department shall issue the taxicab operator a business license and a decal for each taxicab.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

**§ 5.20.050. Grounds for denying a taxicab operator a City of Carlsbad business license and/or taxicab permit.**

If a taxicab operator applicant was unable to pass the background check conducted by the County of San Diego Sheriff's Department, was under a current investigation by the County of San Diego Sheriff's Department or any other law enforcement agency or was unable to obtain or have issued a county taxicab license or had a county taxicab license revoked or suspended for any reason listed in the San Diego County Code of Regulatory Ordinances, the taxicab operator applicant will not be issued a City of Carlsbad business license or taxicab permit for operating a taxicab business in the City of Carlsbad.

The Chief of Police or designee shall notify the taxicab operator applicant within 30 days after the applicant filed a complete application that the City of Carlsbad business license for taxicab operator has been denied.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

**§ 5.20.060. City of Carlsbad business license for taxicab operator—Expiration and renewal.**

A City of Carlsbad business license for taxicab operator and taxicab permit issued pursuant to this chapter shall expire one year from the date it they are issued unless said license and/or permit, by their terms, provides for a different expiration date. A City of Carlsbad business license for taxicab operator and taxicab permit may be renewed by filing a renewal application not more than 60 days and not less than 40 days prior to the expiration date with the City of Carlsbad. The application for renewal shall contain the same information required in Section 5.20.030. The finance department shall forward the complete renewal application to the police department for review and compliance with Section 5.20.040. The Chief of Police and/or finance department may deny renewal on the following grounds:

- A. Any of the grounds for denying a new City of Carlsbad business license for taxicab operator; or
- B. The taxicab operator committed an illegal act, or allowed any of its taxicab drivers, agents or employees to commit an illegal act, while engaging in the activity for which the business license was issued or used or allowed any taxicab driver, agent or employee to use the business license contrary to its terms; or
- C. The County of San Diego did not renew or will not renew the applicant's county issued taxicab operator license.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

**§ 5.20.070. Notice of suspension, revocation, or denial and appeal rights and procedures.**

- A. If the County of San Diego suspends, revokes, or denies a new or renewal taxicab operator license the taxicab operator licensee must contest that suspension, revocation, or denial with the County of San Diego.
- B. If the City of Carlsbad suspends, revokes or denies a new or renewal taxicab operator's business license, taxicab permit and/or taxicab driver's permit then the taxicab operator applicant shall utilize the following appeal process:
  1. The taxicab operator applicant must request an appeal hearing before the City Manager. This request must be made in writing and it must be physically received at the Carlsbad Police Department no later than 21 days following the date of the notice of suspension, revocation or denial of either a new or renewal taxicab operator application for City of Carlsbad business license, taxicab permit and/or taxicab driver's permit. For purposes of complying with the 21-day request for hearing, the Carlsbad Police Department "received" stamp shall be determinative for purpose of timely compliance. Failure to file a timely written request for a hearing shall be deemed a waiver of the applicant's right to appeal the suspension, revocation, or denial of a City of Carlsbad business license for taxicab operator.
  2. The City Manager or designee will schedule a hearing within 30 days of receipt of the written request for hearing, unless the 30-day time period is waived in writing by the parties. At the hearing, the taxicab operator applicant shall present relevant evidence for consideration by the City Manager or designee as to why the business license, taxicab permit and/or taxicab driver's permit should be issued or renewed. The City Manager or designee shall issue a written decision to the applicant within 10 business days following the date of the hearing, unless the 10-business-day time period is waived in writing by the parties.
  3. The decision of the City Manager shall be final.
  4. Upon a written decision of the City Manager which suspends or revokes a taxicab license or taxicab permit, the holder of the taxicab license or taxicab permit shall surrender the license and/or permit to the Chief of Police immediately after service of the notice of the decision.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

#### **§ 5.20.075. Emergency suspension.**

- A. The Chief of Police may issue an order suspending a taxicab license or a taxicab driver's permit for a period not exceeding 10 days without having conducted a hearing therefor, if the Chief of Police determines that the continued use of the license or permit will cause immediate hazard to the public safety, health or welfare.
- B. Within 10 days of the effective date of the order, the Chief of Police shall hold a hearing for the owner or driver to show cause why the license or permit should not be suspended or revoked.
- C. The order issued by the Chief of Police under subsection A of this section shall also contain a notice of the hearing setting forth the date, time and place of the hearing.

(Ord. CS-343 § 2, 2018)

#### **§ 5.20.080. Insurance requirements.**

- A. It is unlawful for any taxicab operator to operate a taxicab within the City of Carlsbad unless the person has in effect insurance coverage issued by a company authorized to transact insurance business in the State of California with coverage amounts that meet the requirements of coverage for each

taxicab in an amount not less than \$1,000,000.00 per occurrence, combined single limit for bodily injury and property damage.

- B. The certificate of insurance shall provide that the insurer will notify the Carlsbad Chief of Police, in writing, of any policy cancellation and the notice shall be sent to the Carlsbad Chief of Police by registered mail at least 30 days prior to cancellation of the policy. The certificate shall also state:

1. The full name of the insurer;
2. The name and address of the insured;
3. The insurance policy number;
4. The type and limits of coverage;
5. The specific vehicle(s) insured;
6. The effective dates of the certificate; and
7. The certificate issue date.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

**§ 5.20.090. Suspension or revocation of a City of Carlsbad business license for taxicab operator.**

In addition to the basis for denial set forth in Section 5.20.050, a City of Carlsbad business license and/or taxicab permit granted under the provisions of this chapter may be suspended or revoked by the Chief of Police, either as a whole or in part to any taxicab operator or taxicab, described herein. The City of Carlsbad business license and/or taxicab permit may be suspended or revoked for any of the following reasons:

- A. Charging or demanding a passenger pay a fare exceeding the posted rate.
- B. Driving or controlling the movements of a taxicab without a valid taxicab driver identification card in the taxicab.
- C. Allowing a person to drive or control the movements of a taxicab without a valid taxicab driver identification card.
- D. Operating or allowing another person to operate a taxicab without the insurance coverage required by this chapter.
- E. Operating or allowing another person to operate a taxicab that has not been issued a valid taxicab operator license by the county.
- F. Operating a taxicab without a current taximeter certificate or without the taximeter certificate in the vehicle.
- G. Violating any other provision of federal, state or local law; minor traffic infractions excluded.
- H. Failure of the owner to pay when due any applicable taxes imposed by the city.
- I. Any activity that impairs the safety of passengers.
- J. Any act or omission of the applicant of any fact or condition which, if it existed at the time the application for a license and/or permit was filed, would have warranted the denial of the application.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

**§ 5.20.095. Suspension or revocation of taxicab driver's permit.**

The Chief of Police, or the City Manager on appeal, shall have the power to suspend or revoke a taxicab driver's permit issued under this chapter, on any of the following grounds stated in this chapter or on any of the following grounds:

- A. Suspension, revocation or expiration of the driver's privilege granted by the Department of Motor Vehicles of the State of California to operate a motor vehicle on the public highways of the State of California.
- B. The violation by the driver of any of the terms, conditions or requirements of the taxicab driver's permit or of this chapter.
- C. Any act or omission of the driver or any fact or condition which, if it existed at the time the application for a taxicab driver's permit was filed, would have warranted the denial of the application.
- D. Failure of the driver to pay any judgment against the driver for personal injury or death, or property damage arising out of the driver's operation of a public transportation vehicle, within 30 days after the judgment has become final.
- E. The driver consumed drugs or alcohol or is under the influence of drugs or alcohol while on duty or is convicted of a crime relating to drugs or alcohol.
- F. Failure of the driver to pay when due any applicable taxes imposed by the city.

(Ord. CS-343 § 2, 2018)

**§ 5.20.100. Permission to make changes in the mode of operation.**

The taxicab operator shall notify the Police Chief and city finance department within 10 calendar days of all changes to its taxicab operator's license. The city may suspend or revoke the business license of any taxicab operator who fails to notify the Police Chief and finance department of any changes to the taxicab operator's license.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

**§ 5.20.110. Taxicab stands.**

The City of Carlsbad does not maintain any taxicab stands within the city. All taxis are required to be legally parked at all times, including while loading and unloading passengers.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

**§ 5.20.120. Taxicab fares.**

- A. The rate schedule must be submitted to the City of Carlsbad at the time of application for a City of Carlsbad business license for taxicab operator and must be accompanied along with the taximeter verification from county weights and measures, if applicable.
- B. The taxicab operator shall prominently post the rate schedule on the interior of both rear doors of all taxicabs in letters at least one inch high. The rates shall be displayed in dollars and cents and shall also display the "flag drop rate," "travel charge rate," and "time charge rate." The figures that display the fare shall be easily readable by persons in the passenger compartment of the taxicab.

1. It is unlawful for a passenger who has hired a taxicab to refuse to pay the fare.
2. It is unlawful for the taxicab operator or the taxicab driver to request the passenger pay a fare in excess of the posted rate or the amount due on the taximeter.
3. Every taxicab operator and taxicab driver and all agent(s) and employee(s) of a taxicab operator or taxicab driver shall accurately state the "posted rate" in effect in response to any inquiry.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

#### **§ 5.20.130. Rules and regulations of operation.**

All applicable federal, state, local county and city laws and regulations shall be observed by all persons operating as a taxicab operator or taxicab driver at all times.

- A. A taxicab driver employed to transport passengers to a definite point shall take the most direct route possible that will carry the passenger to his or her destination safely and expeditiously.
- B. A taxicab driver shall provide a receipt to any passenger who requests one after the passenger pays the fare. The receipt shall indicate the beginning and ending points of the trip, the fare charged, the date, the taxicab operator or taxicab driver's name, and the vehicle number, and shall be signed by the taxicab driver.
- C. No person shall solicit passengers for taxicabs other than the taxicab driver. The taxicab driver, however, may not leave the taxicab to solicit passengers.
- D. No taxicab driver shall transport more persons, including the taxicab driver, than the manufacturer's rated seating capacity for the taxicab vehicle they are operating. A taxicab driver shall also not transport luggage or other items exceeding the vehicle's storage volume or load-carrying capacity.
- E. A taxicab must be legally parked and the taxicab driver must remain within 12 feet of his or her taxicab unless the taxicab driver is assisting passengers with loading and/or unloading of persons or luggage.
- F. No taxicab driver shall knowingly pick up a person who has summoned a taxicab from a competitive taxicab company without informing the person that he or she does not represent the taxicab company the person summoned.
- G. No taxicab driver, who has been hired by a passenger, shall pick up any additional passenger without the consent of the original passenger.
- H. A taxicab driver shall not operate a taxicab unless he or she has affixed his or her taxicab driver identification card in a prominent location inside the taxicab, visible to passengers in the passenger compartment. A taxicab driver while working shall display the name and photo identification badge issued to him or her by the County of San Diego Sheriff's Department. The taxicab driver shall prominently display the badge on the outside front of the driver's clothing, between the waist and shoulders.
- I. It is unlawful for a taxicab driver to refuse a prospective or actual fare or to take any action to actively discourage a prospective or actual fare on the basis of race, creed, color, age, sex, national origin or disability. A taxicab driver may, however, refuse a prospective or actual fare if it is readily apparent to the driver that a person presents a hazard to the taxicab driver. A taxicab driver is also not obligated to transport any person who is verbally or in any other way abusive to the taxicab driver.

- J. It is unlawful for a taxicab driver to refuse or discourage a prospective fare based upon the length of the trip if the trip is within the area normally serviced by the taxicab operator who employs the taxicab driver.
- K. A taxicab driver shall assist a passenger with loading or unloading a reasonable size, number, and type of passenger luggage or other items, when requested by a passenger. A taxicab driver, however, is not required to lift any single item that exceeds 25 pounds. The requirement to assist with loading or unloading shall be limited to retrieving or depositing items onto the nearest curbside adjacent to a legally parked taxicab. A sign in the form of a transparent decal may be affixed to the rear-door, side window stating that, "DRIVER IS NOT REQUIRED TO LOAD LUGGAGE IN EXCESS OF 25 POUNDS PER ITEM OR OF A SIZE OR KIND THAT WILL NOT SAFELY FIT IN THE DESIGNATED LUGGAGE AREA OF THIS VEHICLE." A taxicab driver with a lawful disability that prevents him or her from handling items may submit proof of disability to the County of San Diego issuing officer requesting relief from the requirement to assist passengers with luggage. If approved by the County of San Diego issuing officer, the taxicab driver may affix a small sign either in the passenger section of the vehicle to be visible to a rear seat passenger or on the inside of the trunk cover lid stating that, "DRIVER HAS DISABILITY THAT PREVENTS HANDLING OF LUGGAGE."
- L. A taxicab driver may seek passengers by driving on a public street, but may not travel at a speed or in a manner that interferes with or impedes traffic.
- M. A taxicab driver shall display an "out of service" sign when the taxicab is not available for hire. The sign must be located inside the vehicle to be visible and readable from outside the vehicle at a distance of at least 10 feet away.
- N. A taxicab driver shall maintain a daily trip log which shall be available for inspection upon request by any peace officer. The trip log shall show the taxicab driver's name, taxicab number, date, time, origin and destination of each trip, and fare charged. The logs shall have ruled lines and columns sufficient to include all required information and the entries shall be in black or dark blue ink. The taxicab driver shall submit his or her trip logs to the taxicab operator at least once a week.
- O. It is unlawful for any taxicab driver, while transporting passengers, to display the flag or device attached to the taximeter in a position indicating the vehicle is available for hire. It is unlawful for the taxicab driver to prevent the taximeter from operating while the driver is transporting passengers. It is unlawful for a taxicab driver to cause the taximeter to record when the taxicab is not employed or to allow the taximeter to continue to record after reaching the passenger's final destination.
- P. It is unlawful for any taxicab operator or taxicab driver to refuse a prospective or actual fare, take any action to actively discourage a prospective or actual fare or refuse to dispatch a taxicab driver.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

#### **§ 5.20.140. Condition of taxicabs.**

- A. All taxicab companies shall maintain motor vehicles used in taxi transportation services in a safe operating condition, and in compliance with the Vehicle Code, subject to annual inspection at a facility that is certified by the National Institute for Automotive Service Excellence or a facility registered with the Bureau of Automotive Repair. The inspection shall be completed prior to the renewal of the taxicab permit. If the taxicab successfully completes the safety inspection, a taxicab safety permit sticker shall be issued and shall be displayed in the taxicab rear window.
- B. Taxicabs that are owner-operated vehicles will receive a taxicab safety permit sticker only if the

registered owner holds a valid taxi driver permit.

- C. The registered owner of a taxicab, who is aware of, or should have been aware of, any unsafe condition of the taxicab, shall not allow the taxicab to be used until necessary repairs are made.

- D. Any taxicabs may be put out of service by any law enforcement officer until any unsafe condition has been corrected.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

**§ 5.20.150. Taxicab driver licensing requirements.**

- A. No person who wishes to operate a taxicab and is substantially located in Carlsbad shall operate any taxicab in the City of Carlsbad unless the person has a valid driver's permit to do so as hereinafter provided.

- B. A taxicab driver substantially located in and permitted by another city within the County of San Diego or by the County of San Diego may operate in the City of Carlsbad. That driver may pick up trips originating through online enabled application, phone dispatch, or Internet website.

- C. Application for a taxicab driver's permit shall be made in writing to the city setting forth the following minimum information:

1. The applicant's name, age address and past experience with regard to taxicab service;
2. The names, and addresses of the applicant's employers during the preceding three years;
3. The name of the taxicab operator the applicant has received an offer of employment from;
4. Such additional information as the Chief of Police may require.

- D. A driver's permit issued by the City of Carlsbad shall immediately cease to be valid upon a driver's termination from the employer applicant listed on his or her application for the driver's permit; permittee shall immediately surrender the permit to the Chief of Police.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

**§ 5.20.160. Taxicab numbers and information posted inside of a taxicab.**

- A. Every taxicab operator holding a City of Carlsbad business license shall designate each of its taxicabs by number, and no two taxicabs shall be designated by the same number. The name or trade name of the taxicab company and the number by which the taxicab is designated shall be painted, or stickers affixed conspicuously, on the outside of each taxicab and on the inside the passenger compartment.

- B. In addition, every taxicab shall have a sign of durable material, not smaller than six inches by four inches, securely attached and clearly displayed in view of the passenger at all times. The sign shall provide in letters as large as the size of the sign will reasonably allow and contain the following information:

1. The name, address, and telephone number of the City of Carlsbad Police Department;
2. The name, address, and telephone number of the taxicab operator's company licensed under this chapter.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

**§ 5.20.170. Transferability of a business license.**

No City of Carlsbad business license issued under the terms of this chapter shall be transferable either by contract or operation of law.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

**§ 5.20.180. Violations.**

- A. Every person who violates any of the provisions of this chapter shall be guilty of an infraction or misdemeanor punishable as provided in Section 1.08.010(B).
- B. Any taxicab operator, or taxicab driver, whether an employee or independent contractor of a taxicab operator violating, permitting, or assisting the violation of any provisions of this chapter, shall be subject to any and all civil remedies, including, without limitation, to business license suspension and revocation. All remedies provided herein shall be cumulative and not exclusive. Any violation of these provisions shall constitute a separate violation for each and every day during which such violation is committed or continued.
- C. In addition to the remedies set forth in subsection B of this section, any taxicab operator that is operating in violation of this chapter is hereby declared to constitute a public nuisance and, as such, may be abated or enjoined from further operation in the City of Carlsbad.

(Ord. CS-218 § 1, 2013; Ord. CS-343 § 2, 2018)

## CHAPTER 5.24 TRAILERS AND TRAILER PARKS

### **§ 5.24.005. Definitions.**

For the purpose of this chapter, the following words and phrases shall have the meanings respectively ascribed to them by this section:

"Approved," when used in connection with any material, appliance or construction, means meeting the requirements and approval of the Community and Economic Development Director of the city;

"Auto and trailer camp" means auto and trailer park;

"Auto and trailer park" means any area or tract of land where space is rented or held out for rent to two or more owners or users of trailer coaches or tent campers furnishing their own camping equipment, or where free camping is permitted owners or users of trailer coaches or tent camping equipment for the purpose of securing their trade;

"Building" means a tent, tenthouse, single and multi-family dwelling, public toilets, public baths and laundry rooms, or other structures, and a compartment containing a toilet or bath, or both, constructed for the exclusive use of an occupant of a camp site;

"Camp site" means any portion of an auto and trailer camp designed for the use or occupancy of one trailer coach or camping party;

"Liquefied petroleum gas" means petroleum hydrocarbons or mixtures thereof, in liquid or gaseous state, having a vapor pressure in excess of 26 psi at a temperature of 100 degrees Fahrenheit. Whenever the symbol "LPG" is used, it means liquefied petroleum gas;

Nuisance. In an auto and trailer park, "nuisance" includes any of the following:

1. Any public nuisance known at common law or in equity jurisprudence;
2. Whatever is dangerous to human life or is detrimental to health;
3. The overcrowding of any room with occupants;
4. Inadequate or insanitary sewage or plumbing facilities;
5. Insufficient ventilation or illumination of any room;
6. Whatever renders air, food or drink unwholesome or detrimental to the health of human beings;
7. Unnecessary noise.

"Trailer coach" means any camp car, trailer or other vehicle, with or without motive power, designed and constructed to travel on the public thoroughfares at the maximum allowable speed limit and in accordance with the provisions of the Vehicle Code of the state, and designated or used for human habitation;

A "dependent trailer coach" is one not equipped with a toilet for sewage disposal;

An "independent trailer coach" is one equipped with a toilet for sewage disposal.  
(Ord. 8033 § 1; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

### **§ 5.24.010. Chapter inapplicable to public park, campground or picnic ground.**

This chapter does not apply to any supervised public park, public campground or picnic ground owned,

operated or maintained by any one of the following:

- A. The federal government;
  - B. The state;
  - C. Any agency or political subdivision of the state.
- (Ord. 8033 § 54)

#### **§ 5.24.015. Enforcement.**

The Chief of Police of the city shall enforce the provisions of Section 5.24.140. The Fire Chief and fire department shall enforce all provisions regarding fire protection. The Community and Economic Development Director shall enforce every other provision of this chapter; provided, however, that the health officer of the city may enforce such of the provisions contained in this chapter that relate to or affect public health.

(Ord. 8033 § 2; Ord. 2028 § 1(P), 1969; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

#### **§ 5.24.020. Authority of enforcement officers and agents.**

For the purpose of securing the enforcement of this chapter, the Community and Economic Development Director and his or her agents and the health officer and his or her agents shall have the authority of peace officers, including authority to make arrests, to serve any process or notice, and generally, such other authority of peace officers as may be necessary to secure enforcement of this chapter.

(Ord. 8033 § 5; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

#### **§ 5.24.025. Right of entry.**

The Community and Economic Development Director, or agents of his or her department, or the city health officer may:

- A. Enter public or private property to determine whether there exists any auto camp or trailer park to which this chapter applies;
  - B. Enter and inspect all auto camps and trailer parks, wherever situated, and inspect all accommodations, equipment or paraphernalia used in connection therewith, including the right to examine any registers of occupants maintained therein in order to secure the enforcement of the provisions of this chapter.
- (Ord. 8033 § 2; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

#### **§ 5.24.030. Abatement of nuisances.**

The owner or operator of an auto and trailer park shall abate any nuisance in the court or park within five days, or within such longer period of time as may be allowed by the Community and Economic Development Director or health officer, after he or she has been given written notice by the Community and Economic Development Director or health officer to remove the nuisance. If the owner or operator fails to do so within that time, the City Attorney, upon the order of the City Council, shall bring a civil action to abate the nuisance in the superior court of the county in the name of the people of the state.

(Ord. 8033 § 3; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

**§ 5.24.035. Proof sufficient to support judgment.**

In any action or proceeding to abate a nuisance in an auto and trailer camp, proof of the following facts is sufficient for a judgment or order for the abatement of the operation of the auto and trailer park:

- A. Previous conviction of the owner or operator of the auto and trailer park of a violation of this chapter which constitutes a nuisance;
- B. Failure on the part of the owner or operator to correct the violation after the conviction;
- C. The violation is the basis for the proceeding.

(Ord. 8033 § 4)

**§ 5.24.040. Permit required—Application.**

It is unlawful for any person to do any of the following unless he or she first makes application in writing to the Community and Economic Development Director and obtains a permit therefor:

- A. Construct an auto and trailer park;
- B. Construct additional buildings or reconstruct or move existing buildings in an existing auto and trailer park;
- C. Operate, or rent, lease, sublease, let or hire out for occupancy, any space in an auto and trailer park or any building in an auto and trailer park that has been constructed, reconstructed or altered or moved without having obtained a permit as required in this chapter;
- D. Operate an auto and trailer park for which a fee of \$25.00 has never been paid either to construct or operate.

(Ord. 8033 § 6; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

**§ 5.24.045. Conditional use permit—Required when.**

All new auto and trailer parks shall obtain a conditional use permit from the Planning Commission and a permit from the Community and Economic Development Director.

(Ord. 8033 § 7; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

**§ 5.24.050. Plot plan to be filed by applicant for conditional use permit.**

Each applicant for a trailer park shall first submit to the Planning Commission a plot plan. Such filing shall be made prior to the final completion of surveys of streets and camp sites, and before grading or construction work within the proposed trailer park that might be affected in the changes in the plan, and in time to assure its receipt by the Planning Commission not less than 14 days prior to the date of the Planning Commission meeting at which time such matter is to be considered.

(Ord. 8033 § 8)

**§ 5.24.055. Contents of plot plan.**

Each plot plan required by the preceding section shall contain the following information:

- A. Name and address of owner;
- B. Name and address of architect, surveyor, engineer or land planner who prepared the plan;

- C. North point and scale;
  - D. Name, location and width of adjacent streets;
  - E. Camp sites with the approximate dimensions of each site;
  - F. Approximate location and width of watercourses, areas subject to inundation by floods, and drainage plan of park;
  - G. Location of structures, irrigation ditches and other permanent physical features;
  - H. Approximate location of buildings and structures;
  - I. Legal description of the exterior boundaries of the trailer park;
  - J. Width and location of proposed streets, drives and walks, including ingress and egress to public street;
  - K. Width and location of existing or proposed public easements;
  - L. Proposed name of park;
  - M. Proposed grading and landscaping;
  - N. Identification of city and county lines involved;
  - O. Description of water supply and method of sewage disposal.
- (Ord. 8033 § 8)

**§ 5.24.060. Recording of conditional use permits.**

Each conditional use permit issued under the provisions of this chapter shall be duly recorded with the office of the Recorder of the county, and the time limit governing the expiration of such permit shall be considered a covenant upon the property between the property owner and the city.

(Ord. 8033 § 17)

**§ 5.24.065. Fee to accompany application.**

In case of a new auto and trailer camp or a new combination auto and trailer camp, the application to the Community and Economic Development Director shall be accompanied by:

- A. Plans and information which have been filed and approved by the Planning Commission for the conditional use permit;
  - B. A fee of \$25.00.
- (Ord. 8033 § 9; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

**§ 5.24.070. Existing auto and trailer park—Application requisites.**

In the case of an existing auto and trailer camp, the application shall be accompanied by:

- A. A description of the grounds upon which buildings are to be added or reconstructed, or to which buildings are to be moved or which is to be used for camping purposes;
- B. Plans and specifications of the proposed addition, reconstruction or movement;

C. A description of the water supply, ground drainage and method of sewage disposal.  
(Ord. 8033 § 10)

**§ 5.24.075. Inspection and issuance of permit.**

Within 10 days after the application, descriptions, plans and specifications, and required fee, if any, are filed and paid, the Community and Economic Development Director shall inspect the grounds upon which the applicant proposes to do the work for which the applicant seeks a permit. The Community and Economic Development Director shall issue a written permit to the applicant if, in the director's opinion:

- A. The grounds are satisfactory for the work proposed;
- B. The descriptions and plans and specifications filed indicate that the work proposed will meet the requirements of this chapter.

(Ord. 8033 § 11; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

**§ 5.24.080. Annual inspection and fee.**

On the first day of July of each year, the sum of two and one-half dollars per camp site shall be due as and for an annual inspection fee. If such fee is not paid by July 31st, a 10% penalty shall be added. The Community and Economic Development Director shall inspect annually the auto and trailer park and inform the permittee of any violations of this chapter, and require compliance with the provisions of this chapter. Additional inspections shall be made by the Community and Economic Development Director when the director deems necessary.

(Ord. 8033 § 12; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

**§ 5.24.085. Change in name, ownership or possession—Notice.**

The Community and Economic Development Director shall be notified by the new owner or operator of any auto and trailer park of any change in the name of or the ownership or possession thereof. Such notice shall be in written form and shall be furnished within 30 days from and after any such change in name or transfer of ownership or possession. The notice shall be accompanied by a transfer fee of \$10.00.

(Ord. 8033 § 13; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

**§ 5.24.090. Permits to be posted.**

Permits for construction and operation of an auto and trailer park shall be posted in a conspicuous place.  
(Ord. 8033 § 14)

**§ 5.24.095. Expiration of permits.**

All permits as required in this chapter for construction or reconstruction of an auto and trailer park shall automatically expire within two months from the date of the issuance thereof in those cases where the construction or reconstruction has not been completed within such period; provided, however, that the Community and Economic Development Director may extend the expiration date of any such permit for a reasonable time.

(Ord. 8033 § 15; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

**§ 5.24.100. Grounds for suspension of permit.**

In the event that any person holding a permit issued by the Community and Economic Development

Director under this chapter violates any of the provisions of the permit or of this chapter, the permit may be subject to suspension as provided in Sections 5.24.105 to 5.24.120.

(Ord. 8033 § 16; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

#### **§ 5.24.105. Suspension notice—Issuance.**

The Community and Economic Development Director shall issue and serve upon the permittee a notice setting forth in what respect the provisions of the permit and this chapter have been violated, and shall notify him or her that unless these provisions have been complied with within 30 days after the date of notice the permit shall be subject to suspension.

(Ord. 8033 § 16; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

#### **§ 5.24.110. Manner of service of notice of suspension.**

The notice shall be served by posting at least one copy in a conspicuous place on the premises described in the permit, and by sending another copy by registered mail, postage prepaid, return receipt requested, to the person to whom the permit was issued at the address therein given.

(Ord. 8033 § 16)

#### **§ 5.24.115. Suspension upon failure to comply with notice.**

If the requirements of the notice have not been complied with on or before the expiration of 30 days after the mailing and posting of the notice, the Community and Economic Development Director may suspend the permit.

(Ord. 8033 § 16; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

#### **§ 5.24.120. Reinstatement of permit upon compliance.**

Upon compliance by the permittee with the provisions of this chapter and of the notice, and submission of proof thereof to the Community and Economic Development Director, the Community and Economic Development Director shall reinstate the permit.

(Ord. 8033 § 16; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

#### **§ 5.24.125. Parking certain trailer coaches in auto and trailer park prohibited.**

It is unlawful for any person in an auto and trailer park to use, or cause or permit to be used, for occupancy:

- A. Any trailer coach from which any tire or wheel has been removed therefrom, except for the purpose of making temporary repairs or placing it in dead storage;
- B. Any trailer coach to which are attached any rigid water, gas or sewer pipes; provided, however, that metal tubing not to exceed one-half inch inside diameter may be used for water and gas;
- C. Any trailer coach which is permanently attached with underpinning or foundation to the ground;
- D. Any trailer coach which does not conform to the requirements of the California State Vehicle Code governing the use of the trailers on public highways;
- E. Any trailer coach which does not carry a current yearly license issued by any state or foreign state motor vehicle department;
- F. Any trailer coach in an unsanitary condition;

- G. Any trailer coach which is structurally unsound and does not protect its habitants against the elements;
- H. Any trailer coach to which there is attached or established less than six feet adjacent thereto any awning, portable, demountable or permanent cabana, building or windbreak, unless constructed in conformity with the rules and regulations as provided by the California Administrative Code, Title 8, Chapter 9, Article 4, and any subsequent amendments thereto, and such use shall be in conformance with all applicable ordinances and regulations thereto, and the Community and Economic Development Director is empowered to enforce such rules and regulations. The provisions of Section 5.24.155 shall not apply to any awning, cabana, building or windbreak regulated by this subsection.  
(Ord. 8033 § 18; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

**§ 5.24.130. Rental of trailer in auto and trailer park owned by owner of park.**

It is unlawful for any person to rent or hold out for rent any trailer coach in an auto and trailer park which is owned by or in the possession or control of the owner or operator of the auto and trailer park or agent. The rental paid for any such trailer coach shall also be deemed to be rental for the space it occupies.  
(Ord. 8033 § 19)

**§ 5.24.135. Unauthorized occupation of land—Time limitation.**

It is unlawful for any person to use, occupy or maintain any trailer coach, tent or tent house upon any area or tract of land for a period of more than seven days during any one three month period of time without the written permission of the owner or person legally in charge of the land.

(Ord. 8033 § 20)

**§ 5.24.140. Overnight occupation of public highway.**

It is unlawful to camp overnight or to park a trailer coach overnight upon any public highway including the right-of-way. This provision shall not apply where a trailer coach is parked for the purpose of making emergency repairs.

(Ord. 8033 § 21)

**§ 5.24.145. Location of trailers outside of auto and trailer park.**

Unless otherwise permitted by this code, it is unlawful within the limits of the city for any person to park an automobile trailer, trailer coach or trailer on the premises of any occupied dwelling, which lot or premises are situated outside of any authorized automobile trailer park, except as follows:

- A. One unoccupied trailer may be parked in an accessory building, private garage, or in a rear yard, in any zoning district, provided that no living quarters shall be maintained or any business practiced in the trailer when such trailer is so parked or stored; and
- B. A trailer may be parked on the subject premises when utilized for the purposes of a watchman's unit, with the approval of the City Manager, provided that the trailer is not used as a primary place of residence and that utilities meet the standards of the county health department.

(Ord. 8033 § 2; Ord. 9341 § 1, 1973; Ord. 9345, 1973; Ord. 9350 § 1, 1973)

**§ 5.24.150. Camp sites.**

- A. Area Generally. Each camp site in an auto and trailer park shall be not less than 1,300 square feet, the corners of which shall be clearly and distinctly marked.

- B. Automobile Parking Area. There shall be in addition to the camp site area an area of at least 10 feet by 20 feet for the parking of automobiles for each camp site; this automobile parking area shall be within the trailer park, but need not be adjacent to or on the trailer coach site.
- C. Transient Occupancy. The Planning Commission may approve camp sites of not less than 750 square feet where such camp sites are to be used exclusively for transient occupancy. Such approval shall be conditioned by a time limit governing the continuous occupancy of a trailer or camp car on such site. Transient occupancy herein referred to shall mean use by tourists or vacationists for a period of time not to exceed 90 days.

(Ord. 8033 § 23)

**§ 5.24.155. Distance of trailer coaches from buildings or other trailer coaches.**

No trailer coach, building, awning or cabana shall be located closer than 10 feet from any building, awning or cabana not on the camp site.

(Ord. 8033 § 24)

**§ 5.24.160. Location of trailer coaches and buildings from lot lines.**

Each trailer coach and each building, awning or cabana shall be located not closer than three feet from a lot line.

(Ord. 8033 § 25)

**§ 5.24.165. Building area per site.**

The space occupied by trailers, awnings, cabanas or any other structure shall not exceed 75% of the total site area.

(Ord. 8033 § 26)

**§ 5.24.170. Camp sites to front upon driveway—Thoroughfare access.**

Each camp site shall front upon a driveway of not less than 20 feet in width. All driveways shall have clear and unobstructed access to a public thoroughfare.

(Ord. 8033 § 27)

**§ 5.24.175. Accommodation of parties when sites not available.**

An auto and trailer park shall not accommodate any camping parties for whom there are no available camp sites in the camp.

(Ord. 8033 § 29)

**§ 5.24.180. Streets to be paved.**

All streets within the trailer park shall be paved with an asphaltic material or concrete.

(Ord. 8033 § 28)

**§ 5.24.185. Street width.**

Streets shall be at least 30 feet wide for collector streets:

- A. Minor streets and drives shall be subject to the following formula, based upon the angle of parking of trailer coaches. In the case of varied parking, the widest angle shall determine the width of the street:

1. Ninety-degree parking, 25 feet;
  2. Sixty-degree parking, 22 feet;
  3. Forty-five degree parking, 20 feet.
- B. If parking is to be permitted on one side of a street, such street shall be at least 22 feet wide; if parking is to be permitted on both sides of a street, such street shall be at least 30 feet wide.  
(Ord. 8033 § 30)

**§ 5.24.190. Water closets—Generally.<sup>4</sup>**

- A. Number Required. For dependent trailers there shall not be less than one water closet in a separate compartment for each sex for the first 10 trailer sites or fractional part thereof not provided with a private water closet. There shall be one additional water closet for each sex in a separate compartment for every 10 additional trailer sites or fractional part thereof. In no event shall there be less than one toilet for each sex in any auto and trailer camp. The enforcement agency, when conditions warrant, may approve the installation and use of other types of toilet facilities. For independent trailers there shall not be less than one water closet for each sex for every 15 trailer sites or fractional part thereof.
- B. Location of Toilet Facilities. All toilet facilities for dependent trailers shall not be farther than 200 feet from each trailer site. All toilet facilities for independent trailers shall not be farther than 500 feet from each trailer site.
- C. Use of Toilets. Each toilet shall be for the exclusive use of the occupants of the camp sites in the auto and trailer park.
- D. Width of Water Closet Compartments. Every water closet compartment in any building in an auto and trailer park shall be at least 30 inches in clear width.

(Ord. 8033 § 58)

**§ 5.24.195. Marking of water closets.**

In every auto and trailer camp water closets for men shall be distinctly marked: "For Men"; and water closets for women shall be distinctly marked: "For Women." In addition the location of water closets shall be plainly indicated by signs.

(Ord. 8033 § 32)

**§ 5.24.200. Floors of water closet compartments to be waterproof.**

The floor of every water closet compartment shall be constructed and shall be maintained in a waterproof condition by the use of cement, concrete or other approved waterproof material. The waterproof material shall be applied upward on the interior walls of the water closet compartment, to a height of not less than 12 inches above the floor.

(Ord. 8033 § 33)

**§ 5.24.205. Water closet—Accessibility to tenants.**

The public toilets shall be maintained readily accessible to all tenants at all times.  
(Ord. 8033 § 31)

---

4. As to cleanliness, maintenance and ventilation of watercloset compartments, see Section 5.24.220.

**§ 5.24.210. Use of trailer coach toilets in auto camps.**

It is unlawful for any person to use, or permit the use of, any toilet in any trailer coach located or camped within an auto and trailer park unless such toilet meets the requirements of the California Administrative Code, Title 8, Chapter 9, Article 3, and any subsequent amendments, and the Community and Economic Development Director is empowered to enforce such rules and regulations.

(Ord. 8033 § 34; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

**§ 5.24.215. Bathing facilities.**

- A. Number Required; Doors; Location. In every auto and trailer park, shower baths or other bathing facilities with hot and cold running water shall be installed in separate compartments for every 15 or fractional part of 15 camp sites, for each sex. However, in no event shall there be less than one shower for each sex. Every compartment shall be provided with a self-closing door. All shower baths or other bathing facilities provided herein shall not be farther than 200 feet from each camp site for dependent trailers, and not farther than 500 feet for independent trailers.
- B. Floors of Shower Bath Compartments to be Waterproof. The floor of every shower bath compartment shall be constructed and shall be maintained in a waterproof condition by the use of cement, concrete or other approved waterproof material. The waterproof material shall be applied upward on the interior walls of the compartment to a height of not less than six feet above the floor.

(Ord. 8033 § 35)

**§ 5.24.220. Cleanliness, maintenance and ventilation of water closet and bathing compartments.<sup>5</sup>**

Every water closet compartment or compartments containing bathing facilities shall be:

- A. Kept clean;
- B. Kept free from obnoxious odors, flies, mosquitoes or other insects;
- C. Provided with one or more windows having an aggregate area of not less than six square feet. However, if the room contains more than one water closet, bath or urinal, the total window area shall be equivalent to three square feet for each water closet, bath or urinal, but need not exceed one-fourth of the superficial floor area of the room;
- D. Windows shall be screened with not less than 16-mesh metal screen.

(Ord. 8033 § 36)

**§ 5.24.225. Laundry compartment.**

- A. Generally. There shall be constructed in every trailer park a laundry compartment with not less than two laundry trays.
- B. Construction of Floors and Lower Walls. The floors and at least 12 inches on the walls from the ground shall be constructed of approved masonry construction.
- C. Window Area. Each laundry compartment shall have window area equal to at least one-eighth of the floor area, and in no case shall it be less than nine square feet.
- D. Laundry Trays to be Supplied with Hot and Cold Water. The laundry trays shall be supplied with hot

---

5. As to water closets generally, see Sections 5.24.190 to 5.24.205 of this code.

and cold water.

- E. Facilities to Dry Clothes. In every auto and trailer park there shall be set aside a space convenient to the laundry facilities for the occupants of the camp sites to dry clothes.

(Ord. 8033 § 37)

**§ 5.24.230. Slop sinks.**

There shall be installed in every auto and trailer park one or more slop sinks, which shall be conveniently located within 100 feet of each trailer coach or camp site.

(Ord. 8033 § 38)

**§ 5.24.235. Number of lavatories.**

There shall be not less than one lavatory for each sex installed in every building in an auto and trailer park containing public toilets.

(Ord. 8033 § 39)

**§ 5.24.240. Installation and maintenance of plumbing fixtures affecting sanitary drainage system.**

All plumbing fixtures in every building in an auto and trailer park which affect its sanitary drainage system shall be installed and maintained as follows:

- A. Each plumbing fixture shall be connected to a sanitary drainage system and shall be provided with a water-sealed trap;
- B. The trap shall be separately and effectively vented by means of a connection to a vent pipe extending to the outer air above the roof. The vent pipe shall be so installed and maintained that no drainage or sewage from any fixture may be deposited in or conveyed through;
- C. Plumbing vent pipes installed in any building shall not terminate at a point adjacent to any window or other opening in the building intended or used for ventilation purposes;
- D. Suitable and readily accessible cleanouts shall be placed at convenient points in the plumbing system of every building;
- E. Whenever any plumbing fixture becomes insanitary the enforcement agency may require its removal and replacement by a fixture conforming to the provisions of this chapter;
- F. If it is impracticable to connect the plumbing fixtures affecting the sanitary drainage system with municipal or sanitary district sewer, sewage, or waste may be discharged into a cesspool or into a septic tank constructed and maintained to the satisfaction of the enforcement agencies;
- G. No sewage, waste water or any effluent shall be allowed to be deposited on the surface of the ground.

(Ord. 8033 § 40)

**§ 5.24.245. Water supply.**

- A. Generally. There shall be in every auto and trailer park an adequate supply of pure water for all the requirements of the park. The water shall be obtainable from faucets installed within 100 feet of each part of the park.
- B. Common Drinking Vessels Prohibited. No dipping vessels or cups for common use are permissible

in any auto and trailer park.

C. Drinking Fountains. Drinking fountains shall be maintained in a sanitary condition and shall be of a type approved by the enforcement agency.

(Ord. 8033 § 41)

#### **§ 5.24.250. Garbage cans.**

In every auto and trailer park, one or more metal garbage cans with tight-fitting covers appropriately labeled, shall be provided for every six, or fractional part of six, trailer coaches or camp sites within the park.

(Ord. 8033 § 43)

#### **§ 5.24.255. Disposal of garbage, waste and rubbish.**

All garbage, waste and rubbish in every auto and trailer park shall be disposed of in the manner provided by city ordinance.

(Ord. 8033 § 44)

#### **§ 5.24.260. Disposal of liquid wastes from coaches.**

It is unlawful to permit any waste water or material from sinks or other plumbing fixtures in a trailer coach to be deposited upon the surface of the ground, and all such fixtures, when in use, must be connected to a sewer system or covered cesspool or septic tank.

(Ord. 8033 § 45)

#### **§ 5.24.265. Care of land.**

The area or tract of land upon which an auto and trailer park is maintained shall be:

A. Well drained and graded;

B. Kept free from dust;

C. Kept clean and free from the accumulation of refuse, garbage or debris.

(Ord. 8033 § 46)

#### **§ 5.24.270. Space beneath trailer coaches to be kept clean.**

The space beneath each trailer coach shall be kept clean and free from refuse, rubbish or other impediments.

(Ord. 8033 § 47)

#### **§ 5.24.275. Dogs and barnyard animals not to run at large.**

Dogs and barnyard animals, including poultry, shall not be permitted to run at large in any auto and trailer park.

(Ord. 8033 § 53)

#### **§ 5.24.280. Location of storage and utilization vessels and regulators of liquefied petroleum gases.**

A. No cylinder shall be located within a building enclosed on four sides, nor within a trailer coach, nor

within five feet of a source of ignition; nor below ground, nor below ground level, nor with the outlet less than five feet away from any building opening which is below the level of such outlet.

The discharge from safety valves shall be vented in such a manner as to prevent any impingement of escaping LPG upon the vessel and such discharge point shall be not less than five feet, measured horizontally from any building opening which is below such discharge.

- B. Each tank shall be located with respect to the nearest source of ignition or line of property adjoining, which may be built upon, in accordance with the following table. Vessels and first-stage regulating equipment carrying more than 20 psi pressure shall be located outside the buildings, or trailer coaches, except as hereinafter provided. Each individual vessel shall be located with respect to the nearest important building or group of buildings or line of property adjoining, which may be built upon in accordance with the following table:

<b>VOLUMETRIC CAPACITY OF VESSELS (in U.S. gallons)</b>	<b>MINIMUM DISTANCE</b>
(1) Not more than 500 U.S. gallons	10 feet
(2) 501 to 1,200 U.S. gallons	25 feet
(3) Over 1,200 U.S. gallons	50 feet

- C. Regulating or filling equipment on tanks filled on consumers' premises shall not be less than 15 feet from any opening into or under a building where such opening is below the level of the outlets of such regulating or filling equipment.
- D. Readily ignitable material shall not be permitted within 10 feet of any vessel, regulator or vaporizer. (Ord. 8033 § 48)

#### **§ 5.24.285. Charging cylinders.**

No cylinder shall be charged within 10 feet of any building or trailer coach in an auto and trailer park. (Ord. 8033 § 49)

#### **§ 5.24.290. Illumination.**

In every auto and trailer park there shall be installed and kept burning from sunset to sunrise sufficient artificial light to adequately illuminate every building containing public toilets and public showers and the area or tract of land containing the auto and trailer park.

(Ord. 8033 § 51)

#### **§ 5.24.295. Electric wiring, fixtures and equipment.**

- A. Generally. In any auto and trailer park, electrical wiring, fixtures and equipment shall be installed and maintained under provisions of the California Administrative Code, Title 8, Chapter 9, Article 5, and any subsequent amendments thereto.
- B. Underground Wiring. In new trailer parks, or when major rewiring such as would require a permit is to be done in existing trailer parks, all wiring, including electrical and telephone service to the camp site shall be underground, installed and maintained under provisions of California Administrative Code, Title 8, Chapter 9, Article 5.

(Ord. 8033 § 52)

**§ 5.24.300. Fire hydrants.**

Each trailer park shall have at least one collector street upon which is located a fire hydrant in a location to be determined by the fire department. This provision may be met with a hydrant located on a public street fronting the property providing that no trailer site is further than 500 feet from such hydrant.

(Ord. 8033 § 56)

**§ 5.24.305. Additional safety equipment.**

The fire department of the city may require additional safety equipment and high pressure water outlets to be located within the trailer park.

(Ord. 8033 § 57)

**§ 5.24.310. Landscaping.**

Landscaping requirements shall have as a basic minimum a free standing fence, hedge or wall which is subject to the provisions of the Zoning Ordinance Title 21 and is adequate for screening and decorative purposes, to be constructed and maintained around the boundaries of the park.

(Ord. 8033 § 55)

**§ 5.24.315. Employment of caretaker.**

- A. Required; Duties Generally. It shall be unlawful for any person to operate or maintain, or cause or permit to be operated or maintained, any auto and trailer camp, unless there is a caretaker in the camp at all times. The caretaker shall enforce within the camp the provisions of this chapter governing the operation and maintenance of auto and trailer camps.
- B. Registration of Caretaker and Alternate; to be Authorized Representative of Owner. A caretaker and an alternate for each trailer park shall be registered with the office of the Community and Economic Development Director. The registration shall be accompanied by a signed statement from the owner of the trailer park giving authorization to the caretaker as his or her representative and agent responsible for compliance with this chapter. This shall not be construed as meaning that an owner may not register as his or her own caretaker.
- C. Caretaker or Alternate's Responsibility. The party registered as caretaker shall be responsible for the locating of any trailer on the site, electrical connections between the trailer and the electrical system of the park, including approved grounding of the trailer, the gas connection to the trailer, the sanitary connection from the trailer to the sewer system and a connection to the water supply.

(Ord. 8033 § 59; Ord. 1261 § 3, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

**§ 5.24.320. Maintenance of register.**

Every person who owns or operates an auto and trailer park shall keep a register in which shall be entered the following:

- A. The name and address of each guest who is the owner or operator of an automobile and the name and address of each member of his or her party, for which space is rented in an auto and trailer park;
- B. The make, type and license number of the automobile and trailer if any, and the state in which such vehicle is registered, and the year of registration.

(Ord. 8033 § 50)

**§ 5.24.325. Adoption of applicable state law.**

Division 13, Part 2, of the California Health and Safety Code, commonly known as the Trailer Park Act, and the California Administrative Code, Title 8, Chapter 9, Article 1, and any subsequent amendments, are made a part of this chapter the same as though specifically reenacted herein, as far as the same shall be applicable.

(Ord. 8033 § 60)

**§ 5.24.330. Chapter not to be construed as less restrictive than state law.**

No portion of this chapter shall be construed as allowing a less restrictive use of land within a trailer park than that which is allowed under the state Trailer Park Act and any subsequent amendments to such act.

(Ord. 8033 § 61)

**§ 5.24.335. Authority to issue permits allowing variations.**

Upon application, the Community and Economic Development Director and the health officer of the city may issue a permit for the operation of an auto or trailer park which permit may allow variations in specified respects from the requirements of this chapter, under the following conditions:

- A. When the auto or trailer park is operated incidental to the operation of a fishing resort where boats are rented, and the auto or trailer park is not so located as to rely primarily on tourist travel for patronage;
- B. Where such relaxation in the requirements of this chapter as the Community and Economic Development Director and the health officer may permit will not in fact endanger public health.

(Ord. 8033 § 42; Ord. 1261 § 6, 1983; Ord. NS-676 § 3, 2003; Ord. CS-164 § 14, 2011)

**§ 5.24.340. Violation of chapter.**

Every person violating any provision of this chapter who has been served with written notice of such violation as prescribed in this chapter and who refuses to comply with such notice is guilty of a misdemeanor.

(Ord. 8033 § 62)

## CHAPTER 5.29 STATE VIDEO FRANCHISES

### **§ 5.29.010. Purpose.**

This chapter is applicable to all video service providers who are eligible for, and have been awarded, a state video franchise under the California Public Utilities Code Section 5800 et seq. (the Digital Infrastructure and Video Competition Act of 2006), to provide video services in any portion of the city.

(Ord. NS-848 § 1, 2007)

### **§ 5.29.020. Rights reserved.**

The rights reserved to the city under this chapter are in addition to all other rights of the city whether reserved by this chapter or authorized by other applicable law, and no action, proceeding or exercise of a right shall affect any other rights which may be held by the city.

(Ord. NS-848 § 1, 2007)

### **§ 5.29.030. Compliance with this chapter.**

Nothing contained in this chapter exempts a state franchise holder from compliance with all ordinances, rules or regulations of the city now in effect or which may be hereafter adopted which are not inconsistent with this chapter or California Public Utilities Code Section 5800 et seq., or obligations under any franchise previously issued by the city, insofar as those may be enforced under California Public Utilities Code Section 5800.

(Ord. NS-848 § 1, 2007)

### **§ 5.29.040. Definitions.**

For purposes of this chapter, the following terms, phrases, words, and their derivations shall have the meaning given in this chapter. Unless otherwise expressly stated, words not defined in this chapter shall be given the meaning set forth in the Digital Infrastructure and Video Competition Act of 2006, Division 2.5 of the California Public Utilities Code, Section 5800 et seq. ("DIVCA"). When not inconsistent with the context, words used in the present tense include the future, words in the plural number include the singular number, words in the singular number include the plural number, and "including" and "include" are not limiting. The word "shall" is always mandatory.

"Access channel" means any channel on a cable system or video system set aside by a state franchise holder for public, educational, or governmental use.

"Applicable law" means all lawfully enacted and applicable federal, state, and city laws, ordinances, codes, rules, regulations and orders as the same may be amended or adopted from time to time.

"Applicant" means any person submitting any application required under Division 2.5 of the California Public Utilities Code.

"Cable service" means: (1) the one-way transmission to subscribers of video programming or other programming services; and (2) subscriber interaction, if any, which is required for the selection or use of such video programming or other programming service.

"City" means the City of Carlsbad, a municipal corporation of the State of California, in its present incorporated form or in any later reorganized, consolidated, enlarged or reincorporated form. Any act that may be taken by the city may be taken by the City Council or any agency, department, agent or other entity now or hereafter authorized by the City Council to act on the city's behalf.

"City Council" means the governing body of the City of Carlsbad, California.

"City Director of Public Works" means the Director of Public Works or the Deputy City Manager of the public works branch of the City of Carlsbad or designated representative.

"City Manager" means the city's chief executive officer or any designee thereof.

"Construction," "operation," or "repair" and similar formulations of those terms mean the named actions interpreted broadly, encompassing, among other things, installation, extension, maintenance, replacement of components, relocation, undergrounding, grading, site preparation, adjusting, testing, make-ready, excavation and tree trimming. The term "operation" does not encompass or regulate the provision of services, but refers to activities affecting rights-of-way and other property subject to the jurisdiction of the city.

"DIVCA" means the Digital Infrastructure and Video Competition Act of 2006, Division 2.5 of the California Public Utilities Code, Section 5800 et seq., as may be amended from time to time.

"Gross revenues" means all revenues (whether in the form of cash or other consideration) of a state franchise holder or its affiliates in any way derived from its operations within the city.

"Incumbent cable operator" shall have the same meaning as in DIVCA.

"Network" shall have the same meaning as in DIVCA.

"PEG" or "public, educational, and governmental" shall have the same meaning as in DIVCA.

"Person" means any natural person and all domestic and foreign corporations, associations, syndicates, joint stock corporations, partnerships of every kind, clubs, business or common law trusts and societies. The term does not include the city.

"Public rights-of-way" shall have the same meaning as in DIVCA.

"State franchise" or "state video franchise" means a franchise issued by the California Public Utilities Commission to provide cable service or video service, as those terms are defined in DIVCA, within any portion of the city.

"State franchise holder" or "state video franchise holder" means a person who holds a state franchise.

"Subscriber" means the city or any person who legally receives any cable service or video service from a state franchise holder delivered over that state franchise holder's network.

"User" means a person or the city utilizing a channel, capacity or equipment and facilities for purposes of producing or transmitting material, as contrasted with the receipt thereof in the capacity of a subscriber.

"Video service" shall have the same meaning as in DIVCA.

(Ord. NS-848 § 1, 2007; Ord. CS-361 § 4, 2019)

#### **§ 5.29.050. State video franchise fees.**

For any state video franchise holder operating within the boundaries of the city, there shall be a state franchise fee paid to the city equal to five percent of the gross revenues of that state video franchise holder or any affiliate that are subject to a franchise fee under California Public Utilities Code Section 5860. (Ord. NS-848 § 1, 2007)

#### **§ 5.29.060. PEG fees.**

A. For any state video franchise holder operating within the boundaries of the City of Carlsbad, there shall be a PEG fee paid to the city equal to one percent of the gross revenues of that state video

franchise holder or any affiliate that are subject to a franchise fee under California Public Utilities Code Section 5860.

- B. PEG fees shall be used to support PEG channel facilities consistent with applicable federal and state law.

(Ord. NS-848 § 1, 2007)

#### **§ 5.29.070. Payment of fees.**

The state franchise fee required pursuant to Section 5.29.050, and the PEG fee required pursuant to Section 5.29.060, shall each be paid to the city quarterly, in a manner consistent with California Public Utilities Code Section 5860. The state franchise holder shall deliver to the city, by check or other means specified by the city, a payment for the state franchise fee and a separate payment for the PEG fee not later than 45 days after the end of each calendar quarter. Each payment made shall be accompanied by a report, detailing how the payment was calculated, containing such information as the City Manager or designee may require consistent with DIVCA. Unless the City Manager or designee provides otherwise, the summary statement shall identify:

- A. Revenues received from subscribers, by category, with service revenues broken out by service levels;
- B. Any charges to subscribers for which revenues were received, but on which a franchise fee was not paid;
- C. Where the fee is paid on an allocated portion of revenues received, the total revenues received; the allocation factor; and how the allocation factor was calculated.

(Ord. NS-848 § 1, 2007)

#### **§ 5.29.080. Audit authority.**

The city may examine and perform an audit of the business records of a holder of a state video franchise to ensure compliance with Sections 5.29.050 and 5.29.060, in a manner consistent with California Public Utilities Code Section 5860(i).

(Ord. NS-848 § 1, 2007)

#### **§ 5.29.090. Late payments.**

In the event a state franchise holder fails to make payments required by this chapter on or before the due dates specified in this chapter, the city shall impose a late charge at the rate per year equal to the highest prime lending rate during the period of delinquency, plus one percent.

(Ord. NS-848 § 1, 2007)

#### **§ 5.29.100. Lease of city-owned network.**

In the event a state franchise holder leases access to a network owned by the city, the city may set a franchise fee for access to the city-owned network separate and apart from the franchise fee charged to state franchise holders pursuant to Section 5.29.050, which fee shall otherwise be payable in accordance with the procedures established by this chapter.

(Ord. NS-848 § 1, 2007)

#### **§ 5.29.110. Customer service standards and penalties.**

- A. The holder of a state video franchise shall comply with all applicable state and federal customer

service and protection standards pertaining to the provision of cable or video service, including, to the extent consistent with California Public Utilities Code Section 5900, all existing and subsequently enacted customer service and consumer protection standards established by state and federal law and regulation.

- B. City Manager or designee shall monitor and enforce the compliance of state video franchise holders with respect to state and federal customer service and protection standards. City Manager or designee will provide the state video franchise holder written notice of any material breaches of applicable customer and service standards, and will allow the state video franchise holder 30 days from the receipt of the notice to remedy the specified material breach. Material breaches not remedied within the 30-day time period will be subject to the following penalties to be imposed by the City Manager or designee:
1. For the first occurrence of a violation, a fine of \$500.00 shall be imposed for each day the violation remains in effect, not to exceed \$1,500.00 for each violation.
  2. For a second violation of the same nature within 12 months, a fine of \$1,000.00 shall be imposed for each day the violation remains in effect, not to exceed \$3,000.00 for each violation.
  3. For a third or further violation of the same nature within 12 months, a fine of \$2,500.00 shall be imposed for each day the violation remains in effect, not to exceed \$7,500.00 for each violation.

- C. A state video franchise holder may appeal a penalty assessed by the City Manager or designee to the City Council within 60 days. After relevant speakers are heard, and any necessary staff reports are submitted, City Council will vote to either uphold or vacate the penalty. City Council's decision on the imposition of a penalty shall be final.

(Ord. NS-848 § 1, 2007)

#### **§ 5.29.120. City response to state video franchise applications.**

- A. Each state franchise holder or applicant for a state franchise to provide video or cable service within the boundaries of the City of Carlsbad must concurrently provide complete copies to the city of any notice, application or amendments to applications filed with the PUC. One complete copy must be provided to the City Clerk, and one complete copy to the City Manager of City of Carlsbad.
- B. City Manager will provide any appropriate comments to the PUC regarding any notice, application or amendment to an application for a state video franchise.

(Ord. NS-848 § 1, 2007)

#### **§ 5.29.130. Construction in the public rights-of-way.**

Except as expressly provided in this chapter, the provisions of Title 11 of this code, and all city administrative rules and regulations developed pursuant to Title 11, as now existing or as hereafter amended, shall apply to all work performed by or on behalf of a state franchise holder in any public rights-of-way.

(Ord. NS-848 § 1, 2007)

#### **§ 5.29.140. Permits.**

- A. Prior to commencing any work for which a permit is required by Title 11 of this code, a state franchise holder shall apply for and obtain a permit in accordance with the provisions of Title 11. A permit application is complete when the state franchise holder has complied with all applicable laws and

regulations, including, but not limited to, all city administrative rules and regulations, and all applicable requirements of Division 13 of the California Public Resources Code, Section 21000, et seq. (the California Environmental Quality Act).

- B. The city Director of Public Works shall either approve or deny a state franchise holder's application for any permit required under Division 1 of this title within 60 days of receiving a complete permit application from the state franchise holder.
- C. If the city Director of Public Works denies a state franchise holder's application for a permit, the Director of Public Works shall, at the time of notifying the applicant of denial, furnish to the applicant a detailed explanation of the reason or reasons for the denial.
- D. A state franchise holder that has been denied a permit by final decision of the city Director of Public Works may appeal the denial to the City Council, pursuant to the procedure proscribed in Section 11.16.120 of this code.
- E. The issuance of a permit is not a franchise, and does not grant any vested rights in any location in the public rights-of-way, or in any particular manner of placement within the rights-of-way. Without limitation, a permit to place cabinets and similar appurtenances aboveground may be revoked and the permittee required to place facilities underground, upon reasonable notice to the permittee.

(Ord. NS-848 § 1, 2007)

#### **§ 5.29.150. Right-of-way management.**

- A. A state franchise holder shall utilize existing poles, conduits and other facilities whenever possible, and shall not construct or install any new, different or additional poles, conduits or other facilities whether on public property or on privately owned property unless and until first securing the written approval of the City Manager. Whenever the state franchise holder shall not utilize existing poles, conduits and other facilities, or whenever existing conduits and other facilities shall be located beneath the surface of the streets, or whenever the city shall undertake a program designed to cause all conduits and other facilities to be located beneath the surface of the streets in any area or throughout the city, in the exercise of its police power or pursuant to the terms hereof, upon reasonable notice to grantee, any such conduits or other facilities of the state franchise holder shall be constructed, installed, placed or replaced beneath the surface of the streets. Any construction, installation, placement, replacement or changes which may be so required shall be made at the expense of state franchise holder whose costs shall be determined as in the case of public utilities.
- B. In those areas of the city where the transmission or distribution facilities of the respective public utilities providing telephone, communication and electric services are underground or hereafter are placed underground, each state franchise holder shall likewise shall construct, operate and maintain all of its network facilities underground. The term "underground" includes a partial underground system; provided, that upon obtaining the written approval of the City Manager, passive devices, power supplies and other equipment in the grantee's network may be placed in appropriate housings upon the surface of the ground, subject to applicable provisions of the city code, regulations, and practices.
- C. A state franchise holder, at its expense, shall protect, support, temporarily disconnect, relocate or remove any network property of the state franchise holder when, in the opinion of the City Manager, the same is required by reason of traffic conditions, public safety, street vacation, freeway or street construction, change or establishment of street grade, installation of sewers, drains, waterpipes, power line, signal line, transportation facilities, tracks or any other type of structure or improvements by

governmental agencies whether acting in a governmental or proprietary capacity, or any other structure of public improvement, including, but not limited to, movement of buildings, urban renewal development and any general program under which the city shall undertake to cause all such properties to be located beneath the surface of the ground. The state franchise holder shall in all cases have the privilege, subject to the corresponding obligations, to abandon any network property in place, as herein provided. Nothing hereunder shall be deemed a taking of the property of the state franchise holder, and the grantee shall be entitled to no surcharge by reason of anything hereunder.

- D. Upon the failure, refusal or neglect of the state franchise holder to cause any work or other act required by law or hereunder to be properly complete in, on, over or under any street within any time prescribed therefor, or upon notice given, where no time is prescribed, the City Manager may cause such work or other act to be completed in whole or in part, and upon so doing, shall submit to grantee an itemized statement of the costs thereof. The grantee shall, within 30 days after receipt of such statement, pay to the city the entire amount thereof.
- E. In the event that the use of any part of the state franchise holder's network is discontinued for any reason for a continuous period of 30 days, without prior written notice to and approval by the city; or any part of such network has been installed in any street or other area without complying with the requirements hereof; then the state franchise holder shall, at the option of the city, and at the expense of the state franchise holder and at no expense to the city, and upon demand of the city, promptly remove from any streets or other area any such network property, and the state franchise holder shall promptly restore the street or other area from which such property has been removed to such condition as the City Manager may prescribe. The City Council may, upon written application therefor by the state franchise holder, approve the abandonment of any of such property in place by the state franchise holder and under such terms and conditions as the City Council may prescribe. Upon abandonment of any such network property in place, the state franchise holder shall cause to be executed, acknowledged and delivered to the city such instruments as the City Attorney shall prescribe and approve, transferring and conveying the ownership of such property to the city.

(Ord. NS-848 § 1, 2007)

#### **§ 5.29.160. Emergency alert systems.**

Each state franchise holder shall comply with the emergency alert system requirements of the Federal Communications Commission in order that emergency messages may be distributed over the state franchise holder's network.

(Ord. NS-848 § 1, 2007)

#### **§ 5.29.170. Interconnection for PEG programming.**

Each state franchise holder, and each incumbent cable operator, shall negotiate in good faith to interconnect their networks for the purpose of providing PEG programming. Interconnection may be accomplished by any means authorized under Public Utilities Code Section 5870(h). Each state franchise holder and incumbent cable operator shall provide interconnection of PEG channels on reasonable terms and conditions and may not withhold the interconnection. If a state franchise holder and an incumbent cable operator cannot reach a mutually acceptable interconnection agreement, the city may require the incumbent cable operator to allow the state franchise holder to interconnect its network with the incumbent cable operator's network at a technically feasible point on the state franchise holder's network as identified by the state franchise holder. If no technically feasible point for interconnection is available, each state franchise holder will make an interconnection available to each channel originator providing PEG programming to an incumbent cable operator, and will provide the facilities necessary for the interconnection. The cost

of any interconnection will be borne by the state franchise holder requesting the interconnection unless otherwise agreed to by the state franchise holder and the incumbent cable operator.

(Ord. NS-848 § 1, 2007)

## CHAPTER 5.50 FORTUNETELLING AND RELATED OCCUPATIONS

### **§ 5.50.010. Definitions.**

For the purposes of this chapter, the following words and phrases shall have the meanings respectively ascribed to them by this section, unless from the context a different or contrary meaning is clearly intended:

"For pay" means for a fee, reward, donation, loan, or receipt or anything of value.

"Fortunetelling" means telling of fortunes, forecasting of futures or furnishing of any information not otherwise obtainable by the ordinary process of knowledge by means of any occult, psychic power, faculty, force, clairvoyance, clairaudience, cartomancy, psychology, psychometry, phrenology, spirits, tea leaves or other such reading, mediumship, seership, prophecy, augury, astrology, palmistry, necromancy, mindreading, telepathy, or other craft, art, science, cards, talisman, charm, potion, magnetism, magnetized article or substance, gypsy cunning or foresight, crystal gazing, oriental mysteries or magic of any kind or nature.

(Ord. 6077 § 2, 1985)

### **§ 5.50.020. Permit required.**

No person shall conduct, engage in, carry on, participate in, advertise or practice fortunetelling or cause the same to be done for pay without having first obtained a permit from the Chief of Police and a business license from the license collector. Any permit issued pursuant to this chapter shall be valid for one year from the date of issuance unless suspended or revoked.

(Ord. 6077 § 2, 1985)

### **§ 5.50.030. Permit application.**

Each application for a fortunetelling permit shall be submitted to the Chief of Police on a form provided by the Police Chief and shall contain the following information:

- A. The name, home and business address and home and business phone number of the applicant;
- B. A record of convictions of violations of law of the applicant and of any person who is employed by the applicant to conduct or conducts fortunetelling on behalf of the applicant;
- C. A set of fingerprints and current photograph of the applicant and of any person who is employed by the applicant to conduct or conducts fortunetelling on behalf of the applicant;
- D. The address, city and state, and approximate dates where and when the applicant and any person employed by the applicant to conduct or conducting fortunetelling on behalf of the applicant practiced a similar business either alone or in conjunction with others;
- E. A site plan showing the location of the business and the interior layout;
- F. An application fee of \$150.00.

(Ord. 6077 § 2, 1985)

### **§ 5.50.040. Permit investigation.**

Upon receipt of a complete application and fee the Police Chief shall, within a reasonable period of time not to exceed 30 days, conduct an investigation to verify the facts contained in the application and shall

grant a fortunetelling permit if the chief makes all of the following findings:

- A. That all the information contained in the application and supporting data is true;
- B. The applicant or any person employed by the applicant to conduct or conducting fortunetelling on behalf of the applicant has not, within the previous two years, been convicted of any violation of this chapter or any law relating to fraud or moral turpitude;
- C. The applicant agrees to abide by and comply with all conditions of the permit and applicable laws;
- D. The City Planner has certified that the business location complies with the provisions of Title 21 of this code.

(Ord. 6077 § 2, 1985; Ord. NS-676 § 4, 2003; Ord. CS-164 § 10, 2011)

#### **§ 5.50.050. Fee required.**

A fortunetelling permit shall be issued only after the applicant has paid the license fee required by Section 5.08.160.

(Ord. 6077 § 2, 1985)

#### **§ 5.50.060. Term of the permit.**

A fortunetelling permit shall be valid for the same period of time and shall run concurrently with the term of the regular business license issued for the fortunetelling business.

(Ord. 6077 § 2, 1985)

#### **§ 5.50.070. Revocation of permit.**

A fortunetelling permit may be revoked at any time by the Chief of Police after providing not less than 10 days' notice and a hearing to the applicant. A permit may be revoked if the applicant or any person employed by the applicant to conduct or conducting fortunetelling on behalf of the applicant violates any provision of this chapter or, if during the permit period, any event occurs which would disqualify the applicant from the issuance of a permit.

(Ord. 6077 § 2, 1985)

#### **§ 5.50.080. Renewal of fortunetelling license.**

If on or before the 45th day prior to the expiration of a currently valid fortunetelling permit the permittee applies for the renewal of the permit the Police Chief shall grant such renewal, provided the chief finds that all the facts set forth in the original application are substantially the same and provided that such application is accompanied by a fee in the amount of \$50.00, no part of which is refundable. If all facts set forth in the original application are not substantially the same, the applicant for renewal shall comply with all requirements set forth in the chapter for an initial application for a permit.

(Ord. 6077 § 2, 1985)

#### **§ 5.50.090. Issuance of permit after revocation.**

If a permittee has had a permit revoked under Section 5.50.070 of this chapter, a new permit shall not be issued unless the permittee qualifies for a new permit under this chapter and in addition posts with the City Clerk a surety bond in the principal amount of \$5,000.00 executed as surety by good and sufficient corporate surety doing business in the state and as a principle by the applicant. The form of the bond shall be approved by the City Attorney and shall be given to ensure good faith and fair dealing on the part of the

applicant as a guarantee of indemnity for any and all loss, damage, theft or other unfair dealing suffered by any patron or customer of the applicant within the city during the term of the permit.

(Ord. 6077 § 2, 1985)

**§ 5.50.100. Exception—Entertainment.**

The provisions of this chapter shall not apply to any person engaged solely in the business of entertaining the public by demonstration of mindreading, mental telepathy, thought conveyance, or the giving of horoscope readings in public places and in the presence of or within the hearing of all other persons in attendance and at which no questions are answered as part of such entertainment except in a manner to permit all persons present at the public place to hear such answers.

(Ord. 6077 § 2, 1985)

**§ 5.50.110. Exception—Religious practices.**

No person shall be required to pay any fee or take out any permit for conducting or participating in any religious ceremony or service when such person holds a certificate or ordination as a minister, missionary, medium, healer or clairvoyant (hereinafter collectively referred to as minister) from any bona fide church or religious association maintaining a church and holding regular services and having a creed or set of religious principles that is recognized by all churches of like faith provided that:

- A. Except as provided in subsection B of this section, the fees, gratuities, emoluments and profits thereof shall be regularly accounted for and paid solely to and for the benefit of the bona fide church or religious association, as defined in this section;
- B. Such bona fide church or religious association, as defined in this section, may pay to its ministers a salary or compensation based on a percentage basis pursuant to an agreement between the church and the minister which is embodied in a resolution and transcribed in the minutes of said church or religious organization.

(Ord. 6077 § 2, 1985)

## CHAPTER 5.60 SHORT-TERM VACATION RENTALS

### **§ 5.60.010. Purpose.**

- A. The purpose of this chapter is to establish regulations for short-term vacation rentals in order to safeguard the peace, safety and general welfare of neighborhoods within the City of Carlsbad by minimizing negative secondary effects related to short-term vacation rentals including excessive noise, disorderly conduct, illegal parking, overcrowding, and excessive accumulation of refuse; and to ensure that the city is collecting transient occupancy tax pursuant to Chapter 3.12 of this code, and the Carlsbad Tourism and Business Improvement District assessment pursuant to Chapter 3.37 of this code.
- B. This chapter is not intended to provide any owner of residential property with the right or privilege to violate any deed restrictions or private conditions, covenants and restrictions applicable to the owner's property that may prohibit the use of such owner's residential property for short-term vacation rental purposes as defined in this chapter. Short-term vacation rentals are not permitted in dwelling units that have deed restrictions for affordable housing purposes or have other city imposed conditions of approval or restrictions which prohibit the use of said dwelling unit as a short-term vacation rental as defined herein.

(Ord. CS-272 § I, 2015)

### **§ 5.60.020. Definitions.**

"Bedroom" means a private room intended for or capable of being used for sleeping, separated from other rooms by a door, curtain or other entry way, having at least one window and a closet/storage nook and accessible to a bathroom without crossing into another bedroom.

"Broker" means any entity or person, including, but not limited to, on-line websites, on-line travel agencies, and on-line booking agents, that offers, lists, advertises, accepts reservations and/or collects whole or partial payment for a short-term vacation rental unit.

"Owner" means the person(s) or entity(ies) that hold(s) legal and/or equitable title to the subject short-term vacation rental.

"Short-term vacation rental" is defined as the rental of any legally permitted dwelling unit as that term is defined in Chapter 21.04, Section 21.04.120 of this code, or any portion of any legally permitted dwelling unit for occupancy for dwelling, lodging or sleeping purposes for a period of less than 30 consecutive calendar days. Time-shares as defined in Chapter 21.04, Section 21.04.357 are not considered short-term vacation rentals. Accessory dwelling units and junior accessory dwelling units as defined in Chapter 21.04, Section 21.04.121, for which a building permit was issued on or after January 1, 2020, are not considered short-term vacation rentals. A trailer coach as defined in Chapter 5.24, Section 5.24.005 of this code, which is parked on the property of a legally permitted dwelling unit, is not considered a short-term vacation rental, and it may not be rented out for occupancy pursuant to Chapter 5.24, Section 5.24.145 of this code. Short-term vacation rental includes any contract or agreement that initially defined the rental term to be greater than 30 consecutive days and which was subsequently amended, either orally or in writing to permit the occupant(s) of the owner's short-term vacation rental to surrender the subject dwelling unit before the expiration of the initial rental term that results in an actual rental term of less than 30 consecutive days.

(Ord. CS-272 § I, 2015; Ord. CS-338 § 2, 2018; Ord. CS-383 § 2, 2020)

**§ 5.60.030. Short-term vacation rentals.**

Short-term vacation rentals which comply with the requirements of this chapter are permitted only in the coastal zone as defined by the California Coastal Commission and in the La Costa Resort and Spa Master Plan area, to include the Balboa and Cortez buildings located at 2003 and 2005 Costa Del Mar Road.  
(Ord. CS-272 § I, 2015; Ord. CS-291 § 2, 2016; Ord. CS-338 § 3, 2018)

**§ 5.60.040. Authorized agent.**

- A. An owner may in writing authorize an agent to comply with the requirements of this chapter on behalf of the owner. The authorized agent shall submit a copy of the authorization to the city during the initial permit and all renewal permit process(es).
- B. Notwithstanding subsection A of this section, the owner shall not be relieved from any personal responsibility and personal liability for noncompliance with any applicable law, rule or regulation pertaining to the use and occupancy of the subject short-term vacation rental unit, regardless of whether such noncompliance was committed by the owner's authorized agent or the occupants of the owner's short-term vacation rental unit or their guests.

(Ord. CS-272 § I, 2015)

**§ 5.60.050. Permit required.**

- A. The owner or owner's authorized agent is required to obtain a short-term vacation rental permit and a business license from the city before renting or advertising the availability of a short-term vacation rental unit.
- B. A short-term vacation rental permit shall be valid for one calendar year from the date of issuance and must be renewed annually thereafter.
- C. Every broker shall ensure that each short-term vacation rental is registered with the city prior to listing or advertising said property for rent.
- D. The requirement for a short-term vacation rental permit shall be based on the actual duration of the rental period and not the stated time period of the reservation, rental, or lease agreement.

(Ord. CS-272 § I, 2015)

**§ 5.60.060. Obtaining and renewing a short-term vacation rental permit.**

- A. The owner or owner's authorized agent must submit the following information on a short-term vacation rental permit application form provided by the city:
  1. The name, address and telephone number of the owner of the short-term vacation rental unit.
  2. If applicable, the name, address and telephone number of the authorized agent of the owner of the short-term vacation rental unit.
  3. The name, address and telephone number of a local contact person who shall be available 24 hours per day, seven days per week for the purpose of responding within 45 minutes to complaints regarding the condition, operation, or conduct of occupants of the short-term vacation rental unit or their guests.
  4. The address of the proposed short-term vacation rental unit, all Internet listing sites for the short-term vacation rental unit and all listing numbers.

5. The number of bedrooms in the short-term vacation rental unit.
  6. Acknowledgement of receipt of the city's "Good Neighbor" brochure.
  7. An owner shall prepare an impact response plan, which shall state the owner's intent to operate a short-term vacation rental, the number of bedrooms that will be rented to overnight guests and the owner or the owner's authorized agent's phone number. A copy of the impact response plan shall also be mailed or delivered to all residents and owners of property abutting or across the street from the short-term vacation rental.
  8. Such other information as the City Manager or designee deems reasonably necessary to administer this chapter.
- B. Any fee for a short-term vacation rental permit shall be established by resolution of the City Council.
- C. Any false statements or false information provided in the application for a short-term vacation rental permit shall be grounds for denial of a permit(s), permit revocation and/or imposition of penalties as outlined in this chapter.
- D. A short-term vacation rental permit application may be denied if the owner has had a prior short-term vacation rental permit revoked within the past 36 calendar months for the same or other short-term vacation rental unit within the City of Carlsbad.
- E. Short-term vacation rental permit holders must comply with the provisions of Carlsbad Municipal Code Chapter 3.12 and Chapter 3.37 regarding the collection and remittance of transient occupancy taxes and the collection and remittance of Carlsbad Tourism and Business Improvement District assessments. Failure to comply with these provisions may result in revocation of a short-term vacation rental permit. A broker that collects any revenue from arranging or listing a short-term rental unit shall have primary responsibility for collecting, paying and transmitting all revenues due to the city pursuant to this section.

(Ord. CS-272 § I, 2015; Ord. CS-338 § 4, 2018)

#### **§ 5.60.070. Operational requirements.**

- A. The owner and/or owner's authorized agent shall use reasonably prudent business practices to ensure that the short-term vacation rental unit is used in a manner that complies with all applicable laws, rules and regulations pertaining to the use and occupancy of the subject short-term vacation rental unit.
- B. While a short-term vacation rental unit is rented, a local contact person shall be available 24 hours per day, seven days per week for the purpose of responding within 45 minutes to complaints regarding the condition, operation, or conduct of occupants of the short-term vacation rental unit or their guests.
- C. The owner or owner's authorized agent shall post the short-term vacation rental permit on the exterior of the unit within plain view of the general public with the 24-hour, seven-day local contact phone number for complaints. The permit shall be displayed at all times the unit is used as a short-term vacation rental.
- D. The owner or the owner's authorized agent shall, upon notification that any occupant or guest of the short-term vacation rental unit has created unreasonable noise or disturbances, engaged in disorderly conduct, or committed violations of any applicable law, rule or regulation pertaining to the use and occupancy of the short-term vacation rental unit, respond in a timely and appropriate manner to immediately halt or prevent a recurrence of such conduct. Failure of the owner or the owner's

authorized agent to respond to such calls or complaints regarding the condition, operation, or conduct of the occupants and/or guests of the short-term vacation rental in a timely and appropriate manner shall subject the owner to all administrative, legal and equitable remedies available to the city.

- E. The owner and/or the owner's authorized agent shall use reasonably prudent business practices to ensure that the occupants and/or guests of the short-term vacation rental unit do not create unreasonable noise or disturbances, engage in disorderly conduct, or violate any applicable law, rule or regulation pertaining to the use and occupancy of the subject short-term vacation rental unit.
- F. No amplified or reproduced sound shall be used outside or audible from the property line of any short-term vacation rental unit between the hours of 10:00 p.m. and 10:00 a.m.
- G. The owner and/or owner's authorized agent shall use reasonably prudent business practices to ensure that the short-term vacation rental unit is used for residential purposes only. Commercial activities and special events, including, but not limited to, weddings, receptions and large parties are prohibited. All occupants of the short-term vacation rental shall be notified of the prohibition against commercial activities prior to the reservation, rental or lease, and said prohibition shall be a part of any rental or lease agreement.
- H. Prior to occupancy of a short-term vacation rental unit, the owner or the owner's authorized agent shall:
  - 1. Obtain the contact information of the renter.
  - 2. Provide a copy of the "Good Neighbor" brochure containing these requirements to the renter.
  - 3. Require the renter to execute a formal acknowledgment that he or she is legally responsible for compliance by all occupants of the short-term vacation rental unit and their guests with all applicable laws, rules and regulations pertaining to the use and occupancy of the short-term vacation rental unit.
  - 4. The information required in paragraphs 1 and 3 of this subsection shall be maintained by the owner or the owner's authorized agent for a period of three years and be made available upon request to any officer of the city responsible for the enforcement of any provision of the municipal code or any other applicable law, rule or regulation pertaining to the use and occupancy of the short-term vacation rental unit.
- I. Trash and refuse shall not be left stored within public view, except in proper containers for the purpose of collection by the city's authorized waste hauler on scheduled trash collection days.
- J. All occupants and guests shall, to the greatest extent possible, utilize any on-site parking of the short-term vacation rental and avoid parking on nearby residential streets. On-site parking shall be allowed on approved driveway, garage, and/or carport areas only. Parking of over-sized vehicles must comply with the provisions of Section 10.40.180.
- K. The number of occupants allowed to occupy any given short-term vacation rental unit shall be limited to two people per bedroom or studio plus one person per unit.
- L. The City Manager, or designee, shall have the authority to impose additional conditions on the use of any given short-term vacation rental unit to ensure that any potential secondary effects unique to the subject short-term vacation rental unit are avoided or adequately mitigated.
- M. The owner or owner's authorized agent shall post the current short-term vacation rental permit number

on or in any advertisement appearing in any written publication or on any website that promotes the availability or existence of a short-term vacation rental unit.

(Ord. CS-272 § I, 2015; Ord. CS-338 § 5, 2018)

#### **§ 5.60.080. Penalties and enforcement.**

- A. Any person violating any of the provisions of this chapter shall be deemed guilty of a misdemeanor punishable pursuant to Chapter 1.08 or Chapter 1.10 of this code.
- B. In addition to any penalties imposed pursuant to Chapters 1.08 and 1.10 of this code, the City Manager, or designee, may impose additional conditions on the use of any short-term vacation rental permit pursuant to Section 5.60.070(L) above; or suspend or revoke any short-term vacation rental permit commensurate with the severity of the violation(s). The issuance of three or more administrative citations, verifiable municipal code violations or hearing officer determinations concerning permit requirements within a 24-month period shall result in revocation of a short-term vacation rental permit. Revocation is subject to a 30-day prior written notice and to appeal, if requested within 10 days. The appeal procedures will otherwise follow those outlined in Chapter 1.10 of this code. In the event of permit revocation, an application to reestablish a short-term vacation rental at the subject property shall not be accepted for a minimum period of 36 months.
- C. Except as otherwise provided, enforcement of this chapter is at the sole discretion of the persons authorized to enforce this chapter. Nothing in this chapter shall create a right of action in any person against the city or its agents for damages or to compel public enforcement of this chapter against private parties.
- D. Pursuant to Section 1.08.010(C) of this code, each and every day during any portion of which any violation of this code or any other ordinance of the city is committed, continued or permitted shall be a separate offense.
- E. In accordance with the provisions of Section 3.36.040, the owner of a short-term vacation rental may be billed for law enforcement services when a second or subsequent police response is required at the short-term vacation rental unit due to a party when the police officer determines that continued activity is a threat to the peace, health, safety or general welfare of the public.

(Ord. CS-272 § I, 2015; Ord. CS-338 § 6, 2018)

#### **§ 5.60.090. Interpretation.**

This chapter shall be construed liberally in favor of regulation as determined if necessary and appropriate by the City Manager for the public protection and welfare and in order to accomplish its purpose and intent.  
(Ord. CS-272 § I, 2015)

#### **§ 5.60.100. Constitutionality.**

If any section, subsection, sentence, clause or phrase of this chapter is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this chapter. The City Council declares that it would have adopted the chapter and each section, subsection, sentence, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared invalid.

(Ord. CS-272 § I, 2015)

**CHAPTER 6.02  
COUNTY CODE—HEALTH AND SANITATION**

**§ 6.02.010. Adopted by reference—Interpretation.**

- A. The following divisions and chapters of Title 6 of the San Diego County Code of Regulatory Ordinances, as amended, and relating to the subjects of health and sanitation are adopted by reference as part of this code:

Division 1	Food
Division 4	Disease Control
Division 5	Permit Fees and Procedures for Businesses and Health Regulated Activities
Division 6	(Limited only to the following chapters):
Chapter 1	Applications, Permits and Fees
Chapter 6	Bathhouses
Chapter 9	Enforcement of State Housing Law
Chapter 10	Permits for Apartments and Hotels
Division 7	(Limited only to the following chapters):
Chapter 3	Public Swimming Pool Plans
Chapter 4	Wells
Division 8	(Limited only to the following chapters):
Chapter 3	Septic Tanks and Seepage Pits
Chapter 6	Septic Tanks and Cesspool Cleaners
Chapter 12	Medical Wastes
Division 9	Unsanitary Premises

- B. Title 6, Division 1, Chapter 1, Section 61.101, of the San Diego County Code of Regulatory Ordinances, as amended by Ord. 10218 (N.S.), effective 8-25-12, relating to mobile food facilities specifically establishing a grading system similar to that used to rate restaurants is adopted by reference and incorporated as part of this code, except that whatever provisions thereof refer to a County of San Diego board, territory, area, agency, official, employee, or otherwise it shall mean the corresponding board, territory, area, agency, official, employee, or otherwise of the city, and if there is none, it shall mean that the county is acting in the same capacity on behalf of the city. A copy of the referenced County of San Diego ordinance is on file in the City Clerk's office.
- C. The definition of "apartment house" in Section 66.1001 of Division 6 of Title 6 of the County Code of Regulatory Ordinances shall not include an ownership on an occupied condominium. "Condominium" is defined as an estate of real property consisting of an undivided interest in common in a portion of a parcel of real property together with a separate interest in space in a residential building on such property.
- D. Section 67.301 of Division 7 of Title 6 (Review of Plans for Public Swimming Pools—Fee) is not adopted.

(Ord. NS-558 § 3, 2000; Ord. CS-198 § 1, 2012)

**§ 6.02.020. Violation.**

The provisions of Chapter 1.08 of this code shall apply to any violation of this chapter. When County of San Diego, Department of Environmental Health (DEH) initiates an enforcement action against a person operating a mobile food facility without a permit required by California Retail Food Code (CRFC), pursuant to County Code of Regulations Section 61.105, the department may recover its enforcement costs from the violator, up to a maximum of three times the cost of the permit. After the enforcement activity has been completed, DEH may send the violator a penalty assessment for its enforcement costs. The violator shall pay the assessment within 15 days from the date of the assessment or at the time the violator applies for the permit, whichever occurs first.

(Ord. NS-558 § 3, 2000; Ord. CS-198 § 1, 2012)

**§ 6.02.030. Health permit fees.**

All persons and businesses required to obtain a health-related permit or related service from the DEH pursuant to this code shall pay the county the fee established in the county code for that permit or service, including delinquent payment fees.

(Ord. CS-198 § 1, 2012)

**§ 6.02.040. Operation of mobile food preparation units.**

- A. No person shall drive or operate a mobile food preparation unit on any public street or private property unless all persons within such vehicle are seated.
- B. No person shall drive or operate a mobile food preparation unit on any public street or private property while cooking or food preparation is going on in such vehicle.

(Ord. NS-558 § 3, 2000)

## CHAPTER 6.03 HAZARDOUS MATERIALS

### **§ 6.03.010. Adopted by reference.**

Chapters 9 and 11 of Division 8 of Title 6 of the San Diego Code of Regulatory Ordinances, as amended, relating to hazardous materials are adopted by reference as part of this code; except that, wherever the provisions incorporated refer to a county board, territory, area, agency, official, employee, or otherwise it means the corresponding city board, territory, area, agency, official or employee and if there is no such corresponding city entity it means the county entity acting in that capacity on behalf of the city.  
(Ord. NS-592 § 3, 2001)

### **§ 6.03.020. Fees.**

The fees for permits issued pursuant to this chapter shall be those established by the San Diego County Board of Supervisors for countywide application under the provisions of Section 68.812 of the County Code of Regulatory Ordinances.

(Ord. 5064 § 2, 1983)

### **§ 6.03.030. Violation.**

The provisions of Chapter 1.08 of this code shall apply to any violation of this chapter. A violation of this chapter is a misdemeanor.

(Ord. 5064 § 2, 1983)

### **§ 6.03.040. Materials exempt from disclosure requirements.**

The following materials are exempt from the disclosure requirements of this chapter:

- A. Waste oil when properly stored and recycled;
- B. Perchloreethylene when used in dry cleaning establishments.

(Ord. 5066 § 1, 1983)

## CHAPTER 6.04 EMERGENCY SERVICES

### **§ 6.04.010. Agreement with county.**

The Mayor of the city is authorized and directed, on behalf of the city, to enter into and sign that certain civil defense and disaster agreement regarding the coordination of all of San Diego County cities with the County of San Diego into a unified organization.

(Ord. 1126 § 1, 1970)

### **§ 6.04.020. Definition.**

As used in this chapter, "emergency" means the actual or threatened existence of conditions of disaster or of extreme peril to the safety of persons and property within this city caused by such conditions as air pollution, fire, flood, storm, epidemic, riot, or earthquake, or other conditions, including conditions resulting from war or imminent threat of war, but other than conditions resulting from a labor controversy, which conditions are or are likely to be beyond the control of services, personnel, equipment, and facilities of this city, requiring the combined forces of other political subdivisions to combat.

(Ord. 1015 § 2; Ord. 1152 § 3, 1972)

### **§ 6.04.030. Purposes of chapter.**

The declared purposes of this chapter are to provide for the preparation and carrying out of plans for the protection of persons and property within this city in the event of an emergency; the direction of the emergency organization; and the coordination of the emergency functions of this city with all other public agencies, corporations, organizations, and affected private persons.

(Ord. 1015 § 1; Ord. 1152 § 4, 1972)

### **§ 6.04.040. Expenditures to be for protection of inhabitants and property.**

Any expenditures made in connection with city civil defense and disaster activities, including mutual aid activities, shall be deemed conclusively to be for the direct protection and benefit of the inhabitants and property of the city.

(Ord. 1015 § 1)

### **§ 6.04.050. Creation of disaster council.**

The city civil defense and disaster council is created.

(Ord. 1015 § 3; Ord. 1152 § 5, 1972)

### **§ 6.04.060. Disaster council—Composition—Appointment of members—Officers.**

The disaster council is created and shall consist of the following:

- A. The Mayor, who shall be chair;
- B. The Director of Emergency Services, who shall be vice chair;
- C. The Assistant City Director of Emergency Services;
- D. Such chiefs of emergency services as are provided for in a current emergency plan of this city, adopted pursuant to this chapter;

E. Such representatives of civic, business, labor, veterans, professional, or other organizations having an official emergency responsibility, as may be appointed by the director with the advice and consent of the City Council.

(Ord. 1015 § 3; Ord. 1015A § 1; Ord. 1152 § 6, 1972)

#### **§ 6.04.070. Meetings of council.**

The civil defense and disaster council shall meet upon call of the chair or, in his or her absence from the city or inability to call such meeting, upon the call of the vice chair.

(Ord. 1015 § 4)

#### **§ 6.04.080. Powers and duties of council.**

It shall be the duty of the disaster council, and it is empowered, to develop and recommend for adoption by the City Council, emergency and mutual aid plans and agreements and such ordinances and resolutions and rules and regulations as are necessary to implement such plans and agreements. The disaster council shall meet upon call of the chair or, in his or her absence from the city or inability to call such meeting, upon call of the vice chair.

(Ord. 1015 § 4; Ord. 1152 § 7, 1972)

#### **§ 6.04.090. Director and Assistant City Director of Emergency Services.**

A. There is created the office of Director of Emergency Services. The City Manager shall be the Director of Emergency Services.

B. There is created the office of Assistant City Director of Emergency Services, who shall be appointed by the director.

(Ord. 1015A § 2; Ord. 1152 § 8, 1972)

#### **§ 6.04.100. Powers and duties of the director and Assistant City Director of Emergency Services.**

A. The director is empowered to:

1. Request the City Council to proclaim the existence or threatened existence of a "local emergency" if the City Council is in session. Whenever a local emergency is proclaimed by the director, the City Council shall take action to ratify the proclamation within seven days thereafter or the proclamation shall have no further force or effect;
2. Request the Governor to proclaim a "state of emergency" when, in the opinion of the director, the locally available resources are inadequate to cope with the emergency;
3. Control and direct the effort of the emergency organization of this city for the accomplishment of the purposes of this chapter;
4. Direct cooperation between and coordination of services and staff of the emergency organization of this city; and resolve questions of authority and responsibility that may arise between them;
5. Represent this city in all dealings with public or private agencies on matters pertaining to emergencies as defined herein;
6. In the event of the proclamation of a "local emergency" as herein provided, the proclamation of a "state of emergency" by the Governor or the Director of the State Office of Emergency

Services, or the existence of a "state of war emergency," the director is empowered:

- a. To make and issue rules and regulations on matters reasonably related to the protection of life and property as affected by such emergency; provided, however, such rules and regulations must be confirmed at the earliest practicable time by the City Council,
  - b. To obtain vital supplies, equipment, and such other properties found lacking and needed for the protection of life and property and to bind the city for the fair value thereof and, if required immediately, to commandeer the same for public use,
  - c. To require emergency services of any city officer or employee and, in the event of the proclamation of a "state of emergency" in the county in which this city is located or the existence of a "state of war emergency," to command the aid of as many citizens of this community as he or she deems necessary in the execution of his or her duties; such persons shall be entitled to all privileges, benefits, and immunities as are provided by state law for registered disaster service workers,
  - d. To requisition necessary personnel or material of any city department or agency, and
  - e. To execute all of his or her ordinary power as City Manager, all of the special powers conferred upon him or her by this chapter or by resolution or emergency plan pursuant hereto adopted by the City Council, all powers conferred upon him or her by any statute, by any agreement approved by the City Council, and by any other lawful authority.
- B. The Director of Emergency Services shall designate the order of succession to that office, to take effect in the event the director is unavailable to attend meetings and otherwise perform his or her duties during an emergency. Such order of succession shall be approved by the City Council.
- C. The Assistant City director shall, under the supervision of the director and with the assistance of emergency service chiefs, develop emergency plans and manage the emergency program of this city; and shall have such other powers and duties as may be assigned by the director.

(Ord. 1015 § 5; Ord. 1152 § 9, 1972)

#### **§ 6.04.110. Emergency organization.**

All officers and employees of this city, together with those volunteer forces enrolled to aid them during an emergency, and all groups, organizations, and persons who may by agreement or operation of law, including persons impressed into service under the provisions of Section 6.04.100(A)(6)(c) of this chapter, be charged with duties incident to the protection of life and property in this city during such emergency, shall constitute the emergency organization of this city.

(Ord. 1152 § 10, 1972)

#### **§ 6.04.120. Emergency plan.**

The disaster council shall be responsible for the development of the city emergency plan, which plan shall provide for the effective mobilization of all of the resources of this city, both public and private, to meet any condition constituting a local emergency, state of emergency, or state of war emergency; and shall provide for the organization, powers and duties, services, and staff of the emergency organization. Such plans shall take effect upon adoption by resolution of the City Council.

(Ord. 1152 § 11, 1972)

**§ 6.04.130. Punishment of violations.**

It is a misdemeanor, punishable by a fine of not to exceed \$500.00 or by imprisonment for not to exceed six months, or both, for any person, during an emergency to:

- A. Wilfully obstruct, hinder or delay any member of the emergency organization in the enforcement of any lawful rule or regulation issued pursuant to this chapter, or in the performance of any duty imposed upon him or her by virtue of this chapter;
- B. Do any act forbidden by any lawful rule or regulation issued pursuant to this chapter, if such act is of such a nature as to give or be likely to give assistance to the enemy or to imperil the lives or property of inhabitants of this city, or to prevent, hinder or delay the defense or protection thereof.

(Ord. 1152 § 12, 1972)

## CHAPTER 6.06 EMERGENCY MEDICAL TRANSPORTATION SERVICE

### **§ 6.06.010. Emergency medical transportation service established.**

An emergency medical transportation service is established for the city.

(Ord. 1183 § 1, 1975)

### **§ 6.06.020. Purpose.**

The emergency medical transportation service is for the purposes of:

- A. Responding insofar as possible to all medical emergency calls within the city limits from victims of injury or illness who require immediate transportation in order to secure medical care;
- B. Providing first-aid medical assistance to the victim at the scene and during transport to attempt to save or prolong life;
- C. Transporting the victim to the nearest facility which has been designated by the San Diego County office of emergency medical services as a primary emergency facility. Requests for transportation to a facility other than the nearest primary emergency facility will not be honored.

(Ord. 1183 § 1, 1975)

### **§ 6.06.030. Operation procedures.**

The emergency medical transportation service shall operate under the direction of the City Manager or designated representative. The City Manager is authorized to establish procedures for the operation of the service.

(Ord. 1183 § 1, 1975)

### **§ 6.06.040. Fees authorized.**

The City Council may by resolution establish a fee schedule for the emergency medical transportation service. Persons using such service shall pay a fee to the city in the amount established by such resolution.

(Ord. 1183 § 1, 1975)

## CHAPTER 6.08 SOLID WASTE

### **§ 6.08.010. Definitions.**

- A. For purposes of this chapter the following words and phrases shall have the meanings respectively ascribed to them by this section, unless it is obvious from the context that another meaning is intended:

"Bin" means a container with capacity of approximately one to eight cubic yards, provided by the city or its franchisee, equipped with a hinged lid and wheels (where appropriate), that may be services by a front-end loading collection vehicle, including bins with compactors attached to increase the capacity of the bin.

"Bulky item" means discarded appliances, furniture, tires, carpets, mattresses, e-waste, bundled and tied yard trimmings, and/or wood waste, and similar large items which can be handled by two people, weigh no more than 200 pounds, and require special collection due to their size or nature, but can be collected without the assistance of special loading equipment and without violating vehicle load limits. Bulky items must be generated by the customer and at the service address where the bulky items are collected. Bulky items do not include abandoned automobiles, large auto parts, trees, construction and demolition debris, or items defined as excluded waste.

"California Code of Regulations (CCR)" means the State of California Code of Regulations. CCR references in this chapter are preceded with a number that refers to the relevant title of the CCR (e.g., "14 CCR" refers to Cal. Code of Regs., Title 14).

"CalRecycle" means California's Department of Resources Recycling and Recovery.

"Cart" means a plastic container provided by the city or its franchisee with a hinged lid and wheels serviced by an automated or semi-automated collection vehicle. A cart has capacity of 20, 35, 64 or 96 gallons (or similar volumes).

"City" or "City of Carlsbad" means the incorporated territory of the City of Carlsbad.

"Collection container(s)" means collectively the carts, bins or drop boxes furnished by the city or franchisee used for storage of discarded materials prior to collection.

"Commercial" or "commercial business" shall mean of, from, or pertaining to nonresidential premises where business activity is conducted, including, without limitation, retail sales, services, wholesale operations, manufacturing, and industrial operations, but excluding businesses conducted upon residential property which are permitted under applicable zoning regulations and are not the primary use of the property.

"Commercial edible food generator" has the same meaning as in 14 CCR Section 18982(a)(7).

"Community composting" means any activity that composts as specified in 14 CCR Section 17855(a)(4); or as otherwise defined in 14 CCR Section 18982(a)(8).

"Compactor" means a mechanical apparatus that compresses materials together with the container that holds the compressed materials or the container that holds the compressed materials if it is detached from the mechanical compaction apparatus. Compactors include two to eight cubic yard bin compactors serviced by front-end loader collection vehicles and 10 to 50 cubic yard drop box compactors serviced by roll-off collection vehicles.

"Compliance review" means a review of records by a city to determine compliance with this chapter.

"Compostable plastics" or "compostable plastic" means plastic materials that meet the ASTM D6400

standard for compostability.

"Composting" or "compost" (or any variation thereof) includes a controlled biological decomposition of organic materials yielding a safe and nuisance free compost product.

"Construction and demolition debris" or "C&D" includes discarded building materials, packaging, debris, and rubble resulting from construction, alteration, remodeling, repair, or demolition operations on any pavements, excavation projects, houses, commercial buildings, or other structures, excluding excluded waste. Construction and demolition debris includes rocks, soils, tree remains, and other yard trimmings which result from land clearing or land development operations in preparation for construction.

"Designee" means an entity that a city contracts with or otherwise arranges to carry out any of the city's responsibilities in this chapter as authorized in 14 CCR Section 18981.2. A designee may be a government entity, a hauler, a private entity, or a combination of those entities.

"Director" means the city's Public Works Director or designee, or other city official as designated by the City Manager.

"Discarded materials" means recyclable materials, organic materials, and solid waste placed by a generator in a receptacle and/or at a location for the purposes of collection by franchisee, excluding excluded waste.

"Discarded material service" means the collection, transport, processing, and/or disposal of solid waste, organic materials, and recyclable materials.

"Divert" or "diversion" (or any variation thereof) means to prevent discarded materials from disposal at landfill or transformation facilities, (including facilities using incineration, pyrolysis, distillation, gasification, or biological conversion methods) through source reduction, reuse, recycling, composting, anaerobic digestion or other method of processing, subsequent to the provisions of AB 939 (1989). Diversion is a broad concept that is to be inclusive of material handling and processing changes that may occur over the term including, without limitation, changes in standard industry practice or implementation of innovative (but not necessarily fully proven) techniques or technology that reduce disposal risk, decrease costs and/or are for other reasons deemed desirable by the city.

"Drop box" means an open top container with a capacity of seven to 40 cubic yards that is serviced by a roll-off collection vehicle.

"Edible food" means food intended for human consumption. Nothing in this chapter requires or authorizes the recovery of edible food that does not meet the food safety requirements of the California Retail Food Code (California Health and Safety Code Section 113700 et seq.).

"Event organizer" has the same meaning as set forth in Section 8.17.020 of this code, as it may be amended from time to time.

"Excluded waste" means hazardous substance, hazardous waste, infectious waste, designated waste, volatile, corrosive, biomedical, infectious, biohazardous, and toxic substances or material, waste that the franchisee reasonably believes would, as a result of or upon disposal, be a violation of local, state or federal law, regulation or ordinance, including land use restrictions or conditions, waste that cannot be disposed of in Class III landfills, waste that in franchisee's reasonable opinion would present a significant risk to human health or the environment, cause a nuisance or otherwise create or expose franchisee or city to potential liability; but not including de minimis volumes or concentrations of waste of a type and amount normally found in residential solid waste after implementation of programs for the safe collection, recycling, treatment, and disposal of batteries and paint in compliance with Sections 41500 and 41802 of the California Public Resources Code.

Excluded waste does not include used motor oil and filters, or household batteries when properly placed for collection by franchisee as set forth in this chapter.

"Food distributor" has the same meaning as in 14 CCR Section 18982(a)(22).

"Food facility" has the same meaning as in Section 113789 of the California Health and Safety Code.

"Food recovery" has the same meaning as defined in 14 CCR Section 18982(a)(24).

"Food recovery organization" has the same meaning as in 14 CCR Section 18982(a)(25).

"Food scraps" means those discarded materials that will decompose and/or putrefy including: (1) all kitchen and table food waste; (2) animal or vegetable waste that is generated during or results from the storage, preparation, cooking or handling of food stuffs; (3) fruit waste, grain waste, dairy waste, meat, and fish waste; and, (4) vegetable trimmings, houseplant trimmings and other compostable organic waste common to the occupancy of residential dwellings. Food scraps are a subset of food waste.

"Food service provider" has the same meaning as in 14 CCR Section 18982(a)(27).

"Food-soiled paper" means compostable paper material that has come in contact with food scraps or liquid, such as, but not limited to, compostable paper plates, paper coffee cups, napkins, pizza boxes, and milk cartons.

"Food waste" means source-separated food scraps, food-soiled paper, and compostable plastics. Food waste is a subset of organic materials.

"Generator" means any person whose act or process produces discarded materials as defined in the California Public Resources Code, or whose act first causes discarded materials to become subject to regulation.

"Franchisee" means any person, persons, firm or corporation to whom a franchise has been granted by the city for the collection, processing, recycling and disposal of solid waste.

"Grocery store" has the same meaning as in 14 CCR Section 18982(a)(30).

"Hauler route" has the same meaning as in 14 CCR Section 18982(a)(31.5).

"Hazardous waste" means all substances defined as hazardous waste, acutely hazardous waste, or extremely hazardous waste by the state in California Health and Safety Code Sections 25110.02, 25115, and 25117, as they may be amended from time to time, or identified and listed as hazardous waste by the U.S. Environmental Protection Agency (EPA), pursuant to the Federal Resource Conservation and Recovery Act (42 USC Section 6901 et seq.), as it may be amended from time to time, and all implementing rules and regulations.

"High diversion organic waste processing facility" has the same meaning as in 14 CCR Section 18982(a)(33).

"Inspection" has the same meaning as in 14 CCR Section 18982(a)(35).

"Large event" has the same meaning as in 14 CCR Section 18982(a)(38).

"Large venue" has the same meaning as in 14 CCR Section 18982(a)(39).

"Large education agency" has the same meaning as in 14 CCR Section 18982(a)(40)

"Multifamily" or "multifamily premises" means, for the purposes of this chapter, any residential premises, other than a single-family premises, with five or more dwelling units used for residential purposes (whether temporarily or permanently), including such premises when combined in the same building with commercial establishments, that receive centralized, shared, collection service

for all units on the premises which are billed to one customer at one address. Customers residing in townhouses, mobile homes, condominiums, or other structures with five or more dwelling units who receive individual service and are billed separately shall not be considered multifamily.

"Organic materials" means yard trimmings, compostable plastic, and food waste, individually or collectively. No discarded material shall be considered to be organic materials, however, unless it is separated from recyclable material and solid waste. Organic materials are a subset of organic waste.

"Organic waste" has the same meaning as in 14 CCR Section 18982(a)(46) and shall also include compostable plastic and yard trimmings.

"Permitted C&D hauler(s)" means any person, persons, firm or corporation to whom the city has granted a permit for the collection, recycling and disposal of construction and demolition debris generated from a city-permitted construction, demolition, alteration, or remodel project.

"Person" includes any person, firm, association, organization, partnership, business trust, joint venture, corporation, or company and includes the United States, the State of California, the County of San Diego, the City of Carlsbad, cities, districts, and any officer or agency of them.

"Pollutants" means and includes, without limitation, solid waste, sewage, garbage, medical waste, wrecked or discarded equipment, radioactive materials, dredged spoil, rock, sand, sediment, silt, industrial waste, and any organic or inorganic substance defined as a pollutant under Title 40, Section 122.2 of the Code of Federal Regulations whose presence degrades the quality of the receiving waters in violation of basin plan and California ocean plan standards such as fecal coliform, fecal streptococcus, enterococcus, volatile organic carbon, surfactants, oil and grease, petroleum hydrocarbons, total organic carbon, lead, copper, chromium, cadmium, silver, nickel, zinc, cyanides, phenols, fertilizers, pesticides, herbicides and other biocides. A pollutant also includes any contaminant which degrades the quality of the receiving waters in violation of basin plan and California ocean plan standards by altering any of the following parameters: pH, total suspended and settleable solids, biochemical oxygen demand (BOD), chemical oxygen demand (COD), nutrients, temperature, and other narrative standards of the basin plan.

"Premises" means any land or building in the city where discarded materials are generated or accumulated.

"Prohibited container contaminants" means the following: (1) discarded materials placed in the recyclable materials collection container that are not identified as acceptable recyclable materials for the city's collection program; (2) discarded materials placed in the organic materials collection container that are not identified as acceptable organic materials for the city's collection program; (3) discarded materials placed in the solid waste collection container that are acceptable recyclable materials and/or organic materials to be placed in the city's recyclable materials or organic materials containers or otherwise managed under the city's collection program; and (4) excluded waste placed in any container.

"Recovery" has the same meaning as in 14 CCR Section 18982(a)(49).

"Recyclable materials" means those discarded materials that: the generators set out in recyclables containers for collection for the purpose of recycling by the franchisee and that exclude excluded waste. No discarded materials shall be considered recyclable materials unless such material is separated from organic materials, and solid waste. Recyclable materials shall include, without limitation: (1) newspaper (including inserts, coupons, and store advertisements); (2) mixed paper (including office paper, computer paper, magazines, junk mail, catalogs, brown paper bags, brown paper, paperboard, paper egg cartons, telephone books, grocery bags, colored paper, construction paper, envelopes, legal pad backings, shoe boxes, tabletop beverage containers, cereal, and other

similar food boxes yet excluding paper tissues, paper towels, paper with plastic coating, paper contaminated with food, wax paper, foil-lined paper and cartons, Tyvex non-tearing paper envelopes); (3) chipboard; (4) corrugated cardboard; (5) glass containers of any color (including brown, clear, and green glass bottles and jars); (6) aluminum (including beverage containers and small pieces of scrap metal); (7) steel, tin, or bi-metal cans; (8) mixed plastics such as plastic containers (no. one to seven), except expanded polystyrene (EPS); (9) bottles including containers made of high-density polyethylene (HDPE), low-density polyethylene (LDPE), or polyethylene terephthalate (PET); (10) film plastic (when clean, dry, and contained inside of a plastic bag); (11) dry cell household batteries when placed on the recycling cart in a sealed heavy-duty plastic bag; and (12) those materials added by the franchisee from time to time.

"Recycle" or "recycling" means the process of sorting, cleansing, treating, and reconstituting at a recyclable materials processing facility materials that would otherwise be disposed of at a landfill for the purpose of returning such materials to the economy in the form of raw materials for new, reused, or reconstituted products. Recycling includes processes deemed to constitute a reduction of landfill disposal pursuant to 14 CCR, Division 7, Chapter 12, Article 2. Recycling does not include gasification or transformation as defined in California Public Resources Code Section 40201.

"Recycling facility" means a recycling, composting, or materials recovery or reuse facility.

"Residential" means of, from, or pertaining to a single-family or multifamily premises including single-family homes, apartments, condominiums, townhouse complexes, mobile home parks, and cooperative apartments.

"Responsible person" means the individual or entity responsible for the management of discarded materials generated at a residential or commercial premises. In instances of dispute or uncertainty regarding who is the responsible person for a premises, responsible person shall mean the owner of a residential or commercial premises.

"Restaurant" has the same meaning as in 14 CCR Section 18982(a)(64).

"Route review" has the same meaning as in 14 CCR Section 18982(a)(65).

"SB 1838" means California Senate Bill 1383 of 2016 approved by the Governor on September 19, 2016, which added Sections 39730.5, 39730.6, 39730.7, and 39730.8 to the California Health and Safety Code, and added Chapter 13.1 (commencing with Section 42652) to Part 3 of Division 30 of the California Public Resources Code, establishing methane emissions reduction targets in a statewide effort to reduce emissions of short-lived climate pollutants as amended, supplemented, superseded, and replaced from time to time. For the purposes of this chapter, SB 1383 specifically refers to the Short-Lived Climate Pollutants (SLCP): Organic Waste Reductions regulations developed by CalRecycle and adopted on November 3, 2020 that created Chapter 12 of 14 CCR, Division 7 and amended portions of regulations of 14 CCR and 27 CCR.

"Self-hauler" or "self-haul" means a person who hauls recyclable materials and organic materials that such person generates in or on their own premises, to another person with their own vehicle. Self-hauler also includes a person who back-hauls recyclable materials and organic materials from premises they own and operate. For purposes of this chapter, the definition of "self-hauler" or "self-haul" does not include construction and demolition debris.

"Single-family" or "single-family premises" means, notwithstanding any contrary definition in this code, any detached or attached house or residence designed or used for occupancy by one family, provided that collection service feasibly can be provided to such premises as an independent unit, and the owner or occupant of such independent unit is billed directly for the collection service. Single-family includes townhouses, and each independent unit of duplex, tri-plex, or four-plex residential

structures, regardless of whether each unit is separately billed for their specific service level.

"Solid waste" means solid waste as defined in California Public Resources Code, Division 30, Part 1, Chapter 2, Section 40191 and implementing regulations. Excluded from the definition of solid waste are excluded waste, C&D, source-separated recyclable materials, edible food if it is recovered and not discarded, source-separated organic materials, and radioactive waste. Notwithstanding any provision to the contrary, solid waste may include de minimis volumes or concentrations of waste of a type and amount normally found in residential solid waste after implementation of programs for the safe collection, recycling, treatment, and disposal of household hazardous waste in compliance with Sections 41500 and 41802 of the California Public Resources Code as may be amended from time to time. Solid waste includes salvageable materials only when such materials are included for collection in a solid waste collection container not source-separated from solid waste at the site of generation.

"Solid waste facility" means a solid waste transfer or processing station, a composting facility, a transformation facility, or a disposal facility as approved by the city.

"Source-separated" means the segregation, by the generator, of materials designated for separate collection for some form of recycling, composting, recovery, or reuse.

"Special event" has the same meaning as set forth in Section 8.17.020 of this code, as it may be amended from time to time.

"State" means the State of California.

"Stormwater" has the same meaning as set forth in Section 15.04.020 of this code, as it may be amended from time to time.

"Stormwater conveyance system" has the same meaning as set forth in Section 15.04.020 of this code, as it may be amended from time to time.

"Supermarket" has the same meaning as in 14 CCR Section 18982(a)(71).

"Tier one commercial edible food generator" has the same meaning as in 14 CCR Section 18982(a)(73).

"Tier two commercial edible food generator" has the same meaning as in 14 CCR Section 18982(a)(74).

"Wholesale food vendor" has the same meaning as in 14 CCR Section 189852(a)(76).

"Yard trimmings" means those discarded materials that will decompose and/or putrefy, including, but not limited to, green trimmings, grass, weeds, leaves, prunings, branches, dead plants, brush, tree trimmings, dead trees, small pieces of unpainted and untreated wood, and other types of organic materials resulting from normal yard and landscaping maintenance that may be specified for collection and processing as organic materials under this chapter. Yard trimmings does not include items defined as excluded waste. Yard trimmings are a subset of organic materials. Yard trimmings placed for collection may not exceed six inches in diameter and three feet in length and must fit within the franchisee-provided collection container.

- B. Any other term that is defined by Division 30 (Waste Management) of the California Public Resources Code (commencing with Section 4000) that is used but not otherwise defined in this chapter shall have the meaning established by the California Public Resources Code, to the extent meaning is not inconsistent with the context of the usage in this chapter and does not conflict with the approved franchise.

(Ord. CS-183 § 2, 2012; Ord. CS-276, 2015; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

**§ 6.08.020. Required discarded materials handling.**

- A. Every person in possession, charge or control of any place or premises in the city in, upon, or from which discarded materials are created, produced or accumulated shall:
  - 1. Discard such solid waste, organic waste and/or recyclable materials through the discarded materials collection service of the city or its franchisee.
  - 2. Place and/or direct its generators to place source-separated organic materials in the organic materials stream of the applicable container; source-separated recyclable materials in the recyclable materials stream of the applicable container; and solid waste in the solid waste stream of the applicable container. No person shall dispose of commercial grease or cooking oil in a compostable materials container.
  - 3. Not place and/or direct its generators to not place prohibited container contaminants in containers and not place materials designated for the organic materials containers or recyclable materials containers in the solid waste containers.
  - 4. Pay the established fee or fees.
- B. The collection of discarded materials shall occur at least once per week.
- C. Exceptions.
  - 1. Nothing in this chapter limits the right of any person to donate or sell the person's recyclable materials in lieu of placing the recyclable materials in recycling containers for collection.
  - 2. Commercial businesses and multifamily premises with recycling compactors that receive a collection frequency waiver pursuant to Section 6.08.025 may have recyclable materials collected once every 14 days.
  - 3. Upon customer request, and with written approval from the director or a designee, franchisee shall cease providing, and collecting payment for, collection services to a premises which is anticipated to be vacant for no less than 30 days. In addition, upon written direction from the director or a designee, franchisee shall modify or otherwise cease providing collection services to customers requesting other service exemptions, provided that such customers consistently demonstrate the ability to responsibly manage discarded materials generated at the premises in question, in a manner consistent with applicable law.
- D. Nothing in this section prohibits a responsible person or generator of a premises from engaging in any of the following activities, in addition to subscribing to the discarded materials collection service of the city or its franchisee:
  - 1. Donating or selling the service recipient's source-separated organic materials to other persons, provided that there is no net payment made by the service recipient to such other person.
  - 2. Self-hauling materials within the requirements of Section 6.08.161.
  - 3. Collecting C&D, if: (a) such persons maintain a city-issued permit granting such right; (b) the C&D was generated from a construction, demolition, alteration, or remodel project pursuant to a permit issued by the city; and (c) such persons comply with all other applicable requirements in Section 6.08.160.
  - 4. Selling any items which are source-separated at any premises by the generator or donating any

items which are source-separated at any premises by the generator to youth, civic, or charitable organizations. Materials will not be deemed donated if they are collected by a non-franchised waste hauler that is not a 501(c)(3) organization.

5. Arranging for the collection of edible food for the purposes of food recovery, regardless of whether the generator donates, sells, or pays a fee to the other person(s) to collect or receive the edible food.
  6. Separating food scraps and using or distributing to other person(s) such food scraps for lawful use as animal feed, in accordance with 14 CCR Section 18983.1(b)(7). Food scraps intended for animal feed may be self-hauled by the generator or hauled by another party provided that there is no net payment made by the service recipient to such other person.
  7. Delivering containers for recycling under the California Beverage Container Recycling and Litter Reduction Act (California Public Resources Code Section 14500, et seq.).
  8. Arranging for discarded materials, and/or bulky items to be removed from a premises by a contractor (e.g., gardener, landscaper, tree-trimming service, construction contractor who produces waste other than C&D, residential clean-out service) as an incidental part of the service being performed, rather than as a separately contracted or subcontracted hauling service; or if such contractor is providing a service which is not included in the scope of the franchise agreement.
  9. Composting or otherwise legally managing organic materials at the site where they are generated (e.g., backyard composting, or on-site anaerobic digestion) or at a community composting site.
  10. Preventing or reducing discarded materials.
- E. The responsible person for a commercial or a multifamily premises that does not receive regular recyclable and/or organic materials collection from the city or its franchisee under Section 6.08.020(C)(1) and/or self-hauls discarded materials pursuant to Section 6.08.161 shall submit an annual report to the city: (i) by August 15, 2022, for the period of January 1, 2022 through June 30, 2022; and (ii) by May 1, 2023, and on or before May 1 of each year thereafter, on a form or using a format prescribed by the City Manager. Annual reports submitted, beginning with May 1, 2023, shall include the following information for the entire previous calendar year:
1. The name of the responsible person(s) for the premises.
  2. The address for the premises.
  3. The name for the commercial business (if applicable).
  4. The volume in cubic yards or gallons, measured by the size of the containers in use at the premises, of recyclable materials and organic materials handled through self-hauling or other means, and documentation verifying where all material was transported to.
  5. Additional information as required by the director.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.022. Requirements for multifamily premises.**

- A. In addition to the requirements described in Section 6.08.020 of this chapter and other applicable law,

the responsible person for any multifamily premises must do all of the following:

1. Provide on-site source-separated collection of recyclable materials, organic materials, and solid waste to the occupants of the premises consistent with this chapter.
  2. Provide a sufficient number and type of containers at the property to contain the recyclable materials, organic materials, and solid waste generated by the occupants of the complex or premises.
  3. Place recyclable material containers and organic materials containers in convenient locations for use by occupants of the property, which means placement of recyclable materials containers and organic materials containers adjacent to, or in the immediate vicinity of, solid waste containers in disposal areas. The responsible person must pair recycling containers and organic materials containers with solid waste containers of equivalent volume capacity at each disposal area.
  4. Educate the occupants of the multifamily premises about the recycling and organic waste services as follows:
    - a. The responsible person must annually distribute recycling and organic waste program information to all occupants that describes the types of recyclable materials accepted, the location of recyclable materials containers, and the occupant's responsibility to recycle pursuant to this chapter;
    - b. The responsible person must provide occupants with the recycling and organic waste program information upon their first occupancy or use of the complex or premises; and
    - c. The responsible person must provide occupants with updated recycling program information upon any change in recycling service to the multifamily or commercial premises.
- B. Occupants of a multifamily premises must participate in the recycling program provided by the responsible person by separating recyclable materials from other solid waste and depositing the recyclable materials in the on-site recycling containers.
- C. If the responsible person of a multifamily premises wants to self-haul, meet the self-hauler requirements in Section 6.08.160 of this chapter, including retaining all records (including, but not limited to, receipts and weight tickets) for no less than five years of the amount of recyclable materials and organic waste, delivered to each facility, operation, activity, or property that processes or recovers recyclable materials and organic waste subject to inspection by the city or its designee.
- D. Multifamily premises that generate two cubic yards or more of total discarded materials per week (or other threshold defined by the state) that arrange for gardening or landscaping services shall require that the contract or work agreement between the owner, occupant, or operator of a multifamily premises and a gardening or landscaping service specifies that the designated organic materials generated by those services be managed in compliance with this chapter.

(Ord. CS-359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.023. Requirements for commercial premises.**

- A. In addition to the requirements described in Section 6.08.020 of this chapter and other applicable law, responsible persons of commercial premises shall:

1. Supply and allow access to an adequate number, size and location of collection containers with sufficient labels or colors (conforming with subsection (A)(2) below) for employees, contractors, tenants, and customers, consistent with city's recyclable materials container, organic materials container, and solid waste container collection service or, if self-hauling, consistent with the commercial premises' approach to complying with self-hauler requirements in Section 6.08.160 of this chapter.
2. Provide containers for the collection of source-separated recyclable materials and source-separated organic materials in all indoor and outdoor areas where solid waste containers are provided for customers, for materials generated by that commercial business. Such containers shall be visible and easily accessible. Such containers do not need to be provided in restrooms. If a commercial business does not generate any of the materials that would be collected in one type of container, then the responsible person of the commercial business does not have to provide that particular container in all areas where solid waste containers are provided for customers. Pursuant to 14 CCR Section 18984.9(b), the containers provided by the responsible person of the commercial business shall have either:
  - a. A body or lid that conforms with the container colors provided through the collection service provided by city, with either lids conforming to the color requirements or bodies conforming to the color requirements or both lids and bodies conforming to color requirements. The responsible person of the commercial business is not required to replace functional containers, including containers purchased prior to January 1, 2022, that do not comply with the requirements of this subsection prior to the end of the useful life of those containers, or prior to January 1, 2036, whichever comes first.
  - b. Container labels that include language or graphic images, or both, indicating the primary materials accepted and the primary materials prohibited in that container, or containers with imprinted text or graphic images that indicate the primary materials accepted and primary materials prohibited in the container. Pursuant to 14 CCR Section 18984.8, the container labeling requirements are required on new containers commencing January 1, 2022.
3. To the extent practical through education, training, inspection, and/or other measures, prohibit employees from placing materials in a container not designated for those materials per the city's recyclable materials container, organic materials container, and solid waste collection service or, if self-hauling, per the instructions of the commercial business's responsible person to support its compliance with self-hauler requirements in Section 6.08.160 of this chapter.
4. Annually inspect recyclable materials containers, organic materials containers, and solid waste containers for contamination and inform employees if containers are contaminated and of the requirements to keep contaminants out of those containers pursuant to 14 CCR Section 18984.9(b)(3).
5. Annually provide information to employees, contractors, tenants, and customers about recyclable materials and organic waste recovery requirements and about proper sorting of recyclable materials, organic materials, and solid waste.
6. Provide education information before or within 14 days of occupation of the premises to new tenants that describes requirements to source separate recyclable materials and organic materials and to keep source-separated organic materials and source-separated recyclable materials separate from each other and from other solid waste (when applicable) and the location of containers and the rules governing their use at each property.

7. Provide or arrange access for city or its designee to their properties during all inspections conducted in accordance with this chapter to confirm compliance with the requirements of this chapter.
  8. If the responsible person of a commercial business wants to self-haul, meet the self-hauler requirements in Section 6.08.160 of this chapter.
- B. Responsible persons of commercial businesses that are tier one or tier two commercial edible food generators shall comply with food recovery requirements, pursuant to Section 6.08.027 of this chapter.

(Ord. CS-408 § 2, 2021)

#### **§ 6.08.024. (Reserved)**

#### **§ 6.08.025. Waivers for multifamily premises and commercial premises.**

- A. Collection Frequency Waiver. The city, at its discretion and in accordance with 14 CCR Section 18984.11(a)(3), may allow the responsible person of any multifamily premises or commercial business premises that subscribes to the city's discarded materials collection service to arrange for the collection of their premises' recyclable materials collection container once every 14 days, rather than once per week, if the responsible person utilizes a recycling compactor at the premises for which the responsible person is applying for a waiver.
- B. Review and Approval of Waivers by City. Waivers shall be granted to responsible persons by city according to the following process:
  1. Responsible persons of premises seeking waivers shall submit a completed application form to the sustainable materials management division or other designated city department for a waiver specifying the waiver type requested, type(s) of collection services for which they are requesting a waiver, the reason(s) for such waiver, and documentation supporting such request.
  2. Upon waiver approval, city shall specify that the waiver is valid for three years.

(Ord. CS-408 § 2, 2021)

#### **§ 6.08.026. Requirements for special events.**

- A. The event organizer of a special event permitted under Chapter 8.17 must provide a level of discarded materials service sufficient to contain the solid waste generated at the special event.
- B. The event organizer shall provide containers at convenient locations at the special event to facilitate the source separation of solid waste, organic materials, and recyclable materials by event employees, vendors, and attendees. Convenient locations mean that solid waste containers, organic materials containers, and recyclable materials containers placed next to one another throughout the special event venue. The event organizer must pair recyclable materials containers and organic materials containers with solid waste containers of equivalent volume capacity at each disposal area in the special event venue.
- C. All containers must be clearly identified as either a solid waste, organic materials, or recyclable materials container and must include signage that describes the types of materials that may be deposited in the container.
- D. Large venue or large event operators providing food services must comply with the requirements of

Section 6.08.027 commencing January 1, 2024, pursuant to 14 CCR Section 18991.3.

- E. Large venue or large event operators not providing food services, but allowing for food to be provided by others, shall require food facilities operating at the large venue or large event to comply with the requirements of Section 6.08.027, commencing January 1, 2024 pursuant to 14 CCR Section 18991.3. (Ord. CS-359 § 2, 2019; Ord. CS-408 § 2, 2021)

**§ 6.08.027. Requirements for commercial edible food generators.**

- A. Tier one commercial edible food generators must comply with the requirements of this section commencing January 1, 2022, and tier two commercial edible food generators, including, but not limited to, large events and large venues as defined in this chapter, must comply commencing January 1, 2024, pursuant to 14 CCR Section 18991.3.
- B. Commercial edible food generators shall comply with the following requirements:
1. Arrange to recover the maximum amount of edible food that would otherwise be disposed.
  2. Contract with or enter into a written agreement with food recovery organizations or food recovery services for: (a) the collection of edible food for food recovery; or (b) acceptance of the edible food that the commercial edible food generator self-hauls to the food recovery organization for food recovery.
  3. Not intentionally spoil edible food that is capable of being recovered by a food recovery organization or a food recovery service.
  4. Allow the city's designated enforcement entity or designated third-party enforcement entity to access the premises and review records pursuant to 14 CCR Section 18991.4.
  5. Keep records that include the following information, or as otherwise specified in 14 CCR Section 18991.4:
    - a. A list of each food recovery service or organization that collects or receives its edible food pursuant to a contract or written agreement established under 14 CCR Section 18991.3(b).
    - b. A copy of all contracts or written agreements established under 14CCR Section 18991.3(b).
    - c. A record of the following information for each of those food recovery services or food recovery organizations:
      - i. The name, address and contact information of the food recovery service or food recovery organization;
      - ii. The types of food that will be collected by or self-hauled to the food recovery service or food recovery organization;
      - iii. The established frequency that food will be collected or self-hauled;
      - iv. The quantity of food, measured in pounds recovered per month, collected or self-hauled to a food recovery service or food recovery organization for food recovery.
  6. Maintain records required by this section for five years.
  7. By (i) August 15, 2022 for tier one commercial edible food generators for the period of January

1, 2022 through June 30, 2022; (ii) by May 1, 2023, and on or before May 1 of each year thereafter, for tier one commercial edible food generators; and (iii) by May 1, 2024 for tier two commercial edible food generators, provide an annual food recovery report to the city, covering the entire previous calendar year, that includes the following information:

- a. Weight of edible food donated.
  - b. Weight of rejected edible food.
  - c. Entity(ies) edible food is being donated to, and weight subtotals per entity of edible food donated.
  - d. Any additional information required by the director.
- C. Nothing in this chapter shall be construed to limit or conflict with the protections provided by the California Good Samaritan Food Donation Act of 2017 (AB 1219), the federal Good Samaritan Food Donation Act (42 USCA Section 1791 et seq.), or share table and school food donation guidance pursuant to Senate Bill 557 of 2017 (which added Article 13 [commencing with Section 49580] to Chapter 9 of Part 27 of Division 4 of Title 2 of the California Education Code, and amended Section 114079 of the California Health and Safety Code, relating to food safety) as amended, supplemented, superseded and replaced from time to time. Additionally, nothing in this chapter requires or authorizes the recovery of edible food that does not meet the food safety requirements of the California Retail Food Code (California Health and Safety Code Section 113700 et seq.).

(Ord. CS-408 § 2, 2021)

#### **§ 6.08.028. Requirements for food recovery organizations and services.**

- A. Food recovery services collecting or receiving edible food directly from commercial edible food generators, via a contract or written agreement established under 14 CCR Section 18991.3(b), shall maintain all records required by 14 CCR Section 18991.5(a)(1).
- B. Food recovery organizations collecting or receiving edible food directly from commercial edible food generators, via a contract or written agreement established under 14 CCR Section 18991.3(b), shall maintain all records required by 14 CCR Section 18991.5(a)(2).
- C. Maintain records required by this section for five years.
- D. Food recovery organizations and food recovery services that have their primary address physically located in the city and contract with or have written agreements with one or more commercial edible food generators pursuant to 14 CCR Section 18991.3(b) shall report to the city the total pounds of edible food recovered in the previous calendar year from the tier one and tier two commercial edible food generators they have established a contract or written agreement with pursuant to 14 CCR Section 18991.3(b). The annual report shall be submitted to the city no later than the dates set forth in Section 6.08.027(B)(7) of each year.
- E. In order to support edible food recovery capacity planning assessments or other studies, food recovery services and food recovery organizations operating in the city shall provide information and consultation to the city, upon request, regarding existing, or proposed new or expanded, food recovery capacity that could be accessed by the city and its commercial edible food generators. A food recovery service or food recovery organization contacted by the city shall respond to such request for information within 60 days, unless a shorter timeframe is otherwise specified by the city.
- F. Food recovery organizations and food recovery services that have their primary address physically

located in the city and contract with or have written agreements with one or more commercial edible food generators shall include language in all agreements with tier one and tier two edible food generators located in the city identifying and describing the California Good Samaritan Act, as may be amended from time to time.

(Ord. CS-408 § 2, 2021)

#### **§ 6.08.030. Containers generally.**

- A. No person shall deposit, keep or accumulate any solid waste in or upon any public or private premises unless enclosed in containers. Collection containers shall be provided by the franchisee. The collection containers will remain the property of the franchisee. Every person occupying or having control of any such premises shall insure that a sufficient number of containers are available to properly store all solid waste generated at said premises.
- B. No person shall deposit, keep or accumulate any recyclable materials in or upon any public or private premises unless enclosed within a recyclable materials container.
- C. Collection containers shall be kept in the rear or on the side of the premises or in designated enclosures, except as provided in Section 6.08.080, or as approved by the director.
- D. No person shall dispose of commercial grease or cooking oil in a container intended for recyclable materials.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.040. Cleanliness of discarded materials collection containers.**

No person shall allow grease or decomposing material to accumulate in the interior or on the exterior of a solid waste, recyclable materials, or organic materials collection container. No person shall allow water or other liquids to accumulate in the bottom of a solid waste container in excess of a depth of one inch.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.045. Cleanliness of discarded materials collection container areas or enclosures.**

No person shall allow pollutants or liquids to accumulate around or on discarded materials enclosures or around and/or under discarded materials containers such that stormwater will carry these pollutants or liquids to the stormwater conveyance system.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.050. Discarded materials collection containers to be kept covered.**

No person shall permit a solid waste, recyclable materials, or organic materials collection container to remain uncovered or open, or in such condition that insects or vermin may obtain access to the container, except when necessary to place discarded materials in the container or remove discarded materials from the container, and when the cover is removed for such purposes it shall be immediately replaced.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.055. Composting.**

Every compost pile, bin, holding area or other compost system shall be maintained so as to not create a public nuisance. No compost pile, bin, holding area or other compost system shall be maintained within six feet from an exterior window, exterior door or other exterior entrance to an inhabited residential structure other than one owned by the owner of the compost system.

(Ord. CS-359 § 2, 2019; Ord. CS-408 § 2, 2021)

**§ 6.08.060. Residential discarded materials carts—Maximum weight.**

Residential solid waste, recyclable materials, and organic materials carts, when placed for collection, shall not be at a weight greater than the cart manufacturer's recommended maximum weight.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

**§ 6.08.070. Maximum residential collection.**

Discarded materials, when placed for collection, shall fit entirely within the confines of the carts with lids securely shut. The franchisee shall not be obligated to collect discarded materials that are placed outside of the carts. Households requiring additional service shall arrange for special collection.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

**§ 6.08.080. Placement of residential carts for collection.**

Solid waste, recyclable materials, and organic materials carts from single-family premises shall be placed in the street with the wheels against the curb, or if no such curb exists, within the gutter of the public street; in the event that the discarded materials are to be collected from a public alley, the carts shall be placed within five feet of the edge of the right-of-way of such alley. Carts shall be positioned with handles facing away from the street or right-of-way. Carts must be placed at least two feet away from obstacles such as trees, vehicles and mailboxes, one foot away from other carts, and clear from any overhead obstructions such as tree limbs.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

**§ 6.08.090. Timing of placement of residential carts for collection.**

Solid waste, recyclable materials, and organic materials carts must be placed for collection between the hours of 6:00 p.m. on the day prior to collection and 6:00 a.m. of the day of collection. Carts shall be removed no later than 12:00 a.m. of the day of collection.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

**§ 6.08.100. Unlawful placement of solid waste.**

No person shall deposit or place any solid waste anywhere other than in an approved solid waste container under the person's control. Further, no person shall abandon, store, bury, and/or burn solid waste on public or private premises, with or without the property owner's permission, except at an authorized solid waste facility.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

**§ 6.08.110. Unhindered access to collection containers.**

It is unlawful for any person within the city to hinder access of the franchisee to the solid waste, recyclable materials or organic materials collection containers.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

**§ 6.08.120. Special collection service.**

The franchisee shall provide for the collection of any discarded materials which require special collection. If the special service is not identified in the city's contract with the franchisee, the franchisee shall provide

the service at a rate mutually agreed upon by the customer and the franchisee. Customers shall contract the city's franchisee to arrange for such services.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

**§ 6.08.130. Bulky item collection.**

Bulky items shall be discarded or recycled through special collection service.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

**§ 6.08.140. Shared service allowed.**

Multiple tenants within a single building or complex may be allowed to share bin service. Customers utilizing carts shall not be allowed to share service, except at the sole discretion of the director.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

**§ 6.08.150. Multiple tenant residential service.**

Multiple tenant residential complexes shall be allowed to utilize bin service or individual cart service at the discretion of the owner or property manager. Multiple tenant residential complexes utilizing individual cart service shall be charged the single-family fee per each unit.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

**§ 6.08.160. Hauling discarded materials and construction and demolition debris.**

- A. No person shall haul, carry or transport any discarded materials or construction and demolition debris through the city or along or over any public street or public place in the city except in water-tight vehicles so that the contents are not offensive. Such vehicles shall be so loaded and operated that none of their contents falls or spills from them, and every vehicle used for such purposes shall be kept in a clean and sanitary condition.
- B. Franchisees providing discarded materials collection services, and permitted C&D haulers providing construction and demolition debris collection services, to generators within the city's boundaries shall meet the following requirements unless otherwise stated in the franchise agreement, contract, permit, or other authorization with the city:
  1. Through written notice to the city annually: by (a) August 15, 2022, for the period of January 1, 2022 through June 30, 2022, and (b) by May 1, 2023, and on or before May 1 of each year thereafter, for the period covering the entire previous calendar year, identify the facilities to which they will transport discarded materials and construction and demolition debris, including facilities for source-separated recyclable materials, source-separated organic materials, and solid waste.
  2. Transport source-separated recyclable materials to a facility that recovers those materials; transport source-separated organic materials to a facility, operation, activity, or property that recovers organic waste as defined in 14 CCR, Division 7, Chapter 12, Article 2; transport solid waste to a disposal facility or transfer facility or operation that processes or disposes of solid waste; and transport manure to a facility that manages manure in conformance with 14 CCR Article 12 and such that the manure is not landfilled, used as alternative daily cover (ADC), or used as alternative intermediate cover (AIC).
  3. Obtain a permit from the city to haul organic waste, unless it is transporting source-separated organic waste to a community composting site or lawfully transporting C&D commingled with

organic waste in a manner that complies with 14 CCR Section 18989.1 and any other provision of this code.

4. Permitted C&D haulers must obtain a permit from the city to haul construction and demolition debris to a facility that processes C&D materials.
- C. Franchisee(s) and permitted C&D haulers authorized to collect discarded materials or construction and demolition debris shall comply with education, equipment, signage, container labeling, container color, contamination monitoring, reporting, and other requirements contained within its franchise agreement or other agreement or permit entered into with or issued by the city.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.161. Self-hauler requirements.**

- A. All self-haulers shall meet the following requirements:
  1. In order to self-haul materials, a responsible person must first register as a self-hauler with the sustainable materials management division in the manner prescribed by the director or a designee.
  2. Every self-hauler shall source separate its recyclable materials and organic materials (materials that city otherwise requires generators or responsible persons to separate for collection in the city's recyclable materials and organic materials collection program) generated on site from solid waste in a manner consistent with 14 CCR Sections 18984.1 and 18984.2 and the city's collection program. Self-haulers shall deliver their materials to facilities described in subsection (A)(3) below. Alternatively, self-haulers may choose not to source separate recyclable materials and organic materials and shall haul its solid waste (that includes recyclable materials and organic materials) to a high-diversion organic waste processing facility that is approved by the city.
  3. Self-haulers that source separate their recyclable materials and organic materials shall haul their source-separated recyclable materials to a facility that recovers those materials; haul their source-separated organic waste to a facility, operation, activity, or property that processes or recovers source-separated organic waste; haul their solid waste to a disposal facility or transfer facility or operation that processes or disposes of solid waste; and, haul their manure to a facility that manages manure in conformance with 14 CCR Article 12 and such that the manure is not landfilled, used as alternative daily cover (ADC), or used as alternative intermediate cover (AIC).
- B. All self-haulers that are responsible persons of commercial businesses or multifamily premises shall meet the following requirements:
  1. Keep records of the amount of recyclable materials, organic waste, and solid waste delivered to each facility, operation, activity, or property that processes or recovers recyclable materials and organic waste and processes or disposes of solid waste, or shall keep records of solid waste delivered to high-diversion organic waste processing facilities. These records shall be subject to inspection by the city or its designee. The records shall include the following information:
    - a. Delivery receipts and weight tickets from the entity accepting the recyclable materials, organic materials, and solid waste.
    - b. The amount of material in cubic yards or tons transported by the generator or responsible

person to each entity.

- c. If the material is transported to an entity that does not have scales on site or employs scales incapable of weighing the self-hauler's vehicle in a manner that allows it to determine the weight of materials received, the self-hauler is not required to record the weight of material but shall keep a record of the entities that received the discarded materials.
  - d. Additional information as required by the director.
2. Retain all records and data required to be maintained by this section for no less than five years after the discarded materials were first delivered to the facility accepting the materials.
  3. Provide copies of records required by this section to the city if requested by the director or a designee and provide records at the frequency requested by the director or a designee.
- C. No self-hauler shall haul organic waste or construction and demolition debris unless they comply with all applicable requirements in Section 6.08.160.

(Ord. CS-408 § 2, 2021)

#### **§ 6.08.162. Facility operator requirements.**

- A. Owners of facilities, operations, and activities located in the city's boundaries that recover organic waste, including, without limitation, compost facilities, in-vessel digestion facilities, and publicly-owned treatment works shall, upon the city's request, provide information regarding available and potential new or expanded capacity at their facilities, operations, and activities, including information about throughput and permitted capacity necessary for planning purposes. Entities contacted by the city shall respond within 30 days.
- B. Community composting operators with operations located in the city's boundaries, upon the city's request, shall provide information to the city to support organic waste capacity planning, including, without limitation, an estimate of the amount of organic waste anticipated to be handled at the community composting operation. Entities contacted by the city shall respond within 30 days.
- C. Owners of facilities, operations, and activities located in the city's boundaries that receive discarded materials shall provide to the city on a quarterly basis copies of all reports they are required to report to CalRecycle, including at a minimum, those required by AB 901 and SB 1383.

(Ord. CS-408 § 2, 2021)

#### **§ 6.08.170. Unauthorized collection (scavenging).**

It is unlawful for any person, other than an employee of the franchisee or an employee of the city to collect, remove, or dispose of discarded materials placed in collection containers in the city; provided, however, that nothing contained in this section shall prevent the use of garbage disposal devices as regulated by the city plumbing code.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.180. Contracts.**

The city may enter into a contract or contracts, including franchise agreements, under such terms or conditions as may be agreed upon and as may be seen fit by the city for the collection and disposal of discarded materials within the city. No person shall engage in the business of providing discarded materials services, except as provided in Section 6.08.020(C), within the city without having a valid discarded

materials services contract with the city.  
(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.190. Rate and fees for service.**

The rates and fees to be paid for regular (excluding Section 6.08.120) discarded materials services rendered by the franchisee shall be those rates and fees as established from time to time by resolution of the City Council.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.200. Payment of fees.**

- A. It is unlawful for any person having discarded materials collected and disposed of as provided in this chapter, to willfully fail, neglect, or refuse after demand by the city, or its duly authorized agent or employee, to pay the fees prescribed for services. The city and/or franchisee may seek payment for delinquent accounts by any legal means available. In addition to all other remedies available by law or established by this chapter, failure to pay after delinquency may result in suspension of service. The reduction of service level and reinstatement of service for delinquent accounts shall be subject to procedures and limitations of the franchisee's franchise agreement with the city and this chapter.
- B. Franchisee shall bill owners or responsible persons for discarded materials services and be solely responsible for collecting billings at rates set in accordance with the franchise agreement. Billing shall be performed on the basis of services rendered.
- C. All charges due by the property owner or responsible person shall become delinquent if not paid within 30 days after the billing date.
- D. If the bill becomes delinquent, franchisee must provide owners or responsible persons with delinquent accounts with written notice of the delinquency and that franchisee may assess a late fee for bills not paid within 45 days after the billing date.
- E. Franchisee may assess a late fee for bills not paid within 45 days after the billing date, not to exceed the late fees prescribed in the franchise agreement.
- F. Should any service account become more than 120 calendar days past due, franchisee may discontinue providing service to the delinquent account. Franchisee may withhold service from a delinquent account until past delinquencies are paid in full. Upon restoring service to a previously delinquent account, franchisee may require a deposit from the account holder not to exceed the deposit prescribed in the franchise agreement.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.210. Liability for payment.**

The obligation to pay discarded materials services fees is upon the legal owner or owners of the property served. Nothing in this section, however, shall prevent an arrangement under which payments for discarded materials services are made by a tenant or tenants, or an agent, on behalf of the owner, provided any such arrangement shall not affect the owner's obligation for payment of such fees.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.215. Administrative regulations.**

The City Manager may adopt administrative regulations that are consistent with and that further the terms

and requirements set forth within this chapter. All such administrative regulations must be in writing.  
(Ord. CS-359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.218. Inspections and investigations by city.**

- A. The sustainable materials management division, or other designated city department, is authorized to conduct inspections and investigations, at random or otherwise, of any collection container, collection vehicle loads, or transfer, processing, or disposal facility for materials collected from generators, or source-separated materials to confirm compliance with this chapter, and Cal. Code of Regs., Title 14, Section 18982 et seq., by generators, responsible persons of commercial businesses, responsible persons of multifamily premises, commercial edible food generators, haulers, self-haulers, food recovery services, food recovery organizations, and any other entities regulated by this chapter, subject to applicable laws. This section does not allow city to enter the interior of a private residential property for inspection.
- B. Entities regulated by this chapter shall provide or arrange for access during all inspections (with the exception of residential property interiors) and shall cooperate with the city's representative or its designee during such inspections and investigations. Such inspections and investigations may include confirmation of proper placement of materials in containers, inspection of edible food recovery activities, review of required records, or other verification or inspection, as prescribed by the director, to confirm compliance with any requirement of this chapter. Failure of a responsible person to provide or arrange for: (1) access to an entity's premises; or (2) access to records for any inspection or investigation is a violation of this chapter and may result in penalties described in Section 6.08.220.
- C. Any records obtained by a city during its inspections and other reviews shall be subject to the requirements and applicable disclosure exemptions of the California Public Records Act as set forth in Government Code Section 6250 et seq.
- D. City representatives of the sustainable materials management division, or other designated city department, are authorized to conduct any inspections or other investigations as reasonably necessary to further the goals of this chapter, subject to applicable laws.
- E. City shall receive written complaints from persons regarding an entity that may be potentially noncompliant with SB 1383 regulations, including receipt of anonymous complaints.

(Ord. CS-408 § 2, 2021)

#### **§ 6.08.220. Enforcement.**

The director shall be responsible for the enforcement of all provisions of this chapter. Nothing in these regulations shall prevent the city's authorized agents or deputies from efforts to obtain compliance by way of warning, notice of violation, educational means or other civil or administrative remedies available under this code or other applicable law.

- A. A violation of any provision of this chapter shall constitute grounds for issuance of a notice of violation and administrative citations as appropriate, in conformance with Chapter 1.10 of this code unless otherwise stated in this chapter.
- B. Process for Enforcement.
  - 1. City enforcement officials and/or their designee will monitor compliance with this chapter and through compliance reviews, route reviews, investigation of complaints, and an inspection program. Section 6.08.218 and Chapter 1.10 establish the city's right to conduct inspections and

investigations.

2. The city may issue an official notification to advise regulated entities of their obligations under the chapter.
3. For incidences of prohibited container contaminants found in collection containers, the city or its designee will issue a notice of contamination to any generator or responsible person found to have prohibited container contaminants in a collection container as prescribed by the current franchise agreement, and the city or its designee may assess contamination processing fees on the generator as prescribed by the current franchise agreement.
4. With the exception of violations of contamination of collection container contents addressed under this Section, the city shall issue a notice of violation requiring compliance within 60 days of issuance of the notice.
5. Absent compliance by the respondent within the deadline set forth in the notice of violation, the city shall proceed with enforcement pursuant to Chapter 1.10.

C. Penalty Amounts for Types of Violations. The penalty levels for violations of this chapter are as follows:

1. For a first violation, the amount of the base penalty shall be \$50.00 to \$100.00 per violation.
2. For a second violation, the amount of the base penalty shall be \$100.00 to \$200.00 per violation.
3. For a third or subsequent violation, the amount of the base penalty shall be \$250.00 to \$500.00 per violation.
4. The dollar amounts described in subsection D of this section are intended to match the amounts established in Cal. Code of Regs., Title 14, Section 18997.2, as amended.

D. Factors Considered in Determining Penalty Amount. The following factors shall be used to determine the amount of the penalty for each violation within the appropriate penalty amount range:

1. The nature, circumstances, and severity of the violation(s).
2. The violator's ability to pay.
3. The willfulness of the violator's misconduct.
4. Whether the violator took measures to avoid or mitigate violations of this chapter.
5. Evidence of any economic benefit resulting from the violation(s).
6. The deterrent effect of the penalty on the violator.
7. Whether the violation(s) were due to conditions outside the control of the violator.

E. Compliance Deadline Extension Considerations. The city may extend the compliance deadlines set forth in a notice of violation issued in accordance with this section if it finds that there are extenuating circumstances beyond the control of the respondent that make compliance within the deadlines impracticable, including the following:

1. Acts of God such as earthquakes, wildfires, flooding, and other emergencies or natural disasters;
2. Delays in obtaining discretionary permits or other government agency approvals; or

3. Deficiencies in organic waste recycling infrastructure or edible food recovery capacity and the city is under a corrective action plan with CalRecycle pursuant to 14 CCR Section 18996.2 due to those deficiencies.
- F. Persons receiving an administrative citation may contest the citation according to the procedure prescribed in Section 1.10.120 of this code.
- G. Education Period for Noncompliance. Beginning January 1, 2022, the city will conduct inspections, route reviews or waste evaluations, and compliance reviews, depending upon the type of regulated entity, to determine compliance with this chapter, and if the city determines that generator, responsible person, self-hauler, hauler, tier one commercial edible food generator, food recovery organization, food recovery service, or other entity is not in compliance, it shall provide educational materials to the entity describing its obligations under this chapter and a notice that compliance is required by January 1, 2022, and that violations may be subject to administrative civil penalties starting on July 1, 2022.
- H. Civil Penalties for Noncompliance. Beginning July 1, 2022, if the city determines that a generator, responsible person, self-hauler, hauler, tier one or tier two commercial edible food generator, food recovery organization, food recovery service, or other entity is not in compliance with this chapter, it shall document the noncompliance or violation, issue a notice of violation, and take enforcement action pursuant to this section, as needed.

(Ord. CS-359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.230. Savings clause.**

All code provisions, ordinances, and parts of ordinances in conflict with the provisions of this chapter are repealed. The provisions of this chapter, insofar as they are substantially the same as existing code provisions relating to the same subject matter shall be construed as restatements and continuations of the existing code provisions and not as new enactments. With respect, however, to violations, rights accrued, liabilities accrued, or appeals taken, prior to the effective date of the ordinance codified in this chapter, under any chapter, ordinance, or part of an ordinance otherwise repealed by this chapter, all provisions of such chapter, ordinance, or part of an ordinance shall be deemed to remain in full force for the purpose of sustaining any proper suit, action, or other proceedings, with respect to any such violation, right, liability or appeal.

(Ord. CS-183 § 2, 2012; Ord. 359 § 2, 2019; Ord. CS-408 § 2, 2021)

#### **§ 6.08.240. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of this chapter or the application of the chapter to persons or circumstances not similarly situated.

(Ord. CS-408 § 2, 2021)

**CHAPTER 6.10  
PRESCRIPTION DRUG DROP BOXES**

**§ 6.10.010. Purpose.**

- A. The City of Carlsbad recognizes that unwanted, unused or expired prescription drugs, are a public safety, public health and environmental hazard because they can fall into the hands of children or criminals or be introduced to the environment through improper disposal.
- B. The city also acknowledges that experience has shown that parents, patients and others in possession of such prescription drugs will take advantage of opportunities for safe and secure disposal.
- C. The purpose of this chapter is to provide a safe and secure mechanism for the public to dispose of their unwanted, unused or expired prescription drugs at designated city facilities.

(Ord. CS-240 § 1, 2014)

**§ 6.10.020. Definition.**

"Prescription drug" means a drug requiring a prescription, as opposed to an over-the-counter drug, which can be purchased without a prescription.

(Ord. CS-240 § 1, 2014)

**§ 6.10.030. Police and fire departments—Possession of controlled substances in the form of unwanted, unused and expired prescription drugs.**

In accordance with the purpose and provisions of Title 21 Code of Federal Regulations Section 1301.24(a)(2), as amended from time to time, or any applicable successor provision of federal law, the Carlsbad Police Department and Carlsbad Fire Department are authorized to collect and possess controlled substances in the form of unwanted, unused and expired prescription drugs in the performance of their duties, and to dispose of such controlled substances according to state and federal laws.

(Ord. CS-240 § 1, 2014)

## CHAPTER 6.12 JUNK

**Note: As to garbage, rubbish and weeds, see Ch. 6.08. As to license fees for junk businesses, junk dealers, and junk collectors, see Section 5.08.090.**

### **§ 6.12.010. Definitions.**

For the purposes of this chapter the following words and phrases shall have the meanings respectively ascribed to them in this section:

"Front lot line" means the line separating the front of the lot from the street. If a lot is bounded by more than one street, then the front lot line is the line most nearly facing the front of the main building on the lot; provided, that if there is no building on the lot the front lot line may be designated by the owner of the lot;

"Front yard" means a yard extending across the full width of a lot and extending from the front lot line to the front foundation line, and its prolongations of the main building. If the lot is vacant, the front yard depth shall be 50 feet;

"Junk" means any combustible or noncombustible nonputrescible waste, including, but not limited to, trash, refuse, paper, glass, cans, bottles, rags, fabrics, bedding, ashes, trimmings from lawns, shrubbery or trees, except when used for mulch or like agriculture purposes, household refuse other than garbage, lumber, metal, plumbing fixtures, bricks, building stones, plaster, wire or like materials from the demolition, alteration or construction of buildings or structures, tires or inner tubes, auto, aircraft or boat parts, plastic or metal parts or scraps, damaged or defective machinery, whether or not repairable, and damaged or defective toys, automotive equipment, recreational equipment or household appliances or furnishings, whether or not repairable;

"Lot" means lot or parcel two acres or less in size;

"Lot used for residential purposes" means a lot on which one or more dwellings are located;

"Rear lot line" means the lot boundary line or lines most distant from and generally opposite the front lot line;

"Side lot line" means any lot boundary line that is not a front or rear lot line.

(Ord. 5039 § 1)

### **§ 6.12.020. Accumulation deemed nuisance.**

The accumulation of junk contrary to this chapter is declared to be a public nuisance.

(Ord. 5039 § 11)

### **§ 6.12.030. Accumulation prohibited—Exceptions.**

No person shall accumulate junk:

- A. On any lot that is not in his or her ownership or possession, unless he or she has permission from the owner of such lot to do so.
- B. On any lot used for residential purposes, unless done in strict compliance with Section 6.12.040.
- C. On any parcel of land adjacent to a lot used for residential purposes, except:

1. As a part of and incident to a lawfully established and conducted commercial or industrial enterprise; or
  2. When done in strict compliance with Section 6.12.040.
- D. On any lot or parcel that is not in strict compliance with Chapter 15.12, Stormwater Management and Discharge Control.

(Ord. 5039 § 2; Ord. NS-625 § 6, 2002)

#### **§ 6.12.040. Regulations for accumulation.**

- A. No person shall accumulate junk or permit junk to be accumulated on a lot used for residential purposes or on a lot adjacent to a lot used for residential purposes except in agricultural zones:
1. Within four feet of any building or structure, except that junk may be accumulated within two feet of a fence or wall which is constructed of nonflammable material and is not used for structural support of a building;
  2. Within 15 feet of any rear lot line;
  3. Within 10 feet of any side lot line;
  4. In the front yard or in the street side yard of a corner lot.
- B. No person shall accumulate junk, or permit junk to be accumulated on a lot that is used for residential purposes, except in accordance with all of the following regulations:
1. The accumulation shall not be maintained so as to be conducive to the breeding, shelter or harborage of insects, rodents, vermin or pests;
  2. The accumulation shall not be strewn about or maintained in an unsightly condition;
  3. The accumulation shall be maintained so as not to constitute a fire hazard;
  4. Any accumulation of junk maintained on a lot for more than 30 days shall, from and after the thirtieth day of such accumulation, be stored in opaque containers;
  5. The accumulation shall be maintained so as not to constitute a danger or potential danger to the public health, safety or welfare;
  6. The accumulation shall not be a source of pollutants to stormwater or the stormwater conveyance system as defined in Chapter 15.12.

(Ord. 5039 § 3; Ord. NS-625 § 7, 2002)

#### **§ 6.12.050. Junkyards.**

This chapter does not prohibit the accumulation of junk in the course of the lawful operation of a junkyard, motor vehicle storage or wrecking yard, or salvage yard conducted in a manner otherwise authorized by ordinance. Nothing contained in this chapter shall be deemed to authorize the establishment or maintenance of a junkyard, motor vehicle storage or wrecking yard or salvage yard.

(Ord. 5039 § 4)

**§ 6.12.060. Firewood.**

This chapter does not prohibit the accumulation of used lumber, lumber scraps, tree and shrubbery trimmings or materials fabricated out of wood for use as firewood or fuel; provided, however, that any such accumulation shall be neatly stacked and shall be maintained in accordance with the provisions of paragraphs 1 and 4 of subsection A, and paragraphs 1 through 3 of subsection B of Section 6.12.040.  
(Ord. 5039 § 5)

**§ 6.12.070. Violation determination.**

The director shall determine whether or not a person is accumulating junk in such a manner as to constitute a violation of this chapter. In making such determination, the director may consider the nature, size and extent of the accumulation; the length of time the accumulation has been permitted to remain; whether, and to what extent the accumulation is detrimental to the public health, safety and welfare; and whether any unusual conditions exist that would render the disposal of such junk in a lawful manner a hardship.  
(Ord. 5039 § 6; Ord. 1261 § 9, 1983; Ord. NS-176 § 5, 1991; Ord. NS-625 § 7, 2002)

**§ 6.12.080. Notice of violation—Service to owner—Form.**

If the director determines that an accumulation of junk exists in violation of this chapter, the director shall give a written notice and order to the owner or to the occupant of the premises or, if such person cannot be located on the premises, to any person over the age of 18 years who is apparently in possession of the premises or, if there is no such person, then by mailing such written notice and order, postage prepaid, return receipt requested, to the person shown to be the owner by the latest equalized assessment roll or any more recent record in the office of the county assessor. Such written notice and order shall be substantially in the following form:

You are hereby informed that the Director of the City of Carlsbad has determined that there is an unlawful accumulation of junk, contrary to Ordinance No. NS-625, on the following premises: \_\_\_\_\_ (street address or other designation of premises).

(Ord. 5039 § 7; Ord. 1261 § 9, 1983; Ord. NS-176 § 5, 1991; Ord. NS-625 § 9, 2002)

**§ 6.12.090. Appeal from notice.**

Any person served with a notice and order made pursuant to Section 6.12.080 may appeal to the City Council as provided in Section 6.12.100 and such appeal shall stay the effect of such notice and order until the City Council hears the appeal and issues its order modifying, vacating or affirming such notice and order. Such appeal and stay of the notice and order shall not relieve any person from liability or responsibility, criminal or civil, for maintaining an unlawful accumulation of junk and shall not stay or prevent the filing or prosecution of a criminal or civil action for the maintenance of such unlawful accumulation of junk.

(Ord. 5039 § 8)

**§ 6.12.100. Hearing and findings—Enforcement.**

Within a period of three days (exclusive of Saturdays, Sundays and holidays) following the service of written notice and order by the director pursuant to Section 6.12.080 the person ordered to remove the accumulation of junk may file with the City Clerk a written appeal from such notice and order. Such appeal shall contain the appellant's name, mailing address and a general statement of exceptions taken by the appellant to the notice and order. Upon receipt of an appeal, the City Clerk shall immediately notify the director and shall set such appeal for hearing before the City Council. Such clerk shall forthwith give

written notice of the time, date and place of hearing to the director and shall send a copy of such notice through the United States mail to the appellant at the address specified in the appeal. At the time, date and place indicated, the director shall produce evidence of the existence of the unlawful accumulation of junk which is the subject of the director's notice and order. The appellant may likewise produce relevant evidence. The City Council shall consider all relevant evidence produced at such hearing, and if it finds by the preponderance of the evidence that there is in fact an unlawful accumulation of junk, it may declare the same to be a public nuisance. The determination that such accumulation of junk constitutes a public nuisance shall be supported by such findings as are necessary and proper, which findings need not be reduced to writing unless the appellant so requests at the hearing. Upon determining that a public nuisance exists, the City Council may order the abatement thereof upon such terms and conditions as it deems reasonable and just under the circumstances, or it may modify or affirm the notice and order made by the director. If the City Council does not find that a public nuisance exists, it shall vacate the order of the director, in which event the City Council need not make findings. In the event that the City Council determines that a public nuisance exists and orders the abatement thereof, the director shall serve the order of abatement in the manner described in Section 6.12.080, shall enforce the order, may supervise the abatement of the nuisance, if the director deems it necessary to do so, and may make such further orders in furtherance of such order of abatement as he or she deems necessary under the circumstances. Fees for filing an appeal under this section shall be established by resolution of the City Council.

(Ord. 5039 § 9; Ord. 1261 § 9, 1983; Ord. NS-176 §§ 2, 5, 1991; Ord. NS-625 § 10, 2002)

#### **§ 6.12.110. Failure to comply with notice and order.**

Failure to comply with the notice and order given by the Community and Economic Development Director pursuant to Section 6.12.080 or with the order of abatement given by the City Council pursuant to Section 6.12.100 constitutes a misdemeanor.

(Ord. 5039 § 10; Ord. 1261 § 9, 1983; Ord. NS-176 § 5, 1991; Ord. CS-164 § 14, 2011)

## CHAPTER 6.14 PROHIBITION OF SMOKING IN UNENCLOSED DINING AREAS

**Note: Prior ordinance history: Ord. No. 5065.**

### **§ 6.14.010. Purpose.**

Because smoking of tobacco, or any other weed or plant, is a danger to health and a cause of material annoyance, inconvenience, discomfort and a health hazard to those who are present in unenclosed areas as well as confined places, in order to serve public health, safety and welfare, the declared purpose of this article is to prohibit the smoking of tobacco, or any other weed or plant in unenclosed dining areas.

(Ord. CS-188 § II, 2012)

### **§ 6.14.020. Definitions.**

"Enclosed dining area" as defined in this chapter means an area enclosed by a roof and walls with appropriate openings for ingress and egress.

"Public place" as defined in this chapter means any place, publicly or privately owned, which is open to the general public regardless of any fee or age requirement.

"Reasonable distance" as defined in this chapter shall mean a distance of 20 feet in any direction from an area in which smoking is prohibited.

"Smoke" or "smoking" as defined in this chapter shall mean and includes (1) the carrying of a lighted pipe, or lighted cigar, or lighted cigarette of any kind, or the lighting of a pipe, cigar or cigarette of any kind; or (2) the use of an electronic cigarette as defined in California Health and Safety Code Section 119405 ("e-cigarette") or a similar device intended to emulate smoking, which permits a person to inhale vapors or mists that may or may not include nicotine.

"Unenclosed dining area" as defined in this chapter shall mean any dining area, which is not an enclosed dining area, including streets and sidewalks, which is available to or customarily used by the general public, an employee, or any invitee, and which is designed, established, or regularly used for consuming food or drink.

(Ord. CS-188 § II, 2012; Ord. CS-237 § 1, 2013)

### **§ 6.14.030. Prohibition.**

Smoking is prohibited in unenclosed dining areas within the City of Carlsbad, except places where smoking is already prohibited by state or federal law, in which case those laws apply.

(Ord. CS-188 § II, 2012)

### **§ 6.14.040. Reasonable smoking distance required.**

Smoking shall be prohibited within a reasonable distance, as defined in this chapter, from any unenclosed dining area.

(Ord. CS-188 § II, 2012)

### **§ 6.14.050. Optional prohibition.**

Nothing in this chapter prohibits any person, corporation or any other legal entity, or employer, with legal control over any property from prohibiting smoking on any part of such property, even if smoking is not

otherwise prohibited in that area by law.

(Ord. CS-188 § II, 2012)

#### **§ 6.14.060. Posting of signs.**

Any person, corporation or any other legal entity, or employer that has legal or de facto control of an unenclosed dining area in which smoking is prohibited by this chapter shall post a clear, conspicuous and unambiguous "No Smoking" or "Smoke-free" sign at each point of ingress to the area, and in at least one other conspicuous point within the area. The signs shall have letters of no less than one inch in height and shall include the international "No Smoking" symbol (consisting of a pictorial representation of a burning cigarette enclosed in a red circle with a red bar across it). Notwithstanding this provision, the presence or absence of signs shall not be a defense to a charge of smoking in violation of any other provision of this chapter.

(Ord. CS-188 § II, 2012)

#### **§ 6.14.070. Other requirements and prohibitions.**

No ashtrays or smoking disposal receptacles shall be placed in areas where smoking is prohibited.

(Ord. CS-188 § II, 2012)

#### **§ 6.14.080. Penalties and enforcement.**

- A. Each incident of smoking in violation of this chapter is punishable pursuant to Chapter 1.08 of this code, or in alternative by the administrative code enforcement remedies of Chapter 1.10 of this code.
- B. Except as otherwise provided, enforcement of this chapter is at the sole discretion of the persons authorized to enforce this chapter pursuant to Chapters 1.08 and 1.10 of this code. Nothing in this chapter shall create a right of action in any person against the city or its agents for damages or to compel public enforcement of this chapter against private parties.

(Ord. CS-188 § II, 2012)

**CHAPTER 6.16  
PUBLIC NUISANCES AND PROPERTY MAINTENANCE**

**Note: For provisions regarding animal nuisances, see Section 7.04.010.**

## Article I General

### **§ 6.16.005. Declaration of purpose and statutory authority.**

The purpose of this chapter is to establish comprehensive and transparent procedures for the administrative and summary abatement of public nuisances and code violations, including public nuisances related to property maintenance. The procedures established in these sections are in addition to any other legal remedy, criminal or civil, established by law which may be pursued to address municipal code or applicable state code violations.

The provisions of this chapter are authorized by California Constitution, Article 11, Section 7, California Civil Code Section 3491, California Code of Civil Procedure Section 731, California Government Code Sections 25485, 38771, 38773.5, and California Penal Code Section 372.

(Ord. CS-385 § 2, 2020)

### **§ 6.16.010. Public nuisance defined.**

"Public nuisance" means any condition caused, maintained, or in existence which constitutes a threat to the public's health, safety, and welfare or to the environment, or which significantly obstructs, injures, or interferes with the reasonable or free use of property in a neighborhood, community, or to any considerable number of persons, or which constitutes a public nuisance under California Civil Code Sections 3479 through 3480.

"Public nuisance" also means real property which is maintained in such a defective, unsightly, dangerous, or deteriorated condition, or state of disrepair, that the property will or may cause harm to persons, or will be materially detrimental to property or improvements located in the immediate vicinity of the property.

(Ord. CS-385 § 2, 2020)

### **§ 6.16.015. Specific conditions constituting a public nuisance.**

The existence of any of the following conditions on any property is a public nuisance:

- A. Conditions related to property maintenance, as set forth in Article III of this chapter.
- B. Any obstruction to the free flow of drainage water in a natural drainage course, such as streams, rivers, and creeks.
- C. Land that is in a state to cause or contribute to erosion, subsidence, or surface water drainage impacting adjacent public properties.
- D. Buildings which are abandoned, partially destroyed, or remain unreasonably in a state of partial construction with no observable work performed for a period of six months or longer.
- E. Buildings, walls, and other structures which have been damaged by fire, decay, or otherwise to such an extent they cannot be repaired so as to conform to the requirements of the building code in effect in this city. Buildings which have been partially destroyed or demolished by these causes and which remain in such a state for a period of six months or longer shall also be a violation of this subsection.
- F. The failure to close, by means acceptable to the building official, all doorways, windows, and other openings into vacant structures.
- G. Any condition, instrument, or machine on real property that is unsafe and unprotected and

consequently dangerous to minors by reason of their inability to appreciate its peril, and which may be reasonably expected to attract minors to the property and thus risk injury to them by their playing with, in, or on it (i.e., attractive nuisances).

- H. Graffiti on any public or privately owned structures within the city. For purposes of this chapter, "graffiti" means any form of painting, writing, inscription, or carving on any surface, regardless of the content or the nature of the material used in the commission of the act, which was not authorized in advance by the owner of the surface.
- I. All other conditions deemed to be a "nuisance" or "public nuisance" as defined throughout this code.
- J. Property upon which any violation of this code or any applicable state, county, or local law exists, or property which is used in violation of this code or any applicable state, county, or local law.

(Ord. CS-385 § 2, 2020)

#### **§ 6.16.020. Determination of nuisance on real property.**

Whenever the enforcement officer, as that term is defined in Section 1.10.010, determines that there exists on any real property in the city a public nuisance, the enforcement officer may serve upon the property owner and responsible party, as that term is defined in Section 1.10.010, a notice of violation under Section 1.10.030 setting forth the nature of the public nuisance. The notice shall be served in accordance with Section 1.10.040.

(Ord. CS-385 § 2, 2020)

#### **§ 6.16.030. Right to appeal notice of violation.**

The property owner and/or responsible party may appeal the notice of violation of public nuisance within 10 calendar days from the date of service of the notice of violation by filing a written request to appeal as required by Section 1.10.120. The administrative appeal procedures shall follow those set forth in Section 1.10.130.

(Ord. CS-385 § 2, 2020)

#### **§ 6.16.040. Failure to abate nuisance.**

If a public nuisance noticed pursuant to Section 6.16.020 is not appealed within 10 calendar days, and is not abated on or before the date described in the notice of violation, the City Manager or designee shall cause to be issued a separate notice of nuisance abatement hearing, in accordance with Sections 6.16.050 and 6.16.060, for the holding of a public hearing before the City Council to determine whether a public nuisance exists and whether abatement is appropriate.

(Ord. CS-385 § 2, 2020)

#### **§ 6.16.050. Form and notice of nuisance abatement hearing.**

Notice of the time and place of hearing before the City Council shall be titled, "NOTICE OF NUISANCE ABATEMENT HEARING," in letters not less than three-fourths of an inch in height and shall be substantially in the following form, as approved by the City Attorney:

NOTICE OF HEARING TO DETERMINE EXISTENCE OF PUBLIC NUISANCE AND TO ABATE  
IN WHOLE OR PART.

Notice is hereby given that on the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_, at the hour of \_\_\_\_\_, the City Council of Carlsbad will hold a public hearing in the Council Chambers, located at 1200 Carlsbad Village Drive, Carlsbad, California, to ascertain whether certain premises situated in the City of Carlsbad, State of California, more particularly described as:

[provide assessor's parcel number and legal description]

constitute a public nuisance subject to abatement by the rehabilitation of the premises or by the repair or demolition of buildings or structures situated on the premises. If the premises, in whole or part, are found to constitute a public nuisance as defined by Chapter 6.16 of the Carlsbad Municipal Code, and if the premises are not promptly abated by the owner, the nuisances may be abated by municipal authorities and/or their contractors or agents, and the rehabilitation, repair, or demolition will be assessed upon the premises and the cost will constitute a lien or special assessment against the land until paid. The alleged violations consist of the following:

[describe public nuisance violations]

The methods of abatement available are:

[describe methods]

All persons having any objection to, or interest in this matter are hereby notified to attend a meeting of the City Council of the City of Carlsbad to be held on the \_\_\_\_\_ day of \_\_\_\_\_ 20\_\_\_\_\_, at the hour of \_\_\_\_\_ when their testimony and evidence will be heard and given due consideration.

DATED:

City Manager of the City of Carlsbad (or title of designee)

(Ord. CS-385 § 2, 2020)

**§ 6.16.060. Posting and service of notice of nuisance abatement hearing.**

- A. The City Manager or designee shall cause to be served upon the property owner and any mortgagee and/or beneficiary under any recorded deed of trust of the affected premises a copy of a notice of nuisance abatement hearing as set forth in Section 6.16.050, and shall cause a copy to be conspicuously posted on the affected premises.
- B. Notice shall be served as required by Section 1.10.040 at least 15 calendar days before the time fixed for the hearing. If any owner's address is unknown, this shall be stated in the notice and the notice shall be sent to the owner in care of the San Diego County Tax Assessor. Proof of posting and service of the notices shall be made by an affidavit or declaration that shall be filed with the City Clerk certifying the time and manner in which the notice was given, along with any registered or certified mail receipt cards which may have been returned to the city acknowledging receipt of said mail.
- C. Prior to the hearing before the City Council, a second notice shall be issued in the same manner as described above at least five calendar days before the time fixed for such hearing. The service is complete at the time of such deposit.
- D. "Owner," as used in this section, means any person in possession and also any person having or claiming to have any legal or equitable interest in the affected premises, including, but not limited to, a mortgagee and/or beneficiary, as disclosed by a current title search from any accredited title company. The failure of any person to receive the hearing notice does not affect the validity of the proceedings under this chapter.

(Ord. CS-385 § 2, 2020)

**§ 6.16.070. Hearing by City Council.**

At the time stated in the hearing notice, the City Council shall hear and consider all relevant evidence, objections or protests, and shall receive relevant testimony from owners, witnesses, city personnel, and interested persons relative to the alleged public nuisance and to the proposed rehabilitation, repair, or demolition of the premises. The hearing may be continued from time to time.

(Ord. CS-385 § 2, 2020)

**§ 6.16.080. Decision of City Council—Abatement order.**

Upon or after the conclusion of the nuisance abatement hearing, the City Council shall, based upon the hearing, determine whether the premises, or any part of it, as maintained, constitutes a public nuisance as defined in this chapter. If the City Council finds that a public nuisance exists and that there is sufficient cause to rehabilitate, demolish, or repair the premises, the City Council shall adopt a resolution ("abatement order") setting forth its findings and ordering the owner or other person having charge or control of the premises to abate the nuisance by having the premises, buildings, or structures rehabilitated, repaired, or demolished within the period specified in the resolution, which shall not be less than 30 calendar days after the adoption of the resolution, in the manner and by the means specifically set forth in the resolution. The abatement order shall also contain authorization for the city to abate the nuisance pursuant to this chapter if, in the City Council's discretion, it is determined that immediate abatement by the city in whole or in part is warranted. The decision and resolution of the City Council shall be final and conclusive.

(Ord. CS-385 § 2, 2020)

**§ 6.16.090. Limitation of filing judicial action.**

Any owner or other interested person having any objections or feeling aggrieved at any proceeding taken by the City Council in ordering the abatement of any public nuisance under this chapter must bring an action to contest the decision in a court of competent jurisdiction within the time period specified in Section 1.16.020.

(Ord. CS-385 § 2, 2020)

**§ 6.16.100. Service of abatement order.**

- A. Within five calendar days of the adoption of the abatement order, the city shall post a copy of the abatement order conspicuously on the premises, buildings, or structures declared to be a nuisance and serve another copy to the parties as required by Section 1.10.040. The abatement order shall contain a detailed list of needed corrections and abatement methods. Any property owner has the right to have the premises rehabilitated or to have the buildings or structures demolished or repaired in accordance with the abatement order and at the owner's own expense, provided the rehabilitation, demolition, or repair is done prior to the expiration of the abatement period set forth in the abatement order. Upon abatement in full by the owner, the proceedings under this chapter shall terminate.
- B. If a nuisance is not completely abated by the owner within the designated abatement period, then the City Manager or designee is authorized and directed to cause the nuisance to be abated by city agents, employees or by private contract. Upon request of the designated official, other city departments shall cooperate fully and shall render reasonable assistance in abating the nuisance.
- C. Any parties authorized by the City Manager or designee to perform the abatement work may enter upon the subject property only after: (1) receiving written consent of the property owner or his/her

authorized agent; (2) the issuance of a judicially authorized inspection warrant; or (3) a determination by the City Attorney's office that an exception to the inspection warrant requirement applies.  
(Ord. CS-385 § 2, 2020)

**§ 6.16.110. Nuisance abatement violation—Penalty.**

- A. The owner or other person having charge or control of a buildings or premises who violates any abatement order issued under this chapter, or under state law where applicable, is guilty of a misdemeanor.
- B. Any occupant or lessee in possession of a building or structure who fails to vacate the building or structure in accordance with an order issued under this chapter is guilty of a misdemeanor.
- C. Any person who removes any notice or order posted under this chapter is guilty of a misdemeanor.
- D. No person shall obstruct, impede, or interfere with any representative of the City Council or with any representative of a city department or with any person who owns or holds any estate or interest in a building which has been ordered to be vacated, repaired, rehabilitated, or demolished and removed, or with any person to whom the building has been lawfully sold pursuant to the provisions of this code, whenever the representative of the City Council, representative of the city, purchaser, or person having any interest or estate in the building is engaged in vacating, repairing, rehabilitating, or demolishing and removing the building under the provisions of this chapter, or in performing any necessary act preliminary to or incidental to such work as authorized or directed under this chapter.
- E. The provisions of this chapter are also enforceable, and violations are punishable, under Chapter 1.08. Chapter 1.08 allows for the issuance of infraction or misdemeanor citations for violations of certain sections of this code. Criminal prosecution shall not preclude nor be precluded by abatement of the violation or violations.
- F. It is unlawful and a misdemeanor for any person to do any act or thing upon the property of another that is declared to be a public nuisance under any provision of this code, or to do anything or act upon the property of another that results in the declaration of a public nuisance, without the express consent of the owner of the property.

(Ord. CS-385 § 2, 2020)

**§ 6.16.120. Account of cost of abatement to be kept.**

- A. The City Manager or designee shall keep an account of the cost of abatement and of rehabilitating, demolishing, or repairing any premises, buildings, or structures, including any related salvage value and administrative costs. Upon completion of this work, the City Manager or designee shall authorize a written abatement cost report stating these costs.
- B. For purposes of this chapter, "administrative costs" includes, without limitation, the actual expenses and costs of the city in preparing, printing, and mailing notices, specifications and contracts and in inspecting the work, and may include attorneys' fees.

(Ord. CS-385 § 2, 2020; Ord. CS-402, 2021)

**§ 6.16.130. Copies of abatement cost report to be served.**

The City Manager or designee shall cause a copy of the abatement cost report to be served on the property owner and the responsible party per Section 1.10.040.

(Ord. CS-385 § 2, 2020)

**§ 6.16.140. Challenges to abatement cost report.**

The property owner and/or responsible party may dispute the abatement cost report within 10 calendar days from the date of service of the abatement cost report by filing a written dispute with the City Clerk. The property owner and/or responsible party shall set forth the basis of the dispute and submit relevant documentation in support of their dispute.

(Ord. CS-385 § 2, 2020)

**§ 6.16.150. Hearing on abatement cost report—Abatement cost order.**

- A. If a property owner and/or responsible party timely challenges the abatement cost report, the City Council shall set the matter for hearing to determine the correctness or reasonableness, or both, of such costs.
- B. A copy of the abatement cost report and notice of hearing shall be served upon the property owner and/or responsible party challenging the report in accordance with Section 1.10.040, at least five calendar days prior to the date of the City Council hearing.
- C. Proof of service of the abatement cost report and notice of hearing shall be made by affidavit or declaration, under penalty of perjury, filed with the City Clerk at least five calendar days prior to the date of the City Council hearing.
- D. At the time and place fixed for receiving and considering the report, the City Council shall hear and pass upon the report of the costs of abatement, together with any objections, protest, or documentation submitted by the property owner and/or responsible party. By resolution, the City Council shall adopt an abatement cost order that:
  1. Determines the correct cost of abatement and related administrative costs.
  2. If necessary, modifies the abatement cost report to conform to such corrected abatement and administrative costs.
  3. Confirms the abatement cost report as presented or modified.
  4. States the date of the final abatement cost report.
  5. Determines and states the correct legal description of the subject property, the correct county assessor's parcel number, the street address, and the name and address of the recorded owner based on the last equalized assessment roll or the supplemental roll, whichever is more current.

The decision of the City Council shall be final and conclusive.

(Ord. CS-385 § 2, 2020)

**§ 6.16.160. Abatement cost to be lien against property.**

The cost of abatement and related administrative costs, as determined, shall be a:

- A. Personal obligation of the person creating, causing, committing, or maintaining the nuisance abated;
- B. Personal obligation of the property owner of the subject property; and
- C. Special assessment against the subject property or a lien against the subject property.

(Ord. CS-385 § 2, 2020)

**§ 6.16.170. Collection of cost of abatement.**

The cost of abatement and any related administrative costs, as confirmed, may be collected by the city by the following means or any other lawful means:

- A. Nuisance Abatement Lien. The City Manager or designee may authorize recordation of a nuisance abatement lien in the office of the County Recorder, along with an acknowledged copy of the abatement cost report(s), abatement cost order (if applicable), and the abatement order.
  1. Prior to recordation, a notice of lien shall be served on the owner of record, based on the last equalized assessment roll or the supplemental roll, whichever is more current.
  2. The notice shall be served in the same manner as a summons in a civil action in accordance with California Code of Civil Procedure Section 415.10 et seq. If the owner of record after diligent search cannot be found, the notice may be served by posting a copy in a conspicuous place upon the property for a period of 10 calendar days and publishing it in a newspaper of general circulation in San Diego County pursuant to California Government Code Section 6062.
  3. The nuisance abatement lien authorized by this section shall be in a form approved by the City Attorney substantially as follows:

[Name and address of the recorded owner of the parcel]

**NOTICE OF LIEN - CLAIM OF CITY OF CARLSBAD**

Pursuant to the authority vested by the provisions of Chapter 6.16 of the Carlsbad Municipal Code, the City Manager or designee of the City of Carlsbad did on or about the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_, cause the premises hereinafter described to be rehabilitated, or the building or structure on the real property hereinafter described to be repaired or demolished, in order to abate a public nuisance; and the City Manager/City Council of the City of Carlsbad (circle one) did on the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_, assess the cost of such rehabilitation, repair or demolition upon said real property hereinafter described; and the same has not been paid nor any part thereof; and that the City of Carlsbad does hereby claim a lien on such rehabilitation, repair or demolition in the amount of said assessment, to wit: the sum of \$ \_\_\_\_\_, and the same shall be a lien upon said real property until the same has been paid in full and discharged of record. The real property hereinbefore mentioned, and upon which a lien is claimed, is that certain parcel of land lying and being in the City of Carlsbad, County of San Diego,

State of California, and more particularly described as follows: [Assessor Parcel Number and legal description]

DATED:

City Manager of the City of Carlsbad

4. From the date of recording, the nuisance abatement lien shall have the force, effect, and priority of a judgment lien and may be foreclosed by an action brought by the city for a money judgment.
5. The city may recover from the property owner any costs incurred regarding the processing and recording of the lien and providing notice to the property owner as part of its foreclosure action to enforce the lien.
6. In the event that the lien is discharged or released or satisfied, either through payment or foreclosure, notice of the discharge ("release of lien") containing the information contained in subsection (A)(3) of this section shall be recorded in the County Recorder's office. A courtesy

copy shall also be provided to the recorded property owner consistent with the service methods in Section 1.10.040.

B. Special Assessment. As an alternative to the recordation of a nuisance abatement lien, the City Manager or designee may make the cost of abatement of a nuisance a special assessment against that parcel, using the following procedures:

1. The City Manager or designee shall file an acknowledged copy of the abatement cost report(s), abatement cost order (if applicable), and the abatement order with the auditor of the county, who shall enter the assessment on the county tax roll opposite the subject property.
2. Prior to the filing with the auditor of the county in accordance with subsection (B)(1) above, the property owner, if his/her identity can be determined from the county assessor's or County Recorder's records, should be provided a notice of special assessment by certified mail, similar in form to the notice of lien described in subsection (A)(3) of this section. The notice of special assessment shall include as an attachment an acknowledged copy of the abatement cost report, abatement cost order (if applicable), and the abatement order. The notice shall be given at the time of imposing the assessment and shall specify that the property may be sold after three years by the tax collector for unpaid delinquent assessments. The tax collector's power of sale shall not be affected by the failure of the property owner to receive notice.
3. The amount of the assessment may be collected at the time and in the same manner as ordinary municipal taxes are collected, and shall be subject to the same penalties and the same procedure and sale in case of delinquency as provided for ordinary municipal taxes.
4. All laws applicable to the levy, collection and enforcement of municipal taxes shall be applicable to the special assessment. However, if any real property to which the cost of abatement relates has been transferred or conveyed to a bona fide purchaser for value, or if a lien of a bona fide encumbrancer for value has been created and attaches on the real property prior to the date on which the first installment of the taxes would become delinquent, then the cost of abatement shall not result in a lien against the real property but instead shall be transferred to the unsecured roll for collection.
5. If the city imposes an assessment pursuant to this section, it may, subject to the requirements applicable to the sale of property pursuant to California Revenue and Taxation Code Section 3691, conduct a sale of vacant residential developed property for which the payment of that assessment is delinquent.

C. Civil action by the city.

D. In addition to any other costs of abatement under this chapter, upon the entry of a second or subsequent civil or criminal judgment within a two-year period in which the owner of real property is responsible for a condition that may be abated under this chapter, except for conditions under the State Housing Law (see California Health and Safety Code Section 17980), a court may order the property owner to pay triple the costs of the abatement.

(Ord. CS-385 § 2, 2020)

#### **§ 6.16.180. Strict liability offense.**

Violations of this chapter shall be treated as strict liability offenses regardless of intent.

(Ord. CS-385 § 2, 2020)

**§ 6.16.190. No mandatory duty.**

Nothing in this chapter is intended to create a mandatory duty on behalf of the city or its employees under the Government Claims Act (California Government Code Section 900 et seq.) and no cause of action against the city or its employees is created by this chapter that would not arise independently of the provisions of this chapter.

(Ord. CS-385 § 2, 2020)

**§ 6.16.200. Alternative means of enforcement.**

This chapter is not the exclusive regulation of nuisance code violations. It shall supplement and be in addition to other regulatory codes, statutes, and ordinances enacted by the state or any other legal entity or agency having jurisdiction. Nothing in this chapter shall be deemed to prevent the city from authorizing the City Attorney to commence any other available civil or criminal proceedings to abate a public nuisance under applicable provisions of state law as an alternative to proceedings set forth in this chapter.

(Ord. CS-385 § 2, 2020)

**§ 6.16.205. Attorneys' fees.**

In any judicial action, administrative proceeding or special proceeding to abate a nuisance, the prevailing party shall recover the incurred attorneys' fees as follows:

- A. The recovery of attorneys' fees by the prevailing party is limited to those individual actions or proceedings in which the city elects, at the initiation of the action or proceeding, to seek recovery of its own attorneys' fees.
- B. In no action, administrative proceeding, or special proceeding shall an award of attorneys' fees to a prevailing party exceed the amount of reasonable attorneys' fees incurred by the city in the action or proceeding.

(Ord. CS-402 § 3, 2021)

## Article II **Summary Abatement**

### **§ 6.16.210. General.**

A nuisance may be summarily abated without notice, hearing, or a warrant when immediate action is necessary to preserve or protect the public health and safety. Summary abatement actions are not subject to all of the requirements of Article I of this chapter, but instead shall be subject to the following requirements.

(Ord. CS-385 § 2, 2020)

### **§ 6.16.220. Determination of summary abatement.**

- A. The City Manager or designee shall make a determination that a public nuisance exists that poses an immediate risk to the health, safety, or welfare of the public, persons in the city, or the environment.
- B. Whenever possible, the city shall attempt to contact the responsible party and property owner, as defined in Section 1.10.010, to request abatement of the nuisance prior to the city proceeding with summary abatement. If the responsible party and property owner are not available, or are incapable, or unwilling to abate the nuisance, the city may proceed with summary abatement using the minimum level of correction or abatement as necessary to eliminate the immediacy of the hazard.
- C. Notwithstanding the requirement in subsection B, the City Manager or designee may exercise the following powers without prior notice to the responsible party and property owner:
  1. Order the immediate vacation of any tenants and prohibit occupancy until all repairs are completed.
  2. Post the premises as unsafe, substandard, or dangerous.
  3. Board, fence, or secure the building or site.
  4. Raze and grade that portion of the building or site to prevent further collapse and remove any hazard to the general public.
  5. Make any minimal emergency repairs as necessary to eliminate any imminent life safety hazard.
  6. Take any other action as reasonably appropriate under the circumstances of an immediate hazard.
  7. Exercise any of the summary abatement powers listed in this subsection to remove items placed or stored on city property, sidewalks, or public rights-of-way.
  8. Pursue any administrative or judicial remedy to abate any remaining public nuisance.

(Ord. CS-385 § 2, 2020)

### **§ 6.16.230. Summary abatement cost report.**

- A. The City Manager or designee shall maintain the following records and shall prepare a report of summary abatement that contains the following:
  1. A description of the time, duration, type, and extent of the nuisance;
  2. An evaluation of the risks to the health, safety, and welfare of the public and/or the environment

- caused by allowing the nuisance to continue;
3. Steps taken to contact the responsible party and property owner;
  4. All costs associated with the investigation and summary abatement of the nuisance, including the costs of personnel, equipment, facilities, materials, and other external resources.
- B. Within 10 business days after the determination is made by the City Manager or designee to summarily abate the nuisance, a notice of determination and a copy of the report of summary abatement shall be served on the responsible party, the owner of record of the parcel of land where the nuisance originated, and all persons known to have any legal interest in the property. The city may charge the responsible party or the property owner with the full costs of investigation and summary abatement of the nuisance.

(Ord. CS-385 § 2, 2020)

**§ 6.16.240. Summary abatement hearing.**

- A. A hearing to assess abatement costs and affirm whether immediate action was necessary to preserve or protect the health, safety, and/or welfare of the public, persons in the city and/or the environment shall be conducted before the City Council at the request of the responsible party and/or the property owner.
- B. The responsible party and/or the property owner must file a written request for a hearing with the City Clerk within 30 calendar days of receipt of the notice of determination and report of summary abatement.
- C. The hearing shall be scheduled before the City Council within 60 calendar days of receipt of the request for a hearing.
- D. Within 30 calendar days of receipt of the notice of determination and the report of summary abatement, and at least 30 calendar days prior to the scheduled hearing date, the responsible party and/or property owner may file a request with the City Clerk for any and all evidence and objections regarding the need for summary abatement and/or the abatement costs.
- E. The hearing and consideration may be continued from time to time and upon its conclusion, the City Council shall, by resolution:
  1. Determine whether the nuisance posed an immediate risk to the health, safety, or welfare of the public, persons in the city, and/or the environment.
  2. Determine whether the responsible party was unavailable, incapable, and/or unwilling to abate the nuisance.
  3. Determine the correct abatement cost.
  4. If necessary, modify the report of summary abatement to conform to such findings as indicated above.
  5. Confirm the report of summary abatement as presented or modified.
  6. State the date of the summary abatement order.
  7. Determine and state the correct legal description of the subject property, the correct county assessor's parcel number, the street address, and the name and address of the recorded owner

based on the last equalized assessment roll or the supplemental roll, whichever is more current.

F. The decision of the City Council shall be final.  
(Ord. CS-385 § 2, 2020)

**§ 6.16.250. Collection of cost of summary abatement.**

In addition to any other applicable procedures, the cost of summary abatement may be collected in accordance with Section 6.16.170 or become a lien or special assessment against the property in accordance with Section 6.16.160.

(Ord. CS-385 § 2, 2020)

## Article III Property Maintenance

### **§ 6.16.260. Declaration of purpose and statutory authority.**

Every person has the duty to maintain real property under the person's control free from dirt, rocks, weeds, plant growth, waste, or other materials which are either dangerous or injurious to neighboring property or to the health or welfare of residents in the vicinity or which interfere with the use of public rights-of-way.

There continues to be a need for further emphasis on maintaining unobstructed rights-of-way, particularly as to plant growth. Unless corrective measures are taken to alleviate the existing conditions and to avoid future problems in this regard, the public health, safety, and general welfare and the property values and social and economic standards of this community will be depreciated.

The purpose and intent of this article is to establish standards to identify and enforce private property maintenance to ensure plant growth, waste, and other materials do not present a public nuisance by obstructing public streets, sidewalks, or rights-of-way. This article is also intended to provide for procedures to administratively abate public nuisances caused by plant growth, waste, or other materials obstructing public streets, sidewalks, or rights-of-way.

This article is authorized by California Government Code Sections 39501 and 39502.  
(Ord. CS-385 § 2, 2020)

### **§ 6.16.270. Definitions.**

For purposes of this article the following definitions apply:

"Liquid waste" includes oil, other petroleum products, paint, chemicals, and hazardous waste or materials.

"Litter" means small quantities of waste matter carried on or about the person including, but not limited to, beverage containers and closures, packaging wrappers, wastepaper, newspapers, magazines, or the contents of containers, closures, or wrappers.

"Littering" means the act of discarding, dropping, scattering, or disposing of litter in a location or container which is not used for the proper disposal of waste.

"Parking strip" means the portion of property between a public street and private property.

"Plant growth" means any flora, vegetation, or herbage.

"Property" means any real property, or improvements on real property, including that portion of any lot abutting a public street over which the city has an easement for right-of-way or utility service.

"Public property" means any property interest owned by, or otherwise granted to, the City of Carlsbad.

"Rubbish" means non-functional, non-usable, or abandoned material or matter. Rubbish includes ashes, paper, cardboard, tin cans, dirt, cut brush, yard and garden clippings or trimmings, wood, glass, bedding, cloth, clothing, crockery, plastic, rubber by-products, litter, machinery, vehicle parts, junk, and other similar items.

"Solid waste" means rubbish, broken concrete or asphalt, piles of rock, dirt, and other noncombustible materials and earth fill material not otherwise authorized by permit or ordinance for land development.

"Waste" means material of any nature that constitutes rubbish, solid waste, liquid waste, or medical waste. Waste may include abandoned or unidentified personal property that is left unattended on public sidewalks and rights-of-way or other public property. Waste does not include compost piles, composting,

or recyclable material properly contained and disposed of in a timely fashion.  
(Ord. CS-385 § 2, 2020)

#### **§ 6.16.280. Enforcement authority.**

The directors of community development or environmental management, and any other director or equivalent authority, authorized by the City Manager or designee (collectively, "directors") are authorized to administer and enforce the provisions of this article. The directors or their designated enforcement officers may exercise any enforcement powers as provided in Chapter 1.10 of this code.  
(Ord. CS-385 § 2, 2020)

#### **§ 6.16.290. Duty to maintain property.**

- A. It is unlawful for any property owner or responsible party, as defined in Section 1.10.010, to place or maintain dirt, rocks, plant growth, waste, or other materials on or about adjacent sidewalks, parking strips, alleys, streets, or other public property in a manner that is either dangerous or injurious to neighboring property or the health, safety, or welfare of residents in the vicinity; or in a manner that unreasonably interferes with or unreasonably obstructs the use of public rights-of-way. Any violation of this section is a public nuisance and, as such, may be abated or enjoined from further existence or operation within the city, pursuant to the procedures set forth in Article I of this chapter, except as set forth in subsections B and C of this section.
- B. The director may require a property owner or responsible party to erect fences, barriers, berms, or other suitable means to discourage access to the property for littering or illegal dumping. This may include the posting of signs that prohibit littering and illegal dumping.
- C. The director may authorize the collection or abatement of waste from small business enterprises that abut public property under the following circumstances:
  - 1. At the request of the affected property owner, if the director determines that reasonable efforts were made to comply with subsection A or B listed above; or
  - 2. When public health or safety requires such measures.
- D. The director is authorized to assess costs against affected property owners for the abatement services performed by the city or its agents pursuant to Article I of this chapter. The director's cost assessment report may be challenged pursuant to the procedures in Article I of this chapter.

(Ord. CS-385 § 2, 2020)

#### **§ 6.16.300. Violations.**

Violations of this article may be chargeable as an infraction. The directors may also seek injunctive relief or civil penalties in the Superior Court, or pursue any administrative penalties under Chapter 1.10 of this code.

(Ord. CS-385 § 2, 2020)

#### **§ 6.16.310. Administrative abatement procedure.**

Any abatement action allowed by this article shall follow the procedures set forth in Article I of this chapter, except as provided in Section 6.16.290(B) and (C).

(Ord. CS-385 § 2, 2020)

**§ 6.16.320. Abatement lien.**

The cost of removal and abatement of a property maintenance public nuisance may be assessed against the abutting or adjacent property owner and may become a lien as authorized in California Government Code Section 39502. Designated enforcement officers shall follow the procedures in Article I of this chapter for assessment, execution, and collection of the lien. Enforcement of the lien may include sale of the property. (Ord. CS-385 § 2, 2020)

**§ 6.16.330. Severability.**

If any section, subsection, sentence, clause, or phrase of this chapter is for any reason held to be invalid or unconstitutional by a court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of this chapter. The City Council declares that it would have adopted this chapter, and each and every section, subsection, sentence, clause, and phrase of the chapter not declared invalid or unconstitutional, without regard to whether any portion of the chapter would be subsequently declared invalid or unconstitutional.

(Ord. CS-385 § 2, 2020)

**CHAPTER 6.17  
URINATING OR DEFECATING IN PUBLIC**

**§ 6.17.010. Urinating or defecating in public.**

No person shall urinate or defecate in or on any street, sidewalk, alley, plaza, park, bench, public building or public maintained facility, or in any place open to the public or exposed to public view. This section shall not apply to urination or defecation which is done in any restroom or other facility designed for the sanitary disposal of human waste. Any person who violates this section is guilty of a misdemeanor.  
(Ord. NS-236 § 1, 1993)

**CHAPTER 6.18  
ELECTRONIC CIGARETTES**

**§ 6.18.010. Electronic cigarettes—Prohibited wherever smoking is prohibited.**

In any location where the smoking of pipes, cigars or cigarettes is prohibited by any federal, state or local law, it shall also be unlawful for any person to use an electronic cigarette as defined in California Health and Safety Code Section 119405 ("e-cigarette") or a similar device intended to emulate smoking, which permits a person to inhale vapors or mists that may or may not include nicotine. The provisions of this chapter do not apply in any circumstance where federal or state law regulates smoking or the use of e-cigarettes, if the federal or state law is more restrictive.

(Ord. CS-237 § 2, 2013)

## CHAPTER 6.20 PHASED-IN SINGLE-USE PLASTIC FOODWARE BAN

### **§ 6.20.010. Intent and purpose.**

It is the intent and purpose of this chapter to phase in a ban for the use of single-use plastic foodware provided in the city:

- A. Protect wildlife and the environment by reducing harmful litter and marine debris;
- B. Divert waste from landfills and reduce contamination of the city's recyclable materials and organic materials collection programs;
- C. Conserve resources and reduce greenhouse gas emissions;
- D. Improve the cleanliness of city public areas and beaches to increase quality of life for residents, businesses, and visitors; and,
- E. Align with the goals set forth in other city policies, including the current City Council-adopted versions of the city's Sustainable Materials Management Plan and Climate Action Plan.

(Ord. CS-420 § 2, 2022)

### **§ 6.20.020. Definitions.**

For purposes of this chapter the following words and phrases shall have the meanings respectively ascribed to them by this section, unless it is obvious from the context that another meaning is intended:

"AB 1276" means the 2021 bill amending California Public Resources Code Sections 42270 and 42271 and adding California Public Resources Code Sections 42272 and 42273, relating to solid waste and the provision of certain single-use foodware accessories.

"City" or "City of Carlsbad" means the entity that governs the incorporated territory of the City of Carlsbad, California.

"City-affiliated event" means any event or activity that is sponsored or co-sponsored by the city, is paid for, in part or full, using city funds, occurs on city-owned property, or requires a special event permit pursuant to Chapter 8.17 of this code or other authorization from the city.

"City facilities" means any building, structure, facility, park, or vehicle owned, leased, or operated by the city, its agents, agencies, departments, and authorized designees. For purposes of this chapter, "city facility" does not include city-owned buildings, structures, property, parks, public spaces, or vehicles operated by an entity other than the city pursuant to a lease or other contractual arrangement.

"City funds" means all monies or other assets received and managed by, or which are otherwise under the control of the city, and any notes, bonds, securities, certificates of indebtedness or other fiscal obligations issued by the city. For purposes of this chapter, "city funds" do not include funds received and managed by, or which are under the control of, any business improvement district.

"Compostable" means materials that meet all of the following conditions:

1. Are accepted for collection in the city's organic materials collection program, as determined by the City Manager or designee;
2. Meet the "ASTM standard specification" for compostability, as defined in California Public Resources Code Section 42356, or a subsequent standard if revised by the state in accordance

with Public Resources Code Section 42356.1;

3. Comply with the labeling requirements of California Public Resources Code Section 42357; and
4. Comply with the regulated perfluoroalkyl and polyfluoroalkyl substances standards set forth in California Health and Safety Code Section 109000, as applicable to the types of "food packaging" defined under that section.

"Consumer" has the same meaning as in California Health and Safety Code Section 113757.

"Enforcement agency" means the City of Carlsbad or its authorized agents charged with ensuring compliance with this chapter.

"Enforcement official" means the City Manager of the City of Carlsbad or designee.

"Food service provider" means any person or establishment that provides or sells prepared food or beverages on or off its premises within the city, including:

1. A restaurant, café, coffee shop, fast-food restaurant, drive-through service, grocery store, supermarket, convenience store, delicatessen, cafeteria, farmers' market vendor, or similar facility where prepared food is available for consumption on or off the premises;
2. Any mobile food facility, mobile food vendor, catering operation, food truck, or temporary food facility that provides prepared food;
3. Transient lodging facilities, including hotels, motels, and bed and breakfasts that provide prepared food, regardless of whether the prepared food is complementary or available for purchase by the consumer; and
4. Entities specified in California Health and Safety Code Sections 113789(a) and 113789(b).

For the purposes of this chapter, the definition of food service provider does not include the entities specified under Section 6.20.070.

"Foodware" means items used for containing, serving, or consuming prepared food, including containers, cups, bowls, plates, trays, cartons, boxes, and foodware accessories. Foodware does not include polystyrene egg cartons, meat trays, coolers, ice chests, or packing materials.

"Foodware accessory" means foodware items, including utensils (e.g., forks, knives, spoons, and sporks), straws, stirrers, condiment cups and packets, cup lids, cup sleeves, cocktail sticks, toothpicks, splash sticks, spill plugs, and other similar accessory items used as part of or alongside prepared food.

"Person" means any person, business, corporation, or event organizer or promoter; public, nonprofit, or private entity, agency, or institution; or, partnership, association, or other organization or group, however organized.

"Polystyrene" means a thermoplastic petrochemical material utilizing the styrene monomer, including, but not limited to, polystyrene foam or expanded polystyrene processed by any number of techniques, including, but not limited to, fusion of polymer spheres (expandable bead polystyrene), injection molding, foam molding, extrusion-blown molding (extruded foam polystyrene), and clear or solid polystyrene (oriented polystyrene).

"Prepared food" means food or beverages that are prepared and served or provided by the food service provider using any cooking or food or beverage preparation technique and that are ready to consume, either on or off the food service provider's premises, without further food or beverage preparation or repackaging. Prepared food includes "beverages" and "ready to eat food" as defined in California Health and Safety Code Sections 113739 and 113881, respectively. Prepared food does not include raw or uncooked whole

fruits or vegetables that are not prepared through chopping, squeezing, blending, mixing, or otherwise altered through food preparation; or, uncooked meat, poultry, fish, or eggs that are not intentionally provided for further consumption without food preparation.

"Regulated entities" means food service providers, city facilities, city-affiliated events, or other persons regulated by this chapter.

"Reusable" means items manufactured out of durable materials to be used repeatedly over an extended period of time and are able to be washed and sanitized in accordance with applicable laws and regulations.

"Single-use" means items designed for one-time or limited use prior to being discarded, and not designed for repeated use and sanitizing.

"Standard condiment" means relishes, spices, sauces, confections, or seasonings that require no additional preparation and that are usually used on a food item after preparation, including ketchup, mustard, mayonnaise, soy sauce, hot sauce, salsa, salt, pepper, sugar, and sugar substitutes.

"Third-party food delivery platform" has the same meaning as in California Health and Safety Code Section 113930.5.

(Ord. CS-420 § 2, 2022)

#### **§ 6.20.030. Prohibition on polystyrene and single-use plastic foodware.**

- A. Food service providers shall not provide prepared food in foodware made of polystyrene and shall only use foodware that is reusable or compostable.
- B. Food service providers shall comply with the requirements of this chapter for both on-premises and off-premises consumption of prepared food; and, for any method of ordering, including in-person, telephone, drive-through, self-serve, web or other digital order, or through a third-party food delivery platform.
- C. Notwithstanding subsection A of this section, the following foodware types are permissible:
  1. A food service provider may use non-compostable foil wrappers if those wrappers are necessary to contain and form the prepared food (e.g., for burritos or wraps), provided that such wrappers are accepted in the city's recyclable materials collection program; and,
  2. A food service provider may maintain a small supply of single-use plastic straws to provide to consumers with a disability or other medical or health conditions, in accordance with Section 6.20.070. Such straws shall be provided only upon request, in accordance with Section 6.20.050.

(Ord. CS-420 § 2, 2022)

#### **§ 6.20.040. City facilities and city-affiliated events.**

- A. The procurement, use, or distribution of foodware that is made of polystyrene or foodware that is not reusable or compostable shall be prohibited at all city facilities, and city-affiliated events. Foodware accessories shall be distributed in accordance with Section 6.20.050.
- B. The city, its departments, agents, employees, or designees acting in their official capacity as representatives of the city, shall not purchase or otherwise procure foodware that is made of polystyrene or that is not compostable or reusable. City funds utilized in any manner, including purchase orders, purchasing cards, and grant money, shall not be used to purchase foodware that does not comply with the requirements of this chapter.

- C. All special event permit applications required by Chapter 8.17 of this code, city facility rental agreements, leases, vendor contracts, or other such approvals for applicable activities or services on city property shall include a provision requiring the applicant to assume responsibility for complying with the requirements of this chapter.

(Ord. CS-420 § 2, 2022)

**§ 6.20.050. Foodware accessories requirements.**

- A. Regulated entities shall distribute foodware accessories in accordance with this chapter and AB 1276. To the extent that this chapter is more stringent, this chapter shall govern, as permitted under California Public Resources Code Section 42271(h).
- B. Except as provided in subsections E through H below, regulated entities shall not provide any single-use foodware accessory or standard condiments packaged for single use to a consumer unless the foodware accessory or standard condiment is requested by the consumer.
- C. Regulated entities shall comply with the requirements of this section for both on-premises and off-premises consumption of prepared food; and, for any method of ordering, including in-person, telephone, drive-through, self-serve, web or other digital order, or through a third-party food delivery platform.
- D. Single-use foodware accessories and standard condiments packaged for single use provided by regulated entities for use by consumers shall not be bundled or packaged in a manner that prohibits a consumer from taking only the type of single-use foodware accessory or standard condiment desired without also having to take a different type of single-use foodware accessory or standard condiment.
- E. A food service provider may ask a drive-through consumer if the consumer wants a single-use foodware accessory, rather than the consumer initiating the request, if the single-use foodware accessory is necessary for the consumer to consume prepared food, or to safely transport or prevent spills of prepared food.
- F. A food service provider that is located entirely within a public use airport, as defined in Section 77.3 of Title 14 of the Code of Federal Regulations, may ask a walk-through consumer if the consumer wants a single-use foodware accessory, rather than the consumer initiating the request, if the single-use foodware accessory is necessary for the consumer to consume prepared food, or to safely transport or prevent spills of prepared food.
- G. A food service provider may provide lids or cup sleeves for beverages that are provided via drive-through or delivery by the food service provider or a third-party food delivery platform without consumer request, if specifically necessary for the consumer to safely consume such beverages, or for prevention of spills and the safe transport of beverages.
- H. A third-party food delivery platform shall provide consumers with the option to request single-use foodware accessories or standard condiments from a food service provider serving prepared food. The third-party food delivery platform shall provide the food service provider with the option to customize its menu on the platform and provide technical assistance to the food service provider as needed in order to make such changes.
- I. If a food service provider uses any third-party food delivery platform for prepared food, the food service provider shall customize its menu with a list of available single-use foodware accessories and standard condiments, and only those single-use foodware accessories or standard condiments selected by the consumer shall be provided by the food service provider. If a consumer does not select any

single-use foodware accessories or standard condiments, no single-use foodware accessory or standard condiment shall be provided by the food service provider for delivery of prepared food, except as provided for in subsection G above.

- J. Nothing in this section shall prohibit a regulated entity from making unwrapped single-use foodware accessories available to a consumer using refillable self-service dispensers that dispense one item at a time to allow for single-use foodware accessories to be obtained.
  - K. Nothing in this section shall prohibit a regulated entity from making standard condiments available to a consumer using refillable self-service dispensers to allow for standard condiments to be obtained.
- (Ord. CS-420 § 2, 2022)

#### **§ 6.20.060. Other provisions to reduce use of single-use plastics.**

- A. Regulated entities are encouraged, but not required, to take actions in addition to the requirements of this chapter that support a goal of reducing the use of and waste generated by single-use foodware.
- B. Regulated entities are strongly encouraged, but shall not be required, to provide refillable or reusable foodware rather than disposable foodware for consumers, to the greatest extent practicable.
- C. A regulated entity that offers standard condiments is encouraged to use bulk dispensers for the condiments rather than condiments packaged for single use.
- D. Food service providers, at their discretion, may include a charge for foodware provided to consumers or provide other incentives to encourage use of reusable foodware.
- E. Within 30 days of the effective date of this chapter, food service providers shall post educational materials regarding the requirements of this chapter, if such materials are provided by the city. The educational materials shall be posted on or near the food service provider's menu, point-of-sale counter, or other location that is clearly visible to the consumer prior to ordering.

(Ord. CS-420 § 2, 2022)

#### **§ 6.20.070. Exemptions.**

The following exemptions and waiver provisions shall apply:

- A. Entities excluded from the requirements of this chapter include correctional institutions, health care facilities, residential care facilities, and public and private school cafeterias, as defined in California Public Resources Code Section 42273.
- B. The City Manager may temporarily exempt regulated entities from some or all of the provisions of this chapter during an "emergency," as defined in Section 6.04.020, for the immediate preservation of public peace, health, or safety consistent with the provisions of Chapter 6.04.
- C. The City Manager or designee may exempt certain item(s) from the provisions of this chapter, if the City Manager or designee determines that no reasonably feasible alternative is available for one or more types of foodware regulated under this chapter, until the City Manager or designee determines that a feasible alternative is available.
- D. Nothing in this chapter shall restrict, or be construed to constrict, the availability and provision of single-use plastic straws requested by a consumer with a disability or other medical or health condition or circumstance. It shall not be a violation of this chapter for a regulated entity to provide a single-use plastic straw to such individuals that specifically request plastic straws in accordance with

this subsection.

- E. The City Manager or designee may adopt rules, regulations, or forms for regulated entities to obtain full or partial temporary waivers for up to six months from one or more requirements of this chapter. The subject of such waivers may include feasibility-based exemptions. The City Manager or designee may also adopt an administrative fee for waiver applications, as well as a process for waiving administrative fees for certain applicants.

(Ord. CS-420 § 2, 2022)

#### **§ 6.20.080. Enforcement.**

- A. The enforcement agency and enforcement official may exercise any code enforcement powers and procedures as provided in Title 1 of this code. The enforcement agency and enforcement official shall enforce the requirements set forth in Section 6.20.050 commencing June 1, 2022; and, shall enforce the requirements of all other requirements of this chapter, unless otherwise provided in subsequent sections, commencing July 1, 2023.
- B. Each regulated entity shall maintain records demonstrating compliance with the requirements of this chapter and make such records available for inspection upon request of the City Manager or designee.
- C. The first and second violations of this chapter shall result in a notice of violation, and any subsequent violation shall constitute an infraction punishable by a fine of \$25.00 for each day in violation, but not to exceed \$300.00 annually.
- D. The City Manager or designee is authorized to establish rules and regulations and to take any and all actions necessary for the administration and enforcement of this chapter. Such actions may include inspecting the premises of the regulated entity to verify compliance with this chapter.
- E. All regulated entities required to have a business license under Chapter 5.04 of this code shall certify in writing their compliance with the provisions of this chapter as part of their annual business license renewal application.
- F. The City Attorney is authorized to pursue all available administrative, civil, and criminal remedies set forth in this code to enforce this chapter. The City Attorney may seek legal, injunctive, or other equitable relief to enforce this chapter.
- G. The remedies and penalties provided in this section may be cumulative and are not exclusive.

(Ord. CS-420 § 2, 2022)

#### **§ 6.20.090. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of this chapter or the application of the chapter to persons or circumstances not similarly situated.

(Ord. CS-420 § 2, 2022)

## CHAPTER 6.22 PLASTIC BOTTLED BEVERAGE REDUCTION

### **§ 6.22.010. Intent and purpose.**

It is the intent and purpose of this chapter to reduce the use of single-use beverage bottles to:

- A. Protect wildlife by reducing harmful litter and marine debris;
- B. Conserve natural resources and reduce greenhouse gas emissions;
- C. Encourage the use of reusable items and divert waste from landfills;
- D. Improve the cleanliness of city public areas and beaches to increase quality of life for residents, businesses, and visitors; and,
- E. Align with the goals set forth in other city policies, including the current City Council-adopted versions of the city's Sustainable Materials Management Implementation Plan and the city's Climate Action Plan.

(Ord. CS-423 § 2, 2022)

### **§ 6.22.020. Definitions.**

For purposes of this chapter the following words and phrases shall have the meanings respectively ascribed to them by this section, unless it is obvious from the context that another meaning is intended:

"City" or "City of Carlsbad" means the entity that governs the incorporated territory of the City of Carlsbad, California.

"City-affiliated event" means any event or activity that is sponsored or co-sponsored by the city, is paid for, in part or full, using city funds, occurs on city-owned property, or requires a special event permit pursuant to Chapter 8.17 of this code or other authorization from the city.

"City facility" means any building, structure, property, park, public space, or vehicle, owned, leased or operated by the city, its agents, departments, or designees. For purposes of this chapter, "city facility" does not include city-owned buildings, structures, property, parks, public spaces, or vehicles operated by an entity other than the city pursuant to a lease or other contractual arrangement.

"City funds" means all monies or other assets received and managed by, or which are otherwise under the control of the city, and any notes, bonds, securities, certificates of indebtedness or other fiscal obligations issued by the city. For purposes of this chapter, "city funds" do not include funds received and managed by, or which are under the control of, any business improvement district.

"Distribute" means to sell, offer for sale, give, or otherwise provide or offer to provide an item, either as a separate transaction, as part of a transaction for another item, or as a complementary service.

"Enforcement agency" means the City of Carlsbad or its authorized agents charged with ensuring compliance with this chapter.

"Enforcement official" means the City Manager of the City of Carlsbad or designee.

"Person" means any person, firm, association, business, organization, partnership, business trust, joint venture, corporation, company, or other public, private, or non-profit entity, and includes the City of Carlsbad and its officers or agents.

"Plastic bottled beverage" means drinking water, sparkling water, enhanced water, soda, sport drinks, juice,

or other similar product in a rigid plastic bottle having a capacity of one liter or less and intended primarily as a single-service container.

"Rigid plastic bottle" means any formed or molded container comprised predominantly of plastic resin, having a relatively inflexible fixed shape or form, having a neck that is smaller than the container body, and intended primarily as a single-service container.

(Ord. CS-423 § 2, 2022)

#### **§ 6.22.030. City-affiliated events.**

- A. No person shall distribute plastic bottled beverages at city-affiliated events, regardless of whether the event is private or public.
- B. All special event permit applications required by Chapter 8.17 of this code, leases, facility permits, or other such approval granted by city departments for city-affiliated events shall specifically require that the permittee comply with the requirements of this chapter.

(Ord. CS-423 § 2, 2022)

#### **§ 6.22.040. City facilities and funds.**

- A. No person shall distribute plastic bottled beverages at city facilities, including use of city facilities through a rental, lease, or other agreement.
- B. City funds utilized in any manner, including purchase orders, purchasing cards, grant money, reimbursements, or other expenditures shall not be used to purchase plastic bottled beverages, except as otherwise permitted under this chapter.

(Ord. CS-423 § 2, 2022)

#### **§ 6.22.050. Alternative containers.**

Containers used in lieu of rigid plastic bottles to serve beverages, such as cups for use at beverage refill stations, shall comply with the single-use foodware requirements set forth in Chapter 6.20 of this code and any other provisions of this code or other applicable law.

(Ord. CS-423 § 2, 2022)

#### **§ 6.22.060. Exemptions.**

- A. The provisions of this chapter shall not apply in the following circumstances:
  1. In cases of emergency or other situations where the City Manager or designee finds that relying on plastic bottled beverages is necessary to protect the public health, safety and welfare, and no reasonable alternative will serve the same purpose. An example of such emergency includes lack of available potable water due to a natural disaster.
  2. Where specific hydration requirements exist for employees working outside and no reasonable alternative to plastic bottled beverages will serve the same purpose.
- B. The City Manager or designee may adopt rules, regulations, or forms for regulated entities to obtain full or partial waivers for up to six months from one or more requirements of this chapter. The subject of such waivers may include feasibility-based exemptions. The City Manager or designee may also adopt an administrative fee for waiver applications, as well as a process for waiving administrative fees for certain applicants.

(Ord. CS-423 § 2, 2022)

**§ 6.22.070. Enforcement.**

- A. The enforcement agency and enforcement official may exercise any code enforcement powers and procedures as provided in Title 1 of this code.
- B. Violation of any provision of this chapter shall constitute an infraction, punishable pursuant to Chapter 1.08 of this code.
- C. Violation of any provision of this chapter may constitute grounds for retention of all, or a portion of, any deposit paid to the city relating to city-affiliated events or other approved use of city facilities where the violation occurred, such as facility rental deposits.
- D. A person that violates any provision of this chapter in connection with a special event on three or more instances within a one-year period shall be prohibited from obtaining a special event permit under Chapter 8.17 of this code for a period of one year.
- E. Each violation of this chapter shall constitute a separate violation.
- F. Nothing in this chapter shall prevent the city's enforcement official from obtaining compliance by way of warning, administrative remedies contained in Chapter 1.10 of this code, educational means, or any other civil or administrative remedies available under this code or other applicable law. Such remedies and penalties shall be cumulative and not exclusive.

(Ord. CS-423 § 2, 2022)

**§ 6.22.080. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of this chapter or the application of the chapter to persons or circumstances not similarly situated.

(Ord. CS-423 § 2, 2022)

## CHAPTER 6.24 PLASTIC BAG BAN

### **§ 6.24.010. Intent and purpose.**

It is the intent and purpose of this chapter to reduce the use of single-use plastic bags in the city, in order to:

- A. Protect wildlife by reducing harmful litter and marine debris;
- B. Conserve natural resources and reduce greenhouse gas emissions;
- C. Encourage the use of reusable bags and divert waste from landfills;
- D. Improve the cleanliness of city public areas and beaches to increase quality of life for residents, businesses, and visitors; and,
- E. Align with the goals set forth in other city policies, including the current City Council-adopted versions of the city's Sustainable Materials Management Implementation Plan and Climate Action Plan.

(Ord. CS-424 § 2, 2022)

### **§ 6.24.020. Definitions.**

For the purposes of this chapter, the following words and phrases shall have the meanings respectively ascribed to them by this section, unless it is obvious from the context that another meaning is intended:

"Carryout bag" means a bag provided at the check stand, cash register, point of sale, or other location for the purpose of transporting food or merchandise out of a retail establishment or food service provider's premises. For the purposes of this chapter, carryout bags do not include produce bags or product bags.

"City" or "City of Carlsbad" means the entity that governs the incorporated territory of the City of Carlsbad, California.

"Compostable" means materials that meet the following conditions:

1. Are accepted for collection in the city's organic materials collection program, as determined by the City Manager or designee;
2. Meet the "ASTM standard specification" for compostability, as defined in California Public Resources Code Section 42356, or a subsequent standard if revised by the state in accordance with California Public Resources Code Section 42356.1; and
3. Comply with the labeling requirements of California Public Resources Code Section 42357.

"Distribute" means to sell, offer for sale, give, or otherwise provide or offer to provide an item, either as a separate transaction, as part of a transaction for another item, or as a complementary service.

"Enforcement agency" means the City of Carlsbad or its authorized agents charged with ensuring compliance with this chapter.

"Enforcement official" means the City Manager of the City of Carlsbad or designee.

"Food service provider" shall have the same meaning as in Chapter 6.20 of this code.

"Person" means any person, firm, association, business, organization, partnership, business trust, joint venture, corporation, company, or other public, private, or non-profit entity, and includes the City of

Carlsbad and its officers or agents.

"Prepared food" shall have the same meaning as in Chapter 6.20 of this code.

"Produce bag" means any bag without handles provided to a customer to carry produce, bulk food, or other food items to the point of sale inside a store and protects food or merchandise from being damaged or contaminated by other food or merchandise when items are placed together in a carryout bag.

"Product bag" means:

1. A bag to hold prescription medication dispensed from a pharmacy;
2. A bag provided to a customer to protect merchandise from being damaged or contaminated by other merchandise when items are placed together in a carryout bag; or
3. A bag without handles that is designed to be placed over articles of clothing on a hanger, newspaper bags, door-hanger bags, or bags sold in packages containing multiple bags intended for use as solid waste container liners or pet waste bags.

"Recyclable paper bag" means a carryout bag that meets all of the following requirements:

1. Does not contain a plastic lining;
2. Is accepted for recycling in the city's curbside recyclable materials program;
3. Is capable of composting, consistent with the timeline and specifications of the American Society of Testing and Materials (ASTM) Standard D6400;
4. Has printed on the bag the name of the manufacturer, the country where the bag was manufactured, and the minimum percentage of postconsumer content; and
5. Displays the word "recyclable" on the outside of the bag, to the extent permitted under applicable law regarding recyclability claims.

"Retail establishment" means any establishment that sells or provides merchandise, goods, or materials primarily intended for consumer or household use, including food, clothing, household items, personal items, supplies, electronics, or other items directly to a consumer. Retail establishments include, grocery stores, department stores, clothing stores, hardware stores, supply stores, pharmacies, liquor stores, convenience stores, outdoor farmers' markets, and any other retail store or vendor. Retail establishment does not include food service providers.

"Reusable carryout bag" means a bag that is specifically designed and manufactured for multiple uses and meets the reusable bag requirements set forth in California Public Resources Code Section 42281.

"Reusable produce bag" means a produce bag that is specifically designed and manufactured for multiple uses, is machine washable or is made from a material that can be cleaned or disinfected, and is not made from plastic film.

(Ord. CS-424 § 2, 2022)

#### **§ 6.24.030. Carryout bag requirements.**

- A. A retail establishment or food service provider in the city shall not provide a carryout bag to a customer at the point of sale, except as provided for in this chapter.
- B. Retail establishments may distribute only reusable carryout bags or recyclable paper carryout bags for the purpose of carrying away goods, merchandise, or other items from the point of sale, in

accordance with this chapter. Food service providers located within retail establishments shall comply with the requirements of subsection C below.

- C. Food service providers may distribute only reusable carryout bags or recyclable paper bags for the purpose of carrying away prepared food or other goods from the point of sale, in accordance with this chapter. Food service providers shall comply with the requirements of this chapter for both on-premises and off-premises consumption of prepared food; and, for any method of ordering, including: in-person, telephone, drive-through, self-serve, digital order, or through a third-party food delivery platform. Food service providers may use product bags or produce bags for takeout or delivery orders to hold containers of prepared food items that are liquids susceptible to spilling, such as soups, if specifically needed to prevent spilling during transport.
- D. Nothing in this chapter prohibits customers from using bags of any type that they bring to a retail establishment or food service provider themselves or from opting to not use a carryout bag for their items.

(Ord. CS-424 § 2, 2022)

#### **§ 6.24.040. Carryout bag charge.**

- A. A retail establishment or food service provider that provides recyclable paper bags or reusable carryout bags at the point of sale shall charge the customer no less than 10 cents for each bag provided.
- B. The retail establishment or food service provider shall inform the customer of the 10-cent charge prior to completing the transaction and shall separately itemize such charge on the sales receipt.
- C. A retail establishment or food service provider shall not require a customer to use, purchase, or accept a carryout bag as a condition of sale of any product.
- D. All moneys collected pursuant to this section shall be retained by the food service provider or retail establishment and shall be used only for the following purposes:
  - 1. Costs associated with complying with the requirements of this chapter.
  - 2. Actual costs of providing recyclable paper bags or reusable carryout bags.
  - 3. Costs associated with educational materials or educational campaigns encouraging the use of reusable carryout bags.

(Ord. CS-424 § 2, 2022)

#### **§ 6.24.050. Produce bags.**

- A. Retail establishments that provide produce bags including grocery stores, markets, and farmers' markets, shall provide only compostable produce bags, recyclable paper bags, or reusable produce bags to carry produce, bulk food, or other food items to point of sale within the store, market, or outdoor market area.
- B. Nothing in this chapter prohibits customers from using produce bags of any type that they bring to the retail establishment themselves or from opting to not use a produce bag for their items.
- C. The requirements of this section shall not apply to product bags.

(Ord. CS-424 § 2, 2022)

**§ 6.24.060. Other requirements.**

- A. Retail establishments and food service providers shall post educational material regarding the requirements of this chapter if such educational materials have been provided by the city. The education materials shall be posted on or near the point-of-sale counter, menu, check-stand, or other location that is clearly visible to the customer prior to purchasing goods from a retail establishment or food service provider.
- B. Regulated entities are encouraged, but not required, to take actions in addition to the requirements of this chapter that support the goal of reducing the use of and waste generated by single-use carryout bags.

(Ord. CS-424 § 2, 2022)

**§ 6.24.070. Exemptions.**

- A. The provisions of this chapter shall not apply to carryout bags provided by nonprofit charitable reuse organizations.
- B. A retail establishment or food service provider that makes reusable carryout bags or recyclable paper bags available for purchase at the point of sale in accordance with Section 6.24.040 shall provide a reusable carryout bag or a recyclable paper bag at no cost to a customer using either:
  - 1. A payment card or voucher issued by the California Special Supplemental Food Program for Women, Infants, and Children pursuant to Article 2 (commencing with Section 123275) of Chapter 1 of Part 2 of Division 106 of the California Health and Safety Code; or
  - 2. An electronic benefit transfer (EBT) card issued pursuant to Section 10072 of the California Welfare and Institutions Code.
- C. A retail establishment or food service provider may provide a reusable carryout bag at no charge if it is distributed as part of an infrequent and limited time promotion. An infrequent and limited time promotion shall not exceed a total of 90 days in any consecutive 12-month period.
- D. The provisions of this chapter shall apply to stores subject to the existing single-use carryout bag requirements of California Public Resources Code Division 30, Part 3, Chapter 5.3 only to the extent permitted by applicable law, as further described in Section 6.24.090.
- E. The City Manager may temporarily exempt regulated entities from some or all of the provisions of this chapter during a situation deemed to be an emergency for the immediate preservation of public peace, health, or safety, as determined by the City Manager.
- F. The City Manager or designee may exempt certain item(s) from the provisions of this chapter, if the City Manager or designee determines that no reasonably feasible alternative is available for one or more types of bags regulated under this chapter, until the City Manager or designee determines that a feasible alternative is available.
- G. The City Manager or designee may adopt rules, regulations, or forms for entities to obtain full or partial temporary waivers for up to six months from the requirements of this chapter. The subjects of such waivers may include feasibility-based exemptions. The City Manager or designee may also adopt an administrative fee for waiver applications, as well as a process for waiving administrative fees for certain applicants.

(Ord. CS-424 § 2, 2022)

**§ 6.24.080. Enforcement.**

- A. The enforcement agency and enforcement official may exercise any code enforcement powers and procedures as provided in Title 1 of this code.
- B. The enforcement agency and enforcement official shall enforce the provisions of this chapter commencing on July 1, 2023, for retail establishments, and on July 1, 2024, for food service providers.
- C. The City Manager or designee is authorized to establish rules and regulations and to take any and all actions necessary for the administration and enforcement of this chapter. Such actions may include inspecting the premises of the retail establishment or food service provider to verify compliance with this chapter.
- D. Retail establishment and food service providers subject to this chapter shall maintain records demonstrating compliance with this chapter, and make such records available for inspection upon request of the City Manager or designee.
- E. Violation of any provision of this chapter shall constitute grounds for enforcement through issuance of administrative citations, in conformance with Chapter 1.10 of this code.
- F. All regulated entities required to have a business license under this code shall certify in writing its compliance with the provisions of this chapter as part of its annual business license renewal application.
- G. Each violation of this chapter shall constitute a separate violation.
- H. Nothing in this chapter shall prevent the enforcement official from obtaining compliance by way of warning, administrative remedies contained in Chapter 1.10 of this code, educational means, or any other civil or administrative remedies available under this code or other applicable law. Such remedies and penalties shall be cumulative and not exclusive.

(Ord. CS-424 § 2, 2022)

**§ 6.24.090. No conflict with state law.**

This chapter is intended to work in conjunction with state law related to single-use carryout bags, and entities regulated and defined as a "store" under California Public Resources Code Section 42280 shall continue to comply with the requirements of California Public Resources Code Division 30, Part 3, Chapter 5.3. Stores subject to the requirements of California Public Resources Code Division 30, Part 3, Chapter 5.3 shall comply with the requirements of this chapter, to the extent that such requirements are not preempted by California Public Resources Code Section 42287.

(Ord. CS-424 § 2, 2022)

**§ 6.24.100. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of this chapter or the application of the chapter to persons or circumstances not similarly situated.

(Ord. CS-424 § 2, 2022)

## CHAPTER 6.26 INTENTIONAL RELEASE OF BALLOONS PROHIBITION

### **§ 6.26.010. Intent and purpose.**

It is the intent and purpose of this chapter to prohibit the intentional release of balloons in the city to:

- A. Protect wildlife and the environment by reducing harmful litter and marine debris;
- B. Improve the cleanliness of city public areas and beaches to increase quality of life for residents, businesses, and visitors; and
- C. Align with the goals set forth in other city policies, including the city's Sustainable Materials Management Implementation Plan, as most recently adopted by the City Council.

(Ord. CS-425 § 2, 2022)

### **§ 6.26.020. Definitions.**

For purposes of this chapter the following words and phrases shall have the meanings respectively ascribed to them by this section, unless it is obvious from the context that another meaning is intended:

"Balloon" means a nonporous and flexible bag or sack made from materials, including, but not limited to, rubber, latex, polychloroprene, nylon fabric, or Mylar, designed to be inflated or filled with air, gas, or fluid. Balloons are typically used as a toy, decoration, or for other entertainment purposes.

"City" or "City of Carlsbad" means the entity that governs the incorporated territory of the City of Carlsbad, California.

"Enforcement agency" means the City of Carlsbad or its authorized agents charged with ensuring compliance with this chapter.

"Enforcement official" means the City Manager of the City of Carlsbad or designee.

"Gas lighter than air" means a gas that has a lower density than normal atmospheric gases and rises above them as a result, including helium, hydrogen, methane, oxygen, and nitrogen.

"Person" means any person, firm, association, business, organization, partnership, business trust, joint venture, corporation, company, or other public, private, or non-profit entity, and includes the City of Carlsbad and its officers or agents.

(Ord. CS-425 § 2, 2022)

### **§ 6.26.030. Intentional release of balloons prohibited.**

- A. It is unlawful for any person to intentionally release any balloon or balloons filled with a gas lighter than air. No person shall dispose of balloons or balloon accessories in any manner or location other than in a container for discarded materials collection, in accordance with Chapter 6.08 of this code.
- B. All special event permits required by Chapter 8.17 of this code, leases, facility permits, or other approval granted by city departments for events or other applicable use of city property shall specifically require the permittee to comply with the requirements of this chapter.
- C. This section shall not apply to attended hot air balloons, or balloons used for governmental or scientific research projects.
- D. Nothing in this chapter prohibits the sale or purchase of balloons within the city.

(Ord. CS-425 § 2, 2022)

**§ 6.26.040. Enforcement.**

- A. The enforcement agency and enforcement official may exercise any code enforcement powers and procedures as provided in Title 1 of this code.
- B. Violation of any provision of this chapter shall constitute grounds for enforcement through issuance of administrative citations, in conformance with Chapter 1.10 of this code.
- C. Violation of any provision of this chapter may constitute grounds for retention of all, or a portion of, any deposit paid to the city relating to a city-affiliated event or other use of city facilities where the violation occurred, such as facility rental deposits.
- D. A person that violates any provision of this chapter in connection with a special event on three or more instances within a one-year period shall be prohibited from obtaining a special event permit under Chapter 8.17 of this code for a period of one year.
- E. Each violation of this chapter shall constitute a separate violation.
- F. Nothing in this chapter shall prevent the enforcement official from obtaining compliance by way of warning, administrative remedies contained in Chapter 1.10 of this code, educational means, abatement requirements, or any other civil or administrative remedies available under this code or other applicable law. Such remedies and penalties shall be cumulative and not exclusive.

(Ord. CS-425 § 2, 2022)

**§ 6.26.050. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of this chapter or the application of the chapter to persons or circumstances not similarly situated.

(Ord. CS-425 § 2, 2022)

**CHAPTER 7.04  
GENERAL**

**§ 7.04.010. Offensive odors—Noises—Insects.**

It is unlawful for any person to keep, maintain or cause or allow to be kept or maintained within the city limits of the city any animal that causes odor, noise or the gathering of insects which is offensive to the senses of any person when the offended person is situated off of the lot or lots on which the animal is kept or maintained.

(Ord. 3069 § 1; Ord. 3070 § 1)

## CHAPTER 7.08 RABIES, ANIMAL CONTROL AND REGULATION

### **§ 7.08.005. Adopted by reference.**

- A. Title 3, Division 6, Chapter 4, Section 414, Subsection (c)(6) of the San Diego County Code of Regulatory Ordinances, as may be amended from time to time, relating to noise abatement and control, specifically of an animal causing any frequent or long continued noise, is adopted by reference and incorporated as part of this code. Any provisions of this county code section that conflict with any other provisions of this chapter shall be superseded by the provisions of this chapter. A copy of the referenced ordinance is on file in the City Clerk's office.
- B. Title 6, Division 2, Chapter 6, of the San Diego County Code of Regulatory Ordinances, as may be amended from time to time, relating to animal control, is adopted by reference and incorporated as part of this code. Any provisions of this county code section that conflict with any other provisions of this chapter shall be superseded by the provisions of this chapter. A copy of the referenced ordinance is on file in the City Clerk's office.

(Ord. 3110 § 1, 1978; Ord. 5063 § 2, 1982; Ord. 5071 § 1, 1986; Ord. NS-76 § 1, 1989; Ord. NS-167 § 1, 1991; Ord. NS-244 § 1, 1993; Ord. NS-381 § 1, 1996; Ord. NS-586 § 1, 2001; Ord. CS-090 § 1, 2010; Ord. CS-279 § 2, 2015; Ord. CS-450 § 2, 2023)

### **§ 7.08.010. Definitions.**

"Animal control authority" means a public agency or private organization authorized by the City Council to perform animal control services for the City of Carlsbad, including enforcing ordinances relating to the control, impoundment, and disposition of animals, as set forth in this chapter.

Whenever the following terms appear within the text of the county codes incorporated by reference in Section 7.08.005, they shall have the following definitions:

"County" means the City of Carlsbad.

"County animal shelter" means a facility operated by the animal control authority to temporarily house animals that are relinquished by their owners, found at large, impounded or otherwise come into custody of the animal control authority.

"Department" or "county department of animal services" means the City of Carlsbad or its agents or employees, or the animal control authority.

"Director" or "Director of the County Department of Animal Services" means the executive officer of the animal control authority or their designee.

"Unincorporated areas of the county" means the City of Carlsbad.

(Ord. CS-450 § 2, 2023)

### **§ 7.08.015. Animal control authority.**

- A. Authority for the City to Contract for Animal Control Services. The city may enter into a contract with an animal control authority which shall be the city's designee for the administration and enforcement of this chapter.
- B. The powers and duties of the animal control authority are to implement and enforce this chapter, including issuing administrative notices and citations and notices to appear in court, making arrests, and serving warrants pursuant to California Penal Code Section 830.9 and other applicable local or

state law.

C. Fees.

1. The animal control authority is authorized to collect and deposit fees and fines on behalf of the city in accordance with applicable law and is not required to deposit these fees and fines with the City Treasurer.
2. The animal control authority may waive or reduce fees when it determines that such programs benefit the public by encouraging animal adoption, helping prevent cruelty and neglect to animals, or providing animals in need with medical care, provided such waivers and fee reductions are consistent with applicable law.
3. All fees must not exceed the reasonable costs of providing all offered animal services and shall be assessed according to the established rates adopted by City Council resolution, and as mandated by state law.

D. All administrative hearings under this chapter shall be conducted in accordance with Chapter 1.10 of this code, with the exception of dangerous dog hearings which shall be administered by the animal control authority.

(Ord. CS-450 § 2, 2023)

**§ 7.08.020. Penalties for violation.**

The penalties for violating provisions of this chapter, including the county codes adopted and incorporated in Section 7.08.005, shall be as specified in Chapters 1.08 and 1.10 of this code, irrespective of whether the county codes specify that the violation is a misdemeanor or an infraction. In addition to these penalties, a court, if it finds it reasonably necessary to ensure animal or public health, safety, and welfare, may order a person convicted of any provision of the referenced ordinance classified as a misdemeanor to refrain from having any contact with animals of any kind for a period of up to three years. Furthermore, the court is permitted to require the convicted person to deliver all animals in their possession, custody, or control to the animal control authority, or provide proof that they no longer have possession, care, or control of any animals.

(Ord. NS-586 § 2, 2001; Ord. CS-450 § 2, 2023)

**§ 7.08.030. Public nuisance and abatement.**

The bringing or maintenance within the city of any animals in contravention of this chapter is, in addition to being chargeable as a misdemeanor at the discretion of the animal control authority, declared to be a public nuisance. The animal control authority or the City Manager or designee is authorized, directed, and empowered to summarily abate any such public nuisance pursuant to the procedures of Chapter 6.16 of this code by any means reasonably necessary.

(Ord. CS-450 § 2, 2023)

## CHAPTER 7.12 BEES AND APIARIES

### **§ 7.12.010. Definitions.**

For the purposes of this chapter the following words and phrases shall have the meanings respectively ascribed to them by this section:

"Apiary" includes bees, one or more hives of bees and appliances, wherever the same are kept, located or found;

"Appliances" means any contrivance or device used in the handling or manipulation of bees or their brood which may be used in an apiary;

"Hives" means any object or container made or prepared for the use of bees, or taken possession of by bees;

"Location" means the lands upon which any apiary is located or found.

(Ord. 3034 § 1)

### **§ 7.12.020. Identification signs required—Information to be shown.**

Every person maintaining an apiary on premises other than that of his or her residence shall identify such apiary by affixing a sign thereto showing the name of the owner or person in possession of the apiary, the owner's address, his or her telephone number, or, if the owner does not have a telephone, the words "No Phone."

(Ord. 3034 § 2)

### **§ 7.12.030. Location of signs—Specifications generally.**

Persons maintaining apiaries shall affix identification signs on the longer side of the hive or longer side of the super, prominently located on the entrance side of the apiary and shall at all times maintain such signs thereon. Such signs shall be in black letters at least one inch in height on white or other contrasting color.

(Ord. 3034 § 3)

### **§ 7.12.040. Lettering on sign.**

The lettering shall be printed or stenciled, or equivalent thereto, in black paint or black ink.

(Ord. 3034 § 4)

### **§ 7.12.050. Distance of apiaries from public roads.**

No apiary shall be kept and located at a distance from a public road which distance would constitute a nuisance.

(Ord. 3034 § 5)

### **§ 7.12.060. Location of apiaries within 150 feet of dwellings prohibited—Exception.**

No apiary shall be kept and located at a distance less than 150 feet from the nearest house or building inhabited as a dwelling, except buildings owned or controlled by the apiary owner; unless the owner of such apiary first procures permission in writing from the occupant or person using such building or house as a dwelling to do so. Such permission to be revocable at any time by written notice served upon the person owning or keeping the apiary.

(Ord. 3034 § 6)

**§ 7.12.070. Landowner's permission for apiary required.**

No apiary shall be kept or located upon the lands of another without the owner or the person in possession of the apiary first procuring from the owner or person entitled to possession of the lands permission to place the apiary thereon.

(Ord. 3034 § 8)

**§ 7.12.080. Transportation of bees.**

Hives of bees being transported during daylight hours shall be confined by screens or other means to the vehicle by which the bees are being transported.

(Ord. 3034 § 7)

**§ 7.12.090. Notice of violations of chapter.**

Any person maintaining an apiary who violates any of the provisions of this chapter may be served with written notice of such violation by any law enforcement officer of the county. Notice may be served upon such person personally, by mail, or by posting such notice for five days in a conspicuous place on the apiary where the violation occurs.

(Ord. 3034 § 9)

**§ 7.12.100. Violations after notice deemed misdemeanor.**

Every person violating any provision of this chapter who has been served with written notice of such violation as prescribed by Section 7.12.090 and who refuses to comply with such notice is guilty of a misdemeanor.

(Ord. 3034 § 10)

**CHAPTER 7.16  
RETAIL SALE OF DOGS AND CATS PROHIBITED**

**§ 7.16.010. Retail sale of dogs and cats prohibited.**

A. Definitions. For purposes of this chapter, the following definitions shall apply:

"Animal shelter" means a municipal or related public animal shelter or duly incorporated nonprofit organization devoted to the rescue, care and adoption of stray, abandoned or surrendered animals, and which does not breed animals.

"Cat" means an animal of the Felidae family of the order Carnivora.

"Dog" means an animal of the Canidae family of the order Carnivora.

"Existing pet store" means any pet store or pet store operator that displayed, sold, delivered, offered for sale, offered for adoption, bartered, auctioned, gave away, or otherwise transferred cats or dogs in the City of Carlsbad on the effective date of the ordinance codified in this chapter, and complied with all applicable provisions of the Carlsbad Municipal Code.

"Pet store" means a retail establishment open to the public and engaging in the business of offering for sale and/or selling animals at retail.

"Pet store operator" means a person who owns or is designated by an owner to operate a pet store, or both.

"Retail sale" includes display, offer for sale, offer for adoption, barter, auction, give away, or other transfer of any cat or dog.

"Certificate of source" means a document declaring the source of the dog or cat sold or transferred by the pet store. The certificate shall include the name and address of the source of the dog or cat.

"Non-commercial breeding establishment" means a person, firm, partnership, corporation or other entity that has sold, transferred or given away all or part of three or fewer litters, or less than 20 dogs, or less than 20 cats during the preceding 12 months that were bred and reared on the premises of the person, firm, partnership, corporation, or other association.

B. Prohibition. No pet store shall display, sell, deliver, offer for sale, barter, auction, give away, or otherwise transfer or dispose of dogs or cats in the City of Carlsbad.

C. Exemptions. This chapter does not apply to:

1. A person or establishment that engages in the retail sale of dogs or cats that are obtained from a non-commercial breeding establishment;
2. A person or establishment that sells, delivers, offers for sale, barter, auctions, gives away, or otherwise transfers or disposes of only animals that were bred and reared on the premises of the person or establishment;
3. A publicly operated animal control facility or animal shelter;
4. A private, charitable, nonprofit humane society or animal rescue organization; or
5. A publicly operated animal control agency, nonprofit humane society or nonprofit animal rescue organization that operates out of or in connection with a pet store.

D. Adoption of Shelter and Rescue Animals. Nothing in this chapter shall prevent a pet store or its

owner, operator or employees from providing space and appropriate care for animals owned by a publicly operated animal control agency, nonprofit humane society, or nonprofit animal rescue agency and maintained at the pet store for the purpose of adopting those animals to the public.

- E. Certificate of Source. A pet store operator shall post and maintain in a conspicuous place, on or within three feet of each dog's or cat's kennel, cage or enclosure, a certificate of source for each dog or cat offered for retail sale ensuring the dog or cat was obtained in full compliance with this chapter, and the pet store operator shall provide a copy of such certificate of source to the purchaser or transferee of any dog or cat.
- F. Existing Pet Stores. An existing pet store may continue to engage in the retail sale of dogs and cats until November 10, 2016.

(Ord. CS-296 § 2, 2016)

#### **§ 7.16.020. Notice of violations of chapter.**

This chapter shall be enforced by the San Diego County department of animal services. Any person who violates any of the provisions of this chapter may be served with written notice of such violation by any law enforcement officer of the county. Notice may be served upon such person personally, by mail or by posting such notice for five days in a conspicuous place where the violation occurs.

(Ord. CS-296 § 2, 2016)

#### **§ 7.16.030. Violations after notice deemed misdemeanor.**

- A. Every pet store operator violating any provision of this chapter who has been served with written notice of such violation as prescribed by Section 7.16.020 and who refuses to comply with such notice is guilty of a misdemeanor.
- B. Each animal simultaneously displayed, offered for sale or sold in violation of this section constitutes a separate violation of this section. Furthermore, the display, offer for sale, offer for adoption, barter, auction, giving away, or otherwise transferring of cats or dogs after the date a citation has been issued shall also constitute a separate violation.

(Ord. CS-296 § 2, 2016)

PUBLIC PEACE, MORALS AND SAFETY

**Note: For provisions regarding the failure to pay taxi fare, see Section 5.20.120; for provisions regarding unlawful acts during a disaster, see Section 6.04.130.**

**CHAPTER 8.04  
PARENTAL RESPONSIBILITY AND JUVENILE CRIME AND VICTIMIZATION  
PREVENTION LAW**

**Prior ordinance history: Ord. Nos. 3023 and NS-415.**

**§ 8.04.010. Title and purpose.**

This chapter shall be entitled the Parental Responsibility and Juvenile Crime and Victimization Prevention Law of the City of Carlsbad. The purpose of this chapter is:

- A. To promote the public health, safety and welfare by reducing juvenile violence and crime within the city; and
- B. To protect juveniles, whose lack of maturity and experience renders them especially vulnerable to being victimized by older perpetrators of crime and to becoming participants in unlawful activities involving alcohol, drugs, graffiti, vandalism, theft and gang-related crimes; and
- C. To foster and strengthen parental responsibility for juveniles.

(Ord. NS-416 § 1, 1997; Ord. NS-658 § 1, 2003)

**§ 8.04.020. Definitions.**

"Curfew hours" means the hours between 11:00 p.m. and 5:00 a.m. each day.

"Emancipated" means a juvenile who is self-supporting and independent of parental control as a result of a court order or by marriage of the juvenile under California Family Code Section 302.

"Emergency" means the unforeseen combination of circumstances or the resulting state that calls for immediate action. The term includes, without limitation, a fire, a natural disaster, an automobile accident, or any situation requiring immediate action to prevent serious bodily injury or loss of life.

"Guardian" means (1) a person who, under court order, is the guardian of the subject juvenile, or (2) a public or private agency with which the court has placed the subject juvenile.

"Juvenile" means any person under the age of 18.

"Parent" means a person who is a natural parent, adoptive parent, or stepparent of the subject juvenile.

"Public place" means any place to which the public or a substantial group of the public has access, and includes, without limitation, sidewalks, streets, highways, parks, trails, beaches, vacant lots, and the common areas of schools, hospitals, office buildings, housing complexes, and shopping centers.

"Responsible adult" means a person at least 18 years of age who is authorized by a parent or guardian to have temporary care, custody or control of the subject juvenile.

"Serious bodily injury" means bodily injury that creates a substantial risk of death or that causes death, serious permanent disfigurement, or protracted loss or impairment of the function of any bodily member or organ.

(Ord. NS-416 § 1, 1997; Ord. NS-658 § 2, 2003)

**§ 8.04.030. Prohibition—Juvenile.**

Except as provided in Section 8.04.050, it is unlawful for any juvenile to be present in any public place during curfew hours.

(Ord. NS-658 § 3, 2003)

**§ 8.04.040. Prohibition—Adult.**

Except as provided in Section 8.04.050, it is unlawful for a parent, guardian, or responsible adult to knowingly, or by insufficient control, permit a juvenile to be present in any public place during curfew hours.

(Ord. NS-416 § 1, 1997; Ord. NS-658 § 4, 2003)

**§ 8.04.050. Exceptions.**

Sections 8.04.030 and 8.04.040 do not apply:

- A. When the juvenile is accompanied by a parent, guardian, or responsible adult; or
- B. When the juvenile is on an errand without detour or stop that is directed by a parent, guardian, or responsible adult; or
- C. When the juvenile is engaged in, or traveling without detour or stop to or from a school, religious, recreational, or civic function supervised by adults and sponsored by a school, religious, recreational, or civic organization taking responsibility for the juvenile; or
- D. When the juvenile is traveling without detour or stop to or from the juvenile's place of employment or is engaged in employment-related activities; or
- E. When the juvenile is traveling without detour or stop to or from a medical appointment; or
- F. When the juvenile is in a motor vehicle engaged in interstate travel; or
- G. When the juvenile is on a sidewalk abutting the juvenile's home, or the home of a guardian or responsible adult; or
- H. When the juvenile is involved in an emergency; or
- I. When the juvenile is engaged in "expressive activities" protected by the federal or state constitutions, such as the free exercise of religion, freedom of speech, or the right of assembly; or
- J. When the juvenile is emancipated.

(Ord. NS-416 § 1, 1997; Ord. NS-658 § 5, 2003)

**§ 8.04.060. Violations.**

Any juvenile, parent, guardian, or responsible adult who violates any provision of this chapter is guilty of an infraction, except that the fourth and each additional violation of a provision within one year shall be a misdemeanor. Penalties for a violation of this chapter shall be as designated in Section 1.08.010 of this code.

(Ord. NS-416 § 1, 1997; Ord. NS-658 § 6, 2003)

## CHAPTER 8.09 ENTERTAINMENT LICENSE

### **§ 8.09.010. Purpose.**

The City of Carlsbad encourages the development of arts and culture and recognizes that having many entertainment establishments provides a means for such activity. The City of Carlsbad further recognizes that having a variety of entertainment types in the city promotes a rich and diverse cultural experience.

The City of Carlsbad also recognizes that entertainment establishments serving alcohol have demonstrated the potential for creating an environment where various types of disturbances, excessive noise, and disorderly conduct by inebriated patrons may occur. These negative effects are adverse to the public safety and the quality of life in the community.

The purpose of this chapter is to regulate the operation of entertainment establishments so as to minimize the negative effects and to preserve the public safety, health and welfare. It is not the city's intent to regulate or restrict the type or content of entertainment provided in those establishments. All licensees will be responsible for controlling patron conduct at their entertainment establishment, making adequate provisions for security and crowd control, compliance with state and local laws and minimizing disturbances caused by the operation of an entertainment establishment.

It is also the intent of the City of Carlsbad to provide alternatives to the regulating of entertainment establishments by imposing license conditions tailored to the particular entertainment establishment.  
(Ord. NS-859 § 3, 2007)

### **§ 8.09.020. Definitions.**

For purposes of this chapter the following words and phrases shall have the following meanings:

"A-weighted sound level" means the sound level in decibels as measured on a sound level meter using A-weighting network. The level is displayed in decibels and is designated either dB(A) or dBA.

"ABC license" means a license to serve alcoholic beverages issued by the State of California Department of Alcoholic Beverage Control.

"Ambient music" means prerecorded, low-level, background music, which is inaudible from any portion of the exterior of the premises. Ambient music does not include music played by a "disc jockey" or "DJ."

"Ambient noise level" means the composite noise from all sources near and far. In this context, the ambient noise level constitutes a normal or existing level of environmental noise at a given location and time.

"Ambient sound" means vibrations that travels through the air and are detectible by the ear and which are inaudible from any portion of the exterior of the premises.

"Ambient television" means television programming routinely shown on broadcast, cable, satellite or other networks which now exist or which may be developed in the future which is inaudible and not visible from any portion of the exterior of the premises.

"Average sound level" means a sound level typical of the sound levels at a certain place during a given period of time, averaged by the general rule of combination for sound levels, as set forth in S1.40-1984, as amended from time to time, of the American National Standards Institute specifications for sound level meters. Average sound level is also called equivalent continuous sound level ("Leq").

"Cabaret license" means a cabaret license issued pursuant to Section 8.09.014 as it existed before the revision of this code by the enactment of this chapter, entertainment license.

"Class I entertainment establishment" means a business with an ABC license offering entertainment to patrons that does not include dancing by patrons of the entertainment establishment.

"Class II entertainment establishment" means a business with an ABC license offering entertainment to patrons that includes dancing by patrons of the entertainment establishment.

"Class III entertainment establishment" means a business that is a public premises establishment with an ABC license offering entertainment to patrons that does not include dancing by patrons of the establishment.

"Dance or dancing" means to move with rhythmical steps or movement, usually to music or an audible rhythm; except for any dance that is regulated under Chapter 8.60 (Adult Business Licenses and Operating Regulations).

"Decibel (dB)" means a unit of measure of sound noise level.

"Disturbing, excessive or offensive noise" means: (a) any noise which constitutes a nuisance involving discomfort or annoyance to persons of normal sensitivity residing in the area; or (b) any noise conflicting with the criteria or levels set forth in this chapter.

"Entertainment" means any single event, a series of events, or an ongoing activity or business, occurring alone or as part of another business, to which the public is invited or allowed to watch, listen, or participate, or is conducted for the purposes of holding the attention of, gaining the attention of, or diverting or amusing patrons, including:

1. Dancing by patron(s) to live or recorded music.
2. The presentation of music played on sound equipment operated by an agent or contractor of the establishment, commonly known as "disc jockey" or "DJ."
3. The presentation of live music whether amplified or un-amplified.
4. The presentation of music videos, music concerts or other similar forms of musical entertainment from any source.
5. Any amusement or event such as live music or other live performance which is knowingly permitted by any entertainment establishment, including presentations by single or multiple performers, such as hypnotists, pantomimes, comedians, song or dance acts, plays, concerts, any type of contest; sporting events, exhibitions, carnival or circus acts, demonstrations of talent or items for gift or sale; shows, reviews, and any other such activity which may be attended by members of the public.

"Entertainment establishment(s)" means any commercial business, except a business entity possessing a valid cabaret license or regulated by Chapter 8.60 of this code that is open to the public wherein alcoholic beverages are served, is subject to licensing by State of California Department of Alcoholic Beverage Control and offers entertainment to patrons.

"Entertainment license" means a license obtained from the Chief of Police pursuant to the provisions of this chapter for the purposes of operating an entertainment establishment.

"Manager" means a person, regardless of the job title or description, who has discretionary powers to organize, direct, carry on, or control the operations of an entertainment establishment, including a restaurant or bar. Authority to engage in one or more of the following functions is *prima facie* evidence that a person is a manager of the entertainment establishment:

1. Hire or terminate employees;

2. Contract for the purchase of furniture, equipment, or supplies, except for the occasional replenishment of stock;
3. Disburse funds of the business, except for the receipt of regularly replaced items of stock;
4. Make or participate in making policy decisions regarding operations of the entertainment establishment.

"Noise" means and includes ambient music, ambient television, ambient sound, or entertainment.

"Noise level" has the same meaning as "Sound level."

"On-sale" has the same meaning as California Business and Professions Code Section 23038.

"Public premises establishment" has the same meaning as that used in California Business and Professions Code Section 23039.

"Responsible beverage service training course" means a course certified by the California Department of Alcoholic Beverage Control for on-sale management and on-sale professional services.

"Responsible party" means any person who is physically at the entertainment establishment and is any of the following:

1. The person who owns the entertainment establishment;
2. The person in charge of the entertainment establishment;
3. The person using the entertainment establishment under a special arrangement;
4. An employee or agent of an owner or manager of the entertainment establishment when the owner or manager is temporarily absent from the entertainment establishment;
5. The entertainment establishment's manager or on-site supervisor.

"Sound level" means in decibels, the weighted sound pressure level obtained by the use of a sound level meter and frequency weighing network as specified in S1.40-1984, as amended from time to time, of the American National Standards Institute specifications for sound level meters. If the frequency weighting employed is not indicated, the A-weighting is implied.

"Sound level meter" means an instrument, including a microphone, an amplifier, a readout, and frequency weighting networks for the measurement of sound levels, which meets or exceeds the requirements pertinent for type S2A meters in S1.40-1984, as amended from time to time, of the American National Standards Institute specifications for sound level meters.

"Sound noise level" has the same meaning as "sound level."

(Ord. NS-859 § 3, 2007; Ord. CS-351 § 2, 2019)

### **§ 8.09.030. Entertainment license required.**

All entertainment establishments shall possess an entertainment license.

(Ord. NS-859 § 3, 2007)

### **§ 8.09.040. Exemptions.**

The following types of activities are exempt from the provisions of this chapter:

- A. Events for which a special event permit or park facility use permit has been issued pursuant to this

code;

- B. Ambient music;
- C. Ambient television;
- D. Ambient sound;
- E. Entertainment conducted in connection with a theme park;
- F. Entertainment conducted in connection with a hotel, so long as the hotel is subject to a specific plan or master plan development.

(Ord. NS-859 § 3, 2007)

#### **§ 8.09.050. No renewal of cabaret license.**

Any person or business entity holding a valid cabaret license issued before the effective date of the ordinance codified in this chapter may continue with the operation of that business until such time as that annual cabaret license expires or is revoked. Upon expiration or revocation of an annual cabaret license, an application for an entertainment license shall be submitted to the Chief of Police or designee pursuant to this chapter if the business desires to continue serving alcoholic beverages and providing entertainment to patrons.

The transferee or purchaser of a business holding an annual cabaret license issued before the effective date of the ordinance codified in this chapter shall be required to apply for an entertainment license, pursuant to this chapter, within 30 days of the completion of the transfer or purchase of the business holding such annual cabaret license if the transferee or purchaser desires to continue serving alcohol beverages and providing entertainment to patrons.

(Ord. NS-859 § 3, 2007)

#### **§ 8.09.060. Application/modification requirements.**

- A. Any person or business entity desiring to obtain an entertainment license or modification shall submit a complete application to the Chief of Police through the office of Community and Economic Development and pay an application fee pursuant to Section 8.09.070.
- B. The application shall be in a form approved by the Chief of Police.
- C. The application shall be filed:
  - 1. At least 45 days prior to the proposed operation of the entertainment establishment; or
  - 2. At least 45 days prior to the expiration of either a cabaret or entertainment license; or
  - 3. At any time for a modification.
- D. The application shall state the class of entertainment (Class I, Class II or Class III) that the entertainment establishment will provide to patrons.
- E. The entertainment license application shall include five copies of a floor plan. The floor plan shall be an accurate representation of the floor plan approved by the city building and fire departments as part of a formal building permit process. Any changes that have occurred to the floor plan since the original city building and fire department approval shall be identified and include a notation identifying the date the modification was approved by the city if such approval was required. The

floor plan shall show all customer seating areas, performing stages or platforms, back-of-house areas, restroom facilities, and any proposed dance areas if applying for a Class II entertainment license. The floor plan shall clearly state the legal occupant load as established as part of the formal building permit process, and all exiting systems of the premises shall be clearly shown. No floor plan change, occupant load change, or other change of use can be approved as part of an application process for an entertainment license.

- F. The application for an entertainment license shall include five copies of the proposed site plan for the entertainment establishment and the site plan shall be an accurate representation with dimensions that show the building's footprint, boundary and property lines and on site parking spaces. Any changes that have occurred to the site plan since the original city building and fire department approval shall be identified and include a notation identifying the date the modification was approved by the city if such approval was required.
- G. The application shall also include a copy of any city land use permits (e.g., conditional use permit, redevelopment permit, etc.) issued to the property owner or business entity.
- H. The entertainment license application shall include a detailed security plan. The security plan should include, but is not limited to, the following:
  - 1. The number of security personnel who will be on duty;
  - 2. The minimum level of acceptable training for security personnel;
  - 3. The patron screening procedure, if any, prior to admission to entertainment establishment;
  - 4. Identify patron access points into the entertainment establishment;
  - 5. Removal of disorderly or intoxicated patrons from premises; and
  - 6. Dispersal of patrons from the entertainment establishment, on site parking area and/or public rights-of-way (e.g., sidewalk or street) within 50 feet of any entrance to the entertainment establishment.

(Ord. NS-859 § 3, 2007; Ord. CS-351 § 3, 2019)

#### **§ 8.09.070. Fees.**

A nonrefundable fee, as set forth in the City of Carlsbad Master Fee Schedule shall accompany each application for an entertainment license. The entertainment license fee shall be in addition to the business license fee required pursuant to Chapter 5.08 of this code.

(Ord. NS-859 § 3, 2007)

#### **§ 8.09.080. Approval/denial/modification of entertainment license.**

- A. Upon completion of an investigation coordinated by the office of economic development, the Chief of Police shall issue the license subject to Section 8.09.090, as applicable, unless it is found that:
  - 1. The application fee has not been paid.
  - 2. Applicant is less than 21 years of age.
  - 3. The application does not conform to the provisions of this chapter.
  - 4. The applicant has made a material misrepresentation in the application.

5. The applicant or any of its owners, partners, officers or directors has had an entertainment license revoked within two years prior to the date of the pending application.
  6. The proposed entertainment establishment does not comply with all applicable laws, including, but not limited to: health, zoning, building, and fire code requirements. Prior to granting a license, the Chief of Police or designee shall obtain certification from the Fire Chief, City Planner, and building official that the proposed use is in compliance with the land use and zoning provisions of the applicable municipal code provisions and Village and Barrio Master Plan (if applicable), and that the structures are suitable and safe for the proposed operation of an entertainment establishment.
- B. If the Chief of Police denies the application, the applicant shall be notified of the reasons for the denial in writing within 45 days after receipt of the application. However, failure to notify the applicant within the specified time period shall not constitute a basis for granting the license. An applicant denied an entertainment license has a right to appeal the denial pursuant to Section 8.09.150 of this chapter. If such a hearing is not requested within the prescribed time period, the denial shall be final.
- C. If a conditional use permit, or any other permit or approval, except a certificate of occupancy, is required for the lawful operation of an entertainment establishment, the provisions of this chapter shall be in addition to those other permits and entitlements. An entertainment license cannot modify the terms of a conditional use permit or any other permit or approval.

(Ord. NS-859 § 3, 2007; Ord. CS-164 §§ 10, 12, 2011; Ord. CS-333 § 2, 2018; Ord. CS-351 § 4, 2019)

#### **§ 8.09.090. Entertainment license standards and conditions.**

- A. All Class I, Class II and Class III entertainment establishments shall operate in accordance with the following standards or conditions:
1. Display of License. The entertainment license shall be displayed on the premises in a conspicuous place so that law enforcement persons entering may readily see the entertainment license. A copy of the floor plan approved with the entertainment license shall be made available at all times at the request of any law enforcement officer, Fire Marshal or Deputy Fire Marshal.
  2. Hours of Operation. All entertainment establishments shall otherwise close and all patrons shall vacate the premises between 2:00 a.m. and 6:00 a.m. unless the entertainment license is conditioned for additional hours of closure.
  3. Noise Restrictions. Noise shall be measured in accordance with Section 8.09.110. Between the hours of 10:00 p.m. and 7:00 a.m. no entertainment establishment may cause, permit or maintain noise at a sound level to the extent that the one-hour average sound level exceeds 65.0 dBA Leq-1m at the property line of the entertainment establishment of which the noise is produced. The noise subject to these limits is that part of the total noise at the specified location that is due solely to the action of said responsible party.
  4. Manager and Service Training. The following persons must complete a responsible beverage service training course before the entertainment establishment may provide entertainment:
    - i. Every manager must complete a responsible beverage service training course within 90 days of hire, or by January 1, 2008, whichever is later.
    - ii. Every person who serves or sells alcoholic beverages for consumption by patrons on the

premises of an entertainment establishment shall complete a responsible beverage service training course within 90 days of hire, or by January 1, 2008, whichever is later.

- iii. Every manager and every person who serves or sells alcoholic beverages for consumption by patrons on the premises of the entertainment establishment shall maintain a current responsible beverage service training course certificate.
  - iv. A list of all persons employed as managers or persons who serve or sell alcoholic beverages for consumption by patrons on the premises of an entertainment establishment shall be maintained on the premises of the entertainment establishment. The list shall clearly identify the hire date, the date of each responsible beverage service training course was completed and the date the current training certificate will expire for every manager and every person who serves or sells alcoholic beverages for consumption by patrons on the premises of the entertainment establishment. The list shall be provided, upon request, to any police officer for inspection.
  - 5. Maximum Occupant Load. The maximum number of persons in the entertainment establishment, other than employees, shall not, at any time, exceed the maximum occupant load as established by the Fire Marshal or the city building official.
  - 6. Disturbing the Peace and Disorderly Conduct. The responsible party shall make reasonable efforts to prevent the admission of any person, whose conduct is described in California Penal Code Section 415 (fighting, loud noise, offensive words in public places) or PC 647 (disorderly conduct), inside the entertainment establishment, at any on site parking lot owned or under the control by the entertainment establishment, or on any sidewalk used by the entertainment establishment for the entertainment establishment. The responsible party shall make reasonable efforts to either call the police for assistance or remove from the entertainment establishment, parking lot or sidewalk persons exhibiting such conduct.
  - 7. Maintaining Adequate Right-of-Way. The responsible party shall ensure that patrons queuing on the public sidewalk do not obstruct the right-of-way or sidewalk from vehicular or pedestrian access. The minimum clear access for sidewalks shall be maintained at 44 inches.
  - 8. Orderly Dispersal. The responsible party shall use reasonable efforts to cause the orderly dispersal of patrons from the entertainment establishment at closing time, and shall use reasonable efforts to prevent patrons from congregating in the entertainment establishment's parking lot after closing time or permit patrons to congregate in any roadway or traffic lane within 50 feet of any entrance to the entertainment establishment.
  - 9. Obey all federal, state and local laws.
- B. In addition to the conditions set forth in subsection A of this section, the Chief of Police may impose additional conditions in the following areas which shall be based on specific, articulated facts setting forth the necessity for the conditions:
- 1. The permissible hours of operation for entertainment.
  - 2. Specific licensing qualifications and numbers of security personnel to be on duty during business hours.

(Ord. NS-859 § 3, 2007; Ord. CS-351 § 5, 2019)

**§ 8.09.100. Class II entertainment establishment conditions.**

In addition to the conditions set forth in Section 8.09.090, the following conditions shall apply to all Class II entertainment establishments:

- A. Mandatory Security Guards. There shall be at least one security guard on duty at all times the Class II entertainment establishment is allowing dancing.
- B. Designation of Dance Floor.
  - 1. The dance floor area shall be plainly marked and designated as the dancing area.
  - 2. No dancing shall be permitted outside the designated dancing area.
- C. Seating and Dance Areas. Seating areas shall not be converted to dance areas, unless the floor plan approved as part of the application process allows such conversion.

During all hours which dancing is permitted, no portion of the dancing area shall be used for any purpose other than dancing.

(Ord. NS-859 § 3, 2007)

**§ 8.09.110. Sound or noise measurement.**

- A. Any sound or noise level measurement shall be measured with a sound level meter using an A-weighted (40-phon) filter and an electrical time-constant equal to one second (i.e., "slow" meter response) pursuant to applicable manufacturer's instructions.
- B. The sound level meter shall be appropriately calibrated and adjusted both before and after a test to ensure meter accuracy within the tolerances set forth by the American National Standards Institute (ANSI) test designation S1.40-1984 for Type II instrumentation.
- C. For outdoor measurements, the microphone shall be not less than four feet above the ground, at least four feet distant from walls or other reflecting surfaces. The sound level meter shall be either mounted to a tripod, or handheld in a manner so as not to be directly in front of the abatement officer. The sound level meter shall be protected during any test from the effects of wind noises by the use of appropriate manufacturer specified windscreens.
- D. The location of the any sound level measurement used for the purposes of noise abatement shall be taken at the property line of the entertainment establishment that is creating the noise source. The sound level meter shall be oriented such that the microphone is facing the noise source and is elevated approximately 45 degrees vertically with respect to the ground. Under no circumstances should a measurement be performed closer than six feet from the noise source regardless of property line orientation.
- E. Measurements shall be performed for a period of 60 seconds at each property line of interest using a time-energy average approach (i.e., equivalent sound level or Leq based on a meter exchange rate of three dB). Each measurement shall be logged by the abatement officer on the reporting sheet as "xx.x" dBA Leq-1m, where "xx.x" is the reading from the sound level meter.
- F. If the noise source is intermittent, then for each halving of the hour in which the source is expected to occur, the effective noise level at the property line can be reduced by 3.0 dBA Leq.

(Ord. NS-859 § 3, 2007)

**§ 8.09.120. Immediate threat to public safety.**

The Chief of Police, Fire Marshal, or designee may require the responsible party to cease all or part of the entertainment establishment's operations or entertainment and disperse all patrons for a period of time up to and including the remainder of the entertainment establishment's daily operating hours whenever conduct by disorderly patrons reaches a magnitude that presents an immediate threat to the safety and well-being of the patrons or general public in the vicinity of the entertainment establishment.

(Ord. NS-859 § 3, 2007)

**§ 8.09.130. Term of license.**

- A. The entertainment license shall be valid for a term of three years from the date of issuance and is not transferable. Suspension of an entertainment license shall not extend the term of the entertainment license.
- B. A change in ownership of the entertainment establishment shall require the new owner to pay a new application fee and secure a new entertainment license from the Chief of Police in accordance with Section 8.09.080.
- C. An entertainment license may be renewed by a new application subject to the same requirements stated herein for obtaining the initial entertainment license, including payment of an application fee.

(Ord. NS-859 § 3, 2007)

**§ 8.09.140. Revocation/suspension for violation.**

- A. The Chief of Police may issue a letter of intent to revoke or suspend an entertainment license upon receiving satisfactory evidence that:
  1. The application for an entertainment license contains material misrepresentation; or
  2. Ownership of the entertainment establishment has changed without the new ownership securing a new entertainment license from the Chief of Police; or
  3. The entertainment establishment has, within any 12-month period, been found criminally, civilly or administratively (pursuant to Chapter 1.10 of this code), or any combination thereof, to have violated three or more of the same provisions of this chapter, or four or more of any provisions of this chapter; or
  4. Employees of the entertainment establishment, while on the premises are engaged in conduct or behavior to the extent that it constitutes a nuisance, including, but not limited to, adjudicated complaints with adverse finding(s) by the State Alcoholic Beverage Control Board or the County Health Department.
- B. Chief of police shall provide written documentation or other evidence to support the intent to revoke or suspend an entertainment license to the licensee with the letter of intent to revoke or suspend an entertainment license.
- C. The Chief of Police shall provide written notice of the intent to revoke or suspend to the holder of an entertainment license by personal service, or by certified mail. The notice shall be directed to the most current entertainment establishment address or other mailing address on file with the Chief of Police for the entertainment establishment. The notice shall provide the effective date of the revocation or suspension. No revocation or suspension shall be imposed on less than 30 days' notice to the holder of the entertainment license.

(Ord. NS-859 § 3, 2007)

**§ 8.09.150. Appeal procedure.**

- A. Any applicant or entertainment establishment aggrieved by denial, suspension or revocation, or conditions of an entertainment license may file, with the City Clerk, a written notice of appeal to the City Manager ("Notice of Appeal") within 30 days of the notification of decision by the Chief of Police or designee. The notice of appeal shall specify:
  1. The name and address of appellant;
  2. The date of application;
  3. The date of denial, suspension or revocation or condition;
  4. The factual basis for the appeal.
- B. Upon receipt of a complete and timely filed notice of appeal, the City Manager shall schedule a hearing and set forth in writing and deliver to the applicant or licensee at the address provided in the notice of appeal, by means of registered mail, certified mail or hand delivery, that within a period of not less than five days nor more than 14 days from the date of the filing of the notice of appeal with the City Clerk, a hearing shall be conducted to determine the existence of any substantial evidence which would refute the grounds for the denial, suspension, or revocation or condition of a license. The hearing notification shall include the date, time and place of the hearing.
- C. A hearing officer (hearing officer) appointed by the City Manager shall conduct the hearing based upon the notice of appeal. The applicant or licensee may have the assistance of counsel or may appear by counsel and shall have the right to present evidence. In the event that the applicant, licensee, or counsel representing the applicant or licensee, fails to present any evidence at the hearing, the evidence of the existence of facts, which constitute grounds for the denial, suspension, or revocation or condition of the entertainment license shall be deemed uncontested. Any issue not raised in the hearing is waived.
- D. Relevant evidence may be admitted and considered by the hearing officer if it is the sort of evidence upon which responsible persons are accustomed to rely in the conduct of serious affairs. Objections to evidence shall be noted and a ruling given by the hearing officer. A copy of the recommendation of the hearing officer specifying findings of fact and the reasons for the recommendation shall be furnished to the City Manager for consideration. The City Manager shall notify the applicant or licensee or counsel representing the applicant or licensee of the decision regarding the appeal in writing as specified above within 10 days of the hearing officer's recommendation and shall also inform the party against whom a decision is rendered of the right to appeal to the City Council pursuant to this chapter. Any decision rendered by the City Manager which is not appealed within the specified time period for filing a notice to appeal to City Council is final.
- E. Any applicant, licensee or party aggrieved by a decision of the City Manager may appeal to the City Council within 10 days of the date on which the decision of the City Manager was sent, via certified mail to the applicant, licensee or party aggrieved. Upon the filing of a written notice of appeal of City Manager's decision to City Council ("Appeal to City Council") upon the City Clerk, the City Clerk shall schedule the appeal to City Council for review by the City Council as soon as practicable and advise the Police Chief who shall transmit to the clerk the complete record of the case.
- F. The City Clerk shall provide notice of the appeal to City Council, along with the date, time and

location of the appeal to City Council hearing to all parties to the appeal. The review by the City Council is de novo; and the City Council shall determine that all issues not raised in the appeal to City Council are supported by substantial evidence. The City Council shall consider the recommendations of the Police Chief and the hearing officer, the decision of the City Manager and all other relevant documentary and oral evidence as presented to the hearing officer. The City Council may affirm, modify, or reverse the action of the City Manager, and make such order, as it deems appropriate and supported by substantial evidence including remand to the City Manager with directions for further proceedings. Any action by the City Council shall be final and conclusive; provided, however, that any action reversing the decision of the City Manager shall be by the affirmative vote of at least three members of the City Council.

(Ord. NS-859 § 3, 2007)

#### **§ 8.09.160. Severability.**

If any section, subsection, sentence, clause or phrase of the ordinance codified in this chapter is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the ordinance codified in this chapter. The City Council declares that it would have passed the ordinance codified in this chapter and each section, subsection, sentence, clause, and phrase hereof, irrespective of the fact that any one or more of the sections, subsections, sentences, clauses or phrases hereof be declared invalid or unconstitutional.

(Ord. NS-859 § 3, 2007)

#### **§ 8.09.170. Violation—Penalty.**

- A. Any person who violates any of the provisions of this chapter is guilty of an infraction, except for the fourth and each additional violation of a provision of this chapter within one year, shall be a misdemeanor. Penalties for a violation of this chapter shall be as designated in Section 1.08.010(B) of this code.
- B. In addition to any other remedy authorized by this chapter, a violation of this chapter may be grounds for a revocation, suspension or denial of an entertainment license.

(Ord. NS-859 § 3, 2007)

## CHAPTER 8.16 FIREARMS

### **§ 8.16.010. Discharge prohibited—Exceptions.**

No person shall, without first obtaining permission from the Chief of Police, shoot or discharge any pistol, rifle, gun or other firearm, not necessary in self-defense, or in performance of official duty, within the city, unless at a legally permitted indoor shooting range.

(Ord. 3010 § 1; Ord. NS-194 § 1, 1991; Ord. CS-290 § 1, 2016)

### **§ 8.16.015. Discharge of air guns, BB guns, etc. prohibited—Where.**

- A. No person shall, without first obtaining permission from the Chief of Police as required by Section 8.16.020, shoot or discharge any air rifle, air gun, BB gun, pellet gun, gas-operated gun, spring gun or any other weapon designed to discharge or propel any projectile capable of causing injury on any public property, or on any street or sidewalk, whether public or private, or in any park, beach, golf course, shopping center, or other public gathering place within the city.
- B. No person shall shoot or discharge any air rifle, air gun, BB gun, pellet gun, gas-operated gun, spring gun or any other weapon designed to discharge or propel any projectile capable of causing injury in any unsafe or threatening manner or in any manner where the projectile may or does enter the property of another.

(Ord. NS-194 § 2, 1991)

### **§ 8.16.020. Permit to discharge firearms.**

Any person who wishes to discharge firearms referred to in Section 8.16.010 shall make written application to the Chief of Police for a permit, unless at a legally permitted indoor shooting range. Such application shall state the date on which the firearms shall be fired, the number of rounds to be fired, the place where the firearms shall be fired, and the reason or need for the permit. Within a reasonable time after receipt of such application, the Chief of Police shall approve or reject it. In the event that no action is taken by the Chief of Police within 45 days after receipt of such application, such application and request shall be deemed denied by the Chief of Police.

(Ord. 3010 § 2; Ord. 3092, 1972; Ord. NS-194 § 3, 1991; Ord. CS-290 § 2, 2016)

## CHAPTER 8.17 SPECIAL EVENTS

### **§ 8.17.010. Purpose and intent.**

The City Council recognizes that special events enhance the city's lifestyle and provide benefits to area residents, visitors, and businesses through the creation of unique venues for expression, recreation, and entertainment that are not normally provided as a part of governmental services. However, the City Council also recognizes that special events, if unregulated, can have an adverse effect on the public health, safety and welfare due to noise, traffic, safety, and health hazard impacts. The purpose and intent of this chapter is to set forth reasonable regulations by establishing a process for permitting special events within the city, to protect the rights and interest granted to special event permit holders, to ensure the health and safety of patrons of special events, to prohibit illegal activity from occurring within special event venues, and to minimize any adverse effects from special events while ensuring the orderly and efficient use of public property and city services. It is further intended to create a mechanism for cost recovery for special events without having an adverse effect on those special events that contribute to the community. It is also the intent of the council to protect the rights of citizens to engage in protected free speech expression activities and yet allow for the least restrictive and reasonable, time, place and manner regulation of those activities within the overall context of rationally regulating special events that have an impact upon public facilities and services.

(Ord. NS-811 § 2, 2006; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

### **§ 8.17.020. Definitions.**

Except where the context otherwise requires, for the purposes of this chapter, Chapter 8.17 et seq., the following definitions apply:

"Affected parties" means businesses and residents located within 300 feet of the area around the special event that are likely to experience impact from the special event.

"City Manager" means the City Manager or authorized designee.

"Demonstration" means any formation, procession or assembly of persons for the purposes of expressive activity.

"Event" means a special event.

"Event organizer" means any person who conducts, manages, promotes, organizes, aids or solicits attendance at a special event.

"Expressive activity" includes conduct, the sole or principal object of which is the expression of opinion, views, or ideas. Expressive activity includes, but is not limited to, public oratory and distribution of literature.

"Major event" means a special event that requires a traffic control plan for three or more intersections of any street or requires a traffic control plan for a secondary arterial, major arterial or a prime arterial.

"Minor event" means a special event that does not require a traffic control plan or that requires a traffic control plan for two or fewer intersections and does not involve a secondary arterial, major arterial or a prime arterial.

"Parade" means any march, procession or motorcade consisting of persons, vehicles or a combination thereof, upon any street, sidewalk, public park, or other public area within the city.

"Parks and Recreation Director" means the Director of Parks and Recreation or authorized designee.

"Permittee" means a person to whom a special events permit has been issued.

"Person" means any person, firm, partnership, association, corporation, company or organization of any kind.

"Police Chief" means the Chief of Police or authorized designee.

"Private property permit" means a minor event administrative permit issued by the Community and Economic Development Director for a function held entirely on private property that does not require a use of public property in a manner which impacts or restricts the public's normal or typical use of such property or does not comply with the normal or usual traffic regulations or controls or that require the provision of extraordinary city services and are therefore not governed by this chapter.

"Public assembly" means any meeting, picket line, rally or gathering of any kind that occupies any street, sidewalk, public park, or other public area within the city.

"Sidewalk" means any area or way set aside or open to the general public for purposes of pedestrian travel, whether or not it is paved.

"Sound-amplifying system" means any system, apparatus, equipment, device, instrument or machine designed for or intended to be used for the purpose of amplifying the sound or increasing the volume of human voice, musical tone, vibration or sound wave.

"Special event" means:

1. Any organized formation, parade, procession or public assembly consisting of 50 or more persons, and which may include animals, vehicles or any combination thereof, which is to assemble or travel in unison on any street which does not comply with normal or usual traffic regulations or controls;
2. Any commercial or noncommercial organized assemblage of 50 or more persons at any public beach, public park, public water ways, street, or sidewalk which is to gather for a common purpose under the direction and control of a person;
3. Any other organized activity conducted by a person for a common or collective use, purpose or benefit which involves the use of, or has an impact on, other public property or facilities and the provision of city public safety services in response thereto;
4. Examples of special events include concerts, parades, circuses, fairs, festivals, block parties, community events, fireworks, mass participation sports (such as marathons and running events, bicycle races or tours, tournaments), or spectator sports (such as football, baseball and basketball games, golf tournaments, surfing contests or other water competitions);
5. Organized formations, parades, processions, public assemblies, demonstrations and activities for which the principal purpose is expressive activity are not included in this definition.

"Special event permit" means a permit as required by this chapter.

"Street" means any place or way set aside or open to the general public for purposes of vehicular traffic, including, but not limited to, any berm or shoulder, parkway, public parking lot, right-of-way, alley or median.

(Ord. NS-811 § 2, 2006; Ord. CS-101 § 1, 2010; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.030. Permit required.**

No person shall engage in or conduct any special event unless a special event permit is issued by the City

Manager or authorized designee.

(Ord. NS-811 § 2, 2006; Ord. CS-101 § 3, 2010; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.040. Exceptions to special event permit requirement.**

A special event permit is not required for any of the following:

- A. Any organized activity within the scope of a conditional use permit, other land use approval or a private property permit given or required for that use;
- B. Lawful picketing;
- C. Funeral processions by a licensed mortuary; or
- D. Activities conducted by a government agency acting within the scope of its authority.

(Ord. NS-811 § 2, 2006; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.050. Special Events Committee.**

- A. The Special Events Committee shall be comprised of the Assistant City Manager, Community and Economic Development Director, Transportation Director, Fire Chief, Police Chief, Housing and Neighborhood Services Director, Parks and Recreation Director and Risk Manager or their designated representatives. The Parks and Recreation Director will chair the Committee.
- B. The Special Events Committee is charged with reviewing and providing recommendations to the City Manager regarding the approval or modification of an application for a special event permit based upon the information required in the application with regard to considerations of public safety, traffic flow and control, the disruption to residences and businesses; availability of resources of city personnel and equipment to adequately ensure the public health, safety and welfare.
- C. The Special Events Committee shall not recommend for approval a new event for the date, time or location of a previously established reoccurring event unless the applicant of the previously established reoccurring event notifies the city of their intent to not hold the event or no application has been received by the city at the minimum application filing date.

(Ord. NS-811 § 2, 2006; Ord. CS-101 § 5, 2010; Ord. CS-164 §§ 5, 12, 14, 2011; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.060. Application.**

- A. A person requesting a special event permit shall file an application, certified by affidavit on forms provided by the parks and recreation department. The Parks and Recreation Director will forward the application to the Special Events Committee for review and recommendation to the City Manager.
- B. The application shall be filed at least 90 days and not more than two years before the special event is proposed to commence. The minimum 90-day notice requirement may be waived by the Parks and Recreation Director upon written finding that the limited scope of the event, both in size and magnitude, allows it to be adequately reviewed in the time provided.
- C. The application for a special event permit shall set forth all of the following information, if applicable:
  1. The name, address, e-mail address and telephone number of the applicant and event organizer and its officers;

2. The names, addresses and telephone numbers of the headquarters of any organization for which the special event is to be conducted, and proof of the authorized representatives of the organization;
3. An acknowledgment of financial responsibility for any city fees or costs that may be imposed for the special event by the applicant and any person authorizing the applicant to apply for the permit on its behalf;
4. A description of the nature or purpose of the special event, including a description of activities planned during the special event;
5. A statement of fees to be charged participants in the special event;
6. Identification of the Carlsbad location where special event sales will be reported to the franchise tax board, a City of Carlsbad business license or a copy of a document showing proof the applicant is a tax-exempt non-profit organization;
7. Proof of insurance required by this chapter;
8. The date(s), time(s), and location(s) where the special event is to be conducted, including assembly and disbanding;
9. A site plan, including, but not limited to:
  - a. Portable structures,
  - b. Prefabricated structures,
  - c. Site-built structures,
  - d. Staging,
  - e. Reviewing stand(s),
  - f. Elevated platforms,
  - g. Temporary pedestrian bridges,
  - h. Tents or canopies,
  - i. On-site grading,
  - j. Portable restrooms,
  - k. All on-site signs and banners that have a face area larger than 16 square feet and/or stand more than four feet above the ground,
  - l. Any travel routes,
  - m. Assembly or production areas,
  - n. Electrical sources and connections,
  - o. Fuel storage,
  - p. Cooking and open fires,

- q. Water supply,
  - r. Run-off containment features,
  - s. Solid waste, recyclable materials, and organic materials containers,
  - t. Accessible parking,
  - u. Access points and routes for disabled persons,
  - v. Access points for emergency fire and ambulance equipment,
  - w. Emergency medical services area(s),
  - x. Any vehicles located in an enclosed area,
  - y. Pyrotechnics,
  - z. Inflatable(s),
  - aa. Animals and animal rides,
  - bb. Carnival rides,
  - cc. Location to accommodate individuals desiring to express opinions not consistent with the purpose or intent of the event, and
  - dd. Other similar information that will describe the components of the event;
10. The location and description of all off-site signs, banners or attention getting devices;
  11. A detailed traffic control plan (TCP) for a major event and parking management plan, consistent with standards set forth in the National Manual on Uniform Traffic Control Devices or the California Supplement to the National Manual on Uniform Traffic Control Devices for all streets, sidewalks and parking lots which the special event will impact by restricting the public's normal, typical or customary use thereof;
  12. The approximate number of participants, spectators, animals and vehicles;
  13. The number of persons proposed or required to monitor or facilitate the special event and to provide spectator or participant control and direction for events using city streets, sidewalks, or facilities;
  14. Provisions for first aid and emergency medical services;
  15. The number, type and location of sanitation facilities;
  16. Provisions for recycling per California Public Resources Code Sections 42648 through 42648.7 and in accordance with Section 6.08.026 of this code;
  17. Pollution prevention in compliance with city's municipal National Pollutant Discharge Elimination System permit, city ordinances and the city "Jurisdictional Urban Runoff Management Plan" (JURMP);
  18. A description of any recording equipment, sound amplification equipment, or other attention-getting devices to be used in connection with the special event.

- D. Applicants for a repeated event held on private property (such as fireworks) may file one annual special event application identifying the event dates for one calendar year.

(Ord. NS-811 § 2, 2006; Ord. CS-101 § 6, 2010; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.070. Fees.**

- A. Major Event Fee. A nonrefundable fee, as set forth in the schedule of service costs approved by City Council resolution, reasonably calculated to reimburse the city for its reasonable and necessary costs in receiving, processing and reviewing applications for permits to hold a major event, must be paid to the City of Carlsbad when an application is filed.
- B. Minor Event Fee. A nonrefundable fee, as set forth in the schedule of service costs approved by City Council resolution, reasonably calculated to reimburse the city for its reasonable and necessary costs in receiving, processing and reviewing applications for permits to hold a minor event, must be paid to the City of Carlsbad when an application is filed.
- C. If the application includes the use of any city facility and/or property, or if any city services are required for the special event, the applicant must agree to pay for the services in accordance with a schedule of service costs approved by City Council resolution.
- D. Third Party Fee. If the permittee provides for or allows third party vendors to participate in the special event, the permittee shall pay an additional nonrefundable fee, as set forth in the schedule of service costs approved by City Council resolution, reasonably calculated to reimburse the city for its actual and necessary costs in receiving, processing and reviewing the application that includes third party vendors. The amount of the additional fee shall be established by resolution of the City Council and shall be based on whether the application is for a major or minor event.

(Ord. NS-811 § 2, 2006; Ord. CS-101 § 7, 2010; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.080. Police protection and other emergency services.**

- A. The Police Chief will determine whether and to what extent additional police protection, civilian traffic control personnel, private security and volunteer staff are reasonably necessary to ensure traffic control and public safety for the special event. The Police Chief will base this decision on the size, location, duration, time and date of the special event, the expected sale or service of alcoholic beverages, the number of streets and intersections blocked off from use by the public, and the need to detour or preempt pedestrian and vehicular travel from the use of public streets and sidewalks. The Police Chief shall provide, if police protection and/or other emergency and safety services or equipment is deemed necessary for the special event, an estimate of the cost of extraordinary city services and equipment required in writing. The applicant will be billed for services after the event.
- B. When the Police Chief is determining the size of the event and the security needed to protect participants and spectators, the estimate, based upon reasonably known information, of participants shall be determinative. The numbers of persons attending in response to an event, to heckle, protest or oppose the sponsor's viewpoint shall not be considered in the cost of providing police protection.

(Ord. NS-811 § 2, 2006; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.090. Release and indemnification requirement.**

Permittee agrees to waive and release the City of Carlsbad and its officers, agents, employees and volunteers from and against any and all claims, costs, liabilities, expenses or judgments including attorney's fees and court costs arising out of the activities of this special event or any illness or injury resulting

therefrom, and hereby agree to indemnify and hold harmless the City of Carlsbad from and against any and all such claims, whether caused by negligence or otherwise, except for illness and injury resulting directly from gross negligence or willful misconduct on the part of the city or its employees.

(Ord. NS-811 § 2, 2006; Ord. CS-101 § 9, 2010; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.100. Insurance requirements.**

Whenever a special event, including, but not limited to, exhibits, fairs, athletic events, trade shows, concerts, or conventions, requires a permit under the provisions of this code, the sponsor, event organizer or person conducting the special event shall provide evidence of commercial general liability insurance in a form acceptable to the Risk Manager (and additional coverage(s) as appropriate for the activities of the event), naming the City of Carlsbad as an additional insured, and with a coverage amount to be determined by the Risk Manager according to the size and risk factors of the event. When determining the size of the event and the risk to participants and spectators, the estimate of participants shall be determinative. The person conducting the special event shall not be required to insure any risk arising from persons attending in response to an event, to heckle or oppose the sponsor's viewpoint. The insurance company or companies shall meet the requirements established by City Council resolution for all insurance required by the city. The insurance policy required by this section shall not be cancelled, limited or not renewed without 30 days' prior written notice has been given to the city.

(Ord. NS-811 § 2, 2006; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.105. Edible food recovery.**

Special events as described in Chapter 6.08 of the Carlsbad Municipal Code must comply with Section 6.08.027 of the Carlsbad Municipal Code regarding edible food recovery.

(Ord. CS-408 § 3, 2021)

#### **§ 8.17.110. Signs.**

- A. The permittee shall post street closure notification signs at locations approved by the City Manager which include the name of the event, date, time and location of the closure and which:
  1. Shall not exceed 16 square feet in sign area with a minimum letter size of four inches;
  2. Shall be posted on any street on which more than two intersections will be closed, and any secondary arterial, major arterial, or prime arterial that will be closed as a result of the special event;
  3. Shall be posted a maximum of 15 days and a minimum of 10 days prior to the scheduled closure; and
  4. Shall be removed within two days following the conclusion of the event.
- B. The permittee may post a maximum of eight signs that promote the event at locations approved by the City Manager. Event promotion signs shall meet the following conditions:
  1. The event promotion sign(s) shall not exceed 16 square feet in sign area;
  2. Shall not be posted more than 16 days prior to the event; and
  3. Shall be removed immediately but in no event more than two days following the event.
- C. The permittee shall post traffic control and/or directional signs the day or days of the special event as

required by the permit. Traffic control and/or directional signs shall meet the following conditions:

1. The location of all traffic control and/or directional signs shall require approval of the City Manager; and
2. Traffic control and/or directional signs shall not be posted more than four hours prior to the start of the special event and shall be removed not more than four hours after the conclusion of the special event. Any sign(s) left out after four hours may be removed by city staff and disposed of without compensation to event organizer.
- D. The permittee for a special event permit may post signs and banners during the special event at the special event venue.
  1. All venue sign(s) with more than 16 square feet of sign area or signs that are more than four feet above ground level shall be identified on the site plan;
  2. Each venue signs and/or banners shall be less than 50 square feet of sign area.
- E. Signs stating "no parking/tow away" shall be posted 72 hours in advance of the event start time.  
(Ord. NS-811 § 2, 2006; Ord. CS-101 § 11, 2010; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.120. Notification.**

- A. The applicant for:
  1. A first-time major event;
  2. A major event that has not been held for more than two years;
  3. A first-time event at a city facility that is not authorized by facility use permit; or
  4. An event at a city facility that is not authorized by facility use permit and that has not been held for more than two years; shall sponsor a meeting for all affected parties. This meeting must be held not more than 180 days prior or less than 80 days prior to the special event date. Affected parties must be notified by the applicant via the United States Postal Service or by direct distribution to all affected parties of the meeting a minimum of 10 days prior to the meeting. The purpose of this meeting will be to allow the special event sponsor to identify and address concerns of affected parties regarding the time, place and manner in which the special event is to be held. Concerns regarding the message or viewpoint of the event sponsor shall not be considered. The Parks and Recreation Director may waive the minimum 80-day time limit for the affected party meeting with a written finding of good cause if, after due consideration, the Parks and Recreation Director determines that because of the limited scope and complexity of the event when considering the application criteria, there will be adequate time for review by and input of concerned affected parties.
- B. The applicant for a major special event permit that is not subject to the notification described in subsection A shall notify all affected parties of the event not more 40 days nor less than 30 days prior to the special event date via the United States Postal Service or by direct distribution to all affected parties. The notification shall contain information concerning the event and information on how to contact the applicant and the Special Events Committee before and after the event.
- C. All applicants for a special event permit shall notify via the United States Postal Service or by direct distribution to all affected parties of the event not more than 15 days prior or less than 10 days prior

to the special event date with information concerning the event and information on how to contact the applicant and the Special Events Committee before and after the event.

(Ord. NS-811 § 2, 2006; Ord. CS-101 § 12, 2010; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

**§ 8.17.130. Reasons for denial of a special event permit.**

- A. The City Manager may only deny a special event permit to an applicant when any of the following applies:
1. The application for the permit (including any attachments) is not fully completed and executed.
  2. The application for the permit contains a material falsehood or misrepresentation.
  3. The applicant has failed to conduct a previously authorized event in accordance with law or the terms of a permit, or both.
  4. The use or activity would conflict with previously planned programs organized and conducted by the city and previously scheduled for the same place and time.
  5. A fully executed prior application for the same time and place has been received and a permit has been or is likely to be granted authorizing uses or activities which do not reasonably permit multiple occupancy of the particular site or part thereof.
  6. The applicant has not complied or cannot comply with applicable federal, state or local laws, regulations, ordinances or City Council policy.
  7. The applicant has not tendered the required application, indemnification agreement and endorsement(s), insurance certificate, or security deposit for police and emergency services and equipment within the times prescribed.
  8. The applicant has not provided for the services of a required number of police officers, fire and/or paramedic personnel, private security, civilian traffic controllers or event volunteers/staff to ensure the safety of the event.
  9. The applicant has not provided adequate sanitation and other required health facilities on or adjacent to any public assembly area.
  10. The applicant has not provided sufficient off-site parking or shuttle service, or both, required to minimize any adverse impacts on public parking and traffic circulation in the vicinity of the special event.
  11. The applicant has not obtained the approval of any other public agency within whose jurisdiction the special event or portion thereof will occur.
  12. The use or activity would present an unreasonable danger to the health or safety of the applicant, other users of the site, or the public.
  13. The special event will require the exclusive use of beach or park areas during any period in a manner which will have adverse impact on the reasonable use or access to those areas by the general public.
  14. The special event will create the imminent possibility of violent disorderly conduct likely to endanger public health, safety and welfare or to result in property damage.

15. The special event will interfere with the normal access and function of businesses and/or residences during any period in a manner, which will have adverse impact on the reasonable use or access to those areas.
16. The special event will require the diversion of a great number of police employees from their normal duties, thereby preventing reasonable police protection to the remainder of the city.
17. The conduct of the special event will substantially interrupt the safe and orderly movement of other pedestrian or vehicular traffic, including public transportation, contiguous to its route or location.

B. The City Manager shall not deny a special event permit to an applicant based upon the message, content or viewpoint of the event sponsor.

(Ord. NS-811 § 2, 2006; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.140. Notice of denial of application.**

The City Manager will act promptly upon a timely filed application for a special event permit and will make a determination not less than 28 calendar days prior to the event. The applicant will be notified within two working days of said determination.

If the City Manager does not act on a special event application at least 28 calendar days prior to the event, the application shall be deemed denied.

(Ord. NS-811 § 2, 2006; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.150. Alternatives to permit application.**

The City Manager, in denying an application for a special event permit, may authorize the conduct of the special event at a date, time, location, or route different from that named by the applicant and shall propose alternative measures, which would cure any defects in the application. An applicant desiring to accept the modifications to the application will, within five days after notice of the action of the City Manager, file a written notice of acceptance with the City Manager.

(Ord. NS-811 § 2, 2006; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.160. Appeal procedure.**

- A. Any applicant has the right to appeal the denial of a special event permit to the City Council. The denied applicant must make the appeal within five days after receipt of the denial by filing a written notice with the City Clerk and a copy of the notice with the Police Chief. The City Council will act upon the appeal at the next regularly scheduled meeting following receipt of the notice of appeal, which decision will be final.
  - B. In the event that the City Council denies an applicant's appeal, the applicant shall be afforded prompt judicial review of that decision as provided by California Code of Civil Procedure Section 1094.8.
- (Ord. NS-811 § 2, 2006; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.170. Notice to city and other officials.**

Immediately upon the issuance of a special event permit, the Parks and Recreation Director will send a notice thereof to the City Manager, the City Attorney, the Police Chief, the Fire Chief, the Utilities Director, the Community and Economic Development Director, and the manager or responsible head of each public transportation utility, the regular routes of whose vehicles will be affected by the route or

location of the proposed special event.

(Ord. NS-811 § 2, 2006; Ord. CS-101 § 17, 2010; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.180. Special events calendar.**

The city will maintain a special events calendar. Events will be registered on the special events calendar as "approved" or as "pending."

(Ord. NS-811 § 2, 2006; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

#### **§ 8.17.190. Contents of permit.**

Each special event permit will contain the following information or conditions, which is pertinent to the event:

- A. The dates and times when the special event is to be held;
- B. The dates and time roads will be closed;
- C. The set-up or staging time;
- D. The time clean-up or dismantling will be completed;
- E. The location of the special event venue, including set-up or staging area, if any, and clean-up or dismantling area, if any;
- F. The specific route of the special event;
- G. The number of persons, and type and number of animals and vehicles, the number of bands, other musical elements and equipment capable of producing sound, if any, and noise limitations thereon;
- H. The location of reviewing or audience stands;
- I. A copy of the traffic control plan (TCP) and/or parking management plan including the number and location of traffic controllers, monitors, other personnel and equipment and barricades to be furnished by the special event permittee;
- J. Conditions or restrictions on the use of alcoholic beverages and authorization for the conditions of the exclusive control or regulation of vendors and related sales activity by the permittee during the special event;
- K. Provisions for any required emergency medical services;
- L. The applicant's recycling plan;
- M. The applicant's plan to control water run-off and other contaminants that may enter the city storm drain system;
- N. Provisions for cleaning-up and restoration of the area or route of the event both during and upon completion of the event;
- O. The requirement for the on-site presence of the event organizer or a designated representative for event coordination and management purposes who shall carry the special event permit upon his or her person during the special event.

(Ord. NS-811 § 2, 2006; Ord. CS-101 § 19, 2010; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

**§ 8.17.200. Violations.**

- A. Violations of the terms and conditions of any of the following prohibitions in this chapter will constitute a misdemeanor punishable by a fine of up to \$1,000.00, or by imprisonment in the county jail for a term not exceeding six months, or by both:
  - 1. To stage, present, or conduct any special event without first having obtained a permit under this chapter;
  - 2. To hamper, obstruct, impede, or interfere with any special event or with any person, vehicle or animal participating or used in the special event;
  - 3. To carry any sign, poster, plaque, or notice, whether or not mounted on a length of material, unless such sign, poster, plaque, or notice is constructed or made of a cloth, paper, or cardboard material;
  - 4. For any person participating in any special event to carry or possess any length of metal, lumber, wood, or similar material for purposes of displaying a sign, poster, plaque or notice, unless such object is one and one-fourth inch or less in thickness and two inches or less in width, or if not generally rectangular in shape, such object may not exceed three-fourths of an inch in its thickest dimension.
- B. Violations of the terms and conditions of any of the following prohibitions in this chapter will constitute an infraction and shall be punished as provided for in Chapter 1.08 of this code:
  - 1. To participate in a special event for which the person knows a permit has not been granted;
  - 2. To knowingly fail to comply with any condition of the permit;
  - 3. For a participant in or spectator at a special event to knowingly violate any conditions or prohibitions contained in the special events permit;
  - 4. For any driver of a vehicle to drive between the vehicles or persons comprising a special event when the vehicles or persons are in motion and are conspicuously designated as a special event;
  - 5. The Police Chief may prohibit or restrict the parking of vehicles along a street constituting a part of a special event if the Police Chief posts or cause to be posted signs to that effect. It is unlawful for any person to park or leave unattended any vehicle in violation of the posted signs.
- C. The Police Chief may, when reasonably necessary, waive parking regulations along a street constituting a part of a special event.

(Ord. NS-811 § 2, 2006; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

**§ 8.17.210. Revocation of permit.**

The Police Chief may revoke a special event permit without prior notice upon violation of the permit or when a public emergency arises where the police resources required for that emergency are so great that deployment of police services for the special event would have an immediate and adverse effect upon the health, safety and welfare of persons or property. Written notice of the revocation setting forth the reasons therefor, shall be hand delivered or mailed to the applicant at the address provided on the application.

(Ord. NS-811 § 2, 2006; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

**§ 8.17.220. Severability.**

If any section, subsection, sentence, clause or phrase of this chapter is for any reason held invalid or unconstitutional by the decision of any court of competent jurisdiction, the decision will not affect the validity of the remaining portions of this chapter. The City Council declares that it would have passed the ordinance codified in this chapter and each section, subsection, sentence, clause or phrase contained in it irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases are declared invalid or unconstitutional.

(Ord. NS-811 § 2, 2006; Ord. CS-365 § 2, 2019; Ord. CS-408 § 3, 2021)

## CHAPTER 8.18 EXPRESSIVE ACTIVITY

### **§ 8.18.010. Purpose and intent.**

Establish a streamlined permitting process for expressive activities that balances the public's right to engage in such activities with the city's substantial interests in ensuring the public's peace, health, and safety and managing competing uses of city facilities by the public.

(Ord. CS-365 § 3, 2019)

### **§ 8.18.020. Definitions.**

Except where the context otherwise requires, for the purposes of this chapter, Chapter 8.18 et seq., the following definitions apply:

"City Manager" means the City Manager or authorized designee.

"Demonstration" means any formation, procession, or assembly of persons for the purposes of expressive activity.

"Event" means a parade or public assembly for the purposes of expressive activity.

"Event organizer" means any person who conducts, manages, promotes, organizes, aids or solicits attendance at an expressive activity event.

"Expressive activity" includes conduct, the sole or principal object of which is the expression of opinion, views, or ideas. Expressive activity includes, but is not limited to, public oratory and distribution of literature.

"Expressive activity event permit" means a permit as required by this chapter.

"Parade" means any march, procession or motorcade consisting of persons, vehicles or a combination thereof, upon any street, sidewalk, public park, or other public area within the city.

"Police Chief" means the Chief of Police or authorized designee.

"Public assembly" means any meeting, picket line, rally or gathering of any kind that occupies any street, sidewalk, public park, or other public area within the city.

"Risk Manager" means the Risk Manager or authorized designee.

"Sidewalk" means any area or way set aside or open to the general public for purposes of pedestrian travel, whether or not it is paved.

"Sound-amplifying system" means any system, apparatus, equipment, device, instrument or machine designed for or intended to be used for the purpose of amplifying the sound or increasing the volume of human voice, musical tone, vibration or sound wave.

"Spontaneous demonstration" means an expressive activity occasioned by news or affairs coming into public knowledge seven or less days prior to the activity.

"Street" means any place or way set aside or open to the general public for purposes of vehicular traffic, including, but not limited to, any berm or shoulder, parkway, public parking lot, right-of-way, alley or median.

(Ord. CS-365 § 3, 2019)

### **§ 8.18.030. Permit required.**

- A. An expressive activity event permit is required prior to conducting a demonstration or other event with the principal purpose of engaging in expressive activity, where the activity involves a gathering of 75 or more persons and any of the following:
1. The use of any public park or other public area; or
  2. The use of any street or sidewalk in a manner that does not comply with normal or usual traffic regulations or controls.
- B. An expressive activity event permit is not required for a spontaneous demonstration that meets the criteria of subsection A if the event organizer provides at least four hours prior notice to the Police Chief of the date, time, and location(s) where the event is to be conducted, their contact information, and an estimate of the number of persons that will be participating.
- C. Regardless of whether an expressive activity event permit is required, all persons that participate in an expressive activity event must comply with all applicable state and local laws and regulations.
- (Ord. CS-365 § 3, 2019)

**§ 8.18.040. Application.**

- A. A person requesting an expressive activity event permit shall file an application on forms provided by the City Manager. The city will not process an incomplete application unless the applicant obtains a waiver of applicable requirements.
- B. The application for an expressive activity event permit shall set forth all of the following information:
1. The name, address, email address and telephone number of the event organizer. If the event organizer is a non-individual or corporate entity, the application must identify an individual that will act as the primary contact for the event.
  2. The date(s), time(s), and location(s) where the expressive activity is to be conducted.
  3. An estimate of the number of persons who will be participating in the event.
  4. If the event requires full or partial street or sidewalk closures, the applicant shall describe whether the event intends to occupy all or only a portion of the streets and/or sidewalks proposed to be traveled.
  5. Whether the event will involve the use of vehicles, animals, fireworks, pyrotechnics or a sound-amplifying system.
- C. The application shall be filed no later than two days before commencement of the event.
- D. The City Manager may waive any of the permit application requirements where circumstances make it impractical or unnecessary to meet those requirements.
- (Ord. CS-365 § 3, 2019)

**§ 8.18.050. Permit approval or denial.**

- A. The City Manager shall act on all complete applications in the following manner:
1. In determining whether to approve or deny a permit under subsection (A)(2), or to impose conditions on a permit under subsection (A)(3), the City Manager shall not consider the message of the event, the content of the speech, the identity or associational relationships of the applicant,

or to any assumptions or predictions as the amount of hostility which may be aroused in the public by the content of the speech or message conveyed by the event.

2. After review of the application and receipt of all required documents, the City Manager shall issue the expressive activity event permit unless the City Manager finds that approving the permit would be contrary to the public peace, health, safety, or welfare for one or more of the following reasons:
    - a. The event will unduly interfere with ingress to, or egress from, or travel on a freeway or state designated highway;
    - b. The event requires a temporary street closure that will unduly interfere with the orderly and safe movement of traffic or the provision of public services, and the applicant is unable or unwilling to modify the event's scope, location, date, time, or duration to minimize such impact;
    - c. Due solely to the number of event participants and their impact on normal traffic or pedestrian flow, the event will require a significant diversion of police officers such that police protection for other areas of the city may be adversely impacted, and the applicant is unable or unwilling to modify the event's scope, location, date, time, or duration to minimize such impact; or
    - d. The anticipated number of event participants would exceed the safe capacity of the public park or other public area where the event is proposed.
  3. The City Manager may impose conditions on approval of the expressive activity event permit as he or she determines to be reasonably necessary to protect the public peace, health, safety, or welfare.
  4. The City Manager will act promptly on a timely filed and complete application. The city's review of a complete application shall take no longer than 72 hours and the City Manager will make a determination not less than one calendar day prior to the event. Any permit denial shall be made in writing.
- B. An applicant has the right to appeal the denial of an expressive activity event permit to the City Council. The denied applicant shall use the following procedures:
1. The denied applicant must make the appeal within five days after receipt of the denial by filing a written notice with the City Clerk and a copy of the notice with the Police Chief. The City Council will act upon the appeal at the next regularly scheduled meeting following receipt of the notice of appeal, which decision will be final.
  2. In the event that the City Council denies an applicant's appeal, the applicant may seek judicial review of the City Council's decision pursuant to California Code of Civil Procedure Section 1094.8.

(Ord. CS-365 § 3, 2019)

#### **§ 8.18.060. Administrative regulations.**

The City Manager may adopt administrative regulations that are consistent with and that further the terms and requirements set forth within this chapter. All such administrative regulations must be in writing.

(Ord. CS-365 § 3, 2019)

**§ 8.18.070. Violations.**

Conducting or participating in an unpermitted event for which a permit is required by this chapter, where the person knows a permit has not been granted, will constitute an infraction and shall be punished as provided for in Chapter 1.08 of this code.

(Ord. CS-365 § 3, 2019)

**§ 8.18.080. Severability.**

If any section, subsection, sentence, clause or phrase of this chapter is for any reason held invalid or unconstitutional by the decision of any court of competent jurisdiction, the decision will not affect the validity of the remaining portions of this chapter. The City Council declares that it would have passed the ordinance codified in this chapter and each section, subsection, sentence, clause or phrase contained in it irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases are declared invalid or unconstitutional.

(Ord. CS-365 § 3, 2019)

## CHAPTER 8.28 MOTOR VEHICLES

**Note: For provisions governing motor vehicle regulations generally, see Title 10.**

### **§ 8.28.010. Unlawful unless done by owner—Exceptions.**

It is unlawful for any person to do any assembly, disassembly, or repair work of any kind upon any motor vehicle of which he or she is not the registered owner unless specifically allowed by Title 21 of this code. (Ord. 3072 § 1, 1967)

### **§ 8.28.020. Nonresident on property—Unlawful—Exceptions.**

It is unlawful for any person to do any assembly, disassembly, or repair work of any kind upon any motor vehicle upon property upon which he or she does not reside, unless specifically allowed by Title 21. (Ord. 3072 § 2, 1967)

### **§ 8.28.030. Nuisance.**

It is unlawful for any person to do any assembly, disassembly, or repair work of any kind upon any motor vehicle if such repair work causes a nuisance to any persons by reason of noise, smoke, vibration, attractive nuisance to children, hazard from explosion, the creation of unsightly neighborhood conditions, or other causes.

(Ord. 3072 § 3, 1967)

### **§ 8.28.040. Driving motor vehicles on private property prohibited.**

- A. It is unlawful for any person to operate or drive or leave any vehicle in, over, or upon any private property or unimproved public property not designated for the use of motorized vehicles without the written permission of the owner thereof, or the person entitled to the immediate possession thereof, or the authorized agent of either.
- B. Whenever any person is stopped by a peace officer pursuant to this section, he or she shall, upon the request of such peace officer, display said written permission.
- C. The City Manager may designate certain areas of unimproved public property suitable for use by vehicles upon the advice of the Police Chief and Transportation Director. Such areas will be clearly designated by appropriate signs.
- D. This section does not apply to vehicles owned by a public entity or utility company when used in the course of business.

(Ord. 3082 § 1, 1970; Ord. 3113 § 1, 1979; Ord. NS-48 § 1, 1988; Ord. CS-164 § 2, 2011)

### **§ 8.28.050. Distribution or solicitation to persons in vehicles.**

- A. Except as permitted by Section 8.28.050(B), it is unlawful for any person, while on a public sidewalk or in a public roadway, to distribute, sell, or attempt to distribute or sell materials to, or to solicit, or attempt to solicit business or contributions from, any person who is traveling in any type of vehicle along a public roadway.
- B. Distributing materials or soliciting business or contributions is permitted on sidewalks adjacent to

public roadways with a speed limit of 35 miles per hour or less as shown on the map labeled Exhibit A attached to the ordinance codified in this chapter and found on file in the City Clerk's office, except:

1. When the public roadway intersects with another public roadway that has a speed limit greater than 35 miles per hour, in which case distribution or solicitation is prohibited within 100 feet of the intersection;
  2. In the commercial/visitor-serving overlay zone as shown on the map labeled Exhibit B attached to the ordinance codified in this chapter and found on file in the City Clerk's office;
  3. Anywhere on La Costa Avenue.
- C. No more than one person at a time may distribute materials or solicit business or contributions at the quadrant of any intersection where distribution or solicitation is permitted under Section 8.28.050(B). (Ord. NS-552 § 1, 2000)

#### **§ 8.28.055. Depositing handbills on vehicles.**

This section does not make it unlawful for a person to hand out or distribute without charge to the receiver thereof a handbill to any occupant of a vehicle in an otherwise lawful manner.  
(Ord. NS-290 § 1, 1994; Ord. CS-068 §§ 2—4, 2009; Ord. CS-405 § 3, 2021)

#### **§ 8.28.060. Unlawful possession of a catalytic converter.**

- A. It is unlawful for any person, other than a Core Recycler as defined in California Business and Professions Code Section 21610, to possess any catalytic converter that is not attached to a vehicle unless the person has valid proof of ownership of the catalytic converter.
- B. This section does not apply to a detached catalytic converter that has been tested, certified, and labeled or otherwise approved for reuse, and being bought or sold for purposes of reuse in accordance with the federal Clean Air Act (42 U.S.C. Sections 7401 et seq.) and regulations under the Clean Air Act, as they may, from time to time, be amended.
- C. For purposes of this section, "valid proof of ownership" shall contain all the following information:
  1. The license plate number and vehicle identification number of the car from which the catalytic converter was removed.
  2. The name, address, and telephone number of the owner of the vehicle from which the catalytic converter was removed.
  3. The signature of the vehicle owner authorizing removal of the catalytic converter.
  4. The name, address, and telephone number of the current owner of the catalytic converter.
- D. It is unlawful for any person to knowingly falsify or cause to be falsified any information in a record intended to show valid proof of ownership.
- E. Each violation of this section constitutes a separate violation and is subject to all remedies and enforcement measures authorized by the Carlsbad Municipal Code.
- F. Any person who violates any provision of this section shall be guilty of a misdemeanor punishable by a fine not to exceed \$1,000.00, imprisonment in the County Jail for a term not exceeding six months, or both.

(Ord. CS-413 § 2, 2022)

**CHAPTER 8.29**  
**SPECTATORS PROHIBITED AT ILLEGAL SPEED CONTESTS OR EXHIBITIONS OF**  
**SPEED**

**§ 8.29.010. Purpose.**

The City Council of the City of Carlsbad, California finds and declares:

- A. Pursuant to California Vehicle Code Section 23109, motor vehicle speed contests and exhibitions of speed conducted on public streets and highways are illegal. Motor vehicle speed contests and exhibitions of speed are more commonly known as street races or drag races.
- B. Public streets throughout the County of San Diego, including the City of Carlsbad, have been the site of illegal street racing over the past several years. Such street racing threatens the health and safety of the public, interferes with pedestrian and vehicular traffic, creates a public nuisance, and interferes with the right of private business owners to enjoy the use of their property. The illegal street races occur on a regular basis on various public streets throughout the County of San Diego, including the City of Carlsbad. Hundreds of racers and spectators gather on these streets late at night and in the early morning hours, blocking the streets and sidewalks to traffic, forming a racetrack area, placing bets, and otherwise encourage, aid and abet the racing process.
- C. Illegal street racers accelerate to high speeds without regard to oncoming traffic, pedestrians, or vehicles parked or moving nearby. The racers drive quickly from street to street, race for several heats, and then move to other locations upon the arrival of the police. Those who participate in this illegal activity are very sophisticated using cell phones, police scanners and other electronic devices to communicate with each other to avoid arrest. They also use the Internet to provide information on where to race, and give advice on how to avoid detection and prosecution.
- D. In most cases, illegal street races attract hundreds of spectators. The mere presence of spectators at these events fuels the illegal street racing and creates an environment in which these illegal activities can flourish.
- E. To discourage illegal street races, many cities in the County of San Diego have recently adopted ordinances prohibiting spectators at these races. Those cities who have not adopted such ordinances are experiencing an increase in illegal street races in their jurisdictions.
- F. This chapter is adopted to prohibit spectators at illegal street races with the aim of significantly curbing this criminal activity. The ordinance codified in this chapter targets a very clear, limited population and gives proper notice to citizens as to what activity is lawful and what activities are unlawful. In discouraging spectators, the act of organizing and participating in illegal street races will be discouraged.
- G. This chapter makes evidence of specified prior acts admissible to show the propensity of the defendant to be present at or attend illegal street races if the prior act or acts occurred within three years of presently charged offense.

(Ord. NS-670 § 1, 2003)

**§ 8.29.020. Definitions.**

"Illegal motor vehicle speed contest" or "illegal exhibition of speed" means any speed contest or exhibition of speed referred to in California Vehicle Code Sections 23109(a) and 23109(c).

A person is "present" at the illegal motor vehicle speed contest or exhibition of speed if that person is within 200 feet of the location of the event, or within 200 feet of the location where preparations are being made for the event.

"Preparations" for the illegal motor vehicle speed contest or exhibition of speed include, but are not limited to, situations where:

1. A group of motor vehicles or persons has arrived at a location for the purpose of participating in or being a spectator at the event;
2. A group of individuals has lined one or both sides of a public street or highway for the purpose of participating in or being a spectator at the event;
3. A group of individuals has gathered on private property open to the general public without the consent of the owner, operator or agent thereof for the purpose of participating in or being a spectator at the event;
4. One or more persons has impeded the free public use of a public street or highway by actions, words or physical barrier for the purpose of conducting the event;
5. Two or more vehicles have lined up with motors running for an illegal motor vehicle speed contest or exhibition of speed;
6. One or more drivers is revving his or her engine or spinning his or her tires in preparation of the event; or
7. An individual is stationed at or near one or more motor vehicles serving as a race starter.

"Spectator" means any person who is present at an illegal motor vehicle speed contest or exhibition of speed, or where preparations are being made for such activities, for the purpose of viewing, observing, watching, or witnessing the event as it progresses. A "spectator" includes any person at the location of the event without regard to whether the person arrived at the event by driving a vehicle, riding as a passenger in a vehicle, walking, or arriving by some other means.

(Ord. NS-670 § 1, 2003)

#### **§ 8.29.030. Spectator at illegal speed contest or exhibitions of speed.**

- A. Any person who is knowingly present as a spectator, either on a public street or highway or on private property open to the general public without the consent of the owner, operator or agent thereof, at an illegal motor vehicle speed contest or exhibition of speed is guilty of a misdemeanor punishable in accordance with Chapter 1.08 of this code.
  - B. Any person who is knowingly present as a spectator, either on a public street or highway or on private property open to the general public without the consent of the owner, operator or agent thereof, where preparations are being made for an illegal motor vehicle speed contest or exhibition of speed is guilty of a misdemeanor punishable in accordance with Chapter 1.08 of this code.
  - C. Exemption: Nothing in this section prohibits law enforcement officers or their agents from being spectators at illegal speed contests or exhibitions of speed in the course of their official duties.
- (Ord. NS-670 § 1, 2003)

**§ 8.29.040. Relevant circumstances to prove a violation.**

Notwithstanding any other provisions of law, to prove a violation of this section, admissible evidence may include, but is not limited to, any of the following:

- A. The time of day;
- B. The nature and description of the scene;
- C. The number of people at the scene;
- D. The location of the person charged in relation to any individual or group present at the scene;
- E. The number and description of motor vehicles at the scene;
- F. That the person charged drove or was transported to the scene;
- G. That the person charged has previously participated in an illegal speed contest or exhibition of speed;
- H. That the person charged has previously aided and abetted an illegal speed contest or exhibition of speed;
- I. That the person charged has previously attended an illegal speed contest or exhibition of speed;
- J. That the person charged previously was present at a location where preparations were being made for an illegal speed contest or exhibition of speed or where an exhibition of speed or speed contest was in progress.

(Ord. NS-670 § 1, 2003)

**§ 8.29.050. Admissibility of prior acts.**

The list of circumstances set forth in Section 8.29.040 is not exclusive. Evidence of prior acts may be admissible to show the propensity of the defendant to be present at or attend a speed contest or exhibition of speed if the prior act or acts occurred within three years of the presently charged offense. These prior acts may always be admissible to show knowledge on the part of the defendant that a speed contest or exhibition of speed was taking place at the time of the presently charged offense. Prior acts are not limited to those that occurred within the City of Carlsbad.

(Ord. NS-670 § 1, 2003)

**CHAPTER 8.32  
VENDING AND SOLICITING**

**§ 8.32.010. Purpose and findings.**

- A. The purpose of this chapter is to establish a regulatory program to comply with California State Senate Bill 946 (Chapter 459, Statutes 2018). This chapter's provisions will encourage micro-business owners to engage in the business and economic community of the City of Carlsbad by removing prohibitions against vending on public sidewalks and rights-of-way, while still maintaining regulations that protect public health, safety and welfare. The time, place and manner restrictions throughout this chapter are necessary to:
  1. Comply with the Americans with Disabilities Act (ADA) by providing clear and open sidewalks and access to public transportation areas;
  2. Successfully provide police, fire and emergency services;
  3. Ensure the safe flow of vehicular traffic and pedestrians along public roadways, sidewalks and rights-of-way, particularly along and near high traffic and narrow sidewalks and rights-of-way;
  4. Protect natural resources and preserve the utility, natural beauty and recreational value of public spaces throughout the City;
  5. Protect public health and safety by ensuring vendors utilize proper sanitation in food handling and preparation;
  6. With regard to restrictions on vending in the Carlsbad Village Sea Wall trail area as defined herein, many portions of this trail area are narrow and regularly host a high volume of pedestrians and dogs (on the upper area) traveling in each direction. Restrictions on sidewalk vending are necessary to protect the public from injury given the Sea Wall area's popularity as a destination for tourists and residents alike;
  7. With regard to restrictions on vending in public parks and recreational facilities, these restrictions are necessary to: preserve the public's free use and enjoyment of natural resources and recreational opportunities; prevent an undue concentration of commercial activity that unreasonably interferes with the scenic and natural character of these spaces; and ensure the health, safety and welfare of persons engaged in active sports activities and spectators of active sports activities.
- B. This chapter is found to be categorically exempt from environmental review pursuant to CEQA Guidelines Section 15061(b)(3), in that the City Council finds and determines that there is nothing in this chapter or its implementation, either individually or cumulatively, which would foreseeably have any significant effect on the environment.
- C. Nothing in this chapter shall be construed to affect the existing requirements of Carlsbad Municipal Code Section 11.32.030, concerning unlawful acts and the issuing of facility use and special event permits in city parks and beaches.
- D. Nothing in this chapter shall be construed to affect the requirements of San Diego County Code Section 61.201 or Part 7 (beginning at Section 113700) of Division 104 of the California Health and Safety Code as applied to an individual who sells food or beverages.

(Ord. CS-346 § 2, 2019)

**§ 8.32.020. Definitions.**

For purposes of this chapter the following definitions apply:

"Business license" means a license issued by the City of Carlsbad pursuant to Carlsbad Municipal Code Chapters 5.04 and 5.08, authorizing an individual to conduct business within city limits.

"City" means the City of Carlsbad.

"Conveyance" means any wheeled device used to carry persons or property.

"Food truck" means a motorized vehicle specifically equipped for the sale of food or beverages used for vending purposes.

"Food truck vendor" means a person who vends food or beverages using a food truck.

"Ice cream truck" means a food truck engaged in the curbside vending or sale of frozen or refrigerated desserts, confections or novelties commonly known as ice cream, or prepackaged candies, snack foods or soft drinks, primarily intended for sale to children under 12 years of age.

"Pedestrian path" means a paved path or walkway owned by the city or other public entity that is specifically designed for pedestrian travel, other than a sidewalk.

"Permittee" means the authorized recipient of a duly issued vending equipment permit.

"Residential street" means any street that adjoins one or more single-family or multifamily residentially zoned parcel(s).

"Sidewalk" means that portion of a highway, other than the roadway, set apart by curbs, barriers, markings or other delineation specifically designed for pedestrian travel and that is owned by the city or other public entity.

"Sidewalk vendor" means a person who vends food or merchandise using nonmotorized vending equipment or from one's person, upon or along a public sidewalk or other public pedestrian path.

"Vend" or "vending" means an offer to sell or the sale of goods, merchandise, food or beverages on a public street, alley, highway, parking lot, sidewalk, pedestrian path or right-of-way.

"Vending equipment" means any motorized or non-motorized conveyance used for sidewalk or food truck vending purposes including, but not limited to: food trucks, pushcarts, pedal-driven carts, wagons, bicycles or any other free-standing conveyance.

"Vending equipment permit" means a written City of Carlsbad approval required prior to the use of vending equipment for vending purposes.

(Ord. CS-346 § 2, 2019)

**§ 8.32.030. Vending equipment permit requirement.**

- A. All sidewalk and food truck vendors wishing to utilize a motorized vehicle or non-motorized conveyance for vending, including, but not limited to, food trucks, carts, wagons, bicycles or any other miscellaneous conveyance, must obtain a vending equipment permit for each conveyance prior to use on any public street, sidewalk or right-of-way. Permits shall be issued by the Finance Director or designee, unless otherwise specified in the Carlsbad Municipal Code, including, but not limited to, Section 11.32.030.
- B. A vending equipment permit shall be valid for one calendar year from the date of issuance and must be renewed annually. Permits may only be issued for one conveyance and shall not be sold, assigned or transferred.

- C. To obtain a vending equipment permit, an applicant must submit the following information on a permit application form provided by the city's finance department:
1. The name, address and telephone number of the applicant and business owner;
  2. Proof of valid, government-issued identification (i.e., driver's license, state identification card, taxpayer identification number, social security card, birth certificate or passport);
  3. Description of the type of motorized or non-motorized vehicle or conveyance to be permitted, including license number, make, model, size, signage and design type;
  4. The nature of every good, merchandise, food or beverage the applicant intends to sell using the vehicle or non-motorized conveyance;
  5. The proposed character, location, days, hours and route of vending operations;
  6. Proof of insurance, as required by Section 8.32.060 of this chapter;
  7. Proof of a valid California Department of Tax and Fee Administration seller's permit that notes the City of Carlsbad as a location or sub-location, which shall be maintained for the duration of the vendor's permit;
  8. Proof of a valid San Diego County Health Certificate and San Diego County Food Handlers Card; and
  9. Such other information as the City Manager or designee deems reasonably necessary to administer this chapter.
- D. Each vending equipment permit application shall be accompanied by a non-refundable permit fee as established by resolution of the City Council.

(Ord. CS-346 § 2, 2019)

#### **§ 8.32.040. Business license requirement.**

- A. All individuals engaged in vending on any city street, alley, highway, parking lot or right-of-way subject to the provisions of this chapter are subject to the business license requirements contained in Chapters 5.04 and 5.08 of this code.
- B. A city business license shall be prominently be displayed at all times on the vendor's person or vending equipment during all vending activities.

(Ord. CS-346 § 2, 2019)

#### **§ 8.32.050. Release and indemnification requirements.**

- A. If the city issues a permittee a vending equipment permit, as a condition of such permit issuance, permittee agrees to waive and release the city and its officers, agents, employees and volunteers from and against any and all claims, costs, liabilities, expenses or judgments including attorney's fees and court costs arising out of any vending activities or any illness or injury resulting therefrom, and hereby agrees to indemnify and hold harmless the city from and against any and all such claims, whether caused by negligence or otherwise, except for illness and injury resulting directly from gross negligence or willful misconduct on the part of the city or its employees.
- B. If the city issues a permittee a vending equipment permit, as a condition of such permit issuance, permittee further must acknowledge that the use of public property is at the sidewalk vendor or food

truck vendor's own risk, the city does not take any steps to ensure public property is safe or conducive to the vending activities, and the vendor uses public property at their own risk.

(Ord. CS-346 § 2, 2019)

#### **§ 8.32.060. Insurance requirements.**

All sidewalk vendors and food truck vendors shall obtain and maintain throughout the duration of any permit issued under this chapter any insurance required by the city's Risk Manager. All vendors must provide evidence of any required insurance, including, but not limited to, commercial general liability insurance, auto insurance and worker's compensation insurance, in a form and with a coverage amount acceptable to the city's Risk Manager based on the size and risk factors of the business. With regard to any commercial general liability insurance policy, the vendor shall name the city as an additional insured, and with a coverage amount to be determined by the Risk Manager according to the size and risk factors of the business. When determining the size of the business and the risk to customers and the general public, the Risk Manager's estimates shall be determinative. The insurance policy required by this section shall not be cancelled, limited or not renewed without 30 days' prior written notice to the city.

(Ord. CS-346 § 2, 2019)

#### **§ 8.32.070. Permit denial and revocation.**

- A. Any false or misleading statements or information provided in a vending equipment permit application shall be grounds for denial of the application and/or imposition of penalties as outlined in accordance with this chapter.
- B. A vending equipment permit application may be denied if the applicant has had a prior vending equipment permit revoked within the past 36 calendar months for the same vending equipment.
- C. A vending equipment permit may be revoked for any of the following reasons:
  1. False information or facts supplied by the applicant upon which the issuance of the vending equipment permit was based;
  2. Failure of the applicant to promptly notify the City Manager or designee of any material changes to the facts provided in a vending equipment permit application subsequent to the issuance of a vending equipment permit, including, but not limited to, lapse of liability insurance;
  3. Failure of the applicant to comply with the regulations set forth in this chapter.
- D. Revocation of a vending equipment permit shall be served in writing no less than 30 days before revocation to the address listed on the initial application or to any subsequent address provided to the city by the permittee.
- E. Any applicant whose application for a vending equipment permit is denied or whose permit is revoked may appeal such decision to the City Manager or designee by filing a written notice of appeal within 10 calendar days after receipt of the notice of denial or revocation. The City Manager or designee shall review and render a decision on the appeal within 90 calendar days. The decision made by the City Manager or designee shall be final.

(Ord. CS-346 § 2, 2019)

#### **§ 8.32.080. Sidewalk vending generally.**

- A. Vending activities may occur between the hours of 8:00 a.m. and sunset in all residential zoned areas

and between the hours of 8:00 a.m. and 10:00 p.m. in industrial and commercial zoned areas.

- B. No sidewalk vending of any type shall take place to any individuals traveling within motor vehicles along a public roadway.
- C. A sidewalk vendor shall not vend on any exclusively residential street for longer than 60 minutes at any given time.
- D. No sidewalk vending of any kind shall take place in the following locations:
  - 1. In the public right-of-way or any area that blocks pedestrian or vehicle access;
  - 2. Any public property that does not meet the definition of a sidewalk, including, but not limited to, any alley, beach, pier, square, street, street end or parking lot;
  - 3. Within 50 feet of another sidewalk vendor;
  - 4. Within 18 inches from the edge of a curb;
  - 5. Any location that obstructs traffic signals or regulatory signs;
  - 6. Within 15 feet of any intersection, driveway or building entrance, or within any space designed for vehicular parking;
  - 7. Within 15 feet of any fire hydrant or fire escape;
  - 8. Within 100 feet of any vehicle entrance of any fire station, police department, hospital or any other structure involved in health and safety emergency matters;
  - 9. Within 15 feet of any loading zone, bus stop, parking space or access ramp designed for persons with disabilities;
  - 10. Within 10 feet of an outdoor dining or patio area;
  - 11. Within 500 feet of a permitted special event or street fair;
  - 12. Within one-half mile of a public school building or school grounds while children are going to or from the school, during a recess period or within 30 minutes before or after the school's opening or closing hours;
  - 13. Within 500 feet of high-traffic landmarks and venues, as determined by the City Manager or designee and published in an administrative order, which shall include justification that such restrictions are directly related to objective health, safety or welfare concerns;
  - 14. On any portion of the Carlsbad Village Sea Wall trail, which extends alongside Carlsbad Boulevard and adjacent to the beach, between the cross streets of Pine Avenue and Tamarack Avenue. This restriction on vending shall include both the upper and lower portions of the Sea Wall trail.
- E. Vending activities in public parks and recreational facilities must also comply with the following:
  - 1. Vending within public parks or recreational facilities is allowed only upon or alongside sidewalks or other paved or marked pedestrian pathways. Outside of these aforementioned areas, vending shall not take place on sand, dirt, grass or on any space which would obstruct, damage or otherwise adversely affect the public's use and enjoyment of natural resources and

recreational opportunities, or contribute to an undue concentration of commercial activity that unreasonably interferes with the scenic and natural character of the park.

2. Vending activities that adversely affect the health, safety and welfare of persons engaged in active sports activities and spectators of active sports activities are prohibited.
3. Sidewalk vending activities lasting 10 minutes or longer in duration shall not be permitted within any area of a public park if the park operator has signed an agreement for concessions that exclusively permits the sale of food or merchandise by a specified concessionaire.
4. A valid park and facility use permit or special event permit obtained pursuant to Carlsbad Municipal Code Section 11.32.030 may waive these requirements for limited engagements or events.

(Ord. CS-346 § 2, 2019)

#### **§ 8.32.090. Sidewalk vending equipment.**

- A. Notwithstanding any specific requirements of this section, no sidewalk vendor shall use vending equipment in such a way as to endanger the safety of person or property or to cause a public or private nuisance, including, but not limited to, the use of an open flame.
- B. All non-motorized vending equipment including push carts, wagons, pedal carts or bikes shall not exceed six feet in length and four feet in width.
- C. Vendors are responsible for ensuring that the 10-foot area immediately surrounding the vending space is kept clean and free of trash and debris associated with their vending operation.
- D. Vendors are forbidden from using sound-making devices in conjunction with vending, including, but not limited to, loudspeakers, public address systems, bells, chimes or other noisemaking devices.
- E. Vendors are forbidden from erecting freestanding structures adjacent to vending activities, including, but not limited to, signs, umbrellas, ice chests, chairs, tables or benches.
- F. No vending equipment shall be attached to or make contact with any utility pole, street sign, bus stop, trash can, traffic pole or any other public structure.
- G. No vending equipment or merchandise shall be left unaccompanied, stored, parked or left overnight on a public street, alley, highway, parking lot, sidewalk or right-of-way at any time.

(Ord. CS-346 § 2, 2019)

#### **§ 8.32.100. Food truck vending requirements.**

- A. Subject to the provisions in this chapter, a food truck vendor may sell or offer to sell merchandise, food or beverages from a food truck only at the request of a bona fide purchaser and may not park or stand for longer than 60 minutes on any public street, alley, highway, parking lot, sidewalk or right-of-way.
- B. Each food truck operator is subject to the business license requirements contained in Chapters 5.04 and 5.08 of this code.
- C. Each food truck used for vending must obtain a vending equipment permit pursuant to Section 8.32.030 of this chapter.
- D. A food truck vendor may not vend in the following locations:

1. At any location that obstructs traffic signals or regulatory signs;
  2. Within 100 feet of another food truck vendor;
  3. Within any street, alley, highway or public right-of-way with a posted speed limit greater than 25 miles per hour;
  4. Within 100 feet of an intersection that contains a street, alley, highway or public right-of-way with a posted speed limit greater than 25 miles per hour;
  5. At any location that does not have an unobstructed view for 200 feet in both directions along the street, alley, highway or public right-of-way;
  6. Within 25 feet of any intersection, public driveway or building entrance;
  7. Within 25 feet of any fire hydrant or fire escape;
  8. Within 100 feet of any vehicle entrance of any fire station, police department, hospital or any other structure involved in health and safety emergency matters;
  9. Within 25 feet of an outdoor commercial dining or patio area;
  10. Within 500 feet of a permitted special event or street fair;
  11. Within one-half mile of a public school building or school grounds while children are going to or from the school, during a recess period or within 30 minutes before or after the school's opening or closing hours;
  12. Within 500 feet of high-traffic landmarks and venues, as determined by the City Manager or designee and published in an administrative order;
  13. Along any portion of the Carlsbad Village Sea Wall trail, which extends alongside Carlsbad Boulevard and adjacent to the beach, between the cross streets of Pine Avenue and Tamarack Avenue.
- E. Notwithstanding any specific requirements of this section, no vendor shall operate a food truck in such a way as to endanger the safety of person or property or to cause a public or private nuisance.
- F. All ice cream trucks must be equipped at all times with signs mounted on both the front and the rear and clearly legible from a distance of 100 feet under daylight conditions, incorporating the words "WARNING" and "CHILDREN CROSSING." Each sign shall be at least 12 inches high by 48 inches wide, with letters of a dark color and at least four inches in height, a one-inch solid border and a sharply contrasting background.
- G. All food truck vendors are forbidden from using sound-making devices in conjunction with vending, including, but not limited to, loudspeakers, public address systems, bells, chimes or other noisemaking devices.
- H. Except for department of transportation approved vehicle lights, no artificial lighting for, or installed on, food trucks is permitted.
- I. No freestanding structures may be attached to or erected adjacent to a food truck including, but not limited to, signs, umbrellas, ice chests, chairs, tables or benches.
- J. Food truck vendors are responsible for ensuring that the 10-foot area immediately surrounding any

vending space is kept clean and free of trash and debris associated with the vending operation.  
(Ord. CS-346 § 2, 2019)

**§ 8.32.110. Penalties and fines.**

- A. Any violation of any of the provisions of this chapter by any individual holding a valid vending equipment permit will constitute an infraction and shall be punished as follows:
  - 1. An administrative citation and \$100.00 penalty for a first violation.
  - 2. An administrative citation and \$200.00 penalty for a second violation.
  - 3. An administrative citation and \$500.00 penalty for a third and each subsequent violation.
- B. Any person found vending without a valid vending equipment permit is punishable by the following in lieu of the administrative fines set forth in subsection A:
  - 1. An administrative fine of \$250.00 for a first violation.
  - 2. An administrative fine of \$500.00 for a second violation within one year of the first violation.
  - 3. An administrative fine of \$1,000.00 for a third violation within one year of the first violation.
  - 4. An administrative fine of \$1,000.00 for each subsequent violation within one year of the first violation and impoundment of vending equipment pursuant to Section 8.32.120 of this chapter.
  - 5. Proof of a valid vending equipment permit issued by the city will result in a reduction of administrative fines to the administrative fine schedule set forth in subsection A.
- C. With regard to sidewalk vendors only: Failure to pay an administrative fine pursuant to subsections A and B shall not be punishable as an infraction or misdemeanor; additional fines, fees, assessments or any other financial conditions beyond those authorized in subsections A and B shall not be assessed.
- D. The issuance of four or more administrative citations or verifiable municipal code violations concerning vending equipment permit requirements within a 12-month period shall result in revocation of all vending equipment permits pursuant to this chapter.
- E. Vending equipment permit revocation is subject to a 30-day prior written notice. A permittee may appeal such decision to the City Manager or designee by filing a written notice of appeal within 10 calendar days after receipt of the notice of denial or revocation. The City Manager or designee shall review and render a decision on the appeal within 90 calendar days. The decision made by the City Manager or designee shall be final.
- F. In the event a vending equipment permit is revoked, an application to reestablish any vending equipment permit pursuant to this chapter shall not be accepted for a minimum period of 36 months from the date the prior permit was revoked.

(Ord. CS-346 § 2, 2019)

**§ 8.32.120. Impoundment of vending equipment.**

- A. In addition to the administrative fines taken pursuant to Section 8.32.110 above, any enforcement officer, as defined in the Carlsbad Municipal Code Section 1.10.010, may, upon an individual's fourth or greater violation of this chapter, impound vehicles, vending equipment and any perishable or non-

perishable goods therein.

- B. Any owner of impounded vehicles and/or vending equipment may, within 10 days, request an administrative hearing before a hearing officer appointed by the city.
- C. By 5:00 p.m. on the next business day following impoundment, a violator will be contacted regarding the details given in the impoundment citation. The equipment and/or vehicles will then be released to the owner provided that proper proof of ownership is presented and the city receives payment in full of all towing and administrative costs incurred as a result of the violation. Any unclaimed items will be considered abandoned and forfeited to the city after 90 days following impoundment.

(Ord. CS-346 § 2, 2019)

#### **§ 8.32.130. Sidewalk cafes.**

Subject to the provisions of Title 21 of the Carlsbad Municipal Code, a business located in a commercial zone may erect permanent dining and lounge areas on public sidewalks subject to the discretion of the city. If permitted by the provisions of Title 21, a permanent structure, all or part of which is located on a public street, sidewalk, parking lot or easement, may be used for the sale of goods or merchandise, provided that all appropriate permits required by Titles 6, 11, 18 and 21 have been issued.

(Ord. CS-346 § 2, 2019)

#### **§ 8.32.140. Sidewalk sales.**

The City Manager or designee may, from time to time, issue temporary permits providing for the holding of promotional sidewalk sales, subject to such restrictions as to length of time and other conditions as the City Manager or designee deems reasonably necessary for the public health, safety and welfare.

(Ord. CS-346 § 2, 2019)

#### **§ 8.32.150. Street fairs.**

The City Manager or designee may from time to time issue temporary permits for street fairs subject to such restrictions as to the length of time and other conditions as the City Manager or designee deems reasonably necessary for the public health, safety and welfare.

(Ord. CS-346 § 2, 2019)

#### **§ 8.32.160. Standing.**

Except as otherwise provided, enforcement of this chapter is at the sole discretion of the persons authorized to enforce this chapter. Nothing in this chapter shall create a right of action in any person against the city or its agents for damages or to compel public enforcement of this chapter against private parties.

(Ord. CS-346 § 2, 2019)

#### **§ 8.32.170. Severability.**

If any subsection, subdivision, clause, sentence, phrase or portion of this chapter is held unconstitutional, invalid or unenforceable by any court or tribunal, the remaining subsections, subdivisions, clauses, sentences, phrases or portions of this ordinance shall remain in full force and effect.

(Ord. CS-346 § 2, 2019)

**§ 8.32.180. Non-applicability.**

The following persons, entities or activities are exempt from the requirements of this chapter:

- A. Any vendor or person engaged solely in artistic performances, free speech and/or petitioning activities;
- B. Nonprofit educational institutions, fraternal and service clubs, bona fide religious organizations and agencies of any federal, state or local governments;
- C. Nonprofit private clubs where a basic membership fee covers the cost of the use of the facilities;
- D. Community organizations/events not otherwise regulated by the Carlsbad Municipal Code, upon approval of the City Manager or designee;
- E. Businesses and trades that are exempt from licensing and tax regulations under federal and state statutes;
- F. Any organization, society, association or corporation desiring to solicit or have solicited in its name, money, donations of money or property or financial assistance of any kind or desiring to sell or distribute any item of literature or merchandise to persons other than members of such organization upon the streets, in office or business buildings, by house-to-house canvass or in public places for charitable, religious, patriotic or philanthropic purpose exclusively.

(Ord. CS-346 § 2, 2019)

## CHAPTER 8.34 **SOLICITATION**

### **§ 8.34.010. Purpose.**

This chapter is intended to improve the quality of life and economic vitality of the city, and to protect the safety of the general public against certain abusive conduct of persons engaged in solicitation, by imposing reasonable time, place, and manner restrictions on solicitation while respecting the constitutional rights of free speech for all citizens. Motorists have complained of solicitation activity near signaled intersections and highway ramps, where solicitors have approached their vehicles. This carries an implicit threat to both person and property. Similarly, the city seeks to prevent threatening and dangerous solicitation in sensitive areas such as city parking lots or parking structures during the evening hours. Restricting solicitation in these places will provide a balance between the rights of solicitors and the rights of persons who wish to decline or avoid solicitations and will help prevent potential violent confrontations.

(Ord. CS-405 § 4, 2021)

### **§ 8.34.020. Definitions.**

As used in this chapter:

"Public place" means a place to which the public or a substantial group of persons has access, and includes, but is not limited to, any street, parkway, highway, sidewalk, parking lot, plaza, transportation facility, school, place of amusement, park, playground, open space, and any doorway, entrance, hallway, lobby, and other portion of any business establishment, an apartment house, or hotel not constituting a room or apartment designed for actual residence.

"Solicit," "ask," or "beg" includes using the spoken, written, or printed word, or bodily gestures, signs or other means with the purpose of obtaining an immediate donation of money or other thing of value or soliciting the sale of goods or services. However, passively standing, sitting, or performing music while holding a sign, with no further conduct or spoken word, except in response to an inquiry, is exempt from this definition and regulation under this chapter. This chapter is not intended to restrict the exercise of protected free speech.

(Ord. CS-405 § 4, 2021)

### **§ 8.34.030. Aggressive solicitation prohibited.**

- A. It is unlawful to solicit, ask, beg, distribute materials, or attempt to distribute materials in an aggressive manner in any public place after first being warned by a law enforcement officer.
- B. "Aggressive manner" means persisting in soliciting, asking, begging, distributing materials, attempting to distribute materials, approaching, or closely following a person(s), after the solicitor or distributor has been informed by unequivocal or multiple words or conduct that the person does not want to be solicited, does not want to give money or any other thing of value to the solicitor, or does not want to receive any materials. All other conduct that may constitute an assault or battery in conjunction with solicitation, asking, begging, or distribution shall be charged separately as such crimes.

(Ord. CS-405 § 4, 2021)

### **§ 8.34.040. Solicitation of motor vehicles and in parking lots.**

- A. Motor Vehicles. No person shall approach an operator or occupant of a motor vehicle stopped in obedience to a traffic control sign, signal, or light for the purpose of soliciting, asking, begging,

distributing materials, or attempting to distribute materials while the vehicle is located in any public place.

- B. Parking Lots. No person shall solicit, ask, beg, distribute materials, or attempt to distribute materials in any public parking lot or parking structure any time after dark. "After dark" means any time from one-half hour after sunset to one half-hour before sunrise.
- C. Exemptions. The provisions of section 8.34.040(B) shall not apply to any of the following:
  - 1. Solicitations related to business which is being conducted on the subject premises by the owner or lawful tenants;
  - 2. Solicitations related to the lawful towing of a vehicle; or
  - 3. Solicitations related to emergency repairs requested by the operator or other occupant of a vehicle.
- D. Penalty. After first being warned by a law enforcement officer, any violation of this subsection may be charged as a misdemeanor.

(Ord. CS-405 § 4, 2021)

#### **§ 8.34.050. Entering private property for the purpose of sale without permission.**

No person shall go onto private property within the city for the purpose of selling, offering for sale, or soliciting orders for the sale of any merchandise, product, service, or thing whatsoever when the occupant of such property has given notice or warned such persons to keep away. A sign posted by the occupant of the property, with the words "no solicitors," "no peddlers," or other similar words, at or near the front door or primary entrance to a residential structure on private property, shall constitute sufficient notice or warning pursuant to this section. For any property used for a purpose other than a residential use, such notice may be posted at each public entrance to any structure on the property in any conspicuous location on the property, in such a manner so as to provide reasonable notice of the restriction.

(Ord. CS-405 § 4, 2021)

#### **§ 8.34.060. Restriction on hours.**

No person shall go onto private property for the purposes of commercial or noncommercial peddling, soliciting or canvassing before 8:00 a.m. or after 8:00 p.m., except that while the United States is on federally mandated daylight savings time the hours shall be 8:00 a.m. to 9:00 p.m.

(Ord. CS-405 § 4, 2021)

#### **§ 8.34.070. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of this chapter or the application of the chapter to persons or circumstances not similarly situated.

(Ord. CS-405 § 4, 2021)

## CHAPTER 8.36 UNLAWFUL CAMPING, FIRES ON PUBLIC PROPERTY, AND STORAGE OF PROPERTY

### **§ 8.36.010. Purpose.**

Public places within the city should be readily accessible to residents and the public at large. The use of public places for camping can interfere with the rights of others to use these places for the purposes for which they were intended. Camping in these places can also endanger the public health and the environment when camping-related waste and human waste are disposed of improperly, particularly in environmentally sensitive areas, such as native habitat, open spaces and watercourses. Human presence in open spaces, other than on designated trails, can also increase the risk of wildfire danger and possible injuries to and from threatened wildlife. Additionally, camping on private outdoor property without permission of the owner or lessee interferes with the owner or lessee's property rights and desire to utilize the private outdoor property for lawful and authorized purposes.

The purpose of this chapter is to maintain public places and private outdoor property within the city in a clean and accessible condition and to protect the public health, safety, and environment by ensuring that camping occurs only in those designated areas where appropriate provisions have been made for handling camping-related waste, food preparation, and fires.

(Ord. NS-542 § 1, 2000; Ord. CS-405 § 2, 2021)

### **§ 8.36.020. Definitions.**

As used in this chapter:

"Beach" means those areas as defined in Carlsbad Municipal Code Section 11.32.020.

"Camp" means to use camping implements in an outdoor area or to erect or occupy a camp facility for living accommodations purposes such as sleeping activities, preparations to sleep (including the laying down of bedding for the purpose of sleeping), storing personal property, or making a camp fire. These activities constitute camping when it reasonably appears, in light of all the circumstances, that the participants in these activities are in fact using the area as a living accommodation regardless of the intent of the participants or the nature of any other activities in which they may also be engaging. Camping does not include picnicking, sitting, lying, or sleeping in an outdoor area or in a camp facility that is not being used for living accommodations purposes. This definition shall not limit enforcement of Chapter 8.38 "Obstruction of Property and Trespass."

"Camp facility" means a tent, hut, tarpaulin, or other temporary outdoor shelter used for sleeping, living accommodations purposes, or carrying on cooking activities.

"Camping implements" means cots, beds, hammocks, sleeping bags, bedrolls, blankets, sheets, luggage, back-packs, kitchen utensils, cookware, clothing, and similar gear or materials.

"City personnel" means the police department and its third-party contractors and any other city employees or third-party contractors designated by the City Manager.

"Highway" means a way or place of whatever nature, publicly maintained and open to public use for purposes of vehicular travel.

"Open space" means any parcel of land or water which is unimproved and devoted to an open space use, and which is designated as an Open Space Zone in Title 21 of this code.

"Park" means those areas as defined in Carlsbad Municipal Code Section 11.32.010.

"Parkway" means the area of the street between the back of the curb and the sidewalk that typically is

planted and landscaped.

"Person" is defined as any natural person, firm, association, business, trust, organization, corporation, partnership, company, or any other entity recognized by law as the subject of rights or duties.

"Personal property" includes the following items:

1. Medication, medical devices, eyeglasses, or other prescription lenses;
2. Sleeping bag or bed roll which is sanitary and non-verminous;
3. Tents in usable and reasonably good condition;
4. Clothes stored in a manner protecting them from the elements, which are not unsanitary, soiled, or verminous;
5. Nonperishable food items; and
6. Personal property with an estimated individual fair market value of at least \$50.00.

"Public place" means any property in the city-owned, leased, licensed, or operated by a public entity that is accessible to the public, including any of the following: parks, beaches, alleyways, parking lots, passageways, rights-of-way, landscaped areas or parkways, streets, highways, open space, sidewalks, curbs, and public educational institutions.

"Shelter" means a structure designed to provide homeless persons and unstably housed individuals with overnight sleeping accommodations and relief from the elements. The "shelter" may offer meals, clothing, and supportive and self-sufficiency development services. "Shelter" may include a safe parking lot owned, leased, or operated by the city, another public entity, or a non-profit entity.

"Sidewalk" means that portion of a highway, other than the roadway, set apart by curbs, barriers, markings, or other delineation, for pedestrian travel.

"Store" means to put aside or accumulate for use when needed, to place for safekeeping, or to put in place or leave in a particular place, whether attended or unattended.

"Street" means every highway, avenue, lane, alley, court, place, square, sidewalk, parkway, curb, bikeway, or other public way in the city dedicated and open to public use, or such other public property so designated by state law.

"Tent" means a collapsible shelter made of fabric, such as nylon or canvas, or a tarp stretched and sustained by supports, which is not open on all sides and which hinders an unobstructed view behind or into the area surrounded by the fabric.

"Unattended personal property" means no person is present with an item or items of personal property who asserts or claims ownership over the personal property. Indicia of unattended personal property includes, but is not limited to, the act of leaving the personal property in a public place so that it may be appropriated by the next comer. Personal property is not considered "unattended" if a person is present with the personal property and the person claims ownership over the personal property.

(Ord. NS-542 § 1, 2000; Ord. CS-405 § 2, 2021)

### **§ 8.36.030. Unlawful camping.**

#### A. Public Property.

1. It is unlawful for any person to:

- a. Camp or sleep in open space at any time.
  - b. Camp or sleep upon any public street, public park, public beach, or other public place, except in areas which have been specifically posted, designated, or permitted for such purposes, if the person has access to adequate temporary shelter, whether because they have the means to pay for it or because it is realistically available to them for free, and the person willfully refuses such shelter for any reason unrelated to the exercise of a state or federal constitutional right.
2. It is not the intent of this section to prohibit lawful protesting, picketing, demonstrating, signature gathering, voter registration, leafleting, or any other lawful activity.
- B. Private Property.
1. It is unlawful for any person to camp on any private outdoor property without the express written or verbal permission of the owner or lessee of such property.
  2. This subsection is not intended to:
    - a. Prohibit overnight camping on private residential property by friends or family of the property owner, so long as the owner consents to the camping activity.
    - b. Prohibit or make unlawful, activities of an owner of private property or other lawful user of private property that are normally associated with and incidental to the lawful and authorized use of private property for residential or other purposes.
    - c. Prohibit or make unlawful, activities of a property owner or other lawful user if such activities are expressly authorized by Title 21 of this code or other applicable laws, ordinances and regulations.
- C. The City Manager or designee may issue a temporary permit to allow camping on public or private property in connection with special events (Chapter 8.17) or emergency services (Chapter 6.04).  
(Ord. NS-542 § 1, 2000; Ord. CS-405 § 2, 2021)

#### **§ 8.36.040. Fires and cooking on public property.**

- A. It is unlawful for any person to start or maintain any fire in a public place, except in such areas specifically designated by the City Manager or designee for such fires, including stoves, barbecue pits, and fire rings.
- B. It is unlawful for any person to cook food in a public place, except as otherwise allowed by this code or by license or permit, or except in locations specifically designated by the City Manager or designee.  
(Ord. CS-405 § 2, 2021)

#### **§ 8.36.050. Storage of personal property in public places.**

- A. Unlawful Storage. It is unlawful for any person to store or leave unattended any personal property, including camp facilities or camping implements, in a public place between the hours of 6:00 a.m. and 10:00 p.m., except as otherwise provided by this code or pursuant to a valid license or permit. This subsection is not intended to permit storage of personal property where otherwise prohibited by this code.

B. Property Removal. City personnel may remove and store personal property that is unlawfully stored, unattended, or otherwise found in an unlawful encampment pursuant to applicable written and publicly available police department policies and procedures.

C. Obstruction or Interference with Property Removal. It is unlawful to willfully interfere with, resist, delay, or otherwise obstruct city personnel from moving, removing, impounding, or discarding personal property pursuant to Section 8.36.050(B).

(Ord. CS-405 § 2, 2021)

**§ 8.36.060. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of this chapter or the application of the chapter to persons or circumstances not similarly situated.

(Ord. CS-405 § 2, 2021)

**CHAPTER 8.38  
OBSTRUCTION OF PROPERTY, TRESPASS, AND DISORDERLY CONDUCT**

**§ 8.38.010. Purpose.**

The purpose of this chapter is to maintain public and private property open to the patronage of the public in an orderly and accessible condition to protect public health, safety, and welfare. The obstruction of or trespass upon these areas can interfere with the rights of others to use these areas for the purposes for which they were intended. Pedestrians, the elderly, disabled, and vision-impaired are put at increased risk when they must see and navigate around individuals sitting or lying upon a public walkway or otherwise obstructing public access. In some circumstances, people sitting or lying on public walkways deter members of the public from frequenting those areas. This, in turn, contributes to an erosion of the essential economic viability of those areas. Business failures and relocations can cause vacant storefronts, contributing to deterioration and blight, which harms the public health, safety, and welfare.

The city recognizes that there is a fundamental need to rest and sleep and desires to accommodate that need while also satisfying the needs of the general public to travel freely and safely throughout the city. The limited regulation of obstruction or trespass on public property or private property open to the patronage of the public is reasonably necessary and appropriately balances the public interest and individual rights.

(Ord. CS-405 § 5, 2021)

**§ 8.38.020. Definitions.**

All definitions provided in Carlsbad Municipal Code Chapter 8.36, Section 8.36.020 are applicable to this chapter. Additionally, as used in this chapter:

"Loitering" is defined as delaying or lingering in any one place without a lawful purpose under circumstances that would warrant a reasonable person to believe that the purpose or effect is to commit a crime or to conceal illegal activities.

(Ord. CS-405 § 5, 2021)

**§ 8.38.030. Unlawful obstruction of property.**

A. It is unlawful for any person, after first being warned by a law enforcement officer, or where a sign or signs have been posted in accordance with this chapter, to loiter, stand, sit, lie, sleep, maintain, or leave any objects, possessions, or structures in any manner that partially or completely blocks, obstructs, prevents, or otherwise hinders the free movement of people who may or may not yet be present at the location in question, or in any manner that impedes passage in contravention of federal or state disability access laws, either:

1. Upon any public sidewalk, street, curb, parkway, crosswalk, walkway or pathway area, highway, or park, or
2. Upon any shopping center or other private property open to the patronage of the public.

B. It is unlawful for any person, object, or possession to partially or completely block, obstruct, prevent, or otherwise hinder the free access to the entrance to any building open to the public, whether or not other persons are present at the location in question.

(Ord. CS-405 § 5, 2021)

**§ 8.38.040. Trespass on parking lots, shopping center property, and other private property open to**

**the patronage of the public.**

It is unlawful for any person, after first being warned by a law enforcement officer, or where a sign or signs have been posted in accordance with this chapter, to remain on, wander, idle, or loiter on any parking lot, shopping center property, or any other private property open to the patronage of the public, without visible or lawful business with the owner or occupant or without the written permission of the owner, the person entitled to immediate possession or the authorized agent of either. This section does not apply to a public officer or employee acting within the course and scope of employment.

(Ord. CS-405 § 5, 2021)

**§ 8.38.050. Disorderly conduct.**

- A. It is unlawful for a person to commit any of the following acts with the intent to cause another person annoyance, alarm, or disturbance, or with the intent to interfere with another person's lawful discharge or pursuit of any lawful business or occupation:
  1. Engaging in fighting or in violent, tumultuous, or threatening behavior that would put a reasonable person in fear for the person's safety; or
  2. Using language that a reasonable person would consider offensive, lewd, vulgar, profane, threatening, abusive, or insulting, within the hearing range of another person in any public place or any place open to the patronage of the public; or
  3. Uttering or using within the hearing of another person any language, words, epithets, expressions, or remarks, either intended to or likely to incite or create a breach of the peace; or
  4. Encouraging by words or conduct, disobedience to any lawful order or request of any law enforcement officer pursuant to and in the performance of the officer's duties; or
  5. Making or participating in making any unreasonably loud noise or engaging in offensive conduct or behavior, as measured by an objectively reasonable person standard, in any public place or any place open to the patronage of the public.
- B. It is unlawful for a person to commit any of the acts specified in Section 8.38.050(A) with reckless disregard for the risk of causing another person annoyance, alarm, or disturbance, or of interfering with another person's lawful discharge or pursuit of any lawful business or occupation.
- C. It is unlawful for a person to congregate with two or more other persons in any public place, or in any place open to the patronage of the public, when the purpose of congregating is, by words, acts, or conduct generally offensive to the community, to annoy, disturb, or interfere with another person's lawful discharge or pursuit of a lawful business or occupation, or to maliciously interfere with or annoy another person lawfully at the place.

(Ord. CS-405 § 5, 2021)

**§ 8.38.060. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of this chapter or the application of the chapter to persons or circumstances not similarly situated.

(Ord. CS-405 § 5, 2021)

## CHAPTER 8.44 ALCOHOLIC BEVERAGES

### **§ 8.44.010. Alcoholic beverages defined.**

"Alcoholic beverages," for the purposes of this chapter, includes alcohol, spirits, liquor, wine, beer and every liquid or solid containing alcohol, spirits, wine or beer and which contains one-half of one percent or more of alcohol by volume, and which is fit for consumption either alone or when diluted, mixed or combined with other substances.

(Ord. 3106 § 1, 1977)

### **§ 8.44.020. Drinking on beach prohibited.**

No person shall consume any alcoholic beverage on any public beach or beach which is open to the public; or on any street, sidewalk, alley, highway, public parking lot or bluff-top whether improved or unimproved adjacent to such beach. This section shall not be deemed to make punishable any act or acts which are prohibited by any law of the state. This section shall not apply to the consumption of alcoholic beverages on any private residential property, including hotels or motels, located in any area specified in this section, or on the South Carlsbad State Beach Campgrounds.

(Ord. 3106 § 1, 1977; Ord. 3174, 1984; Ord. 3188 § 1, 1985)

### **§ 8.44.030. Possession of open containers of alcoholic beverages on or near premises where liquor sold prohibited.**

- A. No person who has in his or her possession any bottle, can or other receptacle containing any alcoholic beverage which has been opened, or a seal broken, or the contents of which have been partially removed, shall enter, be, or remain on the posted premises of, including the posted parking lot immediately adjacent to, any retail package off-sale alcoholic beverage licensee licensed pursuant to Division 9, commencing with Section 23000, of the Business and Professions Code, or on any public sidewalk immediately adjacent to the licensed and posted premises. Any person violating this section shall be guilty of an infraction and shall be punished as provided in Chapter 1.08 of this code.
- B. As used in subsection A of this section, "posted premises" means those premises which are subject to licensure under any retail package off-sale alcoholic beverage license, the parking lot immediately adjacent to the licensed premises and any public sidewalk immediately adjacent to the licensed premises on which clearly visible notices indicate to the patrons of the licensee and parking lot and to persons on the public sidewalk, that the provisions of subsection A of this section are applicable.
- C. The provisions of this section shall not apply to a private residential parking lot which is immediately adjacent to the posted premises, or to any premises which are not posted as provided in this section.

(Ord. 3173 § 1, 1984)

### **§ 8.44.040. Consuming or possessing an open container of alcoholic beverages in certain public places and parks owned by the city prohibited.**

- A. No person shall possess any can, bottle, or other receptacle containing any alcoholic beverage that has been opened, or a seal broken, or the contents of which have been partially removed, nor shall any person consume any alcoholic beverage in any city-owned public place or city-owned park identified in this section as:
  1. Any public street, sidewalk, alley, highway, public parking lot, or public open space owned by, leased to, licensed to, or operated by the city in the V-B Village Barrio Zone, as that zone is

designated in Chapter 21.35 of this code, as amended, and specifically within or adjacent to the VC, VG, HOSP, FC, and PT districts and the VBO district (Magee and Maxton Brown parks) of the Village and Barrio Master Plan.

2. Rotary Park located at the 2900 block of Washington Street, bordered to the west by Washington Street, bordered to the east by the west alley of State Street immediately east of the Atchison, Topeka and Santa Fe Rail Road tracks, bordered to the south by Carlsbad Village Drive and bordered to the north by Grand Avenue in the City of Carlsbad.
  3. Holiday Park and Pine Avenue Community Park.
- B. Unlawful possession of an open container of an alcoholic beverage as described in Section 8.44.040(A) shall be charged as an infraction; unlawful consumption of an open container of an alcoholic beverage as described in Section 8.44.040(A) may be charged as a misdemeanor.
- C. Any of the prohibitions set forth in this section may be waived when a special event permit or a park and facility use permit requesting a waiver has been granted by the City Manager or designee.
- D. This section does not apply when an individual is in possession of an alcoholic beverage container within a sidewalk café or curb café that is approved and permitted as required by the Village and Barrio Master Plan and the California Department of Alcoholic Beverage Control, or any temporary permits issued under state or local emergency orders.
- E. This section does not apply when an individual is in possession of an alcoholic beverage container for the purpose of recycling or other related disposal activity.

(Ord. NS-860 § 1, 2007; Ord. CS-333 § 3, 2018; Ord. CS-405 § 6, 2021)

#### **§ 8.44.050. Severability.**

If any section, subsection, sentence, clause or phrase of the ordinance codified in this chapter is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the ordinance codified in this chapter. The City Council declares that it would have passed the ordinance codified in this chapter and each section, subsection, sentence, clause, and phrase hereof, irrespective of the fact that any one or more of the sections, subsections, sentences, clauses or phrases hereof be declared invalid or unconstitutional.

(Ord. NS-860 § 1, 2007)

**CHAPTER 8.45  
CONSUMPTION OF ALCOHOL OR CONTROLLED SUBSTANCES BY MINORS AT  
PARTIES, EVENTS OR GATHERINGS**

**§ 8.45.010. Definitions.**

"Alcohol" means ethyl alcohol, hydrated oxide of ethyl, or spirits of wine, from whatever source or by whatever process produced.

"Alcoholic beverages," for the purposes of this chapter, includes alcohol, spirits, liquor, wine, beer and every liquid or solid containing alcohol, spirits, wine or beer and which contains one-half of one percent or more of alcohol by volume, and which is fit for consumption either alone or when diluted, mixed or combined with other substances.

"Control" means any form of dominion, including, but not limited to, ownership, tenancy or other possessory right.

"Controlled substances or illegal drugs" shall include all narcotics or drugs, the possession of which is illegal under the laws of the State of California as defined under the Penal Code, Health and Safety Code, and related statutes.

"Guardian" means (1) a person who, under court order, is the guardian of the subject juvenile, or (2) a public or private agency with which the court has placed the subject juvenile.

"Marijuana" means all parts, as a whole or in part, of the cannabis plant, whether the plant is still growing or not, the seeds thereof, and/or the resin extracted from the cannabis plant and every compound, derivative and/or preparation of the cannabis plant in any form. The prohibition contained in this chapter includes marijuana in any form, including, but not limited to, cigarettes, vapor, food products and/or any other form where the marijuana can be smoked and/or consumed in any way.

"Minor" means any person under the age of 21.

"Parent" means a person who is a natural parent, adoptive parent, or stepparent of the subject minor.

"Party, gathering or event" means a group of persons who have assembled or are assembling for a party, social occasion or social activity.

"Person responsible for the party, gathering or event" includes, but is not limited to: (1) the person(s) who owns, rents, leases, or otherwise has control of the premises where the party, gathering or event takes place; (2) the person(s) in charge of the premises; or (3) the person(s) who organized the event.

"Premises" means any residence or other private property, place, or premises including any commercial or business premises.

(Ord. CS-053 § 1, 2009; Ord. CS-366 § 2, 2019)

**§ 8.45.020. Unsupervised consumption of alcohol by minor.**

Except as permitted by state law, no minor shall:

- A. Consume and/or ingest in any public place or any place open to the public any alcoholic beverage, marijuana, controlled substance and/or any combination of said substances; or
- B. Consume and/or ingest in any place not open to the public any alcoholic beverage, marijuana, controlled substance and/or any combination of said substances.

(Ord. CS-053 § 1, 2009; Ord. CS-366 § 3, 2019)

**§ 8.45.030. Hosting, permitting, or allowing a party, gathering or event where minors consume alcoholic beverages or controlled substances prohibited.**

- A. It is unlawful for any person having control of any premises to knowingly suffer, permit, allow, or host a party, gathering, or event at said premises where three or more persons are present whenever the person having control of the premises either knows a minor consumed an alcoholic beverage, marijuana and/or a controlled substance or reasonably should have known that a minor consumed an alcoholic beverage, marijuana and/or controlled substance. For purposes of this subsection, a person reasonably should have known that a minor consumed an alcoholic beverage, marijuana and/or a controlled substance if that person did not take reasonable steps to prevent the consumption of an alcoholic beverage, marijuana and/or controlled substance by a minor as set forth in subsection B of this section. This section shall not apply to conduct involving the use of alcohol which occurs exclusively between a minor child and his or her parent or legal guardian, as permitted by Article 1, Section 4 of the California Constitution, or conduct which is otherwise permitted under state or federal law.
- B. Reasonable steps include controlling access to alcoholic beverages and/or controlled substances and/or marijuana at the party, gathering or event when minors are present; controlling the quantity of alcoholic beverages and/or marijuana and/or controlled substances at the party, gathering or event when minors are present; verifying the age of persons attending the party, gathering or event by inspecting driver's licenses or other government-issued identification cards to ensure that minors do not consume alcoholic beverages, marijuana and/or controlled substances while at the party, gathering or event; and supervising the activities of minors at the party, gathering or event.

(Ord. CS-053 § 1, 2009; Ord. CS-366 § 4, 2019)

**§ 8.45.040. Penalties.**

- A. Except as otherwise provided in subsection B of this section, any person violating any provision of this chapter is guilty of a misdemeanor punishable by a fine of \$1,000.00 or by imprisonment for a period of not to exceed six months, or by both fine and imprisonment.
- B. Notwithstanding any provision to the contrary, the City Attorney shall have the discretion to reduce to an infraction any act made unlawful pursuant to subsection A of this section, if the City Attorney determines such a reduction is warranted in the interest of justice. The factors the City Attorney may consider in determining whether to reduce the charge to an infraction, include but are not limited to, the following:
  - 1. The number of persons attending the party, gathering or event.
  - 2. The number of minors attending the party, gathering or event.
  - 3. The source of the alcoholic beverages or controlled substances.
- C. Penalties for a violation of this chapter shall supersede the penalties set forth in Section 1.08.010 of this code.

(Ord. CS-053 § 1, 2009)

**§ 8.45.045. Cost recovery for law enforcement services.**

- A. When any party, gathering or event occurs on private property as described in Section 8.45.030 and a police officer at the scene determines that there is a threat or detriment to the public peace, health, safety or general welfare, the person(s) responsible for the party, gathering or event shall be liable for

the actual cost of enforcement services provided during a response by the law enforcement personnel.

- B. The actual cost of the law enforcement services, described in Section 8.45.030, shall be deemed a debt owed to the city by the responsible person for the party, gathering or event.
- C. For the purpose of this section, the following definitions shall apply:

"Actual costs" include the salaries of the police officers for the amount of time actually spent in responding to or remaining at the party, gathering or event, at a rate established by the City Manager plus the actual cost of any medical treatment to injured city employees and the cost of repairing any damaged city equipment or property.

"Responsible person" is the person or persons who own the property where the party takes place or who are in charge of the premises or who organized the party, gathering or event. If the responsible person is a person under the age of 18, then that person's parents or guardians will jointly and severally be liable for the actual costs.

- D. If the police are required to make a response to a party, gathering or event, then the city shall compute the costs of such response. A bill for the costs incurred by the city for its response shall be prepared and delivered to the responsible person who shall be liable for its payment. The amount of the charge shall be deemed a debt to the city of the responsible person who shall be liable in an action brought in the name of the city for recovery of such amount, including reasonable attorney's fees and costs.
- E. The City Manager is authorized to adopt appropriate procedures for billing and other matters necessary for the administration of this section.
- F. Any person aggrieved by any decision of the City Manager to bill for costs of a response may appeal to the City Council by filing a notice of appeal with the City Clerk within 15 days of the date of the billing. Failure to file an appeal shall be deemed a waiver of the appellant's right to contest the bill for costs. Upon the filing of such request, the City Clerk shall set a time and place for the hearing and shall notify the appellant thereof. At the hearing, any person may present evidence in opposition to or in support of the appellant's case. At the conclusion of the hearing, the City Council may affirm, reverse or modify the decision and the decision of the City Council shall be final.

(Ord. CS-152 § 1, 2011)

#### **§ 8.45.050. Severability.**

If any section, subsection, sentence, clause or phrase of the ordinance codified in this chapter is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the ordinance codified in this chapter. The City Council declares that it would have passed the ordinance codified in this chapter and each section, subsection, sentence, clause, and phrase hereof, irrespective of the fact that any one or more of the sections, subsections, sentences, clauses or phrases hereof be declared invalid or unconstitutional.

(Ord. CS-053 § 1, 2009)

#### **§ 8.45.060. Reservation of legal options.**

The City of Carlsbad does not waive its right to seek reimbursement for actual costs of enforcement services through other legal remedies or procedures. The procedure provided for in this chapter is in addition to any other statute, ordinance or law, civil or criminal. This chapter in no way limits the statutory authority of peace officers or private citizens to make arrests for any criminal offense arising out of conduct regulated by this chapter.

(Ord. CS-053 § 1, 2009)

## CHAPTER 8.48 NOISE

### **§ 8.48.010. Construction hours limitations.**

It shall be unlawful to operate equipment or perform any construction in the erection, demolition, alteration, or repair of any building or structure or the grading or excavation of land during the following hours, except as hereinafter provided:

- A. After 6:00 p.m. on any day, and before 7:00 a.m., Monday through Friday, and before 8:00 a.m. on Saturday;
- B. All day on Sunday; and
- C. On any federal holiday.

(Ord. 3109 § 1, 1978; Ord. CS-211 § 2, 2013)

### **§ 8.48.020. Exceptions.**

- A. An owner/occupant or resident/tenant of residential property may engage in a home improvement or home construction project between the hours of 8:00 a.m. and 6:00 p.m. on Sundays and holidays, subject to modification by subsection B of this section, provided such project is for the benefit of said residential property and is personally carried out by said owner/occupant or resident/tenant.
- B. The building official, City Engineer, or other official designated by the City Manager may modify the hours of construction specified in Section 8.48.010. In making a determination to lengthen or shorten the hours of construction, the city official shall consider the following:
  1. Whether the project is an emergency repair required to protect the health and safety of any member of the community;
  2. Whether the construction would be less objectionable at night than during daylight hours;
  3. The character and nature of the neighborhood in the vicinity of the work site;
  4. The potential for great economic hardship;
  5. If the work is in the interest of the general public;
  6. Whether there is a previously unforeseen effect on the health, safety or welfare of the public; and
  7. Any history of complaints regarding compliance with the limitation on hours of construction.

C. As used in this section, "City Engineer" shall mean the City Engineer or designee, who is the Deputy City Engineer, construction management and inspection.

(Ord. 3109 § 1, 1978; Ord. CS-211 § 2, 2013; Ord. CS-389 § 6, 2021)

### **§ 8.48.030. Signage.**

Signs shall be posted at jobsite entrance(s) indicating hours of work as prescribed by this title or as modified by the designated city official. Letters shall be a minimum of four inches high with a minimum stroke width of one-half inch.

(Ord. CS-211 § 2, 2013)

## CHAPTER 8.50 ALARM SYSTEMS

### **§ 8.50.005. Authority.**

This chapter is adopted pursuant to Business and Professions Code Section 7592.8.

(Ord. 1278 § 1, 1985)

### **§ 8.50.010. Definitions.**

For the purpose of this chapter, the following words and phrases shall be construed as set forth in this section unless it is apparent from the context that a different meaning is intended.

"Alarm agent" means any person employed by an alarm business whose duties include selling, altering, installing, maintaining, moving, repairing, replacing, servicing, monitoring, responding to or causing others to respond to an alarm system, in or on any building, structure or facility or the supervisor or manager of a person employed by an alarm business to perform any of those duties. This definition shall not apply to any person employed by the city police department or fire department while the person is acting within the course and scope of his or her employment.

"Alarm business" means the business carried on by an individual, partnership, corporation or other entity of leasing, selling, maintaining, servicing, repairing, altering, replacing, moving, monitoring, responding to or causing the response to, or installing any alarm system or causing to be leased, maintained, serviced, repaired, altered, replaced, moved or installed any alarm system in or on any building, structure or facility. Alarm business does not include any business excluded from Business and Professions Code Section 7590.2.

"Alarm system" means any electrical or mechanical device which is designed or used for the detection of any emergency condition, except fire, at a building, structure or facility, when such detection causes a local audible signal or transmission of a signal or message, or which is used to evoke a police or medical emergency response. Fire alarm systems are specifically excluded from this definition. Devices which are not used or designed to be audible, visible or perceptible outside of the protected building, structure or facility, and auxiliary devices installed by a telephone company to protect a telephone system from damage or disruption are not included in this definition.

"Audible alarm" means the sound generated by a device for the detection of an emergency condition at a building, structure or facility.

"City" means the City of Carlsbad.

"Day" means one calendar day.

"Emergency condition" means any condition which may exist requiring immediate police or fire department response to safeguard lives and/or property.

"False alarm" means the activation of an alarm system through mechanical failure or malfunction, or accidental tripping, misoperation or misuse by the lessee or owner of the alarm system or his/her employee or agent, including mechanical failure or malfunction caused by negligent maintenance of the system. False alarm shall not include alarms caused by malfunction of telephone line circuits or external causes beyond the control of the owner or lessee of the system.

"Fire alarm system" means any system, equipment or device designed or used to warn occupants or notify other persons of a fire condition in or on any building, structure or facility. Fire alarms are exempt from this chapter.

"Lessee" means any person who leases an alarm system or subscriber service for the purpose of detecting an emergency condition at any building, structure or facility.

"Person" means any person, firm, corporation, association, partnership, individual, organization or company.

"Silent alarm" means any alarm system activation that cannot be detected at the building, structure or facility of activation.

"Smoke detector" means a device which senses visible or invisible particles of combustion and is designed to emit upon activation an audible sound sufficient only to provide warning to the occupants of the building, structure or facility in which such device is situated. This chapter shall not apply to smoke detectors.

For the purpose of this chapter, whenever the singular or masculine is used, the term shall be deemed to include the plural, feminine or body corporate as necessary.

(Ord. 1278 § 1, 1985)

#### **§ 8.50.020. Registration of alarm agents.**

No person shall be employed or operate as an alarm agent or an alarm business without first registering his or her name and a copy of his or her state issued identification card with the Chief of Police. Every alarm agent while so engaged shall carry on his or her person the state issued identification card and shall display such card to any police officer upon demand.

(Ord. 1278 § 1, 1985)

#### **§ 8.50.030. Alarm permits.**

No person shall install, maintain, lease, service, repair, alter, replace, move, use any security or emergency alarm system without first obtaining a city alarm permit. A fee established by the City Council by resolution and an application approved by the Chief of Police shall be required for such permit. The alarm permit application shall include the alarm location, type of alarm system (silent or audible activation), type of response requested (robbery, burglary or medical emergency), name of business (if applicable), name, home address, phone number of alarm user, subscriber or owner, telephone number at alarm location and additional names, addresses, and phone numbers of responsible persons for emergency notification. The alarm permit shall be required for each building, structure or facility that uses an alarm system that could evoke an emergency response. Alarm permits are issued indefinitely to the alarm user, subscriber, or owner provided the requirements of this chapter are not violated. A new permit shall be required upon sale or transfer of alarm location.

(Ord. 1278 § 1, 1985; Ord. NS-53 § 1, 1989; Ord. NS-68 § 7, 1989)

#### **§ 8.50.035. Owner or lessee responsibilities.**

The owner or lessee of an alarm system or systems shall provide the Chief of Police with his or her current mailing address and the names, addresses and phone numbers of two persons to contact in the event of an emergency. In the event his or her own mailing address or the names, addresses and phone numbers of such persons change, the owner, or lessee shall supply the changes to the Chief of Police within two days of the change. The person or persons listed shall be required to be present at the alarm location within 20 minutes after being advised that the city police department has received any signal or message of alarm activation indicating an emergency condition. Violation of this section is grounds for revocation of an alarm permit.

(Ord. 1278 § 1, 1985)

**§ 8.50.040. Direct dial telephone devices.**

No person shall lease, maintain, service, repair, alter, move, install or use any alarm system which directly dials any telephone number of the city police department or the city fire department.

(Ord. 1278 § 1, 1985)

**§ 8.50.050. Suspension of alarm permits.**

If, at any time it shall come to the attention of the Chief of Police that the owner or lessee of an alarm system has violated any provision of this chapter, rules or regulations made pursuant to this chapter, including, but not limited to, false alarms which exceed the numbers permitted pursuant to Section 8.50.080 of this chapter, or has failed or refused to pay the false alarm penalty assessment fee as provided in this chapter, the Chief of Police may serve such owner or lessee with a written order of permit suspension, which shall state the reason or reasons for such suspension. The order shall be effective immediately if personally served or 72 hours after the order has been deposited by certified mail in any branch of the United States Post Office, addressed to the owner or lessee of such alarm system. The order shall contain notice of the appeal procedure established by this chapter. Immediately upon an order becoming effective, the owner or lessee shall discontinue using the alarm system. The alarm system or systems shall not thereafter be used until all necessary repairs have been made and verified by the Chief of Police, or the owner or lessee satisfied the Chief of Police that such system or systems shall be properly used in the future and the Chief of Police has authorized in writing use of the system or systems.

(Ord. 1278 § 1, 1985; Ord. NS-53 § 2, 1989)

**§ 8.50.055. Appeals to the Chief of Police.**

Any action taken pursuant to this chapter may be appealed to the Chief of Police in writing within 10 days of notice of the action. The appeal shall be addressed to the Chief of Police and shall set forth the facts and circumstances regarding the action. The Chief of Police shall notify the appellant in writing of the time and place set for hearing the appeal. The Chief of Police or designate shall consider all relevant evidence and shall determine the merits of the appeal. The action appealed shall be stayed during the pendency of the appeal.

(Ord. 1278 § 1, 1985)

**§ 8.50.060. Appeals to City Council.**

Any action which has been appealed to the Chief of Police may be appealed to the City Council by filing a written appeal with the City Clerk within 10 days of the Police Chief's action. The City Clerk shall notify the appellant in writing of the time and place set for hearing of the appeal. The City Council, at its next regular meeting, held not less than 10 days from the date on which such appeal has been filed with the City Clerk, shall hear the appellant and the Chief of Police shall consider all relevant evidence and shall determine the merits of the appeal. The City Council may affirm, overrule or modify the decision of the Chief of Police and the decision of the City Council shall be final.

(Ord. 1278 § 1, 1985)

**§ 8.50.070. Unauthorized alarm.**

When an audible alarm message or signal is received by the city police or fire department that fails to comply with any of the requirements of this chapter, the Chief of Police is authorized to demand that the owner, lessee or the representative of the alarm system initiating such audible alarm, message or signal disconnect the alarm system until it is made to comply with the requirements of this chapter.

(Ord. 1278 § 1, 1985)

**§ 8.50.080. False alarm penalty assessment.**

Except as provided in this chapter, any person maintaining, using or possessing an alarm system which results in a police response in which the alarm proved to be a false alarm, shall pay a penalty assessment fee to the city as follows:

- A. A written warning for the first false alarm;
- B. For the second false alarm occurring within a one-year period following the written warning above, a penalty shall be assessed the amount of which shall be established by resolution of the City Council;
- C. For the third and subsequent false alarms occurring within a one-year period following the written warning above, a penalty shall be assessed the amount of which shall be established by resolution of the City Council;
- D. In addition to the foregoing, for the fourth and subsequent false alarms occurring within a one-year period following the written warning above, the Chief of Police may discontinue any response to an alarm at the business or residence location until satisfactory proof of correction has been provided. Proof of correction shall be a written letter from the resident, occupant or person residing at the property or from the alarm company stating that the problem has been corrected and that all occupants or employees are aware of the alarm, its location, its method of activation and have been trained regarding its use to prevent its accidental activation. Upon receipt of satisfactory evidence of correction of a faulty system or upon installation of a new alarm system, the Chief of Police shall initiate a new one-year period for the purposes of counting false alarms.

The time periods specified above shall not commence until three months after the issuance of an alarm permit;

- E. In addition to any other relief, for those alarms which are designed to be activated while a business is open to the public or occupied and which require activation by an employee or a residential alarm which is designed to be activated by a person from within the residence which alarms indicate the commission of a crime defined by California Penal Code Section 211 (robbery) or Section 459 (burglary) and which exceed the maximum allowable number of false alarms as set forth in this section shall pay a penalty assessment of \$100.00.

(Ord. 1278 § 1, 1985; Ord. NS-53 § 3, 1989; Ord. NS-230 §§ 1, 2, 1993)

**§ 8.50.090. Alarm systems standards and regulations.**

The city reserves the right to inspect all alarm systems installed within the city to assure compliance with this chapter.

(Ord. 1278 § 1, 1985)

**§ 8.50.100. Automatic shut-off requirements.**

All alarm systems, excluding fire alarms, shall include a device which will limit the generation of audible sound to not longer than 15 minutes after activation.

(Ord. 1278 § 1, 1985)

**§ 8.50.110. Delay device requirements.**

All burglary detection alarm systems, excluding such alarm systems which generate an audible alarm, shall include a device on all entry and exit doors which will provide a 30 second delay before the original alarm

transmission and immediately upon being activated shall emit a signal in such a manner as to be perceptible to a person lawfully entering, leaving or occupying the premises. Such a device is intended to provide an opportunity for the person having lawful control of the alarm system to terminate its operation after activation but prior to the transmission of a false alarm.

(Ord. 1278 § 1, 1985)

#### **§ 8.50.120. Power supply requirements.**

A security or emergency alarm system shall be supplied with an uninterruptible power supply in such a manner that the failure or interruption of the normal utility electric service will not activate the alarm system. The backup power supply must be capable of at least four hours of continuous operation.

(Ord. 1278 § 1, 1985)

#### **§ 8.50.130. Alarm testing.**

An owner or lessee of an alarm system shall notify his or her central receiving station or answering service and the city police or fire department prior to any service, test, repair, maintenance, adjustment, alteration or installation of the alarm system which might activate a false alarm and result in a police or fire department response. Any alarm system activated when such prior notice has been given shall not constitute a false alarm.

(Ord. 1278 § 1, 1985)

#### **§ 8.50.140. Prohibitions.**

- A. After the effective date of the ordinance codified in this chapter, it shall be unlawful to install or modify an alarm system which upon activation emits sounds similar to sirens used on emergency vehicles or for civil defense purposes.
- B. It shall be unlawful to transmit an alarm indicating that an emergency exists without being specific as to the type of emergency, such as robbery, burglary, fire or medical emergency.

(Ord. 1278 § 1, 1985)

#### **§ 8.50.150. Limitation on liability.**

The city is under no obligation or duty to any owner or lessee of an alarm system or any other person by reason of any provision in this chapter, or the exercise of any privilege by any owner or lessee of an alarm system, including, but not limited to, any defects in a security or emergency alarm system, any delay in transmission of an alarm message to any emergency unit, or damage caused by nonresponse or in responding to any alarm by any city officer, employee or agent.

(Ord. 1278 § 1, 1985)

#### **§ 8.50.160. Administrative regulations.**

The Chief of Police may adopt and administer such regulations as are necessary and convenient in order to carry out the provisions of this chapter.

(Ord. NS-53 § 4, 1989)

#### **§ 8.50.170. Criminal penalties.**

Any person who wilfully violates any provision of this chapter shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not exceeding \$1,000.00, or imprisonment in the county jail

not exceeding six months, or both. Each such person shall be guilty of a separate offense for each and every day during any portion of which any violation of any provision of this chapter is committed, continued or permitted by such person.

(Ord. 1278 § 1, 1985; Ord. NS-53 § 5, 1989)

## CHAPTER 8.54 PICKETING

### **§ 8.54.010. Intent and purpose.**

It is the intent of the City Council in enacting Section 8.54.020 to adopt a limited prohibition against targeted residential picketing which shall be construed and applied in accordance with the interpretation given to a similar ordinance by the United States Supreme Court in *Frisby v. Schultz* (1988) 487 U.S. 474. Section 8.54.020 shall only prohibit picketing focused on and taking place in front of a particular residence. The limited purpose of the prohibition is to preclude intrusion upon the constitutionally protected privacy rights of the targeted resident.

(Ord. NS-241 § 1, 1993; Ord. NS-314 § 1, 1995)

### **§ 8.54.020. Targeted residential picketing prohibited.**

It is unlawful for any person to engage in picketing activity that is targeted at and is within 300 feet of a residential dwelling.

- A. For purposes of this section, the term "residential dwelling" means any permanent building being used by its occupants solely for nontransient residential uses.
- B. For purposes of this section, the term "targeted picketing" means picketing activity that is targeted at a particular residential dwelling and proceeds on a definite course or route in front of or around that particular residential dwelling.
- C. This section does not and shall not be interpreted to preclude picketing in a residential area that is not targeted at a particular residential dwelling.

(Ord. NS-241 § 1, 1993; Ord. NS-314 § 2, 1995)

**CHAPTER 8.60  
ADULT BUSINESS LICENSES AND OPERATING REGULATIONS**

**§ 8.60.010. Purpose.**

It is the purpose and intent of this chapter to regulate the operations of adult businesses, which tend to have judicially recognized adverse secondary effects on the community, including, but not limited to, increases in crime in the vicinity of adult businesses; decreases in property values in the vicinity of adult businesses; increases in vacancies in residential and commercial areas in the vicinity of adult businesses; interference with residential property owners' enjoyment of their properties when such properties are located in the vicinity of adult businesses as a result of increases in crime, litter, noise, and vandalism; and the deterioration of neighborhoods. Special regulation of these businesses is necessary to prevent these adverse secondary effects and the blighting or degradation of the neighborhoods in the vicinity of adult businesses while at the same time protecting the First Amendment rights of those individuals who desire to own, operate or patronize adult businesses.

It is, therefore, the purpose of this chapter to establish reasonable and uniform operational standards for adult businesses.

(Ord. NS-761 § 3, 2005)

**§ 8.60.020. Definitions.**

In addition to any other definitions contained in this code, the following words and phrases shall, for the purpose of this chapter and Chapters 11.28 and 21.43 be defined as follows, unless it is clearly apparent from the context that another meaning is intended. Should any of the definitions be in conflict with any current provisions of this code, these definitions shall prevail.

"Adult arcade" means a business establishment to which the public is permitted or invited and where coin, card or slug-operated or electronically, electrically or mechanically controlled devices, still or motion picture machines, projectors, videos, holograms, virtual reality devices or other image-producing devices are maintained to show images on a regular or substantial basis, where the images so displayed are distinguished or characterized by an emphasis on matter depicting or describing "specified sexual activities" or "specified anatomical areas." Such devices shall be referred to as "adult arcade devices."

"Adult booth/individual viewing area" means a partitioned or partially enclosed portion of an adult business used for any of the following purposes:

1. Where a live or taped performance is presented or viewed, where the performances and/or images displayed or presented are distinguished or characterized by their emphasis on matter depicting, describing, or relating to "specified sexual activities" or "specified anatomical areas";
2. Where "adult arcade devices" are located.

"Adult business" means:

1. A business establishment or concern that as a regular and substantial course of conduct operates as an adult retail store, adult motion picture theater, adult arcade, adult cabaret, adult motel or hotel, adult modeling studio; or
2. A business establishment or concern which as a regular and substantial course of conduct offers, sells or distributes "adult oriented material" or "sexually oriented merchandise," or which offers to its patrons materials, products, merchandise, services or entertainment characterized by an emphasis on matters depicting, describing, or relating to "specified sexual activities" or

"specified anatomical areas" but not including those uses or activities which are preempted by state law.

"Adult cabaret" means a business establishment (whether or not serving alcoholic beverages) that features "adult live entertainment."

"Adult cabaret dancer" means any person who is an employee or independent contractor of an "adult cabaret" or "adult business" and who, with or without any compensation or other form of consideration, performs as a sexually-oriented dancer, exotic dancer, stripper, go-go dancer or similar dancer whose performance on a regular and substantial basis focuses on or emphasizes the adult cabaret dancer's breasts, genitals, and or buttocks, but does not involve exposure of "specified anatomical areas" or depicting or engaging in "specified sexual activities." "Adult cabaret dancer" does not include a patron.

"Adult hotel/motel" means a "hotel" or "motel" (as defined in this code) that is used for presenting on a regular and substantial basis images through closed circuit television, cable television, still or motion picture machines, projectors, videos, holograms, virtual reality devices or other image-producing devices that are distinguished or characterized by the emphasis on matter depicting or describing or relating to "specified sexual activities" or "specified anatomical areas."

"Adult live entertainment" means any physical human body activity, whether performed or engaged in, alone or with other persons, including, but not limited to, singing, walking, speaking, dancing, acting, posing, simulating, wrestling or pantomiming, in which: (1) the performer (including, but not limited to, topless and/or bottomless dancers, go-go dancers, exotic dancers, strippers, or similar performers) exposes to public view, without opaque covering, "specified anatomical areas," and/or (2) the performance or physical human body activity depicts, describes, or relates to "specified sexual activities" whether or not the specified anatomical areas are covered.

"Adult modeling studio" means a business establishment which provides for any form of consideration, the services of a live human model, who, for the purposes of sexual stimulation of patrons, displays "specified anatomical areas" to be observed, sketched, photographed, filmed, painted, sculpted, or otherwise depicted by persons paying for such services. "Adult modeling studio" does not include schools maintained pursuant to standards set by the Board of Education of the State of California.

"Adult motion picture theater" means a business establishment, with or without a stage or proscenium, where, on a regular and substantial basis and for any form of consideration, material is presented through films, motion pictures, video cassettes, slides, laser disks, digital video disks, holograms, virtual reality devices, or similar electronically-generated reproductions that is characterized by the depiction or description of "specified sexual activities" or "specified anatomical areas."

"Adult oriented material" means accessories, paraphernalia, books, magazines, laser disks, compact discs, digital video disks, photographs, prints, drawings, paintings, motion pictures, pamphlets, videos, slides, tapes, holograms or electronically generated images or devices including computer software, or any combination thereof that is distinguished or characterized by its emphasis on matter depicting, describing or relating to "specified sexual activities" or "specified anatomical areas." "Adult oriented material" shall include "sexually oriented merchandise."

"Adult retail store" means a business establishment having as a regular and substantial portion of its stock in trade, "adult oriented material."

"Establishment of an adult business" means any of the following:

1. The opening or commencement of any "adult business" (as defined above) as a new business;
2. The conversion of an existing business, whether or not an "adult business," to any "adult business";

3. The addition of any "adult business" to any other existing "adult business";
4. The relocation of any "adult business"; or
5. Physical changes that expand the square footage of an existing "adult business" by more than 10%.

"Owner/license holder" means any of the following: (1) the sole proprietor of an adult business; (2) any general partner of a partnership that owns and operates an adult business; (3) the owner of a controlling interest in a corporation or L.L.C. that owns and operates an adult business; or (4) the person designated by the officers of a corporation or the members of an L.L.C. to be the license holder for an adult business owned and operated by the corporation.

"Performer" means a person who is an employee or independent contractor of an adult business or any other person who, with or without any compensation or other form of consideration, provides adult live entertainment for patrons of an adult business.

"Sexually oriented merchandise" means sexually oriented implements, paraphernalia, or novelty items, such as, but not limited to: dildos, auto sucks, sexually oriented vibrators, benwa balls, inflatable orifices, anatomical balloons with orifices, simulated and battery operated vaginas, and similar sexually oriented devices which are designed or marketed primarily for the stimulation of human genital organs or sadomasochistic activity or distinguished or characterized by their emphasis on matter depicting, describing or relating to "specified sexual activities" or "specified anatomical areas."

"Specified anatomical areas" means and includes any of the following:

1. Less than completely and opaquely covered, and/or simulated to be reasonably anatomically correct, even if completely and opaquely covered human:
  - a. Genitals, pubic region;
  - b. Buttocks, anus; or
  - c. Female breasts below a point immediately above the top of the areola; or
2. Human male genitals in a discernibly turgid state, even if completely or opaquely covered.

"Specified sexual activities" means and includes any of the following, irrespective of whether performed directly or indirectly through clothing or other covering:

1. Human genitals in a state of sexual stimulation or arousal; and/or
2. Acts of human masturbation, sexual stimulation or arousal; and/or
3. Use of human or animal ejaculation, sodomy, oral copulation, coitus or masturbation; and/or
4. Masochism, erotic or sexually oriented torture, beating, or the infliction of pain, or bondage and/or restraints; and/or
5. Human excretion, urination, menstruation, vaginal or anal irrigation; and/or
6. Fondling or other erotic touching of human genitals, pubic region, buttock, or female breast.

(Ord. NS-761 § 3, 2005)

#### **§ 8.60.030. Operating standards.**

- A. Hours of Operation. It shall be unlawful for any owner, operator, manager, employee or independent contractor of an adult business to allow such adult business to remain open for business, or to license any employee, independent contractor or performer to engage in a performance, solicit a performance, make a sale, solicit a sale, provide a service, or solicit a service, between the hours of 12:00 a.m. and 10:00 a.m. of any day excepting herefrom an "adult hotel/motel."
- B. Exterior Lighting Requirements. All exterior areas, including parking lots, of the adult business shall be illuminated at a minimum of 1.50 foot-candle, maintained and evenly distributed at ground level with appropriate devices to screen, deflect or diffuse the lighting in such manner as to prevent glare or reflected light from creating adverse impacts on adjoining and nearby public and private properties. Inoperable and/or broken lights shall be replaced within 24 hours.
- C. Interior Lighting Requirements. All interior areas of the adult business excepting therefrom adult hotels/motels shall be illuminated at a minimum of 1.00 foot-candle, maintained and evenly distributed at floor level. Inoperable and/or broken lights shall be replaced within 24 hours, excepting herefrom an "adult hotel/motel."
- D. Regulation of Adult Booth/Individual Viewing Area.
  - 1. No adult booth/individual viewing area shall be occupied by more than one individual at a time.
  - 2. Each adult booth/individual viewing area within the adult business shall be visible from a continuous and accessible main aisle in a public portion of the establishment, and shall not be obscured by any door, curtain, wall, two-way mirror or other device which would prohibit a person from seeing the entire interior of the adult booth/individual viewing area from the main aisle. A manager shall be stationed in the main aisle at all times. Further, no one shall maintain any adult booth/individual viewing area in any configuration unless the entire interior wherein the picture or entertainment that is viewed is visible from one main aisle. The entire body of any patron in any adult booth/individual viewing area must be visible from the main aisle without the assistance of mirrors or any other device.
  - 3. No doors are permitted on an adult booth/individual viewing area. No partially or fully enclosed adult booth/individual viewing areas or partially or fully concealed adult booth/individual viewing areas shall be maintained.
  - 4. No holes or other openings shall be permitted between adult booths/individual viewing areas. Any such hole or opening shall be repaired within 24 hours using "pop" rivets to secure metal plates over the hole or opening to prevent patrons from removing the metal plates.
  - 5. No beds, couches or chairs with a sitting area greater than 24 inches wide shall be permitted in an adult booth/individual viewing area.
- E. On-Site Manager; Security Measures. All adult businesses shall have a responsible person who shall be at least 18 years of age and shall be on the premises to act as manager at all times during which the business is open. No performer may serve as the manager. The individual(s) designated as the on-site manager shall provide his or her name to the Chief of Police to receive all complaints and be given by the owner and/or operator the responsibility and duty to address and immediately resolve all violations taking place on the premises.

All adult businesses shall provide a security system that visually records and monitors all parking lot areas, or in the alternative, state-licensed, uniformed security guards to patrol and monitor the parking lot areas during all times during which the business is open. If the business employs security

guards, they shall provide written confirmation to the Chief of Police prior to their employment that the guards are duly registered. No performer may serve as a security guard.

- F. Interior of Premises. No exterior door or window on the premises of an adult business shall be propped or kept open at anytime while the business is open and any exterior windows shall be covered with opaque coverings at all times.
- G. Signs. All adult businesses shall comply with the following sign requirements, in addition to those of this code. Should a conflict exist between the requirements of this code and this subsection, the more restrictive shall prevail.
  - 1. If an adult business does not serve alcohol, it shall post a notice inside the establishment, within 10 feet of every entrance used by customers for access to the establishment, stating that persons below the age of 18 years of age are prohibited from entering onto the premises or within the confines of the adult business. This notice shall be posted on a wall in a place of prominence. The dimensions of the notice shall be no less than six inches by six inches, with a minimum typeface of 25 points. If the adult business serves alcohol, it shall comply with all notice and posting requirements of the Alcoholic Beverage Control Department.
  - 2. No adult-oriented material shall be displayed in window areas or any area where it would be visible from any location other than within the confines of the adult business.
- H. Regulation of Public Restroom Facilities. If the adult business provides restrooms for patron use, it shall provide separate restroom facilities for male and female patrons. The restrooms shall be free from adult oriented material. Only one person shall be allowed in each restroom at any time, unless otherwise required by law, in which case the adult business shall employ a restroom attendant of the same sex as the restroom users who shall be present in the public portion of the restroom during operating hours. The attendant shall insure that no person of the opposite sex is permitted into the restroom, and that not more than one person is permitted to enter a restroom stall, unless otherwise required by law, and that the restroom facilities are used only for their intended sanitary purposes. Access to restrooms for patron use shall not require passage through an area used as a dressing area by performers.
- I. Trash. All interior trash cans shall be emptied into a single locked trash bin lined with a plastic bag or with individually bagged trash at least once a day. At least four times a day, the front and rear exteriors of any adult business, along with the parking lot, shall be inspected for trash and debris and any trash and debris found shall be immediately removed and placed into a single locked trash bin lined with a plastic bag.
- J. Adult Business Offering Adult Live Entertainment—Additional Operating Requirements. The following additional requirements shall apply to adult businesses providing adult live entertainment:
  - 1. No person shall perform adult live entertainment for patrons of an adult business except upon a permanently fixed stage at least 18 inches above the level of the floor, and surrounded with a three foot high barrier or by a fixed rail at least 30 inches in height. No patron shall be permitted on the stage while the stage is occupied by a performer(s) and/or adult cabaret dancer(s). This provision shall not apply to an individual viewing area where the performer is completely separated from the area in which the performer is viewed by an individual by a permanent, floor to ceiling, solid barrier.
  - 2. No performer or adult cabaret dancer shall be within six feet of a patron, measured horizontally, while the performer or adult cabaret dancer is performing adult live entertainment. While on-

stage, no performer or adult cabaret dancer shall have physical contact with any patron, and no patron shall have physical contact with any performer or adult cabaret dancer.

3. As to off-stage performances, no performer or adult cabaret dancer shall perform "adult live entertainment" off-stage. As to an adult cabaret dancer performing off-stage, a distance of at least six feet shall be maintained between the adult cabaret dancer and the patron(s) at all times. During off-stage performances, no adult cabaret dancer shall have physical contact with any patron, and no patron shall have physical contact with any adult cabaret dancer.
4. In addition, while on the premises, no performer or adult cabaret dancer shall have physical contact with a patron and no patron shall have physical contact with a performer or adult cabaret dancer, which physical contact involves the touching of the clothed or unclothed genitals, pubic area, buttocks, cleft of the buttocks, perineum, anal region, or female breast with any part or area of any other person's body either before or after any adult live entertainment or off stage performances by such performer or adult cabaret dancer. Patrons shall be advised of the no touching requirements by signs and, if necessary, by employees, independent contractors, performers, or adult cabaret dancers of the establishment. This prohibition does not extend to incidental touching.
5. Patrons shall be advised of the separation and no touching requirements by signs conspicuously displayed and placed on the barrier between patrons and performers and utilizing red or black printing of letters not less than one inch in size. And, if necessary, patrons shall also be advised of the separation and no touching requirements by employees or independent contractors of the establishment.
6. All employees and independent contractors of the adult facility, except therefrom performers while performing on the fixed stage, while on or about the premises or tenant space, shall wear at a minimum an opaque covering which covers their specified anatomical areas.
7. Patrons shall not throw money to performers, place monies in the performers' costumes or otherwise place or throw monies on the stage. If patrons wish to pay or tip performers, payment or tips may be placed in containers. Patrons shall be advised of this requirement by signs conspicuously displayed and placed on the barrier between patrons and performers and utilizing red or black printing of letters not less than one inch in size. If necessary, patrons shall also be advised of the tipping and gratuity requirements by employees or independent contractors of the adult business.
8. The adult business shall provide dressing rooms for performers, that are separated by gender and exclusively dedicated to the performers' use and which the performers shall use. Same-gender performers may share a dressing room. Patrons shall not be permitted in dressing rooms.
9. The adult business shall provide an entrance/exit to the establishment for performers that is separate from the entrance/exit used by patrons, which the performers shall use at all times.
10. The adult business shall provide access for performers between the stage and the dressing rooms that is completely separated from the patrons. If such separate access is not physically feasible, the adult business shall provide a minimum three foot wide walk aisle for performers between the dressing room area and the stage, with a railing, fence or other barrier separating the patrons and the performers capable of (and which actually results in) preventing any physical contact between patrons and performers and the patrons must also be three feet away from the walk aisle. Nothing in this section is intended to exempt the adult business from compliance with the provisions of Title 24 of the California Code of Regulations pertaining to handicapped

accessibility.

K. Adult Motion Picture Theater—Additional Operating Requirements. The following additional requirements shall apply to adult motion picture theaters:

1. If the theater contains a hall or auditorium area, the area shall comply with each of the following provisions:
  - a. Have individual, separate seats, not couches, benches, or the like, to accommodate the maximum number of persons who may occupy the hall or auditorium area;
  - b. Have a continuous main aisle alongside the seating areas in order that each person seated in the hall or auditorium area shall be visible from the aisle at all times; and
  - c. Have a sign posted in a conspicuous place at or near each entrance to the hall or auditorium area which lists the maximum number of persons who may occupy the hall or auditorium area, which number shall not exceed the number of seats within the hall or auditorium area.
2. If an adult motion picture theater is designed to permit outdoor viewing by patrons seated in automobiles, it shall have the motion picture screen so situated, or the perimeter of the establishment so fenced, that the material to be seen by those patrons may not be seen from any public right-of-way, child day care facility, public park, school, or religious institution or any residentially zoned property occupied with a residence.

(Ord. NS-761 § 3, 2005)

#### **§ 8.60.040. Adult business license.**

All adult businesses are subject to the adult business license requirements of this chapter as well as all other applicable ordinances of the city and laws of the State of California.

It shall be unlawful for any person to establish, operate, engage in, conduct, or carry on any adult business within the City of Carlsbad unless the person first obtains, and continues to maintain in full force and effect, an adult business license as herein required. Any "establishment of an adult business" as defined in Section 8.60.020 of this chapter shall require a new application for an adult business license. The adult business license shall be subject to the development and operational standards of this chapter and the regulations of the zoning district in which the facility is located.

If the license applicant is a corporation or L.L.C., the applicant shall provide its complete name, the date of its organization, evidence that the entity is in good standing under the laws of the State of California, the names and capacities of all officers, directors and individuals with managerial control over the facility, the name of the registered agent, and the address of the registered officer or member for service of process.

(Ord. NS-761 § 3, 2005)

#### **§ 8.60.050. Felony and misdemeanor convictions.**

- A. An application for an adult business license shall include a signed and verified statement made by the applicant that the license applicant, if an individual, or by all of the partners, officers, directors, if an L.L.C., partnership or corporation, declaring that none of them has pled guilty or nolo contendere or been convicted of an offense classified by this or any other state as a sex or sex-related offense, and (1) more than two years have elapsed since the date of conviction or the date of release from confinement of conviction to the date of application, whichever is the later date, if the conviction is a

misdemeanor; or (2) more than five years have elapsed since the date of conviction or the date of release from confinement of conviction to the date of application, whichever is the later date, if the conviction is a felony; or (3) more than five years have elapsed since the date of the last conviction or the date of release from confinement for the conviction to the date of application, whichever is the later date, if the convictions are two or more misdemeanors or combination of misdemeanor offenses occurring within any 24-month period.

- B. The adult business owner/license holder shall annually submit a signed and verified statement and processing fee to the Chief of Police declaring that there has been no change with respect to the owner/license holder having within this state or any other state: (1) pled guilty or nolo contendere of a sex or sex-related offense, or (2) been convicted of a sex or sex-related offense. Any plea of guilty or nolo contendere to or conviction of a sex or sex-related offense may be grounds for suspension or revocation of the adult business license, subject to Section 8.60.090 of this chapter.

(Ord. NS-761 § 3, 2005; Ord. CS-062 § III, 2009)

#### **§ 8.60.060. Adult business license applications.**

- A. The completeness of an application for an adult license shall be determined by the Chief of Police within five working days of its submittal. If the Chief of Police determines that the license application is incomplete, the Chief of Police shall immediately notify in writing the license applicant of such fact and the reasons therefor, including any additional information necessary to render the application complete. Such writing shall be deposited in the U.S. mail, postage prepaid, immediately upon determination that the application is incomplete. Within five working days following the receipt of an amended application or supplemental information, the Chief of Police shall again determine whether the application is complete in accordance with the provisions set forth above. Evaluation and notification shall occur as provided herein until such time as the application is found to be complete.
- B. Upon receipt of a completed application and payment of the application and license fees, the Chief of Police shall immediately write or stamp the application "Received" and, in conjunction with city staff, shall promptly investigate the information contained in the application to determine whether an adult business license shall be granted. Investigation shall not be grounds for the city to unilaterally delay in reviewing a completed application, nor is it grounds to extend the time period to conduct a hearing pursuant to this section.
- C. Within 30 days of receipt of the completed application, the Chief of Police shall issue or deny the license.
- D. In reaching a decision, the Chief of Police shall not be bound by the formal rules of evidence in the California Evidence Code.
- E. The failure of the Chief of Police to render any decision within the time frames established in any part of this section shall be deemed to constitute an approval, subject to appeal to the City Manager pursuant to Section 8.60.080. The Chief of Police's decision shall be hand delivered or mailed to the applicant at the address provided in the application, and shall be provided in accordance with the requirements of this code.
- F. Notwithstanding any provisions in this section regarding the occurrence of any action within a specified period of time, the applicant may request additional time beyond that provided for in this section or may request a continuance regarding any decision or consideration by the city of the pending application. Extensions of time sought by applicants shall not be considered delay on the part of the city or constitute failure by the city to provide for prompt decisions on applications.

G. The Chief of Police shall grant or deny the application in accordance with the provisions of this section, and so notify the applicant as follows:

1. The Chief of Police shall write or stamp "Granted" or "Denied" on the application and date and sign such notation.
2. If the application is denied, the Chief of Police shall attach to the application a statement of the reasons for the denial.
3. If the application is granted, the Chief of Police shall attach to the application an adult business license.

H. The Chief of Police shall grant the application and issue the adult business license upon findings that the proposed business meets, or will meet, all of the development and operational standards and requirements of this chapter, unless the application is denied based upon one or more of the criteria set forth below.

I. If the Chief of Police grants the application, the applicant may begin operating the adult business for which the license was sought, subject to strict compliance with the development and operational standards and requirements of this chapter. The license holder shall post the license conspicuously in the premises of the adult business.

J. The Chief of Police shall deny the application if the applicant fails to establish any of the following:

1. The adult business complies with the city's zoning requirements as to its underlying zoning designation.
2. The adult business complies with the development, operational or performance standards found in this chapter.
3. The license applicant is at least 18 years of age.
4. The required application fees have been paid.
5. The application complies with Section 8.60.040 (status of an L.L.C.).
6. The license applicant complies with Section 8.60.050(A) of this chapter.

K. An applicant, including, if an L.L.C., partnership or corporation, any of the partners, officers, or directors, cannot re-apply for an adult business license for a particular location within one year from the date of prior denial.

L. Any affected person may appeal the decision of the Chief of Police in writing in accordance with the provisions of Section 8.60.080.

(Ord. NS-761 § 3, 2005; Ord. CS-062 § IV, 2009)

#### **§ 8.60.070. Transfer of adult business license.**

- A. A license holder shall not operate an adult business under the authority of an adult business license at any place other than the address of the adult business stated in the application for the license.
- B. In the event of a transfer of ownership of the adult business, the new owner shall be fully informed of the requirements of this chapter, including the operational and development standards herein.
- C. In the event of a transfer of the adult business or the adult business license, the transferee must

provide the Chief of Police with the following information within seven days of the transfer:

1. If the transferee is an individual, the individual shall state his or her legal name, including any aliases, and address, and shall submit satisfactory written proof that he or she is at least 18 years of age.
2. If the transferee is a partnership, the partners shall state the partnership's complete name, address, the names of all partners, and whether the partnership is general or limited; and shall attach a copy of the partnership agreement, if any.
- D. If the transferee is a corporation or L.L.C., the entity shall provide its complete name, the date of its incorporation or organization, evidence that it is in good standing under the laws of the State of California, the names and capacities of all officers and directors, managers or members asserting supervisory or managerial control over the facility, the name of the registered agent, and the address of the registered office for service of process.

(Ord. NS-761 § 3, 2005)

#### **§ 8.60.080. Appeal procedures.**

- A. The decision of the Chief of Police shall be appealable to the City Manager by the filing of a written appeal with the City Clerk within 15 days following the day of mailing of the Chief of Police's decision and paying the fee for appeals provided under this code. All such appeals shall be filed with the City Clerk and shall be public records. The City Manager or a designated hearing officer designated by him or her which can include a retired judge shall, at a duly noticed meeting within 30 days from the date the written appeal was filed, independently review the entire record, including the transcript of the hearing and any oral or written arguments which may be offered to the City Manager or designated hearing officer by the appellant and respondent. No additional testimony or other evidence shall be received or considered by the City Manager or designated hearing officer. At the conclusion of the review, the City Manager or designated hearing officer shall decide to sustain the decision, modify the decision, or order the decision stricken and issue such order as the City Manager or designated hearing officer finds is supported by the entire record. The action of the City Manager or designated hearing officer shall be final and conclusive, shall be rendered in writing within four working days, and such written decision shall be immediately mailed or delivered to the appellant(s) and there shall be no additional right of appeal.
- B. Notwithstanding any provisions in this section regarding the occurrence of any action within a specified period of time, the applicant may request additional time beyond that provided for in this division or may request a continuance regarding any decision or consideration by the city of the pending appeal. Extensions of time sought by applicants shall not be considered delay on the part of the city or constitute failure by the city to provide for prompt decisions on applications.
- C. Failure of the City Manager or designated hearing officer to render a decision to grant or deny an appeal of a license denial within the time frames established by this section shall be deemed to constitute an approval of the adult business license.
- D. The time for a court challenge to a decision of the City Manager or designated hearing officer is governed by California Code of Civil Procedure Section 1094.8.
- E. Notice of the City Manager or designated hearing officer's decision and its findings shall include citation to California Code of Civil Procedure Section 1094.8.
- F. Any applicant or license holder whose license has been denied pursuant to this section shall be

afforded prompt judicial review of that decision as provided by California Code of Civil Procedure Section 1094.8.

- G. The City Manager or designated hearing officer's decision shall be final. Section 1.20.600 of the Municipal Code shall not apply to any decisions made under Section 8.60.080.  
(Ord. NS-761 § 3, 2005)

**§ 8.60.090. Suspension or revocation of adult business license.**

- A. On determining that grounds for license suspension or revocation exist, the Chief of Police or designee shall furnish written notice of the proposed suspension or revocation to the license holder. Such notice shall set forth the time and place of a hearing and the ground or grounds upon which the hearing is based, the pertinent municipal code sections, and a brief statement of the factual matters in support thereof. The notice shall be mailed, postage prepaid, addressed to the last known address of the license holder, or shall be delivered to the license holder personally, at least 10 days prior to the hearing date. Hearings pursuant to this section shall be conducted by the City Manager or a designated hearing officer designated by him or her which can include a retired judge. Hearings pursuant to this section shall be conducted in accordance with procedures established by the City Manager or designated hearing officer but, at a minimum shall include the following:
1. All parties involved shall have the right to offer testimonial, documentary, and tangible evidence bearing upon the issues and may be represented by counsel.
  2. The City Manager or designated hearing officer shall not be bound by the formal rules of evidence.
  3. Any hearing under this section may be continued for a reasonable time for the convenience of a party or a witness at the request of the license holder. Extensions of time or continuances sought by a license holder shall not be considered delay on the part of the city or constitute failure by the city to provide for prompt decisions on license suspensions or revocations.
  4. The City Manager or designated hearing officer's decision shall be final. Section 1.20.600 of this code shall not apply to any decisions made under this section.
- B. A license may be suspended or revoked based on the following causes arising from the acts or omissions of the license holder, or an employee, independent contractor, partner, director, or manager of the license holder:
1. The building, structure, equipment, or location used by the adult business fails to comply with all provisions of these regulations and this section relating to adult businesses, including the adult business operational standards contained in Section 8.60.030 and the zoning requirements of Chapter 21.43, and all other applicable building, fire, electrical, plumbing, health, and zoning requirements of this code.
  2. The license holder has failed to obtain or maintain all required city licenses.
  3. The license holder has made any false, misleading, or fraudulent statement of material fact in the application for an adult business license.
  4. The license is being used to conduct an activity different from that for which it was issued.
  5. That an individual employed by, or performing in, the adult business (whether classified as an employee or independent contractor) has been convicted of two or more sex-related offenses

that occurred in or on the licensed premises within a 12-month period and was employed by, or performing in, the adult business at the time the offenses were committed.

6. That the use for which the approval was granted has ceased to exist or has been suspended for six months or more.
7. The license holder has:
  - a. Within the past two years, pled guilty or nolo contendere, or been convicted of, or released from confinement of conviction of, whichever is the later date, an offense classified by this or any other state as a sex or sex-related offense, if the conviction is a misdemeanor; or
  - b. Within the past five years, pled guilty or nolo contendere, or been convicted of, or released from confinement of conviction of, whichever is the later date, an offense classified by this or any other state as a sex or sex-related offense, if the conviction is a felony; or
  - c. Within the past five years, pled guilty or nolo contendere, or been convicted of, or released from confinement of conviction of, whichever is the later date, two or more offenses classified by this or any other state as sex or sex-related offenses if the convictions are two or more misdemeanors or combination of misdemeanor offenses occurring within any 24-month period.
8. That the transferee/new owner of an adult business or adult business license failed to comply with the requirements of this chapter.
9. The license holder, partner, director, or manager has knowingly allowed or permitted, and has failed to make a reasonable effort to prevent the occurrence of any of the following on the premises of the adult business; or a licensee has been convicted of violating any of the following state laws on the premises of the adult business:
  - a. Any act of unlawful sexual intercourse, sodomy, oral copulation, or masturbation.
  - b. Use of the establishment as a place where unlawful solicitations for sexual intercourse, sodomy, oral copulation, or masturbation openly occur.
  - c. Any conduct constituting a criminal offense which requires registration under Section 290 of the California Penal Code.
  - d. The occurrence of acts of lewdness, assignation, or prostitution, including any conduct constituting violations of Sections 315, 316 and 318 of the California Penal Code.
  - e. Any act constituting a violation of provisions in the California Penal Code relating to obscene matter or distribution of harmful matter to minors, including, but not limited to, Sections 311 through 313.4.
  - f. Any act constituting a felony involving the sale, use, possession, or possession for sale of any controlled substance specified in Sections 11054, 11055, 11056, 11057, or 11058 of the California Health and Safety Code.
  - g. An act or omission in violation of any of the requirements of this chapter if such act or omission is with the knowledge, authorization, or approval of the license holder or is as a result of the license holder's negligent supervision of the employees or independent contractors of the adult facility. This includes the allowance of activities that are or become a public nuisance which includes the disruptive conduct of business patrons whether on or

immediately off the premises where such patrons disturb the peace, obstruct traffic, damage property, engage in criminal conduct, violate the law and otherwise impair the free enjoyment of life and property.

- C. After holding the hearing in accordance with the provisions of this section, if the City Manager or designated hearing officer finds and determines that there are grounds for suspension or revocation, the City Manager or designated hearing officer shall impose one of the following:
1. Suspension of the license for a specified period not to exceed six months; or
  2. Revocation of the license.

The City Manager or designated hearing officer shall render a written decision that shall be hand delivered or overnight mailed to the license holder within five days of the public hearing.

- D. In the event a license is revoked pursuant to this section, another adult business license to operate an adult business shall not be granted to the licensee within 12 months after the date of such revocation.
- E. The time for a court challenge to a decision of the City Manager or designated hearing officer is governed by California Code of Civil Procedure Section 1094.8.
- F. Notice of the City Manager or designated hearing officer's decision and its findings shall include citation to California Code of Civil Procedure Section 1094.8.
- G. Any applicant or license holder whose license has been suspended or revoked pursuant to this section shall be afforded prompt judicial review of that decision as provided by California Code of Civil Procedure Section 1094.8.

(Ord. NS-761 § 3, 2005; Ord. CS-062 § V, 2009)

**§ 8.60.100. Employment of and services rendered to persons under the age of 18 years prohibited; 21 if liquor is served.**

- A. Employees/Independent Contractors. Employees and independent contractors of an adult business must be at least 18 years of age. It shall be unlawful for any owner, operator, manager, partner, director, officer, shareholder with a 10% or greater interest, employees, or other person in charge of any adult business to employ, contract with, or otherwise retain any services in connection with the adult business with or from any person who is not at least 18 years of age. If liquor is served at the adult business, employees and independent contractors of the adult business must be at least 21 years of age. If liquor is served at the adult business, it shall be unlawful for any owner, operator, manager, partner, director, officer, shareholder with a 10% or greater interest, employee, or other person in charge of any adult business to employ, contract with, or otherwise retain any services in connection with the adult business with or from any person who is not 21 years of age. And said persons shall exercise reasonable care in ascertaining the true age of persons seeking to contract with, be employed by, or otherwise service the adult business.
- B. Patrons. Patrons of an adult business must be at least 18 years of age. It shall be unlawful for any owner, operator, manager, partner, director, officer, shareholder with a 10% or greater interest, employee, independent contractor, or other person in charge of any adult business to permit to enter or remain within the adult business any person who is not at least 18 years of age. If liquor is served at the adult business, patrons must be at least 21 years of age. If liquor is served at the adult business, it shall be unlawful for any owner, operator, manager, partner, director, officer, shareholder with a 10% or greater interest, employee, independent contractor, or other person in charge of any adult business to permit to enter or remain within the adult business any person who is not at least 21 years

of age. And said persons shall exercise reasonable care in ascertaining the true age of persons entering the adult business.

- C. X-rated Movies. The selling, renting and/or displaying of x-rated movies, videotapes, digital video disks (DVDs), compact disks (CDs) and laser disks shall be restricted to persons over 18 years of age. If an establishment that is not otherwise prohibited from providing access to the establishment to persons under 18 years of age sells, rents, or displays movies, videos, DVDs, or laser disks that have been rated "X" or rated "NC-17" by the motion picture rating industry ("MPAA"), or which have not been submitted to the MPAA for a rating, and which consist of images that are distinguished or characterized by an emphasis on depicting or describing specified sexual activities or specified anatomical areas, said movies, videos, DVDs, CDs, and laser disks shall be located in a specific section of the establishment where these items are not visible to persons under the age of 18 and from which persons under the age of 18 shall be prohibited.

(Ord. 761 § 3, 2005)

#### **§ 8.60.110. Regulations non-exclusive.**

The provisions of this chapter regulating adult businesses are not intended to be exclusive, and compliance therewith shall not excuse non-compliance with any other provisions of this code and/or any other regulations pertaining to the operation of businesses as adopted by the City Council of the City of Carlsbad. (Ord. NS-761 § 3, 2005)

#### **§ 8.60.120. Violations.**

- A. Any owner, operator, manager, employee or independent contractor of an adult business violating or permitting, counseling, or assisting the violation of any of these provisions regulating adult businesses shall be subject to any and all civil remedies, including license revocation. All remedies provided herein shall be cumulative and not exclusive. Any violation of these provisions shall constitute a separate violation for each and every day during which such violation is committed or continued.
- B. In addition to the remedies set forth in subsection A of this section, any adult business that is operating in violation of these provisions regulating adult businesses is hereby declared to constitute a public nuisance and, as such, may be abated or enjoined from further operation.
- C. The restrictions imposed pursuant to this section constitute a licensing process, and do not constitute a criminal offense. Notwithstanding any other provision of this code, the city does not impose a criminal penalty for violations of the provisions of this ordinance related to sexual conduct or activities.

(Ord. NS-761 § 3, 2005)

#### **§ 8.60.130. Public nuisance.**

In addition to the penalties set forth in this chapter, any adult business that is operating in violation of these provisions regulating adult businesses is hereby declared to constitute a public nuisance and, as such, may be abated or enjoined from further operation.

(Ord. NS-761 § 3, 2005)

#### **§ 8.60.140. Severability.**

If any section, subsection, paragraph, sentence, clause, or phrase of this chapter and the ordinance to which

it is a part, or any part thereof is held for any reason to be unconstitutional, invalid, or ineffective by any court of competent jurisdiction, the remaining sections, subsections, paragraphs, sentences, clauses, and phrases shall not be affected thereby. The City Council hereby declares that it would have adopted this chapter and the ordinance to which it is a part regardless of the fact that one or more sections, subsections, paragraphs, sentences, clauses, or phrases may be determined to be unconstitutional, invalid, or ineffective. (Ord. NS-761 § 3, 2005)

**CHAPTER 8.70  
ADULT BUSINESS PERFORMER LICENSE**

**§ 8.70.010. Purpose.**

It is the purpose and intent of this chapter to provide for the licensing of adult business performers in order to promote the health, safety, and general welfare of the city. The goals of the performer licensing provisions are (1) to protect minors by requiring that all performers be over the age of 18 years; (2) to assure the correct identification of persons performing in adult businesses; (3) to enable the city to deploy law enforcement resources effectively; and (4) to detect and discourage the involvement of crime in adult businesses by precluding the licensing of performers with certain sex-related convictions in a set time period. It is neither the intent nor the effect of these regulations to invade the privacy of performers or to impose limitations or restrictions on the content of any communicative material. Similarly, it is neither the intent nor the effect of these regulations to restrict or deny access by adults to communicative materials or to deny access by the distributors or exhibitors of adult businesses to their intended lawful market. Nothing in these regulations is intended to authorize, legalize, or permit the establishment, operation, or maintenance of any business, building, or use which violates any city ordinance or any statute of the State of California regarding public nuisances, unlawful or indecent exposure, sexual conduct, lewdness, obscene or harmful matter, or the exhibition or public display thereof.

The definitions contained in Chapter 8.60 of this code, shall govern for purposes of these regulations.  
(Ord. NS-761 § 4, 2005)

**§ 8.70.020. Adult business performer license.**

- A. No performer shall be employed, hired, engaged, or otherwise retained in an adult business to participate in or give any live performance displaying "specified anatomical areas" or "specified sexual activities" without first having a valid adult business performer license issued by the city.
- B. The Chief of Police or designee shall grant, deny, and renew adult business performer licenses in accordance with these regulations.
- C. License applicants shall file a written, signed, and verified application or renewal application on a form provided by the Chief of Police. Such application shall contain the following information:
  1. The license applicant's legal name and any other names (including "stage names" and aliases) used by the applicant;
  2. Principal place of residence;
  3. Age, date and place of birth;
  4. Height, weight, hair and eye color and tattoo descriptions and locations;
  5. Each present and/or proposed business address(es) and telephone number(s) of the establishments at which the applicant intends to work;
  6. Driver's license or identification number and state of issuance;
  7. Social security number;
  8. Satisfactory written proof that the license applicant is at least 18 years of age;
  9. The license applicant's fingerprints on a form provided by the San Diego County Sheriff's

Department and two color two-by-two inch photographs clearly showing the applicant's face. Any fees for the photographs and fingerprints shall be paid by the applicant. Fingerprints and photograph shall be taken within six months of the date of application;

10. Whether the license applicant has pled guilty or nolo contendere or been convicted of an offense classified by this or any other state as a sex-related offense and (a) less than two years have elapsed since the date of conviction or the date of release from confinement of conviction to the date of application, whichever is the later date, if the conviction is a misdemeanor; or (b) less than five years have elapsed since the date of conviction or the date of release from confinement of conviction to the date of conviction, whichever is the later date, if the conviction is a felony; or (c) less than five years have elapsed since the date of the last conviction or the date of release from confinement for the conviction to the date of application, whichever is the later date, if the convictions are two or more misdemeanors or combination of misdemeanor offenses occurring within any 24-month period;
  11. If the application is made for the purpose of renewing a license, the license applicant shall attach a copy of the license to be renewed.
- D. The information provided in subsection C of this section which is personal, private, confidential or the disclosure of which could expose the applicant to the risk of harm will not be disclosed under the California Public Records Act. Such information includes, but is not limited to, the applicant's residence address, telephone number, date of birth and age, driver's license and social security number. The City Council in adopting the application and licensing and/or permit system set forth herein has determined in accordance with Government Code Section 6255 that the public interest in disclosure of the information set forth above is outweighed by the public interest in achieving compliance with this chapter by ensuring that the applicant's privacy, confidentiality or security interest are protected. The City Clerk shall cause the same to be redacted from any copy of a completed application form made available to any member of the public, the above mentioned information.
- E. The completed application shall be accompanied by a non-refundable application fee and an annual license fee. The amount of such fees shall be as set forth in the schedule of fees established by resolution from time to time by the City Council.
- F. The completeness of an application shall be determined within two working days by the Chief of Police. The Chief of Police must be available during normal working hours Monday through Friday to accept adult business performer applications. If the Chief of Police determines that the application is incomplete, the Chief of Police shall immediately inform the applicant of such fact and the reasons therefor, including any additional information necessary to render the application complete. Upon receipt of a completed adult business performer application and payment of the license fee specified in subsection E of this section, the Chief of Police shall immediately issue a temporary license which shall expire of its own accord 10 business days from the date of issuance and shall only be extended as provided in Section 8.70.030.
- G. This temporary adult business performer license shall authorize a performer to commence performance at an adult business establishment that possesses a valid adult business license authorized to provide live entertainment.
- H. The fact that a license applicant possesses other types of state or city permits or licenses does not exempt the license applicant from the requirement of obtaining an adult business performer license.  
(Ord. NS-761 § 4, 2005)

**§ 8.70.030. Investigation and action on application for adult business performer license.**

- A. Upon submission of a completed application, payment of license fees, and issuance of a temporary adult business performer license pursuant to Section 8.70.010, the Chief of Police shall immediately stamp the application "Received" and in conjunction with city staff, including members of the police department, shall promptly investigate the information contained in the application to determine whether the license applicant should be issued an adult business performer license.
- B. Investigation shall not be grounds for the city to unilaterally delay in reviewing a completed application. The Chief of Police's decision to grant or deny the adult business performer license shall be made within 10 business days from the date the temporary license was issued. In the event the Chief of Police is unable to complete the investigation within 10 business days, the chief shall promptly notify the license applicant and extend the temporary license for up to 10 additional business days. In no case shall the investigation exceed 20 days, nor shall the decision to grant or deny the license application be made after the expiration of the temporary license.
- C. The Chief of Police shall render a written decision to grant or deny the license within the time period set forth in subsection B of this section. Said decision shall be mailed first class postage prepaid or hand delivered to the applicant, within the foregoing 10-day period (or 20-day period if extended pursuant to subsection B of this section) at the address provided by the applicant in the application.
- D. The Chief of Police shall notify the applicant as follows:
  - 1. The Chief of Police shall write or stamp "Granted" or "Denied" on the application and date and sign such notation.
  - 2. If the application is denied, the Chief of Police shall attach to the application a statement of the reasons for the denial. Such notice shall also provide that the license applicant may appeal the denial to the City Manager. The City Manager or a designated hearing officer shall conduct a hearing as described in Section 8.70.040.
  - 3. If the application is granted, the Chief of Police shall attach to the application an adult business performer license.
  - 4. The application, as acted upon, and the license, if any, shall be placed in the United States mail, first class postage prepaid, or hand delivered, addressed to the license applicant at the residence address stated in the application in accordance with the time frames established herein.
- E. The Chief of Police shall grant the application and issue the license unless the application is denied based on one of the grounds set forth in subsection F of this section.
- F. The Chief of Police shall deny the application based on any of the following grounds:
  - 1. The license applicant has made false, misleading, or fraudulent statement of material fact in the application for an adult business performer license.
  - 2. The license applicant is under 18 years of age.
  - 3. The adult business performer license is to be used for performing in a business prohibited by laws of the state or city or a business that does not have a valid adult business license.
  - 4. The license applicant has pled guilty, nolo contendere or been convicted of an offense classified by this or any other state as a sex-related offense and (a) less than two years have elapsed since the date of conviction or the date of release from confinement of conviction to the date of

application, whichever is the later date, if the conviction is a misdemeanor, or (b) less than five years have elapsed since the date of conviction or the date of release from confinement of conviction to the date of application, whichever is the later date, if the conviction is a felony; or (c) less than five years have elapsed since the date of the last conviction or the date of release from confinement for the conviction to the date of application, whichever is the later date, if the convictions are two or more misdemeanors or combination of misdemeanor offenses occurring within any 24-month period.

- G. Failure of the Chief of Police to render a decision on the license within the timeframes established by this section shall be deemed to constitute an approval.
- H. Each adult business performer license, other than the temporary license described in Section 8.70.020(F), shall expire one year from the date of issuance and may be renewed only by filing with the Chief of Police a written request for renewal, accompanied by the annual license fee and a copy of the license to be renewed. If said application conforms to the previously approved application and there has been no change with respect to the license holder being convicted of any crime classified by this or any other state as a sex-related offense, the finance officer or designee shall renew the license for one year. Any plea to or conviction of a sex-related offense requires the renewal application to be set for hearing before the Chief of Police in accordance with the provisions of this section. The request for renewal shall be made at least 30 days before the expiration date of the license. Applications for renewal shall be acted upon as provided herein for action upon applications for license. The Chief of Police's denial of a renewal application is subject to the hearing provisions of Section 8.70.040.

(Ord. NS-761 § 4, 2005)

#### **§ 8.70.040. Revocation/suspension/denial of adult business performer license.**

- A. On determining that grounds for denial of a license, license revocation or suspension exist, the Chief of Police or designee shall furnish written notice of the proposed action to the applicant/license holder. Such notice shall set forth the time and place of a hearing before the City Manager or a designated hearing officer and the ground or grounds upon which the hearing is based, the pertinent code sections and a brief statement of the factual matters in support thereof. The notice shall be mailed, postage prepaid, addressed to the last known address of the applicant/license holder, or shall be delivered to the license holder personally, at least 10 days prior to the hearing date.
- B. On determining that grounds for denial of a license exist, the Chief of Police shall furnish written notice of the proposed action to the applicant/license holder. The decision of the Chief of Police shall be appealable to the City Manager by filing a written request for a hearing with the City Clerk within 15 days following the day of mailing of the Chief of Police's decision and paying the fee for appeals provided under this code. All such appeals shall be filed with the City Clerk and shall be public records. The City Manager shall issue a notice which shall set forth the time and place of a hearing before the City Manager or a designated hearing officer which is within 30 days from the date the appeal was filed and the ground or grounds upon which the hearing is based, the pertinent code sections and a brief statement of the factual matters in support thereof. The notice shall be mailed, postage prepaid, addressed to the last known address of the applicant/license holder, or shall be delivered to the license holder personally, at least 10 days prior to the hearing date.
- C. The applicant shall have the right to offer testimonial, documentary, and tangible evidence bearing upon the issues and may be represented by counsel. The City Manager or designated hearing officer shall not be bound by the formal rules of evidence. Any hearing under this section may be continued for a reasonable time for the convenience of a party or a witness at the request of the licensee.

Extensions of time or continuances sought by a licensee/appellant shall not be considered delay on the part of the city or constitute failure by the city to provide for prompt decisions on license suspensions or revocations.

- D. A license may be revoked, based on any of the following causes arising from the acts or omissions of the license holder:
1. The licensee has made any false, misleading, or fraudulent statement of material fact in the application for a performer license.
  2. The licensee has pled guilty, nolo contendere or been convicted of an offense classified by this or any other state as a sex-related offense and (a) less than two years have elapsed since the date of conviction or the date of release from confinement of conviction to the date of application, whichever is the later date, if the conviction is a misdemeanor, or (b) less than five years have elapsed since the date of conviction or the date of release from confinement of conviction to the date of application, whichever is the later date, if the conviction is a felony; or (c) less than five years have elapsed since the date of the last conviction or the date of release from confinement for the conviction to the date of application, whichever is the later date, if the convictions are two or more misdemeanors or combination of misdemeanor offenses occurring within any 24-month period.
  3. Failure to comply with the operating standards of Chapter 8.60 or the requirements of this chapter.
- E. After holding the hearing in accordance with the provisions of this section, if the City Manager or designated hearing officer finds and determines that there are grounds for revocation or suspension, the City Manager or designated hearing officer shall revoke or suspend the license. After holding the hearing in accordance with the provisions of this section on the denial of a license, the City Manager or designated hearing officer shall decide to sustain the decision, modify the decision or order the decision stricken and issue such order as the City Manager or designated hearing officer finds is supported by the entire record. The City Manager or designated hearing officer shall render a written decision that shall be hand delivered or overnight mailed to the applicant/license holder within four working days of the hearing. The City Manager or designated hearing officer's failure to render such a decision within this time frame shall constitute an approval or reinstatement of the license.
- F. In the event a license is revoked pursuant to this section, another adult business performer license shall not be granted to the licensee within 12 months after the date of such revocation.
- G. The decision of the City Manager or designated hearing officer shall be final. Section 1.20.600 of this code shall not apply to any decisions made under Section 8.70.040.
- H. The time for a court challenge to a decision of the City Manager or designated hearing officer is governed by California Code of Civil Procedure Section 1094.8.
- I. Notice of the City Manager's or designated hearing officer's decision and findings shall include citation to California Code of Civil Procedure Section 1094.8.
- J. Any applicant or license holder whose license has been denied, suspended, or revoked, pursuant to this section shall be afforded prompt judicial review of that decision as provided by California Code of Civil Procedure Section 1094.8.

(Ord. NS-761 § 4, 2005)

**§ 8.70.050. Display of license identification cards.**

The Chief of Police shall provide each adult business performer required to have a license pursuant to this chapter with an identification card containing the name, address, photograph, and license number of such performer. Every performer shall have such card available for inspection at all times during which the performer is on the premises of the adult business at which he or she performs.

(Ord. NS-761 § 4, 2005)

**§ 8.70.060. Adult business performer license non-transferable.**

No adult business performer license may be sold, transferred, or assigned by any licensee or by operation of law, to any other person, group, partnership, corporation, or any other entity. Any such sale, transfer, or assignment, or attempted sale, transfer, or assignment shall be deemed to constitute a voluntary surrender of the adult business performer license, and the license thereafter shall be null and void.

(Ord. NS-761 § 4, 2005)

**§ 8.70.070. Time limit for filing application for license.**

All persons required by this chapter to obtain an adult business performer license must apply for and obtain such adult business performer license within 14 days of the effective date of this section. Failure to do so and continued performance that displays "specified anatomical areas" or "specified sexual activities" in an adult business after such time without a permit or license shall constitute a violation of this section.

(Ord. NS-761 § 4, 2005)

**§ 8.70.080. Violations.**

- A. Any licensee violating or causing the violation of any of these provisions regulating adult business performer licenses shall be subject to license revocation/suspension pursuant to Section 8.70.040 of this chapter, a fine of not more than \$1,000.00 pursuant to Government Code Sections 36900 and 36901, and any and all other civil remedies. All remedies provided herein shall be cumulative and not exclusive. Any violation of these provisions shall constitute a separate violation for each and every day during which such violation is committed or continued.
- B. In addition to the remedies set forth in subsection A of this section, any violation of any of these provisions regulating adult business performer licenses is hereby declared to constitute a public nuisance and may be abated or enjoined.
- C. The restrictions imposed pursuant to this section are part of a regulatory licensing process, and do not constitute a criminal offense. Notwithstanding any other provision of this code, the city does not impose a criminal penalty for violations of the provisions of this ordinance related to sexual conduct or activities.

(Ord. NS-761 § 4, 2005)

**§ 8.70.090. Regulations non-exclusive.**

The provisions of this chapter regulating adult business performer licenses are not intended to be exclusive, and compliance therewith shall not excuse noncompliance with any other regulations pertaining to the licensing provisions as adopted by the City Council of the City of Carlsbad.

(Ord. NS-761 § 4, 2005)

**§ 8.70.100. Severability.**

If any section, subsection, paragraph, sentence, clause, or phrase of this chapter and the ordinance to which it is a part, or any part thereof is held for any reason to be unconstitutional, invalid, or ineffective by any court of competent jurisdiction, the remaining sections, subsections, paragraphs, sentences, clauses, and phrases shall not be affected thereby. The City Council hereby declares that it would have adopted this chapter and the ordinance to which it is a part regardless of the fact that one or more sections, subsections, paragraphs, sentences, clauses, or phrases may be determined to be unconstitutional, invalid, or ineffective. (Ord. NS-761 § 4, 2005)

**CHAPTER 8.80  
MINI-SATELLITE WAGERING**

**§ 8.80.010. Purpose.**

It is the purpose of this chapter to protect public health, safety and welfare by broadly prohibiting mini-satellite wagering within the city.

(Ord. CS-252 § 2, 2014)

**§ 8.80.020. Definitions.**

"Mini-satellite wagering site" means any facility used for mini-satellite wagering as defined by California Business and Professions Code Section 19410.7.

(Ord. CS-252 § 3, 2014)

**§ 8.80.030. Prohibition.**

Mini-satellite wagering sites shall be prohibited within the City of Carlsbad.

(Ord. CS-252 § 4, 2014)

## CHAPTER 8.90 CANNABIS

### **§ 8.90.010. Purpose.**

This chapter is declarative of existing law. The Carlsbad Municipal Code, Title 21 (Zoning), only allows land uses permitted by the code. No provision of the Carlsbad Municipal Code allows any cannabis operation or land use of any kind within any zone, with the exception of medicinal cannabis deliveries pursuant to California Code of Regulations, Title 16, Division 42, Section 5416, and licensed medicinal cannabis delivery service businesses pursuant to Chapter 8.95 of this code. The purpose and intent of this chapter is to clarify the intent of the Carlsbad Municipal Code to prevent the cultivation, delivery, distribution, and sale of cannabis within Carlsbad city limits to the fullest extent of the law. Commercial cannabis activity has judicially recognized adverse secondary effects on the community, including, but not limited to, increases in crime in the vicinity of or as a result of the commercial cannabis activity; increases of fraud in obtaining or using state-issued identification cards and licenses; interference with residential property owners' enjoyment of their properties when such properties are located in the vicinity of commercial cannabis activity as a result of increases in crime, litter, noise, and vandalism; and the deterioration of neighborhoods. Prohibition of commercial cannabis activity is necessary to prevent these adverse secondary effects and the blighting or degradation of the neighborhoods in the vicinity of commercial cannabis activity, while at the same time protecting the rights of those individuals who desire to use cannabis within a private residence as authorized under the Adult Use of Marijuana Act.

Further, it is the intent of this chapter to limit the demands on police and other city resources and allow time for the state to establish and implement its regulatory and licensing programs under the Medical Cannabis Regulation and Safety Act of 2015, the Adult Use of Marijuana Act of 2016, and the Medicinal and Adult-Use Cannabis Regulation and Safety Act of 2017.

This chapter is not intended to conflict with federal or state law. The city council intends that this chapter be interpreted to be compatible with federal and state law. To the extent that this chapter may be deemed to conflict with any provision of state law, the city council has determined that the subject of the conflict is a municipal affair.

(Ord. CS-323 § 2, 2017; Ord. CS-460, 10/24/2023)

### **§ 8.90.020. Definitions.**

For the purposes of this chapter and Chapter 8.95 of this code, the following definitions apply:

"Applicant" means a person or entity who has submitted an application for a medicinal cannabis delivery service license under Chapter 8.95 of this code.

"Business owner" or "business ownership" means any of the following: (1) A person with an aggregate ownership interest of 20% or more in the medicinal cannabis delivery service business, unless the interest is solely a security, lien, or encumbrance; (2) the chief executive officer of a nonprofit or other entity applying for, or holding, such license; (3) a member of the board of directors of a nonprofit applying for, or holding, such license; or (4) an individual participating in the direction, control, or management of the person applying for, or holding, such license.

"Cannabis" means all parts of the plant *Cannabis sativa Linnaeus*, *Cannabis indica*, or *Cannabis ruderalis*, whether growing or not; the seeds of the plant; the resin extracted from any part of the plant, whether crude or purified; every compound, manufacture, salt, derivative, mixture, concentrate, or preparation of the plant, its seeds, or resin; and edible or topical products containing any of the above. "Cannabis" does not include industrial hemp, as defined in California Health and Safety Code Section 11018.5.

"Cannabis products" has the same meaning as in Section 26001 of the California Business and Professions Code.

"Caregiver" or "primary caregiver" has the same meaning as that term is defined in Section 11362.7 of the California Health and Safety Code.

"Commercial cannabis activity" means any cultivation, possession, manufacture, distribution, processing, storing, laboratory testing, packaging, labeling, transportation, distribution, delivery, or sale of cannabis requiring a license from the state under Division 10 of the California Business and Professions Code, whether or not carried on for profit and including medical cannabis cooperatives and collectives, except as approved by the U.S. Drug Enforcement Administration or the U.S. Food and Drug Administration.

"Cultivation" means any activity involving the planting, growing, harvesting, drying, curing, grading, or trimming of cannabis.

"Delivery" means the transfer of cannabis, including the use of any technology platform to arrange for or facilitate the transfer of cannabis by any business, cooperative, or collective, whether or not carried on for profit, to or from any location within the City of Carlsbad.

"Delivery personnel" means persons employed by a state and locally licensed cannabis business who deliver cannabis and cannabis products from the business premises to customers, or in the case of medicinal cannabis to qualified patients or caregivers, at a physical address location.

"Distribution" means the procurement, sale, and transport of cannabis or cannabis products between entities licensed pursuant to the MAUCRSA and any subsequent State of California legislation regarding the same.

"Indoors" means a code compliant space within a building, greenhouse, or other structure which is fully enclosed, with a complete roof enclosure supported by connecting walls extending from the ground to the roof that is secured against unauthorized entry and accessible only through one or more locking doors.

"MAUCRSA" means the Medical and Adult Use Cannabis Regulation and Safety Act or Senate Bill 94, signed into state law in 2017.

"Medicinal cannabis activity" means cultivation, manufacture, processing, laboratory testing, transporting, delivery, distribution, or sale of medicinal cannabis or a medicinal cannabis product, within the meaning of California Business and Professions Code Section 19300 et seq.

"Medicinal cannabis delivery service business" means a business or operation, whether for profit or nonprofit, whose premises are closed to the public and which sells medicinal cannabis and/or medicinal cannabis products exclusively by delivery, which requires a state license (Type 9-Non-storefront Retailer) under California Business and Professions Code Section 26000 et seq. and which requires a medicinal cannabis delivery service license issued by the City of Carlsbad to legally operate. This definition does not include any storefront component whereby customers purchase or pick up medicinal cannabis or medicinal cannabis products at the physical premises of a retail establishment.

"Medicinal cannabis delivery service license" means a City of Carlsbad regulatory license issued pursuant to Chapter 8.95 of this code to a medicinal cannabis delivery service business.

"Medicinal cannabis delivery service vehicle" means a vehicle used by a medicinal cannabis delivery service business to deliver medicinal cannabis or medicinal cannabis products. A medicinal cannabis delivery service vehicle must comply with all requirements of Chapter 8.95 of this code and California Code of Regulations, Title 4, Division 19, to legally operate.

"Medicinal cannabis" or "medicinal cannabis product" means medicinal cannabis or medicinal cannabis products, as those terms are defined in Section 26001 of the California Business and Professions Code.

Medicinal cannabis does not include industrial hemp as defined by Section 81000 of the California Food and Agricultural Code or Section 11018.5 of the California Health and Safety Code. This definition does not include cannabis accessories, branded merchandise of the licensee, or promotional materials, which are prohibited from delivery within the City of Carlsbad by medicinal cannabis delivery service businesses.

"Person with an identification card" means a qualified patient, caregiver, or primary caregiver who possesses a valid identification card as described in California Health and Safety Code Section 11362.7.

"Physical address location" means a real property structure from where a medicinal cannabis delivery service business conducts its operations. This location may be one of several business locations and does not need to be the primary business location or headquarters.

"Private residence" means a house, an apartment unit, a mobile home, or other similar dwelling unit.

"Property owner" or "property ownership" means the individual or entity who is the record owner of the property or premises where a medicinal cannabis delivery service business may be located or is proposed to be located.

"Public park" means an area created, established, designated, or maintained by a special district, county, the state, or the federal government for public play, recreation, enjoyment, or for the protection of natural resources and features at the site.

"Qualified patient" has the same meaning as that term is defined in Section 11362.7 of the California Health and Safety Code, a person who possesses a physician's recommendation that complies with Article 25 (commencing with Section 2525) of Chapter 5 of Division 2 of the California Business and Professions Code, or a primary caregiver for a qualified patient.

"State license" means a permit or license issued by the State of California, or one of its departments or divisions, under MAUCRSA to engage in medicinal cannabis activity.

"Transport" means the transfer of medicinal cannabis or medicinal cannabis products from the licensed business location of one licensee to the licensed business location of another licensee, for the purpose of conducting medicinal cannabis activity authorized by the MAUCRSA.

"Transporter" means a person authorized to transport medicinal cannabis or medicinal cannabis products in amounts authorized by the State of California, or by one of its departments or divisions under the MAUCRSA.

"Youth center" has the same meaning as that term is defined in California Health and Safety Code Section 11353.1.

(Ord. CS-323 § 2, 2017; Ord. CS-460, 10/24/2023)

### **§ 8.90.030. Prohibited activities.**

- A. Commercial cannabis activity is prohibited within the City of Carlsbad. No person shall engage in any commercial cannabis activity. No permit, license, or other authorization shall be issued for any commercial cannabis activity. This prohibition does not apply to licensed medicinal cannabis delivery service businesses pursuant to Chapter 8.95 of this code, cannabis delivery businesses pursuant to California Code of Regulations, Title 16, Division 42, Section 5416, and the carriage of cannabis on public roads in the City of Carlsbad to the limited extent required by Sections 26080(b) and 26090(e) of the California Business and Professions Code.
- B. Cultivation of cannabis is prohibited, except indoors at a private residence as authorized by Section 11362.2(a) of the California Health and Safety Code. Cannabis grown indoors shall be completely screened from view from public places and neighboring properties. Nothing in this chapter is intended

to, nor shall it be construed to, preclude any owner of real property from limiting or prohibiting cannabis cultivation by its tenants.

C. No person shall smoke or ingest cannabis in any public place.

(Ord. CS-323 § 2, 2017; Ord. CS-460, 10/24/2023)

**§ 8.90.040. Public nuisance.**

Any violation of this chapter is hereby declared a public nuisance and, as such, may be abated or enjoined from further operation within the city of Carlsbad.

(Ord. CS-323 § 2, 2017)

**§ 8.90.050. Violations.**

A. Any person who violates this chapter shall be guilty of a misdemeanor except: where Division 10, Chapter 6, Article 2 of California Health and Safety Code limits punishment to an infraction; or where the limited exemptions from criminal prosecution under Section 11362.71 or 11362.775 of the California Health and Safety Code, related to qualified patients and designated primary caregivers, apply. Under Section 1.08.010(C) of this code, each and every day during which a violation occurs shall be a separate offense.

B. The city may impose administrative penalties under Chapter 1.10 of this code for violations of this chapter.

(Ord. CS-323 § 2, 2017)

**§ 8.90.060. Severability.**

If any section, subsection, sentence, or clause of this chapter is held to be invalid or unconstitutional by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this chapter.

(Ord. CS-323 § 2, 2017)

## CHAPTER 8.95 MEDICINAL CANNABIS DELIVERY SERVICE BUSINESSES

### **§ 8.95.010. Purpose and intent.**

The purpose and intent of this chapter is to implement the provisions of Chapter 26 (commencing with Section 26320) to Division 10 of the California Business and Professions Code, referred to as the Medicinal Cannabis Patients' Right to Access Act, which, as of January 1, 2024, prohibits a city from adopting or enforcing any regulations that prohibit or have the effect of prohibiting the delivery of medicinal cannabis to patients or their primary caregivers by licensed medicinal cannabis delivery service businesses in a timely and readily accessible manner. This chapter also imposes a regulatory licensing scheme and reasonable regulations to protect the city's neighborhoods, residents, and businesses from negative impacts associated with the transporting, delivery, and distribution of medicinal cannabis and medicinal cannabis products.

(Ord. CS-460, 10/24/2023)

### **§ 8.95.020. Definitions.**

All definitions in Chapter 8.90 of this code also apply to this chapter.

(Ord. CS-460, 10/24/2023)

### **§ 8.95.030. License required.**

- A. No person shall engage in or conduct any medicinal cannabis delivery service business within the city without an approved medicinal cannabis delivery service license under this chapter.
- B. A separate medicinal cannabis delivery service license shall be required for each physical address location within the city.
- C. An application for a medicinal cannabis delivery service license shall be on forms provided by the Community Development Department and/or the Chief of Police or designee, which require all information, permits, licenses, criminal background check results, and other approvals necessary to verify compliance with this chapter and all applicable laws. The Chief of Police or designee reserves the right to request and obtain additional information from any business owner and property owner submitting a medicinal cannabis delivery service license application to show compliance with relevant codes and regulations.
- D. The business owner and the property owner, if different, shall sign the medicinal cannabis delivery service license application form.

(Ord. CS-460, 10/24/2023)

### **§ 8.95.040. Fees.**

The City Council may impose by resolution a nonrefundable fee to reimburse the city for its reasonable and necessary costs in receiving, processing, reviewing, and inspecting applications and appeals for a medicinal cannabis delivery service license. This fee shall be in addition to the business license fees and taxes required by this chapter and Chapter 5.08 of this code.

(Ord. CS-460, 10/24/2023)

### **§ 8.95.050. Operational standards.**

In addition to all applicable state and local codes and regulations, medicinal cannabis delivery service

businesses shall be subject to the following standards. The license application shall specify evidence required to demonstrate that the applicant meets these standards prior to approval of the medicinal cannabis delivery service license.

A. Structure and Use Standards.

1. Medicinal cannabis delivery service businesses shall be allowed in zones listed in Title 21 that expressly authorize "storage, wholesale, and distribution facilities" as a permitted use.
2. Medicinal cannabis delivery service businesses shall be located at least 1,000 feet from the following sensitive receptors. All measurements shall be taken from the closest property line of the medicinal cannabis delivery service business to the closest property line of the sensitive receptor.
  - a. Residential zones or private residences;
  - b. Public or private schools;
  - c. Daycare centers;
  - d. Churches;
  - e. Public parks;
  - f. Youth centers;
  - g. Any other medicinal cannabis delivery service business;
3. The cumulative size of all structures associated with a medicinal cannabis delivery service business shall not exceed 3,000 square feet.
4. All medicinal cannabis or medicinal cannabis products shall be stored in an enclosed permanent structure. Outdoor storage of medicinal cannabis or medicinal cannabis products is prohibited.
5. No markings or indications of cannabis or cannabis products shall be visible from the public right-of-way and/or exterior of the structure(s) associated with the medicinal cannabis delivery service business.

B. Site Operations Standards.

1. No person shall cause or permit the sale, dispensing, or consumption of alcoholic beverages or cannabis at or within 200 feet of the physical address location.
2. There shall not be a physician located in or near the physical address location at any time for the purpose of evaluating patients for the issuance of a medicinal cannabis prescription or card.
3. Odor control devices and techniques shall be incorporated and maintained in all delivery businesses to ensure that odors from cannabis are not detectable off site.
4. All cannabis and cannabis products sold or distributed in the city shall be cultivated, manufactured, and transported by licensed facilities that maintain operations in full conformance with state and local regulations.
5. Display of Licenses. The original copy of a medicinal cannabis delivery service license issued by the city pursuant to this chapter, along with the medicinal cannabis delivery business's state

cannabis license and city-issued business license, shall be readily available upon request by the chief of police or designee and not visible to the public.

6. Recordkeeping Requirements.

- a. Medicinal cannabis delivery service businesses shall comply with all provisions of Chapters 5.04 and 5.08 of this code relating to business license taxes, recordkeeping, and auditing.
  - b. Reporting and Tracking of Product and of Gross Sales. Pursuant to California Code of Regulations, Title 16, Division 42, Section 5048, all medicinal cannabis delivery service businesses shall use a track-and-trace system to track and report on all aspects of the medicinal cannabis delivery service business, including, but not limited to, such matters as cannabis tracking, inventory data, and gross sales (by weight and by sale). The system must have the capability to produce historical transactional data relevant to the City of Carlsbad for review by the Chief of Police or designee.
  - c. In accordance with California Code of Regulations, Title 16, Division 42, Section 5002, all medicinal cannabis delivery service businesses shall maintain a current register of the names and contact information (including the address and telephone number) of anyone owning or holding an interest in the medicinal cannabis delivery service business and all officers, managers, employees, agents, and volunteers currently employed or otherwise engaged by the medicinal cannabis delivery service business. The register required by this paragraph shall be provided to the Chief of Police or designee(s) upon a reasonable request.
  - d. All medicinal cannabis delivery service businesses shall maintain a record of all persons, qualified patients, collectives, and primary caregivers served by the business for a period of no less than four years.
  - e. All medicinal cannabis delivery service businesses shall maintain records of their inventory acquired, including the name and address of each supplier, the date of acquisition and the quantity acquired from each supplier, and the location of the cultivation of the supplier, and shall maintain a copy of the supplier's state license to cultivate (if required) for a period of no less than four years.
  - f. Subject to any restrictions under state or federal law, all medicinal cannabis delivery service businesses shall allow the chief of police or designee to have access to the business's books, records, and accounts, together with any other data or documents, for a period of no less than four years for the purpose of conducting an audit or examination. Books, records, accounts, and any and all relevant data or documents must be produced no later than 24 hours after receipt of the city's request, unless otherwise stipulated by the city.
7. Security measures. Medicinal cannabis delivery service businesses shall implement security measures that comply with all state law requirements, that deter and prevent the unauthorized entrance into areas containing medicinal cannabis or medicinal cannabis products, and that deter and prevent the theft of such products. These security measures include, but are not limited to, the following, to the satisfaction of the Chief of Police or designee:
- a. Ensure that all medicinal cannabis and medicinal cannabis products are kept in a manner to prevent diversion, theft, and loss.

- b. Install and maintain surveillance cameras that comply with California Code of Regulations, Title 16, Division 42, Section 5044. The medicinal cannabis delivery service business shall be responsible for ensuring that the security surveillance camera's footage is accessible by the City Manager or designee and the city's police department upon request, and that it is compatible with the city's software and hardware.
  - c. Ensure that all entrances and exits of the medicinal cannabis delivery service business are locked at all times, with entry strictly controlled.
  - d. Make available a designated security representative/liaison who can meet with the Chief of Police or designee regarding any security related measures and/or operational issues.
8. The business owner and property owner may not be convicted of any crimes listed in California Business and Professions Code Section 19323(b)(5) while operating a medicinal cannabis delivery service business. A conviction within the meaning of this section means a plea or verdict of guilty or a conviction or diversion following a plea of nolo contendere.
9. Reporting Legal Matters. The business owner and property owner shall notify the Chief of Police or designee in writing of the following legal matters pending against them, in their individual capacity or otherwise, within 48 hours of the date of conviction, judgment, order, or final decision:
  - a. Criminal Conviction. The written notification to the city shall include the date of the conviction, the court docket number, the name of the court in which the conviction was entered, and the specific offense(s) resulting in a conviction(s).
  - b. Civil Penalty or Judgment. The written notification shall include the date of verdict, entry of judgment, or order, the court docket number, the name of the court in which the matter was adjudicated, and a description of the civil penalty or judgment rendered.
  - c. Administrative Order. The written notification shall include the date of the order, the name of the agency issuing the order, and a description of the administrative penalty or decision rendered against the business owner or property owner.
  - d. Revocation or Suspension of a State or Local License, Permit, or other authorization. The written notification shall include the name of the local agency involved, a written explanation of the proceeding or enforcement action, and the specific violation(s) that led to the revocation or suspension.

C. Delivery Operations Standards.

1. In accordance with California Code of Regulations, Title 4, Division 19, Section 15417(a), all medicinal cannabis delivery service vehicles shall not have any marking or other indications on the exterior of the vehicle that may indicate that the delivery personnel is carrying cannabis goods for delivery.
2. All deliveries of medicinal cannabis and medicinal cannabis products must be to a physical address location other than the cannabis delivery business's physical address location.
3. All deliveries of medicinal cannabis and medicinal cannabis products shall only be made to the customer's residence. Deliveries of medicinal cannabis and medicinal cannabis products are prohibited to schools, day care centers, youth centers, public parks and open space, public buildings, and commercial establishments, including but not limited to, restaurants and places

of work, whether or not members of the public are present.

4. Medicinal cannabis and medicinal cannabis products may be transported by one medicinal cannabis delivery service business's physical address location to another medicinal cannabis delivery service business's physical address location if the state retail licenses for both locations are held by the same licensee.
  5. Deliveries of medicinal cannabis and medicinal cannabis products are only permitted during the hours specified under state law.
  6. Only direct employees of a medicinal cannabis delivery service business may serve as delivery personnel. An independent contractor, third-party courier service, or an individual employed through a staffing agency does not qualify as a direct employee.
  7. Before dispensing any medicinal cannabis or medicinal cannabis products to persons requesting delivery, delivery personnel must verify that the requestor and recipient is 18 years of age or older and is a person with an identification card, as defined in this chapter. Any person who causes or permits a delivery of medicinal cannabis or medicinal cannabis products within the City of Carlsbad to be made to a person other than a person with an identification card may be charged with a violation of this section.
- D. Additional standards and regulations. The city manager or designee may adopt any necessary rules, regulations, and processes governing medicinal cannabis delivery service licenses and the operations of medicinal cannabis delivery service businesses.

(Ord. CS-460, 10/24/2023)

#### **§ 8.95.060. Decision on the application; license suspension and revocation.**

- A. The Chief of Police or designee is authorized to approve, deny, suspend, or revoke a medicinal cannabis delivery service license.
- B. Following receipt of a complete medicinal cannabis delivery service license application, the Chief of Police or designee shall notify the applicant of the decision that approves the license, conditionally approves the license, or denies the license with the reasons for denial stated.
- C. A medicinal cannabis delivery service license issued pursuant to this chapter shall expire 12 months after the date of its issuance, after which time a new license application must be submitted to continue the medicinal cannabis delivery service business. License renewals are not permitted.
- D. License approval and modifications.
  1. A medicinal cannabis delivery service license shall not be issued unless the property owner(s) and business owner(s) successfully pass a criminal background check verifying that they have not been convicted of any crimes listed in California Business and Professions Code Section 19323(b)(5). The criminal background check shall be conducted by the chief of police or designee. A conviction within the meaning of this section means a plea or verdict of guilty or a conviction or diversion following a plea of nolo contendere.
  2. The Chief of Police or designee is authorized to impose additional conditions on a medicinal cannabis delivery service license as necessary to ensure compliance with state or local laws and regulations or to preserve the public health, safety, or welfare. Any additional license conditions will be provided in writing to the applicant by the chief of police or designee and may be appealed in accordance with Section 8.95.080 of this chapter.

3. Modifications or changes to an approved medicinal cannabis delivery service license, including, but not limited to, modifications to the physical address location or premises, business ownership, or property ownership, require approval of a new medicinal cannabis delivery service license pursuant to this chapter prior to the modifications or changes taking effect. Any such modifications or changes made without approval of a new license constitutes a violation of this chapter.
- E. License Denial. The Chief of Police or designee may deny a medicinal cannabis delivery service license for any of the following reasons:
1. Any of the reasons provided in California Business and Professions Code Section 26057(b).
  2. Application Deficiencies. The medicinal cannabis delivery service license application requirements cannot be satisfied by the applicant's proposed business, the application is incomplete, supportive documentation was not provided, and/or the applicant failed to correct deficiencies in the application or provide additional application information within the response timeframe requested.
  3. The applicant made a false or misleading statement on the application.
  4. The property owner or business owner has violated any law related to the operations of the medicinal cannabis delivery service business or laws related to any state or local licensure or permitting. In considering whether past violations of law warrant denial of a license, the Chief of Police or designee may consider the following factors with respect to the property owner or business owner:
    - a. The nature of the prior violation(s).
    - b. The number and/or variety of violations.
    - c. Whether the violation(s) were willful.
    - d. All circumstances surrounding the violation(s).
    - e. Previous sanctions imposed.
    - f. Any actual or potential harm to the public.
    - g. Any corrective action(s) taken.
    - h. The likelihood of recurrence of the violation(s).
    - i. The length of time a cannabis license or permit had been held at the time of the violation(s).
    - j. Any other factor that makes the situation unique or the violation(s) of greater concern.
  5. The property owner has failed to take appropriate action to evict or otherwise remove the business owner and persons conducting commercial cannabis activities at the medicinal cannabis delivery service business who do not maintain permits or licenses in good standing with the city or state.
  6. The property owner or business owner has been denied a license, permit, or other authorization to engage in commercial cannabis activity by a state or local licensing authority, or such license, permit or other authorization is currently suspended, revoked, or non-renewable.

7. The city or state has determined, based on substantial evidence, that the property owner or business owner is currently in violation of the requirements of this chapter, of this code, state law, or any other applicable law. The property owner or business owner may file a new application pursuant to this chapter once the city or state authority determines that the violation has been corrected.
8. Facts or circumstances exist which indicate that the property owner or business owner has engaged in unlawful, fraudulent, unfair, or deceptive business acts or practices.
9. Facts or circumstances exist which indicate that the medicinal cannabis delivery service business does or would very likely constitute a threat to public health, safety, and/or welfare.

F. License Revocation or Suspension.

1. The chief of police or designee may revoke or suspend a medicinal cannabis delivery service license for any of the reasons listed in subsection E of this section.
2. The issuance of three or more administrative citations, verifiable municipal code violations, verifiable violations of a state permit, state license or other state law, or hearing officer determinations concerning medicinal cannabis delivery service license requirements within a 12-month period shall result in revocation of a medicinal cannabis delivery service license. In the event of license revocation, an application to reestablish a medicinal cannabis delivery service license for the same location and/or entity shall not be accepted for a minimum period of 36 months.
3. Any attempt to transfer a medicinal cannabis delivery service license, or any transfer of business ownership, property ownership, or possession or control of either a medicinal cannabis delivery service business or the real property in the City of Carlsbad where the business is located and continued use of a previously issued medicinal cannabis delivery service license, shall result in revocation of the medicinal cannabis delivery service license.
4. Revocation or suspension of a license is subject to a 10-calendar day prior written notice and an opportunity to appeal, if the appeal is requested within 10 calendar days of the date of the written revocation or suspension notice. The appeal procedures shall follow those outlined in Section 8.95.080 of this chapter.
5. Suspension or expiration without timely renewal of a license issued by the State of California, or by any of its departments or divisions, shall immediately suspend the ability of a medicinal cannabis delivery service business to operate within the city until the State of California, or any of its departments or divisions, reinstates or reissues the state license. Revocation or termination of the license of a medicinal cannabis delivery service business by the State of California, or any of its departments or divisions, shall immediately revoke or terminate the ability of a medicinal cannabis delivery service business to operate within the city without notice. If the city becomes aware that a state license has expired or been suspended, revoked, or terminated, it will initiate proceedings under subsection (F)(4) of this section to suspend or revoke a medicinal cannabis delivery service license.

(Ord. CS-460, 10/24/2023)

**§ 8.95.070. Violations, inspections, and enforcement.**

- A. Violations Declared a Public Nuisance. Each and every violation of the provisions of this chapter is deemed unlawful and a public nuisance.

- B. Each Violation a Separate Offense. Each and every violation of this chapter shall constitute a separate violation, and the city may pursue any and all remedies and actions available under state and local law for any violations committed by a medicinal cannabis delivery service business, a business owner, a property owner, or any other persons related to or associated with any commercial cannabis activity, including suspension or revocation of any license pursuant to Section 8.95.060(F) of this code. Additionally, as a nuisance per se, any violation of this chapter shall be subject to disgorgement and payment to the city of any monies unlawfully obtained, costs of abatement, costs of investigation, attorney fees, and any other relief or remedy available at law or in equity.
- C. Remedies are Cumulative and Not Exclusive. The remedies provided in this chapter or this code are not to be construed as exclusive remedies. The city is authorized to pursue any proceedings or remedies provided by law.
- D. Business Owner and Property Owner Responsible for Violations. The business owner and property owner shall be responsible for all local and state law violations that occur in or about a physical address location, a medicinal cannabis delivery service vehicle, or related to delivery personnel, whether or not the violations occur within the presence of the business owner or property owner.
- E. Inspections and Enforcement.
1. The Chief of Police or designee(s), including code enforcement officers and peace officers, are charged with enforcing the provisions of this code and shall be authorized to enter a medicinal cannabis delivery service business or a medicinal cannabis delivery service vehicle operating in the City of Carlsbad at any time during the business's hours of operation with or without notice, subject to constitutional limitations, to do either or both of the following:
    - a. Inspect the medicinal cannabis delivery service business and medicinal cannabis delivery service vehicle as well as any recordings and records required to be maintained pursuant to this chapter or under applicable provisions of state law.
    - b. Obtain cannabis product samples to test for public safety purposes. Any samples obtained by the city shall be logged, recorded, and maintained in accordance with the police department's standards for evidence.
  2. The building official and fire marshal, or their designee, reserve the right to schedule a building code or fire code inspection at any time before, during, or after the medicinal cannabis delivery service licensing process.
  3. It is unlawful for any person having responsibility over the operation of a medicinal cannabis delivery service business to impede, obstruct, interfere with, or otherwise not allow the city to conduct an inspection, review or copy records, recordings, or other documents required to be maintained by such business under this chapter or under state or local law. It is also unlawful for a person to conceal, destroy, deface, damage, or falsify any records, recordings, or other documents required to be maintained by a medicinal cannabis delivery service business under this chapter or under state or local law.

(Ord. CS-460, 10/24/2023)

#### **§ 8.95.080. Appeals.**

- A. Whenever an appeal is provided for in this chapter from a decision of the Chief of Police or designee, the appeal shall be conducted as prescribed in this section.

- B. Within 10 calendar days after the date of a decision of the Chief of Police or designee to revoke, suspend or deny a license, or to add conditions to a medicinal cannabis delivery service license, an aggrieved party may appeal such action by filing a written appeal with the City Clerk setting forth the reasons why the decision was not proper. The notice of appeal shall specify:
1. The name and address of the appellant;
  2. The date that the medicinal cannabis delivery service license application was filed with the city;
  3. The date of the decision to deny, suspend, revoke, or condition the license which is being appealed; and
  4. The factual basis for the appeal.
- C. Upon receipt of a complete and timely filed notice of appeal, the Police Chief or designee shall schedule a hearing and send written notice to the appellant at the address provided in the notice of appeal, by means of registered mail, certified mail, or hand delivery, that within a period of not less than five days nor more than 14 days from the date of the filing of the notice of appeal with the City Clerk, a hearing shall be conducted to determine the existence of any substantial evidence which would refute the grounds for the denial of, suspension of, revocation of, or conditions imposed on a medicinal cannabis delivery service license. The hearing notification shall include the date, time, and place of the hearing.
- D. An administrative hearing officer contracted with the city shall be assigned to the hearing in accordance with the city's administrative order governing administrative hearing officers. The hearing shall be conducted pursuant to Chapter 1.10 of this code and any corresponding administrative orders. If the appellant or their legal counsel fails to present any evidence at the hearing, any evidence supporting facts which constitute grounds for the medicinal cannabis delivery service license's denial, suspension, revocation, or additional conditions placed on the license shall be deemed uncontested. Any issue not raised in the hearing is waived. The hearing officer's decision is final.

(Ord. CS-460, 10/24/2023)

#### **§ 8.95.090. Limitations of city's liability.**

To the fullest extent permitted by law, the city shall not assume any liability whatsoever with respect to having issued a medicinal cannabis delivery service license pursuant to this chapter or otherwise approving the operation of any medicinal cannabis delivery service business. As a condition to the approval of any medicinal cannabis delivery service license, the applicant shall be required to meet all of the following conditions before they can receive the medicinal cannabis delivery service license:

- A. Execute an agreement, in a form approved by the city attorney, agreeing to the fullest extent permitted by law to indemnify, defend (at the applicant's sole cost and expense), and hold the City of Carlsbad, and its officers, elected and appointed officials, employees, volunteers, and agents harmless, from any and all claims, losses, damages, injuries, including death, liabilities or losses which arise out of, or which are in any way related to, the city's issuance of the medicinal cannabis delivery service license, the city's decision to approve the medicinal cannabis activity, the process used by the city in making its licensing decision, or the alleged violation of any laws by the medicinal cannabis delivery service business or any of its officers, employees, or agents.
- B. Maintain insurance at coverage limits established by the city's risk manager and with conditions determined necessary and appropriate from time to time by the City Attorney.

- C. Reimburse the city for all costs and expenses, including, but not limited to, attorneys fees and costs and court costs, which the city may be required to pay as a result of any legal challenge related to the city's approval of the applicant's medicinal cannabis delivery service license, or related to the city's approval of a medicinal cannabis activity. The city may, at its sole discretion, participate at its own expense in the defense of any such action, but such participation shall not relieve any of the obligations imposed under this section.
- D. Nothing in this chapter creates a mandate to issue a medicinal cannabis delivery service license to a medicinal cannabis delivery service business.

(Ord. CS-460, 10/24/2023)

**§ 8.95.100. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of this chapter or the application of the chapter to persons or circumstances not similarly situated.

## CHAPTER 10.04 DEFINITIONS

### **§ 10.04.010. Generally.**

- A. The following words and phrases when used in this chapter shall for the purpose of this chapter have the meanings respectively ascribed to them by this section.
- B. Whenever any words or phrases used in this chapter are not defined herein, but are now defined in the vehicle code of the state, such definitions are incorporated in this chapter and shall be deemed to apply to such words and phrases used as though set forth herein in full.

(Ord. 3005)

### **§ 10.04.020. Highway.**

"Highway" means a way or place of whatever nature, publicly maintained and open to the use of the public for purposes of vehicular travel. Highway includes street.

(Ord. 5042 § 1(b), 1968)

### **§ 10.04.030. Loading zone.**

"Loading zone" means the space adjacent to a curb reserved for the exclusive use of vehicles during the loading or unloading of passengers or materials.

(Ord. 3005)

### **§ 10.04.040. Official time standard.**

Whenever certain hours are named in this title, they shall mean standard time or daylight saving time as may be in current use in the city.

(Ord. 3005)

### **§ 10.04.050. Official traffic-control devices.**

"Official traffic-control devices" mean all signs, signals, markings and devices not inconsistent with this chapter placed or erected by authority of a public body or official having jurisdiction for the purpose of regulating, warning or guiding traffic.

(Ord. 3005)

### **§ 10.04.060. Official traffic signal.**

"Official traffic signal" means any device, whether manually, electrically or mechanically operated, by which traffic is alternately directed to stop and proceed and which is erected by authority of a public body or official having jurisdiction.

(Ord. 3005)

### **§ 10.04.070. Park.**

"Park" means to stand or leave standing any vehicle, whether occupied or not, otherwise than temporarily for the purpose of and while actually engaged in loading or unloading of passengers or materials.

(Ord. 3005)

**§ 10.04.080. Parkway.**

"Parkway" means that portion of a street other than a roadway or a sidewalk.  
(Ord. 3005)

**§ 10.04.090. Passenger loading zone.**

"Passenger loading zone" means the space adjacent to a curb reserved for the exclusive use of vehicles during the loading or unloading of passengers.  
(Ord. 3005)

**§ 10.04.100. Pedestrian.**

"Pedestrian" means any person afoot.  
(Ord. 3005)

**§ 10.04.110. Police officer.**

"Police officer" means every officer of the police department of the city.  
(Ord. 3005)

**§ 10.04.120. Stop.**

"Stop," when required, means complete cessation of movement.  
(Ord. 3005)

**§ 10.04.130. Stop or stand.**

"Stop or stand," when prohibited, means any stopping or standing of a vehicle, whether occupied or not, except when necessary to avoid conflict with other traffic or in compliance with the directions of a police officer or official traffic-control device.  
(Ord. 3005)

**§ 10.04.140. Traffic.**

"Traffic" means pedestrians, ridden or herded animals, vehicles, streetcars and other conveyances either singly or together while using any street for purposes of travel.  
(Ord. 3005)

**§ 10.04.150. Vehicle.**

"Vehicle" means a device by which any person or property may be propelled, moved, or drawn upon a highway, except a device moved by human power or used exclusively upon stationary rails or tracks.  
(Ord. 5042 § 2(a), 1968)

## CHAPTER 10.08 TRAFFIC ADMINISTRATION

### **§ 10.08.010. Police administration.**

There is established in the police department of the city a traffic division to be under the control of an officer of police appointed by and directly responsible to the Chief of Police.  
(Ord. 3005 § 15)

### **§ 10.08.020. Duty of traffic division.**

It shall be the duty of the traffic division with such aid as may be rendered by other members of the police department to enforce the street traffic regulations in the city, and all of the state vehicle laws applicable to street traffic in the city, to make arrests for traffic violations, to investigate traffic accidents and to cooperate with the city Traffic Engineer and other officers of the city in the administration of the traffic laws and in developing ways and means to improve traffic conditions, and to carry out those duties specially imposed upon the division by this chapter and the traffic ordinances of the city.  
(Ord. 3005 § 16)

### **§ 10.08.030. Traffic accident studies.**

Whenever accidents at any particular location become numerous, the traffic division shall cooperate with the city Traffic Engineer in conducting studies of such accidents and determining remedial measures.  
(Ord. 3005 § 17)

### **§ 10.08.040. Traffic accident reports.**

The traffic division shall maintain a suitable system of filing traffic accident reports. Accident reports or cards referring to them shall be filed alphabetically by location. Such reports shall be available for the use and information of the city Traffic Engineer.  
(Ord. 3005 § 18)

### **§ 10.08.050. Traffic division to submit annual traffic safety reports.**

The traffic division shall annually prepare a traffic report which shall be filed with the City Council. Such a report shall contain information on traffic matters in the city as follows:

- A. The number of traffic accidents, the number of persons killed, the number of persons injured and other pertinent traffic accident data;
- B. The number of traffic accidents investigated and other pertinent data on the safety activities of the police;
- C. The plans and recommendations of the division for future traffic safety activities.  
(Ord. 3005 § 19)

### **§ 10.08.060. City Traffic Engineer—Office established—Powers and duties generally.**

The office of city Traffic Engineer is established. The city Traffic Engineer as used in this code is defined as the city employee that directs the traffic division of the transportation department of the City of Carlsbad. The city Traffic Engineer shall exercise the powers and duties with respect to traffic as provided in this chapter and elsewhere in this code.

(Ord. 3005 § 20; Ord. 3087, 1971; Ord. CS-164 § 2, 2011; Ord. CS-361 § 5, 2019)

**§ 10.08.070. Additional powers and duties of Traffic Engineer.**

It shall be the general duty of the city Traffic Engineer to determine the installation and proper timing and maintenance of traffic-control devices and signals, to conduct engineering analyses of traffic accidents and to devise remedial measures, to conduct engineering investigation of traffic conditions and to cooperate with other city officials in the development of ways and means to improve traffic conditions and to carry out the additional powers and duties imposed by ordinances of the city.

(Ord. 3005 § 21)

**CHAPTER 10.12  
TRAFFIC REGULATIONS—ENFORCEMENT AND OBEDIENCE**

**§ 10.12.010. Authority of police and firefighters.**

- A. It shall be the duty of the officers of the police department or such officers as are assigned by the Chief of Police to enforce all street traffic laws of the city and all of the state vehicle laws applicable to street traffic in the city.
- B. Officers of the police department or such officers as are assigned by the Chief of Police are hereby authorized to direct all traffic by voice, hand or signal in conformance with traffic laws; provided, that in the event of a fire or other emergency or to expedite traffic or to safeguard pedestrians, officers of the police department may direct traffic as conditions may require, notwithstanding the provisions of the traffic laws.
- C. Firefighters, when at the scene of an emergency, while engaged in outside training activities, or to facilitate the safe movement of apparatus; may direct or assist the police in directing traffic thereat or in the immediate vicinity.

(Ord. 3005 § 22; Ord. 2028 § 1(0), 1969)

**§ 10.12.030. Obedience to police and firefighters.**

No person shall wilfully fail or refuse to comply with any lawful order of a police officer or fire department official when directing traffic.

(Ord. 3005 § 24)

**§ 10.12.040. Persons other than officials not to direct traffic.**

No person other than an officer of the police department or a person deputized by the Chief of Police or person authorized by law shall direct or attempt to direct traffic by voice, hand or other signal, except that persons may operate when and as provided in this title, any mechanical push-button signal erected by order of the city Traffic Engineer.

(Ord. 3005 § 25)

**§ 10.12.050. Public employees to obey traffic regulations.**

The provisions of this chapter shall apply to the driver of any vehicle owned by or used in the service of the United States government, this state, any county or city and it is unlawful for any such driver to violate any of the provisions of this chapter except as otherwise permitted in this chapter or by state statute.

(Ord. 3005 § 26)

**§ 10.12.060. Exemptions to certain vehicles.**

- A. The provisions of this chapter regulating the operation, parking and standing of vehicles shall not apply to any vehicle of the police department or fire department, any public ambulance or any public utility vehicle or any private ambulance, which public utility vehicle or private ambulance has qualified as an authorized emergency vehicle, when any vehicle mentioned in this section is operated in the manner specified in the state Vehicle Code in response to an emergency call.
- B. The foregoing exemptions shall not, however, protect the driver of any such vehicle from the consequences of his or her wilful disregard of the safety of others.

C. The provisions of this chapter regulating the parking or standing of vehicles shall not apply to any vehicle of a city department or public utility while necessarily in use for construction or repair work or any vehicle owned by the United States while in use for the collection, transportation or delivery of United States mail.

(Ord. 3005 § 27)

**§ 10.12.070. Enforcement of California Vehicle Code.**

Pursuant to California Vehicle Code Section 21107.6, the provisions of Division 11 of the Vehicle Code entitled "Rules of the Road" shall apply to the following privately owned and maintained roads:

All those privately owned and maintained roads within the Poinsettia Village shopping center generally located at the southeast intersection of Avenida Encinas and Poinsettia Road.

(Ord. NS-544 § 1, 2000)

## CHAPTER 10.16 TRAFFIC-CONTROL DEVICES

### **§ 10.16.010. Authority to install.**

- A. The city Traffic Engineer shall have the exclusive power and duty to place and maintain or cause to be placed and maintained official traffic-control devices when and as required under the traffic ordinances of the city to make effective the provisions of such ordinances.
- B. Whenever the Vehicle Code of the state requires for the effectiveness of any provision thereof that traffic-control devices be installed to give notice to the public of the application of such law the city Traffic Engineer is authorized to install the necessary devices subject to any limitations or restrictions set forth in the law applicable thereto.
- C. The city Traffic Engineer may also place and maintain such additional traffic-control devices as the Traffic Engineer may deem necessary to regulate traffic or to guide or warn traffic, but he or she shall make such determination only upon the basis of Traffic Engineering principles and traffic investigations and in accordance with such standards, limitations and rules as may be set forth in the traffic ordinances of the city or as may be determined by ordinance or resolution of the City Council.  
(Ord. 3005 § 29)

### **§ 10.16.020. Enforcement.**

No provision of the state Vehicle Code or of this chapter for which signs are required shall be enforced against an alleged violator unless appropriate signs are in place and sufficiently legible to be seen by an ordinarily observant person, giving notice of such provisions of the traffic laws.  
(Ord. 3005 § 30)

### **§ 10.16.030. Obedience to traffic-control devices.**

The driver of any vehicle shall obey the instructions of any official traffic-control device applicable thereto placed in accordance with the traffic ordinances of the city unless otherwise directed by a police officer subject to the exemptions granted the driver of an authorized emergency vehicle when responding to emergency calls.  
(Ord. 3005 § 31)

### **§ 10.16.040. Installation of traffic signals.**

- A. The city Traffic Engineer is directed to install and maintain official traffic signals at those intersections and other places where traffic conditions are such as to require that the flow of traffic be alternately interrupted and released in order to prevent or relieve traffic congestion or to protect life or property from exceptional hazard.
- B. The city Traffic Engineer shall ascertain and determine the locations where such signals are required by resort to field observation, traffic counts and other traffic information as may be pertinent and his or her determinations therefrom shall be made in accordance with those Traffic Engineering and safety standards and instructions set forth in the California Maintenance Manual issued by the division of highways of the state department of public works.
- C. Whenever the city Traffic Engineer installs and maintains an official traffic signal at any intersection, the Traffic Engineer shall likewise erect and maintain at such intersection street name signs visible to the principal flow of traffic unless such street name signs have previously been placed and are

maintained at any intersection.  
(Ord. 3005 § 32)

**§ 10.16.050. Lane markings.**

The city Traffic Engineer is authorized to mark centerlines and lane lines upon the surface of the roadway to indicate the course to be traveled by vehicles and may place signs temporarily designating lanes to be used by traffic moving in a particular direction, regardless of the centerline of the highway.  
(Ord. 3005 § 33)

**§ 10.16.060. Distinctive roadway markings.**

Whenever the state department of public works determines by resolution and designates a distinctive roadway marking which shall indicate no driving over such marking, the city Traffic Engineer is authorized to designate by such marking those streets or parts of streets where the volume of traffic or the vertical or other curvature of the roadway renders it hazardous to drive on the left side of such marking or signs and markings. Such marking or signs and markings shall have the same effect as similar markings placed by the state department of public works pursuant to provisions of the state Vehicle Code.  
(Ord. 3005 § 34)

**§ 10.16.070. Removal—Relocation—Discontinuance.**

The city Traffic Engineer is authorized to remove, relocate or discontinue the operation of any traffic-control device not specifically required by state law or this chapter whenever the Traffic Engineer shall determine in any particular case that the conditions which warranted or required the installation no longer exist or obtain.  
(Ord. 3005 § 35)

**§ 10.16.080. Hours of operation.**

The city Traffic Engineer shall determine the hours and days during which any traffic-control device shall be in operation or be in effect, except in those cases where such hours or days are specified in this chapter.  
(Ord. 3005 § 36)

## CHAPTER 10.20 TURNING MOVEMENTS

### **§ 10.20.010. Authority to place—Obedience.**

The city Traffic Engineer is authorized to place markers, buttons or signs within or adjacent to intersections indicating the course to be traveled by vehicles turning at such intersections, and the city Traffic Engineer is authorized to allocate and indicate more than one lane of traffic from which drivers of vehicles may make right or left-hand turns, and the course to be traveled as so indicated may conform to or be other than as prescribed by law or ordinance.

When authorized markers, buttons or other indications are placed within an intersection indicating the course to be traveled by vehicles turning thereat, no driver of a vehicle shall disobey the directions of such indications.

(Ord. 3005 § 37)

### **§ 10.20.020. Authority to place restricted turn signs.**

The city Traffic Engineer is authorized to determine those intersections at which drivers of vehicles shall not make a right, left or U-turn, and shall place proper signs at such intersections. The making of such turns may be prohibited between certain hours of any day and permitted at other hours, in which event the same shall be plainly indicated on the signs or they may be removed when such turns are permitted.

(Ord. 3005 § 38)

### **§ 10.20.030. Obedience to no-turn signs.**

Whenever authorized signs are erected indicating that no right, left or U-turn is permitted, no driver of a vehicle shall disobey the directions of any such sign.

(Ord. 3005 § 39)

### **§ 10.20.040. Authority to prohibit right turns against traffic stop signal—Obedience.**

The city Traffic Engineer is authorized to determine those intersections within any business or residence district at which drivers of vehicles shall not make a right turn against a red or stop signal and shall erect proper signs giving notice of such prohibition. No driver of a vehicle shall disobey the directions of any such sign.

(Ord. 3005 § 40)

**CHAPTER 10.24  
ONE-WAY STREETS AND ALLEYS**

**§ 10.24.010. Erection and contents of signs.**

Whenever any ordinance or resolution of the city designates any one-way street or alley, the city Traffic Engineer shall place and maintain signs giving notice thereof, and no such regulations shall be effective unless such signs are in place. Signs indicating the direction of lawful traffic movement shall be placed at every intersection where movement of traffic in the opposite direction is prohibited.

(Ord. 3005 § 41)

**§ 10.24.020. Alley from Carlsbad Village Drive to Grand Avenue.**

In accordance with Section 10.24.010, and when properly sign posted, all traffic shall proceed only in a northerly direction on the alley extending from Carlsbad Village Drive to Grand Avenue between State Street and the Santa Fe right-of-way.

(Ord. 3008 § 1; Ord. NS-534 § 3, 2000)

**§ 10.24.021. Washington Street.**

In accordance with Section 10.24.010, and when proper signs are in place, all traffic shall proceed only in a northerly direction on Washington Street from Grand Avenue to its intersection with Beech Avenue.

(Ord. NS-395 § 1, 1997)

## CHAPTER 10.28 SPECIAL STOPS

### Article I General Regulations

#### **§ 10.28.010. Erection and location of stop signs.**

Whenever any ordinance or resolution of the city designates and describes any street or portion thereof as a through street, or any intersection at which vehicles are required to stop at one or more entrances thereto, or any railroad grade crossing at which vehicles are required to stop, the city Traffic Engineer shall erect and maintain stop signs as follows:

A stop sign shall be erected on each and every street intersecting such through street or portion thereof so designated and at those entrances of other intersections where a stop is required and at any railroad grade crossing so designated. Every such sign shall conform with and shall be placed as provided in Sections 21352 to 21355 of the Vehicle Code of the state.

(Ord. 3005 § 42)

#### **§ 10.28.020. Where stops required.**

- A. Those streets and parts of streets described in Article II of this chapter, are declared to be through streets for the purposes of this section.
- B. The provisions of this section shall also apply at one or more entrances to the intersections as such entrances and intersections are described in Sections 10.28.060 through 10.28.280.

(Ord. 3005 § 43)

#### **§ 10.28.030. Emerging from alley, driveway or building.**

The driver of a vehicle emerging from an alley, driveway or building, shall stop such vehicle immediately prior to driving onto a sidewalk or into the sidewalk area extending across any alleyway.

(Ord. 3005 § 44)

#### **§ 10.28.040. Compliance with signals of properly appointed persons wearing insignia.**

It is unlawful for any person to refuse or fail to comply with any lawful order, signal or direction of any person appointed by the Chief of Police to control traffic at school crossings; provided, that such person giving any order, signal or direction at such crossings shall at the time be wearing some insignia, indicating such appointment. It is unlawful for any minor to direct or attempt to direct traffic unless authorized to do so by order of the Chief of Police.

(Ord. 3031 § 1)

#### **§ 10.28.050. Stopping in school pedestrian lanes.**

It is unlawful for any person driving or operating, propelling or causing to be propelled, any vehicle, to fail to stop not less than 50 feet from the nearest side of a school pedestrian lane where any signal device, flagger or other person is stationed, giving warning that children are about to cross or are crossing the street; and it is further declared unlawful to proceed until such signal has stopped, raised, or been removed, or the flagger or person stationed at such pedestrian lane has given a signal to go, or has left the locality.

(Ord. 3031 § 2)

**Article II  
Streets Designated**

**§ 10.28.060. Streets—Generally.**

In accordance with the provisions of Section 10.28.020 and when signs are erected giving notice thereof, drivers of vehicles shall stop at the intersections designated in this article.

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5)

**§ 10.28.070. Carlsbad Boulevard.**

Drivers shall stop where the following described streets intersect Carlsbad Boulevard:

Acacia Avenue

Beech Avenue

Carlsbad Village

Drive Cedar Avenue

Cerezo Drive

Cherry Avenue

Chestnut Avenue

Cypress Avenue

Grand Avenue

Hemlock Avenue

Juniper Avenue

Lincoln Street

Manzano Drive

Maple Avenue

Mountain View Drive

Ocean Street

Pine Avenue

Redwood Avenue

Sequoia Avenue

Shore Drive

Sycamore Avenue

Tamarack Avenue

Terramar Drive

Tierra del Oro Street

Walnut Avenue

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. NS-534 § 4, 2000)

**§ 10.28.080. Grand Avenue.**

Drivers shall stop when the following described streets intersect Grand Avenue:

Carlsbad Boulevard

Harding Street:

1. Where the alley between State Street and Roosevelt Street intersects Grand Avenue and Carlsbad Village Drive;
2. Where the alley between the railroad track and State Street intersects Grand Avenue and Carlsbad Village Drive;

Hope Street

Jefferson Street

Madison Street

Roosevelt Street

State Street

Washington Street

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. NS-534 § 5, 2000)

**§ 10.28.090. Tamarack Avenue.**

Drivers shall stop where the following described streets intersect Tamarack Avenue:

Adams Street

Garfield Street

Jefferson Street

Pio Pico Street

Palisades Drive

Skyline Drive

Levee Drive

Knollwood Drive

Strata Drive (east)

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. 3177 § 1, 1984; Ord. 3179 § 1, 1984; Ord. NS-633 § 1, 2002)

**§ 10.28.100. Highland Drive.**

Drivers shall stop where the following described streets intersect Highland Drive:

Adams Street

Arland Road

Basswood Avenue

Buena Vista Way

Carlsbad Village Drive

Chestnut Avenue

Chinquapin Avenue

Elmwood Street

Forest Avenue

Hillside Drive

Magnolia Avenue

Oak Avenue

Pine Avenue

Tamarack Avenue

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. 3136 § 1, 1981; Ord. NS-534 § 6, 2000; Ord. CS-180 § 1, 2012)

**§ 10.28.110. Jefferson Street.**

Drivers shall stop where the following described streets intersect Jefferson Street:

Arbuckle Place

Buena Vista Avenue

Home Avenue

Knowles Avenue

Laguna Drive

Las Flores Drive

Magnolia Avenue

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. 3129 § 1, 1981)

**§ 10.28.120. Chestnut Avenue.**

Drivers shall stop where the following described streets intersect Chestnut Avenue:

Adams Street

Ames Place

Donna Drive

Eureka Street

Highland Drive

Monroe Street

Pio Pico Drive

Pontiac Drive

Sierra Morena Avenue

Valley Street

West Haven Drive

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. CS-082 § 1, 2010; Ord. CS-083 § 6, 2010; Ord. CS-238 § 1, 2014)

**§ 10.28.130. Magnolia Avenue.**

Drivers shall stop where the following described streets intersect Magnolia Avenue:

Adams Street

Grecourt Way

Northwest corner of Madison Street

Valley Street

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. CS-202 § 1, 2013)

**§ 10.28.140. El Camino Real.**

Drivers shall stop where the following described street intersects El Camino Real:

Chestnut Avenue

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5)

**§ 10.28.150. Monroe Street.**

Drivers shall stop where the following described streets intersect Monroe Street:

Magnolia Avenue

Park Drive

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5)

**§ 10.28.151. Lancer Way/Monroe Street.**

Drivers shall stop where the following described street intersects with Lancer Way/Monroe Street:

Gayle Way

(Ord. CS-141 § 1, 2011)

**§ 10.28.153. Ocean Street.**

Drivers shall stop where the following described streets intersect Ocean Street:

Cypress Avenue

Grand Avenue

(Ord. 3125 § 1, 1981; Ord. NS-714 § 2, 2004)

**§ 10.28.160. State Street.**

Drivers shall stop where the following described street intersects State Street:

Laguna Drive

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3056 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. 3094, 1972)

**§ 10.28.170. Basswood Avenue.**

Drivers shall stop where the following described streets intersect Basswood Avenue:

Adams Street

Belle Lane

Donna Drive

Eureka Street

Valley Street

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. CS-083 § 1, 2010)

**§ 10.28.180. Chinquapin Avenue.**

Drivers shall stop where the following described street intersects Chinquapin Avenue:

Adams Street

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5)

**§ 10.28.190. Laguna Drive.**

Drivers shall stop where the following described streets intersect Laguna Drive:

Buena Vista Circle

Davis Avenue

Madison Street

Roosevelt Street

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. CS-222 § 1, 2013)

**§ 10.28.200. Adams Street.**

Drivers shall stop where the following described streets intersect Adams Street:

Magnolia Avenue

Highland Drive

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. CS-202 § 2, 2013)

**§ 10.28.210. Elmwood Street.**

Drivers shall stop where the following described street intersects Elmwood Street:

Northbound traffic on Highland Drive

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5)

**§ 10.28.220. Carlsbad Village Drive.**

Drivers shall stop where the following described streets intersect Carlsbad Village Drive:

Carlsbad Boulevard

Harding Street

Jefferson Street

Madison Street

Roosevelt Street

State Street

Washington Street

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. NS-534 § 7, 2000)

**§ 10.28.230. Pio Pico Drive.**

Drivers shall stop where the following described streets intersect Pio Pico Drive:

Buena Vista Avenue

Chestnut Avenue

Knowles Avenue

Laguna Drive Magnolia Avenue

Oak Avenue

Palm Avenue

Pine Avenue

Stratford Lane

Las Flores Drive

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. CS-181 § 1, 2012; Ord. CS-210 § 1, 2013)

**§ 10.28.240. Corintia Street.**

Drivers shall stop where the following described streets intersect Corintia Street:

Luciernaga Street

Cazadero Street

Llama Street

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. 3134 § 1, 1981; Ord. NS-789 § 1, 2006)

**§ 10.28.250. Pine Avenue.**

Drivers shall stop where the following described street intersects Pine Avenue:

Basswood Avenue

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5)

**§ 10.28.260. Monroe Street.**

Drivers shall stop where the following described streets intersect Monroe Street:

Alder Avenue

Basswood Avenue

Gayle Avenue

Sunnyhill Drive

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. 3149 § 1, 1982; Ord. NS-534 § 8, 2000; Ord. NS-609 § 1, 2001; Ord. CS-083 § 6, 2010)

**§ 10.28.270. Roosevelt Street.**

Drivers shall stop where the following described streets intersect Roosevelt Street:

Beech Avenue

Grand Avenue

Laguna Drive

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5; Ord. 3130 § 1, 1981; Ord. CS-222 § 2, 2013)

**§ 10.28.280. Valley Street.**

Drivers shall stop where the following described street intersects Valley Street:

Oak Avenue

(Ord. 3042 §§ 1, 2; Ord. 3045 § 1; Ord. 3050 § 3; Ord. 3057 § 1; Ord. 3061 § 1; Ord. 3063 § 5)

**§ 10.28.290. Forest Avenue.**

Drivers shall stop where the following described street intersects Forest Avenue:

Highland Drive

(Ord. 3136 § 2, 1981)

**§ 10.28.295. Cannon Road.**

Drivers shall stop where the following described street intersects Cannon Road:

Avenida Encinas

(Ord. 3137 § 1, 1981)

**§ 10.28.300. Buena Vista Way.**

Drivers shall stop where the following described streets intersect Buena Vista Way:

Arland Road

Highland Drive

(Ord. 3138 § 1, 1981; Ord. CS-223, 2013)

**§ 10.28.310. Ridgecrest Court.**

Drivers shall stop where the following described street intersects Ridgecrest Court:

Seacrest Drive

(Ord. 3141 § 1, 1981)

**§ 10.28.320. Alga Road.**

Drivers shall stop where the following described streets intersect Alga Road:

Almaden Lane

Cazadero Drive

Corintia Street

El Fuerte Street

Estrella De Mar Road

Manzanita Street

Santa Isabel Street

Xana Way

(Ord. 3159 § 1, 1983; Ord. 3184 § 1, 1985)

**§ 10.28.321. Poinsettia Lane.**

Drivers shall stop where the following described streets intersect Poinsettia Lane:

Paseo Del Norte

Batiquitos Drive

(Ord. 3165 § 1, 1984; Ord. 3186 § 1, 1985)

**§ 10.28.322. Corintia Street.**

Drivers shall stop where the following described street intersects Corintia Street:

Unicornio Street

(Ord. 3168 § 1, 1984)

**§ 10.28.323. Paseo del Norte.**

Drivers shall stop at the all-way stop-controlled intersection where the following described street intersects Paseo del Norte:

Unnamed private street located 1,950 feet south of Cannon Road in Car Country Carlsbad  
(Ord. 3186 § 2, 1985; Ord. NS-728 § 1, 2004; Ord. CS-239 § 1, 2014)

**§ 10.28.324. El Fuerte Street.**

Drivers shall stop where the following described street intersects El Fuerte Street:

Unicornio Street

(Ord. 3178 § 1, 1984; Ord. 3187 § 1, 1985)

**§ 10.28.325. Batiquitos Drive.**

Drivers shall stop where the following described street intersects Batiquitos Drive:

Poinsettia Lane

(Ord. 3186 § 3, 1985)

**§ 10.28.326. La Portalada Drive.**

Drivers shall stop where the following described street intersects La Portalada Drive:

Milano Court  
(Ord. 3189 § 1, 1985)

**§ 10.28.330. Skyline Drive.**

Drivers shall stop where the following described street intersects Skyline Drive:

Tamarack Avenue  
(Ord. 3179 § 2, 1984)

**§ 10.28.340. El Fuerte Street.**

Drivers shall stop where the following described streets intersect El Fuerte Street:

Alga Road  
Santa Isabel Street  
Babilonia Street  
Corintia Street  
Luciernaga Street  
Bolero Street  
Acuna Court  
Marmol Court  
(Ord. 3183 § 1, 1985; Ord. 3200 § 1, 1986)

**§ 10.28.350. Westhaven Drive.**

Drivers shall stop where the following described street intersects Westhaven Drive:

Skyline Road  
(Ord. 3194 § 1, 1985)

**§ 10.28.360. Alicante Road.**

Drivers shall stop where the following described streets intersect Alicante Road:

Alga Road  
Altisma Way  
Pomplona Way  
Zamora Way  
Altiva Place

Corte De La Vista  
(Ord. 3199 § 1, 1986)

**§ 10.28.370. Romeria Street.**

Drivers shall stop where the following described streets intersect Romeria Street:

Levante Street

Cadencia Street  
(Ord. 3202 § 1, 1986; Ord. NS-742 § 1, 2005)

**§ 10.28.380. Corintia Street.**

Drivers shall stop where the following described street intersects Corintia Street:

El Fuerte Street  
(Ord. 3205 § 1, 1986)

**§ 10.28.390. Nueva Castilla Way.**

Drivers shall stop where the following described street intersects Nueva Castilla Way:

Levante Street  
(Ord. 3206 § 1, 1986)

**§ 10.28.400. Pontiac Drive.**

Drivers shall stop where the following described streets intersect Pontiac Drive:

Olympic Drive

Spokane Way

Chestnut Avenue

Athens Avenue

York Road

Victoria Avenue

Avalon Avenue

Sausalito Avenue

Tiburon Avenue

Brighton Road

Mayfair Court

Southampton Road

Coventry Road

Regent Road  
(Ord. 3225 § 1, 1988)

**§ 10.28.410. Spokane Way.**

Drivers shall stop where the following described street intersects Spokane Way:

Pontiac Drive  
(Ord. NS-163 § 1, 1991)

**§ 10.28.420. Victoria Avenue.**

Drivers shall stop where the following described streets intersect Victoria Avenue:

Haverhill Street

Pontiac Drive  
(Ord. CS-238 § 2, 2014; Ord. NS-164 § 1, 1991)

**§ 10.28.430. Forest View Way.**

Drivers shall stop where the following described street intersects Forest View Way:

Hosp Way  
(Ord. NS-472 § 1, 1999)

**§ 10.28.440. Plum Tree Road.**

Drivers shall stop where the following described streets intersect Plum Tree Road:

Hidden Valley Road

Red Knot Road

Robinea Drive

Bluebonnet Drive

Windflower Drive

Coneflower Drive  
(Ord. NS-489 § 1, 1999; Ord. NS-568 § 1, 2001)

**§ 10.28.450. Alderwood Drive.**

Drivers shall stop where the following described street intersects Alderwood Drive:

Camino de las Ondas  
(Ord. NS-490 § 1, 1999)

**§ 10.28.460. Levante Street.**

Paseo Aliso  
(Ord. NS-687 § 1, 2004)

**§ 10.28.700. Marlin Lane.**

Drivers shall stop where the following described street intersects Marlin Lane:

Avenida Encinas  
(Ord. NS-713 § 1, 2004)

**§ 10.28.710. Portage Way.**

Drivers shall stop where the following described street intersects Portage Way:

Avenida Encinas  
(Ord. NS-713 § 2, 2004)

**§ 10.28.720. Avenida Encinas.**

Drivers shall stop where the following described streets intersect Avenida Encinas:

Portage Way

Marlin Lane

(Ord. NS-713 § 3, 2004)

**§ 10.28.730. Cypress Avenue.**

Drivers shall stop where the following described street intersects Cypress Avenue:

Ocean Street

(Ord. NS-714 § 1, 2004)

**§ 10.28.740. Paseo Almendro.**

Drivers shall stop where the following described street intersects Paseo Almendro:

Avenida Ciruela

(Ord. NS-716 § 1, 2004)

**§ 10.28.750. Camino Serbal.**

Drivers shall stop where the following described street intersects Camino Serbal:

Paseo Almendro

(Ord. NS-716 § 2, 2004)

**§ 10.28.760. Garboso Street.**

Drivers shall stop where the following described street intersects Garboso Street:

Morada Street

(Ord. NS-739 § 1, 2005)

**§ 10.28.770. Rancho Cortes.**

Drivers shall stop where the following described street intersects Rancho Cortes:

Unicornio Street

(Ord. NS-741 § 1, 2005)

**§ 10.28.780. Carrillo Way.**

Drivers shall stop where the following described street intersects Carrillo Way:

Rancho Cortes

(Ord. NS-750 § 1, 2005)

**§ 10.28.790. Lemon Leaf Drive.**

Drivers shall stop where the following described street intersects Lemon Leaf Drive:

Camino de las Ondas  
(Ord. NS-759 § 1, 2005)

**§ 10.28.800. Lonicera Street.**

Drivers shall stop where the following described street intersects Lonicera Street:

Camino de las Ondas  
(Ord. NS-759 § 2, 2005)

**§ 10.28.810. Madison Street.**

Drivers shall stop where the following described street intersects Madison Street:

Walnut Avenue

Chestnut Avenue

Pine Avenue

Oak Avenue  
(Ord. NS-763 § 1, 2005)

**§ 10.28.820. Lighthouse Road.**

Drivers shall stop where the following described street intersects Lighthouse Road:

Hidden Valley Road  
(Ord. NS-764 § 1, 2005)

**§ 10.28.830. Wintergreen Drive.**

Drivers shall stop where the following described street intersects Wintergreen Drive:

Hosp Way  
(Ord. NS-786 § 1, 2006)

**§ 10.28.840. Grove Avenue.**

Drivers shall stop where the following described street intersects Grove Avenue:

Hosp Way  
(Ord. NS-787 § 1, 2006)

**§ 10.28.850. Lynch Court.**

Drivers shall stop where the following described street intersects Lynch Court:

Hillyer Street  
(Ord. NS-802 § 1, 2006)

**§ 10.28.860. Mimosa Drive.**

Drivers shall stop where the following described streets intersect Mimosa Drive:

Geranium Street

Lupine Road

Catalpa Road

Aster Place

(Ord. NS-815 § 1, 2006)

**§ 10.28.870. Palomar Oaks Way.**

Drivers shall stop where the following described streets intersect Palomar Oaks Way:

Camino Vida Roble

Wright Place

(Ord. NS-830 § 1, 2007)

**§ 10.28.880. Unicornio Street.**

Drivers shall stop where the following described street intersects Unicornio Street:

El Fuerte Street

(Ord. NS-843 § 1, 2007)

**§ 10.28.890. Chorlito Street.**

Drivers shall stop where the following described street intersects Chorlito Street:

El Fuerte Street

(Ord. NS-843 § 2, 2007)

**§ 10.28.900. Orion Street.**

Drivers shall stop where the following described street intersects Orion Street:

Impala Drive

(Ord. NS-846 § 1, 2007)

**§ 10.28.910. Impala Drive.**

Drivers shall stop where the following described street intersects Impala Drive:

Orion Street

(Ord. NS-846 § 2, 2007)

**§ 10.28.920. Palmer Way.**

Drivers shall stop where the following described street intersects Palmer Way:

Impala Drive

(Ord. NS-846 § 3, 2007)

**§ 10.28.930. Donna Drive.**

Drivers shall stop where the following described streets intersect Donna Drive:

Falcon Drive

Basswood Avenue

Gayle Way

Janis Way

(Ord. NS-856 § 1, 2007)

**§ 10.28.940. Spoonbill Lane.**

Drivers shall stop where the following described street intersects Spoonbill Lane:

Tern Place

(Ord. NS-877 § 1, 2008)

**§ 10.28.950. Knowles Avenue.**

Drivers shall stop where the following described street intersects Knowles Avenue:

Davis Avenue (west)

(Ord. CS-049 § 1, 2009)

**§ 10.28.960. Valewood Avenue.**

Drivers shall stop where the following street intersects Valewood Avenue:

Sierra Morena Avenue

(Ord. CS-082 § 2, 2010)

**§ 10.28.961. Sierra Morena Avenue.**

Drivers shall stop where the following streets intersect Sierra Morena Avenue:

Chestnut Avenue

Valewood Avenue

(Ord. CS-082 § 3, 2010)

**§ 10.28.962. Falcon Drive.**

Drivers shall stop where the following described street intersects Falcon Drive:

Donna Drive

(Ord. CS-083 § 2, 2010)

**§ 10.28.963. Gayle Way.**

Drivers shall stop where the following described streets intersect Gayle Way:

Ann Drive

Donna Drive  
(Ord. CS-083 § 3, 2010)

**§ 10.28.964. Belle Lane.**

Drivers shall stop where the following described street intersects Belle Lane:

Basswood Avenue.  
(Ord. CS-083 § 4, 2010)

**§ 10.28.965. Ann Drive.**

Drivers shall stop where the following described street intersects Ann Drive:

Gayle Way  
(Ord. CS-083 § 5, 2010)

**§ 10.28.966. Viejo Castilla Way.**

Drivers shall stop where the following described street intersects Viejo Castilla Way:

Navarra Drive  
(Ord. CS-098 § 1, 2010)

**§ 10.28.967. Yosemite Street.**

Drivers shall stop where the following described street intersects Yosemite Street:

Valewood Avenue  
(Ord. CS-107 § 1, 2010)

**§ 10.28.968. Beech Avenue.**

Drivers shall stop where the following described street intersects Beech Avenue:

Ocean Street  
(Ord. CS-136, 2011)

**§ 10.28.969. Calle San Felipe.**

Drivers shall stop where the following described street intersects Calle San Felipe:

Calle Posada  
(Ord. CS-143, 2011)

**§ 10.28.970. Glasgow Drive.**

Drivers shall stop where the following described streets intersect Glasgow Drive:

Edinburgh Drive  
Middleton Drive  
(Ord. CS-161, 2011; Ord. CS-216 § 1, 2013)

**§ 10.28.971. Lincoln Street.**

Drivers shall stop where the following described street intersects Lincoln Street:

Pine Avenue

(Ord. CS-176 § 1, 2012)

**§ 10.28.972. Garfield Street.**

Drivers shall stop where the following described street intersects Garfield Street:

Chestnut Avenue

Juniper Avenue

(Ord. CS-176 § 2, 2012)

**§ 10.28.973. Via Adelfa.**

Drivers shall stop where the following described street intersects Via Adelfa:

Paseo Aliso

(Ord. CS-179 § 2, 2012)

**§ 10.28.974. Stratford Lane.**

Drivers shall stop where the following described street intersects Stratford Lane:

Pio Pico Drive

(Ord. CS-181 § 2, 2012)

**§ 10.28.975. Sombrosa Street.**

Drivers shall stop where the following described street intersects Sombrosa Street:

Camino Alvaro

(Ord. CS-187, 2012)

**§ 10.28.976. Grecourt Way.**

Drivers shall stop where the following described street intersects Grecourt Way:

Magnolia Avenue

(Ord. CS-202 § 3, 2013)

**§ 10.28.977. Piragua Street.**

Drivers shall stop where the following described street intersects Piragua Street:

Esfera Street

(Ord. CS-201 § 1, 2013)

**§ 10.28.978. Trigo Lane.**

Drivers shall stop where the following described street intersects Trigo Lane:

Esfera Street  
(Ord. CS-201 § 2, 2013)

**§ 10.28.979. Fosca Street.**

Drivers shall stop where the following described street intersects Fosca Street:

Esfera Street  
(Ord. CS-201 § 3, 2013)

**§ 10.28.980. Fosca Way.**

Drivers shall stop where the following described street intersects Fosca Way:

Esfera Street  
(Ord. CS-201 § 4, 2013)

**§ 10.28.981. Esfera Street.**

Drivers shall stop where the following described streets intersect Esfera Street:

Piragua Street

Trigo Lane

Fosca Street

Fosca Way  
(Ord. CS-201 § 5, 2013)

**§ 10.28.982. Oviedo Place.**

Drivers shall stop where the following described street intersects Oviedo Place:

Levante Street  
(Ord. CS-203 § 2, 2013)

**§ 10.28.983. Madrilena Way.**

Drivers shall stop where the following described street intersects Madrilena Way:

Levante Street  
(Ord. CS-203 § 3, 2013)

**§ 10.28.984. Galicia Way (east).**

Drivers shall stop where the following described street intersects Galicia Way (east):

Levante Street  
(Ord. CS-203 § 4, 2013)

**§ 10.28.985. Primavera Way.**

Drivers shall stop where the following described street intersects Primavera Way:

Levante Street  
(Ord. CS-203 § 5, 2013)

**§ 10.28.986. Galleon Way.**

Drivers shall stop where the following described street intersects Galleon Way:

Levante Street  
(Ord. CS-203 § 6, 2013)

**§ 10.28.987. Estancia Street.**

Drivers shall stop where the following described street intersects Estancia Street:

Levante Street  
(Ord. CS-203 § 7, 2013)

**§ 10.28.988. Las Flores Drive.**

Drivers shall stop where the following described streets intersect Las Flores Drive:

Chuparosa Way

Highland Drive

Morning Glory Lane

Pio Pico Drive  
(Ord. CS-210 § 2, 2013)

**§ 10.28.989. Edinburgh Drive.**

Drivers shall stop where the following described street intersects Edinburgh Drive:

Glasgow Drive  
(Ord. CS-216 § 2, 2013)

**§ 10.28.990. Buena Vista Circle.**

Drivers shall stop where the following described street intersects Buena Vista Circle:

Laguna Drive  
(Ord. CS-222 § 3, 2013)

**§ 10.28.991. York Road.**

Drivers shall stop where the following described street intersects York Road:

Pontiac Drive  
(Ord. CS-238 § 3, 2014)

**§ 10.28.992. Haverhill Street.**

Drivers shall stop where the following described street intersects Haverhill Street:

Victoria Avenue  
(Ord. CS-238 § 4, 2014)

**§ 10.28.993. Hillside Drive.**

Drivers shall stop where the following described street intersects Hillside Drive:

Park Drive  
(Ord. CS-256 § 1, 2014)

**§ 10.28.994. Park Drive.**

Drivers shall stop where the following described street intersects Park Drive:

Hillside Drive  
(Ord. CS-256 § 2, 2014)

**§ 10.28.995. Arland Road.**

Drivers shall stop where the following described streets intersect Arland Road:

Buena Vista Way  
(Ord. CS-306 § 1, 2016)

**§ 10.28.996. Cerezo Drive.**

Drivers shall stop where the following described street intersects Cerezo Drive:

Los Robles Drive.  
(Ord. CS-409 § 1, 2021)

**§ 10.28.997. Oak Avenue.**

Drivers shall stop where the following described street intersects Oak Avenue: Madison Street.  
(Ord. CS-461, 11/14/2023)

## CHAPTER 10.32 MISCELLANEOUS DRIVING RULES

### **§ 10.32.010. Driving through funeral processions.**

No driver of a vehicle shall drive between vehicles comprising a funeral procession while they are in motion and when the vehicles in such processions are conspicuously so designated.

(Ord. 3005 § 45)

### **§ 10.32.030. Driving vehicles on sidewalks or parkways prohibited.**

The driver of a vehicle, including bicycles, shall not drive within any sidewalk area or any parkway except at a permanent or temporary driveway.

(Ord. 3005 § 47)

### **§ 10.32.040. New pavement.**

No person shall ride or drive any animal or any vehicle over or across any newly-made pavement or freshly-painted marking in any street when a barrier or sign is in place warning persons not to drive over or across such pavement or marking, or when a sign is in place stating that the street or any portion thereof is closed.

(Ord. 3005 § 48)

### **§ 10.32.050. Restricted access.**

No person shall drive a vehicle onto or from any limited-access roadway except at such entrances and exits as are established by public authority.

(Ord. 3005 § 49)

### **§ 10.32.060. Restriction on use of freeways.**

No person shall drive or operate any bicycle, motor-driven cycle, or any vehicle which is not drawn by a motor vehicle upon any street established as a freeway, as defined by Section 332 of the state Vehicle Code, nor shall any pedestrian walk across or along any such street so designated and described except in a space set aside for the use of pedestrians; provided, that official signs are in place giving notice of such restrictions.

(Ord. 3005 § 50; Ord. 1296 § 16, 1980)

### **§ 10.32.070. Certain vehicles prohibited in business district.**

- A. No person shall operate any of the following vehicles in the business district between the hours of 7:00 a.m. and 6:00 p.m. of any day:

Any freight vehicle more than eight and one-half feet in width, with load, or any freight vehicle so loaded that any part of its load extends more than 20 feet to the front or rear of the vehicle.

- B. Provided, that the Chief of Police may by written permit authorize the operation of any such vehicle for the purpose of making necessary emergency deliveries to or from points within the business district.

(Ord. 3005 § 78)

**§ 10.32.080. Riding horse on sidewalk.**

It is unlawful for any person to ride, drive, propel or cause to be propelled any horse across or upon any paved sidewalk.

(Ord. 3049 § 1)

**§ 10.32.090. Truck routes—Generally.**

The use of all streets within the city, excepting those streets described in Section 10.32.091, is prohibited as to all commercial vehicles exceeding a maximum gross vehicle weight rating of 14,000 pounds.

(Ord. 3005 § 50; Ord. 3210 § 1, 1987; Ord. NS-827 § 1, 2007)

**§ 10.32.091. Truck routes—Streets designated.**

The prohibition set forth in Section 10.32.090 shall not apply to the following streets and portions of streets which are designated and established truck routes, as follows:

- A. Carlsbad Boulevard from the northerly city limits to the southerly city limits;
- B. Carlsbad Village Drive from Carlsbad Boulevard east to Interstate 5 Freeway;
- C. Tamarack Avenue from Interstate 5 Freeway to Carlsbad Boulevard;
- D. Cannon Road, from Carlsbad Boulevard to El Camino Real;
- E. Interstate 5 Freeway, northerly city limits to southerly city limits;
- F. Palomar Airport Road from Carlsbad Boulevard to easterly city limits;
- G. El Camino Real from northerly city limits to southerly city limits;
- H. Repealed by Ord. 3216 § 1;
- I. La Costa Avenue from the westerly city limits to El Camino Real;
- J. Rancho Santa Fe Road from the southerly city limits to the northerly city limits;
- K. Olivenhain Road from the westerly city limits to Rancho Santa Fe Road;
- L. Deleted;
- M. Melrose Drive from Palomar Airport Road to the northerly city limits;
- N. Faraday Avenue from Cannon Road to the easterly city limits;
- O. College Boulevard from Palomar Airport Road to El Camino Real;
- P. El Fuerte Street from Palomar Airport Road to Faraday Avenue.

(Ord. 3090, 1972; Ord. 3146 § 1, 1982; Ord. 3198 § 1, 1986; Ord. 3209 § 1, 1987; Ord. 3216 § 1, 1987; Ord. NS-534 § 9, 2000; Ord. NS-781 § 1, 2005; Ord. CS-015 § 1, 2008)

**§ 10.32.092. Truck routes—Vehicles allowed.**

Section 10.32.090 shall not apply to the following vehicles:

- A. Vehicles subject to the provisions of Sections 1031 to 1036 inclusive of the California Public Utilities

Code;

- B. Vehicles described in Section 35703 of the Vehicle Code; and
- C. Vehicles traveling to or from permanent commercial parking facilities provided for them within the city.

(Ord. 3090, 1972)

**§ 10.32.093. Truck routes—Posting.**

All streets and portions thereof established by this chapter as truck routes, shall be posted with appropriate signs displaying in letters not less than four inches in height, the words "truck route."

(Ord. 3090, 1972)

## CHAPTER 10.33 OVERSIZE VEHICLE OR LOAD PERMIT

### **§ 10.33.010. Purpose and intent.**

The purpose and intent of this chapter is for the City Council to permit the controlled operation and moving of vehicles or loads upon highways under its jurisdiction in excess of size, height and weight of vehicles allowed to be moved or operated on highways under the provisions of the Vehicle Code of the state, and protect the public safety and welfare by requiring a permit and the filing of a policy of insurance protecting the public against personal injury and property damage.

(Ord. NS-471 § 1, 1999)

### **§ 10.33.020. Definitions.**

Whenever in this chapter the following words or phrases are used they shall mean:

"City Engineer" means the City Engineer or designee, who is the City Traffic Engineer.

"Oversize" means any vehicle and/or load in excess of the size and weight of vehicles and/or loads allowed to be moved or operated on highways under the provisions of the Vehicle Code of the State of California.

(Ord. NS-471 § 1, 1999; Ord. CS-389 § 7, 2021)

### **§ 10.33.030. Permit required.**

No person shall move or cause to be moved over or across any public right-of-way under the jurisdiction of the city any vehicle, load, trailer, or combination thereof, which exceeds the height, width, length, size or weight of vehicle or load limitations provided in Division 15 of the Vehicle Code of the state, without first obtaining an oversize load permit therefrom from the City Engineer, which will be subject to the following regulations:

- A. An oversize load permit may be designated by the City Engineer as either a single-move permit for the movement of an oversized vehicle or load over a designated route on a specified date, or an annual or repetitive permit issued for the period specified on the oversize load permit. Repetitive oversize load permits may be issued on the type of vehicle carrying the load in the case of non-self-propelled vehicles, and on the specific vehicle in the case of self-propelled vehicles. Repetitive oversize load permits shall authorize the movement of the vehicles, or loads specified on the permit; provided however, that the vehicle or load shall not exceed a width of 13 feet, a height of 16 feet, or a length of 100 feet. If the load proposed under the repetitive load transportation permit exceeds the weight limits as prescribed in Division 15 of the Vehicle Code of the state by more than 25%, such move shall be subject to such route restrictions as are designated by the City Engineer.
- B. The City Engineer shall use a standard transportation permit form established by the California Department of Transportation.
- C. The applicant for an oversize load permit shall be a person licensed as a specialty contractor by the state to engage in the business of moving oversized vehicles and/or loads.
- D. Application for an oversize load permit shall be made to the office of the City Engineer a minimum of 72 hours prior to the time proposed for the move.
- E. On the oversize load permit, the permittee shall designate the specific route or routes, the specific date or dates, and the hours in which the move will occur.

(Ord. NS-471 § 1, 1999)

**§ 10.33.040. Insurance required.**

The applicant shall comply with the following insurance requirements:

- A. At the time of making application for a permit pursuant to this chapter, the applicant shall attach or have on file with the city, a certificate of insurance showing auto liability insurance covering all bodily injury and property liability incurred during the moving period, with a coverage limit of not less than one million dollars per accident; such vehicle insurance shall include non-owned autos.
- B. The certificate of insurance shall further indicate the city will be entitled to at least 10 days' written notice of cancellation of the policy of insurance.
- C. Governmental agencies, including the state and its political subdivisions, will not be required to provide the insurance required by this section, but shall be required to indemnify and hold the city harmless from any loss arising out of injury to persons, or damage to property, resulting directly or indirectly from the operation permitted by the oversize load permit, including the defense of any action arising therefrom, at no cost to the city.

(Ord. NS-471 § 1, 1999)

**§ 10.33.050. Emergency moves.**

For moves which, because of their emergency nature, require approval during periods other than the regularly scheduled working hours of the City Engineer or Chief of Police, authorized representatives thereof may grant interim approval for such moves on the condition that a permit will be acquired during the next regularly scheduled working day. Failure to acquire such permits may result in disqualification for obtaining future permits.

(Ord. NS-471 § 1, 1999)

**§ 10.33.060. Permit denial.**

The City Engineer shall not issue an oversize load permit if any one of the following conditions exists:

- A. If the overweight per axle exceeds the limits provided in Division 15 of the Vehicle Code of the state by 50%;
- B. If the move is determined by the City Engineer to be prohibitive from the standpoint of public safety or contrary to the public interests;
- C. If the applicant has repeatedly violated conditions of previously issued permits, or the applicant has unsettled claims against him or her for damages resulting from past moves;
- D. If the applicant has failed to obtain a permit on the next regularly scheduled working day following interim approval for an emergency move.

(Ord. NS-471 § 1, 1999)

**§ 10.33.070. Permit regulations.**

Any person desiring an oversize load permit shall comply with the following regulations:

- A. The permittee shall have the responsibility to ascertain the adequacy of the route requested for the move. When an over-height load is authorized (over 13 feet, six inches), the permittee shall check all under-passes, bridges, overhead wires and other limiting structures or facilities for adequate clearance. The permittee shall notify the owners of all overhead lines or structures subject to

disturbances or damage by his or her move and shall make arrangements for the temporary removal or relocation of the conflicting facility if required. The permittee shall bear all costs for such relocation where the facility is located in accordance with state and local regulations.

- B. For any move involving a load or vehicle whose vertical height is 18 feet or over, or whose width is 30 feet or more, the permittee shall submit to the agencies whose facilities will be affected by such move the proposed route for approval at least 72 hours in advance of the move. No permit shall be issued until clearances have been received from the power company and telephone company or other agency owning such facility. Permittee shall be responsible for obtaining such clearance prior to permit issuance.
- C. Oversize load permits shall be carried in the vehicle whose movement is authorized by such permit, and shall be available for inspection by any police officer, or any authorized agent of the city. Oversize load permits issued pursuant to this chapter shall be nontransferable.
- D. All moving operations under an oversize load permit shall be in conformance with all general and special conditions set forth by the City Engineer on such permit.
- E. In case of damage to any street or other public street improvement by reason of the moving of any vehicle or load under the oversize load permit, the city shall cause such work to be done as may be necessary to restore the public street improvement to as good a condition as the same was in prior to such damage, and shall charge the cost thereof to the permittee. Such damages as occur may be recovered from the insurance required under Section 10.33.040.
- F. Movement of oversize loads or vehicles shall be prohibited during the hours of darkness (one-half hour after sunset to one-half hour before sunrise), and between the hours of 6:00 a.m. and 9:00 a.m., and 3:30 p.m. and 6:30 p.m., or as stipulated in the permit.
- G. The City Engineer shall have the right to inspect all rollers, trucks, wheels, dollies, tractors or other apparatus proposed to be used in the moving operations. The City Engineer shall be the sole judge as to the adequacy of such equipment, and may require the use of such apparatus as in his or her judgment will not cause injury to streets or pavements. Any permit issued under this chapter shall stipulate that all equipment used in moving operations shall be subject to the approval of the City Engineer.
- H. Temporary "No Parking Tow Away" signs shall be posted 72 hours prior to the move by the permittee as designated on the permit.
- I. The permittee shall comply at all times with the provisions of the Vehicle Code of the state.  
(Ord. NS-471 § 1, 1999)

#### **§ 10.33.080. Exceptions.**

The City Engineer shall not require an oversize load permit if any of the following conditions exists:

- A. Oversized load vehicles shall have ingress or egress by direct route to and from such restricted streets for the purpose of ordinary commerce of making pickups or deliveries of goods, wares and merchandise.
- B. Oversized load vehicles coming from an unrestricted street having ingress or egress by direct route to and from such restricted streets when necessary for the purpose of making pickups or deliveries of goods, wares and merchandise from or to any building or structure for the purpose of delivering materials to be used in the actual bona fide repair, alteration, remodeling or construction of any

building or structure for which a building permit has previously been obtained, or any vehicle owned by a public utility in use in construction, installation or repair of any public utility.

(Ord. NS-471 § 1, 1999)

#### **§ 10.33.090. Permit fees.**

Permit fees required subject to the following regulations:

- A. The fees for an oversize load permit shall be set by resolution of the City Council upon the recommendation of the City Manager. The fee shall not exceed the fee schedule developed by the California Department of Transportation.
- B. A copy of the fee schedule established by resolution of the City Council shall be placed on file in the office of the City Clerk.
- C. An extension of the effective date or an amendment to the oversize load permit may be made without payment of additional fees, if approved by the City Engineer, and if requested prior to the expiration date of the original permit.
- D. Government agencies, including the State of California and any of its political subdivisions, shall be required to make application for permits as provided under the provisions of this chapter, and if approved, shall be issued a no-fee permit in accordance with the provisions of this chapter. Independent contractors engaged in government contracts shall not be exempt from permit fees.

(Ord. NS-471 § 1, 1999)

#### **§ 10.33.100. Violations.**

Any person or corporation proceeding without a permit or in violation of a permit is guilty of an infraction.  
(Ord. NS-471 § 1, 1999)

#### **§ 10.33.110. Appeal.**

The City Engineer may deny issuance of a permit or revoke or suspend a permit issued to any person who violates any provision of this chapter. Within 10 calendar days after receipt of the decision of City Engineer, any party affected by the decision may file with the City Clerk a written request for a hearing before the City Council. Fees for appeal shall be established by resolution of the City Council. Upon the filing of such a request and payment of fees, the City Clerk shall set the matter for a hearing and shall notify the appellant of the date, time and place of such hearing at least five days before the hearing date. At the hearing, any person may present evidence in opposition to, or in support of, appellant's case.  
(Ord. NS-471 § 1, 1999)

#### **§ 10.33.120. Exclusions from applicability of provisions.**

The requirements of this chapter shall not affect the requirements of any other chapter of this code requiring permits, fees and bonds, including the requirements for moving and relocating structures.

(Ord. NS-471 § 1, 1999)

## CHAPTER 10.34 INTERSTATE TRUCKS

### **§ 10.34.010. Definitions.**

The following words and phrases shall have the meanings set forth, and if any word or phrase used in this chapter is not defined in this section, it shall have the meaning set forth in the California Vehicle Code, provided that if any such word or phrase is not defined in the vehicle code, it shall have the meaning attributed to it in ordinary usage:

"Caltrans" means the State of California Department of Transportation or its successor agency.

"City Traffic Engineer" means the city Traffic Engineer of the city or an authorized representative.

"Interstate truck" means a truck tractor and semitrailer or truck tractor, semi-trailer and trailer with unlimited length as regulated by the vehicle code.

"Terminal" means any facility at which freight is consolidated to be shipped or where full-load consignments may be loaded and off-loaded or at which the vehicles are regularly maintained, stored or manufactured.

(Ord. 3193 § 1, 1985)

### **§ 10.34.020. Purpose.**

The purpose of this chapter is to establish procedures for terminal designation and truck route designation to terminals for interstate trucks operating on a federally designated highway system and to promote the general health, safety and welfare of the public.

(Ord. 3193 § 1, 1985)

### **§ 10.34.030. Application.**

- A. Any interested person requiring terminal access for interstate trucks from the federally designated highway system shall submit an application, on a form as provided by the city, together with such information as may be required by the city Traffic Engineer and appropriate fees to the City of Carlsbad.
- B. Upon receipt of the application, the city Traffic Engineer will cause an investigation to be made to ascertain whether or not the proposed terminal facility meets the requirements for an interstate truck terminal. Upon the Transportation Director's approval of that designation, the city Traffic Engineer will then determine the capability of the route requested and alternate routes, whether requested or not. Determination of route capability will include, without limitation, a review of adequate turning radius and lane widths of ramps, intersections and highways and general traffic conditions such as sight distance, speed and traffic volumes. No access off a federally designated highway system will be approved without the approval of Caltrans.
- C. Should the requested route pass through the City of Carlsbad to a terminal located in another jurisdiction, the applicant shall comply with that jurisdiction's application process. Coordination of the approval of the route through the city will be the responsibility of the entity which controls the terminals land use. Costs for trailblazer signs shall be as provided in Section 10.34.040.

(Ord. 3193 § 1, 1985; Ord. CS-164 § 2, 2011)

### **§ 10.34.040. Fees and costs.**

- A. The applicant shall pay a nonrefundable application fee, as established by the city by resolution, sufficient to pay the cost of the review of the terminal designation and the review of the route and alternate route.
- B. Upon the approval of the terminal designation and route by the city and by Caltrans, the applicant shall deposit with the City of Carlsbad sufficient funds as estimated by the city Traffic Engineer to pay for the purchase and installation of terminal access signs and trailblazer signs. Trailblazer signs will be required at every decision point in the city en route to the terminal. Upon completion of the installation of the signs, the actual cost shall be computed; any difference between the actual and the estimated cost shall be billed or refunded to the applicant, whichever the case may be. No terminal or route may be used until such signs as may be required are in place.

(Ord. 3193 § 1, 1985)

#### **§ 10.34.050. Retrofitting.**

- A. If all feasible routes to a requested terminal are found unsatisfactory by the city Traffic Engineer, the applicant may request retrofitting the deficiencies. All costs of engineering, construction and inspection will be the responsibility of the applicant. Except when the retrofitting of deficiencies is within the jurisdiction of Caltrans, the actual construction will be done by the city or by a contractor.
- B. If at any time within five years from the date of completion of the retrofitting by the applicant, should any new applicant seek approval of a terminal which would use the rate upon which such retrofitting was accomplished, the new applicant may be required to pay a fee to the city equal to the proportionate share of the cost of the previously completed retrofitting, as determined by the city Traffic Engineer, which fee shall be disbursed by the City of Carlsbad to the applicant who paid for the retrofitting as well as to any applicant who contributed to the cost of retrofitting under this subsection. Nothing herein shall require the payment of a proportionate fee if the applicant doing the work failed to file the report with the city Traffic Engineer required by this subsection.

(Ord. 3193 § 1, 1985)

#### **§ 10.34.060. Revocation of route.**

The city Traffic Engineer may revoke any approved terminal or route if the terminal or route becomes a safety hazard for vehicular traffic. A safety hazard includes the inability of interstate trucks to negotiate the route or said vehicles causing unsafe driving conditions for other vehicular traffic or pedestrians.

(Ord. 3193 § 1, 1985)

#### **§ 10.34.070. Appeal process.**

- A. If the city Traffic Engineer denies terminal designation, route feasibility or revokes a previously approved terminal or route, the applicant/terminal owner, within 10 days following the date of receipt of the decision of the city Traffic Engineer, may appeal said decision to the City Council in writing. An appeal shall be made on a form prescribed by the transportation department and shall be filed with the City Clerk. The appeal shall state specifically wherein there was an error or abuse of discretion by the city Traffic Engineer or wherein its decision is not supported by the evidence in the record. Within five days of the filing of an appeal, the city Traffic Engineer shall transmit to the City Clerk the terminal application, the sketches of the revoked route and all other data filed therewith, the report of the city Traffic Engineer, the findings of the city Traffic Engineer and the city Traffic Engineer's decision on the application.
- B. The City Clerk shall make copies of the data provided by the city Traffic Engineer available to the

applicant and to the appellant (if the applicant is not the appellant) for inspection and may give notice to any other interested party who requested notice of the time when the appeal will be considered by the City Council.

- C. If Caltrans and not the city Traffic Engineer denies or revokes terminal access from federally designated highways, no appeal may be made to the City Council, but must be made to Caltrans as may be permitted by Caltrans.

(Ord. 3193 § 1, 1985)

## CHAPTER 10.36 PEDESTRIANS

### **§ 10.36.010. Establishment of crosswalks.**

- A. The city Traffic Engineer shall establish, designate and maintain crosswalks at intersections and other places by appropriate devices, marks or lines upon the surface of the roadway as follows:

Crosswalks shall be established and maintained where the city Traffic Engineer determines that there is particular hazard to pedestrians crossing the roadway subject to the limitation contained in subsection B of this section.

- B. Other than crosswalks at intersections, no crosswalk shall be established in any block which is less than 400 feet in length, except that the city Traffic Engineer may establish a crosswalk on Grand Avenue between State and Roosevelt Streets. Elsewhere not more than one additional crosswalk shall be established in any one block and such crosswalk shall be located as nearly as practicable at midblock.

(Ord. 3005 § 51)

### **§ 10.36.020. Use of crosswalks.**

No pedestrian shall cross a roadway other than by a crosswalk in any business district.

(Ord. 3005 § 52)

### **§ 10.36.030. Crossing at right angles.**

No pedestrian shall cross a roadway at any place other than by a route at right angles to the curb or by the shortest route to the opposite curb except in a marked crosswalk.

(Ord. 3005 § 53)

### **§ 10.36.040. Standing in roadways.**

No person shall stand in any roadway other than in a safety zone or in a crosswalk if such action interferes with the lawful movement of traffic. This section shall not apply to any public officer or employee, or employee of a public utility when necessarily upon a street in line of duty.

(Ord. 3005 § 54)

**CHAPTER 10.40  
STOPPING, STANDING AND PARKING**

**Article I  
Generally**

**§ 10.40.005. Application of regulations.**

- A. The provisions of this chapter prohibiting the stopping, standing or parking of a vehicle shall apply at all times or at those times specified in this chapter, except when it is necessary to stop a vehicle to avoid conflict with other traffic or in compliance with the directions of a police officer or official traffic-control device.
- B. The provisions of this chapter imposing a time limit on standing or parking shall not relieve any person from the duty to observe other and more restrictive provisions of the state Vehicle Code or the ordinances of the city, prohibiting or limiting the standing or parking of vehicles in specified places or at specified times.

(Ord. 3005 § 55)

**§ 10.40.010. Parking for 72 or more consecutive hours prohibited—Removal of vehicle.**

- A. No person shall cause or allow any vehicle owned by him or her or in his/her possession, custody or control, to be parked upon any street, alley or publicly owned parking lot for 72 or more consecutive hours.
- B. For the purpose of this section, a vehicle shall be deemed to be left standing when such vehicle has not been moved more than one-tenth of a mile (528 feet) under its own power from its original stopped position.
- C. Any member of the police department may remove any vehicle parked upon any street, alley or publicly owned parking lot for 72 or more consecutive hours and shall, upon such removal, deal with such vehicle as provided in Sections 22650 through 22856 of the Vehicle Code of the state.

(Ord. 3005 § 56; Ord. 3067 § 1; Ord. 3135 § 1, 1981; NS-238 § 1, 1993)

**§ 10.40.015. Prohibited purposes for parking on roadway.**

- A. No person shall stand or park any commercial vehicle on any street for the purpose of loading or unloading any merchandise or goods except in authorized loading zones as provided in Section 10.40.085.
- B. No person shall stand or park any vehicle on any street or public right-of-way when it appears because of a sign or placard on the vehicle that the primary purpose of parking the vehicle at that location is to advertise to the public the private sale of that vehicle.
- C. Any peace officer or regularly employed and salaried employee engaged in directing traffic or enforcing parking laws and regulations of the city may remove a vehicle located within the territorial limits in which the officer or employee may act when the vehicle is found upon a street or public lands if:
  - 1. Because of a sign or placard on the vehicle it appears that the primary purpose of parking the vehicle at that location is to advertise to the public the private sale of that vehicle; and

2. Within the past 30 days the vehicle is known to have been previously issued a notice of parking violation, under subsection B of this section which was accompanied by a notice containing all of the following:
  - a. A warning that an additional parking violation may result in the impoundment of the vehicle,
  - b. A warning that the vehicle may be impounded pursuant to Vehicle Code Section 22651.9, even if moved to another street, so long as the signs or placards offering the vehicle for sale remain on the vehicle,
  - c. A statement that all city streets and public lands are subject to the provisions of Section 10.40.015(B) and (C);
3. The notice of parking violation was issued at least 24 hours prior to the removal of the vehicle;
4. Vehicle Code Section 22852, incorporated herein by reference, applies to the removal of any vehicle pursuant to this section.

(Ord. 3005 § 57; Ord. 3175 § 1, 1984; Ord. NS-358 § 1, 1996; Ord. NS-608 § 1, 2001; Ord. NS-625 § 1, 2002)

#### **§ 10.40.020. Parking parallel with curb.**

- A. Subject to other and more restrictive limitations, a vehicle may be stopped or parked within 18 inches of the left-hand curb facing in the direction of traffic movement upon any one-way street unless signs are in place prohibiting such stopping or standing.
- B. In the event a highway includes two or more separate roadways and traffic is restricted to one direction upon any such roadway, no person shall stand or park a vehicle upon the left-hand side of such one-way roadway unless signs are in place permitting such standing or parking.
- C. The city Traffic Engineer is authorized to determine when standing or parking shall be prohibited upon the left-hand side of any one-way street or when standing or parking may be permitted upon the left-hand side of any one-way roadway of a highway having two or more separate roadways and shall erect signs giving notice thereof.

(Ord. 3005 § 58)

#### **§ 10.40.025. Signs or markings indicating angle parking.**

- A. Whenever any ordinance of this city designates and describes any street or portion thereof upon which angle parking shall be permitted, the city Traffic Engineer shall mark or sign such street indicating the angle at which vehicles shall be parked.
- B. When signs or markings are in place indicating angle parking as provided in this section, no person shall park or stand a vehicle other than at the angle to the curb or edge of the roadway indicated by such signs or markings.
- C. Angle parking shall be permitted upon those streets and parts of streets described in Section 10.40.080.

(Ord. 3005 § 59)

#### **§ 10.40.030. Parking adjacent to schools.**

- A. The city Traffic Engineer is authorized to erect signs indicating no parking upon that side of any street adjacent to any school property when such parking would, in his or her opinion, interfere with traffic or create a hazardous situation.
  - B. When official signs are erected indicating no parking upon that side of a street adjacent to any school property, no person shall park a vehicle in any such designated place.
- (Ord. 3005 § 61)

**§ 10.40.035. Parking prohibited on narrow streets.**

- A. The city Traffic Engineer is authorized to place signs or markings indicating no parking upon any street when the width of the roadway does not exceed 20 feet, or upon one side of a street as indicated by such signs or markings when the width of the roadway does not exceed 30 feet.
  - B. When official signs or markings prohibiting parking are erected upon narrow streets as authorized herein, no person shall park a vehicle upon any such street in violation of any such sign or marking.
- (Ord. 3005 § 62)

**§ 10.40.040. Parking restricted on certain parts of Ocean Street.**

It is unlawful for any person to park his or her vehicle upon the east and south side of Ocean Street between Pacific Avenue and Garfield Street. It is unlawful for any person to park his or her vehicle upon the south side of Ocean Street between Garfield Street and Mountain View Drive.

(Ord. 3056 § 1)

**§ 10.40.041. Parking restricted on certain parts of Carlsbad Boulevard.**

- A. The parking of vehicles is prohibited during all hours of the day and night at the following locations along Carlsbad Boulevard:
  1. The east side between the south city limits and a point 250 feet north of Pine Avenue;
  2. The east side between a point 150 feet south of Carlsbad Village Drive and a point 390 feet north of Cypress Avenue;
  3. The east side between a point 530 feet north of Cypress Avenue and the north city limits;
  4. The west side between the south city limits and a point 160 feet north of Redwood Avenue, except at those locations where parking is permitted between certain hours of the day as provided in subsection B of this section;
  5. The west side between Cherry Avenue and Carlsbad Village Drive;
  6. The west side between Cypress Avenue and Beech Avenue;
  7. The west side between Mountain View Drive and the north city limits.
- B. The parking of vehicles is prohibited between certain hours of the day at the following locations along Carlsbad Boulevard:
  1. On the west side between a point 300 feet north of Tierra Del Oro Street and a point 1,230 feet south of Tamarack Avenue there will be no parking between 11:00 p.m. and 5:00 a.m.;
  2. On the west side between a point 160 feet north of Redwood Avenue to Cherry Avenue there

- will be no parking between 2:00 a.m. and 5:00 a.m.;
3. On the west side between Grand Avenue and Carlsbad Village Drive there will be no parking between 2:00 a.m. and 5:00 a.m.;
  4. On the west side of Carlsbad Boulevard between Shore Drive (south) and a point 345 feet southerly of Manzano Drive there will be no parking between 11:00 p.m. and 5:00 a.m.;
  5. On the easterly side of the southbound lane of Carlsbad Boulevard from Palomar Airport Road to a point 535 feet southerly of Palomar Airport Road there will be no parking between 11:00 p.m. and 5:00 a.m.;
  6. On the westerly side of the southbound lane of Carlsbad Boulevard from a point 77 feet southerly of Avenida Encinas to a point 287 feet southerly of Avenida Encinas there will be no parking between 11:00 p.m. and 5:00 a.m.;
  7. On the westerly side of the southbound lane of Carlsbad Boulevard from a point 613 feet southerly of Avenida Encinas to a point 1,432 feet southerly of Avenida Encinas there will be no parking between 11:00 p.m. and 5:00 a.m.;
  8. On the westerly side of the southbound lane of Carlsbad Boulevard from a point 2,070 feet southerly of Avenida Encinas to a point 2,664 feet southerly of Avenida Encinas there will be no parking between 11:00 p.m. and 5:00 a.m.;
  9. On the easterly side of the northbound lane of Carlsbad Boulevard from a point 100 feet north of Christiansen Way to Beech Avenue there will be no parking between 2:00 a.m. and 5:00 a.m.
- C. Unless otherwise prohibited or restricted, vehicles shall be parked off the paved roadway at the following locations along Carlsbad Boulevard:
1. The west side between a point 940 feet north of the south city limits and a point 1,500 feet north of the south city limits;
  2. The west side between a point 350 feet north of Descanso Boulevard and a point 1,170 feet north of Descanso Boulevard;
  3. The west side between a point 3,125 feet north of Descanso Boulevard and a point 3,860 feet north of Descanso Boulevard;
  4. The east side of the southbound lane between a point 515 feet south of Palomar Airport Road and Palomar Airport Road;
  5. The west side between a point 1,250 feet south of Cerezo Drive and a point 35 feet south of Cerezo Drive;
  6. The west side between a point 140 feet north of Cerezo Drive and Shore Drive (north).
- D. The Carlsbad police department is authorized to remove any such illegally parked vehicles.
- E. These will be two-hour parking between the hours of 5:00 a.m. to 6:00 p.m. on the west side of Carlsbad Boulevard between Carlsbad Village Drive and Grand Avenue.
- F. There will be three-hour parking on the east side of Carlsbad Boulevard from a point 100 feet north of Christiansen Way to Beech Avenue between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.

G. Parking of oversized vehicles is prohibited on the west side of Carlsbad Boulevard between Redwood Avenue and Cherry Avenue from Memorial Day to Labor Day.

For the purposes of this section only, "oversized vehicles" shall mean any vehicle that exceeds:

1. Seven feet in height, as measured from the street and including any item affixed to the top of the vehicle; or
2. Twenty-two feet in length, as measured from bumper to bumper and including any trailered attachment; or
3. Seven feet in width. Any extension(s) caused by accessories attached to the side(s) of such a vehicle, not including vehicle mirrors, shall be considered part of the measured width.

(Ord. 3088, 1972; Ord. 3176 § 1, 1984; Ord. NS-401 § 1, 1997; Ord. NS-486 § 1, 1999; Ord. NS-543 § 1, 2000; Ord. NS-712 § 1, 2004; Ord. NS-756 §§ 1-7, 2005; Ord. CS-120 § 1, 2011)

#### **§ 10.40.043. Parking restricted on certain parts of Carlsbad Village Drive.**

A. Parking of vehicles is prohibited during all hours of the day and night on the northerly side of Carlsbad Village Drive:

1. Between Highland Drive and Valley Street;
2. Between Valley Street and Monroe Street.

B. Parking of vehicles is prohibited during all hours of the day and night on the southerly side of Carlsbad Village Drive:

1. Between Highland Drive and Valley Street;
2. Between Valley Street and Monroe Street.

(Ord. 3121 § 1, 1980; Ord. NS-534 § 10, 2000)

#### **§ 10.40.045. Parking restricted on portion of Highland Drive.**

It is unlawful for any person to park his or her vehicle upon the east side of Highland Drive between Arland Road and Forest Avenue.

(Ord. 3063 § 4)

#### **§ 10.40.046. Parking restricted on portion of Avenida Encinas.**

- A. Parking of vehicles is prohibited during all hours of the day and night on the westerly and easterly sides of Avenida Encinas between Palomar Airport Road and Cannon Road.
- B. Parking of vehicles is prohibited between 11:00 p.m. and 5:00 a.m. on the westerly and easterly sides of Avenida Encinas between Palomar Airport Road and Poinsettia Lane.
- C. Parking of vehicles is prohibited between 11:00 p.m. and 5:00 a.m. on the northerly and southerly sides of Macadamia Drive east of the intersection with Avenida Encinas.
- D. Parking of vehicles is prohibited between 11:00 p.m. and 5:00 a.m. on the northerly and southerly sides of Raintree Drive east of the intersection with Avenida Encinas.

(Ord. 3137 § 2, 1981; Ord. CS-398 § 2, 2021)

**§ 10.40.047. Parking restricted on El Camino Real.**

Parking of vehicles is prohibited during all hours of the day and night on both sides of El Camino Real in the city limits.

(Ord. 3139 § 1, 1981; Ord. 3148 § 1, 1982)

**§ 10.40.048. Parking restricted on portion of Paseo del Norte.**

Parking of vehicles is prohibited during all hours of the day and night on the west side of Paseo del Norte between Palomar Airport Road and Caminito Madrigal; and on the east side of Paseo del Norte south of Palomar Airport Road to 2,650 feet south.

(Ord. 3145 § 1, 1982)

**§ 10.40.049. Parking restricted on Hosp Way.**

Parking of vehicles is prohibited during all hours of the day and night on both sides of Hosp Way from El Camino Real to Calle Arroyo and from 550 feet west of Avenida Magnifica to Monroe Street.

(Ord. 3152 § 1, 1982; Ord. CS-229 § 1, 2013)

**§ 10.40.050. Parking on hills.**

No person shall park or leave standing any vehicle unattended on a highway when upon any grade exceeding three percent within any business or residence district without blocking the wheels of the vehicle by turning them against the curb or by other means.

(Ord. 3005 § 63)

**§ 10.40.051. Parking restricted on Monroe Street.**

There shall be no parking on both sides of Monroe Street from Carlsbad Village Drive to Marron Road.  
(Ord. 3151 § 1, 1982; Ord. 3160 § 1, 1983; Ord. NS-534 § 11, 2000)

**§ 10.40.052. Parking restricted on Buena Vista Way.**

Parking of vehicles is prohibited during all hours of the day and night on both sides of Buena Vista Way from 280 feet east of Pio Pico to Highland Avenue.

(Ord. 3155 § 1, 1983)

**§ 10.40.053. Parking restricted on Carlsbad Village Drive.**

Parking of vehicles is prohibited during all hours of the day and night on both sides of Carlsbad Village Drive from Carlsbad Boulevard to its intersection with Pio Pico Drive.

(Ord. 3155 § 1, 1983; Ord. NS-91 § 1, 1989; Ord. NS-534 § 12, 2000)

**§ 10.40.054. Parking restricted on portion of Madison Street.**

Parking of vehicles is prohibited during all hours of the day and night on both sides of Madison Street between Carlsbad Village Drive and Grand Avenue where planter areas protrude into the streets.

(Ord. 3158, 1983; Ord. NS-534 § 13, 2000)

**§ 10.40.055. Parking prohibited at all times where signs are erected.**

The city Traffic Engineer shall appropriately sign or mark the following places and when so signed or

marked no person shall stop, stand or park a vehicle in any such places:

- A. At any place within 20 feet of a point on the curb immediately opposite the mid-block end of a safety zone;
- B. At any place within 25 feet of an intersection in any business district except that a bus may stop at a designated bus stop;
- C. Within 25 feet of the approach to any traffic signal, boulevard, stop sign or official electric flashing device;
- D. At any place where the city Traffic Engineer determines that it is necessary in order to eliminate dangerous traffic hazards.

(Ord. 3005 § 64)

**§ 10.40.056. Parking restricted on portion of Roosevelt Street.**

Parking of vehicles is prohibited during all hours of the day and night on both sides of Roosevelt Street between Carlsbad Village Drive and Grand Avenue where planter areas protrude into the street.

(Ord. 3158, 1983; Ord. NS-534 § 14, 2000)

**§ 10.40.057. Parking restricted on portion of Grand Avenue.**

Parking of vehicles is prohibited during all hours of the day and night on the south side of Grande Avenue at Madison Street and Roosevelt Street where planter areas protrude into the street.

(Ord. 3158, 1983)

**§ 10.40.058. Parking restricted on portion of Alga Road.**

A no parking zone is declared on Alga Road as follows: North side from Mimosa Drive to Melrose Drive; and south side from Mimosa Drive to El Camino Real and from Alicante Road to Melrose Drive.

(Ord. 3180 § 1, 1984)

**§ 10.40.059. Parking restricted on Tamarack Avenue.**

- A. There will no parking on both sides of Tamarack Avenue from Skyline Road to Carlsbad Village Drive.
- B. There will be no parking on the easterly side of Tamarack Avenue from Carlsbad Village Drive to Wilshire Avenue and no parking on the westerly side of Tamarack Avenue from Carlsbad Village Drive to a point 170 feet southerly of Wilshire Avenue.

(Ord. 3182 § 1, 1985; Ord. NS-50 § 1, 1988; Ord. NS-534 § 15, 2000)

**§ 10.40.060. Parking restricted on Palisades Drive.**

There will be no parking on the easterly side of Palisades Drive from Tamarack Avenue to a point 60 feet north of the most northerly intersection of Driftwood Circle.

(Ord. 3207 § 1, 1986)

**§ 10.40.061. Parking restricted on Carlsbad Boulevard.**

There will be no parking on the easterly side of Carlsbad Boulevard from Palomar Airport Road to the

southerly city limit near La Costa Avenue.

(Ord. 3214 § 1, 1987)

**§ 10.40.062. Parking time limit on Marjorie Lane.**

When authorized signs are in place giving notice thereof, no person shall stop, stand or park any vehicle on Marjorie Lane, Monday through Friday between the hours of 7:00 a.m. and 4:00 p.m.

(Ord. 3215 § 1, 1987; Ord. NS-13 § 1, 1988)

**§ 10.40.063. Parking time restricted in alley located west of State Street.**

When authorized signs are in place giving notice thereof, no person shall stop, stand or park any vehicle on the easterly side of the alley located west of State Street from Christiansen Way (Cedar Street) to a point 1,270 feet northerly and no person shall stop, stand or park any vehicle on the westerly side of said alley within designated limits between the hours of 10:00 p.m. and 6:00 a.m., seven days a week.

(Ord. 3219 § 1, 1987)

**§ 10.40.064. Parking restricted on Middleton Drive.**

There will be no parking on the northerly and easterly sides of Middleton Drive from Glasgow Drive to Woodstock Street.

(Ord. 3224 § 1, 1988)

**§ 10.40.065. Emergency parking signs.**

- A. Whenever the city Traffic Engineer determines that an emergency traffic congestion is likely to result from the holding of public or private assemblages, gatherings or functions, or for other reasons, the city Traffic Engineer shall have power and authority to order temporary signs to be erected or posted indicating that the operation, parking or standing of vehicles is prohibited on such streets and alleys as the city Traffic Engineer shall direct during the time such temporary signs are in place. Such signs shall remain in place only during the existence of such emergency and the city Traffic Engineer shall cause such signs to be removed promptly thereafter.
- B. When signs authorized by the provisions of this section are in place giving notice thereof, no person shall operate, park or stand any vehicle contrary to the directions and provisions of such signs.

(Ord. 3005 § 66)

**§ 10.40.066. Parking restricted on Woodstock Street.**

There will be no parking on the northerly and easterly sides of Woodstock Street from Glasgow Drive to Lancaster Road.

(Ord. 3223 § 1, 1988)

**§ 10.40.067. Parking restricted on Avenida Encinas.**

There will be no parking on the easterly and westerly sides of Avenida Encinas from Poinsettia Lane to Windrose Circle.

(Ord. NS-40 § 1, 1988)

**§ 10.40.068. Parking restricted on Marron Road.**

There will be no parking on the northerly and southerly sides of Marron Road from Jefferson Street to Avenida de Anita.

(Ord. NS-41 § 1, 1988)

**§ 10.40.069. Parking restricted on Poinsettia Lane.**

There will be no parking on both sides of Poinsettia Lane from Carlsbad Boulevard to a point 440 feet easterly of Snapdragon Drive.

(Ord. NS-64 § 1, 1989)

**§ 10.40.070. Parking restricted on Cannon Road.**

There will be no parking on the southerly side of Cannon Road from Carlsbad Boulevard to Car Country Drive and no parking on the northerly side of Cannon Road from El Arbol Drive to Car Country Drive.

(Ord. NS-65 § 1, 1989)

**§ 10.40.071. Parking restricted on Manzano Drive.**

There will be no parking on both sides of Manzano Drive from Carlsbad Boulevard to El Arbol Drive.

(Ord. NS-79 § 1, 1989)

**§ 10.40.072. Parking restricted on Paseo Del Norte.**

- A. There will be no parking on both sides of Paseo del Norte between the hours of midnight and 6:00 a.m., seven days a week, from Cannon Road to its intersection with Car Country Drive.
- B. There will be no parking on both sides of Paseo del Norte from Poinsettia Lane southerly to the Sea Cliff entrance gate.
- C. There will be no parking on both sides of Paseo Del Norte between midnight and 5:00 a.m., seven days a week, from Poinsettia Lane to Camino de las Ondas.

(Ord. NS-88 § 1, 1989; Ord. NS-270 § 1, 1994; Ord. NS-724 § 1, 2004; Ord. CS-386 § 3, 2020)

**§ 10.40.073. Parking restricted on Car Country Drive.**

There will be no parking on both sides of Car Country Drive between the hours of midnight and 6:00 a.m., seven days a week, from Cannon Road to its intersection with Paseo Del Norte.

(Ord. NS-89, 1989; Ord. NS-231, 1993; Ord. CS-386 § 4, 2020)

**§ 10.40.074. Parking restricted on Pontiac Drive.**

There will be no parking on the easterly side of Pontiac Drive from Tamarack Avenue to Victoria Avenue and on the westerly side of Pontiac Drive from Tamarack Avenue to a point 140 feet south of the southerly boundary of the right-of-way of Victoria Avenue.

(Ord. NS-90 § 1, 1989)

**§ 10.40.075. Commercial vehicles in residential district.**

- A. No person shall stop, park or leave standing any commercial vehicle having a manufacturer's gross vehicle weight rating of 10,000 pounds or more on a street in any residential district whether attended

or unattended except:

1. While making pickups or deliveries of goods, wares and merchandise from or to any building or structure located within any residential district; or
2. While delivering materials to be used in the actual and bona fide repair, alteration, remodeling or construction of any building within 200 feet of the parked vehicle when a permit has previously been obtained; or
3. When such vehicle is parked in connection with, and in aid of, the performance of a service to or on a property on the block in which such vehicle is parked, so long as the commercial vehicle's presence is required to provide the service; or
4. Buses when loading or unloading passengers at established zones.

B. For the purpose of this section:

1. A "commercial vehicle" is a motor vehicle of a type required to be registered under the California Vehicle Code used or maintained for the transportation of persons for hire, compensation or profit or designed, used or maintained primarily for the transportation of property.
2. Passenger vehicles which are not used for the transportation of persons for hire, compensation or profit and housecars are not commercial vehicles. This subdivision shall not apply to California Vehicle Code Chapter 4 (commencing with Section 6700) of Division 3.
3. Any vanpool vehicle is not a commercial vehicle.
4. The term "residential district" shall be defined as any property or portion thereof zoned R-A (residential agricultural zone), R-E (rural residential estate zone), R-1 (one-family residential zone), R-2 (two-family residential zone), R-3 (multiple-family residential zone), R-T (residential tourist zone), R-W (residential waterway zone), P-C (planned community zone), or RD-M (residential density multiple zone) as defined in Title 21 of this code.

(Ord. 3037 § 1; Ord. NS-650 § 1, 2002)

**§ 10.40.076. Parking restricted in the parking lot at the Monroe Street Pool.**

- A. Parking will be restricted to current users of the Monroe Street Pool between the hours of 5:00 a.m. and 11:00 p.m. for all parking spaces located between the north entry and the south exit of the Monroe Street Pool parking lot. Vehicles must be registered at the pool office with name of driver, license plate number, and time of arrival.
- B. There will be 90-minute parking 24 hours per day, seven days per week for all the parking spaces located immediately south of and adjacent to the swimming pool at the Carlsbad Community Swim Complex.

(Ord. NS-92 § 1, 1989; Ord. NS-304 § 1, 1995; Ord. NS-417 § 1, 1997; Ord. NS-461 § 1, 1998; Ord. CS-104 § 1, 2010)

**§ 10.40.077. Parking restricted on Calle Barcelona.**

There will be no parking on both sides of Calle Barcelona from Rancho Santa Fe Road to Calle San Felipe.  
(Ord. NS-96 § 1, 1989)

**§ 10.40.078. Parking restricted in the front parking lot west of the Carlsbad Safety Center.**

There will be two-hour parking, Monday through Friday, from 7:00 a.m. to 5:00 p.m. for the eight parking spaces in the front parking lot located westerly of the Carlsbad Safety Center.  
(Ord. NS-112 § 1, 1990)

**§ 10.40.079. One-hour parking on Ocean Street.**

There will be one-hour parking for the five parking spaces on each side of Ocean Street at its southern terminus adjacent to the Sculpture Park, excluding handicap spaces.  
(Ord. NS-191 § 1, 1992)

**§ 10.40.080. Angle parking.**

In accordance with Section 10.40.025, and when signs or markings are in place giving notice thereof, drivers of vehicles may stand or park a vehicle only as indicated by such marks or signs on the following street or portions thereof:

- A. On both sides of State Street commencing at the intersection of State Street and Grand Avenue and extending northward 325 feet;
  - B. On both sides of State Street between the intersection of Carlsbad Village Drive and Grand Avenue;
  - C. Repealed by Ord. 3157 § 1;
  - D. On the south side of Grand Avenue from 150 feet west of Roosevelt Street to Harding Street;
  - E. On the north side of Grand Avenue from Jefferson Street to Hope Avenue;
  - F. On both sides of Grand Avenue from Ocean Street to Carlsbad Boulevard;
  - G. On the north side of Beech Avenue from Carlsbad Boulevard to Washington Street.
- (Ord. 3005 § 84; Ord. 3012 § 1; Ord. 3063 §§ 2, 3; Ord. 3126 § 1, 1981; Ord. 3157 § 1, 1983; Ord. NS-119 § 1, 1990; Ord. NS-534 § 16, 2000; Ord. CS-029 § 1, 2009; Ord. CS-331 § 2, 2018)

**§ 10.40.081. Parking restricted on Camino Vida Roble.**

There will be no parking on both sides of Camino Vida Roble from El Camino Real to Palomar Oaks Way, except for the easterly side of Camino Vida Roble from Palomar Airport Road to a point 100 feet south of Owens Avenue.

(Ord. NS-190 § 1, 1992; Ord. NS-217 § 1, 1992)

**§ 10.40.082. Parking time limit on Oak Avenue.**

There will be three-hour parking on each side of Oak Avenue from the railroad parking lot easterly to Roosevelt Street between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.  
(Ord. NS-265 § 1, 1993; Ord. NS-525 § 1, 2000)

**§ 10.40.083. Parking time limit on Bayshore Drive.**

When authorized signs are in place giving notice thereof, no person shall stop, stand or park any vehicle on Bayshore Drive between the hours of 11:00 p.m. and 5:00 a.m., seven days a week.  
(Ord. NS-285 § 1, 1994)

**§ 10.40.084. Parking time limit on Christiansen Way.**

- A. There will be three-hour parking on each side of Christiansen Way from State Street westerly to the alley between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.
- B. There will be three-hour parking on the north side of Christiansen Way from a point 96 feet east of Carlsbad Boulevard to Washington Street between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.

(Ord. NS-316 § 1, 1995; Ord. NS-525 § 2, 2000; Ord. NS-712 § 2, 2004)

**Article II**  
**Stopping for Loading or Unloading**

**§ 10.40.085. Authority to establish loading zones.**

- A. The city Traffic Engineer is authorized to determine and to mark loading zones and passenger loading zones as follows:
  1. At any place in any business district;
  2. Elsewhere in front of the entrance to any place of business or in front of any hall or place used for the purpose of public assembly.
- B. In no event shall more than one-half of the total curb length in any block be reserved for loading zone purposes.
- C. Loading zones shall be indicated by a yellow paint line stenciled with black letters, "LOADING ONLY," upon the top of all curbs within such zones.
- D. Passenger loading zones shall be indicated by a white line stenciled with black letters, "PASSENGER LOADING ONLY," upon the top of all curbs within such zones.

(Ord. 3005 § 68)

**§ 10.40.090. Curb markings.**

- A. The city Traffic Engineer is authorized, subject to the provisions and limitations of this chapter to place, and when required herein shall place, the following curb markings to indicate parking or standing regulations, and such curb markings shall have the meanings as set forth in this section:
  1. Red means no stopping, standing or parking at any time except as permitted by the state Vehicle Code, and except that a bus may stop in a red zone marked or signed as a bus zone;
  2. Yellow means no stopping, standing or parking at any time between 7:00 a.m. and 6:00 p.m. of any day, except Sundays and holidays, for any purpose other than the loading or unloading of passengers or materials; provided, that the loading or unloading of passengers shall not consume more than three minutes nor the loading or unloading of materials more than 20 minutes;
  3. White means no stopping, standing or parking for any purpose other than loading or unloading of passengers which shall not exceed three minutes and such restrictions shall apply between 7:00 a.m. and 6:00 p.m. of any day, except Sundays and holidays, and except as follows:
    - a. When such zone is in front of a hotel the restrictions shall apply at all times;
    - b. When such zone is in front of a theater the restrictions shall apply at all times except when such theater is closed;
  4. Green means no standing or parking for longer than 20 minutes at any time between 7:00 a.m. and 6:00 p.m. of any day, except Sundays and holidays.
- B. When the city Traffic Engineer as authorized under this chapter has caused curb markings to be placed, no person shall stop, stand or park a vehicle adjacent to any such legible curb marking in violation of any of the provisions of this section.

(Ord. 3005 § 69)

**§ 10.40.095. Permit for loading or unloading at angle to curb.**

The city Traffic Engineer is authorized to issue special permits to allow the backing of a vehicle to the curb for the purpose of loading or unloading merchandise or materials subject to the terms and conditions of such permit. Such permits may be issued either to the owner or lessee of real property or to the owner of the vehicle and shall grant to such person the privilege as therein stated and authorized herein, and it is unlawful for any permittee or other person to violate any of the special terms or conditions of any such permit.

(Ord. 3005 § 60)

**§ 10.40.100. Effect of permission to load or unload.**

- A. Permission granted in this chapter to stop or stand a vehicle for purposes of loading or unloading of materials shall apply only to commercial vehicles and shall not extend beyond the time necessary therefor, and in no event for more than 20 minutes.
- B. The loading or unloading of materials shall apply only to commercial deliveries, also the delivery or pickup of express and parcel post packages and United States mail.
- C. Permission herein granted to stop or park for purposes of loading or unloading passengers shall include the loading or unloading of personal baggage, but shall not extend beyond the time necessary therefor and in no event for more than three minutes.
- D. Within the total time limits above specified the provisions of this section shall be enforced so as to accommodate necessary and reasonable loading or unloading but without permitting abuse of the privileges granted in this chapter.

(Ord. 3005 § 70)

**§ 10.40.105. Standing for loading or unloading only.**

No person shall stop, stand or park a vehicle in any yellow loading zone for any purpose other than loading or unloading passengers or material for such time as is permitted in Section 10.40.100.

(Ord. 3005 § 71)

**§ 10.40.110. Standing in passenger loading zone.**

No person shall stop, stand or park a vehicle in any passenger loading zone for any purpose other than the loading or unloading of passengers for such time as is specified in Section 10.40.100.

(Ord. 3005 § 72)

**§ 10.40.115. Standing in any alley.**

No person shall stop, stand or park a vehicle for any purpose other than the loading or unloading of persons or materials in any alley.

(Ord. 3005 § 73)

**§ 10.40.120. Bus zones.**

- A. The city Traffic Engineer is authorized to establish bus zones opposite curb space for the loading and unloading of buses of common carriers of passengers and to determine the location thereof subject to the directives and limitations set forth in this chapter.

- B. The word "bus" as used in this section means any motorbus, motor coach, trackless trolley coach or passenger stage used as a common carrier of passengers.
- C. No bus zone shall exceed 80 feet in length, except that when satisfactory evidence has been presented to the city Traffic Engineer showing the necessity therefor, the city Traffic Engineer may extend bus zones not to exceed a total length of 125 feet.
- D. Bus zones shall normally be established on the far side of an intersection.
- E. No bus zone shall be established opposite and to the right of a safety zone.
- F. The city Traffic Engineer shall paint a red line stenciled with white letters "NO STANDING," together with the words "BUS ZONE" upon the top or side of all curbs and places specified as a bus zone.
- G. No person shall stop, stand or park any vehicle except a bus in a bus zone.
- H. No person shall park a vehicle at any time upon the easterly side of Carlsbad Boulevard between the intersection of Carlsbad Village Drive and Carlsbad Boulevard to a point 60 feet south of Carlsbad Village Drive. This area shall be designated as "bus stop" and shall be used only for the loading and unloading of bus passengers.

(Ord. 3005 § 74; Ord. 3041 § 3; Ord. NS-534 § 17, 2000)

## Article III Restricted or Prohibited Parking

### **§ 10.40.125. Parking time limited in business districts.**

When authorized signs are in place giving notice thereof no person shall stop, stand or park any vehicle within a business district between the hours of 7:00 a.m. and 6:00 p.m. of any day, except Sundays and holidays, for a period of time longer than two hours.

No person shall stop, stand or park any vehicle for a period of time longer than two hours on both sides of Carlsbad Village Drive from the railroad crossing west to Carlsbad Boulevard; and from a point 60 feet south of Carlsbad Village Drive on the easterly side of Carlsbad Boulevard to the intersection of Carlsbad Boulevard and Lincoln Street, and 30 feet south on the easterly side of Lincoln Street.

(Ord. 3005 § 75; Ord. 3041 § 4; Ord. NS-534 § 18, 2000)

### **§ 10.40.126. Parking time limited in business district.**

When authorized signs are in place giving notice thereof, no person shall stop, stand or park any vehicle within a business district between the hours of 7:00 a.m. and 6:00 p.m. of any day, for a period of time longer than two hours.

No person shall stop, stand or park any vehicle for a period of time longer than two hours on the westerly side of Carlsbad Boulevard between Grand Avenue and Carlsbad Village Drive.

(Ord. 3212 § 1, 1987; Ord. NS-534 § 19, 2000)

### **§ 10.40.127. Parking time limit on Ponto Drive (south).**

- A. There will be no parking on the west side of Ponto Drive from Avenida Encinas to its intersection with Carlsbad Boulevard.
- B. When authorized signs are in place giving notice thereof, no person shall stop, stand, or park any vehicle on Ponto Drive (south) from a point 266 feet south of Avenida Encinas and continuing northerly to its intersection with Carlsbad Boulevard between the hours of 11:00 p.m. and 5:00 a.m., seven days a week.

(Ord. NS-431 § 1, 1997; Ord. NS-539 § 1, 2000)

### **§ 10.40.128. Parking restricted on Cassia Road.**

There will be no parking on each side of Cassia Road from Poinsettia Lane to its intersection with El Camino Real.

(Ord. NS-672 § 1, 2003; Ord. NS-831 § 1, 2007)

### **§ 10.40.129. Parking restricted on Afton Way.**

There will be no parking on each side of Afton Way from Celinda Drive to its westerly terminus.

(Ord. NS-884 § 1, 2008)

### **§ 10.40.130. Overnight parking.**

It is unlawful for any person to park or leave parked any automobile or other vehicle between the hours of 3:00 a.m. to 5:00 a.m. on the hereinafter described streets:

- A. On State Street between Oak Avenue and Laguna Drive;
- B. On Roosevelt Street between Oak Avenue and Grand Avenue;
- C. On Carlsbad Boulevard between Grand Avenue and Carlsbad Village Drive;
- D. On Grand Avenue between Roosevelt Street and Carlsbad Boulevard;
- E. On Carlsbad Village Drive between U.S. Freeway 101 and Carlsbad Boulevard.

The traffic safety engineer and the maintenance director are instructed to erect signs giving notice of the provisions of this section.

(Ord. 3018 § 1; Ord. 1261 § 12, 1983; Ord. NS-534 § 20, 2000)

#### **§ 10.40.131. Parking restricted on Camino de los Coches.**

There will be no parking on the southerly side of Camino de los Coches from Rancho Santa Fe Road to its intersection with Maverick Way.

(Ord. NS-895 § 1, 2008)

#### **§ 10.40.135. Parking prohibited at all times on certain streets.**

When signs are erected giving notice thereof no person shall park a vehicle at any time upon the following streets:

- A. On both sides of Garfield Street from the intersection of Garfield Street with Olive Avenue to the southerly terminus of Garfield Street;
- B. On both sides of Harrison Street from the intersection of Chinquapin Avenue with Harrison Street to the intersection of Adams Street with Harrison Street.

(Ord. 3005 § 76; Ord. 3030 § 1; Ord. 3041 § 5)

#### **§ 10.40.140. Parking prohibited on certain streets on Saturdays, Sundays and holidays.**

When signs are erected giving notice thereof, it is unlawful for any person to park or leave parked any automobile or other vehicle on Saturdays, Sundays and holidays on the hereinafter described streets:

On both sides of Adams Street from the intersection of Adams Street with the Northwesterly Lot 6, Block "D" of Bella Vista Tract, easterly to the intersection of Adams Street with the center line of Lot 9, Block "D," Bella Vista Tract.

(Ord. 3019 § 1)

#### **§ 10.40.145. Parking space markings.**

The city Traffic Engineer is authorized to install and maintain parking space markings to indicate parking spaces adjacent to curbs where authorized parking is permitted, and to indicate those locations wherein the parking of vehicles beyond the marked parking space is prohibited.

When such parking space markings are placed in the highway, street or in a municipally owned and/or operated parking lot, subject to other and more restrictive limitations, no vehicle shall be stopped, left standing or parked other than within a single space unless the size or shape of such vehicle makes compliance impossible.

Where signs or markings are installed to indicate that stopping, standing and/or parking vehicles beyond the marked parking space is prohibited or restricted, no vehicle shall be stopped, left standing and/or parked contrary to such prohibition or restriction or within an area designated as prohibited or restricted.  
(Ord. 3005 § 77; Ord. CS-328 § 2, 2017)

**§ 10.40.150. Parking restricted at certain times to facilitate street sweeping.**

- A. It is unlawful to park or leave parked any vehicle on any street or portion thereof during the hours and on the day or days of the month indicated on signs containing the words "NO PARKING," which signs have been placed in appropriate locations designating the parking restriction pursuant to the provisions of this section.
- B. When such markings or signs are in place, no person shall stop, stand or park a vehicle upon any street or highway in violation of the restrictions contained on said sign or markings.
- C. The city Traffic Engineer is authorized to determine the locations of and to place and maintain, or cause to be placed and maintained, signs designating the hours during which, and day or days of the month on which, parking is prohibited in order to sweep city streets. In the event temporary signs are employed to prohibit parking on any street or highway or portion thereof pursuant to the foregoing, no vehicle parked in violation of the directions set forth on the temporary signs shall be removed unless such signs have been erected or placed on the street or portion thereof at least 72 hours prior to such removal.
- D. Section 10.40.150(A) shall not apply to the parking or standing of commercial vehicles in a residential district making pickups or deliveries of goods, wares or merchandise from or to any building or structure located on the restricted street or highway, or for the purpose of delivering materials to be used in the repair, alteration, remodeling or reconstruction of any building or structure for which a building permit has previously been obtained.

(Ord. NS-213 § 1, 1992)

**§ 10.40.151. Parking prohibited of unattached trailers or semi-trailers.**

No person shall park an unattached trailer or semi-trailer upon any street or public place except for the purpose of loading or unloading.

(Ord. NS-261 § 1, 1993)

**§ 10.40.155. Parking time limit on Beech Avenue.**

There will be three-hour parking on each side of Beech Avenue from Roosevelt Street to State Street between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.

(Ord. NS-525 § 3, 2000)

**§ 10.40.156. Parking time limit on Grand Avenue.**

There will be three-hour parking on each side of Grand Avenue from Carlsbad Boulevard to the alley located between Madison Street and Jefferson Street between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.

(Ord. NS-525 § 4, 2000)

**§ 10.40.157. Parking time limit on Washington Street.**

- A. There will be three-hour parking on the west side of Washington Street from Grand Avenue to Beech

Avenue between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.

- B. There will be three-hour parking on the east side of Washington Street from Carlsbad Village Drive to Grand Avenue between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.  
(Ord. NS-525 § 5, 2000)

**§ 10.40.158. Parking time limit on State Street.**

There will be three-hour parking on each side of State Street from Oak Avenue to Carlsbad Boulevard between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.

(Ord. NS-525 § 6, 2000; Ord. NS-584 § 1, 2001)

**§ 10.40.159. Parking time limit on Roosevelt Street.**

A. There will be three-hour parking on the west side of Roosevelt Street from Oak Avenue to Carlsbad Village Drive between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.

B. There will be three-hour parking on each side of Roosevelt Street from Carlsbad Village Drive to Beech Avenue between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.

(Ord. NS-525 § 7, 2000)

**§ 10.40.160. Parking time limit on Madison Street.**

There will be three-hour parking on the west side of Madison Street from Grand Avenue to a point 50 feet north of Arbuckle Place between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.

(Ord. NS-525 § 8, 2000)

**§ 10.40.161. Parking time limit on Beech Avenue.**

There will be three-hour parking on each side of Beech Avenue from State Street to Roosevelt Street between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.

(Ord. NS-525 § 9, 2000)

**§ 10.40.162. Parking time limit for parking lots at the Village Old Depot building.**

There will be three-hour parking in the parking lots adjacent to the railroad tracks located between Carlsbad Village Drive and Grand Avenue both north and south of the Village Old Depot building between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.

(Ord. NS-525 § 10, 2000)

**§ 10.40.163. Parking time limit for the parking lot located on the corner of Grand Avenue and State Street.**

There will be three-hour parking in the parking lot located on the northwest corner of Grand Avenue and State Street between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.

(Ord. NS-525 § 11, 2000)

**§ 10.40.164. Parking time limit on the access drive between Carlsbad Village Drive and Grand Avenue.**

There will be three-hour parking on the west side of the access drive located easterly of the Village Old Depot building between Carlsbad Village Drive and Grand Avenue between the hours of 7:00 a.m. and

6:00 p.m. except for Sundays and holidays.  
(Ord. NS-525 § 12, 2000)

**§ 10.40.165. Parking time limit in the four parking spaces on the east side of the alley north of Christiansen Way.**

There will be three-hour parking in the four parking spaces located on the east side of the alley north of Christiansen Way between the hours of 7:00 a.m. and 6:00 p.m. except for Sundays and holidays.  
(Ord. NS-525 § 13, 2000)

**§ 10.40.166. Parking time limit on a portion of Celinda Drive.**

When authorized signs are in place giving notice thereof, no person shall stop, stand or park any vehicle on Celinda Drive from Carlsbad Village Drive to the south property line of 3481 Celinda Drive and 3482 Celinda Drive, seven days a week between the hours of midnight and 5:00 a.m.  
(Ord. NS-886 § 1, 2008)

**§ 10.40.167. Parking time limit on Kimberly Court.**

When authorized signs are in place giving notice thereof, no person shall stop, stand or park any vehicle on Kimberly Court, seven days a week between the hours of midnight and 5:00 a.m.  
(Ord. NS-886 § 2, 2008)

**§ 10.40.168. Parking time limit on Shawn Court.**

When authorized signs are in place giving notice thereof, no person shall stop, stand or park any vehicle on Shawn Court, seven days a week between the hours of midnight and 5:00 a.m.  
(Ord. NS-886 § 3, 2008)

**§ 10.40.169. Parking time limit on Dana Court.**

When authorized signs are in place giving notice thereof, no person shall stop, stand or park any vehicle on Dana Court, seven days a week between the hours of midnight and 5:00 a.m.  
(Ord. NS-886 § 4, 2008)

**§ 10.40.170. Parking time limit on Paseo Descanso from Carrillo Way to Paseo Cerro.**

When authorized signs are in place giving notice thereof, no person shall stop, stand or park any vehicle on Paseo Descanso from Carrillo Way to Paseo Cerro, seven days a week, between the hours of 2:00 a.m. and 5:00 a.m.  
(Ord. CS-048 § 1, 2009)

**§ 10.40.171. Parking restricted on Van Allen Way.**

There will be no parking on each side of Van Allen Way from Faraday Avenue to its northerly terminus.  
(CS-118, 2011)

**§ 10.40.180. Parking of oversized vehicles.**

A. Definitions. For purposes of this article, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

"Loading and unloading" shall mean actively moving items to or from an oversized vehicle including the activities required to prepare the vehicle for travel or storage.

"Out-of-town visitor" shall mean any person who does not reside in the City of Carlsbad, who is temporarily visiting as a guest of a resident of the city, and who has applied for and obtained an oversized vehicle overnight parking permit.

"Oversized vehicle" shall mean any motorized vehicle as defined of Section 670 of the Vehicle Code or combination of motorized vehicles and/or non-motorized vehicles or trailers that meets or exceeds 22 feet in length at any time or a combination of the two following criteria, exclusive of fixtures, accessories or property: seven feet in height and seven feet in width.

- a. To determine the height, width or length of the vehicles defined in this section, any extension to the vehicle caused by mirrors, air conditioners, or similar attachments as allowed by Section 35109, 35110 or 35111 of the Vehicle Code as may be amended shall not be included.
- b. Oversized vehicle does not include pickup trucks, vans, or sport utility vehicles, which are less than 25 feet in length and eight feet in height.

"Resident" shall mean a person who customarily resides and maintains a place of abode or who owns land within the City of Carlsbad. It shall not mean a person who maintains an address at a post office box, mailbox drop, or who rents a room without it being the primary place of abode.

- B. Overnight Parking Prohibition. No person shall stop, stand, park or leave standing any oversized vehicle on any public highway, street or city parking lot at any time between the hours of 2:00 a.m. and 5:00 a.m. unless otherwise authorized by this article.
- C. Utility Connections Prohibited. No person shall permit, cause or allow any electrical, water, gas, telephone or other utility connection (such as electrical cords, extension cords, hoses, cables, or other items) to encroach into any public right-of-way including across or above any street or sidewalk from a residential or commercial property to an oversized vehicle or trailer parked on a public highway, street or city parking lot.
- D. Overnight Parking Exceptions to Prohibitions. The provisions of Section 10.40.180(B) shall not apply to any of the following:
  1. Oversized vehicles owned by a resident or out-of-town visitor displaying a permit for overnight parking issued by the City Manager or designee in accordance with this article. The issuance of a permit shall not allow any other activity otherwise prohibited by law.
  2. Oversized vehicles displaying a permit issued by the City Manager to a hotel as defined in Carlsbad Municipal Code Section 21.04.185 or a motel as defined in Carlsbad Municipal Code Section 21.04.273 for the exclusive use of its registered guests.
  3. Oversized vehicles involved in an emergency or being repaired under emergency conditions. Emergency parking may be allowed for 24 consecutive hours where an oversized vehicle is left standing at the roadside because of mechanical breakdown or because of the driver's physical incapacity to proceed.
  4. Oversized vehicles belonging to federal, state or local authorities or public utilities that are temporarily parked while the operator of the oversized vehicle is conducting official business.
  5. Oversized vehicles actively engaged in the loading and unloading and deliveries of person,

merchandise, wares, supplies, goods or other materials in the course of construction or other work from or to any adjacent building or structure.

6. As part of a proclamation of a local emergency issued pursuant to Chapter 6.04, the Director of Emergency Services may suspend any provision of this section applicable to the parking of oversized vehicles. The suspension shall expire upon the termination of the local state of emergency unless an earlier time for expiration is provided in the proclamation of local emergency.
- E. Overnight Parking Permit Conditions. Any resident may obtain an oversized vehicle overnight parking permit to park an oversized vehicle registered to them adjacent to his or her residence. Any resident may obtain an oversized vehicle overnight parking permit to park an oversized vehicle belonging to an out-of-town visitor.

The City Manager or designee may issue a permit for overnight parking of an oversized vehicle to any resident or out-of-town visitor subject to the following provisions:

1. The oversized vehicle shall be owned, leased, rented by, or registered to, a resident or out-of-town visitor.
2. The oversized vehicle shall park at the street curb immediately adjacent to the residence, or within 400 feet of that person's residence if this area is not available for parking due to curb configuration or codified parking restrictions.
3. The oversized vehicle overnight parking permit shall be prominently displayed in the lower driver's side of the windshield or the nearest window of the vehicle. The permit shall be clearly visible from the exterior of the oversized vehicle and shall not cover the vehicle identification number. Trailers shall display the permit on the side of the trailer so that the permit is visible from the street.
4. The oversized vehicle shall not be used for camping, lodging, residing or for accommodation purposes. Nothing in this section shall be construed to permit sleeping or camping in a vehicle as prohibited by the Carlsbad Municipal Code.
5. All oversized vehicle permit holders shall comply with the City of Carlsbad street sweeping parking regulations pursuant to Carlsbad Municipal Code Section 10.40.150.
6. The City Manager or designee may deny or revoke an oversized vehicle overnight parking permit if, upon a review of the location where the oversized vehicle will be parked, the City Manager or designee determines that it would create a traffic hazard or otherwise would adversely affect public safety, traffic flow or access.

F. Overnight Parking Permit Duration.

1. Each resident oversized vehicle overnight parking permit shall be valid for one year. A resident oversized vehicle permit allows a resident to park an oversized vehicle for four periods of up to 72 consecutive hours per calendar month. The oversized vehicle must be absent from the location authorized by subsection (E)(2) of this section for a minimum of 24 consecutive hours to be lawfully parked overnight at the location again.
2. Each oversized vehicle overnight parking permit issued to an out-of-town visitor shall be valid for a maximum of 72 hours.

3. No more than six out-of-town visitor permits shall be issued to a resident in a calendar year.
- G. Fraudulent Permit Penalty. Every person who displays a fraudulent, forged, altered or counterfeit oversized vehicle parking permit or permit number is guilty of a misdemeanor.
- H. Overnight Parking Permit Denial. The city may deny the issuance of an oversized vehicle overnight parking permit for up to one year if the City Manager or designee finds that any of the following conditions exist:
1. The applicant or the person the applicant is visiting is not a bona fide resident.
  2. The resident or out-of-town visitor guests of a resident have been issued two or more citations in the same calendar year for either exceeding the allotted 72-hour permit time and/or parking greater than 400 feet from the designated residence or land owned address.
  3. The out-of-town visitor is not a guest of the resident applicant.
  4. An owner of an oversized vehicle has procured any oversized vehicle parking permit through fraud or misrepresentation, for example, the information submitted by the applicant is materially false.
  5. The hotel or motel establishment is issuing oversized vehicle permits to non-paying guests of the commercial establishment and/or the guests are camping in the vehicle rather than residing in the commercial establishment.

(Ord. CS-204 § I, 2013)

#### **§ 10.40.190. Electric vehicle charging stations in public parking areas.**

- A. Definitions. For purposes of this section, the following definitions shall apply unless the context clearly indicates or requires a different meaning:

"Actively charging" means the time during which the connector from the charger at a charging station is inserted into the inlet and electrical power is being transferred for the purpose of recharging the electric vehicle's onboard batteries.

"Battery electric vehicle" means a vehicle fueled entirely by electricity stored in the onboard battery. This type of vehicle is often referred to as a zero emission vehicle.

"Charger" means an electrical component assembly or cluster of component assemblies designed specifically to charge batteries or other energy storage devices within electric vehicles.

"Connected" means the connector of an electric vehicle charging station is inserted into the inlet for an electric vehicle.

"Connector" means a device inserted into the inlet for an electric vehicle that establishes an electrical connection from the charger to the electric vehicle for the purpose of charging and exchanging information.

"Electric vehicle" means either a battery electric vehicle or a plug-in hybrid electric vehicle.

"Electric vehicle charging equipment" means fueling equipment which provides electric energy for the purpose of charging electric vehicles.

"Electric vehicle charging station" means a parking stall or space designated by the city Traffic Engineer or designee in accordance with State Vehicle Code Section 22511 for the exclusive purpose of charging an electric vehicle located on a public street or a publicly owned or operated off-street

parking facility.

"Inlet" means the device on the electric vehicle into which the connector is inserted for charging and information exchange.

"Off-street parking facility" means any publicly or privately owned off-street parking facility held open for use by the public for parking vehicles where no fee is charged for the privilege to park and which are held open for the common public use of retail customers.

"Park or parking" has the same meaning as defined in State Vehicle Code Section 463, as it may be amended from time to time.

"Plug-in hybrid electric vehicle" means a vehicle that is fueled by both a battery and another fuel source, such as a gasoline-powered internal combustion engine. Plug-in hybrid electric vehicles run on electricity from the onboard battery until the battery is exhausted and then switches to an alternate power source.

"Storage garage" has the same meaning as "garage" as defined in State Vehicle Code Section 340, as it may be amended from time to time.

"Vehicle enforcement official" means a peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the State Penal Code, as it may be amended from time to time, or a regularly employed and salaried employee, who is engaged in directing traffic or enforcing parking laws and regulations of the City of Carlsbad.

"Vehicle owner" means the vehicle's registered and legal owners of record, or their agents.

B. Restrictions.

1. It is unlawful to park or leave standing any vehicle in an electric vehicle charging station, unless the vehicle is an electric vehicle that is actively charging as indicated by the electric vehicle charging station monitor display, or unless the connected electric vehicle has not exceeded any applicable parking time limit, whichever duration is greater.
2. It is unlawful to obstruct, block or otherwise bar access to an electric vehicle charging station, unless as otherwise authorized by subsection (B)(1) above.

C. Vehicle Removal and Storage.

1. Removal. Subject to the signage requirements set forth in State Vehicle Code Section 22511, a vehicle enforcement official may remove, or cause to be removed, any vehicle found in violation of this section. The Carlsbad Police Department must be notified in the event of any such vehicle removal.
2. Storage. Any unauthorized vehicle shall be removed to the nearest storage garage.
3. Post-storage notice and hearing.
  - a. Whenever a vehicle enforcement official directs the storage of an unauthorized vehicle as permitted by this section, the vehicle enforcement official shall provide the vehicle owner(s) with the opportunity for a post-storage hearing.
  - b. A notice of the storage shall be mailed or personally delivered to the vehicle owner(s) within 48 hours, excluding weekends and holidays, and shall include all of the following information:

- i. The name, address, and telephone number of the vehicle enforcement official's agency providing the notice.
  - ii. The location of the place of storage and description of the vehicle, which shall include, if available, the name or make, the manufacturer, the license plate number, and the mileage.
  - iii. The authority and purpose for the removal of the vehicle.
  - iv. A statement that, in order to receive their post-storage hearing, the vehicle owner(s) shall request an administrative hearing within 10 days of the date appearing on the notice using a request for hearing form (available on the city's website) and returning it to the office of the City Clerk.
- c. The post-storage hearing shall be conducted within 48 hours of the request, excluding weekends and holidays.
  - d. The post-storage hearing shall be conducted by an administrative hearing officer in accordance with the following provisions:
    - i. The failure of a vehicle owner(s) to appear at the hearing shall constitute a failure to exhaust their administrative remedies.
    - ii. The failure of a vehicle owner(s) to file an appeal shall constitute a waiver of any rights to an administrative determination of the merits of the vehicle storage notice and the amount of any administrative costs and fees.
    - iii. At the hearing, the vehicle owner(s) shall be given the opportunity to testify and to present evidence concerning the vehicle storage notice.
    - iv. The vehicle storage notice and any additional report submitted by the vehicle enforcement officer shall constitute *prima facie* evidence of the respective facts contained in those documents.
    - v. The administrative hearing officer may continue the hearing and request additional information from the vehicle enforcement officer or the vehicle owner(s) prior to issuing a written decision.
    - vi. After considering all of the testimony and evidence submitted at the hearing, the administrative hearing officer shall issue a written decision that lists his/her reasons for upholding or canceling the vehicle storage notice. A written copy of the administrative hearing officer's decision shall be provided to the vehicle owner(s).
    - vii. The administrative hearing officer may assess the city's reasonable administrative costs, including any impound and storage fees and all costs incurred by the city from first discovery of the violations through the appeal process and until compliance is achieved, such as staff time for inspection of the violations, sending notices, and for preparing and attending any appeal hearing.
    - viii. The agency employing the vehicle enforcement official who directed the storage shall be responsible for the costs incurred for removal and storage if it is determined in the post-storage hearing that reasonable grounds for the storage are not established.

- e. The administrative hearing officer's decision is the final administrative remedy without further administrative appeals.
  4. This section does not apply to vehicles abated under the Abandoned Vehicle Abatement Program pursuant to State Vehicle Code Sections 22660 to 22668, inclusive, and Section 22710, or to vehicles impounded for investigation pursuant to State Vehicle Code Section 22655; nor does this section apply to abandoned vehicles removed pursuant to State Vehicle Code Section 22669 that are determined by the public agency to have an estimated value of \$500.00 or less.
- D. Severability. If any subsection, sentence, clause, or phrase of this section is for any reason held to be invalid or unconstitutional by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this section. The City Council hereby declares that it would have adopted this section, and each and every subsection, sentence, clause and phrase thereof not declared invalid or unconstitutional, without regard to whether any portion of the ordinance would be subsequently declared invalid or unconstitutional.

(CS-360 § 2, 2019)

**§ 10.40.300. Parking restricted on Carlsbad Boulevard between Pine Avenue and La Costa Avenue, on Ponto Drive from Ponto Road to the south terminus, and on Ponto Road.**

There will be no parking on each side of Carlsbad Boulevard from Pine Avenue to La Costa Avenue, on each side of Ponto Drive from Ponto Road to the south terminus, and on each side of Ponto Road.  
(Ord. CS-372 § 2, 2020)

**§ 10.40.301. Parking restricted on Armada Drive.**

Parking of vehicles is prohibited between 11:00 p.m. and 5:00 a.m. on the westerly and easterly sides of Armada Drive between Palomar Airport Road and Legoland Drive.  
(Ord. CS-412 § 2, 2022)

**§ 10.40.302. Parking restricted on Surfside Lane and Island Way.**

Parking of vehicles is prohibited between 11:00 p.m. and 5:00 a.m. on both sides of Surfside Lane, north of Island Way and both sides of Island Way, east of Carlsbad Boulevard.  
(Ord. CS-430 § 2, 2022)

**CHAPTER 10.42  
PARKING VIOLATION ENFORCEMENT**

**§ 10.42.010. Parking violation enforcement.**

- A. Enforcement. Every police officer and every city employee charged with enforcement of the provisions of Chapter 10.40, 11.24 or 17.04 of this code relating to illegal parking, the provisions of the California Vehicle Code, and the other laws of the state applicable to parking violations within the city, shall have the duty, when any vehicle is illegally parked, to issue written notice of violation thereof stating the state vehicle license number, the registration expiration date, make and color of such vehicle, the time and date of such illegal parking, street location, a reference to the appropriate section of the code, a time and place for appearance by the registered owner to answer the notice, and the last four digits of the vehicle identification number, if that number is visible through the windshield. The notice shall be attached to the vehicle either under the windshield wiper or in another conspicuous place upon the vehicle as to be easily observed by the person in charge of such vehicle upon the return of that person.
- B. Fees. The parking penalties for parking violations under this chapter shall be established by resolution of the City Council pursuant to Vehicle Code Section 40203.5.
- C. Contesting Notices of Violations—Failure to Pay. The City Council shall establish, by resolution, an administrative review process for contesting notices of parking violations, which complies with the requirements of the vehicle code.

Failure to pay the appropriate fee as provided herein shall result in the filing of an itemization of penalties, administrative and service fees for collection by the Department of Motor Vehicles with the registration of the vehicle pursuant to Vehicle Code Section 4760, or in a civil action against the registered owner if more than \$400.00 in unpaid penalties and fees have accrued, or in any other action allowed by law.

(Ord. 3144 § 1, 1982; Ord. 3150 § 1, 1982; Ord. 3167 § 1, 1984; Ord. 3195 § 1, 1985; Ord. NS-181 § 1, 1991; Ord. NS-248 § 1, 1993)

**§ 10.42.020. Special enforcement unit for disabled parking violations.**

A special enforcement unit is established for the enforcement of violations of state and local disabled parking laws. The members of the special enforcement unit shall be volunteers of the police department and shall be designated by the Chief of Police, subject to the requirements of California Vehicle Code Section 22507.9. The Chief of Police shall also determine the equipment and uniforms to be issued to members of the unit, subject to the requirements of California Vehicle Code Section 22507.9.

Nothing in this section shall preclude city police officers or authorized city employees from engaging in similar enforcement activities.

(Ord. NS-538 § 1, 2000)

**CHAPTER 10.44  
SPEED RESTRICTIONS**

**Article I  
Generally**

**§ 10.44.010. Traffic signal timing.**

The city Traffic Engineer is authorized to regulate the timing of traffic signals so as to permit the movement of traffic in an orderly and safe manner at speeds slightly at variance from the speeds otherwise applicable within the district or at intersections, and shall erect appropriate signs giving notice thereof.

(Ord. 3005 § 81)

## Article II Speed Limits

### **§ 10.44.020. Generally.**

It is determined upon the basis of an engineering and traffic investigation that the speeds hereinafter set forth upon the following streets or portions thereof would facilitate the orderly movement of vehicular traffic upon the streets hereinafter set forth. Accordingly, the prima facie speed limits are set forth upon such streets or portions thereof as follows.

(Ord. 3027 § 2; Ord. 3044 § 1; Ord. 3060 § 1; Ord. 3063 § 2)

### **§ 10.44.030. Carlsbad Boulevard.**

- A. Upon Carlsbad Boulevard from the north boundary of the city to its intersection with State Street, the prima facie speed limit shall be 35 miles per hour.
- B. Upon Carlsbad Boulevard from its intersection with State Street to its intersection with Walnut Avenue, the prima facie speed limit shall be 30 miles per hour.
- C. Upon Carlsbad Boulevard from its intersection with Walnut Avenue to its intersection with Tamarack Avenue, the prima facie speed limit shall be 30 miles per hour.
- D. Upon Carlsbad Boulevard from its intersection with Tamarack Avenue to a point 1,400 feet south of the southerly boundary of the right-of-way of Manzano Drive, for both the southbound and northbound lanes, the prima facie speed limit shall be 35 miles per hour.
- E. Upon the northbound lanes of Carlsbad Boulevard from a point 1,400 feet south of the southerly boundary of the right-of-way of Manzano Drive to Island Way, the prima facie speed limit shall be 50 miles per hour.
- F. Upon the southbound lanes of Carlsbad Boulevard from a point 1,400 feet south of the southerly boundary of the right-of-way of Manzano Drive to Island Way, the prima facie speed limit shall be 45 miles per hour.
- G. Upon Carlsbad Boulevard from Island Way to the south boundary of the city, the prima facie speed limit shall be 50 miles per hour.

(Ord. 3027 § 2; Ord. 3044 § 1; Ord. 3060 § 1; Ord. 3063 § 2; Ord. 3115 § 1, 1979; Ord. NS-85 § 1, 1989; Ord. NS-251 § 1, 1993; Ord. NS-362 § 1, 1996; Ord. NS-888 § 1, 2008; Ord. CS-304 § 1, 2016; Ord. CS-456 § 2, 2023)

### **§ 10.44.040. Chestnut Avenue.**

- A. Upon Chestnut Avenue from Pio Pico Drive to its intersection with El Camino Real, the prima facie speed limit shall be 30 miles per hour.
  - B. Upon Chestnut Avenue from El Camino Real to its intersection with Sierra Morena Avenue, the prima facie speed limit shall be 30 miles per hour.
- (Ord. 3027 § 2; Ord. 3044 § 1; Ord. 3063 § 2; Ord. 3077 §§ 1, 2, 1968; Ord. 3104 § 1, 1976; Ord. NS-649 § 1, 2002; Ord. CS-213, 2013)

### **§ 10.44.050. Jefferson Street.**

The prima facie speed limit on Jefferson Street from its intersection with Grand Avenue to the northerly

city boundary is 35 miles per hour.

(Ord. 3081 §§ 1, 2, 1970; Ord. 3104 § 1, 1976)

#### **§ 10.44.060. El Camino Real.**

- A. Upon El Camino Real from Hosp Way to the south city limit the prima facie speed limit shall be 55 miles per hour.
- B. Upon El Camino Real from the north city limits to Hosp Way the prima facie speed limit shall be 35 miles per hour.

(Ord. 3104 § 1, 1976; Ord. 3192 § 1, 1985; Ord. NS-116 § 1, 1990; Ord. NS-147 § 1, 1991; Ord. NS-359 § 1, 1996)

#### **§ 10.44.070. La Costa Avenue.**

- A. Upon La Costa Avenue from El Camino Real to a point 1,000 feet easterly the prima facie speed limit shall be 35 miles per hour.
- B. Upon La Costa Avenue from a point 1,000 feet easterly of El Camino Real to its intersection with Rancho Santa Fe Road shall be 40 miles per hour.
- C. Upon La Costa Avenue from Rancho Santa Fe Road to its intersection with Camino de Los Coches shall be 45 miles per hour.
- D. Upon La Costa Avenue from Interstate Highway 5 to its intersection with El Camino Real the prima facie speed limit shall be 55 miles per hour.
- E. Upon La Costa Avenue from Camino de Los Coches to Circulo Sequoia the prima facie speed limit shall be 35 miles per hour.

(Ord. 3107, 1977; Ord. 3181, 1984; Ord. NS-114 § 1, 1990; Ord. NS-368 § 1, 1996; Ord. NS-511 § 1, 1999; Ord. CS-165, 2011; Ord. CS-305 § 1, 2016)

#### **§ 10.44.080. Carlsbad Village Drive.**

- A. Upon Carlsbad Village Drive from Pio Pico Drive to its intersection with Highland Drive, the prima facie speed limit shall be 35 miles per hour.
- B. Upon Carlsbad Village Drive from Highland Drive to its intersection with College Boulevard, the prima facie speed limit shall be 40 miles per hour.

(Ord. 3108 § 1, 1977; Ord. 3197 § 1, 1986; Ord. NS-3 § 1, 1988; Ord. NS-410 § 1, 1997; Ord. NS-680 § 1, 2003)

#### **§ 10.44.090. Alga Road.**

Upon Alga Road from El Camino Real to its intersection with Melrose Drive the prima facie speed limit shall be 50 miles per hour.

(Ord. 3131 § 1, 1981; Ord. 3164 § 1, 1983; Ord. 3196 § 1, 1985; Ord. 3217 § 1, 1987; Ord. NS-599 § 1, 2001)

#### **§ 10.44.100. Levante Street.**

- A. Upon Levante Street from Escenico Terrace east to its intersection with La Costa Avenue, the prima

prima facie speed limit shall be 25 miles per hour.

- B. Upon Levante Street from Escenico Terrace west to its intersection with El Camino Real, the prima facie speed limit shall be 35 miles per hour.

(Ord. 3140 § 1, 1981)

**§ 10.44.110. Paseo Del Norte.**

- A. Upon Paseo Del Norte from Cannon Road to its intersection with Car Country Drive, the prima facie speed limit shall be 35 miles per hour.
- B. Upon Paseo Del Norte from Car Country Drive to its intersection with Poinsettia Lane, the prima facie speed limit shall be 40 miles per hour.

(Ord. 3147 § 1, 1982; Ord. 3171 § 1, 1984; Ord. NS-309 § 1, 1995)

**§ 10.44.120. Park Drive.**

Upon Park Drive from Hillside Drive to its intersection with Valencia Avenue, the prima facie speed limit shall be 35 miles per hour.

(Ord. 3156 § 1, 1983; Ord. NS-220 § 1, 1993)

**§ 10.44.130. Marron Road.**

- A. Upon Marron Road from 140 feet east of Avenida de Anita to its intersection with El Camino Real, the prima facie speed limit shall be 35 miles per hour.
- B. Upon Marron Road from El Camino Real to the city limits at Highway 78, the prima facie speed limit shall be 40 miles per hour.

(Ord. 3162 § 1, 1983; Ord. NS-821 § 1, 2006; Ord. NS-867 § 1, 2007)

**§ 10.44.140. Hosp Way.**

Upon Hosp Way from El Camino Real to its intersection with Monroe Street, the prima facie speed limit shall be 30 miles per hour.

(Ord. 3163 § 1, 1983; Ord. NS-202 § 1, 1992)

**§ 10.44.150. Monroe Street.**

Upon Monroe Street from Carlsbad Village Drive to its intersection with Marron Road, the prima facie speed limit shall be 45 miles per hour.

(Ord. 3170 § 1, 1984; Ord. NS-534 § 21, 2000)

**§ 10.44.160. Camino Vida Roble.**

Upon Camino Vida Roble from Palomar Oaks Way to its intersection with El Camino Real the prima facie speed limit shall be 40 miles per hour.

(Ord. 3172 § 1, 1984; Ord. 3191 § 1, 1985; Ord. NS-554 § 1, 2000)

**§ 10.44.170. Palomar Airport Road.**

- A. Upon Palomar Airport Road from Carlsbad Boulevard to its intersection with Paseo Del Norte, the prima facie speed limit shall be 35 miles per hour.

B. Upon Palomar Airport Road from Paseo Del Norte to its intersection with the Price Club signalized intersection (approximately 1,800 feet easterly), the prima facie speed limit shall be 45 miles per hour.

C. Upon Palomar Airport Road from the Price Club signalized intersection to the easterly city limit, the prima facie speed limit shall be 55 miles per hour.

(Ord. 3169 § 1, 1984; Ord. NS-47 § 1, 1988; Ord. NS-67 § 1, 1989; Ord. NS-222 § 1, 1993; Ord. NS-298 § 1, 1994)

#### **§ 10.44.190. Rancho Santa Fe Road.**

A. Upon Rancho Santa Fe Road from the north city limits to its intersection with La Costa Avenue, the prima facie speed limit shall be 55 miles per hour.

B. Upon Rancho Santa Fe Road from La Costa Avenue to its intersection with Olivenhain Road, the prima facie speed limit shall be 50 miles per hour.

C. Upon Rancho Santa Fe Road from Olivenhain Road to the south city limits, the prima facie speed limit shall be 45 miles per hour.

(Ord. 3185 § 1, 1985; Ord. NS-308 § 1, 1995; Ord. NS-820 § 1, 2006)

#### **§ 10.44.200. Cadencia Street.**

Upon Cadencia Street from Del Rey Avenue northerly to a point 500 feet west of Perdiz Street, the prima facie speed limit shall be 35 miles per hour.

(Ord. 3201 § 1, 1986; Ord. NS-7 § 1, 1988; Ord. CS-275, 2015; Ord. CS-440 § 2, 2022)

#### **§ 10.44.210. Alicante Road.**

A. Upon Alicante Road from Alga Road to its intersection with Corte de la Vista, the prima facie speed limit shall be 40 miles per hour.

B. Upon Alicante Road from Alga Road to its intersection with Poinsettia Lane, the prima facie speed limit shall be 40 miles per hour.

C. Upon Alicante Road from Poinsettia Lane to its intersection with Gateway Road, the prima facie speed limit shall be 30 miles per hour.

(Ord. 3203 § 1, 1986; Ord. NS-594 § 1, 2001; Ord. NS-784 § 1, 2006; Ord. NS-865 § 1, 2007; Ord. CS-247, 2014)

#### **§ 10.44.220. El Fuerte Street.**

A. Upon El Fuerte Street from Corte De La Vista to its intersection with Alga Road, the prima facie speed limit shall be 35 miles per hour.

B. Upon El Fuerte Street from Alga Road to its intersection with Palomar Airport Road, the prima facie speed limit shall be 45 miles per hour.

C. Upon El Fuerte Street from Palomar Airport Road to its intersection with Faraday Avenue, the prima facie speed limit shall be 45 miles per hour.

(Ord. 3204 § 1, 1986; Ord. NS-829 § 1, 2007; Ord. CS-013 § 1, 2008)

**§ 10.44.230. Yarrow Drive.**

Upon Yarrow Drive from Palomar Airport Road to its intersection with Camino Vida Roble, the prima facie speed limit shall be 40 miles per hour.

(Ord. 3211 § 1, 1987)

**§ 10.44.240. Melrose Drive.**

Upon Melrose Drive from Rancho Santa Fe Road to the north city limit, the prima facie speed limit shall be 55 miles per hour.

(Ord. 3218 § 1, 1987; Ord. NS-465 § 2, 1998; Ord. NS-832 § 1, 2007)

**§ 10.44.250. Camino de las Ondas.**

Upon Camino de las Ondas from Paseo del Norte to its intersection with Aviara Parkway, the prima facie speed limit shall be 35 miles per hour.

(Ord. 3221 § 1, 1987; Ord. NS-436 § 1, 1997; Ord. CS-233 § 2, 2013)

**§ 10.44.260. Eureka Place.**

Upon Eureka Place from Chestnut Avenue to its intersection with Basswood Avenue, the prima facie speed limit will be 25 miles per hour.

(Ord. 3220 § 1, 1987)

**§ 10.44.270. Pontiac Drive.**

Upon Pontiac Drive from Tamarack Avenue to its intersection with Victoria Avenue, the prima facie speed limit shall be 35 miles per hour.

(Ord. 3226 § 1, 1988)

**§ 10.44.280. Avenida Encinas.**

- A. Upon Avenida Encinas from Carlsbad Boulevard to a point 3,000 feet northerly of Poinsettia Lane, the prima facie speed limit shall be 35 miles per hour.
- B. Upon Avenida Encinas from a point 3,000 feet northerly of Poinsettia Lane to a point 3,500 feet southerly of Palomar Airport Road, the prima facie speed limit shall be 30 miles per hour.

- D. Upon Avenida Encinas from Palomar Airport Road to its intersection with Cannon Road, the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-16 § 1, 1988; Ord. NS-306 § 1, 1995; Ord. NS-408 § 1, 1997; Ord. NS-648 § 1, 2002; Ord. CS-111 § 1, 2010; Ord. CS-233 § 1, 2013; Ord. CS-378 § 1, 2020)

**§ 10.44.290. Hillside Drive.**

Upon Hillside Drive from Highland Drive to its intersection with Neblina Drive, the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-26 § 1, 1988; Ord. NS-644 § 1, 2002)

**§ 10.44.300. Tamarack Avenue.**

- A. Upon Tamarack Avenue from Carlsbad Boulevard to its intersection with Interstate Highway 5, the prima facie speed limit shall be 30 miles per hour.
- B. Upon Tamarack Avenue from Interstate Highway 5 to its intersection with Skyline Road, the prima facie speed limit shall be 30 miles per hour.
- C. Upon Tamarack Avenue from Skyline Road to its intersection with El Camino Real, the prima facie speed limit shall be 35 miles per hour.
- D. Upon Tamarack Avenue from El Camino Real to its intersection with Carlsbad Village Drive, the prima facie speed limit shall be 45 miles per hour.
- E. Upon Tamarack Avenue from Carlsbad Village Drive to its intersection with College Boulevard, the prima facie speed limit shall be 35 miles per hour.
- F. Upon Tamarack Avenue from College Boulevard (south) to its intersection with College Boulevard (north), the prima facie speed limit shall be 30 miles per hour.

(Ord. NS-267 § 1, 1994; Ord. NS-277 § 1, 1994; Ord. NS-706 § 1, 2004; Ord. NS-826 § 1, 2007)

**§ 10.44.310. Pio Pico Drive.**

Upon Pio Pico Drive from Tamarack Avenue to its intersection with Elm Avenue the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-34 § 1, 1988)

**§ 10.44.320. Faraday Avenue.**

- A. Upon Faraday Avenue from College Boulevard to its intersection with Orion Street, the prima facie speed limit shall be 40 miles per hour.
- B. Upon Faraday Avenue from College Boulevard to Cannon Road, the prima facie speed limit shall be 40 miles per hour.
- C. Upon Faraday Avenue from Orion Street to the east city limit, the prima facie speed limit shall be 50 miles per hour.

(Ord. NS-33 § 1, 1988; Ord. NS-357 § 1, 1996; Ord. NS-435 § 1, 1997; Ord. NS-583 § 1, 2001; Ord. CS-007 § 1, 2008; Ord. CS-103 § 1, 2010)

**§ 10.44.330. Aviara Parkway.**

- A. Upon Aviara Parkway from Poinsettia Lane to its intersection with El Camino Real, the prima facie speed limit shall be 40 miles per hour.
  - B. Upon Aviara Parkway from Poinsettia Lane to its intersection with Palomar Airport Road, the prima facie speed limit shall be 45 miles per hour.
- (Ord. NS-146 § 1, 1991; Ord. NS-581 § 1, 2002)

**§ 10.44.340. Calle Barcelona.**

- A. Upon Calle Barcelona from El Camino Real to its intersection with Rancho Santa Fe Road, the prima facie speed limit shall be 45 miles per hour.

- B. Upon Calle Barcelona from Rancho Santa Fe Road to its intersection with Calle Acervo, the prima facie speed limit shall be 30 miles per hour.

(Ord. NS-94 § 1, 1989; Ord. NS-331 § 1, 1995; Ord. NS-512 § 1, 1999)

#### **§ 10.44.350. College Boulevard.**

- A. Upon College Boulevard from Palomar Airport Road to its intersection with El Camino Real, the prima facie speed limit shall be 50 miles per hour.
- B. Upon College Boulevard, from Cannon Road to the north city limit, the prima facie speed limit shall be 45 miles per hour.

(Ord. NS-102 § 1, 1990; Ord. NS-578 § 1, 2001; Ord. NS-731 § 1, 2004)

#### **§ 10.44.360. Poinsettia Lane.**

- A. Upon Poinsettia Lane from Carlsbad Boulevard to its intersection with Paseo del Norte the prima facie speed limit shall be 35 miles per hour.
- B. Upon Poinsettia Lane from Paseo del Norte to its intersection with Cassia Road the prima facie speed limit shall be 50 miles per hour.
- C. Upon Poinsettia Lane from Cassia Road to its intersection with El Camino Real the prima facie speed limit shall be 45 miles per hour.
- D. Upon Poinsettia Lane from El Camino Real to its intersection with Melrose Drive the prima facie speed limit shall be 50 miles per hour.

(Ord. NS-145 § 1, 1991; Ord. NS-523 § 1, 1999; Ord. NS-773 § 1, 2005; Ord. CS-033 § 1, 2009; Ord. CS-097 § 1, 2010; Ord. CS-401 § 2, 2021)

#### **§ 10.44.370. Car Country Drive.**

Upon Car Country Drive from Cannon Road to its intersection with Paseo Del Norte the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-162 § 1, 1991)

#### **§ 10.44.380. Cannon Road.**

- A. Upon Cannon Road from Carlsbad Boulevard to its intersection with Paseo del Norte, the prima facie speed limit shall be 35 miles per hour.
- B. Upon Cannon Road from Paseo del Norte to its intersection with El Camino Real, the prima facie speed limit shall be 50 miles per hour.
- C. Upon Cannon Road from El Camino Real to its intersection with College Boulevard, the prima facie speed limit shall be 50 miles per hour.

(Ord. NS-187 § 1, 1991; Ord. NS-429 § 1, 1997; Ord. NS-564 § 1, 2000; Ord. NS-674 § 1, 2003; Ord. NS-732 § 1, 2004)

#### **§ 10.44.390. Gibraltar Street.**

Upon Gibraltar Street from La Costa Avenue to its terminus 0.1 miles easterly of Romeria Street the prima facie speed limit shall be 25 miles per hour.

(Ord. NS-215 § 1, 1992)

**§ 10.44.400. Romeria Street.**

Upon Romeria Street from La Costa Avenue to its intersection with Gibraltar Street the prima facie speed limit shall be 25 miles per hour.

(Ord. NS-215 § 1, 1992)

**§ 10.44.410. Viejo Castilla Way.**

Upon Viejo Castilla Way from La Costa Avenue to its intersection with Navarra Drive the prima facie speed limit shall be 25 miles per hour.

(Ord. NS-215 § 1, 1992)

**§ 10.44.420. Estrella De Mar Road.**

A. Upon Estrella De Mar Road from Alga Road to its intersection with Costa Del Mar Road, the prima facie speed limit shall be 25 miles per hour.

B. Upon Estrella De Mar Road from Alga Road to 675 feet north of Beryl Way, the prima facie speed limit shall be 30 miles per hour.

(Ord. NS-215 § 1, 1992; Ord. CS-341 § 1, 2018)

**§ 10.44.430. Corintia Street.**

Upon Corintia Street from Alga Road to its intersection with Socorro Land the prima facie speed limit shall be 25 miles per hour.

(Ord. NS-215 § 1, 1992)

**§ 10.44.440. Grand Avenue.**

Upon Grand Avenue from Ocean Street to its terminus at Interstate Highway 5, the prima facie speed limit shall be 25 miles per hour.

(Ord. NS-252 § 1, 1993)

**§ 10.44.450. Rutherford Road.**

Upon Rutherford Road from Faraday Avenue to its terminus at Priestly Drive, the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-276 § 1, 1994)

**§ 10.44.460. Loker Avenue West.**

Upon Loker Avenue West from Palomar Airport Road to its intersection with El Fuerte Street, the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-281 § 1, 1994; Ord. CS-140, 2011; Ord. CS-233 § 4, 2013)

**§ 10.44.470. Loker Avenue East.**

Upon Loker Avenue East from El Fuerte Street to its intersection with Palomar Airport Road, the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-280 § 1, 1994; Ord. CS-140, 2011; Ord. CS-233 § 5, 2013)

**§ 10.44.480. Chatham Road.**

Upon Chatham Road from Carlsbad Village Drive to its intersection with Tamarack Avenue, the prima facie speed limit shall be 25 miles per hour.

(Ord. NS-295 § 1, 1994)

**§ 10.44.490. Xana Way.**

Upon Xana Way from Alga Road to its intersection with Unicornio Street, the prima facie speed limit shall be 25 miles per hour.

(Ord. NS-318 § 1, 1995)

**§ 10.44.500. Camino De Los Coches.**

Upon Camino De Los Coches from Rancho Santa Fe Road to its intersection with La Costa Avenue, the prima facie speed limit shall be 40 miles per hour.

(Ord. NS-325 § 1, 1995)

**§ 10.44.510. Calle Acervo.**

Upon Calle Acervo from Camino De Los Coches to its intersection with Rancho Santa Fe Road, the prima facie speed limit shall be 30 miles per hour.

(Ord. NS-338 § 1, 1995; Ord. NS-404 § 1, 1997)

**§ 10.44.520. Batiquitos Drive.**

A. Upon Batiquitos Drive from Aviara Parkway to its intersection with Golden Star Lane, the prima facie speed limit shall be 40 miles per hour.

B. Upon Batiquitos Drive from Golden Star Lane to its intersection with Poinsettia Lane, the prima facie speed limit shall be 40 miles per hour.

C. Upon Batiquitos Drive from Poinsettia Lane to its intersection with Camino de las Ondas, the prima facie speed limit shall be 30 miles per hour.

(Ord. NS-403 § 1, 1997; Ord. NS-419 § 1, 1997; Ord. NS-462 § 1, 1998; Ord. CS-108 § 1, 2010; Ord. CS-230, 2013)

**§ 10.44.530. Kestrel Drive.**

Upon Kestrel Drive from Batiquitos Drive to its intersection with Aviara Parkway, the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-405 § 1, 1997; Ord. NS-652 § 1, 2002)

**§ 10.44.540. Armada Drive.**

Upon Armada Drive from Palomar Airport Road to its intersection with LEGOLAND Drive, the prima facie speed limit shall be 40 miles per hour.

(Ord. NS-428 § 1, 1997; Ord. NS-866 § 1, 2007)

**§ 10.44.550. Paseo Candelero.**

Upon Paseo Candelero from Alicante Road to its intersection with Alga Road, the prima facie speed limit

shall be 30 miles per hour.  
(Ord. NS-443 § 1, 1998)

**§ 10.44.560. Las Flores Drive.**

Upon Las Flores Drive from Jefferson Street to its intersection with Highland Drive, the prima facie speed limit shall be 30 miles per hour.  
(Ord. NS-447 § 1, 1998)

**§ 10.44.570. Hidden Valley Road.**

Upon Hidden Valley Road from Camino de las Ondas to its intersection with Palomar Airport Road, the prima facie speed limit shall be 35 miles per hour.  
(Ord. NS-451 § 1, 1998; Ord. CS-233 § 3, 2013)

**§ 10.44.580. Laguna Drive.**

Upon Laguna Drive from State Street to its intersection with Jefferson Street, the prima facie speed limit shall be 30 miles per hour.  
(Ord. NS-457 § 1, 1998)

**§ 10.44.590. Adams Street.**

Upon Adams Street from Chinquapin Avenue to its intersection with Park Drive, the prima facie speed limit shall be 25 miles per hour.  
(Ord. NS-493 § 1, 1999)

**§ 10.44.600. Jackspar Drive.**

Upon Jackspar Drive from Camino Hills Drive to its intersection with El Camino Real, the prima facie speed limit shall be 35 miles per hour.  
(Ord. NS-504 § 1, 1999)

**§ 10.44.610. Camino Hills Drive.**

Upon Camino Hills Drive from Faraday Avenue to its intersection with Browning Road, the prima facie speed limit shall be 35 miles per hour.  
(Ord. NS-503 § 1, 1999)

**§ 10.44.620. Calle Timito Drive.**

Upon Calle Timito Drive from Camino de los Coches to its intersection with La Costa Avenue, the prima facie speed limit shall be 30 miles per hour.  
(Ord. NS-513 § 1, 1999)

**§ 10.44.630. Anillo Way.**

Upon Anillo Way from Levante Street to its intersection with Madrilena Way the prima facie speed limit shall be 35 miles per hour.  
(Ord. NS-522 § 1, 1999)

**§ 10.44.640. Paseo Aliso.**

Upon Paseo Aliso from Olivenhain Road to its intersection with Camino Robledo the prima facie speed limit shall be 25 miles per hour.

(Ord. NS-548 § 1, 2000)

**§ 10.44.650. Windrose Circle.**

Upon Windrose Circle from Avenida Encinas to its intersection with Navigator Circle (S)/Capstan Drive the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-550 § 1, 2000)

**§ 10.44.660. Rancho Bravado.**

Upon Rancho Bravado from Melrose Drive to its intersection with Paseo Monona, the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-566 § 1, 2000)

**§ 10.44.670. Gabbiano Lane.**

Upon Gabbiano Lane from Batiquitos Drive to its terminus, the prima facie speed limit shall be 30 miles per hour.

(Ord. NS-614 § 1, 2001)

**§ 10.44.680. Black Rail Road.**

Upon Black Rail Road from Aviara Parkway to its intersection with Poinsettia Lane, the prima facie speed limit shall be 40 miles per hour.

(Ord. NS-621 § 1, 2002; Ord. CS-310 § 2, 2016)

**§ 10.44.690. Ambrosia Lane.**

A. Upon Ambrosia Lane from Aviara Parkway to its intersection with Conosa Way, the prima facie speed limit shall be 35 miles per hour.

B. Upon Ambrosia Lane from Conosa Way to its intersection with Poinsettia Lane, the prima facie speed limit shall be 40 miles per hour.

(Ord. NS-628 § 1, 2002)

**§ 10.44.700. Cassia Road.**

Upon Cassia Road from Poinsettia Lane to its intersection with El Camino Real, the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-656 § 1, 2003)

**§ 10.44.710. Woodstock Street.**

Upon Woodstock Street from Glasgow Drive to its intersection with Lancaster Road, the prima facie speed limit shall be 25 miles per hour.

(Ord. NS-695 § 1, 2004)

**§ 10.44.720. Middleton Drive.**

Upon Middleton Drive from Glasgow Drive to its intersection with Woodstock Street, the prima facie speed limit shall be 25 miles per hour.

(Ord. NS-694 § 1, 2004)

**§ 10.44.730. Paseo Acampo.**

Upon Paseo Acampo from Rancho Bravado to its intersection with Paseo Hermosa, the prima facie speed limit shall be 25 miles per hour.

(Ord. NS-698 § 1, 2004)

**§ 10.44.740. Paseo Avellano.**

Upon Paseo Avellano from Calle Barcelona to its intersection with Segovia Way, the prima facie speed limit shall be 30 miles per hour.

(Ord. NS-771 § 1, 2005)

**§ 10.44.750. Glasgow Drive.**

Upon Glasgow Drive from Edinburgh Drive to its intersection with Carlsbad Village Drive, the prima facie speed limit shall be 30 miles per hour.

(Ord. NS-795 § 1, 2006)

**§ 10.44.760. Aston Avenue.**

Upon Aston Avenue from College Boulevard to its intersection with Rutherford Road, the prima facie speed limit shall be 40 miles per hour.

(Ord. NS-804 § 1, 2006)

**§ 10.44.770. Camino Junipero.**

Upon Camino Junipero from Rancho Santa Fe Road to its intersection with Paseo Encino, the prima facie speed limit shall be 45 miles per hour.

(Ord. NS-812 § 1, 2006; Ord. CS-303 § 1, 2016)

**§ 10.44.780. Palomar Oaks Way.**

Upon Palomar Oaks Way from Palomar Airport Road to its northerly terminus, the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-825 § 1, 2007)

**§ 10.44.790. Dove Lane.**

Upon Dove Lane from Moorhen Place to its intersection with El Camino Real, the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-845 § 1, 2007)

**§ 10.44.800. Impala Drive.**

Upon Impala Drive from Palmer Way to Orion Street, the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-854 § 1, 2007)

**§ 10.44.810. Palmer Way.**

Upon Palmer Way from Faraday Avenue to Cougar Drive, the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-853 § 1, 2007)

**§ 10.44.820. Town Garden Road.**

Upon Town Garden Road from El Camino Real to Alicante Road, the prima facie speed limit shall be 40 miles per hour.

(Ord. NS-857 § 1, 2007)

**§ 10.44.830. Gateway Road.**

Upon Gateway Road from El Camino Real to its intersection with El Fuerte Street, the prima facie speed limit shall be 35 miles per hour.

(Ord. NS-864 § 1, 2007; Ord. CS-440 § 3, 2022)

**§ 10.44.840. Eagle Drive.**

Upon Eagle Drive from Palomar Airport Road to its intersection with Lionshead Avenue, the prima facie speed limit shall be 35 miles per hour.

(Ord. CS-006 § 1, 2008)

**§ 10.44.850. Lionshead Avenue.**

Upon Lionshead Avenue from Melrose Drive to the east city limit, the prima facie speed limit shall be 50 miles per hour.

(Ord. CS-008 § 1, 2008)

**§ 10.44.860. The Crossings Drive.**

Upon The Crossings Drive from Palomar Airport Road to its northerly terminus, the prima facie speed limit shall be 40 miles per hour.

(Ord. CS-014 § 1, 2008)

**§ 10.44.870. Corte de la Vista.**

Upon Corte de la Vista from the Alicante Road/El Fuerte Street intersection to its terminus, the prima facie speed limit shall be 35 miles per hour.

(Ord. CS-019 § 1, 2008)

**§ 10.44.871. Hummingbird Road.**

Upon Hummingbird Road from Batiquitos Drive to Rock Dove Street, the prima facie speed limit shall be 30 miles per hour.

(Ord. CS-267 § 1, 2015)

CHAPTER 10.48  
**TRAINS**

**§ 10.48.010. Not to block streets.**

No person shall operate any train or train of cars, or permit the same to remain standing, so as to block the movement of traffic upon any street for a period of time longer than five minutes.  
(Ord. 3005 § 79)

**CHAPTER 10.52  
ABANDONED VEHICLES**

**§ 10.52.010. General—Definitions.**

- A. In addition to and in accordance with the determination made and the authority granted by the state under Section 22660 of the Vehicle Code to remove abandoned, wrecked, dismantled or inoperative vehicles or parts thereof as public nuisances, the City Council makes the following findings and declarations:

The accumulation and storage of abandoned, wrecked, dismantled or inoperative vehicles or parts thereof on private or public property not including highways is hereby found to create a condition tending to reduce the value of private property, to promote blight and deterioration, to invite plundering, to create fire hazards, to constitute an attractive nuisance creating a hazard to the health and safety of minors, to create a harborage for rodents and insects and to be injurious to the health, safety and general welfare. Therefore, the presence of an abandoned, wrecked, dismantled or inoperative vehicle or parts thereof, on private or public property not including highways, except as expressly hereinafter permitted, is a public nuisance which may be abated as such in accordance with the provisions of this chapter.

- B. As used in this chapter:

"Vehicle" means a device by which any person or property may be propelled, moved or drawn upon a highway, except a device moved by human power or used exclusively upon stationary rails or tracks.

"Highway" means a way or place of whatever nature, publicly maintained and open to the use of the public for purposes of vehicular travel. "Highway" includes street.

"Public property" does not include "highway."

"Owner of the land" means the owner of the land on which the vehicle, or parts thereof, is located, as shown on the last equalized assessment roll.

"Owner of the vehicle" means the last registered owner and legal owner of record.

"City" means the City of Carlsbad.

(Ord. 5042 § 1, 1968; Ord. 3101 § 1, 1975)

**§ 10.52.020. When chapter not applicable.**

This chapter shall not apply to:

- A. A vehicle or part thereof which is completely enclosed within a building in a lawful manner where it is not visible from the street or other public or private property; or
- B. A vehicle or part thereof which is stored or parked in a lawful manner on private property in connection with the business of a licensed dismantler, licensed vehicle dealer, a junk dealer, or when such storage or parking is necessary to the operation of a lawfully conducted business or commercial enterprise.

Nothing in this section shall authorize the maintenance of a public or private nuisance as defined under provisions of law other than Chapter 10 commencing with Section 22650 of Division 11 of the Vehicle Code and this chapter.

(Ord. 5042 § 2, 1968)

**§ 10.52.030. Intent of chapter.**

This chapter is not the exclusive regulation of abandoned, wrecked, dismantled or inoperative vehicles within the city. It shall supplement and be in addition to the other regulatory codes, statutes, and ordinances heretofore or hereafter enacted by the city, the state, or any other legal entity or agency having jurisdiction. (Ord. 5042 § 3, 1968)

**§ 10.52.040. Administration—Enforcement.**

- A. Except as otherwise provided herein, the provisions of this chapter shall be administered and enforced by the City Manager or some other regularly salaried full-time employee of the city designated by the City Manager as his or her representative. The removal of vehicles or parts thereof from property may be by any duly authorized person. Any such authorized person may enter upon private property for the purposes specified in this chapter to examine a vehicle or parts thereof, obtain information as to the identity of a vehicle, and remove or cause the removal of a vehicle or part thereof declared to be a nuisance pursuant to this chapter.
- B. Wherever the term "City Manager" is used in this chapter, it includes any such person or public entity as the City Council may, by resolution, designate. In accord with Section 22665 of the Vehicle Code, the City Council may, by resolution, request the California Highway Patrol to administer this chapter. (Ord. 5042 § 4, 1967; Ord. 3101 § 1, 1975; Ord. 5052 § 1, 1977)

**§ 10.52.050. Franchises.**

When the City Council has contracted with or granted a franchise to any person or persons, such person or persons shall be authorized to enter upon private property or public property to remove or cause the removal of a vehicle or parts thereof declared to be a nuisance pursuant to this chapter. (Ord. 5042 § 5, 1968)

**§ 10.52.060. Administrative costs.**

The City Council shall from time to time determine and fix an amount to be assessed as administrative costs (excluding the actual cost of removal of any vehicle or part thereof) under this chapter. (Ord. 5042 § 6, 1968)

**§ 10.52.065. City Manager—Authority to abate.**

Upon discovering the existence of an abandoned, wrecked, dismantled or inoperative vehicle, or parts thereof, on private property or public property within the city, the City Manager shall have the authority to cause the abatement and removal thereof in accordance with the procedure prescribed in this chapter. (Ord. 3101 § 2, 1975)

**§ 10.52.070. Notice.**

A 10-day notice of intention to abate and remove the vehicle, or parts thereof, as a public nuisance shall be mailed by registered or certified mail to the owner of the land and to the owner of the vehicle, unless the vehicle is in such condition that identification numbers are not available to determine ownership. The notices of intention shall be in substantially the following forms:

NOTICE OF INTENTION TO ABATE AND REMOVE AN ABANDONED, WRECKED,  
DISMANTLED OR INOPERATIVE VEHICLE OR PARTS THEREOF AS A PUBLIC NUISANCE

(Name and address of owner of the land)

As owner shown on the last equalized assessment roll of the land located at (address), you are hereby notified that the undersigned has determined that there exists upon said land an (or parts of an) abandoned, wrecked, dismantled or inoperative vehicle registered to \_\_\_\_\_, license number \_\_\_\_\_ which constitutes a public nuisance pursuant to the provisions of Chapter 10.52 of the Carlsbad Municipal Code.

You are hereby notified to abate said nuisance by the removal of said vehicle (or said parts of a vehicle) within 10 days from the date of mailing of this notice, and upon your failure to do so the same will be abated and removed by the City and the costs thereof, together with administrative costs, assessed to you as owner of the land on which said vehicle (or said parts of a vehicle) is located.

As owner of the land on which said vehicle (or said parts of a vehicle) is located, you are hereby notified that you may, within 10 days after the mailing of this notice of intention, request a public hearing and if such a request is not received by the City Council within such 10-day period, the City Manager shall have the authority to abate and remove said vehicle (or said parts of a vehicle) as a public nuisance and assess the costs as aforesaid without a public hearing. You may submit a sworn written statement within such 10-day period denying responsibility for the presence of said vehicle (or said parts of a vehicle) on said land, with your reasons for denial, and such statement shall be construed as a request for hearing at which your presence is not required. You may appear in person at any hearing requested by you or the owner of the vehicle or, in lieu thereof, may present a sworn written statement as aforesaid in time for consideration at such hearing.

Notice Mailed \_\_\_\_\_  
(date)

s/  
\_\_\_\_\_  
City Manager, City of Carlsbad.

NOTICE OF INTENTION TO ABATE AND REMOVE AN ABANDONED, WRECKED,  
DISMANTLED OR INOPERATIVE VEHICLE OR PARTS THEREOF AS A PUBLIC NUISANCE

(Name and address of last registered and/or legal owner of record of vehicle—notice should be given to both if different.)

As last registered (and/or legal) owner of record of (description of vehicle—make, model, license, etc.) you are hereby notified that the undersigned has determined that said vehicle (or parts of a vehicle) exists as an abandoned, wrecked, dismantled or inoperative vehicle at (describe location on public or private property) and constitutes a public nuisance pursuant to the provisions of Chapter 10.52 of the Carlsbad Municipal Code.

You are hereby notified to abate said nuisance by the removal of said vehicle (or said parts of a vehicle) within 10 days from the date of mailing of this notice.

As registered (and/or legal) owner of record of said vehicle (or said parts of a vehicle), you are hereby notified that you may, within 10 days after the mailing of this notice of intention, request a public hearing and if such a request is not received by the City Council within such 10-day period, the City Manager shall have the authority to abate and remove said vehicle (or said parts of a vehicle) without a hearing.

Notice Mailed \_\_\_\_\_  
(date)

s/

\_\_\_\_\_  
City Manager, City of Carlsbad.

(Ord. 5042 § 7, 1968; Ord. 3101 § 1, 1975)

**§ 10.52.080. Hearing notice to be given to highway patrol.**

Notice of hearing shall also be given to the California Highway Patrol identifying the vehicle or part thereof proposed for removal, such notice to be mailed at least 10 days prior to the public hearing.

(Ord. 5042 § 8, 1968)

**§ 10.52.085. Request for hearing.**

- A. Upon request by the owner of the vehicle or owner of the land received by the City Council within 10 days after the mailing of the notices of intention to abate and remove, a public hearing shall be held by the City Council on the question of abatement and removal of the vehicle or parts thereof as an abandoned, wrecked, dismantled or inoperative vehicle, and the assessment of the administrative costs and the cost of removal of the vehicle or parts thereof against the property on which it is located.
- B. If the owner of the land submits a sworn written statement denying responsibility for the presence of the vehicle on his or her land within such 10-day period, the statement shall be construed as a request for a hearing which does not require the owner's presence. Notice of the hearing shall be mailed, by registered or certified mail, at least 10 days before the hearing to the owner of the land and to the owner of the vehicle, unless the vehicle is in such condition that identification numbers are not available to determine ownership. If such a request for hearing is not received within 10 days after mailing of the notice of intention to abate and remove, the city shall have the authority to abate and remove the vehicle or parts thereof as a public nuisance without holding a public hearing.

(Ord. 3101 § 2, 1975)

**§ 10.52.090. Hearing procedure—Determination.**

All hearings under this chapter shall be held before the City Council which shall hear all facts and testimony it deems pertinent. The facts and testimony may include testimony on the condition of the vehicle or part thereof and the circumstances concerning its location on the said private property or public property. The City Council shall not be limited by the technical rules of evidence. The owner of the land on which the vehicle is located may appear in person at the hearing or present a written statement in time for consideration at the hearing, and deny responsibility for the presence of the vehicle on the land, with his or her reasons for such denial.

The City Council may impose such conditions and take such other action as it deems appropriate under the circumstances to carry out the purpose of this chapter. It may delay the time for removal of the vehicle or part thereof if, in its opinion, the circumstances justify it. At the conclusion of the public hearing, the City Council may find that a vehicle or part thereof has been abandoned, wrecked, or dismantled, or is inoperative on private or public property and order the same removed from the property as a public nuisance and disposed of as provided in Section 10.52.100, and determine the administrative costs and the cost of removal to be charged against the owner of the parcel of land on which the vehicle or part thereof is located. The order requiring removal shall include a description of the vehicle or part thereof and the correct identification number and license number of the vehicle, if available at the site.

If it is determined at the hearing that the vehicle was placed on the land without the consent of the land owner and that he or she has not subsequently acquiesced in its presence, the City Council shall not assess

costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise attempt to collect such costs from such land owner.

If an interested party makes a written presentation to the City Council but does not appear, he or she shall be notified in writing of the decision.

(Ord. 5042 § 9, 1968)

**§ 10.52.100. Disposal of vehicle declared nuisance.**

Five days after adoption of the order declaring the vehicle or parts thereof to be a public nuisance, and five days from the date of mailing of the notice of the decision if such notice is required by Section 10.52.090, the vehicles or parts thereof may be disposed of by removal to a scrapyard, automobile dismantler's yard, or any suitable site operated by a local authority or any other final disposition consistent with Subsection (e) of Section 22661 of the Vehicle Code. After a vehicle has been removed it shall not thereafter be reconstructed or made operable unless it is a vehicle which qualifies for either horseless carriage license plates or historical vehicle license plates, pursuant to Section 5004 of the Vehicle Code, in which case the vehicle may be reconstructed or made operable.

(Ord. 5042 § 10, 1968; Ord. 5052 § 1, 1977)

**§ 10.52.110. Notification to be given to Department of Motor Vehicles.**

Within five days after the date of removal of the vehicle or part thereof, notice shall be given to the Department of Motor Vehicles identifying the vehicle or part thereof removed. At the same time there shall be transmitted to the Department of Motor Vehicles any evidence of registration available, including registration certificates, certificates of title and license plates.

(Ord. 5042 § 11, 1968)

**§ 10.52.120. Nonpayment of removal costs—Assessment against land.**

If the administrative costs and the cost of removal which are charged against the owner of a parcel of land pursuant to Section 10.52.090 are not paid within 30 days of the date of the order, such costs shall be assessed against the parcel of land pursuant to Section 38773.5 of the Government Code and shall be transmitted to the tax collector for collection. The assessment shall have the same priority as other city taxes.

(Ord. 5042 § 12, 1968)

**§ 10.52.125. Summary abatement procedure.**

- A. The notice of intention to abate and remove a vehicle or part thereof need not be given if:
  1. The vehicle or part thereof is located upon a parcel of land zoned for agricultural use or not improved with a residential structure containing one or more dwelling units; and
  2. The property owner and owner of the vehicle have signed releases authorizing removal and waiving any further interest in the vehicle or part thereof; or
  3. The vehicle or part thereof is inoperable due to the absence of a motor, transmission, or wheels and incapable of being towed, is valued at less than \$200.00 by a person designated by Section 22855 of the State Vehicle Code, is determined by the City Council to be a public nuisance presenting an immediate threat to public health or safety, and the property owner has signed a release authorizing removal and waiving any further interest in the vehicle or part thereof. Prior to final disposition of the vehicle or part thereof, the City Manager shall give the notice specified

in Section 22661(c) of the State Vehicle Code.

- B. If the owner of the property or vehicle desires a hearing pursuant to this chapter the request therefor shall be filed at the time of signing the release provided for in this section.

(Ord. 3166 § 1, 1984)

**§ 10.52.130. Unlawful and an infraction to abandon, park, store or leave vehicle in excess of three days.**

It is unlawful for any person to abandon, park, store, or leave or permit the abandonment, parking, storing or leaving of any licensed or unlicensed vehicle or part thereof, which is in an abandoned, wrecked, dismantled or inoperative condition upon any private property or public property within the city for a period in excess of three days, unless such vehicle or part thereof is completely enclosed within a building in a lawful manner, where it is not plainly visible from the street or other public or private property, or unless such vehicle is stored or parked in a lawful manner on a private property in connection with the business of a licensed dismantler, licensed vehicle dealer or a junkyard.

(Ord. 5062 § 1, 1981; Ord. NS-35 § 1, 1988)

**§ 10.52.140. Unlawful and an infraction not to remove vehicle or abate nuisance.**

- A. It is unlawful for any person to fail or refuse to remove an abandoned, wrecked, dismantled or inoperative vehicle or part thereof, or refuse to abate such nuisance when ordered to do so in accordance with the abatement provisions of this chapter, or state law where such state law is applicable.

- B. Violations shall be punished according to the provisions of Section 1.08.010 of this code.

(Ord. 5062 § 1, 1981)

## CHAPTER 10.56 OPERATION OF REGULATED MOBILITY DEVICES

### **§ 10.56.010. Definitions.**

"Bicycle" has the same meaning as in California Vehicle Code Section 231, as it may be amended from time to time.

"Electric bicycle" has the same meaning as in California Vehicle Code Section 312.5, as it may be amended from time to time.

"Electric personal assistive mobility device" has the same meaning as in California Vehicle Code Section 313, as it may be amended from time to time.

"Electrically motorized boards" has the same meaning as in California Vehicle Code Section 313.5, as it may be amended from time to time.

"Low speed vehicle" has the same meaning as in California Vehicle Code Section 385.5, as it may be amended from time to time.

"Motorized scooter" has the same meaning as in California Vehicle Code Section 407.5, as it may be amended from time to time.

"Operator" means a person who owns, operates, and/or controls a regulated mobility device.

"Public area" means any outdoor area that is open to the members of the public for public use, whether owned or operated by the city or a private party.

"Regulated mobility device" means a bicycle, electric bicycle, electric personal assistive mobility device, electrically motorized board, low-speed vehicle, motorized scooter, shared mobility device, and any other similar vehicle.

"Rider" means a traveler riding in or on a regulated mobility device who is not operating it.

"Shared mobility device" has the same meaning as in California Civil Code Section 2505, as it may be amended from time to time.

"Vehicle" has the same meaning as in California Vehicle Code Section 670, as it may be amended from time to time.

(Ord. CS-419 § 2, 2022)

### **§ 10.56.020. Operation of regulated mobility devices.**

- A. Prohibition of Regulated Mobility Devices Where Posted. It is prohibited to operate or ride on a regulated mobility device in public areas where such prohibition is posted by signs or as otherwise set forth in this chapter. A list of public locations where regulated mobility devices are prohibited shall be on file in the City Clerk's office. The list may be amended from time to time by resolution of the City Council.
- B. No Operating or Riding on Sidewalks and Public Facilities. No person shall operate or ride a regulated mobility device upon any sidewalk, in any public drainage facility, culvert, ditch, channel, or any other public athletic/sports court, or gymnasium in the city.
- C. Duty to Operate with Due Care, Reduce Speed.
  1. The operator of a regulated mobility device shall exercise all due care and shall reduce the speed of the device, obey all traffic control devices, and take all other action relating to operation of

the device as necessary to safeguard the operator, passengers, and any persons or other vehicles or devices in the immediate area. It shall also be unlawful to transport any other person upon the bar, handle bars, floorboard or other area of regulated mobility device not designed for passenger riding or designed for a single person, or cling to or attach oneself or one's regulated mobility device with an operator or rider on board to any moving vehicle or motorized or non-motorized wheeled device.

2. Persons operating or riding a regulated mobility device on a city trail must dismount the regulated mobility device where the trail width is less than five feet and a pedestrian or equine is within a distance of 50 feet from the regulated mobility device.

(Ord. 3062 § 8; Ord. NS-151 § 1, 1991; Ord. CS-139 § 1, 2011; Ord. CS-419 § 2, 2022)

#### **§ 10.56.030. Enforcement.**

In lieu of a fine or administrative citation as authorized by this code, and in lieu of filing charges in any court having jurisdiction over a violation, the Police Chief or designee may allow a violator of this chapter to complete a police department provided safety course for regulated mobility devices.

(Ord. 3062 § 11; Ord. 3064 § 3; Ord. CS-419 § 2, 2022)

#### **§ 10.56.040. Exemptions.**

- A. Public Agency Personnel. Notwithstanding any other provision of this chapter, or any other section of this code, city and public agency personnel may operate regulated mobility devices or other vehicles at any place in the city in the performance of their official duties.
- B. Disability. This chapter is not intended to apply to or otherwise restrict regulated mobility devices used in a safe manner by physically disabled persons as defined under the Americans with Disabilities Act (42 U.S.C. Section 12101 et seq.).

(Ord. CS-419 § 2, 2022)

#### **§ 10.56.050. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision will not affect the validity of the remaining portions of this chapter or the application of the chapter to persons or circumstances not similarly situated.

(Ord. CS-419 § 2, 2022)

**CHAPTER 10.58**  
**SKATEBOARDING, INLINE SKATES, ROLLER SKATES, TOY VEHICLE, COASTER, AND**  
**SIMILAR FORMS OF TRANSPORTATION**

**Note: Prior ordinance history: Ord. Nos. 3143, NS-246, NS-339, and NS-475.**

**§ 10.58.010. Skateboarding, inline skates, roller skates, toy vehicle, coaster, and similar forms of transportation prohibited in commercial zone.**

It is unlawful for any person to ride a skateboard, inline skates, roller skates, toy vehicle, coaster or any other similar form of transportation on private property open to the public in a general commercial zone, a neighborhood commercial zone, or in a tourist commercial zone where signs prohibiting such activity are posted by the owner of the property.

(Ord. CS-139 § 2, 2011)

**§ 10.58.015. Skateboarding, inline skates, roller skates, toy vehicle, coaster, and similar forms of transportation prohibited on school grounds.**

It is unlawful for any person to ride a skateboard, inline skates, roller skates, toy vehicle, coaster or any other similar form of transportation on public school property located within the City of Carlsbad when the school district has enacted a policy prohibiting such activities and posted signs on school grounds.

(Ord. CS-139 § 2, 2011)

**§ 10.58.020. Skateboarding, coaster, and similar forms of transportation prohibited in Carlsbad village area.**

It is unlawful for any person to ride a skateboard, coaster or any other similar form of transportation at the following locations:

On any sidewalk, public street, public parking lot or public property in the Carlsbad village area as shown on the map labeled Exhibit A and found on file in the City Clerk's office.

(Ord. CS-139 § 2, 2011)

**§ 10.58.025. Skateboarding, inline skates, roller skates, toy vehicle, coaster, and similar forms of transportation prohibited where posted.**

Skateboarding, inline skates, roller skates, toy vehicles, coaster or any other similar form of transportation is prohibited on public real property where such prohibition is posted by signs. A list of locations where skateboarding, inline skates, roller skates, toy vehicles, coaster or any other similar form of transportation is posted prohibited shall be on file in the City Clerk's office. The list may be amended from time to time by resolution of the City Council.

(Ord. CS-139 § 2, 2011)

**§ 10.58.030. Skateboarding, inline skates, roller skates, toy vehicle, coaster, and similar forms of transportation prohibited at public buildings.**

It is unlawful for any person to ride a skateboard, inline skates, roller skates, toy vehicle, coaster or any other similar form of transportation at the Carlsbad City Hall, the senior center located at 801 Pine Avenue, the safety center, fire stations, libraries and their adjacent sidewalks, landscape barriers and parking lots.

(Ord. CS-139 § 2, 2011)

**§ 10.58.040. Prohibition for public drainage and sports facilities.**

No person shall ride a skateboard, inline skates, roller skates, coaster, toy vehicle or any other similar form of transportation in any public drainage facility, culvert, ditch, or channel; or any other athletic/sports courts, or gymnasiums.

(Ord. CS-139 § 2, 2011)

**§ 10.58.050. Interference with pedestrians and traffic.**

- A. Any person upon a skateboard, inline skates, roller skates, toy vehicle, coaster or any other similar form of transportation or device, shall exercise due caution and shall yield the right-of-way to and not interfere with pedestrians on any sidewalk or public right-of-way.
- B. No person shall ride skateboard, inline skates, roller skates, toy vehicle, coaster, or similar form of transportation on any public right-of-way in such a manner as to interfere with or prevent the lawful use of a public right-of-way by vehicular traffic.

(Ord. CS-139 § 2, 2011)

**§ 10.58.060. Safety equipment required in skateboard parks.**

It is unlawful for a person to ride anything other than a skateboard, roller skates, or inline skates in the city-owned skateboard park and to neglect to wear safety equipment including a helmet, elbow pads and knee pads where the requirement for wearing such safety equipment in the skateboard park is posted by a sign.

(Ord. CS-139 § 2, 2011)

## CHAPTER 10.60 SHARED MOBILITY DEVICES

### **§ 10.60.010. Purpose.**

The purpose of this chapter is to declare that, unless specifically permitted by this code, shared mobility devices are prohibited from constituting a public nuisance and from being abandoned or placed for rent in the public right-of-way or other public areas, so as to allow for adequate pedestrian traffic flow, ensure public safety, and to maintain public areas free of public nuisances.

The City of Carlsbad is host to many visitors and residents who have a need for transportation to various destinations in the city. One of the means to accommodate this demand for transportation is through shared mobility devices. The ability of visitors and residents to access the various areas of the city is important to the enjoyment of the community and to the local economy. The purpose of this chapter is to balance these transportation demands and needs of the public with consumer protection and public safety concerns. The purpose of this chapter is to: (1) impose basic safety and insurance requirements on properly-licensed shared mobility device providers to meet statewide standards; and (2) regulate the operation of shared mobility device providers by requiring that rental of shared mobility devices occur on private property.  
(Ord. CS-354 § 2, 2019; Ord. CS-410 § 2, 2021)

### **§ 10.60.020. Definitions.**

For the purposes of this chapter, the following definitions apply:

"Abandon" means leaving a shared mobility device unattended in the public right-of-way upon termination of a shared mobility device rental use.

"City Manager" means the City Manager or authorized designee.

"Enforcement official" means any city employee or agent of the city with the authority to enforce any provision of the municipal code.

"Imminent life safety hazard" means any condition which creates a present, extreme and immediate danger to life, property, health or public safety.

"Operator" means a person who manages, owns, or operates a shared mobility device business.

"Person" means any natural person, firm, association, business, trust, organization, corporation, partnership, company, or any other entity, which is recognized by law as the subject of rights or duties.

"Public area" means any outdoor area that is open to the members of the public for public use, whether owned or operated by the city or a private party.

"Public nuisance" has the same meaning as in Section 6.16.010 which includes, but is not limited to, obstructing travel upon or blocking access to the public right-of-way and posing an imminent life safety hazard.

"Public right-of-way" means any public alley, parkway, public transportation path, roadway, sidewalk or street that is owned, granted by easement, operated or controlled by the city.

"Shared mobility device" has the same meaning as in California Civil Code Section 2505, as it may be amended from time to time.

"Shared mobility service provider" has the same meaning as in California Civil Code Section 2505, as it may be amended from time to time.

(Ord. CS-354 § 2, 2019; Ord. CS-410 § 2, 2021)

**§ 10.60.030. Prohibited conduct.**

Notwithstanding any other provision of this code, no person may:

- A. Display, offer or make available for rent any shared mobility device in any public area or public right-of-way;
- B. Display, offer or make available for rent any shared mobility device in any public area or public right-of-way via a digital application or other electronic or digital platform;
- C. Abandon a shared mobility device in the public right-of-way or a public area; or
- D. Park, leave standing, leave lying, or otherwise place a shared mobility device in the public right-of-way or a public area in a manner that constitutes a public nuisance.

Excepted from this subsection are shared mobility device providers who display, offer or make available for rent any shared mobility device on private property via a digital application or other electronic or digital platform if shared mobility device users pickup and return shared mobility devices on private property.

(Ord. CS-354 § 2, 2019; Ord. CS-410 § 2, 2021)

**§ 10.60.040. Shared mobility service provider agreement—Indemnity and insurance requirements.**

- A. Before distribution of a shared mobility device, a shared mobility service provider shall enter into an agreement with the city. The agreement shall be in a form as prescribed by the City Attorney and shall include, but not be limited to, all requirements of California Civil Code Section 2505. The City Attorney may update the form of the agreement based on any amendments to California Civil Code Section 2505, or any other provision of law affecting shared mobility devices. The City Manager, or designee, is authorized to sign agreements required by this section on behalf of the city.
- B. Shared mobility service providers shall maintain commercial general liability insurance coverage with a carrier doing business in California, with limits not less than \$1,000,000 for each occurrence for bodily injury or property damage, including contractual liability, personal injury, and product liability and completed operations, and not less than \$5,000,000 aggregate for all occurrences during the policy period. The insurance shall not exclude coverage for injuries or damages caused by the shared mobility service provider to the shared mobility device user.
- C. The cancellation of any insurance policy required by this section constitutes a violation of this subsection 10.60.040(C) and all shared mobility service provider operations shall cease. In order to cure a violation of this subsection, the shared mobility service provider shall provide the City Manager, or designee, with a new, valid certificate and policy of insurance that satisfies the requirements of this subsection 10.60.040(C).

(Ord. CS-410 § 2, 2021)

**§ 10.60.050. Impoundment of devices.**

- A. In accordance with California Government Code Section 38771 et seq., any shared mobility device that is in violation of this chapter shall constitute a public nuisance and shall be subject to immediate impoundment by the City Manager without prior notice.
- B. As soon as practicable, the City Manager shall provide written notice of the impoundment to the operator. An operator shall retrieve its impounded shared mobility device within 72 hours of written

notice from the City Manager.

- C. No operator may retrieve any impounded shared mobility device from the city except upon demonstrating proper proof of ownership of the device and payment of any applicable impound fees.
- D. The City Council may adopt impound fees by resolution, which shall reflect the city's enforcement, investigation, administration, storage and impound costs. Operators shall bear the city's costs through a fee charged on any impounded shared mobility device.
- E. Any shared mobility device not retrieved from the city within 30 calendar days of being impounded shall be deemed unclaimed property and may, in the City Manager's discretion, be destroyed or auctioned in accordance with applicable state and local law. A pending post summary abatement hearing under Section 10.60.060 tolls the operation of this section.
- F. The foregoing provisions do not limit the city's authority to otherwise impound shared mobility devices in accordance with the California Vehicle Code.

(Ord. CS-354 § 2, 2019; Ord. CS-410 § 2, 2021)

#### **§ 10.60.060. Post summary abatement hearing procedures.**

- A. The operator of a shared mobility device that has been impounded in accordance with Section 10.60.050 may request a post summary abatement hearing. The request must be submitted in writing to the City Manager within 10 calendar days of the date of the City Manager's written notice of impoundment.
- B. The City Manager shall schedule a post summary abatement hearing not less than 15 days and not more than 60 days from the date of the operator's written request.
- C. A notice of the post summary abatement hearing shall be served on the operator at least 10 calendar days prior to the date of the hearing. The notice of hearing shall be served by any of the methods of service listed in Section 1.10.040.
- D. The post summary abatement hearing shall be conducted by an administrative hearing officer in accordance with the following provisions:
  1. The failure of any recipient of an impoundment notice to appear at the hearing shall constitute a failure to exhaust administrative remedies.
  2. An operator's failure to file an appeal shall constitute a waiver of any rights to an administrative determination of the merits of the impoundment notice and the amount of the impoundment fees.
  3. At the hearing, the operator shall be given the opportunity to testify and to present evidence concerning the impoundment notice.
  4. The impoundment notice and any additional report submitted by the enforcement officer shall constitute *prima facie* evidence of the respective facts contained in those documents.
  5. The administrative hearing officer may continue the hearing and request additional information from the enforcement officer or the operator prior to issuing a written decision.
  6. After considering all of the testimony and evidence submitted at the hearing, the administrative hearing officer shall issue a written decision that lists the hearing officer's reasons for upholding or canceling the impoundment notice. A written copy of the administrative hearing officer's

decision shall be provided to the operator.

7. The administrative hearing officer may assess the city's reasonable administrative costs, including any impound fees and all costs incurred by the city from first discovery of the violations through the appeal process and until compliance is achieved, such as staff time for inspection of the violations, sending notices, and for preparing and attending any appeal hearing.
- E. The administrative hearing officer's decision is the final administrative remedy without further administrative appeals.

(Ord. CS-354 § 2, 2019; Ord. CS-410 § 2, 2021)

#### **§ 10.60.070. Administrative regulations.**

The City Manager may adopt administrative regulations that are consistent with and that further the terms and requirements set forth within this chapter. All such administrative regulations must be in writing.

(Ord. CS-354 § 2, 2019; Ord. CS-410 § 2, 2021)

#### **§ 10.60.080. Enforcement.**

Violation of any provision of this chapter is punishable pursuant to Chapter 1.08 of this code, or by the administrative code enforcement remedies of Chapter 1.10 of this code.

(Ord. CS-354 § 2, 2019; Ord. CS-410 § 2, 2021)

#### **§ 10.60.090. Severability.**

If any portion of this chapter, or its application to particular persons or circumstances, is held to be invalid or unconstitutional by a final decision of a court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of this chapter or the application of the chapter to persons or circumstances not similarly situated.

(Ord. CS-354 § 2, 2019; Ord. CS-410 § 2, 2021)

**CHAPTER 11.02  
LEASE OF CITY PROPERTY**

**§ 11.02.010. Long-term lease of city property.**

- A. The City Council may enter into a lease of city property for a term in excess of 55 years but not exceeding 99 years pursuant to the procedures set forth in this section. This section is enacted pursuant to California Government Code Section 37380 which allows a charter city to establish alternative procedures thereto and exempts the city from the provisions of subsections (b)(2), (b)(3) and (b)(4) thereof. Except with respect to leases in excess of 55 years, the provisions of this section shall not be deemed in any way to restrict the city's authority to enter into other forms of leases.
- B. A lease in excess of 55 years of property owned, held or controlled by the city, may be authorized by the City Council in accordance with the following procedures:
  1. Any lease entered into pursuant to this section shall be authorized by resolution of the City Council.
  2. The city shall not be required to engage in a competitive bid process for the award of such lease; provided, that at the time of adopting the resolution authorizing the lease the City Council makes a determination that entering the lease without engaging in a competitive bid process is in the best interests of the city.
  3. The City Council shall make a finding that the long-term lease is in the best interests of the city for economic and/or other articulated considerations of public benefit.
  4. Pursuant to California Government Code Section 37380(b)(1), the lease shall be subject to periodic review by the city and shall take into consideration the then market conditions. The City Council hereby establishes that the lease provisions which will periodically be reviewed, at a minimum, shall be those provisions specifying the rent to be paid pursuant to the lease. The periodic reviews shall occur in accordance with a schedule to be contained in the lease and may include such other provisions as may be indicated by the City Council at the time of authorizing the lease. The periodic review may be in the form of either an express review of the terms by the City Council or its designee, or in the form of a procedure contained in the lease for automatic adjustments of the terms, or reappraisals, in response to market conditions, without the necessity of a discretionary review by a city officer.

(Ord. CS-266 § 2, 2015)

## CHAPTER 11.04 STREETS AND SIDEWALKS AND TRAILS

### **§ 11.04.010. Sidewalks to be installed noncontiguous to curb—Exception.**

All sidewalks shall be installed noncontiguous to the curb on local residential streets and contiguous for collector streets and greater unless the City Engineer, for good cause shown, shall allow its placement at another location.

(Ord. 8042 § 1; Ord. NS-603 § 1, 2001)

### **§ 11.04.020. Sidewalk width requirements.**

Sidewalks shall be constructed for all new development in accordance with such city standards as the City Council by resolution prescribes.

(Ord. 8042 §§ 4, 5; Ord. 1296 § 19, 1987)

### **§ 11.04.030. Street tree wells.**

For good cause shown, the Transportation Director may require the placement of street tree wells in sidewalks of eight feet or greater in width.

(Ord. 8042 § 2; Ord. CS-164 § 2, 2011)

### **§ 11.04.040. Appeal of Transportation Director's determinations.**

In the event of a dispute regarding a decision of the Transportation Director on the location of the sidewalk or the placing of street tree wells, any aggrieved person may appeal to the City Council by filing an appeal with the City Clerk within 10 calendar days of the date of the written notice of the decision. Fees for filing an appeal under this section shall be established by resolution of the City Council. The decision of the City Council shall be final.

(Ord. 8042 § 3; Ord. NS-176 § 3, 1991; Ord. CS-164 § 2, 2011)

### **§ 11.04.050. Delegation of acceptance authority for streets and public purpose dedication.**

Pursuant to Streets and Highways Code Section 1806, and Government Code Section 27281, the following officers are delegated the powers of the City Council specified below with regard to the acceptance of privately constructed improvements in connection with a subdivision, and the acceptance and consent to recordation of deeds or grants conveying any interest in or easement upon real estate to the city for public purposes:

- A. The City Manager upon advice of the City Attorney may approve the acceptance of easements and covenants for easement required as conditions of development if properly executed on a standard document approved as to form by the City Attorney, as amended from time to time.
- B. The City Manager upon advice of the City Attorney may approve the acceptance of deeds or grants conveying any other interest in or easement upon real property to the city for public purposes, if such deeds or grants are recommended for approval by the Transportation Director and are properly executed on a standard document approved by the City Attorney as to form, as amended from time to time.
- C. The City Manager is authorized to accept streets and roads of a subdivision to be formally accepted into the city street system on behalf of the city, following acceptance of the final subdivision map by the City Council, and satisfactory completion of all subdivision public improvements or any other

public improvements constructed by a developer as a condition of development by any provision of Title 18, 20, or 21 of this code with the advice and consent of the City Attorney, and upon the recommendation of the Transportation Director. This provision is not intended to and shall not modify or relieve any developer from liability for any and all defects found after the acceptance of improvements, in accordance with a subdivision improvement agreement or any other similar agreement. Following acceptance by the City Manager, the Transportation Director shall cause any streets or roads so accepted to be entered into the inventory of city streets and roads. The city shall not be liable for any failure to maintain any street or road until such street or road has been accepted into the city's street system.

- D. The City Clerk is authorized to accept and consent to recordation of easements, covenants of easements, and other deeds or grants conveying any interest in or easement upon real property to the city for public purposes following approval by the City Manager and City Attorney as set forth above in subsections A and B of this section.

(Ord. NS-422 § 1, 1997; Ord. CS-149 § 2, 2011; Ord. CS-164 § 2, 2011)

**§ 11.04.060. Delegation of acceptance authority for public trails.**

- A. The city shall not be responsible for maintaining, nor shall it be liable for any failure to maintain any trail identified in the Open Space Conservation Resource Management Plan until it has been formally accepted into the Citywide Trail System by written instrument signed by the City Manager or designee as a public trail and only if the acceptance specifies that the trail is to be maintained by the city.
- B. Once a trail is accepted into the Citywide Trail System, whether it is to be maintained by the city or a private party or otherwise, the trail segment shall be designated on the Open Space Conservation Resource Management Plan in the city's General Plan Circulation Element as completed, indicating its availability for public use.

## CHAPTER 11.08 UNDERGROUND UTILITY DISTRICTS

### **§ 11.08.010. Definitions.**

Whenever in this chapter the words or phrases hereinafter in this section defined are used, they shall have the respective meanings assigned to them in the following definitions:

"Commission" means the Public Utilities Commission of the State of California;

"Poles, overhead wires and associated overhead structures" mean poles, towers, supports, wires, conductors, guys, stubs, platforms, crossarms, braces, transformers, insulators, cutouts, switches, communication circuits, appliances, attachments and appurtenances located aboveground within a district and used or useful in supplying electric, communication or similar or associated service;

"Underground utility district" or "district" means that area in the city within which poles, overhead wires, and associated overhead structures are prohibited as such area is described in a resolution adopted pursuant to the provisions of Section 11.08.030;

"Utility" includes all persons or entities supplying electric, communication or similar or associated service by means of electrical materials or devices.

(Ord. 7037 § 1, 1968)

### **§ 11.08.020. Public hearing by council.**

The council may from time to time call public hearings to ascertain whether the public health, safety or welfare requires the removal of poles, overhead wires and associated overhead structures within designated areas of the city and the underground installation of wires and facilities for supplying electric, communication, or similar or associated service. The City Clerk shall notify all affected property owners as shown on the last equalized assessment roll and utilities concerned by mail of the time and place of such hearings at least 15 days prior to the date thereof. Each such hearing shall be open to the public and may be continued from time to time. At each such hearing all persons interested shall be given an opportunity to be heard. The decision of the council shall be final and conclusive.

(Ord. 7037 § 2, 1968; Ord. 1296 § 20, 1987)

### **§ 11.08.030. Designation of underground utility districts by resolution.**

If after the public hearing the City Council determines that the city or a public utility has agreed to pay over 50% of all costs of conversion, excluding costs of users' connections to underground electric or communication facilities and that the public health, safety and welfare requires such removal and underground installation, the City Council may by resolution declare the area an underground utility district and order the work. Such resolution shall include a description of the area comprising such district and shall provide that the council shall fix by subsequent resolution, the time within which such removal and underground installation shall be accomplished, having due regard for the availability of labor, materials and equipment necessary for such removal and for the installation of such underground facilities as may be occasioned thereby.

(Ord. 7037 § 3, 1968; Ord. 7042 § 1, 1973; Ord. 1296 § 21, 1987)

### **§ 11.08.040. Unlawful acts.**

Whenever the council creates an underground utility district and orders the removal of poles, overhead wires and associated overhead structures therein as provided in Section 11.08.030, it is unlawful for any person or utility to erect, construct, place, keep, maintain, continue, employ or operate poles, overhead

wires and associated overhead structures in the district after the date when the overhead facilities are required to be removed by such resolution, except as the overhead facilities may be required to furnish service to an owner or occupant of property prior to the performance by such owner or occupant of the underground work necessary for such owner or occupant to continue to receive utility service as provided in Section 11.08.090, and for such reasonable time required to remove said facilities after said work has been performed, and except as otherwise provided in this chapter.

(Ord. 7037 § 4, 1968)

**§ 11.08.050. Exception—Emergency or unusual circumstances.**

Notwithstanding the provisions of this chapter, overhead facilities may be installed and maintained for a period, not to exceed 30 days, without authority of the council in order to provide emergency service. The council may grant special permission, on such terms as the council may deem appropriate, in cases of unusual circumstances, without discrimination as to any person or utility, to erect, construct, install, maintain, use or operate poles, overhead wires and associated overhead structures.

(Ord. 7037 § 5, 1968)

**§ 11.08.060. Other exceptions.**

Any resolution adopted pursuant to Section 11.08.030, shall not apply to any of the following types of facilities, unless otherwise provided for in such resolution:

- A. Any municipal facilities or equipment installed under the supervision and to the satisfaction of the Transportation Director;
- B. Poles, or electroliers used exclusively for street lighting;
- C. Poles, overhead wires and associated overhead structures used for the transmission of electric energy at nominal voltages in excess of 34,500 volts;
- D. Antennae, associated equipment and supporting structures, used by a utility for furnishing communication services;
- E. Equipment appurtenant to underground facilities, such as surface mounted transformers, pedestal mounted terminal boxes and meter cabinets, and concealed ducts;
- F. Temporary poles, overhead wires and associated overhead structures used or to be used in conjunction with construction projects;
- G. Overhead wires (exclusive of supporting structures) crossing any portion of a district within which overhead wires have been prohibited, or connecting to buildings on the perimeter of a district, when such wires originate in an area from which poles, overhead wires and associated overhead structures are not prohibited;
- H. Overhead wires attached to the exterior surface of a building by means of a bracket or other fixture and extending from one location on the building to another location on the same building or to an adjacent building without crossing any public street;
- I. New or existing anchor poles and guy wires within the district necessary to support overhead facilities outside the district.

(Ord. 7037 § 6, 1968; Ord. 7042 § 1, 1973; Ord. CS-164 § 2, 2011)

**§ 11.08.070. Notice to property owners and utility companies.**

Within 10 days after the effective date of a resolution adopted pursuant to Section 11.08.030, the City Clerk shall notify all affected utilities and all persons owning real property within the district created by the resolution of the adoption thereof. The City Clerk shall further notify such affected property owners of the necessity that, if they or any person occupying such property desire to continue to receive electric, communication, or similar or associated service, they or such occupant shall provide all necessary facility changes on their premises so as to receive such service from the lines of the supplying utility or utilities at a new location, subject to applicable rules, regulations and tariffs of the respective utility or utilities on file with the Commission.

Notification by the City Clerk shall be made by mailing a copy of the resolution adopted pursuant to Section 11.08.030, together with a copy of the ordinance codified in this chapter to affected property owners as such are shown on the last equalized assessment roll and to the affected utilities.

(Ord. 7037 § 7, 1968)

**§ 11.08.080. Responsibility of utility companies.**

If underground construction is necessary to provide utility service within a district created by any resolution adopted pursuant to Section 11.08.030, the supplying utility shall furnish that portion of the conduits, conductors and associated equipment required to be furnished by it under its applicable rules, regulations and tariffs on file with the Commission.

(Ord. 7037 § 8, 1968)

**§ 11.08.090. Responsibility of property owners.**

- A. Every person owning, operating, leasing, occupying or renting a building or structure within a district shall construct and provide that portion of the service connection on his or her property between the facilities referred to in Section 11.08.080 and the termination facility on or within said building or structure being served, all in accordance with applicable rules, regulations and tariffs of the respective utility or utilities on file with the Commission.
- B. In the event any person owning, operating, leasing, occupying or renting said property does not comply with the provisions of subsection A of this section within the time provided for in the resolution enacted pursuant to Section 11.08.030, the City Engineer shall post written notice on the property being served and 30 days thereafter shall have the authority to order the disconnection and removal of any and all overhead service wires and associated facilities supplying utility service to said property.
- C. In addition to the provisions of subsection B above, upon direction by the City Council, the engineer shall give notice in writing to the person in possession of such premises, and a notice in writing to the owner thereof as shown on the last equalized assessment roll, to provide the required underground facilities within 10 days after receipt of such notice.
- D. The notice to provide the required underground facilities may be given either by personal service or by mail. In case of service by mail on either of such persons, the notice must be deposited in the United States mail in a sealed envelope with postage prepaid, addressed to the person in possession of such premises at such premises, and the notice must be addressed to the owner thereof as such owner's name appears, and must be addressed to such owner's last known address as the same appears on the last equalized assessment roll, and when no address appears, to "General Delivery, City of Carlsbad." If notice is given by mail, such notice shall be deemed to have been received by the person

to whom it has been sent within 48 hours after the mailing thereof. If notice is given by mail to either the owner or occupant of such premises, the City Engineer shall, within 48 hours after the mailing thereof, cause a copy thereof, printed on a card not less than eight inches by 10 inches in size, to be posted in a conspicuous place on the premises.

- E. The notice given by the City Engineer to provide the required underground facilities shall particularly specify what work is required to be done, and shall state that if the work is not completed within 30 days after receipt of such notice, the City Engineer will provide such required underground facilities, in which case the cost and expense thereof will become a lien upon the property benefited.
- F. Upon completion of the work by the City Engineer, the City Engineer shall file a written report with the City Council setting forth the fact that the required underground facilities have been provided and the cost thereof, together with a legal description of the property against which such cost is to become a lien. The council shall thereupon fix a time and place for hearing protests against the cost of such work upon such premises, which said time shall not be less than 10 days thereafter.
- G. The City Engineer shall forthwith, upon the time for hearing such protests having been fixed, give a notice in writing to the person in possession of such premises, and a notice in writing thereof to the owner thereof, in the manner hereinabove provided for the giving of the notice to provide the required underground facilities, of the time and place that the council will pass upon such report and will hear protests. Such notice shall also set forth the amount of the proposed lien.
- H. Upon the date and hour set for the hearing of protests, the council shall hear and consider the report and all protests, if there be any, and then proceed to affirm, modify or reject the lien.
- I. If these costs are not paid within five days after their confirmation by the City Council, they shall become a lien upon the real property as described by the City Engineer, and the City Engineer is directed to turn over to the assessor and tax collector a notice of lien on each of the properties on which these costs have not been paid, and the assessor and tax collector shall add the amount of these costs to the next regular bill for taxes levied against the premises for which the work has been performed and has not been paid. These costs shall be due and payable at the same time as the property taxes are due and payable, and if not paid when due and payable, shall bear interest at the rate of six percent per year.

(Ord. 7037 § 9, 1968; Ord. NS-391 §§ 1—5, 1997)

#### **§ 11.08.100. Responsibility of city.**

The city shall remove at its own expense all city-owned equipment from all poles required to be removed under this chapter in ample time to enable the owner or user of such poles to remove the same within the time specified in the resolution enacted pursuant to Section 11.08.030.

(Ord. 7037 § 10, 1968)

#### **§ 11.08.110. Extension of time.**

In the event that any act required by this chapter or by a resolution adopted pursuant to Section 11.08.030 cannot be performed within the time provided on account of shortage of materials, war, restraint by public authorities, strikes, labor disturbances, civil disobedience, or any other circumstances beyond the control of the actor, then the time within which such act will be accomplished shall be extended for a period equivalent to the time of such limitation.

(Ord. 7037 § 11, 1968)

## CHAPTER 11.12 TREES AND SHRUBS

### **§ 11.12.010. Purpose and intent.**

The public interest and welfare require that the city establish, adopt and maintain a comprehensive program for installing, maintaining and preserving trees within the city.

This chapter establishes policies, regulations and specifications necessary to govern installation, maintenance and preservation of trees to beautify the city, to purify the air, to provide shade and wind protection, and to preserve trees with historic or unusual value.

It is the policy of the city to line its streets with trees and to conduct a consistent and adequate program for maintaining and preserving these trees. It is the goal of this policy to provide for planting trees in all areas of the city and for selecting appropriate species to achieve as much beauty and economy as possible. It is also the policy of the city to protect and preserve all desirable trees that are located on the city's right-of-way.

It is the policy of the city to encourage new tree planting on public and private property and to cultivate a flourishing urban forest.

(Ord. NS-545 § 2, 2000)

### **§ 11.12.020. Definitions.**

For purposes of this chapter the following words and phrases shall have the meanings respectively ascribed to them by this section, unless it is obvious from the context that another meaning is intended:

"Certified arborist" means an arborist certified by the International Society of Arboriculture.

"Community forest management plan" means a document that contains goals and policies that will guide the city in its actions and decisions affecting trees within the city limits.

"Hazardous tree" means any tree or tree condition which represents a danger to persons, property or other healthy trees.

"Heritage tree" means any tree existing within the city limits which has been so designated by resolution by the City Council. Heritage trees shall be trees with notable historic interest or trees of an unusual species or size.

"Maintain" or "maintenance" means the entire care of trees including ground preparation, fertilizing, mulching, trimming and watering.

"Plant" means an herb that lacks a permanent woody stem.

"Shrub" means a low woody plant having several stems and a trunk less than three inches in diameter at a height less than four and half feet above the ground.

"Tree" means any perennial woody plant having a trunk at least three inches in diameter at a height four and one-half feet above the ground. This definition shall include any tree planted by or required to be planted by the city which will attain the stated size and maturity.

"Tree service life" means the number of years that the tree provides the most benefits with the least amount of costs.

"Valid tree site" means a tree site in that area of the public right-of-way where a tree can be planted. The requirement shall be one tree per residence or 40 feet between trees for a large tree site, 30 feet for a

medium tree site and 20 feet for a small tree site. All tree sites beneath a high voltage electrical line shall be considered a small tree site. Tree sites shall be planted with a large, medium or small tree listed and approved by the city.

(Ord. NS-545 § 2, 2000)

#### **§ 11.12.030. Jurisdiction of parks and recreation department.**

The City Manager, acting through the Parks and Recreation Director or designee, shall exercise exclusive jurisdiction and control over the planting, maintenance, removal and replacement of trees, shrubs or plants in all streets, sidewalks, medians or other public rights-of-way of the city, and shall have such power, authority, jurisdiction and duties as are prescribed in this chapter.

(Ord. NS-545 § 2, 2000; Ord. NS-747 § 1, 2005; Ord. CS-072 § 2, 2009; Ord. CS-164 § 8, 2011)

#### **§ 11.12.040. Master tree list.**

The City Manager, acting through the Parks and Recreation Director or designee, shall develop and maintain a master tree list, which shall be adopted by resolution of the City Council and shall be on file in the office of the City Clerk. These documents shall specify the species of trees suitable and desirable for planting in certain areas in order to establish a wide ranging urban forest.

(Ord. NS-545 § 2, 2000; Ord. CS-072 § 2, 2009)

#### **§ 11.12.050. Street tree planting and maintenance procedures.**

The City Manager, acting through the Parks and Recreation Director or designee, shall develop and implement policies and standards for street tree planting and maintenance required of all tree planting and maintenance throughout the city.

(Ord. NS-545 § 2, 2000; Ord. NS-747 § 2, 2005; Ord. CS-072 § 2, 2009)

#### **§ 11.12.060. Approval prior to planting.**

No tree, shrub or plant shall be planted in any street, sidewalk, median or other public right-of-way of the city until the City Manager, acting through the Parks and Recreation Director or designee, first approves the kind and variety, designates the location therefor and grants the permit for planting.

(Ord. NS-545 § 2, 2000; Ord. CS-072 § 2, 2009)

#### **§ 11.12.070. Street tree maintenance.**

It shall be the obligation of the City Manager, acting through the Parks and Recreation Director or designee, to assign appropriate scheduled tree, shrub or plant maintenance, including, but not limited to, pruning, fertilization, irrigation and pest control based on age, species, size and location to assure the proper maintenance of all street trees, shrubs or plants.

(Ord. NS-545 § 2, 2000; Ord. CS-072 § 2, 2009)

#### **§ 11.12.080. Protection of trees.**

- A. No person shall remove, trim, prune or cut any street tree, shrub or plant now or hereafter growing in any street, sidewalk, median or other public right-of-way of the city.
- B. No person shall remove, injure or misuse any guard or device placed to protect any tree, shrub or plant now or hereafter growing in any street, sidewalk, median or other public right-of-way of the city.

- C. No person shall hitch or fasten any kind of animal to any tree, shrub or plant now or hereafter growing in any street, sidewalk, median or other public right-of-way of the city; nor shall any person place a post for hitching of animals within five feet of any tree, shrub or plant now or hereafter growing in any street, sidewalk, median or other public right-of-way of the city.
- D. No person shall trim, cut, prune, injure or remove by any means any tree, shrub or plant growing in any street, sidewalk, median or other public right-of-way of the city.
- E. No person shall:
  - 1. Construct a concrete, asphalt, brick or gravel sidewalk, or otherwise fill up the ground area near any tree, shrub or plant growing in any street, sidewalk, median or other public right-of-way of the city, to shut off air, light or water from the roots, except under written authority from the City Manager, acting through the Parks and Recreation Director or designee;
  - 2. Place building material, equipment or other substances likely to cause injury to a tree near any tree, shrub or plant growing in any street, sidewalk, median or other public right-of-way of the city, which might cause injury to the tree;
  - 3. Post any sign on any tree that is not scheduled for removal as described in Section 11.12.090 of this chapter, tree-stake or guard, or fasten any electric wire, insulator or any other device for holding electric, telephone, television or conductor wires to any tree, shrub or plant now or hereafter growing in any street, sidewalk, median or other public right-of-way of the city.
- F. No person shall interfere, or cause any other person to interfere, with employees of the city, or contractors employed by the city, who are engaged in planting, maintaining, treating, removing or replacing any street tree, shrub or plant or removing or replacing any material which is likely to cause injury to the tree, shrub or plant.
- G. No person shall plant any street tree, shrub or plant except according to policies, regulations and specifications established pursuant to this chapter or any currently applicable ordinances or code sections.

(Ord. NS-545 § 2, 2000; NS-747 §§ 3, 4, 2005; Ord. CS-072 § 2, 2009)

#### **§ 11.12.090. Permits required for tree removal and maintenance.**

- A. Policy. The city values trees as an important part of the environment and shall strive to preserve them whenever possible and feasible. When reviewing requests for a street tree removal permit, the city shall discourage removing desirable trees, and shall consider approving removal of desirable trees only as a last resort alternative for the applicant.
- B. Permits for Removal or Maintenance. Except as otherwise provided in this chapter, pruning, cutting, trimming or removing any street tree in the city shall require a permit issued by the City Manager, acting through the Parks and Recreation Director or designee.
- C. Review of the application to remove a tree shall proceed as follows:
  - 1. A city arborist shall inspect the property and recommend approving or denying the application in a written report submitted to the City Manager, acting through the Parks and Recreation Director or designee.
  - 2. The city arborist may authorize a tree's removal after finding either of the following circumstances:

- a. The tree is a hazard to life or property, and removing it is the only feasible way to eliminate the hazard;
  - b. The tree is dead, dying, diseased or damaged beyond reclamation.
3. If the city arborist does not find either of the above circumstances for removing a tree, a priority rating depending on the following factors can be considered for a tree removal.
- a. Service life;
  - b. Damage to utilities and/or sewer lines;
  - c. Damage to hardscape;
  - d. Conformity of the existing tree to recommended species list.

The highest priority removal shall be given to trees meeting all four factors. The second priority will be given to trees meeting three factors, etc.

4. If the city arborist has recommended denying the application, the applicant may request the Parks and Recreation Commission to review the arborist's decision.
  5. If the Parks and Recreation Commission concurs with the city arborist's recommendation to deny the application, the applicant may request the City Council to review the matter for final action.
- D. All tree removal, whether by city or applicant, shall include the removal of the stump and the removal of all stump grinding chips and the backfilling of the hole created by stump removal with a good quality top soil suitable for the replanting of a replacement tree.
- E. Notification of Tree Removal.
1. The city shall post a letter of notification and a non-removable marking upon the subject tree a minimum of 30 days prior to its removal. The letter will be posted in a prominent location, visible from a public street and will include, but not be limited to the following information:
    - a. The location of the tree;
    - b. The reason for the tree's removal;
    - c. The date of the scheduled removal;
    - d. The species of tree to be replanted;
    - e. The size of the tree to be replanted;
    - f. The date by which an appeal must be made to the Parks and Recreation Commission;
    - g. A description of the appeal process.
  2. The letter of notification shall also be given to the owner of the property where the tree is scheduled be removed, and to the adjacent property owners, as well as to the property owners directly opposite and to the owners of the properties adjacent to the opposite property.
  3. The City Manager, acting through the Parks and Recreation Director or designee, may waive notification requirements for a tree removal in either of the following circumstances:

- a. When the City Manager, acting through the Parks and Recreation Director or designee determines that a tree's condition threatens public health, safety or welfare;
  - b. When local, state or federal authorities have declared a state of emergency and a tree's condition threatens public health, safety or welfare.
- F. No heritage tree shall be removed except if it is determined by a city arborist that such a tree is creating a hazard to life or property, or by formal appeals process.

(Ord. NS-545 § 2, 2000; NS-747 § 5, 2005; Ord. CS-072 §§ 2, 4, 2009)

#### **§ 11.12.100. Tree replacement.**

- A. It shall be the goal of the city to replace all removed street trees within 45 days of their removal if the tree site meets the minimum specifications for a valid tree site.
- B. All removed trees shall be replaced with a tree of the same species as removed, except where the removed species does not conform to the recommended species approved by the city, or the conditions existing at the valid site. No tree shall be planted into the public right-of-way that does not comply with the uniform street planting map as described in Section 11.12.120 of this chapter.
- C. Trees that are touching or nearly touching high-voltage utility lines shall be replaced with a recommended species.
- D. All tree replanting shall be with a minimum 15-gallon container tree, except when a person agrees to pay the difference in cost of a larger replacement tree size and any additional costs associated with the planting of a larger tree.
- E. A person may request replacement of a street tree species specified in the uniform street planting map with another species only when there is a medical allergy certified by a medical doctor. The replacement tree will be approved by the city arborist and the City Manager, acting through the Parks and Recreation Director or designee. All trees removed for this reason must be replaced with a tree listed as an approved species by the city.

(Ord. NS-545 § 2, 2000; Ord. CS-072 § 2, 2009)

#### **§ 11.12.110. Overhanging trees.**

The owner or his/her agent of every lot or parcel of land in the city upon which any trees, shrubs or plants are now or may be hereafter standing shall trim, or cause to be trimmed, the branches thereof so that the same shall not obstruct the adequate passage of light from any street light located in any street, sidewalk, median or other public right-of-way of the city and such owner or his/her agent shall trim all branches of any trees, shrubs or plants which overhang any street, sidewalk, median or other public right-of-way of the city so that there shall be a clear height of eight feet above the surface of the street, sidewalk, median or other public right-of-way of the city unobstructed by branches; and such owner or his/her agent shall remove from such trees, shrubs or plants all dead, decayed or broken limbs or branches that overhang such street, sidewalk, median or other public right-of-way of the city, and when any such trees, shrubs or plants are dead, such owner or his/her agent shall remove the same so that they shall not fall in the street, sidewalk, median or other public right-of-way of the city.

(Ord. NS-545 § 2, 2000)

#### **§ 11.12.120. Uniform street planting map.**

Upon the recommendation of the Parks and Recreation Commission, the City Council shall adopt a uniform

street tree planting map that will depict a uniform method of tree plantings on city streets. The City Manager, acting through the Parks and Recreation Director or designee, shall have copies of this map made and the same shall be kept on file in the office of the City Clerk and may be obtained by the public. (Ord. NS-545 § 2, 2000; Ord. CS-072 § 2, 2009)

#### **§ 11.12.130. Community forest management plan.**

- A. Upon the recommendation of the Parks and Recreation Commission, the City Council shall adopt a community forest management plan that provides direction to develop goals and policies that will guide the city to manage tree-related issues in a proactive manner. The plan will address trees on public property and will discuss planting, removal, replacement, maintenance and the preservation of trees growing on any public property or in any street, sidewalk, median or other public right-of-way of the city.
- B. When the management plan in its original or modified form is adopted by the City Council, it shall become the tree planting plan for public streets of the city and shall be strictly adhered to in all future street planting improvement projects and in the removal, replacement and maintenance of trees, shrubs or plants in public streets in the city. The management plan for the entire city does not need to be adopted by the City Council at one time. Instead, council may adopt the community forest management plan for different portions of the city within a reasonable length of time after the completed plan for any particular portion of the city has been submitted to the City Council for adoption.
- C. The City Manager, acting through the Parks and Recreation Director or designee, shall have copies of this plan made and the same shall be kept on file in the office of the City Clerk and may be obtained by the public.

(Ord. NS-545 § 2, 2000; Ord. CS-072 § 2, 2009)

#### **§ 11.12.140. Heritage trees.**

The City Council recognizes the important role trees have played in the history and development of Carlsbad and recognizes that a wide variety of trees can grow in its unique and temperate climate. The city may officially designate as heritage trees those trees in the community which have significant historical or arboricultural interest. It is the policy of the City Council that all designated heritage trees that are on public streets shall be protected.

(Ord. NS-545 § 2, 2000)

#### **§ 11.12.150. Appeals.**

- A. Any person may request a formal appeal to the Parks and Recreation Commission within 30 calendar days of the posting of a city tree for:
  1. The location or species of any street tree selected by the city for planting at a specific location; and/or
  2. The city arborist's recommendation for the removal of any nonhazardous street tree.
- B. Any person may request a formal appeal to the Parks and Recreation Commission for:
  1. The removal of a street tree which is not dead, dying or diseased; and/or
  2. The removal of a street tree that is listed as a heritage tree; and/or

3. The removal of a street tree that is causing damage to hardscape or for the cause of routing underground or overhead utilities.
- C. If the Parks and Recreation Commission denies an applicant's appeal, the applicant may request a final appeal to the City Council within 10 calendar days of the Commission's decision.
- D. Fees for an appeal shall be determined by resolution of the City Council.
- E. Appeals will be made by submitting a tree appeal form available from the office of the City Clerk.  
(Ord. NS-545 § 2, 2000; Ord. CS-072 § 3, 2009)

**§ 11.12.160. Violation.**

- A. A violation of this chapter may be prosecuted either as a misdemeanor or an infraction pursuant to the provisions of Chapter 1.08, Section 1.08.010 of this code. The City Attorney shall have the discretion to reduce to an infraction any act made unlawful pursuant to this chapter if such reduction is warranted in the interest of justice.
- B. In addition to any criminal penalty, the city may, pursuant to Government Code Section 36901, impose a civil penalty for any violation of this chapter in an amount not to exceed \$1,000.00.
- C. In addition to any other remedy provided by this code, any provision of this code may be enforced by civil action and an injunction; any violation of this code may result in civil penalties, monetary damages, attorney's fees, and investigatory costs.

(Ord. NS-545 § 2, 2000; Ord. NS-762 § 1, 2005; Ord. CS-072 § 5, 2009)

**CHAPTER 11.16  
PERMITS FOR WORK OR ENCROACHMENTS IN PUBLIC PLACES**

**§ 11.16.010. Title.**

The ordinance codified in this chapter may be cited as the "Right-of-Way Permit Ordinance."  
(Ord. NS-386 § 2, 1996)

**§ 11.16.020. Definitions.**

For the purpose of this chapter, the following words, terms and phrases shall have the following meanings as set out in this section:

"City Engineer" means the City Engineer or designee, who is the Deputy City Engineer, land development engineering.

"Encroachment" means and includes any tower, pole, pole line, pipe, pipeline, fence, billboard, stand or building, or any structure or object of any kind or character not particularly mentioned in this definition, which is placed in, under or over any portion of a public place.

"Facility" means any street, highway, curb, gutter, fencing, pipe, pipeline, tube, main, service, trap, vent, vault, manhole, meter, gauge, regulator, valve, conduit, wire, tower, pole, pole line, anchor, cable, junction box, transformer or any other material structure or object of any kind or character, whether enumerated in this definition or not which is constructed, left, placed or maintained in, upon, along, across, under or over any public place.

"Improvement plans" means the construction plans, prepared by a civil engineer, in accordance with city standards for the purpose of describing a public improvement to be constructed, repaired, rehabilitated and/or otherwise installed in a public place. The term may also be used to mean the construction plans, prepared by a civil engineer, in accordance with city standards for the purpose of describing a private improvement to be constructed, repaired, rehabilitated and/or otherwise installed on private property or in a public easement or right-of-way.

"Plans" means the document developed and approved by the City Engineer describing the nature and extent of works proposed to be constructed or carried out on a public place.

"Public place" means any public street, highway, way, place, alley, sidewalk, easement, right-of-way, park, square, plaza or other similar public property owned or controlled by the city and dedicated to public use.

"Specification" means the Standard Specifications for Public Works Construction (current edition including supplements) written and promulgated by Southern California Chapter American Public Works Association and Southern California District Associated General Contractors or California Joint Cooperative Committee and published by Building News Incorporated, or such other specifications noted on approved plans.

"Standard drawings" means the "standard drawings" of the City of Carlsbad, adopted and revised by the City Engineer and the most recently adopted San Diego Area Regional Standard Drawings.

In addition to the above defined words, terms and phrases, the definition of words, terms and phrases, as described in Chapter 15.04, shall apply to this chapter.

(Ord. NS-386 § 2, 1996; Ord. NS-878 § 1, 2008; Ord. CS-164 § 13, 2011; Ord. CS-389 § 8, 2021)

**§ 11.16.030. City Engineer's authority and responsibilities.**

This chapter shall be administered by the City Engineer who shall have the responsibility and authority to:

- A. Establish the form and procedures for application for right-of-way permits required pursuant to this chapter including the certification of completed applications, the approval of plans, the establishment of files, collection of fees and security deposits;
- B. Interpret the provisions of this chapter and advise the public regarding requirements for plans, specifications and special provisions for facilities or encroachments subject to the provisions of this chapter;
- C. Establish format and content of plans and standards governing work on facilities or encroachments pursuant to the provisions of this chapter;
- D. Issue right-of-way permits upon such conditions as determined are reasonable and necessary to protect the public health, safety and welfare;
- E. Consider and approve amendments, including extensions, of any right-of-way permit issued when such amendment is necessary to provide for the safe and efficient movement of traffic or to protect public places, persons or property;
- F. The City Engineer shall, subject to the authority of the City Manager pursuant to Section 1.08.020, administer and enforce the provisions of this chapter.

(Ord. NS-386 § 2, 1996; Ord. CS-389 § 8, 2021)

**§ 11.16.050. Permits—Required.**

No person shall do any of the following acts without first obtaining a valid right-of-way permit:

- A. Make or cause to be made any excavation or opening, fill or obstruction in, over, along, on, across or through any public place for any purpose whatsoever;
- B. Construct or repair or cause to be constructed or repaired any curb, sidewalk, gutter, curb with integral gutter, drive approach, driveway, alley approach, spandrel and cross gutter, wheelchair ramp, A.C. dike, or any other work of any nature covered by the city standard drawings or city policy within a public place; or place, change, renew an encroachment in, over, along or across or through any street right-of-way or public place excepting, however, for or in connection with the installation of poles, guys and anchors constructed for use under franchise for public utility purposes where such poles, guys and anchors do not interfere with or lie within 10 feet of existing improvements;
- C. Place any banner over, across, on, or along any public place;
- D. Plant, remove, cut, cut down, injure or destroy any tree, plant, shrub, or flower growing within any public place excepting necessary pruning or trimming to protect persons or property;
- E. Construct or modify or cause to be constructed or modified, any storm drain or conveyor of drainage waters and appurtenant items within a public place;
- F. Modify, alter or deface any block wall on or adjacent to public places;
- G. Engage in any traffic-control operations in such a fashion as to affect any public place while constructing, demolishing or maintaining any facility;

- H. Enter onto or exit from any public place at any location not approved and constructed as a driveway;
  - I. Install marquees, awnings and building mounted signs which obtrude into a public place.
- (Ord. NS-386 § 2, 1996)

**§ 11.16.060. Permits—Application.**

- A. Any person proposing to do any of the acts described in Section 11.16.050 of this chapter shall make an application for a right-of-way permit to the City Engineer.
  - B. The following information shall be included on the application:
    1. The location, nature and extent of work to be performed;
    2. The proposed date when such work shall be commenced;
    3. The proposed date when work shall be completed;
    4. Such other information as may be required by the City Engineer.
  - C. The City Engineer may require the application to contain an encroachment agreement if deemed necessary due to the size, duration, and/or nature of the encroachment. The encroachment agreement shall require removal of the encroachment by the permittee upon reasonable demand by the City Engineer, adequate security for performance of such promise, and be in a form acceptable to the City Attorney. It may be executed on behalf of the city by the City Engineer.
  - D. If the work proposed to be done requires the making of plans or the setting of stakes, or both, the City Engineer may require the application to be accompanied by the necessary plans, which plans shall be prepared by a competent engineer licensed by the State Department of Consumer Affairs.
  - E. Upon right-of-way permit issuance the application shall become part of the right-of-way permit.
- (Ord. NS-386 § 2, 1996)

**§ 11.16.070. Relocation of structures—Removal of encroachment.**

The City Engineer may require any person who, pursuant to a duly issued right-of-way permit under this chapter, has performed construction work or placed and maintained any encroachment, to move the same at his or her own cost and expense to such different location as is specified in a written demand of the City Engineer, whenever such move is necessary to ensure the safety and convenience of the public or facilitate construction within the right-of-way. The City Engineer shall specify in the demand a reasonable time within which the work of relocation must be commenced, and the permittee must commence such relocation within the time specified in the demand and thereafter diligently prosecute the same to completion. Any encroachment agreement required by the City Engineer shall specify these requirements and require adequate security to enforce these provisions if the permittee fails to do so.

(Ord. NS-386 § 2, 1996)

**§ 11.16.080. Permits—Commencement and completion of work.**

Every permittee shall commence work as stipulated in the right-of-way permit and diligently pursue the work to completion without interruption within the time period required by the right-of-way permit. Right-of-way permits issued under this chapter shall be valid for the period of time specified in the right-of-way permits, unless the City Engineer grants a time extension.

(Ord. NS-386 § 2, 1996)

**§ 11.16.090. Permits—Requirements for performance of work.**

- A. The permittee shall perform the work in a timely manner, in accordance with approved plans, specifications and city standards and, to the satisfaction of the City Engineer.
- B. No person shall cause any public improvement or appurtenant work to be performed upon any public place within the city by any person other than a licensed contractor or a public utility.
- C. Any works conducted requiring the temporary, partial or full closure of the traveled or pedestrian right-of-way shall not be commenced until the permittee has obtained a permit therefor pursuant to Title 8 or Title 10 of this code and has been issued a traffic-control permit stipulating the date, time and provisions under which closure may be carried out.
- D. As the work progresses, all streets shall be thoroughly cleaned of all rubbish, excess earth, rock and other debris resulting from such work. All cleanup operations at the location of such work shall be accomplished at the expense of the permittee. From time to time, as may be ordered by the City Engineer, and in any event immediately after completion of the work, the permittee shall, at its own expense, clean up and remove all refuse and unused materials of any kind resulting from the work. Upon failure to do so, within 24 hours after having been notified, the work may be done by the city and the cost thereof charged to the permittee. Whenever it may be necessary for the permittee to excavate through any landscaped area, the area shall be reestablished in a like manner after the excavation has been backfilled as required. All construction and maintenance work shall be done in a manner designed to leave the area clean of earth and debris and in a condition as nearly as possible to that which existed before such work began. The permittee shall not remove, even temporarily, any existing trees or shrubs without first obtaining the consent of the City Engineer.
- E. All work affecting public improvements or public safety shall be inspected by the City Engineer as follows:
  - 1. No person shall prevent or obstruct the City Engineer in making any inspection authorized by this chapter or in taking any sample or in making any test;
  - 2. Twenty-four-hour notice to the City Engineer is required for all inspections;
  - 3. All work not in conformance with approved plans and specifications is subject to rejection by the City Engineer;
  - 4. Request for final inspections shall be made in writing.
- F. Prior to the issuance of a right-of-way permit for a project, the project owner or authorized agent shall:
  - 1. Provide the City Engineer with a completed stormwater requirements applicability questionnaire in accordance with SUSMP requirements;
  - 2. If the project is determined to be a priority development project, then the project owner or authorized agent shall:
    - a. Prepare and submit a stormwater management plan in conformance with the requirements of city standards and Title 15 of this code;
    - b. Enter into a permanent stormwater quality best management practices maintenance agreement or provide an alternate maintenance mechanism as approved by the City Engineer.

- G. A city-approved construction SWPPP is required to be submitted prior to right-of-way permit issuance in accordance with city standards and Section 15.16.085 of this code for any project which has the potential for adding pollutants to stormwater or non-stormwater runoff during construction activities, unless an exemption from such requirement is provided pursuant to Section 15.16.085 and the municipal permit.

(Ord. NS-386 § 2, 1996; Ord. NS-878 § 2, 2008)

#### **§ 11.16.100. Permits—Acceptance of work.**

The City Engineer, upon determination by survey or by inspection or by both, that the work has been completed according to the requirements of this chapter and the right-of-way permit, shall issue a certificate of acceptance which shall contain a statement of the location, nature and extent of the work performed under the right-of-way permit.

(Ord. NS-386 § 2, 1996)

#### **§ 11.16.110. Permits—Denial and revocation.**

- A. The City Engineer may deny the issuance of a right-of-way permit to any person who refuses or fails to comply with the provisions of this chapter, who is indebted to the city for past permit violations or who in the judgment of the City Engineer has repeatedly violated permit procedures or failed to comply with conditions requiring protection of the public health and safety.
- B. The City Engineer may deny the issuance of a right-of-way permit to any person who refuses to execute an encroachment agreement as required pursuant to Section 11.16.060.
- C. Any permittee found in violation of the conditions of a right-of-way permit or the provisions of this chapter shall be given a written notice to comply stipulating the code violation. Upon receipt of a notice to comply, the permittee shall take action to correct the condition of violation within the period stipulated in the notice. If within that period appropriate measures have not been implemented, the City Engineer may revoke the right-of-way permit and take any measures required to secure the work site or return the work site to its original condition. The cost of such work may be collected from the permittee.
- D. The City Engineer shall deny the issuance of a right-of-way permit to any person who refuses to comply with all stormwater protection provisions of this chapter or Title 15 of this code.

(Ord. NS-386 § 2, 1996; Ord. NS-878 § 3, 2008)

#### **§ 11.16.120. Appeal procedure.**

- A. An individual may appeal the decision of the City Engineer made in regard to administration of this chapter to the City Council within 10 calendar days following the decision. Appeals shall be in writing, filed with the City Clerk and shall state the basis for the appeal. Fees for filing an appeal shall be in an amount as established by resolution of the City Council. The decision of the City Council shall be final.
- B. The City Clerk shall thereupon fix a time and place for hearing such appeal. The City Clerk shall give notice to the appellant and applicant/permittee of the time and place of hearing by serving the notice personally or by depositing it in the United States Post Office in the city, postage prepaid, addressed to such persons at their last known address.

(Ord. NS-386 § 2, 1996)

**§ 11.16.130. Right-of-way permit fees.**

Right-of-way permit fees shall be charged by the city for the processing of a right-of-way application and the issuance of a right-of-way permit. The fee shall be established by resolution of the City Council and is for the purpose of defraying the cost of processing an application, issuing the requested right-of-way permit, inspection of works completed under the right-of-way permit and other costs of administrating this chapter.

(Ord. NS-386 § 2, 1996)

**§ 11.16.140. Performance deposits.**

- A. As a condition of issuance of a right-of-way permit, the City Engineer may require posting of a cash deposit or an equivalent security in a form acceptable to the City Attorney. The City Engineer may require that up to 100% of any deposit be submitted in the form of a cash deposit. The cash deposit may be used at the discretion of the City Engineer to provide for traffic-control, restoration of public facilities or removal from the right-of-way of work, materials or equipment when permittee or the permittee's agent fails to act in a timely manner to provide for the public health, safety or welfare. The deposit shall otherwise be for the purpose of guaranteeing performance of work contemplated under the permit including removal of encroachments, if required. Each deposit shall be accompanied by a right-of-way cash security agreement stipulating the uses and conditions under which the funds may be expended.
- B. The amount of the deposit shall be established by the City Engineer based on the size, duration, and/or nature of the encroachment.
- C. Upon completion and acceptance of work under permit, any funds unused shall be refunded to the permittee and any other bonds or security instruments shall be released.
- D. If any deposit or security is not sufficient for the protection of the public interest in the public places, the City Engineer may require an additional deposit or an increase in the security in such amount as the City Engineer determines necessary. The permittee shall, upon demand, deposit the additional cash or security.

Upon failure or refusal to pay, the City Engineer may revoke the permit and/or recover the deficiency by appropriate action in any court of competent jurisdiction. Until such deficiency is paid in full, no other permit shall be issued to such permittee.

- E. Where work is to be done by persons or utilities operating under a franchise issued by the city or regulated by the State Public Utilities Commission or utilities operated by governmental agencies, a permit may be granted without making a deposit. In such cases, the permittee shall be liable for the actual cost of any work to be done by the city in restoring the area covered by the permit to the satisfaction of the City Engineer.

(Ord. NS-386 § 2, 1996)

**§ 11.16.145. Improvement plans.**

- A. Improvement plans shall be prepared in accordance with city standards and this chapter for all work involving the construction, repair and/or major rehabilitation of public improvements within a public place. The City Engineer may waive the requirement for preparation of improvement plans if, in the opinion of the City Engineer, the improvements are of a size or type that does not warrant the preparation of improvement plans.

- B. A separate application for each set of improvement plans, if required, shall be made in advance of submittal for a right-of-way permit. Each application for improvement plan review shall include a completed application form, improvement plans, specifications, engineering calculations, a soils and/or geotechnical investigation, and other such calculations, documentation and information as may be necessary to demonstrate that the improvement work will be carried out in substantial compliance with all city codes, city standards and the requirements of the Landscape Manual. Each improvement plan review application shall be accompanied by a construction SWPPP prepared in accordance with the requirements of this chapter, Title 15 and city standards.
- C. An improvement plan review fee and inspection fee shall be charged by the city for the processing of the improvement plan review and inspecting the improvements during construction. The fees shall be established by resolution of the City Council and are for the purpose of defraying the cost of processing the improvement plan review and inspecting the improvements during construction. The improvement plan review fee and inspection fee are in addition to any other plan review, inspection and permit issuance fees charged for the issuance of a right-of-way permit or processing grading plans and building plans or, the issuance of permits thereto. An additional improvement plan review fee of 15% of the current plan review fee may be charged for improvement plan applications for which the city approval is not granted within 24 months following the original date of application.
- D. Improvement plan applications for which city approval is not granted within three years following the date of application shall be deemed withdrawn, provided the improvement plans are not associated with a tentative map, tentative parcel map, vesting tentative map, or vesting tentative parcel map, in which case the improvement plan application shall be deemed withdrawn on the date of the expiration of the associated tentative map. The improvement plans and other documents submitted for review may thereafter be returned to the applicant or destroyed by the City Engineer. In order to renew action on an application after withdrawal, the applicant shall resubmit a new application and pay new improvement plan review and inspection fees.
- E. The City Engineer may authorize refunding of the entire improvement plan inspection fee and refunding the unused amount not exceeding 80% of the improvement plan review fee paid when an application for an improvement plan is withdrawn (1) in accordance with this section; or (2) upon written application filed by the original applicant not later than 60 days after withdrawal of the improvement plan application by the applicant, when withdrawn prior to completion of the improvement plan review.
- F. Any application in process on the effective date of this code amendment shall be subject to the provisions of this section. The filing date for such application shall be considered to be the effective date of the code amendment.

(Ord. NS-878 § 4, 2008; Ord. CS-135 § 1, 2011)

#### **§ 11.16.146. Improvement plan security.**

- A. The owner, developer or subdivider shall enter into a secured agreement with the city guaranteeing the construction of the public improvements in accordance with this chapter and the improvement security requirements of Sections 20.16.070 and 20.16.080 of this code, prior to issuance of a right-of-way permit or at such other time as required per the conditions of approval for projects approved pursuant to Titles 20 and 21 of this code.
- B. The improvement security release procedures described in Section 20.16.090 of this code shall be followed for release of security posted per the requirements of this section.

(Ord. NS-878 § 4, 2008)

**§ 11.16.150. Placement of materials or obstruction of streets.**

- A. No person shall place or maintain any material or any obstruction or impediment to travel in or upon any public place without a permit to do so.
- B. Persons violating provisions of this section shall be issued a notice of removal and given a specified time to remove such material, obstruction or impediment. Any failure to comply with the notice is unlawful and a public nuisance endangering the health, safety and general welfare of the public. In addition to any other remedy provided by law for the abatement of such public nuisance, the City Engineer may, after giving notice, cause the work necessary to accomplish the removal. The costs thereof may be assessed against the owner or owners of the project creating the obstruction.
- C. Notice of removal shall be in writing and mailed to all persons whose names appear on the last equalized assessment roll as owners of real property creating the obstruction at the address shown on the assessment roll. Notice shall also be sent to any person known to the City Engineer to be responsible for the nuisance. The City Engineer shall also cause at least one copy of such notice to be posted in a conspicuous place on the premises. No assessment shall be held invalid for failure to post or mail or correctly address any notice. The notice shall particularly specify the work required to be done and shall state that if the work is not commenced within 24 hours after receipt of such notice and diligently prosecuted (without interruption) to completion, the city shall cause such work to be done, in which case the cost and expense of such work, including incidental expenses incurred by the city, will be assessed against the property or against each separate lot and become a lien upon such property.
- D. If upon the expiration of the 24-hour period provided for in subsection C of this section, the work has not been done, or having commenced, is not being performed with diligence, the City Engineer shall proceed to do such work or cause such work to be done. Upon completion of such work, the City Engineer shall file written report with the City Council setting forth the fact that the work has been completed and the cost thereof, together with a legal description of the property against which cost is to be assessed. The City Council shall thereupon fix a time and place for hearing protest against the assessment of the cost of such work. The City Engineer or the City Clerk, if so directed by the council, shall thereafter give notice in writing to the owners of the project in the manner provided in subsection C of the hour and place that the City Council will pass upon the City Engineer's report and will hear protests against the assessments. Such notice shall also set forth the amount of the proposed assessment.
- E. Upon the date and hour set for the hearing of protests, the City Council shall hear and consider the City Engineer's report and all protests, if there are any, and then proceed to confirm, modify or reject the assessments.
- F. A list of assessments as finally confirmed by the City Council shall be sent to the City Treasurer for collection. If any assessment is not paid within 10 days after its confirmation by the City Council, the City Clerk shall cause to be filed in the office of the County Recorder a notice of lien, substantially in the following form:

**NOTICE OF LIEN**

Pursuant to Chapter 11.16, Title 11, of the Carlsbad Municipal Code (Ordinance No. \_\_\_\_\_), the City of Carlsbad did on the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, cause maintenance and report work to be done in the public right-of-way for the purpose of abating a public nuisance caused by activities related to construction at the property described below. The Council of the City of Carlsbad did on the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, by its Resolution No. \_\_\_\_\_ assess the cost or portion of the cost thereof upon the real property hereinafter described, and the same has not been paid nor any part thereof, and the City of Carlsbad does hereby claim a lien upon said real property until the same sum with interest thereon at the maximum rate allowed by law from the date of the recordation of this instrument has been paid in full and discharged of record. The real property hereinbefore mentioned and upon which a lien is hereby claimed is that certain parcel of land in the City of Carlsbad, County of San Diego, State of California, particularly described as follows:

(Description of property)

Dated this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.  
City Clerk, City of Carlsbad.

- G. From and after the date of recordation of such notice of lien, the amount of the unpaid assessment shall be a lien on the property against which the assessment is made, and such assessment shall bear interest at the maximum rate allowed by law until paid in full. The lien shall continue until the amount of the assessment and all interest thereon has been paid. The lien shall be subordinate to tax liens and all fixed special assessment items previously imposed upon the same property, but shall have priority over all contractual liens and all fixed special assessment liens which may thereafter be created against the property. From and after the date of recordation of such notice of lien, all persons shall be deemed to have notice of the contents thereof.

(Ord. NS-386 § 2, 1996)

**§ 11.16.160. Holding city harmless—Insurance.**

The applicant for a right-of-way permit, as a condition to receiving a right-of-way permit, shall sign a statement that he or she agrees to indemnify and hold harmless the city, and each officer and employee thereof, from any liability or responsibility for death or injury to persons and loss or damage to property happening or occurring as a result of the design or performance of any work undertaken under any right-of-way permit granted pursuant to the application. The applicant shall be required to provide proof of liability insurance in the amount of at least one million dollars and shall name the city as an additional insured under the insurance policy. The insurance shall be provided by a company satisfactory to the city. Any deductible or self-insured retention under the insurance policy shall be in an amount acceptable to the city.

(Ord. NS-386 § 2, 1996)

**§ 11.16.170. Exemptions.**

The city and its employees, acting in their official capacity, are exempt from the requirements set forth in this chapter.

(Ord. NS-386 § 2, 1996)

**CHAPTER 11.24  
AGUA HEDIONDA LAGOON**

**Note: Prior ordinance history: Ord. Nos. 1296, 3033, 3083, 3091, 3093, 3118, 3127, 3142, 3153, 3154, 3161, 3213, 3222, and NS-286.**

**§ 11.24.005. Purpose and intent.**

The purpose and intent of this chapter is to establish and regulate a special use area in the inner lagoon area of the Agua Hedionda Lagoon subject to criminal sanctions. It establishes speed zones, time restrictions, and other regulations to protect and ensure the safe and enjoyable use of the inner lagoon. These rules and regulations will be enforced by the Carlsbad police department's police officers and community service officers.

(Ord. NS-292 § 1, 1994; Ord. NS-509 § 1, 1999)

**§ 11.24.010. Definitions.**

For purposes of this chapter, the definitions set forth in the State Harbors and Navigation Code, Vehicle Code and California Administrative Code, as amended to date, and as follows, shall apply:

"Interim management plan" means the interim management plan to facilitate the Agua Hedionda Lagoon Caulerpa Taxifolia Eradication Program, as amended to date, which has been approved by the City Council and is on file with the City Clerk's office.

"Passive use area" means the eastern end of the inner lagoon east of red marker buoys, shown as Zone 6 on the Inner Lagoon Survey Zones map on file in the City Clerk's office.

"Personal watercraft area" means that portion north of the red marker buoys at the northwest end of the inner lagoon, shown as Zone 3 on the Inner Lagoon Survey Zones map on file in the City Clerk's office.

"Powerboat area" means the middle area of the inner lagoon, between the personal watercraft and passive use area, shown as Zones 4 and 5 on the Inner Lagoon Survey Zones map on file in the City Clerk's office.

"Slalom course area" means that portion of the inner lagoon located parallel to the southeastern shoreline within both the powerboat and passive use areas, 1,850 feet long and no more than 150 feet north of the slalom course and 150 feet west of the passive use areas, as delineated by marker buoys.

(Ord. NS-292 § 1, 1994; Ord. NS-509 § 2, 1999; Ord. NS-630 § 1, 2002; Ord. NS-631 § 1, 2002)

**§ 11.24.015. Special use area—Agua Hedionda Lagoon.**

Of the entire Agua Hedionda Lagoon, consisting of three sections known as outer lagoon, inner lagoon, and middle lagoon, only the inner lagoon is declared to be a "special use area" defined in California Harbors and Navigation Code Section 651 authorized for local rules by Section 600(a) as authorized by California Harbors and Navigation Code Section 660. Use of the inner lagoon is subject to the provisions of this chapter and any regulations adopted by resolution of the City Council, including any regulations contained in or established pursuant to the interim management plan.

(Ord. NS-292 § 1, 1994; Ord. NS-509 § 3, 1999; Ord. NS-630 § 2, 2002; Ord. NS-631 § 2, 2002)

**§ 11.24.020. Lagoon use permits.**

- A. It is unlawful to operate any type of vessel on the inner lagoon without first obtaining a city annual or temporary lagoon use permit issued by the City Manager or a designee, or a daily lagoon use permit

issued by the Snug Harbor Marina office. The vessel operator shall display the city's annual permit decal in the specified location at all times or possess and show upon request a valid city temporary or daily lagoon use permit.

- B. Lagoon use permits may be denied, suspended, or revoked for failure to comply with the provisions of this chapter or any regulations adopted pursuant to this chapter, including any regulations contained in the interim management plan.
- C. The City Manager is authorized to establish appropriate procedures, consistent with this chapter and applicable laws and regulations, for the issuance, denial, suspension, or revocation of a lagoon use permit. The procedures for issuing a lagoon use permit shall include, without limitation, the following requirements:
  - 1. Permit application and hold harmless indemnity agreement shall be filled out and signed by a responsible adult;
  - 2. The current permit fee as established by the City Council by resolution must be paid;
  - 3. The fee is nonrefundable and nontransferable;
  - 4. Those vessels that are required by California department of motor vehicles to obtain vessel registration shall provide a copy of valid vessel registration;
  - 5. Lagoon use permits are not required for dredging, research, patrolling or maintenance by the lagoon owner and/or its representative.

(Ord. NS-292 § 1, 1994; Ord. NS-509 § 4, 1999; Ord. NS-630 § 3, 2002; Ord. NS-631 § 3, 2002)

#### **§ 11.24.030. Maximum vessel speed limit.**

It is unlawful to operate a vessel at speeds in excess of 45 miles per hour except pursuant to a special events permit issued pursuant to Chapter 8.17.

(Ord. NS-292 § 1, 1994; Ord. NS-509 § 5, 1999)

#### **§ 11.24.035. Operation of vessels at night.**

Between sunset and sunrise the following day, no person shall operate a vessel at speeds in excess of five miles per hour.

(Ord. NS-292 § 1, 1994)

#### **§ 11.24.050. Inner lagoon—Special use area.**

The inner lagoon, including all water areas east of Interstate 5, shall be subject to the following regulations all year round:

- A. Separate areas are established for use by personal watercraft, powerboats and passive (non-motorized) vessels, with transit corridors adjacent to the shorelines for transit to and from these separate areas.
- B. Personal watercraft are limited to and shall maintain a counterclockwise pattern when in the personal watercraft area. A person may not operate nor give permission to operate a personal watercraft for the purpose of towing a person on water skis, aquaplane or similar device.
- C. Powerboats are limited to and shall maintain a counterclockwise traffic pattern when in the powerboat

area.

- D. Passive vessels are limited to the passive use area, and shall remain north of the slalom course area when it is in use pursuant to Section 11.24.110.

(Ord. NS-292 § 1, 1994; Ord. NS-509 § 8, 1999)

**§ 11.24.055. Fishing.**

- A. Fishing from the shoreline or from a passive vessel shall be limited to the passive use area; fishing from a powerboat shall be limited to the powerboat area. It is unlawful to cast fishing lines into any transit corridor or in the traffic pattern of any vessel.

- B. This section shall become operative on January 1, 2008, unless amended or repealed by further action of the City Council.

(Ord. NS-292 § 1, 1994; Ord. NS-509 § 9, 1999; Ord. NS-630 § 4, 2002; Ord. NS-631 § 4, 2002; Ord. NS-661 § 1, 2003; Ord. NS-700 § 1, 2004; Ord. NS-749 § 1, 2005; Ord. NS-844 § 1, 2007)

**§ 11.24.056. No anchoring in posted areas.**

- A. Notwithstanding any other provision of this chapter and except as otherwise provided in this section, it is unlawful to anchor a boat in any area of the inner lagoon.

- B. The City Manager may allow anchoring in the passive use area or in the powerboat area if the City Manager finds, based on available scientific data, that allowing anchoring in these areas is consistent with the interim management plan and will not cause the spread of Caulerpa taxifolia inside or outside of the lagoon.

- C. Nothing in this section precludes a person from anchoring in an emergency situation in order to prevent personal injury or property damage.

- D. This section shall be operative until December 31, 2007, at which time it shall automatically be repealed unless extended by further action of the City Council.

(Ord. NS-595 § 1, 2001; Ord. NS-596 § 1, 2001; Ord. NS-630 § 5, 2002; Ord. NS-631 § 5, 2002; Ord. NS-661 § 2, 2003; Ord. NS-700 § 2, 2004; Ord. NS-749 § 2, 2005; Ord. NS-796 § 1, 2006; Ord. NS-844 § 2, 2007)

**§ 11.24.057. No large wakes.**

- A. Except when necessary for starting and stopping only, it is unlawful to operate a personal watercraft or powerboat in any area of the inner lagoon in a manner that generates wakes in excess of 12 inches above the undisturbed water line.

- B. This section shall be operative until December 31, 2007, at which time it shall automatically be repealed unless extended by further action of the City Council.

(Ord. NS-630 § 6, 2002; Ord. NS-631 § 6, 2002; Ord. NS-661 § 2, 2003; Ord. NS-700 § 3, 2004; Ord. NS-749 § 3, 2005; Ord. NS-796 § 3, 2006; Ord. NS-844 § 3, 2007)

**§ 11.24.058. Compliance with lagoon closures under interim management plan.**

- A. Notwithstanding any other provision of this chapter, it is unlawful to enter or to cause a personal watercraft, powerboat, or passive vessel to enter any area of the inner lagoon that is closed for survey or eradication work under the interim management plan.

B. Nothing in this section precludes the entering into a closed area of the inner lagoon in an emergency situation in order to prevent personal injury or property damage.

(Ord. NS-630 § 7, 2002; Ord. NS-631 § 7, 2002)

#### **§ 11.24.060. Public access.**

All public accesses are subject to the following year-round regulations:

A. Open for walk-in traffic only, from sunrise to sunset; it is unlawful to drive a motorized vehicle on a public access when posted for walk-in traffic only;

B. Passive vessels with a valid city permit may be launched at any public access;

C. It is unlawful to launch any personal watercraft or powerboat from any public access.

(Ord. NS-292 § 1, 1994; Ord. NS-509 § 10, 1999)

#### **§ 11.24.075. Maximum number of vessels on the water.**

The maximum number of passive and power vessels (excluding personal watercraft) using the water in their designated use areas at any one time shall not exceed 40 vessels in the passive use area, nor 30 vessels in the powerboat area. The maximum number of personal watercraft using the personal watercraft area at any one time shall not exceed 15. The maximum number of boardsails using the passive use area at any one time shall not exceed 20.

(Ord. NS-292 § 1, 1994; Ord. NS-509 § 12, 1999)

#### **§ 11.24.080. Maximum vessel length.**

The maximum vessel length allowed in the inner lagoon, excluding rescue, research and maintenance vessels, shall be 21 feet or less for powerboats, 18 feet or less for passive vessels and 12 feet or less for personal watercraft. Notwithstanding the foregoing, powerboats used for skiing may be 23 feet if the manufacturer's certified slalom wake rise rating is less than nine inches.

(Ord. NS-292 § 1, 1994; Ord. NS-509 § 13, 1999)

#### **§ 11.24.085. Prohibited uses.**

The city reserves the right to limit the type of vessels and aquatic uses of the lagoon. The following type of vessels or uses are not allowed on the inner lagoon:

- A. Parasails;
- B. Hovercraft (except for official use);
- C. High profile cabin cruisers;
- D. Motorized surfboard-like vessels;
- E. No aircraft shall land on takeoff from the water or public shoreline and public accesses;
- F. No aquatic vessel races, ski meets, vessel parades or other aquatic special events on the water are allowed except as authorized by a special events permit obtained pursuant to Chapter 8.17;
- G. No permanent mooring a vessel;
- H. No swimming or wading, except in conjunction with other permitted activities under this chapter;

- I. This section is not intended to apply to the lagoon owner and/or its representative, the state, county, city or other political subdivision of the state. The city does not intend to regulate maintenance, dredging, research, patrol, utility and other vessels authorized by lagoon owner and/or its representative for its uses in the lagoon.

(Ord. NS-292 § 1, 1994; Ord. NS-509 § 14, 1999)

**§ 11.24.100. Throwing waste or refuse in water or on public access or shoreline.**

It is unlawful to place waste or refuse of any kind in the water, on the shoreline or public access except in designated waste or refuse containers.

(Ord. NS-292 § 1, 1994)

**§ 11.24.110. Water-ski slalom course.**

The following shall apply when daylight savings time is in effect: The slalom course area may be used in two directions between sunrise and 10:00 a.m. daily. After 10:00 a.m. the slalom course area will be closed and unlawful to use. Each pass made through the slalom course area, when closed, shall constitute a new and separate offense. Between sunrise and 10:00 a.m. daily, powerboats and skiers shall comply with the following procedures:

- A. No vessel may enter through the slalom course area when another powerboat is towing a skier.
- B. Only one boat at a time may use the course. Other boats wishing to use the course will sit at a safe distance not less than 50 feet at the west end of the designated slalom course area. A skier may take a maximum of four passes through the course. A boat completing its passes should retrieve its skier and proceed at speeds less than five miles per hour to the waiting area, south beach or powerboat area. The next boat in line may proceed to the starting area and begin pulling its skier. For the purposes of this chapter, the definition of a pass shall be one round trip through the course.
- C. If a skier falls during a pass, the boat must return at a safe speed to pick up the skier. Each skier is allowed two falls per pass. A failed attempt to get up is to be considered a fall.
- D. It is unlawful to pull more than one skier within the boundaries of the designated slalom course area.
- E. The city reserves the right to terminate use of the slalom course by any vessel or skier at any time based on safety and liability concerns.
- F. In the event of any dispute or question as to what constitutes a safety or liability concern, the decision of the city shall be binding and conclusive.

When Pacific standard time is in effect, all of the aforementioned slalom course rules shall remain in effect with the exception of the time restriction.

(Ord. NS-292 § 1, 1994; Ord. NS-509 § 17, 1999)

**§ 11.24.115. Boats and skiers.**

Boats and skiers shall comply with the following rules and procedures:

- A. Boats shall maintain a counterclockwise pattern in the powerboat area.
- B. No takeoffs or drop-offs are allowed in the personal watercraft area, vessel corridors, or passive use area at any time.

- C. Takeoff traffic shall standby until the way is safe and clear before starting.
- D. All drop-offs shall be done parallel to the shoreline; the boat shall not "hook," instead it shall remain parallel to the shoreline; once the skier drops off, the boat shall stop, draw in the towline and when safe, make a small counterclockwise turn back to the desired beach location.
- E. The maximum number of towlines used behind any boat shall be two; the maximum number of skiers behind any boat shall be two.
- F. When towing two skiers and one skier falls, the second skier shall let go of the towline. The boat shall then follow established procedure and safety precautions for skier pick-up and takeoff procedures.
- G. No unattended ski equipment may be left in the lagoon.
- H. Towing of any object or aquatic device (excluding water skis and wake boards) is subject to approval by the city, in advance.
- I. No boat shall pull into the beach with tow line dragging behind.
- J. Vessel racing is prohibited unless approved in accordance with Section 11.24.085.  
(Ord. NS-292 § 1, 1994; Ord. NS-509 § 18, 1999)

#### **§ 11.24.120. Establishment of vessel transit corridors.**

When buoys are placed out from the shoreline to establish vessel transit corridors, it is unlawful to travel on the shore side of such buoys except for the purpose of transit from one area to another at speeds not to exceed five miles per hour. No towing of any aquatic device or person is allowed between the buoys and the shoreline. No water ski takeoff is permitted in the transit corridor, between the buoys and the shoreline. No mooring, anchoring or beaching a vessel is allowed in the transit corridor between sunset and sunrise.  
(Ord. NS-292 § 1, 1994; Ord. NS-509 § 19, 1999)

#### **§ 11.24.125. City's liability—Use of areas at own risk.**

The city declares its purpose in adopting this chapter is safe conduct among the users of the Agua Hedionda Lagoon. The City Council does not expand its liability, if any, for accidents or injuries sustained by the public user of such aquatic areas. Any person utilizing aquatic areas does so at his or her own risk.  
(Ord. NS-292 § 1, 1994)

#### **§ 11.24.130. Compliance with chapter, regulations and orders.**

- A. It is unlawful for any person to violate any provision of this chapter, including to refuse to follow or comply with regulations adopted pursuant to this chapter, or with any lawful notice, sign, order, warning signals, or lawful direction of a police officer, community services officer, or lifeguard, except for the purpose of making a rescue.
- B. It is further unlawful for any person to deface, injure, knock down or remove any notice, sign, or warning placed for the purpose of enforcing the provisions of this chapter, or regulations adopted pursuant to this chapter.
- C. Operators of vessels on the lagoon shall, upon approach of a marked enforcement vessel displaying a blue light, immediately yield the right-of-way to the enforcement vessel and, upon direction of the operator of the enforcement vessel, come to a stop.  
(Ord. NS-292 § 1, 1994; Ord. NS-509 § 20, 1999; Ord. NS-630 § 8, 2002; Ord. NS-631 § 8, 2002)

**§ 11.24.135. Boating regulations.**

The City Council may by resolution establish boating regulations for the inner lagoon.  
(Ord. NS-292 § 1, 1994; Ord. NS-509 § 21, 1999)

**§ 11.24.137. Enforcement by police department—Authority of community services officers.**

- A. Except for the issuance, denial, suspension, or revocation of lagoon use permits under Section 11.24.020, which shall be administered by the City Manager or a designee, the police department shall enforce this chapter, including any regulations adopted by the City Council pursuant to this chapter, along with any violation of the California Harbors and Navigation Code, Penal Code, Vehicle Code, and their implementing regulations, pertaining to the inner lagoon.
- B. If a community services officer III is assigned by the Police Chief or a designee to patrol the inner lagoon, the officer is charged with enforcement of the above laws and regulations and authorized and empowered to act pursuant to Penal Code Sections 836.5 and 853.6 to arrest or issue a citation to any person without a warrant whenever the officer has reasonable cause to believe that the person has committed a violation of these laws and regulations and the violation was committed in the officer's presence.

(Ord. NS-297 § 1, 1994; Ord. NS-509 § 22, 1999; Ord. NS-630 § 9, 2002; Ord. NS-631 § 9, 2002)

**§ 11.24.138. Violations.**

Violations of this chapter, or any regulations adopted pursuant to this chapter, are subject to the provisions of Chapter 1.08 of this code.

(Ord. NS-630 § 10, 2002; Ord. NS-631 § 10, 2002)

**§ 11.24.140. Constitutionality or invalidity.**

If any section, subsection, sentence, clause or phrase of this chapter is for any reason held to be invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity or constitutionality of the remaining sections, and each section, subsection, sentence, clause and phrase hereof would have been prepared, proposed, adopted, approved and ratified irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared invalid or unconstitutional.

(Ord. NS-292 § 1, 1994)

## CHAPTER 11.28 PUBLIC NUDITY

### **§ 11.28.010. Purpose and intent.**

The presence of persons who are nude and exposed to public view in or on public rights-of-way, public parks, public beaches or any other public land, or in or on any private property open to public view from any public right-of-way, public beach, public park, or other public land is offensive to members of the general public unwillingly exposed to such persons. The parks and beaches owned by the city are operated and maintained for the use, benefit, recreation and enjoyment of all citizens and residents of this city. It is in the public interest and necessary to the public health, safety and welfare that the parks and beaches be utilized and enjoyed by as many persons as possible. The maximum utilization and enjoyment of the parks and beaches can only be obtained through the imposition of regulations regarding activities thereon. The appearance of some persons utilizing the parks and beaches without clothing and with the private parts of their bodies exposed unreasonably interferes with the right of all persons to use and enjoy the parks and beaches by causing many persons to leave, and others not to come to the parks and beaches.

Such conduct and behavior imposes an extraordinary and unusual burden on city employees charged with the maintenance of the parks and beaches and the preservation of the safety and well-being thereof.

The provisions of this chapter are enacted for the purpose of securing and promoting the public health, morals and general welfare of all persons in the city.

(Ord. 3103 § 1, 1976)

### **§ 11.28.020. Nudity defined.**

Whenever in this chapter the word "nude" is used, it means devoid of an opaque covering which covers the genitals, vulva, pubis, pubic symphysis, pubic hair, buttocks, natal cleft, perineum, anus, anal region, or pubic hair region of any person or any portion of the breast at or below the upper edge of the areola thereof of any female person.

(Ord. 3103 § 1, 1976)

### **§ 11.28.030. Public place defined.**

Whenever in this chapter the words "public place" are used, they mean any public beach, park, street or waters adjacent thereto, or any place open to the public or exposed to public view, including specifically a view from any private residence or any portion of the real property in the immediate vicinity of such private residence, whether such place is publicly or privately owned.

(Ord. 3103 § 1, 1976)

### **§ 11.28.040. Public nudity prohibited.**

It is a public nuisance and unlawful for any person to appear, sunbathe, bathe, walk, disrobe, or otherwise be nude in any public place except in those portions of a comfort location, if expressly set aside for such purpose. Any person who violates any of the provisions of this chapter is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than \$500.00, or by imprisonment in the county jail for a period of not more than six months, or by both fine and imprisonment.

(Ord. 3103 § 1, 1976)

**§ 11.28.050. Exceptions.**

This chapter shall not apply to:

- A. Persons under the age of 10 years;
- B. Persons engaged in a live theatrical performance performed in a theater, concert hall or other similar establishment which is predominantly devoted to theatrical performances;
- C. Any act or acts which are expressly authorized or prohibited by the Penal Code of the State of California; and/or
- D. Any act regulated under Chapter 8.60.

(Ord. NS-761 § 6, 2005)

## CHAPTER 11.32 PARKS AND BEACHES

### **§ 11.32.010. Parks—Scope.**

For the purpose of this chapter, parks shall include all dedicated parks, parks established by adverse uses, planted areas open to the general public, parks on leased property, trails open to the general public, planted parkways, triangles, and traffic circles maintained by the city, except parkway strips between curb and sidewalk or behind curb, along the several streets and highways of the city.

(Ord. 3222 § 2, 1987; Ord. NS-894 § 1, 2008)

### **§ 11.32.015. Definitions.**

Whenever the words "park" and "vehicle" are used in this chapter, they shall have the meaning ascribed to them in Chapter 10.04 of this code.

(Ord. CS-022, 2009)

### **§ 11.32.020. Beaches—Scope.**

For the purpose of this chapter, beaches shall include all beach areas bordering the Pacific Ocean, the Batiquitos Lagoon, the Buena Vista Lagoon and the Agua Hedionda Lagoon.

(Ord. 3222 § 2, 1987)

### **§ 11.32.030. Unlawful acts.**

It is unlawful for any person to do any of the following mentioned acts in or upon any park or beach within the city:

1. To dump or deposit any trash, refuse, rubbish, litter, or other kind of waste materials, except in approved containers specifically placed and designated to receive such waste materials;
2. To start or maintain any fire, except in such areas as are specifically designated by the City Manager for such fires, including stoves, barbecue pits, fire rings and the like;
3. To commit any act of vandalism, including the damaging or destroying of trees or their leaves, limbs or branches, bushes, shrubbery, equipment, signs, buildings or rooms, or to tear down or to deface the same, or to pick any crops, fruit or flowers in any portion of such public park or beach;
4. To bring into or use any firearms or air or gas or spring-propelled guns, sling shots, bows and arrows, except that bows and arrows may be permitted in such portions of public parks or beaches which are specifically designated by the City Manager for archery or other projectile-throwing devices;
5. To discharge or set off firecrackers, torpedoes, rockets or other fireworks except where a special event permit has been granted pursuant to Chapter 8.17;
6. To stable, pasture or keep animals or insects;
7. To bring into a public park or beach any cattle, horse, mule, goat, sheep, swine, cat, other animal, fowl or reptile of any kind except as hereafter specifically provided or as otherwise permitted by the City Manager or designee or with a valid special event permit or park and facility use permit;
8. To enter any portion of a public park or beach in the city, or buildings or portions thereof in such public parks and beaches which are posted with signs stating "no entry," "keep out," "no trespassing,"

- "closed area" or other prohibition of entry;
9. To enter any portion of or be in a public park or beach in the city at a time of the day, or on a day of the week, when such entry is prohibited by a clearly legible sign posted at each entrance to such public park or beach. The City Manager is given authority to post such signs;
  10. To park any vehicles or trailer in any public park or beach in the city, except in areas specifically designated as parking areas by the City Manager or designee;
  11. To ride or lead horses, or to hitch, fasten, lead, drive or let loose any animal or fowl of any kind. Dogs are not allowed in Carlsbad's parks or on Carlsbad's beaches.
    - a. Notwithstanding any other provisions of this chapter, this section does not apply to Batiquitos Lagoon, Buena Vista Lagoon or Agua Hedionda Lagoon.
    - b. This prohibition does not apply to a dog accompanying an unsighted person, or other person who by reason of medical necessity must be accompanied by a dog, dogs while assisting peace officers in law enforcement duties, dog parks or other areas specifically designated for dog use by the City Council, or to dogs participating in shows or obedience classes authorized by the Carlsbad community services department on specified areas of parks or beaches.
    - c. This prohibition does not apply to Leo Carrillo Ranch Historic Park with a valid park and facility use permit issued by the City Manager or designee authorizing one or more horses, ponies, or horse drawn carriages;
  12. To construct or erect on any portion of a public park or beach in the city any building, fence or structure of whatever kind, whether permanent or temporary in character, or run, or string or install any public service utility into, upon or across such lands, except on special written permit of the City Manager or designee as to temporary items and of the City Council as to permanent items. Each day such condition exists shall constitute a new and separate offense;
  13. To park or stand any vehicle or trailer in any public park in the city between the hours of 11:00 p.m. and 5:00 a.m. daily, except as permitted by the City Manager or designee;
  14. To cut and remove any wood or to remove turf, grass, soil, rock, sand, gravel or fertilizer;
  15. To camp or lodge in any park or beach except in those areas designated and posted as camping sites by the City Manager or designee;
  16. To play or engage in any sport or sporting event in any picnic area;
  17. To disturb in any manner any picnic, meeting, service, concert, exercise or exhibition;
  18. For any groups consisting of 25 or more persons to hold, conduct or participate in any celebration, parade, service, picnic, exercise, or other special event without having first obtained an approved park and facility use permit. This subsection shall not apply to any beach in the city;
  19. To distribute any handbills or circulars, or to post, place or erect any bills, notice, paper, or advertising device or matter of any kind;
  20. To sell or offer for sale or to rent or lease any merchandise, article or thing, whatsoever, unless granted a valid special event or park and facility use permit issued by the City Council or designee;
  21. To practice, carry on, conduct or solicit for any trade, occupation, business or profession of

whatsoever kind or character without permission of the City Council or City Manager;

22. To use or operate any vehicles at any time, except as permitted by the City Manager, or designee, in a park, designated streets or parking areas or as part of a supervised recreational activity or as authorized by the owners of the outer lagoon. This subsection does not apply to officers, agents or employees of the United States, the State of California, the city, or public utility companies or other local government agencies, when they are using motor-powered vehicle in the performance of their official duty, nor to the use of motor-powered vehicle in emergencies when it is necessary to use them for the preservation or protection of life or property, nor to utility companies using motor-powered vehicle for the installation, maintenance, repair or servicing of utility lines, generation, intake and outfall facilities, cooling water resources and other related facilities;
23. No person shall allow any dog owned by him or her or any dog subject to his or her control, custody, or possession, to enter upon any park within the city; provided, however, that this subsection shall not apply to dogs participating in shows or obedience classes authorized by the Carlsbad community services department in specified areas of parks, dog parks or other areas specifically designated for dog use by the City Council. No person shall allow or permit any dog to destroy any real or personal property or to commit a nuisance on any park property. It is the duty of persons having control of a dog to curb such a dog while in a park area;
24. No person who is over six years of age shall enter or use any water closet, restroom, dressing room or other facility designated for exclusive use by persons of the opposite sex in a public park or beach;
25. For any person to assemble, collect or gather together in any walk, passageway or pathway set apart for the travel of persons through any park or beach or to occupy same so that the free passage or use thereof by persons passing along the same shall be obstructed in any manner;
26. Nothing herein contained shall prevent the operation of motor vehicles and free right of public access over, or across any validly dedicated public street or road in the city;
27. No person shall play or practice golf or swing any golf club within any park within the city, except in such areas and to the extent as may be authorized by posted signs authorized by the City Manager or designee;
28. To sell or offer to sell food, or barter for or solicit a donation for food, without a valid park and facility use permit or special event permit, all applicable health permit(s) issued by County of San Diego department of health, and if required, a City of Carlsbad business license. This subsection shall not apply to any state, county or local government entity or other political subdivision;
29. To use any inflatable commonly known as "jump house," "bounce house," "jump bouncers," "bouncy houses," "fun houses," or similar device without a valid park and facility use permit or special event permit. For purposes of this subsection, jump house, bounce house, jump bouncers, bouncy houses, fun houses, or similar is a structure that when inflated by a blower or similar inflating takes on a particular form where a person can bounce, jump, climb and slide on the inflatable device. The inflatable devices normally have safety features built into the design and are rugged with reinforced construction;
30. The temporary construction or use of a water slide, slip and slide, dunk tank, merry-go-round and climbing wall is prohibited except by permission of the City Manager or designee;
31. To use radio or remote controlled cars or similar devices, excepting the beach area west of Carlsbad Boulevard, between Palomar Airport Road and Solamar Drive;

32. To use radio or remote controlled model aircraft or similar devices excepting the beach area west of Carlsbad Boulevard, between Palomar Airport and Solamar Drive, and excepting on any park's natural turf baseball fields from 8:00 a.m. to 2:00 p.m., only if a scheduled league game or practice is not occurring, or as otherwise permitted by the City Manager or designee provided appropriate signs are installed giving adequate notice of such excepted areas.

(Ord. 3222 § 2, 1987; Ord. NS-51 § 1, 1989; Ord. NS-56 § 3, 1989; Ord. NS-286 § 5, 1994; Ord. NS-557 § 1, 2000; Ord. CS-022, 2009; Ord. CS-077, 2010)

#### **§ 11.32.035. Security of TGIF Concerts in the Park.**

- A. Purpose and Intent. The city is committed to maintaining a safe outdoor concert series for the enjoyment of city residents and visitors. The purpose of this section is to promote the safety and security of all attendees of the TGIF Concerts in the Park held at any park within the city.
- B. Security Screenings at TGIF Concerts in the Park.
1. The City Manager or designee may establish security screening, which may include metal detectors and other screening equipment, at each point of entry to any TGIF Concert in the Park. If security screening is established by the City Manager or designee, all persons shall submit to the screening of their person and possessions as a condition of entry to the concert, except the following:
    - a. Current City of Carlsbad elected officials and employees, acting within the scope of their duties and upon a showing of valid identification, which may include a city-issued identification card;
    - b. Current City of Carlsbad contractors and consultants, acting within the scope of their contract and upon a showing of valid identification; and
    - c. Sworn on-duty law enforcement personnel.
  2. Unless exempt from security screening as provided in this section, anyone refusing to submit to the security screening or inspection shall be denied entrance to the concert.
  3. Signs shall be posted to alert the public when and where security screening is taking place.
  4. Any person who attempts to gain entry to a TGIF Concert in the Park after refusing to comply with the security screening procedures established by this section is guilty of a misdemeanor.

- C. Additional rules and procedures to promote public safety. The City Manager or designee is authorized to make and enforce additional rules and procedures necessary to implement the provisions of this chapter.

(Ord. CS-468, 3/26/2024)

#### **§ 11.32.040. Glass containers on beach—Prohibited.**

- A. It is unlawful for any person to have, possess or use any cup, tumbler, jar, bottle or container made of glass and used for carrying or containing any liquid for drinking purposes on any beach, any park or on any street, sidewalk, alley, highway, or parking lot immediately adjacent to such park or beach except by permission of the City Manager or designee.
- B. No person who has in his or her possession any bottle, can or other receptacle containing any alcoholic beverage which has been opened, or a seal broken or the contents of which have been

partially removed, shall enter, be or remain on any beach or on any street, sidewalk, alley, highway, bluff top or parking lot immediately adjacent to such beach except by permission of the City Manager or designee.

(Ord. 3222 § 2, 1987; Ord. NS-49 § 1, 1988; Ord. CS-022, 2009)

#### **§ 11.32.050. Public dances.**

It is unlawful for any person to present, conduct, hold, or participate in any public dance on any beach, park, navigable water area, or public right-of-way or city-owned property without first having obtained the permission therefor from the City Council.

(Ord. 3222 § 2, 1987)

#### **§ 11.32.060. Violations—Seizure of property.**

The City Manager, city police, or employees of the community services department shall have the authority to seize and confiscate any property, thing, or device used in violation of the terms of this chapter.

(Ord. 3222 § 2, 1987; Ord. NS-286 § 5, 1994)

#### **§ 11.32.070. Carlsbad seawall—Pedestrians only.**

The Carlsbad seawall sidewalk at the base of the bluff adjacent to Carlsbad State Beach between Tamarack Avenue and Pine Street shall be limited to pedestrians only. No person shall ride skateboard, inline skates, roller skates, toy vehicle, coaster, or similar form of transportation on the Carlsbad seawall sidewalk. Law enforcement personnel shall be exempt from the provision of this section when in the performance of their duties.

(Ord. 3222 § 2, 1987; Ord. NS-152 § 1, 1991; Ord. CS-139 § 3, 2011)

#### **§ 11.32.080. Restriction of areas for exclusive use of surfboards.**

The council determines that the unrestricted operation of surfboards and similar devices in that portion of the Pacific Ocean immediately adjacent to the public bathing beaches within the city, constitute a serious hazard and a threat to the safety of many thousands of bathers, particularly during the period between the 15th day of May and the first day of October. In order to reduce such hazard and promote public safety during such periods, it is essential that the operation of surfboards and similar devices be restricted within that portion of the Pacific Ocean most frequented by persons using the public beaches. The Chief of Police, in conjunction with the District Lifeguard Supervisor, District VI of the State Department of Natural Resources of Beaches and Parks, is authorized and directed to ascertain, designate, post and mark from time to time, areas for the use of surfboard riding exclusively.

(Ord. 3222 § 2, 1987)

#### **§ 11.32.090. Hours surfing is prohibited.**

It is unlawful for any person to ride, use or otherwise employ a surfboard or similar device in the surf along the beaches of the city between the hours of 11:00 a.m. and 5:00 p.m., Pacific Standard or Daylight Savings Time (whichever is in use) between the 15th day of May and the first day of October of any calendar year. Except that it is lawful to surfboard ride at any hour in any area ascertained, designated, posted and marked by the Chief of Police and the District Lifeguard Supervisor, District VI of the State Department of Natural Resources, Division of Beaches and Parks for the use of surfboard riding exclusively, pursuant to this chapter.

(Ord. 3222 § 2, 1987)

**§ 11.32.100. Application of Sections 11.32.080 and 11.32.090 to lifesaving devices.**

Sections 11.32.080 and 11.32.090 shall not apply to those surfboards or other devices used by or under the direction of the lifeguards for lifesaving purposes or for training purposes.

(Ord. 3222 § 2, 1987)

**§ 11.32.110. Smoking in public parks and beaches—Prohibited.**

It is unlawful for any person to smoke, including emitting or exhaling the fumes of any pipe, cigar, cigarette or any other lighted smoking equipment used for burning any tobacco product, weed or plant, or carry or hold a lighted pipe, cigar, cigarette or other lighted smoking products used for burning any tobacco product, weed or plant in a public park or public beach except in areas designated by the City Manager, and indicated by signage, as smoking areas. In any location where smoking is prohibited, it shall also be unlawful for any person to use an electronic cigarette as defined in California Health and Safety Code Section 119405 ("e-cigarette") or a similar device intended to emulate smoking, which permits a person to inhale vapors or mists that may or may not include nicotine. The provisions of this chapter do not apply in any circumstance where federal or state law regulates smoking or the use of e-cigarettes, if the federal or state law is more restrictive.

(Ord. NS-894 § 2, 2008; Ord. CS-237 § 3, 2013)

**CHAPTER 11.36**  
**LOCATIONS AND STANDARDS FOR NEWSRACKS ON PUBLIC RIGHTS-OF-WAY**

**§ 11.36.010. Purpose and intent.**

The City Council of the city finds and declares that:

- A. The uncontrolled placement of newsracks in public rights-of-way presents an inconvenience and danger to the safety and welfare of persons using such rights-of-way, including pedestrians, persons entering and leaving vehicles and buildings, and persons performing essential utility, traffic control and emergency services.
- B. Newsracks located so as to cause an inconvenience or danger to persons using public rights-of-way, and unsightly newsracks located therein, constitute public nuisances.
- C. The uncontrolled proliferation of newsracks detracts from the appearance of streets, sidewalks, and adjacent businesses.
- D. The uncontrolled placement of newsracks inhibits safe entry and departure of vehicles.
- E. The uncontrolled placement of newsracks impairs the vision and distracts the attention of motorists and pedestrians, particularly small children and may cause injury to the person or property of such persons.
- F. The placement of newsracks without a permit based on detailed findings in public rights-of-way adjacent to residential areas, detracts from and reduces neighborhood aesthetics and increases the exposure of residents to noise, traffic volume and hazards and congestion.
- G. The provisions and prohibitions contained and enacted in this chapter are in pursuance of and for the purpose of securing and promoting the public safety and general welfare of persons in the city in their use of public rights-of-way.

(Ord. NS-99 § 1, 1990)

**§ 11.36.020. Definitions.**

Whenever the following words and phrases are used in this chapter, they shall have the meaning ascribed to them in this section:

"Blinder rack" means an opaque material placed in front of, or inside, a newsrack which prevents exposure of matter to public view.

"Cluster" means a group of newsracks placed side-by-side so as to appear in a continuous row.

"Distributor" means the person responsible for placing and maintaining a newsrack in a public right-of-way.

"Harmful matter" means matter, taken as a whole, which to the average person, applying contemporary statewide standards, appeals to the prurient interest, and is a matter which, taken as a whole, depicts or describes in a patently offensive way sexual conduct and which, taken as a whole, lacks serious literary, artistic, political or scientific value for minors.

"Newsrack" means any self-service or coin-operated box, container, storage unit, or other dispenser installed, used or maintained for the display, sale or distribution of publications.

"Public right-of-way" means any place of any nature which is dedicated to use by the public for pedestrian

and vehicular travel, and includes, but is not limited to, a street, sidewalk, curb, gutter, crossing, intersection, parkway, highway, alley, lane, mall, court, way, avenue, boulevard, road, roadway, viaduct, subway, tunnel, bridge, thoroughfare, park, square, and any other similar public way.

"Roadway" means that part of a public right-of-way that is designated and used primarily for vehicular travel.

"Sidewalk" means that part of a public right-of-way that is designated and ordinarily used for pedestrian travel.

For the purposes of this section, the terms "harmful matter," "matter," "person," "distribute," "knowingly," "exhibit" and "minor" have the meanings specified in Section 313.1 of the California Penal Code. For the purposes of this chapter, the term "blinder rack" means an opaque material placed in front of, or inside a newsrack or on a newsstand which prevents exposure of matter to public view.

(Ord. NS-99 § 1, 1990; Ord. NS-104 § 1, 1990; Ord. NS-273 § 1—3, 1994; Ord. NS-323 §§ 1, 2, 1995)

#### **§ 11.36.030. Prohibition.**

Newsracks are prohibited on property owned by the city or by the public except that newsracks may be installed, placed and maintained on a public right-of-way subject to the issuance of a business license pursuant to this chapter. Each distributor must obtain a business license as provided in Carlsbad Municipal Code Chapters 5.04 and 5.08, and at that time execute a hold-harmless agreement in favor of the city and show proof of insurance as specified in this chapter, naming the city as an additional insured.

The ordinance codified in this section shall have a delayed operative date of January 1, 1996. Newsracks lawfully in existence upon enactment of the provisions contained herein shall be allowed to remain at their location in their condition until January 1, 1996, at which time they must be brought into conformance with this chapter and distributors must have a business license.

(Ord. NS-323 § 3, 1995)

#### **§ 11.36.040. Standards for newsracks.**

Any newsrack which rests in whole or in part upon, in or on any portion of a public right-of-way or which projects onto, into or over any part of a public right-of-way shall comply with the standards set forth in this section.

- A. No newsrack shall exceed 50 inches in height, 27 inches in width, or 24 inches in depth.
- B. No advertising signs or material, other than those dealing with the name of the publication contained within the newsrack, shall be displayed on the outside of the newsrack.
- C. Each newsrack shall be equipped with a coin-return mechanism to permit a person using the machine to secure an immediate refund in the event he or she is unable to receive the publication paid for, unless the publication is provided free of charge.
- D. Each newsrack shall have affixed to it in a readily visible place so as to be seen by anyone using the newsrack a notice setting forth the name and address of the distributor and the telephone number of a working telephone service to call to report a malfunction, or to secure a refund in the event of a malfunction of the coin-return mechanism, or to give the notices provided for in this chapter.
- E. Each newsrack shall be maintained in a neat and clean condition and in good repair at all times. Specifically, but without limiting the generality of the foregoing, each newsrack shall be serviced and maintained so that:

1. It is reasonably free of dirt and grease;
  2. It is reasonably free of chipped, faded, peeling and cracked paint in the visible painted areas thereof;
  3. It is reasonably free of rust and corrosion in the visible unpainted metal areas thereof;
  4. The clear plastic or glass parts thereof, if any, through which the publications therein are viewed are unbroken and reasonably free of cracks, dents, blemishes and discoloration;
  5. The paper or cardboard parts or inserts thereof are reasonably free of tears, peeling or fading; and
  6. The structural parts thereof are not broken or unduly misshapen.
- F. Newsracks shall be of unobtrusive neutral colors of gray, black or brown to blend in with the streetscape. Lettering may be black and/or white. However, the bottom six inches of the newsrack door may be of other colors that may be identified with the publication.
- G. Newsracks lawfully in existence on June 1, 1989 shall be allowed to remain at the same location, provided they are not determined to be a public nuisance or dangerous to the public safety or general welfare, for a period of one year following adoption of the ordinance codified in this chapter. In order to benefit from this subsection, a distributor must report the number and location of all newsracks existing on June 1, 1989 to the engineering department within 60 days of the effective date of the ordinance codified in this chapter which shall compile an inventory of such existing newsracks. Such inventory list shall be conclusive as to the location and existence of such newsracks. Thereafter, all such newsracks shall be required to comply with all provisions of this chapter.

(Ord. NS-99 § 1, 1990; Ord. NS-323 § 4, 1995)

#### **§ 11.36.050. Location of newsracks.**

Any newsrack which rests in whole or in part upon, in, or on any portion of a public right-of-way or which projects onto, into or over any part of a public right-of-way shall be located in accordance with the provisions of this section:

- A. No newsrack shall be located in whole or in part in any roadway.
- B. Newsracks may be located near a curb (or if there is no curb, the edge of the roadway) or to the rear of a sidewalk, farthest from the street or roadway. Newsracks located near a curb shall be placed not less than 18 inches nor more than 24 inches from the edge of the curb. Newsracks placed adjacent to the rear of the sidewalk shall be placed parallel to any wall and at least six inches from the wall. No newsrack shall be located directly in front of any display window of any commercial building abutting a sidewalk or roadway except near the curb without written permission of the owner of the business.
- C. Newsrack mounts shall be bolted in place in accordance with specifications provided by the city.
- D. Newsracks may be placed next to each other, provided that no cluster of newsracks shall extend for a distance of more than 10 feet.
- E. No newsrack shall be placed, installed, used or maintained:
  1. Within 25 feet of a curb-return or driveway approach. In no case shall a newsrack impair the sight distance of a vehicle or pedestrian proceeding along, or ingressing or egressing the public

- right-of-way, as may be determined by the Transportation Director;
2. Within five feet of any fire hydrant, fire call box, police call box or other emergency facility;
  3. Within five feet of the outer end of any bus bench;
  4. Within three feet ahead or 15 feet to the rear of any sign marking a designated bus stop;
  5. Within three feet of the outer end of any bus bench;
  6. At any location whereby the clear space of the passageway of pedestrians is reduced to less than five feet; in the case of sidewalks that are 10 feet wide, the placement of the newsrack shall allow for a pedestrian passageway of not less than six feet in width;
  7. Within three feet of or on any publicly maintained property improved with lawn, flowers, shrubs, trees or other landscaping;
  8. Within 20 feet of any other cluster of newsracks whether or not containing the same publication;
  9. Within five feet of a curb painted blue, pursuant to the provisions of California Vehicle Code Section 21458;
  10. Within 500 feet of a school site. The provisions contained in this subsection shall not apply if compliance with the provisions would prohibit the placement of newsracks for a distance of 1,000 feet on the same side of the street in the same block;
  11. Where placement unreasonably obstructs, interferes with, or impedes access to or use of abutting property, including, but not limited to, residences, places of business, or legally parked or stopped vehicles.

(Ord. NS-99 § 1, 1990; Ord. NS-323 § 6, 1995; Ord. CS-164 § 2, 2011)

#### **§ 11.36.060. Applicability in residential zones.**

Newsracks shall not be located on any street identified in the circulation element of the city general plan as a local or collector street within any area of the city zoned for single-family residential uses. If no prime or major arterial is located within one-half mile of a residential neighborhood, the distributor may petition the City Engineer for a permit.

(Ord. NS-99 § 1, 1990; Ord. NS-323 § 7, 1995)

#### **§ 11.36.061. Hold-harmless agreement.**

Each business license issued pursuant to this chapter shall be subject to a requirement that the licensee agrees to defend, indemnify and hold harmless the city and its officers and employees from any claim, damage or liability arising from the placement or location of the newsrack or its operation.

(Ord. NS-323 § 8, 1995)

#### **§ 11.36.062. Insurance requirement.**

No person, association, firm or corporation shall place, locate or maintain a newsrack on public rights-of-way unless there is on file with the city finance department, in full force and effect at all times, a document issued by an A-V rated insurance company authorized to do business in the State of California evidencing that the licensee is insured under a liability insurance policy providing minimum coverage of \$500,000.00 for each person who suffers injury or death arising out of the location, placement or operation of the

licensee's equipment. A separate certificate is not required for each newsrack so long as the certificate evidences coverage for all newsracks placed, located or maintained by the person, association, firm or corporation involved.

(Ord. NS-323 § 9, 1995)

#### **§ 11.36.070. Display of harmful matter.**

No person shall display, or cause to be displayed, harmful matter in any newsrack in a public place, other than a public place from which minors are excluded, unless a blinder rack has been installed in front of the matter, so that the lower two-thirds of the material is not exposed to view.

(Ord. NS-104 § 2, 1990; Ord. NS-273 § 4, 1994)

#### **§ 11.36.080. Enforcement.**

Commencing January 1, 1996, any newsrack which has not obtained a business license in accordance with this chapter upon initial application or renewal, shall be deemed nonconforming. Upon a determination by the City Engineer that a newsrack has been installed, used or maintained in violation of any of the provisions of this chapter, the City Engineer shall cause an order to be issued to the distributor to correct the offending condition. The order shall be telephoned to the distributor and confirmed by mailing a copy of the order by certified mail, return receipt requested to the distributor at the address shown on the notice required by Section 11.36.040. The order shall specifically describe the offending condition and specify actions necessary to correct it. If the distributor fails to correct properly the offending condition within three days (excluding Saturdays, Sundays and other legal holidays) after receipt of the order, or file an appeal as permitted under Section 11.36.090, the City Engineer shall cause the offending newsrack to be summarily removed and processed as unclaimed property under applicable provisions of law relating thereto. If the distributor of the offending newsrack cannot be identified, the newsrack shall be removed immediately and processed as unclaimed property under applicable provision of law. The foregoing provisions are not exclusive, and are in addition to any other penalty or remedy provided by law.

(Ord. NS-99 § 1, 1990; Ord. NS-104 § 3, 1990; Ord. NS-323 § 10, 1995)

#### **§ 11.36.090. Appeal.**

Any person or entity aggrieved by a finding, determination, notice, order or action taken under the provisions of this chapter may appeal and shall be advised of his or her right to appeal to the City Manager. An appeal must be perfected within three working days after receipt of the notice of any decision or action by filing with the City Engineer a letter of appeal briefly stating therein the basis for such appeal. The hearing shall be held on a date no more than 10 days after receipt of the letter of appeal. Appellant shall be given at least five days' notice of the time and place of the hearing. The City Manager shall give the appellant and any other interested party the reasonable opportunity to be heard, in order to show cause why the determination of the City Engineer should not be upheld. Within five days of the hearing the City Manager shall make a written decision. The City Manager's decision may be appealed to the City Council by filing a written notice of appeal with the City Clerk within 10 calendar days of the date of the decision of the City Manager. Fees for filing an appeal shall be set by resolution of the City Council.

(Ord. NS-99 § 1, 1990; Ord. NS-104 § 3, 1990)

#### **§ 11.36.100. Other violations.**

In the case of minor violations of this chapter that can be corrected on the spot, any city employee, as an alternative to removal of the newsrack, is authorized to correct the violation summarily.

(Ord. NS-99 § 1, 1990; Ord. NS-104 § 3, 1990)

**§ 11.36.110. Public nuisance.**

Any newsrack, or any publication offered for sale or distribution, in violation of this chapter shall constitute a public nuisance, and may be abated in accordance with applicable provisions of law.

(Ord. NS-99 § 1, 1990; Ord. NS-104 § 3, 1990)

**§ 11.36.120. Abandonment.**

In the event a newsrack remains empty for a period of 30 continuous days, the same shall be deemed abandoned, and may be treated in the manner as provided in Section 11.36.080 for newsracks in violation of the provisions of this chapter.

(Ord. NS-99 § 1, 1990; Ord. NS-104 § 3, 1990)

**§ 11.36.130. Violations.**

Any person or corporation who violates any of the provisions of this chapter is guilty of an infraction except for the fourth or each additional violation of a provision within one year which shall be a misdemeanor. Penalties for a violation of this chapter shall be as designated in Section 1.08.010.

(Ord. NS-99 § 1, 1990; Ord. NS-104 § 3, 1990)

**§ 11.36.140. Constitutionality.**

If any section, subsection, sentence, clause, phrase or part of this chapter is for any reason held to be invalid or unconstitutional by the final decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining parts of this chapter. The City Council declares that it would have adopted this chapter and each section, subsection, sentence, clause, phrase or part thereof irrespective of the fact that any one or more sections, subsections, clauses, phrases, or parts be declared invalid or unconstitutional.

(Ord. NS-99 § 1, 1990; Ord. NS-104 § 3, 1990)

## CHAPTER 11.40 BRIDGES

### **§ 11.40.010. Purpose and intent.**

The purpose of this chapter is to protect the public health and safety by prohibiting jumping, diving and fishing from public bridges.

(Ord. NS-382 § 1, 1996)

### **§ 11.40.020. Definitions.**

Wherever the following words, terms or phrases are used in this chapter, they shall be construed as defined in the following subsections unless from the context in which the word, term, or phrase is used, a different meaning is specifically defined or intended.

"Bridge" means any portion of a public road or right-of-way which crosses water or land at an elevation higher than the water or land on a structure with a single or multiple span with a total length of 20 feet or more.

"Public property" means any bridge, road or crossing which is owned by the City of Carlsbad.

(Ord. NS-382 § 1, 1996)

### **§ 11.40.030. Prohibition.**

It is unlawful for any person to jump, dive or fish from any bridge located on public property where prohibited by signs posted thereon, excepting the bridge on north Carlsbad Boulevard over the Buena Vista Lagoon.

(Ord. NS-382 § 1, 1996)

### **§ 11.40.040. Violations.**

Any person who violates any provision of this chapter is guilty of an infraction except for the fourth or each additional violation of a provision within one year which shall be a misdemeanor. Penalties for violation of this chapter shall be as designated in Section 1.08.010.

(Ord. NS-382 § 1, 1996)

### **§ 11.40.050. Constitutionality.**

If any section, subsection, sentence, clause phrase or part if this chapter is for any reason is held to be invalid or unconstitutional by the final decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining parts of this chapter. The City Council declares that it would have adopted this chapter and each section, subsection, sentence, clause, phrase or parts thereof, irrespective of the fact that any one or more sections, subsections, clauses, phrases, or parts be declared invalid or unconstitutional.

(Ord. NS-382 § 1, 1996)

**CHAPTER 11.44  
PRIVATE PARTY SIGNS ON CITY PROPERTY**

**§ 11.44.005. Purpose and intent.**

- A. Purpose. The purpose of this chapter is to identify what types of private party signs are allowed to be displayed on city property, particularly in the public right-of-way, and the specific standards under which they may be displayed. The city's proprietary ownership rules for permitted signage on city property, particularly in the public right-of-way, which are contained in this chapter, supplement the city's sign ordinance (Chapter 21.41 of this code), which deals with permitted signage on private property. The definitions in Chapter 21.41 apply to this chapter.
- B. Intent. The city declares its intent that all city property shall not function as a designated public forum, unless some specific portion of city property is designated herein as a public forum of one particular type; in such case, the declaration as to public forum type shall apply strictly and only to the specified area and the specified time period, if any.

(Ord. CS-227, 2013)

**§ 11.44.010. Signs must be permitted or exempted.**

The provisions of the chapter shall apply generally to all zones within the city, including the V-B, Village-Barrio Zone. No "sign" as defined in the sign ordinance (Chapter 21.41), may be displayed on city property, unless a city property sign permit has first been issued, or the subject sign is expressly exempted from the city property sign permit requirement by this chapter.

A sign may be affixed, erected, constructed, placed, established, mounted, created or maintained only in conformance with the standards, procedures and other requirements of this chapter. The standards regarding number and size of signs regulated by this chapter are maximum standards, unless otherwise stated.

(Ord. CS-227, 2013; Ord. CS-333 § 4, 2018)

**§ 11.44.020. City property sign permits; application forms and procedures.**

The City Planner shall prepare and make available to the public a form for application for a city property sign permit (permit), which shall, when fully approved, constitute a permit and indicate the city's consent, in its proprietary capacity, for placement of a sign. The applicant for the permit must be the same person or entity who is to be the owner of the sign. The processing fee for each application, which shall not be refundable even if the application is denied, shall be the same as the fee for a sign permit under the sign ordinance.

Any city property sign permit issued in error may be summarily revoked by any officer of the city, by simply informing the applicant of the nature of the error in issuance; any applicant whose permit is revoked as issued in error may, at any time thereafter, submit a new permit application which cures any deficiencies in the original application. The application fee shall apply separately to each new application, unless the original error was in processing by the city. Applications which fully comply with the terms and conditions of this section shall be duly issued. Applications which are denied, or permits which are revoked or suspended, may be appealed in the same manner as denials of sign permits, as described in the sign ordinance.

(Ord. CS-227, 2013)

**§ 11.44.030. Temporary political, religious, labor protest and other noncommercial signs in**

**traditional public forum areas.**

This section applies only when the special events chapter of this code (Chapter 8.17) does not. In areas qualifying as traditional public forums, such as the surfaces of city streets, parks and sidewalks, as well as the surfaces of exterior areas immediately around city hall, persons may display noncommercial message signs without first obtaining a city property sign permit, subject to all of the following:

- A. Each sign must be personally held by a person, or personally attended by one or more persons. "Personally attended" means that a person is physically present within five feet of the sign at all times.
- B. The signs may be displayed only during the time period of sunrise to sunset, except on evenings when a public hearing is being held at city hall and on days when the polls are open; on such occasions, the display may continue until one hour after the close of the public hearing or one hour after the close of the polls.
- C. The maximum aggregate size of all signs held by a single person is 10 square feet.
- D. The maximum size of any one sign which is personally attended by two or more persons is 50 square feet.
- E. The displayed signs may not be inflatable, inflated or air-activated.
- F. In order to serve the city's interests in traffic flow and safety, persons displaying signs under this section may not stand in any vehicular traffic lane when a roadway is open for use by vehicles, and persons displaying signs on public sidewalks must give at least five feet width clearance for pedestrians to pass by.
- G. This section does not override Elections Code 18370, which prohibits sign display and electioneering within 100 feet of a polling place on election day.

(Ord. CS-227, 2013)

**§ 11.44.040. Exemptions from permit requirement.**

The following signs are exempted from the permit requirement: traffic control and traffic directional signs erected by the city or another governmental unit; official notices required by law; signs placed by the city in furtherance of its governmental functions or proprietary capacity; signs expressing the city's own message to the public and signs allowable under Section 11.44.030 and Section 11.44.100 of this chapter.

(Ord. CS-227, 2013)

**§ 11.44.050. Permits for A-frame signs in the V-B, Village-Barrio zone, bearing commercial messages for adjacent establishments or noncommercial messages.**

- A. Intent as to Public Forum. The areas and times controlled by this section are designated to constitute a limited access, nonpublic forum which is strictly limited to commercial messages for adjacent establishments or noncommercial messages, and which is open only to those persons described in this section and on the terms stated in this section.
- B. Where A-Frames May Be Placed—Physical Standards.
  1. "A-frame" signs, as that term is defined in the sign ordinance, may be placed in particular portions of the public right-of-way, within the V-B, Village-Barrio Zone only, namely, on the public sidewalk directly in front of the store or other establishment displaying the sign.

2. Such signs may have no more than two display faces, every display face shall be a flat, smooth surface, and remain completely free of dangerous protrusions such as tacks, nails or wires; however, cutouts of any shape are allowed. Sign faces shall be back to back. No banners, ribbons, streamers, balloons, or attachments of any kind may be affixed to the sign. The sign may not use any moving parts or include a display face which is hinged, or which otherwise swings or hangs from a frame. Glass, breakable materials, and illumination are prohibited. The signs shall be physically stable and balanced flat on the sidewalk. The sign must be self-supporting, stable and weighted or constructed to withstand overturning by normal wind currents or contact.
3. All such signs may be placed in the permitted space on the public right-of-way only when the establishment is actually open to the public for business. A person employed by or associated with the establishment must be physically present within 50 feet of the sign at all times. The sign must be placed on the public sidewalk within the two feet closest to the curb or edge of the sidewalk, directly in front of the establishment which owns the sign. Noncommercial messages may also be displayed on the sidewalk in the V-B, Village-Barrio Zone, subject to the same rules regarding location, display times and physical standards as commercial signs for adjacent establishments and only on sidewalks within or adjacent to the VC, VG, HOSP, FC, and PT districts of the Village and Barrio Master Plan. Noncommercial signs must also be attended by a person who is within 50 feet of the sign at all times; however, the attendant need not be employed by or associated with an adjacent establishment. Any one person may act as an attendant to only one noncommercial sign at a time.
4. Each display face shall have a maximum area of 15 square feet, and shall not exceed five feet in height or three feet in width. Changeable text area of the sign may not exceed 50% of the display face. No such sign may have special illumination or parts which move, flash, blink, fluoresce or use digital display. Fluorescent or "day glow" colors are not allowed. Paper and other nonrigid changeable text areas are not allowed.
5. The sign shall not be permanently affixed to any object, structure, or the ground, including utility poles, light poles, trees or other plants, or any merchandise of products displayed outside permanent buildings.
6. At no time may the sign be placed in the street or in any position which impedes the smooth and safe flow of vehicular and pedestrian traffic, or which interferes with driver or pedestrian sight lines or corner clear zone requirements as specified by the city. No sign shall be placed in such a manner as to obstruct access to a public sidewalk, public street, driveway, parking space, fire door, fire escape or access for persons with disabilities. A clear area of at least five feet in width must be maintained for pedestrian use over the entire length of the sidewalk in front of the establishment.
7. Signs shall not obscure or interfere with the effectiveness of any official notice or public safety device. Signs shall not simulate in color or design a traffic sign or signal, or make use of words, symbols, or characters in such a manner as may confuse pedestrians or drivers.
8. Every sign and all parts thereof shall be kept in good repair. The display surface shall be kept clean, neatly painted, and free from dust, rust and corrosion. Any cracked, broken surfaces, missing sign copy or other unmaintained or damaged portion of a sign shall be repaired or replaced or removed within 15 days following notice by the city.
9. As to commercial signs for adjacent establishments, commercial copy must pertain to the adjacent establishment, and must refer or pertain to goods, activities or services which are

actually available in the subject store at the time the sign is displayed.

10. Signs displayed under this section may not be used for general advertising for hire.
- C. Who May Display an A-frame Sign in the V-B, Village-Barrio Zone. The commercial A-frame signs allowed by this section may be displayed only by the operators of establishments with ground floor frontage on streets within the Village-Barrio Zone, who hold a currently valid city business license, who are not currently in violation of, or nonconformance with, any of the zoning, land use, environmental or business regulatory laws, rules or policies of the city. Persons acting as the official attendant of noncommercial message signs must be over the age of 18.

Each eligible establishment location is allowed a maximum of one A-frame sign. However, when an establishment is located within a business arcade or courtyard area, in which case only one "tenant directory" sign, which lists all of the establishments within the arcade or courtyard, is allowed. The display area of the permitted A-frame sign shall not count as part of the total signage for the establishment, which is allowed under the Village and Barrio Master Plan.
- D. Transfer of Permit. The permit attaches to the establishment at the location specified. If the establishment is sold or transferred, and remains at the same location, then the permit shall automatically transfer to the new owner or transferee, who shall be bound to the terms and conditions of the original permit. However, if the establishment which first obtained the permit moves to a different location, or if the original location is then taken by a new establishment, a new application and permit shall be required.
- E. Term of Consent Indicated by Permit; Revocation and Renewal. The permit is revocable or cancelable at will by the city. However, the city will cancel a permit without cause only when it does so to all permittees who are similarly situated. Any permit may be revoked for noncompliance, 30 calendar days after notice of noncompliance remains uncured, or in the case of a noncompliance condition which constitutes a threat to the public health, safety or welfare, summarily. When a permit is revoked, the owner of the sign must physically remove it from the public right-of-way within 24 hours of notice of revocation; upon failure to do so, the city may summarily remove the sign and hold it in storage until all costs of removal and storage are paid by the sign owner, upon which condition the sign shall then be returned to its owner. There is no guarantee that the city will continue the provisions stated herein. Permittees hold no expectation of renewal of any given permit, acquire no vested right to continue displaying the sign on city property, and waive all claims of inverse condemnation (uncompensated taking of private property) as to the permitted sign, when they submit the original application.
- F. Temporary Removal. The city may give notice, by any reasonable means, that consent to display an A-frame is or shall be withdrawn temporarily so as to serve a more urgent or more important public need, such as, without limitation, dealing with a natural disaster, a traffic emergency, a temporary need to make more space available on the public right-of-way, a civil disturbance, a parade, an election, or other special event. In urgent situations, the city may summarily remove a permitted sign without notice, for a time sufficient to deal with the urgency. All permittees shall comply with all notices to temporarily remove the permitted signs, and to return them to display only in accordance with the city's directions.
- G. Insurance and Indemnity. A permit under this section will be issued only to an applicant who provides evidence of comprehensive general liability insurance coverage, in a form satisfactory to the City Planner and Risk Manager, which shall name the city as an additional insured and provide 30-day notice of cancellation. The minimum liability coverage on such policy shall be one million dollars; such coverage shall apply to claims of personal injury including death, property damage and

advertising injury. Application for a permit shall constitute an agreement to hold harmless, defend and indemnify the city against all claims relating to property damage or personal injury, including death, which assert that the permitted sign played any legally significant role in the creation of the liability.

- H. Cancellation or Modification of Program. The city may, at any time and for any reason, cancel or modify this program allowing commercial A-frame signs in the public right-of-way in the V-B, Village-Barrio Zone.

(Ord. CS-227, 2013; Ord. CS-333 §§ 5—9, 2018)

**§ 11.44.060. Real estate for sale "kiosk" signs in particular locations.**

- A. Intent as to Public Forum. The city's intent as to this section is to designate a strictly limited public forum, which allows only the posting in convenient places of directional information regarding tract housing developments which are currently selling homes located within the city.
- B. Kiosk Signs for New Tract Housing Developments. Kiosk signs are permanent freestanding structures, not exceeding 10 feet in height, seven feet in width, which contain modular information strips, not exceeding 10 inches in height, six feet in width, providing information about tract housing developments (of more than four units) which are currently selling new homes located within the city. Such signs may display only the following information: the name of the development, developer and/or marketer thereof, and the direction to the development from the sign.
1. Each kiosk will have "City of Carlsbad" and the city logo displayed in a prominent location on the sign.
  2. One kiosk design will be utilized throughout the city. This kiosk design is on file in the planning division. All tract housing development signs mounted on the kiosks shall be the same design and shall be white wood with contrasting reflective lettering. Letters shall be consistent in size, width and thickness of print. Letters shall be all upper case letters not more than six inches in height.
  3. Individual tract housing development directional signs must be approved by the City Planner prior to mounting on a kiosk to ensure compliance with this section. In no case shall a sign be mounted on a kiosk before building permits have been issued for the model homes.
  4. There shall be no additions, tag signs, streamers, devices, display boards, runners or riders or appurtenances added to the sign as originally approved. Further, no other off-site directional signing may be used such as posters, trailer signs or temporary subdivision directional signs.
  5. Any sign placed contrary to the provisions of this section may be removed by the city without prior notice.
  6. Each approved tract housing development may have up to a maximum of eight directional signs. Upon approval by the City Planner, directional signs shall be permitted until the homes within the housing development are sold or for a period of one year, whichever comes first. Extensions not exceeding one year may be granted by the City Planner.
  7. A tract housing development neighborhood shall not be allowed any directional kiosk signs if there are any other offsite signs advertising the housing development anywhere in the city. If any advertising signs are erected and not promptly removed upon demand by the city, all kiosk signs for that subdivision shall be removed, the lease cancelled and no refund given.

- C. Private Contractor for Management of the Kiosks. The city may enter into a contract with a private contractor to design, erect, modify, replace, maintain and manage the kiosk signs allowed by this section. Such contract must be approved by the City Council, and may require that the contractor pay to the city a rent or royalty on advertising revenues. All the terms of said contract, and all payments to the city hereunder, shall be public information.
- D. Insurance Requirement. In the event the city selects a private party contractor to manage the kiosks, the city may require the private party contractor to provide evidence of comprehensive general liability insurance coverage, in a form satisfactory to the City Planner and Risk Manager, which shall name the city as an additional insured, and provide 30 days' notice to the city of cancellation. The minimum liability coverage on such policy shall be one million dollars. Any private party contract must include a provision for the contractor to hold harmless, defend and indemnify the city against all claims relating to property damage or personal injury, including death, which assert that the kiosk sign played any legally significant role in the creation of the liability.
- E. Allowable Locations. The kiosks allowed by this section may be located only as shown on the approved location map on file with the planning division. The City Planner is authorized to approve the relocation of kiosks shown on the approved map to better serve the needs of new development.  
(Ord. CS-227, 2013; Ord. CS-262 § I, 2014)

#### **§ 11.44.070. Temporary political and other noncommercial signs in the public right-of-way.**

Temporary political and other noncommercial signs are not permitted within the public right-of-way (except as otherwise provided in this chapter), on public property, or upon any public building or other publicly owned facility, including fences, walls, utilities and landscaping.

(Ord. CS-227, 2013; Ord. CS-416 § 2, 2022)

#### **§ 11.44.080. Signage associated with special events.**

When the city allows a special event pursuant to Chapter 8.17 of this code, the Special Event Committee shall approve the location, number, duration of posting, and content for "Road Closure Notification" and "Traffic Control/Directional" signs as described in the code. The Special Event Committee shall approve the location and duration of posting for special event venue signs as described in this code.

Signs within the venue shall conform to the size requirement and may only be posted during the time authorized in the special event permit and Chapter 8.17 of this code.

(Ord. CS-227, 2013)

#### **§ 11.44.090. Use of public land for banners.**

Banners may be placed by the city on city property in the public right-of-way for any message, event or program officially sponsored, co-sponsored, or supported, by the city which provides a public benefit, as approved by resolution of the City Council.

(Ord. CS-227, 2013)

#### **§ 11.44.100. City-wide way-finding signs.**

- A. Intent as to Public Forum. The city's intent as to this section is to designate a strictly limited forum, which allows the city to post way-finding (directional) signs on city property to guide residents and visitors to public buildings or facilities, quasi-public buildings, city neighborhoods, philanthropic organizations, cultural/historical destinations, tourist destinations and points of public interest

throughout Carlsbad. Other uses, locations or destinations may be allowed to post way-finding signage if approved by resolution of the City Council.

Way-finding signs are expressly permitted for the following buildings/facilities/uses:

1. Public buildings and facilities: City of Carlsbad, county, state and federal buildings;
  2. City facilities: city buildings, uses, parking lots, golf course, parks and trails, etc.;
  3. Quasi-public buildings: chamber of commerce, Carlsbad visitors center, train stations;
  4. Cultural/historical destinations: museums;
  5. Points of public interest: city lagoons, ocean beaches, nature/interpretive centers, the flower fields, the strawberry fields, Legoland, the village area;
  6. City entries and neighborhood entries; and
  7. Philanthropic organizations: Lions Club, Rotary Club, Kiwanis Club, etc.
- B. The following way-finding signs may be allowed if approved by resolution of the City Council:
1. Tourist destinations;
  2. Locations or destinations where way-finding signage would be of public benefit; and
  3. Way-finding signs designed as archway signs located over major roads within the city.
- C. The design and location of the city's way-finding signs shall be as approved by the City Planner, City Engineer, City Traffic Engineer, and Communications Manager.
- D. All way-finding signs shall be installed by the city.

(Ord. CS-227, 2013; Ord. CS-262 § II, 2014)

#### **§ 11.44.110. Remedies and penalties.**

Any sign posted on city property, contrary to the ordinance stated herein, may be summarily removed as a trespass and a nuisance by the city. Any sign, which has been properly removed under this chapter, may be returned to the owner upon payment to the city of the costs of removal. If no timely request is made for hearing or if no demand is made for the return of the sign removed, the Community and Economic Development Director, or designee, is authorized to destroy or dispose of the removed sign not earlier than 30 days after the removal of such sign.

(Ord. CS-227, 2013)

#### **§ 11.44.120. Violations.**

- A. It is unlawful for any person to:
1. Install, mount, affix, create, erect, display or maintain any sign in a manner that is inconsistent with this chapter or any permit for such sign;
  2. Install, mount, affix, create, erect, display or maintain any sign requiring a permit without such a permit; or
  3. Fail to remove any sign which the Community and Economic Development Director or designee

has ordered to be removed for being in violation of this chapter.

- B. Violations of any provisions of this chapter shall be subject to the enforcement remedies and penalties provided for herein and in Chapter 1.08 of this code. The city may also pursue any civil remedies provided by law, including injunctive relief, as to signs not in conformance with this chapter:
1. Each day of a continued violation shall be considered a separate violation when applying the penalty portions of this chapter; and
  2. Each sign installed, created, erected or maintained in violation of this chapter shall be considered a separate violation when applying the penalty portions of this chapter.

(Ord. CS-227, 2013)

**§ 11.44.130. Severability.**

If any section, subsection, sentence, clause phrase or part of this chapter is for any reason found by a court of competent jurisdiction to be invalid or unconstitutional, such decision shall not affect the validity of the remaining portions of this chapter, which shall be in full force and effect. The City Council hereby declares that it would have adopted this chapter with each section, subsection, sentence, clause, phrase or part thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases or parts be declared invalid or unconstitutional.

(Ord. CS-227, 2013)

## CHAPTER 11.46 TEMPORARY RESTRICTIONS ON PUBLIC PROPERTY

### **§ 11.46.010. Definitions.**

For the purposes of this chapter, the following definitions apply:

"Exigent circumstances" means a situation or circumstance that requires immediate action

"Implements of riot" means any item able to or likely to cause harm and anticipated to be used for a purpose other than its intended use.

"Weapon" means anything used, designed to be used, or intended for use: (a) in causing injury or death to any person; or (b) for the purpose of threatening or intimidating any person with injury or death.

(Ord. CS-332 § 1, 2018)

### **§ 11.46.015. City Manager authorization.**

A. The City Manager or designee, upon the recommendation of the Chief of Police, is authorized to issue a temporary restriction within the city of Carlsbad, California as is necessary to preserve public health, public safety and property during planned, proposed or anticipated events to be held on public property owned and operated by the city.

B. Temporary restrictions shall be limited to the establishment of:

1. Prohibitions on weapons and other implements of riot; and
2. Prohibitions on attire that conceals a person's identity, and is not worn for any religious, health or expressive purpose; and
3. Measures to help facilitate the event in a safe direction and ensure traffic control, including, but not limited to, the designation of assembly areas.

C. Temporary restrictions issued pursuant to this section shall be narrowly tailored and consistent with the U.S. Constitution and the laws of California.

(Ord. CS-332 § 1, 2018)

### **§ 11.46.020. Procedures.**

Prior to issuing a temporary restriction, the City Manager or designee, upon the recommendation of the Chief of Police, shall make the following findings:

- A. An event is planned, proposed or anticipated to be held on public property; and
- B. There is a reasonable expectation that persons attending the event intend to engage in conflict and nonpeaceful behavior.

(Ord. CS-332 § 1, 2018)

### **§ 11.46.025. Warning required in certain cases.**

The temporary restriction shall be posted by signage at the event site and on the city's website at least 24 hours before enforcement of the regulations authorized by this chapter, except that no warning shall be required in exigent circumstances as determined by the City Manager or the City Manager's designee.

(Ord. CS-332 § 1, 2018)

**§ 11.46.030. Violation—Penalty.**

The violation of a temporary restriction issued pursuant to this chapter is a misdemeanor punishable as set forth in Section 1.08.010(B) of this code, but may be charged, in the discretion of the City Attorney, as an infraction.

(Ord. CS-332 § 1, 2018)

## CHAPTER 13.04 GENERAL REGULATIONS

**Note Prior ordinance history: Ord. Nos. 5032 and 7023.**

### **§ 13.04.010. Definitions.**

For the purposes of this title, the following words and phrases shall have the meanings respectively ascribed to them by this section:

"Best management practices" means schedules of activities, prohibitions of practices, maintenance procedures and other management practices to prevent or reduce the introduction of FOG to the sewer facilities.

"Department" means the utilities department of the city.

"Discharger" means any person who discharges or causes a discharge of wastewater directly or indirectly to a public sewer. Discharger shall mean the same as user.

"FOG" or "fats, oils and grease" means any substance such as vegetable or animal products that is used in, or is a by-product of, the cooking or food preparation process, and that turns or may turn viscous or solidifies with a change in temperature or other conditions.

"FOG control program" means the FOG control program required by and developed pursuant to State Water Resources Control Board Order No. 2006-0003.

"Food grinder" means any device installed in the plumbing or sewage system for the purpose of grinding food waste or food preparation by-products for the purpose of disposing it in the sewer system.

"Food service facility" means facilities defined in California Uniform Retail Food Service Facility Law (CURFFL) Section 113789, and any commercial entity within the boundaries of the city's service area, operating in a permanently constructed structure such as a room, building, or place, or portion thereof, maintained, used, or operated for the purpose of storing, preparing, serving, or manufacturing, packaging, or otherwise handling food for sale to other entities, or for consumption by the public, its members or employees, and which has any process or device that uses or produces FOG, or grease vapors, steam, fumes, smoke or odors that are required to be removed by a Type I or Type II hood, as defined in CURFFL Section 113789. A limited food preparation establishment is not considered a food service facility when engaged only in reheating, hot holding or assembly of ready to eat food products and as a result, there is no wastewater discharge containing a significant amount of FOG. A limited food preparation establishment does not include any operation that changes the form, flavor, or consistency of food.

"Garbage" means the animal and vegetable waste from the handling, preparation, cooking, and dispensing of food.

"Grease" means any material which is extractable from an acidified sample of a waste by hexane or other designated solvent and as determined by the appropriate procedure in standard methods. "Grease" includes fats and oils.

"Grease control device" means any grease interceptor, grease trap or other mechanism, device, or process, which attaches to, or is applied to, wastewater plumbing fixtures and lines, the purpose of which is to trap or collect or treat FOG prior to it being discharged into the sewer system. "Grease control device" may also include any other proven method to reduce FOG subject to the approval of the city.

"Grease interceptor" means a pretreatment device designed and installed to separate fats, oils, and grease

from wastewater.

"Grease trap" means a grease control device that is used to serve individual or multiple fixtures and have limited effect and should only be used in those cases where the use of a grease interceptor or other grease control device is determined to be impossible or impracticable.

"Hot spots" means area in sewer lines that have experienced sanitary sewer overflows or that must be cleaned or maintained frequently to avoid blockages of the sewer system.

"Industrial waste" means solid, liquid or gaseous substances discharged or flowing from an industrial, manufacturing or commercial premises resulting from manufacturing, processing, treating, recovery or development of natural or artificial resources of whatever nature.

"Industrial wastewater" means all water-carried wastes and wastewater of the community excluding domestic wastewater and including all wastewater from any industrial production, manufacturing, processing, commercial, agricultural or other operation. These may also include wastes of human origin similar to domestic wastewater.

"Inspector" means a person authorized by the city to inspect any existing or proposed wastewater generation, conveyance, and processing and disposal facilities.

"Interceptor" means a grease interceptor.

"Joint sewer system" means the sewer system constructed jointly by the Vista Sanitation District, the city and the Buena Sanitation District pursuant to that certain contract entitled "Basic Agreement between Vista Sanitation District and the City of Carlsbad for the Acquisition and Construction of a Joint Sewer System" (County Contract No. 1858-2129E) and all amendments and supplements thereto and as such sewer system is specifically delineated on that certain map entitled "Map of Joint Sewer System—City of Carlsbad, Vista Sanitation District and Buena Sanitation District" on file in the office of the clerk of the Board of Supervisors of the Buena Sanitation District as Document No. 381247.

"Operator" means the Encina Administrative Agency.

"Owner" includes a holder in fee, life tenant, executor, administrator, trustee, and guardian or other fiduciary, lessee or licensee holding under any government lease or license of real property.

"Person" means any person, firm, company, association, corporation, political subdivision, municipal corporation, district, the state, the United States of America or any department or agency of any thereof.

"pH" means the reciprocal of the logarithm of the hydrogen ion concentration. It indicates the intensity of acidity and alkalinity on a pH scale running from zero to 14. A pH value of 7.0, the midpoint of the scale, represents neutrality. Values above 7.0 indicate alkalinity and those below 7.0 indicate acidity.

"Premises" means any lot, piece or parcel of land, building or establishment.

"Remodeling" means a physical change or operational change causing generation of the amount of FOG that exceed the current amount of FOG discharge to the sewer system by the food service facility in an amount that alone or collectively causes or creates a potential for SSOs to occur; or exceeding a cost of \$50,000.00 to a food service facility that requires a building permit, and involves any one or combination of the following: (1) under slab plumbing in the food processing area; (2) a 30% increase in the net public seating area; (3) a 30% increase in the size of the kitchen area; or (4) any change in the size or type of food preparation equipment.

"Sanitary sewer overflow (SSO)" means and includes any overflow, spill, release, discharge or diversion of untreated or partially treated wastewater from a sanitary sewer system. SSOs include:

1. Overflows or releases of untreated or partially treated wastewater that reach waters of the United

States;

2. Overflows or releases of untreated or partially treated wastewater that do not reach waters of the United States; and
3. Wastewater backups into buildings and on private property that are caused by blockages or flow conditions within the publicly owned portion of a sanitary sewer system.

"Sewage" means the waterborne wastes derived from ordinary human living processes and of such character as to permit satisfactory disposal, without special treatment, into the public sewer, a private sewer, or by means of household septic tank systems and individual household aerobic units.

Sewer, Building or House. "Building or house sewer," also known as the "lateral," or the "sewer lateral" means a pipe or conduit carrying sanitary sewage and/or industrial wastes from a building to the public sewer or a common sewer.

Sewer, Main. "Sewer main" means any public sewer used to collect and convey sewage or industrial wastes to a publicly owned treatment works (POTW).

Sewer, Private. "Private sewer" refers to a privately owned sewer, which is not directly controlled by the city.

Sewer, Public. "Public sewer" means a publicly owned treatment works (POTW), which is owned in this instance by Encina Joint Powers and its member agencies. This definition includes the sewer main and any sewers that convey wastewater to the POTW plant, but does not include pipes, sewers or other conveyances not connected to the facility providing treatment. "Public sewer" also includes any sewers that convey wastewater to the POTW from persons outside the cities of Carlsbad and Vista, the Vallecitos Water District, the Leucadia Wastewater District, the Buena Sanitation District and Encinitas Sanitary District, who are, by contract or agreement with said cities and/or districts, users of the Encina Water Pollution Control Facility.

"Sewer system" or "sanitary sewer system" means all construction and appurtenant equipment utilized in the collection, transportation, pumping, treatment and final disposal of sewage within the district.

"Slug" means any discharge of water, sewage or industrial wastes which in concentration of any given constituent or in quantity of flow exceeds for any period of duration longer than 15 minutes more than five times the average 24-hour concentration of flows during normal operation.

"Standard methods" means the current edition of Standard Methods for the Examination of Water and Wastewater as published by the American Public Health Association, and Water Pollution Control Federation.

"Suspended solids" or "SS" means solids that either float on the surface of, or are in suspension in water, sewage or other liquids; and which are largely removable by laboratory filtering and as determined by the appropriate procedure in standard methods.

"Toxic substances" means any substance whether gaseous, liquid or solid, which when discharged to the sewer system in sufficient quantities may tend to interfere with any sewage treatment process, or to constitute a hazard to human beings or animals, or to inhibit aquatic life or create a hazard to recreation in the receiving waters of the effluent from the sewage treatment plant.

"Utilities" means the Director of Utilities of the city or designee.

"Wastehauler" means any person carrying on or engaging in vehicular transport of waste as part of, or incidental to, any business for that purpose.

"Waste minimization practices" means plans or programs intended to reduce or eliminate discharges to

the sewer system or to conserve water, including, but not limited to, product substitutions, housekeeping practices, inventory control, employee education, and other steps as necessary to minimize wastewater produced.

"Wastewater" means any liquid waste of any kind, whether treated or not, and whether animal, mineral or vegetable including sewage, agricultural, industrial and thermal wastes, which are discharged into or permitted to enter a public sewer.

(Ord. 7060 § 1, 1980; Ord. NS-129 § 1, 1990; Ord. NS-851 § 1, 2007; Ord. CS-010 § 1, 2008; Ord. CS-164 § 6, 2011)

#### **§ 13.04.020. Unsanitary deposits.**

It is unlawful for any person to place, deposit or permit to be deposited in an unsanitary manner upon public or private property within the city or in any area under the jurisdiction of the city, any human or animal excrement, garbage or other objectionable wastes.

(Ord. 7060 § 1, 1980)

#### **§ 13.04.030. Use of public sewers required.**

Every lot that has sanitary facilities requiring sewage disposal which is accessible to a public sewer and is not connected shall be connected to the public sewer within 90 days after the owner or person legally responsible has been notified to do so by the Utilities Director.

(Ord. 7060 § 1, 1980; Ord. NS-851 § 2, 2007; Ord. CS-164 § 6, 2011)

#### **§ 13.04.035. Sewage discharge prohibited.**

Any sanitary sewer overflow is prohibited.

(Ord. NS-851 § 3, 2007)

#### **§ 13.04.040. Sewer connection permit required.**

It is unlawful for any person to place, discharge or dispose of any material, solid or liquid, into the sewer system, or any part thereof, without first obtaining a permit from the city pursuant to Chapter 13.10, and without having first paid all fees required by this title; and no substance shall be placed, discharged or disposed of in the sewer system except substances of waste materials originating on the premises to which a sewer connection permit has been issued.

(Ord. 7060 § 1, 1980)

#### **§ 13.04.045. Responsibility for maintenance.**

- A. Maintenance of all sewer mains dedicated to and accepted by the city shall be the responsibility of the city.
- B. Maintenance of all privately-owned sewer mains, and all lateral lines, equipment and appurtenances connected to the city's sewer mains shall be the responsibility of the property owner or parcel occupant/user. The property owner or occupant/user is responsible for the cleaning and removal of blockages in the sewer lateral from the property being served to the sewer main. The property owner or occupant/user is responsible for the maintenance, repair, and replacement of the sewer lateral from the sewer main to and including the building.
- C. The city hereby grants a revocable license to any property owner who has obtained a sewer connection permit pursuant to Chapter 13.10, or who, prior to the effective date of Chapter 13.10, has

legally connected his or her sewer lateral to the sewer main, to retain his or her current sewer lateral placement within the city's right-of-way.

- D. Property owners must comply with Chapter 11.16 of this code, (permits for work or encroachments in public places), and any amendments thereto, prior to performing any work in, or encroaching upon, the city's right-of-way.

(Ord. NS-851 § 4, 2007)

**§ 13.04.050. General prohibitions.**

- A. Discharge of stormwater, surface water, groundwater, unpolluted industrial process water, roof runoff, subsurface drainage, or any waters from an uncontaminated cooling system, swimming pool, decorative fountain or pond, into any public sewer or any private sewer which is connected to the public sewer without written permission in conformance with adopted regulations.
- B. No person shall enter, obstruct, uncover or tamper with any portion of the public sewer, or connect to it, or dispose anything into any sewer and/or sewer manhole without the written permission of the Utilities Director.
- C. No person or party shall remove or demolish any building or structures with plumbing fixtures connected directly or indirectly to the public sewer without first notifying the Utilities Director of such intention. All openings in or leading to the public sewer line or lines caused by such work shall be sealed watertight and inspected by the Utilities Director before being backfilled.
- D. No person shall fill or backfill over, or cause to cover, or obstruct access to, any sewer manhole.
- E. No person shall erect any improvements, structures, or buildings over public sewers without the written permission of the Utilities Director.
- F. Except as hereinafter provided in this section, no person shall discharge or cause to be discharged any of the following described substances, waters or wastes into any public sewers:
  - 1. Liquid or vapor having a temperature higher than 140 degrees Fahrenheit;
  - 2. Water or waste containing substances which may solidify or become viscous at temperatures between 32 degrees and 150 degrees Fahrenheit;
  - 3. Gasoline, benzene, naphtha, fuel oil, or other flammable or explosive liquid, solid or gas;
  - 4. Toxic, noxious or malodorous liquid, solid, or gas deemed a public hazard and nuisance;
  - 5. Garbage that has not been properly shredded to a size of one-fourth inch or less so that all particles will be carried freely under normal flow conditions in the public sewers;
  - 6. Ashes, cinders, sand, mud, straw, shavings, metal, glass, rags, feathers, tar, plastics, wood, paunch manure, paper substances or normally dry, solid wastes capable of causing obstruction to the flow in or damage to sewers or other interference with the proper operation of the sewerage works;
  - 7. Water or wastes having a pH lower than 5.5 or higher than 9.5 or having any other corrosive property capable of causing damage or hazard to structures, equipment, and personnel of the sewerage works;
  - 8. Water or wastes containing any substance in sufficient quantity to discolor, injure, disrupt or

- interfere with the normal operation of any sewage treatment process, constitute a hazard to human or animal life, create a public nuisance, or significantly lower the quality of the receiving waters;
9. Water or wastes containing suspended solids of such character or quantity that unusual attention or expense is required to handle such materials at a sewage treatment plant;
  10. Any unusual volume of flow or concentration of wastes constituting "slugs" as defined in Section 13.04.010;
  11. Radioactive wastes or isotopes of such half-life or concentration that may exceed limits established by the Utilities Director in compliance with applicable state or federal regulations;
  12. Water added for the purpose of diluting wastes which would otherwise exceed applicable maximum concentration limitations;
  13. Water or wastes containing substances which are not amenable to treatment or reduction by the treatment processes employed, or are amenable to treatment only to such degree that:
    - a. The resulting effluent cannot meet the waste discharge requirements of the Regional Water Quality Control Board or other agencies having jurisdiction over the quality and protection of the receiving waters, or
    - b. The resulting sludge cannot meet limits for the chosen disposal method.
- G. Any person who discharges or causes to be discharged into the public sewers any water or wastes having more than 300 mg/l of suspended solids shall be obligated to pay a surcharge, occasioned by the extent to which such water or waste contains an excess over the foregoing limitation of concentration.
- H. Where preliminary treatment facilities are provided for any wastewater as a condition of its acceptance, they shall be maintained continuously in satisfactory and effective operation by the owner at his or her expense.
- I. When required by the Utilities Director, the owner of any property served by a building sewer carrying industrial wastewater shall install monitoring and recording equipment, and a suitable control manhole in the building sewer to facilitate observation, sampling and measurement of the wastes. Such manhole shall be readily accessible and safely located, and shall be constructed in accordance with plans approved by the Utilities Director. The manhole shall be installed and maintained by the owner at his or her expense.
- J. All measurements, tests, and analyses of the characteristics of water and wastewater to which reference is made in subsections F, G, and H of this section shall be determined in accordance with the latest edition of the American Public Health Association's Standard Methods for Examination of Water, Sewage and Industrial Wastes and shall be made at the control manhole provided for in subsection I of this section, or upon suitable samples taken at said control manhole. If no special manhole is available, the sampling location shall be determined by the Utilities Director.
- (Ord. 7060 § 1, 1980; Ord. 7062 § 1, 1982; Ord. 7065 § 1, 1983; Ord. 7069, 1986; Ord. NS-129 § 2, 1990; Ord. NS-851 § 5, 2007; Ord. CS-010 § 2, 2008; Ord. CS-164 § 6, 2011)

#### **§ 13.04.070. Damaging sewage works.**

No unauthorized person shall maliciously, wilfully or negligently break, damage, destroy, uncover, deface

or tamper with any structure, appurtenance or equipment which is a part of the municipal sewage works.  
(Ord. 7060 § 1, 1980)

**§ 13.04.080. Violations of chapter.**

- A. Any person found to be violating any provision of this chapter, except Section 13.04.070, shall be served by the city with written notice stating the nature of the violation and providing a reasonable time limit for the satisfactory correction thereof. The offender shall, within the period of time stated in such notice, permanently cease all violations.
- B. Any person who continues any violation beyond the above time, or who violates the provisions of Section 13.04.070, is guilty of a misdemeanor.
- C. Any person violating any of the provisions of this chapter is liable to the city for any expense, loss or damage occasioned the city by reason of such violation.

(Ord. 7060 § 1, 1980)

**§ 13.04.090. Public health, safety and welfare violations.**

In addition to the other civil and criminal penalties provided herein, any condition caused or permitted to exist in violation of any of the provisions of this chapter that is a threat to the public health, safety, and welfare may be declared and deemed a public nuisance, which may be summarily abated and/or restored as directed by the enforcement official in accordance with the procedures identified in Chapter 6.16. A civil action to abate, enjoin or otherwise compel the cessation of such nuisance may also be taken by the city, if necessary.

(Ord. NS-851 § 6, 2007)

## CHAPTER 13.06 DISCHARGE OF FATS, OILS AND GREASE

### **§ 13.06.010. FOG discharge requirement.**

No food service facility shall discharge or cause to be discharged any fats, oils or grease to the sewer system in concentrations that may result in separation from effluent and adherence to sewer structures and appurtenances, accumulate and/or cause or contribute to blockages in the sewer system or at the sewer system lateral which connects the food service facility to the sewer system.

(Ord. CS-010 § 3, 2008)

### **§ 13.06.020. FOG prohibitions.**

The following prohibitions shall apply to all food service facilities:

- A. Installation of food grinders in the plumbing system of new constructions or remodeling of food service facilities shall be prohibited.
- B. Introduction of any additives into a food service facility's wastewater system for the purpose of emulsifying FOG or biologically/chemically treating FOG for grease remediation or as a supplement to interceptor maintenance, unless a specific written authorization from the city is obtained.
- C. Disposal of waste cooking oil into drainage pipes is prohibited. All waste cooking oils shall be collected and stored properly in receptacles such as barrels or drums for recycling or other acceptable methods of disposal.
- D. Discharge of wastewater from dishwashers to any grease trap (GT) is prohibited. However, the dishwasher discharge drain may be plumbed to a grease interceptor. The pre-rinse sink should have a grease control device installed in new construction and installed in any remodel work.
- E. Discharge of wastewater with temperatures in excess of 140 degrees Fahrenheit to any grease control device, including grease traps and grease interceptors, is prohibited.
- F. Discharge of wastes from toilets, urinals, wash basins, and other fixtures containing fecal materials to sewer lines intended for grease interceptor service, or vice versa, is prohibited.
- G. Discharge of any waste including FOG and solid materials removed from the grease control device to the sewer system is prohibited. Grease removed from grease interceptors shall be waste hauled periodically as part of the operation and maintenance requirements for grease interceptors.

(Ord. CS-010 § 3, 2008)

### **§ 13.06.030. Best management practices required.**

All food service facilities shall implement best management practices in its operation to minimize the discharge of FOG to the sewer system. Detailed requirements for best management practices are specified by the city in Section 13.06.120. This may include kitchen practices and employee training that is essential in minimizing FOG discharge.

(Ord. CS-010 § 3, 2008)

### **§ 13.06.040. FOG pretreatment required.**

Food service facilities are required to install, operate and maintain an approved type and adequately sized grease interceptor necessary to maintain compliance with the objectives of this chapter, subject to the

variance and waiver provisions of Section 13.06.050. The grease interceptor shall be adequate to separate and remove FOG contained in wastewater discharges from food service facilities prior to discharge to the sewer system. Fixtures, equipment, and drain lines located in the food preparation and clean up areas of food service facilities that are sources of FOG discharges shall be connected to the grease interceptor. Compliance shall be established as follows:

- A. New Construction of Food Service Facilities. New construction of food service facilities shall include and install grease interceptors prior to commencing discharges of wastewater to the sewer system.
- B. Existing food service facilities or food service facilities that change ownership, that undergo remodeling or a change in operations as defined in Section 13.04.010, shall be required to install a grease interceptor.
- C. Existing food service facilities, which have caused or contributed to grease-related blockage in the sewer system, or which have sewer laterals connected to hot spots, or which have been determined to contribute significant FOG to the sewer system as determined by the city based on inspection, sampling or cleaning of the sewer system, shall be deemed to have reasonable potential to adversely impact the sewer system, and shall install a grease interceptor within 180 days upon notification by the city.

(Ord. CS-010 § 3, 2008)

#### **§ 13.06.050. Variance and waiver of grease interceptor requirement.**

- A. Variance from Grease Interceptor Requirements. An existing food service facility may obtain a variance from the grease interceptor requirement to allow alternative pretreatment technology that is, at least, equally effective in controlling the FOG discharge in lieu of a grease interceptor, if the food service facility demonstrates that it is impossible or impracticable to install, operate or maintain a grease interceptor. The city's determination to grant a variance will be based upon, but not limited to, evaluation of the following conditions:
  1. There is no adequate space for installation and/or maintenance of a grease interceptor.
  2. There is no adequate slope for gravity flow between the kitchen plumbing fixtures and the grease interceptor and/or between the grease interceptor and the private collection lines or the public sewer.
  3. The food service facility can justify that the alternative pretreatment technology is equivalent or better than a grease interceptor in controlling its FOG discharge. In addition, the food service facility must be able to demonstrate, after installation of the proposed alternative pretreatment, its effectiveness to control FOG discharge through downstream visual monitoring of the sewer system, for at least three months, at its own expense. A variance may be granted if the results show no visible accumulation of FOG in its lateral and/or tributary downstream sewer lines.
- B. Conditional Waiver from Installation of Grease Interceptor. An existing food service facilities may obtain a conditional waiver from installation of a grease interceptor, if the food service facility demonstrates that it has negligible FOG discharge and insignificant impact to the sewer system. Although a waiver from installation of a grease interceptor may be granted, the food service facility may be required to provide space and plumbing segregation for future installation of a grease interceptor. The city's determination to grant or revoke a conditional waiver shall be based upon, but not limited to, evaluation of the following conditions:
  1. Quantity of FOG discharge as measure or as indicated by the size of food service facility based

on seating capacity, number of meals served, menu, water usage, amount of on-site consumption of prepared food and other conditions that may reasonably be shown to contribute to FOG discharges.

2. Adequacy of implementation of best management practices and compliance history.
  3. Sewer size, grade, condition based on visual information, FOG disposition in the sewer by the food service facility, and history of maintenance and sewer spills in the receiving sewer system.
  4. Changes in operations that significantly affect FOG discharge.
  5. Any other condition deemed reasonably related to the generation of FOG discharges by the city.
- C. Waiver from Grease Interceptor Installation with a Grease Disposal Mitigation Fee. For food service facilities where the installation of a grease interceptor is not feasible and no equivalent alternative pretreatment can be installed, a waiver from the grease interceptor requirement may be granted with the imposition of a grease disposal mitigation fee as described in Section 13.06.070. Additional requirements may be imposed to mitigate the discharge of FOG into the sewer system. The city's determination to grant the waiver with a grease disposal mitigation fee will be based upon, but not limited to, evaluation of the following conditions:
1. There is no adequate space for installation and/or maintenance of a grease interceptor.
  2. There is no adequate slope for gravity flow between the kitchen plumbing fixtures and the grease interceptor and/or between the grease interceptor and the private collection lines or the public sewer.
  3. A variance from grease interceptor installation to allow alternative pretreatment technology cannot be granted.
- D. Application for Waiver or Variance of Requirement for Grease Interceptor. A food service facility may submit an application for waiver or variance from the grease interceptor requirement to the inspector. The food service facility bears the burden of demonstrating, to the city's reasonable satisfaction, that the installation of a grease interceptor is not feasible or applicable. Upon determination by the city that reasons are sufficient to justify a variance or waiver, the variance or waiver will be issued to relieve the food service facility from the requirement.
- E. Terms and Conditions. A variance or waiver shall contain terms and conditions that serve as basis for its issuance. A waiver or variance may be revoked at any time when any of the terms and conditions for its issuance is not satisfied or if the conditions upon which the waiver was based change so that the justification for the waiver no longer exists. The waiver or variance shall be valid so long as the food service facility remains in compliance with their terms and conditions until the expiration date specified in the variance or waiver.

(Ord. CS-010 § 3, 2008)

### **§ 13.06.060. Commercial properties.**

Property owners of commercial properties or their official designee(s) shall be responsible for the installation and maintenance of the grease interceptor serving multiple food service facilities that are located on a single parcel.

(Ord. CS-010 § 3, 2008)

**§ 13.06.070. Grease mitigation and inspection fees.**

The grease mitigation and inspection fees shall be established by the City Council, and shall be based on the estimated annual increased cost of maintaining the sewer system through inspection and removal of FOG and other viscous or solidifying agents attributable to the food service facility resulting from the lack of or inadequate grease control devices.

Food service facilities that operate without grease control devices may be required to pay an increased grease mitigation fee and inspection fee to equitably cover the costs of increased maintenance of the sewer system as a result of the food service facilities' inability to adequately remove FOG from their wastewater discharge. This section shall not be interpreted to allow the new construction of, or existing food service facilities undergoing remodeling or a change in operations to operate without approved grease control devices unless the city has determined that it is impossible or impracticable to install or operate grease control devices for the subject facility under the provisions of Section 13.06.050.

(Ord. CS-010 § 3, 2008)

**§ 13.06.080. Drawing submittal requirements.**

Upon request by the city:

- A. Food service facilities may be required to submit two copies of facility site plans, mechanical and plumbing plans, and details to show all sewer locations and connections. The submittal shall be in a form and content acceptable to the city for review of existing or proposed grease control device, grease interceptor, and operating facilities. The review of the plans and procedures shall in no way relieve the food service facilities of the responsibility of modifying the facilities or procedures in the future, as necessary to produce an acceptable discharge, and to meet the requirements of this section or any requirements of other regulatory agencies.
- B. Food service facilities may be required to submit a schematic drawing of the FOG control devices, grease interceptor or other pretreatment equipment, piping and instrumentation diagram.
- C. The city may require the drawings be prepared by a California registered civil, chemical, mechanical or electrical engineer.

(Ord. CS-010 § 3, 2008)

**§ 13.06.090. Grease interceptor requirements.**

- A. All food service facilities required to provide FOG pretreatment equipment shall install, operate, and maintain an approved type and adequately sized grease interceptor necessary to maintain compliance with the objectives of this section.
- B. Grease interceptor sizing and installation shall conform to the current edition of the Uniform Plumbing Code. Grease interceptors shall be constructed of impervious materials capable of withstanding abrupt and extreme changes in temperature, they shall be of substantial construction, watertight, and shall have a minimum of two compartments with fittings designed for grease detention.
- C. The grease interceptor shall be installed at a location where it shall be at all times easily accessible for inspection, cleaning, and removal of accumulated grease.
- D. Access manholes, with a minimum diameter of 24 inches, shall be provided over each grease interceptor chamber and sanitary tee. The access manholes shall extend at least to finished grade and

be designed and maintained to prevent water inflow or infiltration. The manholes shall also have readily removable covers to facilitate inspection, grease removal, and wastewater sampling activities. Covers shall also be gastight and watertight.

(Ord. CS-010 § 3, 2008)

#### **§ 13.06.100. Grease trap requirements.**

- A. Food service facilities may be required to install grease traps in the waste line leading from drains, sinks, and other fixtures or equipment where grease may be introduced into the sewer system in quantities that can cause blockage.
- B. Sizing and installation of grease traps shall conform to the current edition of the California Plumbing Code.
- C. Grease traps shall be maintained in efficient operating conditions by removing accumulated grease on an as-need basis.
- D. Grease traps shall be maintained free of all food residues and any FOG waste removed during the cleaning and scraping process.
- E. Grease traps shall be inspected periodically to check for leaking seams and pipes, and for effective operation of the baffles and flow regulating device. Grease traps and their baffles shall be maintained free of all caked-on FOG and waste. Removable baffles shall be removed and cleaned during the maintenance process.
- F. Dishwashers and food waste disposal units shall not be connected to or discharged into any grease trap.

(Ord. CS-010 § 3, 2008)

#### **§ 13.06.110. Monitoring facilities requirement.**

- A. The city may require the food service facilities to construct and maintain in proper operating condition at the food service facilities' sole expense, flow monitoring, constituent monitoring and/or sampling facilities.
- B. The location of the monitoring and metering facilities shall be subject to approval by the city.
- C. Food service facilities may be required to provide immediate, clear, safe and uninterrupted access to the city.
- D. Food service facilities may also be required by the city to submit waste analysis plans, contingency plans, and meet other necessary requirements to ensure proper operation and maintenance of the grease control device or grease interceptor and compliance with this section.
- E. No food service facility shall increase the use of water or in any other manner attempt to dilute a discharge as a partial or complete substitute for treatment to achieve compliance with this section.

(Ord. CS-010 § 3, 2008)

#### **§ 13.06.120. Requirements for best management practices.**

- A. All food service facilities shall implement best management practices in accordance with the requirements and guidelines established by the city under its FOG control program in an effort to minimize the discharge of FOG to the sewer system.

B. All food service facilities shall be required, at a minimum, to comply with the following best management practices, when applicable:

1. Installation of Drain Screens. Drain screens shall be installed on all drainage pipes in food preparation and utensil cleaning areas.
2. Segregation and Collection of Waste Cooking Oil. All waste cooking oil shall be collected and stored properly in recycling receptacles such as barrels or drums. Such recycling receptacles shall be maintained properly to ensure that they do not leak. Licensed waste haulers or an approved recycling facility must be used to dispose of waste cooking oil. Maintenance logs showing waste hauling-pumping frequency or receipts, or legible copies of receipts from an authorized waste hauler must be kept on site at all times and be accessible for inspection at request of authorized inspector.
3. Disposal of Food Waste. All food waste shall be disposed of directly into the trash or garbage, and not in sinks. Double-bagging food wastes that have the potential to leak in trash bins is highly recommended.
4. Employee Training. Employees of the food service facility shall be trained by ownership/management periodically. Training shall be documented and employee signatures retained indicating each employee's attendance and understanding of the practices reviewed. Training records shall be available for review at any reasonable time by an inspector or city representative. Training shall be done on the following subjects:
  - a. How to "dry wipe" pots, pans, dishware and work areas before washing to remove grease.
  - b. How to properly dispose of food waste and solids in enclosed plastic bags prior to disposal in trash bins or containers to prevent leaking and odors.
  - c. The location and use of absorption products to clean under fryer baskets and other locations where grease may be spilled or dripped.
  - d. How to properly dispose of grease or oils from cooking equipment into a grease receptacle such as a barrel or drum without spilling.
5. Maintenance of Kitchen Exhaust Filters. Filters shall be cleaned as frequently as necessary to be maintained in good operating condition. The wastewater generated from cleaning the exhaust filter shall be disposed properly.
6. Kitchen Signage. Best management and waste minimization practices shall be posted conspicuously in the food preparation and dishwashing areas at all times.

(Ord. CS-010 § 3, 2008)

#### **§ 13.06.130. Grease interceptor maintenance requirements.**

- A. Grease interceptors shall be maintained in efficient operating condition by periodic removal of the full content of the interceptor which includes wastewater, accumulated FOG, floating materials, sludge and solids.
- B. All existing and newly installed grease interceptors shall be maintained in a manner consistent with a maintenance frequency indicated below under subsection (E)(1).
- C. No FOG that has accumulated in a grease interceptor shall be allowed to pass into any sewer lateral,

- sewer system, storm drain, or public right-of-way during maintenance activities.
- D. Food service facilities with grease interceptors may be required to submit data and information necessary to establish the maintenance frequency of the grease interceptors.
- E. The maintenance frequency for all food service facilities with a grease interceptor shall be determined in one of the following methods:
1. Grease interceptors shall be fully pumped out and cleaned at a frequency such that the combined FOG and solids accumulation does not exceed 25% of the total design hydraulic depth of the grease interceptor. This is to ensure that the minimum hydraulic retention time and required available hydraulic volume is maintained to effectively intercept and retain FOG discharged to the sewer system.
  2. All food service facilities with a grease interceptor shall maintain their grease interceptor not less than every six months.
  3. All food service facilities will clean the sewer lateral from the grease control device to the sewer main, at least annually, or at a frequency that ensures proper flow within the sewer lateral. A record of the cleaning must be maintained and kept on file for review at the food service facility.
  4. Grease interceptors shall be fully pumped out and cleaned quarterly when the frequency described in paragraph 1 of this subsection has not been established. The maintenance frequency shall be adjusted when sufficient data have been obtained to establish an average frequency based on the requirements described in paragraph 1 of this subsection and guidelines adopted pursuant to the FOG control program. The city may change the maintenance frequency at any time to reflect changes in actual operating conditions in accordance with the FOG control program. Based on the actual generation of FOG from the food service facility, the maintenance frequency may increase or decrease.
  5. The owner/operator of a food service facility may submit a request to the city requesting a change in the maintenance frequency at any time. The food service facility has the burden of responsibility to demonstrate that the requested change in frequency reflects actual operating conditions based on the average FOG accumulation over time and meets the requirements described in paragraph 1 of this subsection, and that it is in full compliance with the conditions of this chapter.
  6. If the grease interceptor, at any time, contains FOG and solids accumulation that does not meet the requirements described in paragraph 1 of this subsection, the food service facility shall be required to have the grease interceptor serviced immediately such that all fats, oils, grease, sludge, and other materials are completely removed from the grease interceptor. If deemed necessary, the city may also increase the maintenance frequency of the grease interceptor from the current frequency.
- F. Wastewater, accumulated FOG, floating materials, sludge/solids, and other materials removed from the grease interceptor shall be disposed off-site properly by waste haulers in accordance with federal, state and/or local laws.

(Ord. CS-010 § 3, 2008)

**§ 13.06.140. Monitoring and reporting conditions.**

- A. Monitoring for Compliance with Reporting Requirements.

1. The city may require periodic reporting of the status of implementation of best management practices, in accordance with the FOG control program.
  2. The city may require closed circuit television monitoring at the sole expense of the food service facility to observe the actual conditions of the food service facilities' sewer lateral and sewer lines downstream.
  3. The city may require reports for self-monitoring of wastewater constituents and FOG characteristics of the food service facility needed for determining compliance with any conditions or requirements as specified in this section.
  4. Other reports may be required such as compliance schedule progress reports, FOG control monitoring reports, and any other reports deemed reasonably appropriate by the city to ensure compliance with this section.
- B. Record Keeping Requirements. The food service facility shall be required to keep all manifests, receipts and invoices of all cleaning, maintenance, grease removal of/from the grease control device, disposal carrier and disposal site location for no less than two years. The food service facility shall, upon request, make the manifests, receipts and invoices available to any city representative, their designee, or inspector. These records may include:
1. A logbook of grease interceptor, grease trap or grease control device cleaning and maintenance practices.
  2. A record of best management practices being implemented including employee training.
  3. Copies of records and manifests of waste hauling interceptor contents.
  4. Records of sampling data and sludge height monitoring for FOG and solids accumulation in the grease interceptors.
  5. Records of any spills and/or cleaning of the lateral or sewer system.
  6. Any other information deemed appropriate by the city to ensure compliance with this section.
- C. Falsifying Information or Tampering with Process. It shall be unlawful to make any false statement, representation, record, report, plan or other document that is filed with the city, or to tamper with or knowingly render inoperable any grease control device, monitoring device or method or access point required under this section.

(Ord. CS-010 § 3, 2008)

#### **§ 13.06.150. Inspection and sampling conditions.**

- A. The city may inspect or order the inspection of the wastewater discharges of any food service facility to ascertain whether the intent of this section is being met and the food service facility is complying with all requirements. The food service facility shall allow the city or the city's designee, access to the food service facility premises, during normal business hours, for purposes of inspecting the food service facility's grease control devices or interceptors, reviewing the manifests, receipts and invoices related to the cleaning, maintenance and inspection of the grease control devices or interceptor.
- B. The city shall have the right to place or order the placement on the food service facility's property or other locations as determined by the city, such devices as are necessary to conduct sampling or metering operations. Where a food service facility has security measures in force, the food service

facility shall make necessary arrangement so that representatives of the city shall be permitted to enter without delay for the purpose of performing their specific responsibilities.

(Ord. CS-010 § 3, 2008)

#### **§ 13.06.160. Right of entry.**

Persons or occupants of premises where wastewater is created or discharged shall allow the city or the city's representative, reasonable access to all parts of the wastewater generating and disposal facilities for the purposes of inspection and sampling during all times the discharger's facility is open, operating, or any other reasonable time. No person shall interfere with, delay, resist or refuse entrance to city representatives attempting to inspect any facility involved directly or indirectly with a discharge of wastewater to the city's sewer system. In the event of an emergency involving actual or imminent sanitary sewer overflow, the city's representatives may access adjoining businesses or properties which share a sewer system with a food service facility in order to prevent or remediate an actual or imminent sanitary overflow.

(Ord. CS-010 § 3, 2008)

#### **§ 13.06.170. Notification of changes to facility.**

Food service facilities shall notify the city at least 60 days in advance prior to any facility expansion/remodeling, or process modifications that may result in new or substantially increased FOG discharges or a change in the nature of the discharge. Food service facilities shall notify the city in writing of the proposed expansion or remodeling and shall submit any information requested by the city for evaluation of the effect of such expansion on the food service facilities' FOG discharge to the sewer system.

(Ord. CS-010 § 3, 2008)

#### **§ 13.06.180. Appeals.**

- A. General. Any food service facility affected by any decision, action or determination made by the department may file with the department a written request for an appeal hearing. The request must be received by the city within 10 calendar days of mailing of notice of the decision, action, or determination of the city to the appellant. The request for hearing shall set forth in detail all facts supporting the appellant's request.
- B. Notice. The Utilities Director shall, within 15 days of receiving the request for appeal, designate a representative to hear the appeal and provide written notice to the appellant of the hearing date, time and place. The hearing date shall not be more than 30 days from the mailing of such notice by certified mail to the appellant unless a later date is agreed to by the appellant. If the hearing is not held within said time due to actions or inactions of the appellant, then the staff decision shall be deemed final.
- C. Hearing. At the hearing, the appellant shall have the opportunity to present information supporting its position concerning the department's decision, action or determination. The hearing shall be conducted in accordance with procedures established by the department and approved by the City Council.
- D. Written Determination. After the conclusion of the hearing, the designated representative shall submit a written report to the Director of Utilities setting forth a brief statement of facts found to be true, a determination of the issues presented, conclusions, and recommendations whether to uphold, modify or reverse the department's original decision, action or determination. Upon receipt of the written report, the Utilities Director shall make their determination and shall issue the decision and order within 30 calendar days of the hearing. The written decision and order of the Utilities Director shall be sent by certified mail to the appellant or its legal counsel/representative at the appellant's business

address.

- E. Final Determination. The order of the Utilities Director shall be final in all respects on the 16th day after it is mailed to the appellant.
- F. Appeal. Any food service facility, affected by any decision, action or determination made by the Utilities Director, may appeal in writing to the City Council by filing with the City Clerk a written notice of such appeal, setting forth grounds thereof. The appellant shall file such notice within 10 calendar days after receipt of the notice of the administrative decision concerned. The order of the City Council shall be deemed final upon its adoption. If the user fails to appeal to the City Council, or the City Council fails to reverse or modify the Utilities Director's decision, the Utilities Director's decision shall be deemed final.

(Ord. CS-010 § 3, 2008; Ord. CS-164 § 6, 2011)

## CHAPTER 13.08 PAYMENT FOR LINE COST

**Note Prior ordinance history : Ord. Nos. 7020, 7020A, 7024, 7033, 7041, 7043, 7045, 7046, 7054, 7057, and 7059**

### **§ 13.08.010. Proportionate cost of sewer main prerequisite to connection.**

Whenever any person applies for a connection to a sewer main and neither such person nor his or her predecessor in interest has paid the proportionate share of the cost of the sewer main, with respect to the property served, no application shall be acted upon, allowed or approved by the city or any of its administrative employees, until such person shall have paid to the city his or her proportionate share of the cost of such sewer main according to the terms, schedules and conditions set forth in this chapter.

(Ord. 7060 § 1, 1980)

### **§ 13.08.020. Plat map.**

It shall be the duty of the Utilities Director to prepare a plat map and indicate on the plat map those certain parcels of land that have contributed their full share towards the construction of the sewer main.

(Ord. 7060 § 1, 1980; Ord. CS-164 § 3, 2011)

### **§ 13.08.030. Line costs.**

When any person connects to a sewer main, and such person or his/her predecessor in interest has not paid for his or her proportionate share of the cost of the main as indicated on the plat map on file in the office of the Utilities Director, then such person shall pay to the city an amount of money that is equal to the number of front feet of the property that abuts upon the sewer main multiplied by the amount of money that is fixed from time to time by the City Council as being the cost per foot per connection; except when such person is the owner of a large undeveloped frontage, then in that event, the owner shall be required to pay for a minimum frontage of 75 feet; provided, that all of the following conditions prevail:

- A. That the portion of the property being connected to the sewer main shall totally contain the residence of the owner, together with sufficient side yard setbacks as required by applicable zoning law;
- B. That sufficient area remain in the unconnected portion of the property in which to construct one or more living units in accordance with the applicable zoning laws.

(Ord. 7060 § 1, 1980; Ord. CS-164 § 3, 2011)

### **§ 13.08.035. Line costs—Alternative procedure.**

The City Council may by resolution approve a plat map for an area benefited by a sewer main which provides for a fee determined by dividing the cost of the sewer main by the number of dwelling units served instead of the cost per front foot as provided in Section 13.08.030. The provisions of this section are an alternative to those of Section 13.08.030 which may be used when the City Council determines that they will result in a more equitable fee.

(Ord. 7068 § 1, 1984)

### **§ 13.08.040. Extensions and oversizing.**

Subdividers shall be required to extend to the external limits of the subdivision all sewer lines placed

in the streets within the subdivision. There may also be imposed by the city a requirement that sewer improvements installed by a developer for the benefit of the development shall contain supplemental size or capacity, or extend across property outside the development.

(Ord. 7060 § 1, 1980)

**§ 13.08.050. Reimbursement.**

In the event of the installation of sewer improvements required by Section 13.08.040, the city may enter into an agreement with the developer to reimburse the developer for that portion of the cost of such sewer improvements equal to the difference between the amount it would have cost the developer to install such sewer improvements to serve the development only and the actual cost of such sewer improvements.

(Ord. 7060 § 1, 1980)

**§ 13.08.060. Method of reimbursement.**

In order to pay the costs as required by Section 13.08.050, the city may:

- A. Collect from other persons, including public agencies, using such improvements for the benefit of real property not within the development a reasonable charge for such use;
- B. Contribute to the developer that part of the cost of improvements that is attributable to the benefit of real property outside the development and levy a charge upon the real property benefited to reimburse itself for such cost paid to the development;
- C. Establish and maintain local benefit districts for the levy and collection of such charge or costs from the property benefited.

(Ord. 7060 § 1, 1980)

**CHAPTER 13.10  
SEWER CONNECTION AND CAPACITY PERMITS AND FEES**

**§ 13.10.010. Sewer permit required.**

- A. Concurrently with the issuance of a valid building permit for a new structure or with the issuance of a move-on permit for a mobile home, upon application and payment of the required fees, a sewer permit may be issued by the Utilities Director authorizing connection of the structure for which the building permit has been issued or the mobile home for which the move-on permit has been issued to the sewer system. A sewer permit shall be required for any structure which is altered, remodeled or expanded where such alteration, remodeling or expansion results in an increase in the equivalent dwelling units of sewage generated from such structure. At the time of issuance of a valid building permit or plumbing permit for such alteration, remodeling or expansion, upon application and payment of the required fee, a sewer permit may be issued by the Utilities Director, authorizing the connection of the structure for which the building permit has been issued to the sewer system. If the structure being altered, remodeled or expanded is already connected to the city sewer system, and a new connection is not required, the sewer permit shall authorize the use of the sewer system by the altered, remodeled or expanded structure.
- B. It is unlawful for any person to connect to or use the city sewer system without first obtaining a valid sewer permit which is in full force and effect at the time of such connection or use. It is unlawful for any person to alter, remodel or expand the use of a structure without first obtaining a valid building permit or plumbing permit.
- C. Every sewer permit issued pursuant to subsection A of this section shall expire by limitation and become null and void if the building permit or plumbing permit for the structure to which the connection is to be made, or for which the sewer system will be used, or the move-on permit for the mobile home to be connected, expires by limitation or otherwise becomes null and void. If a permit has expired, then before the connection for such structure or mobile home can be made, or the sewer system used, a new sewer permit shall be first obtained, and the fee therefor shall be one-half of the required fee for the original permit for each equivalent dwelling unit unless one year has passed since the expiration, in which case the fee shall be the same as a new permit.
- D. Permits for the connection of an existing structure to the sewer system may be issued by the Utilities Director at any time upon proper application. Every sewer permit issued pursuant to this subsection shall expire by limitation and become null and void if work on the connection authorized by such permit is not completed within 120 days from the date of issuance of such permit.

(Ord. 7060 § 1, 1980; Ord. CS-164 § 3, 2011)

**§ 13.10.020. Equivalent dwelling units.**

- A. An equivalent dwelling unit is a unit of measure for the sewage generated from particular buildings, structures or uses. One equivalent dwelling unit is equal to an approximation of the amount of sewage generated by an average single-family residence.
- B. The Utilities Director shall be responsible for determining the number of equivalent dwelling units for various buildings, structures or uses in accordance with the provisions of this section. For proposed new construction, the Utilities Director shall review the building plans and ascertain the use of the proposed structure and then determine the number of equivalent dwelling units required by an application of the tables in subsection C of this section. For an existing structure and use, the Director shall apply subsection C to that structure and use. For the alteration, remodeling or expansion of an

existing structure or use, the Utilities Director shall determine the number of equivalent dwelling units being used by the existing structure or use by applying subsection C. The Utilities Director shall then determine, in the same manner as new construction, the number of equivalent dwelling units required after completion of the alteration, remodeling or expansion. The equivalent dwelling units in such cases shall be the amount of the increase in such units, if any.

- C. Table 13.10.020(C) shall be used to determine equivalent dwelling units.

**TABLE 13.10.020(C)**

Type of Building, Structure or Use	Equivalent Dwelling Units
(1) Each space of a trailer court or mobilehome park	1.00
(2) Each duplex	2.00
(3) Each separate apartment in an apartment house	1.00
(4) Each housing accommodation designed for occupancy by a single person or one family, irrespective of the number actually occupying such accommodation	1.00
(5) Each room of a lodginghouse, boardinghouse, hotel, motel or other multiple dwelling designed for sleeping accommodations for one or more individuals	
Without cooking facilities	0.60
With cooking facilities	1.00
(6) Churches, theaters and auditoriums, per each unit of seating capacity (a unit being 150 persons or any fraction thereof)	1.33
(7) Restaurants	
No seating	2.67
Seating (see note)	2.67 plus 1.00 per each 7 seats or fraction thereof
Delicatessen or fast food, using only disposable tableware:	
No seating	2.67
Seating (see note)	2.76 plus 1.00 per each 21 seats or fraction thereof
(8) Automobile service stations:	
Not more than four gasoline pumps	2.00
More than four gasoline pumps	3.00
(9) Self-service laundries, per each washer	0.75
(10) Office space in industrial or commercial establishments not listed above and warehouses	Divide gross floor area of building in sq. ft. by 1,800
(11) Schools:	
Elementary schools	
For each 60 pupils or fraction thereof	1.00

**TABLE 13.10.020(C)**

Type of Building, Structure or Use	Equivalent Dwelling Units
Junior high schools	
For each 50 pupils or fraction thereof	1.00
High schools	
For each 30 pupils or fraction thereof	1.00
(12) In the case of all commercial, industrial and business establishments not included in subdivisions 1 through 10, inclusive, of this subsection, the number of equivalent dwelling units shall be determined in each case by the Utilities Director and shall be based upon his or her estimate of the volume and type of wastewater to be discharged into the sewer. The provisions of Chapter 13.16 shall apply to all cases under this subsection and an industrial waste permit shall be required. Any such permit, issued for any use hereunder, shall include a specific volume of sewage authorized for such use. If said amount is exceeded, it shall be grounds for revocation of the permit.	
(13) Theme park (LEGOLAND California) per acre	17.00

**Note:** Seats allowed in incidental outdoor dining areas pursuant to Section 21.26.013, and seats allowed without any parking requirement in outdoor, sidewalk or curb cafes, as defined by and pursuant to the Village and Barrio Master Plan and the City Council, shall not count towards the generation of equivalent dwelling units. However, any combination of outdoor seats which exceeds the number of indoor seats and therefore is required to be parked, shall count towards the generation of equivalent dwelling units.

- D. If the number of equivalent dwelling units, determined by the application of subsection C of this section, results in a fraction, the fees required by this code for such fraction shall be in proportion thereto.
- E. The Utilities Director's determinations under this section may be appealed to the City Council, whose decision shall be final.
- F. The City Council may, by resolution, prescribe any regulations they consider necessary for the proper application of this section. Such regulations may include but are not limited to a determination of the number of gallons of sewage equaling one equivalent dwelling unit may vary for a satellite sewage treatment plant when such variation is justified based on the flow characteristics of the drainage basin served by such plant or other factors which the council finds necessitate the difference.
- G. If LEGOLAND California develops an attraction area into a use that is not consistent with current theme park uses and/or requires a specific plan amendment, the Utilities Director shall recommend a method for calculating equivalent dwelling units to the City Council.

(Ord. 7060 § 1, 1980; Ord. 7061 § 1, 1981; Ord. NS-421 § 1, 1997; Ord. NS-423 § 1, 1997; Ord. NS-849 § 1, 2007; Ord. CS-164 § 3, 2011; Ord. CS-207 § 1, 2013; Ord. CS-333 § 10, 2018)

#### **§ 13.10.030. Sewer capacity fee—Encina Treatment Plant.**

Except as provided, every person who wishes to use the city sewer system and the Encina Treatment Plant

shall pay to the city prior to the issuance of a sewer permit, a sewer capacity fee per equivalent dwelling unit. The amount of the sewer capacity fee shall be as set from time to time by a resolution of the City Council.

The sewer capacity fee shall be adjusted annually by a resolution of the City Council by the percentage change in the Engineering News Record Los Angeles Construction Cost Index with the base index in effect in December 2003.

All sewer capacity fees shall be placed in the sewer construction fund and shall be used to pay for capital improvements of such system.

(Ord. 7060 § 1, 1980; Ord. NS-12 § 1, 1988; Ord. NS-137 § 1, 1991; Ord. NS-682 § 1, 2003; Ord. CS-041 § 1, 2009; Ord. CS-094 § 1, 2010; Ord. CS-154 § 1, 2011; Ord. CS-186 § 1, 2012)

#### **§ 13.10.040. Pumping plant capital contribution fee.**

Whenever any person applies for a sewer permit and the sewage from the applicant's property must be pumped to a treatment plant by an intermediary public pumping plant, and such person, or his/her predecessor in interest, has not contributed to the cost of the construction of such intermediary pumping plant, then such person shall pay to the city a pumping plant capital contribution fee for each existing or proposed equivalent dwelling unit that is to be served by such connection.

The pumping plant capital contribution fee shall be established by resolution by the City Council.  
(Ord. 7060 § 1, 1980)

#### **§ 13.10.050. Sewer main fees.**

In addition to the fees required by this chapter, an applicant for a sewer permit shall also pay any applicable sewer main extension fees pursuant to Chapter 13.08.

(Ord. 7060 § 1, 1980)

#### **§ 13.10.060. Sewer capacity—Lake Calavera Hills Satellite Sewage Treatment Plant.**

- A. The City Council, by resolution, may establish a special sewer service area for the Lake Calavera Hills Satellite Sewage Treatment Plant and establish a sewer capacity fee which shall be paid by each person, other than the developer or successors or assigns, proposing to connect a structure within such area to the Lake Calavera Plant prior to the issuance of a sewer permit. The fee, less five percent for administrative costs, shall be used to reimburse Lake Calavera Hills for the costs of constructing the plant.

The developer may in writing waive reimbursement for any structure using capacity in the plant. The fee required by this section shall not be collected when such a waiver has been made.

- B. The fee established by this section shall be deemed to satisfy Section 13.10.030 which shall not apply to property within the special sewer service area.

(Ord. 7060 § 1, 1980)

#### **§ 13.10.070. Lake Calavera Hills capital contribution fee.**

The City Council may, by resolution, levy a fee for each connection to the Lake Calavera Hills Satellite Sewage Treatment Plant to pay for capital improvements within the special sewer service area or elsewhere but benefiting such area. Such fee shall be in addition to the capacity fee required by Section 13.10.060 and all other fees required by this title. All such fees shall be placed in the joint sewer construction fund

established by Section 13.10.030 and shall be used to pay for capital improvements of the system within the special service areas or elsewhere, but benefiting the special service area.

(Ord. 7060 § 1, 1980)

**§ 13.10.080. Sewer benefit area fees A through M.**

Except as provided, every person who wishes to use the city's sewer facilities in Sewer Benefit Areas A through M, shall pay to the city, prior to the issuance of a building permit, the following sewer benefit area fee:

\$955.00 per equivalent dwelling unit for Sewer Benefit Area A;

\$1,087.00 per equivalent dwelling unit for Sewer Benefit Area B;

\$2,003.00 per equivalent dwelling unit in Sewer Benefit Area C;

\$2,007.00 per equivalent dwelling unit in Sewer Benefit Area D;

\$2,960.00 per equivalent dwelling unit in Sewer Benefit Area E;

\$2,976.00 per equivalent dwelling unit in Sewer Benefit Area F;

\$600.00 per equivalent dwelling unit for Sewer Benefit Area G;

\$873.00 per equivalent dwelling unit for Sewer Benefit Area H;

No fee per equivalent dwelling unit for Sewer Benefit Area I;

\$1,647.00 per equivalent dwelling unit in Sewer Benefit Area J;

\$1,302.00 per equivalent dwelling unit for Sewer Benefit Area K;

\$1,302.00 per equivalent dwelling unit for Sewer Benefit Area L; and

\$64.00 per equivalent dwelling unit for Sewer Benefit Area M.

The sewer benefit area fees shall be adjusted annually effective September 1st, by the annual change to the Engineering News Record Los Angeles Construction Cost Index with a base year index of April 1, 2010. (Ord. NS-642 § 1, 2002; Ord. CS-041 § 2, 2009; Ord. CS-077 § II, 2010; CS-094 § 2, 7-13-2010; Ord. CS-154 § 2, 2011; Ord. CS-186 § 2, 2012)

**§ 13.10.100. Fee deferral.**

Notwithstanding anything in this chapter to the contrary, all sewer capacity and sewer benefit area fees for any residential development that consists of five or more dwelling units and for all new commercial, office, and industrial buildings or building additions shall only be paid prior to building permit issuance, or, at the request of the applicant, deferred until all work required for final inspection has been completed and all department approvals required for final inspection have been obtained by the applicant.

If the applicant chooses to defer the payment of fees to prior to the request for final inspection, then the amount of the fees shall be based on the fees in effect at the time of the request for final inspection.

In the event that the city, for any reason, fails to collect any or all fees prior to final inspection, such fees shall remain the obligation of the developer and/or the property owner.

(Ord. CS-200 § I, 2013; Ord. CS-271 § I, 2015)

## CHAPTER 13.12 SEWER SERVICE CHARGES

### **§ 13.12.010. Definitions.**

For the purposes of the chapter, the following words and phrases shall mean:

"Biochemical oxygen demand" or "BOD" means five-day, 68 degrees Fahrenheit biochemical oxygen demand measured in milligrams per liter (mg/L) as described in Standard Methods.

"Director" means the Utilities and Maintenance Director of the City of Carlsbad.

"Group I residential discharger" means any single- or multiple-family residential dwelling.

"Group II commercial dischargers" means any commercial discharger whose annual wastewater discharge consists of biochemical oxygen demand plus suspended solids (added together) equaling 400 milligrams per liter or less. Typically, this will include car washes, retail stores, hospitals, laundromats, professional offices, soft water services, warehouses and theaters.

"Group III commercial dischargers" means any commercial discharger whose annual average wastewater discharge consists of biochemical oxygen demand plus suspended solids (added together) of more than 400 milligrams per liter and less than 1,000 milligrams per liter. Typically, this will include hotels-motels (without restaurants), repair and service stations, manufacturing and lumber yards.

"Group IV commercial dischargers" means any commercial discharger whose annual average wastewater discharge consists of biochemical oxygen demand plus suspended solids (added together) equaling 1,000 milligrams per liter or more. Typically, this will include bakeries, hotels-motels (with restaurants), restaurants and supermarkets.

"Group V institutional dischargers" means schools, social service halls, membership organizations and other users who are determined equivalent by the Director.

"Group VI large volume dischargers" means users whose wastewater discharge quantity amounts to more than 25,000 gallons per day on an average annual basis.

"Industrial pretreatment Class I customers" means any user subject to federal categorized pretreatment standards and requires quarterly inspection and annual permits.

"Industrial pretreatment Class II customers" means any no categorical users discharging wastewater which may cause pass-through or interference with the system, or contain components as determined to be regulated and requires semiannual inspections and permits every two years.

"Industrial pretreatment Class III customers" means any user discharging waste other than domestic waste, having a reasonable potential to adversely affect the Encina Water Pollution Control Facility and requires annual inspections and permits every three years.

"Premises" means a lot or parcel of land, with building or establishment thereon.

"Sewage system" means those pipelines, plant facilities, and appurtenances constructed, maintained and operated by the city for the collection and treatment of sewage.

"Standard methods" means the current edition of "Standard Methods for the Examination of Water and Wastewater," published by the American Public Health Association.

"Suspended solids" or "SS" means solids that either float on the surface of, or are in suspension in water, sewage or other liquids; and are largely removable by laboratory filtering and as determined by the appropriate procedure in Standard Methods.

(Ord. 7027 § 1; Ord. 7039, 1971; Ord. 7054 § 4, 1978; Ord. NS-143 § 1, 1991)

**§ 13.12.020. Sewer service charges established.**

All persons whose premises in the city are served by a connection to the city sewer system whereby sewage or other waste material is disposed of through such systems, shall pay a sewer service charge imposed by resolution pursuant to the provisions of this chapter.

(Ord. 7027 § 2; Ord. 7039, 1971; Ord. 7040 § 1, 1972; Ord. 7064 § 2, 1982; Ord. 7067 § 1, 1983; Ord. NS-14 § 1, 1988; Ord. NS-69 § 1, 1989; Ord. NS-77 § 1, 1989; Ord. NS-143 § 2, 1991)

**§ 13.12.030. Rates applicable only when sewer main is connected.**

The charges fixed by Section 13.12.020 shall be applicable only to premises to which a sewer main is connected.

(Ord. 7027 § 3)

**§ 13.12.050. Collection—When due and payable.**

It shall be the duty of the city water department to collect all charges provided for in this chapter.

The charges fixed in this chapter for any premises shall be collected with the charges and rates for water service furnished by the city to such premises. The charges herein fixed shall be billed upon the same bill as is prepared for charges for water service, etc., and shall be due and payable at the same time that such charges for water services are due and payable. The total amount due for the charges herein fixed and for charges for water shall be paid as a unit.

(Ord. 7027 §§ 5, 6)

**§ 13.12.060. Deposits.**

The City Council may require any person to deposit funds with the utilities and maintenance department to ensure collection of any charge fixed in this chapter and to ensure recovery of the actual cost of installing sewer laterals.

The difference between actual cost of sewer installation and the deposit amount shall be refunded upon the completion of the work. Costs incurred beyond the deposited amount shall be itemized and billed as an additional cost to the customer, upon review and approval by the Director.

Deposits shall be established by resolution pursuant to the provisions of this chapter.

(Ord. 7027 § 7; Ord. NS-143 § 3, 1991)

**§ 13.12.070. Effect of failure to pay.**

In the event that any person shall fail to pay any charge provided in this chapter when the same becomes due, the city may, in addition to any other remedies it has, cut off any of the services and facilities referred to in this chapter and shall not resume the same until all delinquent charges, together with any charges necessitated by resumption of such services and facilities have been fully paid.

(Ord. 7027 § 8)

**§ 13.12.080. Determination of sewer service charge.**

A. Fee Resolution. The City Council has the authority by resolution, to establish fees when necessary to recover the costs for sewer services.

The City of Carlsbad Fee Resolution shall provide for a sewer service charge to be charged monthly

to dischargers. The sewer service charge shall incorporate all costs of sewage collection, treatment and disposal, including administrative and general expenses. The charge shall be based on four cost components:

1. City operations and maintenance;
  2. City capital requirements;
  3. City's portion of costs associated with the Encina Water Pollution Control Facility (EPIC) operations and maintenance;
  4. City's portion of costs associated with EPIC capital requirements.
- B. Allocation of Costs. All sewer service charges shall be calculated so as to allocate the costs of the enterprise to the dischargers in accordance with sewage quantity (flow) and quality (indicated by BOD and SS concentrations), including, but not limited to, costs incurred by the EPIC in treating and disposing of any effluent generated by discharges.

Group I residential dischargers shall be charged a flat rate amount per billing period. The flat rate amounts for multiple-family housing shall be administered according to the number of residential units per water meter.

All other discharger groups shall be charged a unit rate per hundred cubic feet (HCL) of water usage or a minimum charge, whichever is greater. Each discharger group shall have a separate unit rate per hundred cubic feet of water usage or minimum charge, whichever is greater. Each Group VI large volume discharger shall have a separate unit rate per hundred cubic feet of water usage or a minimum charge, whichever is greater. The City of Carlsbad fee resolution shall stipulate the unit rates and minimum charges based on wastewater quality and quantity.

Schools shall be charged on the basis of average daily attendance (ADA). The sewer service charge shall be applied throughout the 12-month year.

Every person granted an industrial waste permit pursuant to Title 13 of this code shall pay a fee to the city for inspection and control. The Encina Administrative Agency (EVA) shall determine the minimum number of inspections per year for each permittee as necessary for the proper enforcement of this chapter. The inspection fee shall be included with the sewer service charge in an amount specified in the Carlsbad fee resolution according to the minimum number of inspections determined by the EVA and applied throughout the 12-month year. The same enforcement provisions shall apply to the collection of such fees pursuant to this chapter.

(Ord. NS-143 § 4, 1991)

#### **§ 13.12.090. Adjustment of charges.**

- A. Filing for an Adjustment of Charges. In any case where it is believed that a sewer service charge imposed by this article is excessive, the person responsible for paying such charge may apply to the Director for adjustment by filing with the Director, within 30 days from the date of service of such charge, a written dated affidavit containing:
1. A description, or address of the property involved in the requested adjustment;
  2. The name or names and mailing addresses, of all the appellants participating in the requested adjustment;

3. A brief statement setting forth the legal interest of each of the appellants in the building or land involved in the requested adjustment;
  4. A statement in ordinary and concise language describing the reason for the requested adjustment;
  5. A statement of any material facts supporting the request for adjustment; specifically, statements alleging discriminatory, unreasonable, or unfair charges.
- B. Determination. As soon as practical, but not longer than 60 days after receipt of request for adjustment, the Director shall make a determination concerning the request for adjustment.

The charge shall be deemed to be nondiscriminatory, reasonable, and fair for a nonresidential user if at least 90% of the water supplied to the premises on an annual basis enters a public sewer.

The charge shall be deemed to be discriminatory, unreasonable, or unfair if the wastewater characteristics of the discharger indicate that the discharger should be assigned to a different discharger group, as defined herein.

During the course of the request the Director may visit and inspect any building or premises involved in the proceedings, and may there receive oral testimony of any witness.

The findings of the Director may wholly, partially, conditionally, approve or disapprove the requested adjustment. The decision of the Director may be appealed to the City Council by filing a written notice of appeal with the City Clerk within 10 calendar days of the Director's decision. Fees for appeal shall be established by resolution of the City Council.

If it is determined that the charge is discriminatory, unreasonable or unfair, the Director shall adjust the charge so that it is fair, reasonable and nondiscriminatory. If the charge has already been paid, the excess paid during the year immediately preceding the date of application for adjustment shall be refunded. Charges which are delinquent for more than 90 days shall not be subject to adjustment.

(Ord. NS-143 § 5, 1991)

## CHAPTER 13.16 DISCHARGE OF INDUSTRIAL WASTE

### **§ 13.16.010. Short title.**

This chapter shall be known and may be cited as the industrial waste discharge ordinance.

(Ord. 7035 § 1)

### **§ 13.16.020. Definitions.**

As used in this chapter, "City Engineer" shall mean the City Engineer or designee, who is the Deputy City Engineer, utilities engineering.

(Ord. CS-389 § 9, 2021)

### **§ 13.16.030. Establishment of rules and regulations.**

The engineer is authorized and empowered to adopt such rules and regulations as may be deemed reasonably necessary to protect the sewer system and the joint sewer system, to control and regulate the proper use thereof and to provide for the issuance of permits; provided, however, that the terms and provisions of such rules and regulations shall be promulgated in a manner best directed to result in the uniform control and use of the joint sewer system by the parties to the basic agreement referred to in Section 13.04.010, or any amendments or supplements thereto, and provided further that such rules and regulations shall not become effective until approved by the City Council, and a copy of such rules and regulations is filed with the City Clerk. The more restrictive regulations shall apply in the event of any inconsistencies between joint sewer system regulations approved by City Council and other regulations adopted by the city.

(Ord. 7035 § 19; Ord. NS-129 § 4, 1990)

### **§ 13.16.040. Permit required.**

No person shall connect to or otherwise discharge, or cause to be discharged into the sewer system of the district or the joint sewer system, any industrial waste unless such person has theretofore filed with the engineering department of the city an application for an industrial waste discharge permit and the engineer has issued such a permit; provided, however, no such permit shall be required of any person who has heretofore connected to the sewer system and is discharging industrial waste into such system unless the engineer determines that such discharge does not meet the industrial waste discharge standards established by this article or the rules or regulations adopted as herein provided, in which case a permit shall be required.

(Ord. 7035 § 17)

### **§ 13.16.050. Issuance of permit.**

Industrial waste permits shall be co-issued by the city and the Encina Water Pollution Control Facility according to this code and Encina Water Pollution Control Facility regulations approved by the City Council and filed with the City Clerk.

No permit shall be issued to any person to discharge industrial waste into the sewer system of the district or the joint sewer system if such discharge will be a hazard or danger to the health or safety of any person or to the property of any person or if such discharge will result in a danger to the capacity, construction, use or proper performance or utilization of the sewer system or joint sewer system or be otherwise detrimental or injurious to such systems or either of them, and unless the applicant has complied with all state, federal

and local laws and with all the provisions of this article and with all the applicable rules and regulations adopted as provided for this chapter.

(Ord. 7035 § 18; Ord. NS-129 § 5, 1990)

#### **§ 13.16.051. Pretreatment plans required.**

In the event the engineer determines that pretreatment is required to make the waste acceptable, the applicant shall be so notified and shall submit suitable engineering plans and specifications showing in detail the proposed pretreatment facilities and pretreatment operational procedures which shall be included within and become a part of the original application. A permit shall not be issued until such plans, specifications and operational procedures have been reviewed and approved by the engineer.

(Ord. 7065 § 2, 1983)

#### **§ 13.16.052. Self-monitoring and reporting.**

All industrial users shall be subject to self-monitoring and reporting requirements. The requirements for each applicable user shall be determined by the engineer and included in the user's discharge permit.

(Ord. 7065 § 2, 1983)

#### **§ 13.16.053. Public access to information.**

Information and data provided by an industrial user identifying the nature and frequency of a discharge shall be available to the public without restriction. Any information or data which is submitted or which may be furnished by a user in connection with required periodic reports shall also be available to the public unless the user or other interested person specifically identifies and is able to demonstrate to the satisfaction of the engineer that the disclosure of such information or a particular part thereof to the general public would divulge methods or processes entitled to protection as trade secrets.

(Ord. 7065 § 2, 1983)

#### **§ 13.16.054. Revisions to permits.**

The engineer shall be empowered to revise discharge permit requirements to comply with evolving federal law. Permit revisions or modifications shall not be inconsistent with applicable federal pretreatment standards.

(Ord. 7065 § 2, 1983)

#### **§ 13.16.060. Permit expiration, revocation or suspension.**

Any permit issued in accordance with the provisions of this chapter shall be valid for a period specified on the permit, or if no term is specified, for one year, and is not transferable unless such permit is revoked or suspended as provided in this title and in the rules and regulations adopted pursuant thereto.

(Ord. 7035 § 20; Ord. 7065 § 3, 1983; Ord. NS-129 § 6, 1990)

#### **§ 13.16.070. Violation—Disconnection of facilities—Reconnection charge.**

The engineer may revoke or suspend the permit issued to any person in the event of a violation by the permittee of any provision of any applicable state, federal or local law or this article or of any of the rules and regulations adopted in the manner provided for herein. The engineer may disconnect from the public sewer any connection sewer, main line sewer or other facility which is constructed, connected or used without a permit, or constructed, connected or used contrary to any of the provisions of any applicable state, federal or local law or this chapter or the rules and regulations adopted as provided for in this

chapter. When a premises has been disconnected, it shall not be reconnected until the violation for which it was disconnected has ceased or been remedied and a reasonable charge for such disconnection and reconnection, as established by the engineer, has been paid.

(Ord. 7035 § 22)

#### **§ 13.16.080. Notice of intention to disconnect premises.**

The engineer shall give not less than five days' notice of intention to disconnect the premises or to suspend or revoke a permit, stating the reasons therefor, and may grant a reasonable time for elimination of the violation; provided, however, that if the engineer determines that the danger is imminent and such action is necessary for the immediate protection of the health, safety or welfare of persons or property or for the protection of the sewer system or the joint sewer system, any premises may be disconnected and service terminated concurrently with the giving of such notice. Notice shall be given to the occupant of the premises, if any, and to the record owner of the property as shown upon the last equalized assessment roll of the county by United States mail, registered or certified, return receipt requested, postage prepaid or by posting such notice on the premises.

(Ord. 7035 § 23)

#### **§ 13.16.090. Enforcement.**

The engineer is charged with the duty of enforcing the provisions of this chapter and the rules and regulations adopted as provided in this chapter.

The engineer and the operator and their duly authorized agents and employees are authorized and shall be permitted to enter upon all properties at all reasonable times for the purpose of inspection, observation, measurement, sampling, testing or other reasons to assure the enforcement and proper application of all the provisions of this article and the rules and regulations adopted by the engineer as provided in this chapter.

(Ord. 7035 §§ 21, 26)

#### **§ 13.16.100. Liability of person for damage to system.**

Any person violating any provision of this chapter or any rule or regulation adopted as herein provided shall be liable for all damage to the sewer system or joint sewer system incurred as a result of such violation and for any increase in the cost of maintenance or repair resulting from such violation.

(Ord. 7035 § 25)

## CHAPTER 13.20 SEPTIC TANK SYSTEMS

### **§ 13.20.010. General restrictions.**

- A. No septic tank system shall be installed or constructed unless either of the following conditions exist:
  - 1. The public sewer system is not adjacent to the proposed development and the local sewer agency or Utilities Director determines that extension of the public sewer system is not feasible;
  - 2. The sewer moratorium pursuant to Section 18.05.020 of this code is in effect and none of the exceptions of that section are applicable.
- B. No septic tank system shall be installed or constructed unless it meets all the requirements of this chapter and Chapter 3 of Division 8 of Title 6 of San Diego County Code of Regulatory Ordinances as adopted by reference by Section 6.02.010 of this code.
- C. A septic tank system shall be the only acceptable alternative method of sewage disposal when connection to the public sewer is not available.
- D. No septic tank effluent disposal system other than conventional leach lines or seepage pits may be constructed or installed on any lot or parcel.
- E. No sewage other than domestic sewage may be discharged into any septic tank system.
- F. Septic tank systems shall not be allowed for major subdivisions except as follows:
  - 1. A major subdivision of a parcel for which the applicable zoning ordinance specifically allows the use of an alternative sewer disposal system;
  - 2. A major subdivision which is a resubdivision of a commercial or industrial zoned parcel existing at the time of the ordinance codified in this chapter for which full public improvements, in accordance with current city standards, exist or have been assured by a secured improvement agreement as of the effective date of the ordinance codified in this chapter.

(Ord. 7056 § 1, 1979; Ord. CS-164 § 3, 2011)

### **§ 13.20.020. Requirements for septic tank systems.**

The following requirements shall be met prior to approval of the construction or installation of a septic tank system:

- A. Each newly created lot or parcel to be used for residential purposes which is to be served by a septic tank system shall have a minimum area of 15,000 square feet per dwelling unit or as required by the applicable zoning ordinance, whichever is greater.
- B. Each newly created lot or parcel to be used for industrial or commercial purposes which is to be served by a septic tank system shall have a minimum area of one acre.
- C. The minimum lot or parcel areas required by this section shall not include: "panhandles"; slopes in excess of 25%; deep fills or ravines.
- D. A letter shall be obtained from the local sewer agency (if other than the city) and the Utilities Director recommending approval for the use of the proposed septic tank system.

- E. Each septic tank system shall conform to all the current rules, regulations, policies, codes and ordinances of the county.
- F. Each lot or parcel which is to be served by a septic tank system shall have an additional area suitable for expansion of the system equivalent to at least 100% of the total area used for the initial leach line or seepage pit installation.
- G. A septic tank system permit shall be obtained from the county department of public health and one copy of this permit shall be submitted for each lot or building at the time the building plans are submitted to the Community and Economic Development Director for plan check.
- H. The public sewer system shall be extended for future use to within one foot of each lot or parcel which is to be served by a septic tank system. The sewer line shall be constructed in a manner and location approved by the Utilities Director or local sewer agency. This requirement may be waived if the Utilities Director or the local sewer agency determines that extension of the public sewer system is not feasible.

(Ord. 7056 § 1, 1979; Ord. 1261 § 14, 1983; Ord. NS-676 § 6, 2003; Ord. CS-164 § 3, 2011)

#### **§ 13.20.030. Connection to public sewer system.**

A structure or lot being served by a septic tank system may not obtain a sewer connection permit as long as the city or local sewer agency within whose service territory the lot or structure is located has no available sewage treatment capacity as may be determined by the City Manager unless the city's public health officer and Utilities Director certify that the existing septic tank system has failed and constitutes a health hazard and that there is no additional area available for expansion of the existing system and that the existing system cannot be repaired.

No person within the city sewer service area shall obtain priority in any sewer allocation system that may be adopted by the City Council pursuant to Section 18.05.030 of this code due to the failure of any septic tank system constructed or installed pursuant to this chapter.

(Ord. 7056 § 1, 1979; Ord. CS-164 § 3, 2011)

#### **§ 13.20.040. Application procedure—Existing lots.**

- A. Before the applicant submits plans to the Community and Economic Development Director, the applicant shall submit to the Utilities Director the following:
  1. A letter requesting city approval for use of a septic tank system;
  2. Soil conditions of trench or seepage pits and percolation test reports for each lot;
  3. A letter from the local sewer agency, if other than the city, recommending approval for use of the proposed septic tank system;
  4. Two copies of proposed development plans including a plot plan showing size and placement of all buildings and a preliminary grading plan;
  5. In addition, for commercial and industrial zoned property, the applicant shall also submit proposed use(s), area(s), and estimated sewage flow for each building;
  6. Such other information as may be required by the Utilities Director.
- B. The Utilities Director will review the information and will issue a letter approving or disapproving

the use of the proposed septic tank system.

- C. At the time of the submission of the letter requesting city approval, the applicant shall pay to the engineering department a processing fee of \$20.00 for each residentially zoned lot and \$30.00 for each commercially or industrially zoned lot for which a septic system is proposed.

(Ord. 7056 § 1, 1979; Ord. 7058 § 2, 1979; Ord. 1261 § 14, 1983; Ord. NS-676 § 6, 2003; Ord. CS-164 § 3, 2011)

#### **§ 13.20.050. Application procedure—Subdivisions.**

- A. Before making application for any minor subdivision or a major subdivision as provided for in Section 13.20.010(F) of this code, the applicant shall submit to the Utilities Director the following:
1. A letter requesting city approval for use of a septic tank system;
  2. Two copies of the proposed tentative parcel map for minor subdivisions or tentative subdivision map for major subdivisions;
  3. A letter from the local sewer agency, if other than the city, recommending approval for use of the proposed septic tank system;
  4. In addition, for commercial and industrial zoned property, the applicant shall also submit:
    - a. Two copies of proposed development plans including a plot plan showing size and placement of buildings and a preliminary grading plan,
    - b. Proposed use(s), area(s), and estimated sewage flow for each building.
- B. The Utilities Director will review the information and will issue a preliminary letter approving or disapproving the use of the proposed septic tank system.
- C. If a preliminary letter of approval for the use of a septic tank system is issued by the Utilities Director, the applicant shall have the necessary tests performed and submit to the Utilities Director one copy of the soil condition of trench or seepage pit and percolation test reports for 100% of all proposed lots.
- D. At the time the tentative parcel map or tentative subdivision map is submitted to the city for review, the applicant shall submit evidence that satisfactory percolation tests have been taken on 100% of the proposed parcels and said tentative parcel map or tentative subdivision map shall bear certification by the county health department that it has approved each proposed parcel for installation of a septic tank system in accordance with this chapter.
- E. At the time of the submission of the letter requesting city approval, the applicant shall pay to the engineering department a processing fee of \$30.00, plus \$10.00 for each lot for which a septic system is proposed.

(Ord. 7056 § 1, 1979; Ord. 7058 § 2, 1979; Ord. CS-164 § 3, 2011)

#### **§ 13.20.060. Authority to adopt by resolution.**

The City Council shall have authority to adopt by resolution any additional requirements for the installation and construction of septic tanks as it may determine are necessary for the protection, health and welfare of the public.

(Ord. 7056 § 1, 1979)

## CHAPTER 15.04 GENERAL REGULATIONS

### **§ 15.04.010. Title.**

This title shall be known as the "Grading and Drainage Ordinances."

(Ord. NS-879 § 1, 2008)

### **§ 15.04.020. Definitions.**

For the purpose of this title, the following words, terms or phrases shall be construed as defined in this section:

"Basin plan" means the Water Quality Control Plan for the San Diego Region (July 1975) and approved by the State Water Resources Control Board, together with subsequent amendments.

"Best management practices (BMPs)" means schedules of activities, prohibitions of practices, maintenance procedures and other management practices to prevent or reduce the pollution of waters of the United States, as defined in 40 CFR 122.2. BMPs also include treatment requirements, operating procedures and practices to control plant site runoff, spillage or leaks, sludge or waste disposal, or drainage from raw material storage.

"Building footprint" means the gross floor area of a structure measured at the ground level elevation within the confines of the exterior wall surfaces.

"Building permit" means a permit required by and issued pursuant to Chapter 18.04 of this code.

"Business activity SWPPP" means a stormwater pollution prevention plan prepared pursuant to the Industrial General Permit or pursuant to Section 15.12.080 of this code for the purpose of (1) identifying and evaluating sources of pollutants associated with business activities that may affect the quality of stormwater discharges and authorized non-stormwater discharges from a facility; and (2) identifying and implementing site-specific best management practices to reduce or prevent pollutants associated with business activities in stormwater discharges and authorized non-stormwater discharges from a facility.

"California ocean plan" means the California Ocean Plan: Water Quality Control Plan for Ocean Waters of California adopted by the State Water Resources Control Board effective February 14, 2006, and any subsequent amendment, revision or re-issuance thereof.

"City standards" means the standards used for the design and construction of public and private improvements in Carlsbad, including grading improvements and stormwater best management practices, as contained in the latest edition of the "City of Carlsbad City Standards" as promulgated by the City Engineer.

"Construction SWPPP" means a stormwater pollution prevention plan prepared pursuant to the general construction permit, Sections 11.16.090, 15.12.080, 15.16.085 and 18.48.040 of this code and, city standards for the purpose of (1) identifying and evaluating sources of pollutants associated with construction activities that may affect the quality of stormwater discharges and authorized non-stormwater discharges from a construction site; and (2) identifying and implementing site-specific best management practices to reduce or prevent pollutants associated with construction activities in stormwater discharges and authorized non-stormwater discharges from a construction site.

"Development" means:

1. The placement or erection of any solid material or structure on land, in water, or under water;

2. The discharge or disposal of any dredged material or of any gaseous, liquid, solid, or thermal waste;
3. The grading, removing, dredging, mining, or extraction of any materials;
4. A change in the density or intensity of the use of land, including, but not limited to, a subdivision pursuant to the Subdivision Map Act (Government Code Section 66410, et seq.) and any other division of land, including lot splits, except where the division of land is brought about in connection with the purchase of such land by a public agency for public recreational use;
5. A change in the intensity of the use of water, or of access to water;
6. The construction, reconstruction, demolition, or alteration of the size of any structure, including any facility of any private, public, or municipal entity; and
7. The removal or harvesting of major vegetation other than for agricultural purposes. As used in this definition, "structure" includes, but is not limited to, any building, road, pipe, flume, conduit, siphon, aqueduct, telephone line, and electrical power transmission and distribution line. (Source: Government Code Section 65927).

"Development permit" means any permit approval or entitlement issued pursuant to Title 11, 15, 18, 20 or 21 of this code.

"Development project" means any new development or redevelopment with land disturbing activities, structural development, including construction or installation of a building or structure, the creation of impervious surfaces, public agency projects and land subdivision.

"Drainage master plan" means the report entitled City of Carlsbad Drainage Master Plan, dated July 2008, and any supplements, amendments, revisions or modifications made thereto as may be approved by City Council resolution.

"General construction permit" means NPDES General Permit for Stormwater Discharges Associated with Construction Activity (Water Quality Order No. 99-08-DWQ, NPDES No. CAS000002) issued by the State Water Resources Control Board, and any amendment, revision or re-issuance thereof. The general construction permit establishes a framework for regulating the discharge of stormwater runoff from construction activities as specified in the permit.

"General linear utility permit" means NPDES General Permit for Stormwater Discharges Associated with Construction Activity from Small Linear Underground/Overhead Projects, Water Quality Order No. 2003-0007 issued by the State Water Resources Control Board, and any amendment, revision or reissuance thereof. The general linear utility permit establishes a framework for regulating the discharge of stormwater runoff from small linear underground or overhead utility projects as specified in the permit.

"Illicit connection" means any man-made conveyance or drainage system through which a non-stormwater discharge to the stormwater drainage system occurs or may occur. Any connection to the MS4 that conveys an illicit discharge.

"Industrial general permit" means NPDES General Permit for Storm Water Discharges Associated with Industrial Activities (Order No. 97-03-DWQ, NPDES No. CAS000001) issued by the State Water Resources Control Board, and any amendment, revision or re-issuance thereof. The general industrial activity permit establishes a framework for regulating the discharge of stormwater runoff from certain industrial activities as specified in the permit.

"Jurisdictional urban runoff mitigation plan (JURMP)" means a written description of the specific jurisdictional runoff management measures and programs that each co-permittee will implement to comply

with this order and ensure that stormwater pollutant discharges in runoff are reduced to the MEP and do not cause or contribute to a violation of water quality standards.

"Landscape manual" means the "landscape manual" adopted by City Council resolution which contains the policies and requirements for the design, construction and maintenance of landscape and irrigation systems constructed pursuant to a city development approval.

"Low impact development (LID)" means a stormwater management and land development strategy that emphasizes conservation and the use of on-site natural features integrated with engineered, small-scale hydrologic controls to more closely reflect pre-development hydrologic functions.

"Maximum extent practicable (MEP)" means, with respect to best management practices (BMPs), an individual BMP or group of BMPs which reduces or eliminates the discharge of a pollutant of concern, which have a cost of implementation reasonably related to the pollution control benefits achieved, and which are technologically feasible.

"Municipal permit" means California Regional Water Quality Control Board San Diego Region Order No. R9-2007-0001, NPDES No. CAS0108758 Waste Discharge Requirements for Discharges of Urban Runoff from the Municipal Separate Storm Sewer Systems (MS4s) Draining the Watersheds of the County of San Diego County, the San Diego Unified Port District, and the San Diego County Regional Airport Authority (Municipal Permit), and any amendment, revision or re-issuance thereof.

"National Pollution Discharge Elimination System (NPDES) permit" refers to a permit issued by the San Diego Regional Water Quality Control Board or the State Water Resources Control Board pursuant to Chapter 5.5, Division 7 of the California Water Code, to control discharges from point sources to waters of the United States, including, but not limited to:

1. Municipal permit;
2. General industrial activity permit;
3. General construction permit;
4. General linear utility permit; and
5. California Regional Water Quality Control Board, San Diego Region, General De-Watering Permits (Order Numbers 91-10 and 90-31) and any amendment, revision or re-issuance thereof.

"National Pollution Discharge Elimination System (NPDES) general permit" means a permit issued by the State Water Resources Control Board which establishes a framework for regulating the discharge of stormwater runoff for certain broad classes of activities, including, but not limited to:

1. General construction permit;
2. General industrial activity permit; and
3. General linear utility permit.

"Non-stormwater discharge" means all discharges to and from a MS4 that do not originate from precipitation events (i.e., all discharges from a MS4 other than stormwater). Non-stormwater includes illicit discharges and NPDES permitted discharges.

"Occupancy permit" means a permit required or issued pursuant to Chapter 21.60 of this code.

"Pollutant" means any agent that may cause or contribute to the degradation of water quality such that a condition of pollution or contamination is created or aggravated.

"Planned local drainage area (PLDA)" means one of four drainage areas within the city identified within the drainage master plan. Separate planned local drainage area (PLDA) fees are established for each of the four drainage areas and were calculated to be equal to or less than the cost of the planned local facility drainage improvements within each respective PLDA.

"Planned local drainage facility" means any storm drainage facility, flood control facility or water quality enhancement facility identified in the drainage master plan including drainage easements, storm drain pipes, inlet structures, outlet structure, sedimentation and de-pollutant basins, drop structures, rip rap, junction structures, environmental mitigation measures, water quality monitoring and testing equipment and other improvements necessary to convey, contain or enhance the quality of stormwater discharge.

"Priority development project" means new development and redevelopment project categories listed in section D.1.d(2) of the municipal permit.

"Rainy season" or "wet season" means October 1st to April 30th.

"Receiving waters" means Waters of the United States. These are surface bodies of water which serve as receiving points for discharges from the stormwater conveyance system, including Encinas Creek, San Marcos Creek, Batiquitos Lagoon, Agua Hedionda Lagoon, San Elijo Lagoon and Buena Vista Lagoon and their tributary creeks, reservoirs, lakes, estuaries, and the Pacific Ocean.

"Standard urban stormwater management plan (SUSMP)" means a plan, prepared pursuant to the municipal permit, to reduce pollutants and runoff flows from all new development and significant redevelopment projects that fall under priority project categories. When used in the Carlsbad Municipal Code, this refers to the SUSMP prepared by the City of Carlsbad.

"Stormwater" means, per 40 CFR 122.26(b)(13), stormwater runoff, snowmelt runoff and surface runoff and drainage. Surface runoff and drainage pertains to runoff and drainage resulting from precipitation events.

"Stormwater conveyance system" means private and public drainage facilities by which stormwater may be conveyed to receiving waters, such as natural drainages, ditches, roads, streets, constructed channels, aqueducts, storm drains, pipes, culverts, street gutters or catch basins.

"Stormwater management plan (SWMP)" means a stormwater management plan prepared in accordance with the SUSMP which describes TCBMPs to be constructed on a development site. A stormwater management plan also includes recommended maintenance activities and schedules of maintenance for any structural treatment controls included in the plan.

"Stormwater pollution prevention plan (SWPPP)" means a document which describes the on-site program activities and structural treatment control measures to eliminate or reduce to the maximum extent practicable, pollutant discharges to the stormwater conveyance system primarily through the application and use of best management practices. A SWPPP is prepared in accordance with the requirements of a NPDES general permit and/or city standards.

"Stormwater standards questionnaire" means the questionnaire form, as specified in the SUSMP, filled out and signed by the responsible party submitting an application for a development permit, and used by the city to determine if the development project is required to comply with standard or priority project stormwater requirements.

"Treatment control best management practice (TCBMP)" means any engineered system designed to remove pollutants by simple gravity settling of particulate pollutants, filtration, biological uptake, media absorption or any other physical, biological, or chemical process.

(Ord. NS-879 § 1, 2008; Ord. CS-004 § 1, 2008; Ord. CS-151 § 1, 2011; Ord. CS-277, 2015)

## CHAPTER 15.08 DRAINAGE AREA FEE

### **§ 15.08.010. Purpose.**

- A. This chapter imposes a planned local drainage area fee to pay for various planned local drainage facility improvements within the city. The amount of the fee is based upon engineering analysis and has been calculated to be equal to or less than the cost of the planned local drainage facility improvements as described in the drainage master plan.
- B. This chapter is necessary to ensure the completion of planned local drainage facility storm drainage, flood control and water pollution control improvements in a timely manner concurrent with the need for such improvements. The construction of the planned local drainage facility improvements funded by this fee will help ensure compliance with the city's growth management standards relating to drainage facilities and with the water quality improvement requirements of the municipal permit.  
(Ord. NS-293 § 2, 1994; Ord. CS-004 § 1, 2008)

### **§ 15.08.015. Definitions.**

When used in this chapter, the following term shall have the meaning ascribed to it in this section:

"Impervious surface" means any surface which cannot be effectively or easily penetrated by water. Examples include conventional pavements, buildings, non-porous concrete and asphalt walkways, driveways, patios and building foundations and rock outcroppings. For purposes of this chapter any soil surface whether highly compacted or not shall not be considered an impervious surface.  
(Ord. CS-004 § 1, 2008)

### **§ 15.08.020. Prohibition of development.**

Except as provided in this section, no final or parcel map shall be approved nor shall any building permit or occupancy permit for any project be issued and no person shall build, use or occupy any project, without first paying the planned local drainage area fee established by, or otherwise complying with, this chapter. The following projects shall be exempt from the requirements of this chapter:

- A. Projects located on sites which have been previously developed with a permanent commercial, industrial or residential structure which do not increase the impervious surface area of the respective property by 50% or more and which do not contribute to any increase in the 100-year runoff value to any required planned local drainage area improvement located downstream of the proposed project. The 50% criteria shall be measured cumulatively for multiple discrete project applications covering the same property where such applications are filed within two years of one another.
- B. Projects involving remodels or additions that do not increase the building footprint by 500 square feet. The 500 square feet criteria shall be measured cumulatively for multiple discrete project applications covering the same property where such applications are filed within two years of one another.
- C. Projects located on property which was subdivided after October 16, 1980, and for which the subdivider for said property paid or received credit for payment of any PLDA fees.
- D. Projects by public agencies or entities.  
(Ord. NS-293 § 2, 1994; Ord. CS-004 § 3, 2008)

**§ 15.08.030. Application requirements.**

In addition to any other requirements for a building permit authorized pursuant to Title 18 of this code and as established by the building official, the applicant for a building permit, subject to the fee payment requirements of this chapter, shall:

- A. Submit a site plan showing the existing and proposed impervious surface areas located on the property together with a summary of the acreages of existing and proposed impervious surface areas.
- B. Pay the planned local drainage area fee established by action of this chapter.

(Ord. NS-293 § 2, 1994; Ord. CS-004 § 4, 2008)

**§ 15.08.040. Fee.**

- A. The planned local drainage area fee schedule shall be established by City Council resolution and shall be considered part of this chapter.
- B. A planned local drainage area fee shall be paid by the owner or developer prior to the issuance of any building permit or occupancy permit or prior to final or parcel map approval for a project, whichever occurs first. The planned local drainage area fees shall be adjusted annually based upon the July, 2008 Engineering News Record Los Angeles Construction Cost Index of 9335.69 based on the 1967 average = 100.
- C. If, as a condition of development, the project owner or developer is required to construct a planned local drainage facility, then the developer may receive a credit against payment of the planned local drainage area fee. The amount of the fee credit shall not exceed the facility cost as estimated in the master drainage plan plus the adjustments provided for in subsection B of this section. If the cost of the planned local drainage facility installed by the developer exceeds the amount of the fee credit established by this subsection the developer is eligible for reimbursement on the balance of the facility costs pursuant to Section 15.08.080 of this chapter.
- D. The drainage fee paid for each property subject to this chapter shall be based upon the gross property acreage (including easements and not more than 30 feet of the fronting street right-of-way measured at right angles to the property line along the full extent of the street frontage) less any area of constrained land as it may be defined in Section 21.53.230 and based upon the runoff potential for the respective general plan designation for the property. The runoff potential for each land use designation shall be as indicated within Appendix C of the drainage master plan.
- E. The applicant for a building permit may request adjustment of the PLDA fees specified in this chapter upon submittal of a written request to the City Engineer. The request should include an explanation of the reason for the requested adjustment and any documentation in support of the request. Upon review of the request, the City Engineer shall determine whether to approve or deny the requested adjustment in accordance with the following provisions:
  1. When portions of the project have slopes greater than 25% and less than 40%, as defined in Chapter 21.95, one-half the fee for those portions may be waived. The criteria for waiver should be that the slope is undisturbed and has a flourishing cover of native vegetation; that the owner irrevocably covenants with the city to maintain the slope as open space; and that the sloped area has not been used to compute more than one-half of an area equal to the sloped area used to establish the maximum development density of the project.
  2. The increment of a project that is replacing a building destroyed by accidental fire or natural

disaster may be considered to be deducted from the valuation of the project PLDA fee.

3. Structures that will not be in place from November 16th through April 14th of any year are considered temporary for the purposes of this chapter. Temporary buildings may have the payment of PLDA fees reimbursed without interest when they have been removed and when the areas under and appurtenant to them are restored to their natural hydrologic condition. Appurtenant areas include parking areas, walks, activity areas and other areas accessory to the use of the building. Structures and appurtenant areas that have not been removed between any period from November 16th through April 14th during their existence are not eligible for reimbursement of any portion of the PLDA fee.
4. The project includes Low Impact Development (LID) or hydro-modification features, as such features are described in the city's Standard Urban Stormwater Mitigation Plan, or other design features that reduce the 100-year flood runoff values in the post construction condition to such an extent that the runoff values are reduced to the level consistent with a project with a lesser runoff level. For example, a project with a high runoff value that installs LID features that result in runoff values that equate to a medium runoff level would result in a fee reduction from the high level to a medium level. In no case, however, shall the fee be reduced below the fee imposed for the low runoff level.

The decision of the City Engineer may be appealed to the City Council pursuant to Section 15.16.160 of this title.

- F. Where the approval of a final or parcel map does not convey any development rights, and subsequent discretionary actions are necessary for the development of the property, the planned local drainage area fee may be deferred to the issuance of a building permit or occupancy permit or the next final or parcel map approval for the project, whichever occurs first.

(Ord. NS-293 § 2, 1994; Ord. CS-004 § 5, 2008; Ord. CS-041 § 4, 2009; Ord. CS-084, 2010; Ord. CS-094 § 4, 2010; Ord. CS-154 § 4, 2011; Ord. CS-186 § 4, 2012)

#### **§ 15.08.060. Use of fees.**

Drainage area fees collected hereunder shall be segregated according to their source and deposited into a planned local drainage area facility fund established for each planned local drainage area and the funds therein and interest accruing thereto shall be expended solely for the construction of or for reimbursement for construction of planned local drainage facilities within the respective planned local drainage area. All of the fees collected shall be expended solely to build or finance planned local drainage facilities serving the city.

(Ord. NS-293 § 2, 1994; Ord. CS-004 § 7, 2008)

#### **§ 15.08.070. Assessment districts.**

If an assessment district or special taxing district is established for all or any part of the area subject to this chapter to fund storm drain improvements which are or will be funded in whole or in part by the fee established by this chapter, the owner or developer of a project may apply to the City Council for a credit against the fee in an amount equal to the assessment or taxes paid.

(Ord. NS-293 § 2, 1994)

#### **§ 15.08.080. Reimbursement agreements.**

The City Council may, at its discretion, enter into a reimbursement agreement with a developer, when said developer has constructed a planned local drainage facility improvement. Reimbursement shall be made

only as fees are collected in connection with the development of other property in the same planned local drainage area in which said facilities were constructed. The schedule of payments for the reimbursement shall take into consideration the schedule of planned local drainage facility improvement construction contemplated in the adopted capital improvement program and shall be made at the sole discretion of the City Council. The amount of reimbursement shall be limited to the actual cost, including engineering and other costs, of such facilities at the time they are constructed. The term of reimbursement agreements shall not exceed 10 years. The payment of any reimbursement shall be limited to the extent that funds are available through the collection of the PLDA fees. If the amount of reimbursement exceeds the cost of the facility as estimated in the master drainage plan including the adjustments provided for in Section 15.08.040(B), then the City Council shall revise the facility fee schedule accordingly. The developer requesting reimbursement shall pay or receive appropriate fee credits based upon the revised fee schedule. (Ord. NS-293 § 2, 1994)

**§ 15.08.090. Advance of funds by city.**

The city may advance money from any available source or fund for the construction of improvements which would otherwise be paid for from fees collected pursuant to this chapter and reimburse itself from future fees.

(Ord. NS-293 § 2, 1994)

**§ 15.08.100. Expiration of chapter.**

This chapter shall be of no further force and effect when the City Council determines that the amount of fees which have been collected reaches an amount equal to the cost of the storm drain improvements.

(Ord. NS-293 § 2, 1994)

**§ 15.08.110. Fee deferral.**

Notwithstanding anything in this chapter to the contrary, all planned local drainage area fees for any residential development that consists of five or more dwelling units and for all new commercial, office, and industrial buildings or building additions shall only be paid prior to building permit issuance, or, at the request of the applicant, deferred until all work required for final inspection has been completed and all department approvals required for final inspection have been obtained by the applicant.

If the applicant chooses to defer the payment of fees to prior to the request for final inspection, then the amount of the fees shall be based on the fees in effect at the time of the request for final inspection.

In the event that the city, for any reason, fails to collect any or all fees prior to final inspection, such fees shall remain the obligation of the developer and/or the property owner.

(Ord. CS-200 § II, 2013; Ord. CS-271 § II, 2015)

## CHAPTER 15.12 STORMWATER MANAGEMENT AND DISCHARGE CONTROL

### **§ 15.12.010. Purpose and intent.**

The purpose of this chapter is to ensure the environmental and public health, safety, and general welfare of the residential, commercial, and industrial sectors of the City of Carlsbad by:

- A. Prohibiting non-stormwater discharges to the stormwater conveyance system.
- B. Eliminating discharges to the stormwater conveyance system from spills, dumping or disposal of materials other than stormwater or permitted or exempted discharges.
- C. Reducing pollutants in stormwater discharges to the maximum extent practicable, including those pollutants taken up by stormwater as it flows over urban areas (urban runoff).
- D. Reducing pollutants in stormwater discharges in order to achieve applicable water quality objectives for receiving waters within the City of Carlsbad.

The intent of this chapter is to protect and enhance the water quality of the City of Carlsbad receiving waters and wetlands in a manner pursuant to and consistent with the Clean Water Act and municipal permit.

(Ord. NS-880 § 1, 2008)

### **§ 15.12.020. Definitions.**

When used in this chapter, the following terms shall have the meanings ascribed to them in this section:

"Clean Water Act" means the Federal Water Pollution Control Act enacted by Public Law 92-500, as amended by Public Laws 95-217, 95-576, 96-483, and 95-117 (33 USCA Section 1251 et seq.), and any subsequent amendments.

"County Health Officer" means the Health Officer of the County of San Diego Department of Public Health or designee.

"Employee training program" means a documented employee training program for all persons responsible for implementing a stormwater pollution prevention plan. The employee training program shall include, but is not limited to, the following topics:

1. Laws, regulations, and local ordinances associated with stormwater pollution prevention, and an overview of the potential impacts of polluted stormwater on the receiving waters of the San Diego region;
2. Proper handling of all materials and wastes to prevent spillage;
3. Mitigation of spills including spill response, containment and cleanup procedures;
4. Visual monitoring of all effluent streams to ensure illicit discharges do not enter the stormwater conveyance system;
5. Discussion of the differences between the stormwater conveyance system and the sanitary sewer system;
6. Identification of all on-site connections to the stormwater conveyance system;

7. Preventive maintenance and good housekeeping procedures;
8. Material management practices employed by the facility to reduce or eliminate pollutant contact with stormwater discharge; and
9. Documentation of training and records detailing dates, time, subjects covered and attendance.

"Enforcement agency" means the City of Carlsbad or its authorized agents charged with ensuring compliance with this chapter.

"Enforcement official" means the City Manager of the City of Carlsbad or designee.

"Hazardous materials" means any substance or mixture of substances which is toxic, corrosive, flammable, an irritant, a strong sensitizer, or generates pressure through decomposition, heat or other means, if such a substance or mixture of substances may cause, or contribute to, substantial injury, serious illness or harm to humans, domestic livestock, wildlife, or deterioration of receiving water quality or the environment.

"Illegal discharge" means any discharge to the stormwater conveyance system that is not composed entirely of stormwater, or is expressly prohibited by federal, state, or local regulations, laws, codes, or ordinances, or degrades the quality of receiving waters in violation of any NPDES permit, the basin plan and California ocean plan standards.

"Parking lot" means an open area, other than a street or other public way, used for the parking of motorized vehicles, whether for a fee or free, to accommodate clients or customers or to accommodate residents of multi-family dwellings (i.e., apartments, condominiums, townhomes, mobile homes, dormitories, group quarters, etc.).

"Person" means any individual, organization, business trust, company, partnership, entity, firm, association, corporation, or public agency, including the State of California and the United States of America.

"Premises" means any building, lot parcel, real estate, land or portion of land whether improved or unimproved.

"Responsible party" means one or more persons that control, are in possession of or own property that shall be individually or, jointly and severally held responsible for compliance with the provision of this chapter or with any illicit discharge from property controlled, possessed or owned. As defined in this chapter, "property" includes, but is not limited to, real estate, fixtures, facilities or premises of any kind located upon, under or above the real estate. This definition of responsible party does not include the city when an illicit discharge is caused by a person on a public street or on public property.

"Wetlands" means areas that are inundated or saturated by surface or ground waters at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas.

(Ord. NS-880 § 1, 2008)

### **§ 15.12.030. Administration.**

The enforcement official shall administer, implement, and enforce the provisions of this chapter. Any powers granted to, or duties imposed upon, the enforcement official may be delegated by the enforcement official to persons in the employ of the City of Carlsbad, or pursuant to contract. When deemed necessary by the enforcement official, the enforcement official shall prepare and present to the City Council for approval regulations consistent with the general policies established herein by the City Council. The enforcement official shall enforce council approved regulations necessary to the administration of this

chapter, and may recommend that the council amend such regulations as conditions require.  
(Ord. NS-880 § 1, 2008)

#### **§ 15.12.040. Applicability.**

This chapter shall be interpreted to assure consistency with the requirements of the federal Clean Water Act, applicable implementing regulations, and municipal permit.  
(Ord. NS-880 § 1, 2008)

#### **§ 15.12.050. Prohibited discharges.**

The discharge of non-stormwater discharges to the stormwater conveyance system or to any other conveyance system which discharges into receiving water is prohibited, including, but not limited to:

- A. Sewage;
- B. Discharges of washwater resulting from the hosing or cleaning of gas stations, auto repair garages, or other types of automotive services facilities;
- C. Discharges resulting from the cleaning, repair, or maintenance of any type of equipment, machinery, or facility including motor vehicles, cement-related equipment, and port-a-potty servicing, etc.;
- D. Discharges of washwater from mobile operations such as mobile automobile washing, steam cleaning, power washing, and carpet cleaning, etc.;
- E. Discharges of washwater from the cleaning or hosing of impervious surfaces in municipal, industrial, commercial, and residential areas including parking lots, streets, sidewalks, driveways, patios, plazas, work yards and outdoor eating or drinking areas, etc.;
- F. Discharges of runoff from material storage areas containing chemicals, fuels, grease, oil, or other hazardous materials;
- G. Discharges of pool or fountain water containing chlorine, algaecides, biocides, or other chemicals; discharges of pool or fountain filter backwash water;
- H. Discharges of saline swimming pool water unless such discharge can be discharged via a pipe or concrete channel directly to a naturally saline water body (e.g., Pacific Ocean);
- I. Discharges of sediment, pet waste, vegetation clippings, or other landscape or construction-related wastes; and
- J. Discharges of food-related wastes (e.g., grease, fish processing, and restaurant kitchen mat and trash bin wash water, etc.).

(Ord. NS-880 § 1, 2008; Ord. CS-278, 2015)

#### **§ 15.12.055. Exemptions from discharge prohibitions.**

- A. The prohibition on discharges shall not apply to any discharge regulated under a NPDES permit issued to the discharger and administered by the State of California pursuant to Chapter 5.5, Division 7, of the California Water Code, provided that the discharger is in compliance with all requirements of the permit and other applicable laws and regulations. Proof of compliance with such permit may be required in a form acceptable to the city prior to or as a condition of a subdivision map, site plan, building permit, or development improvement plan; upon inspection of the facility; during any

enforcement proceeding or action; or for any other reasonable cause.

- B. Non-stormwater discharges to the MS4 from the following categories of non-stormwater discharges are allowed if the discharger obtains coverage under NPDES Permit No. CAG919002 (RWQCB Order No. R9-2008-0002, or subsequent order) and the discharger is in compliance with all requirements of the applicable NPDES permit and all other applicable laws and regulations; or the RWQCB determines in writing that coverage under NPDES Permit No. CAG919002 is not required. Otherwise, non-stormwater discharges from the following categories are illicit discharges:
  - 1. Discharges from uncontaminated pumped groundwater;
  - 2. Discharges from foundation drains when the system is designed to be located at or below the groundwater table to actively or passively extract groundwater during any part of the year;
  - 3. Discharges from crawl space pumps;
  - 4. Discharges from footing drains when the system is designed to be located at or below the ground-water table to actively or passively extract groundwater during any part of the year.
- C. Non-stormwater discharges to the MS4 from water line flushing and water main breaks are allowed if the discharges have coverage under NPDES Permit No. CAG679001 (Regional Water Quality Control Board Order No. R9-2010-0003, or subsequent order), and the discharger is in compliance with all requirements of that NPDES permit and other applicable laws and regulations. This category includes water line flushing and water main break discharges from water purveyors issued a water supply permit by the California Department of Public Health or federal military installations. Discharges from recycled or reclaimed water lines to the MS4 are allowed if the discharges have coverage under an NPDES permit, and the discharger is in compliance with the applicable NPDES permit and other applicable laws and regulations. Otherwise, discharges from water lines are illicit discharges.
- D. Non-stormwater discharges to the MS4 from the following categories are allowed, unless the enforcement official or the Regional Water Quality Control Board identifies the discharge as a source of pollutants to receiving waters, in which case the discharge is considered an illicit discharge:
  - 1. Discharges from diverted stream flows;
  - 2. Discharges from rising groundwater;
  - 3. Discharges from uncontaminated groundwater infiltration to the MS4;
  - 4. Discharges from springs;
  - 5. Discharges from riparian habitats and wetlands;
  - 6. Discharges from potable water sources, except as set forth in subsection C of this section;
  - 7. Discharges from foundation drains when the system is designed to be located above the groundwater table at all times of the year, and the system is only expected to produce non-stormwater discharges under unusual circumstances; and
  - 8. Discharges from footing drains when the system is designed to be located above the groundwater table at all times of the year, and the system is only expected to produce non-stormwater discharges under unusual circumstances.

E. Non-stormwater discharges from the following categories are allowed if they are addressed with BMPs. Otherwise, non-stormwater discharges from the following categories are illicit discharges:

1. Air conditioning condensation;
2. Individual residential vehicle washing;
3. Flows from non-emergency fire fighting activities; and
4. Flows from emergency fire fighting activities.

F. The prohibition of discharges shall not apply to any discharge which the enforcement official, the county health officer, the state or San Diego Regional Water Quality Control Board, or U.S. Environmental Protection Agency determines in writing are necessary for the protection of the environment, water quality, and public health and safety.

(Ord. NS-880 § 1, 2008; Ord. CS-278, 2015)

#### **§ 15.12.060. Discharge in violation of permit.**

Any discharge that would result in or contribute to a violation of municipal permit either separately considered or when combined with other discharges, is prohibited. Liability for any such discharge shall be the responsibility of the person(s) causing or responsible for the discharge.

(Ord. NS-880 § 1, 2008)

#### **§ 15.12.070. Illicit connections.**

It is prohibited to establish, use, maintain, conceal or continue illicit connections to the stormwater conveyance system, regardless of whether such connections were made under a permit or other authorization or whether permissible under the law or practices applicable or prevailing at the time of the connection except as authorized in Section 15.12.050.

(Ord. NS-880 § 1, 2008)

#### **§ 15.12.080. Reduction of pollutants contacting or entering stormwater required.**

A. It is unlawful for any person not to utilize best management practices to the maximum extent practicable to eliminate or reduce pollutants entering the city's stormwater conveyance system.

B. In order to reduce the risk of contamination of stormwater and the discharge of non-stormwater or pollutants to the city's stormwater conveyance system, the enforcement official may require the person(s) conducting the following activities to implement best management practices to the maximum extent practicable:

1. Automobile, airplane, boat, and/or vehicle repair, service, fueling, maintenance, washing, storage, and/or parking;
2. Landscape and garden care activities including application of related products, such as pesticides, herbicides, and fertilizers;
3. Building remodeling, repair and maintenance, including, but not limited to: cement mixing, repair or cutting, masonry, plumbing, painting and/or coating;
4. Impervious surface or building washing or cleaning, including pressure washing or steam cleaning;

5. Storage and disposal of household hazardous waste (e.g., paints, used motor oil, cleaning products, pesticides, herbicides);
  6. Disposal of pet waste;
  7. Storage and disposal of green waste;
  8. Mobile carpet, drape or furniture cleaning;
  9. Pool, spa, jacuzzi, or fountain cleaning, servicing, or repair;
  10. Pest control;
  11. Plant growing including: farmlands, fields, nurseries, greenhouses, and botanical gardens.
- C. Persons conducting an activity or activities that the enforcement official determines may contribute to an illegal discharge to the stormwater conveyance system, and/or a tributary to a Clean Water Act Section 303(d) impaired water body, where the site or source generates pollutants for which the water body is impaired; and/or any person within or directly adjacent to or discharging directly to a coastal lagoon or other receiving water may also be subject to subsection B.
- D. Business Activity Stormwater Pollution Prevention Plan (SWPPP). When the enforcement official determines that a person in the course of conducting a business-related activity causes, has the potential to cause, or contributes to a violation of the water quality standards set forth in the San Diego basin plan or California ocean plan, or conveys pollutants to receiving waters that may cause or contribute to the deterioration of water quality, then the enforcement official may require the person to develop and implement a business activity SWPPP that includes the implementation and use of best management practices, and an employee training program. This section applies, but is not limited to:
1. Persons conducting maintenance, storage, manufacturing, assembly, equipment operations, vehicle loading, and/or cleanup activities partially or wholly out of doors;
  2. Persons conducting automobile, airplane, boat, and/or equipment mechanical service, repair, maintenance, fueling, cleaning and/or parking; marinas; mobile automobile or other vehicle washing and/or parking; retail or wholesale fueling; mobile carpet, drape or furniture cleaning; pest control services; eating and drinking establishments; cement mixing, repair or cutting; masonry; plumbing; painting and coating; surface or building washing or cleaning services, including pressure washing or steam cleaning; botanical or zoological gardens and exhibits; landscaping and lawn and garden services; nurseries and greenhouses; golf courses, parks and other recreational areas/facilities; cemeteries; pool and fountain cleaning; or port-a-potty servicing;
  3. Persons owning or operating a parking lot or an impervious surface (including, but not limited to, service station pavements, sidewalks, patios and paved private streets and roads) used for automobile-related or similar purposes shall clean those surfaces as frequently and as thoroughly as is necessary, in accordance with best management practices, to prevent the discharge of pollutants to the city's stormwater conveyance system. Sweepings or cleaning residue from parking lots or impervious surfaces shall not be swept or otherwise made or allowed to enter any stormwater conveyance system, gutter, or roadway, but must be disposed of in accordance with regional and local solid waste procedures and regulations.

Persons owning or operating a parking lot or impervious surfaces used for similar purposes shall clean those surfaces thoroughly as is necessary to prevent the accumulation and discharge of pollutants to the stormwater conveyance system to the maximum extent practicable, but not less than once prior to each rainy season. Sweepings or cleaning residue from parking lots or said impervious surfaces shall not be swept or otherwise made or allowed to enter the gutter, roadway or stormwater conveyance system.

- E. Development, Grading or Construction Activities. Any person engaged in development, grading or construction in the City of Carlsbad shall utilize best management practices to prevent pollutants from entering the stormwater conveyance system by complying with city standards, all applicable local ordinances, including Chapter 15.16 of the Carlsbad Municipal Code, the standard specifications for public works construction, when performing public work, and, required provisions of all applicable NPDES permits.

In order to reduce the risk of contamination of stormwater and the discharge of non-stormwater or pollutants to the city's stormwater conveyance system, the enforcement official may require the person conducting the development, grading or construction activities to prepare and implement a construction SWPPP in compliance with city standards and/or to implement best management practices to the maximum extent practicable.

- F. No person shall stand or park any vehicle or equipment on any street for the purpose of washing, greasing, repairing, and/or maintaining the vehicle or equipment, except for repairs necessitated by an emergency.
- G. No person shall stand or park any vehicle or equipment on any public street, if such vehicle or equipment is determined by the enforcement official to be leaking fluids such as oils or other fluids that contribute or have the potential to contribute a discharge of pollutants to the stormwater conveyance system and/or the receiving waters.
- H. Other activities not covered by subsections B, C, D, E and F of this section. In order to reduce the risk of contamination of stormwater, the discharge of non-stormwater or, pollutants to the city's stormwater conveyance system, the enforcement official may require the person conducting any activity not listed in subsections B, C and D of this section, to implement best management practices to the maximum extent practicable, if the enforcement official determines that the activity has the potential to discharge pollutants or is known to discharge pollutants to the stormwater conveyance system or receiving waters.
- I. Stormwater Management Plan (SWMP). Any project issued a development permit shall comply with all applicable best management practices and low impact development (LID) requirements of the municipal code, standard urban stormwater mitigation plan (SUSMP) or BMP Design Manual, city standards and this code including, but not limited to, the following:
1. All development permit applications for priority development projects shall be accompanied by a SWMP prepared pursuant to the SUSMP or BMP Design Manual. No development permit shall be approved or issued unless the following requirements have been met:
    - a. The City Engineer has approved the SWMP in accordance with the SUSMP or BMP Design Manual; and
    - b. The development project complies with all best management practices specified in the approved SWMP.

2. No development permit shall be issued for a priority development project without ensuring that all structural treatment control best management practices, as specified in the approved SWMP, will be maintained in compliance with the requirements of the municipal permit, JRMP and SUSMP or BMP Design Manual. To ensure maintenance of the structural treatment control best management practices, the owner of the development site shall enter into a permanent stormwater quality best management practices maintenance agreement or provide an alternate maintenance mechanism as approved by the enforcement official.

(Ord. NS-880 § 1, 2008; Ord. CS-278, 2015)

#### **§ 15.12.090. Stormwater conveyance system protection.**

- A. Every person owning property through which a stormwater conveyance system passes, and such person's lessee or tenant, shall keep and maintain that part of the stormwater conveyance system within the property free of trash, debris, excessive vegetation, and other obstacles which would pollute, contaminate or significantly retard the flow of water through the stormwater conveyance system.
- B. Every person shall maintain privately owned stormwater conveyance structures within or adjacent to a stormwater conveyance system, so that such structures do not become a hazard to the use, function or physical integrity of the stormwater conveyance system.
- C. Every person shall not remove healthy banks of vegetation beyond that actually necessary for such maintenance which shall be accomplished in a manner that minimizes the vulnerability of the stormwater conveyance system to erosion; and shall be responsible for maintaining that portion of the stormwater conveyance system that is within their property lines in order to protect against erosion and degradation of the stormwater conveyance system originating or contributed from their property.
- D. No person shall commit or cause to be committed any of the following acts, unless a written permit has first been obtained from the city and the appropriate state or federal agencies, if applicable:
  1. Discharge pollutants into or connect any pipe or channel to the stormwater conveyance system;
  2. Modify the natural flow of water in a stormwater conveyance system;
  3. Carry out developments within 30 feet of the center line of any stormwater conveyance system or 20 feet of the edge of a stormwater conveyance system, whichever is the greater distance;
  4. Deposit in, plant in, or remove any material from a stormwater conveyance system including its banks except as required for necessary maintenance;
  5. Construct, alter, enlarge, connect to, change or remove any structure in a stormwater conveyance system;
  6. Place any loose or unconsolidated material along the side of or within a stormwater conveyance system or so close to the side as to cause a diversion of the flow, or to cause a probability of such material being carried away by stormwaters passing through such a stormwater conveyance system.

The above requirements do not supersede any requirements set forth by the California Department of Fish and Game Stream Alteration Permit process.

(Ord. NS-880 § 1, 2008)

**§ 15.12.095. Structural treatment control BMP maintenance requirement.**

- A. Every person owning property which includes a structural treatment control best management practice (BMP), installed pursuant to a city approved stormwater management plan, shall:
  1. Insure that each and every city-approved structural treatment control BMP is operating effectively and has been adequately maintained; and
  2. Provide an annual verification of the effective operation and maintenance of each and every city-approved structural treatment control BMP by the party responsible for the maintenance of the structural treatment control BMP. The annual verification shall be submitted to the enforcement official in a format as approved by the city prior to the start of the rainy season.
- B. The enforcement official shall have the authority to conduct an inspection of any property containing a city-approved structural treatment control BMP to enforce the provision of this section in accordance with the inspection provisions specified in Sections 15.12.100 and 15.12.110 of this chapter.

(Ord. NS-880 § 1, 2008)

**§ 15.12.100. Authority to inspect.**

- A. During normal and reasonable hours of operation, the enforcement official shall have the authority to conduct an inspection to enforce the provisions of this chapter, and to ascertain whether the requirements of this chapter are being met. The enforcement official has the authority to inspect all publicly visible and accessible areas during reasonable times without the permission of the property owner or representative, as long as those areas are not specifically designated as no public access areas. If inaccessible or limited access areas are to be inspected, an inspection may be conducted after the enforcement official has presented the proper credentials and the owner, occupant, and/or facility operator authorizes entry. If the enforcement official is unable to locate the owner or other persons having charge or control of the premises, or the owner, occupant, and/or facility operator refuses the request for entry, the City of Carlsbad is empowered to seek assistance from any court of competent jurisdiction in obtaining entry.
- B. After obtaining authorized entry to a business or facility, the enforcement official may:
  1. Inspect the premises at all reasonable times.
  2. Carry out any sampling activities or install devices to conduct sampling or metering operations necessary to enforce this chapter, including taking samples from the property which the enforcement official reasonably believes is currently, or has in the past, caused or contributed to causing an illegal stormwater discharge to the stormwater conveyance system. Upon request by the property owner or authorized representative, split samples shall be given to the person from whose property the samples were obtained.
  3. Conduct tests, analyses and evaluations to determine whether a discharge of stormwater is an illegal discharge or whether the requirements of this chapter are met.
  4. Photograph any effluent stream, material or waste, material or waste container, container label, vehicle, waste treatment process, waste disposal site connection, or condition believed to contribute to stormwater pollution or constitute a violation of this chapter.
  5. Review and obtain a copy of the industrial activity stormwater pollution prevention plan, the hazardous materials release response plan and inventory, and/or any other documents, permits,

manifests, logs or records that may be required of the facility from local, state or federal laws, regulations or codes in order to conduct operations or business on the premises.

6. Require the facility operator to retain evidence, as instructed by the enforcement official, for a period not to exceed 30 days.
7. Review and obtain copies of all stormwater monitoring data compiled by the facility, if such monitoring is required of the facility.

(Ord. NS-880 § 1, 2008)

#### **§ 15.12.110. Inspection procedures—Additional requirements.**

- A. During the inspection, the enforcement official shall comply with all reasonable security, safety, and sanitation measures. In addition, the enforcement official shall comply with reasonable precautionary measures specified by the owner and/or occupant or facility operator.
- B. At the conclusion of the inspection, and prior to leaving the site, the enforcement official shall make every reasonable effort to review with the owner and/or occupant or the facility operator each of the violations noted by the enforcement official and any corrective actions that may be necessary. A report listing any violation found by the enforcement official during the inspection shall be kept on file by the enforcement agency. An inspection report shall be provided to the owner and/or occupant or facility operator, or left at the premises after being signed by a designated representative of the facility. If corrective action is required, then the occupant, facility owner, and/or facility operator shall implement corrective action plan based upon a written corrective action plan. The corrective action plan shall be submitted to the enforcement agency for review and approval and should state the corrective actions to be taken and the expected dates of completion. Failure to implement a corrective action plan constitutes a violation of this chapter.
- C. All enforcement officials shall have adequate identification. Enforcement officials and other authorized personnel shall identify themselves when entering any property for inspection purposes or when inspecting the work of any contractor.
- D. With the consent of the property owner or occupant, or pursuant to a search warrant, the enforcement official is authorized to establish on any property that discharges directly or indirectly to the municipal stormwater conveyance system such devices as are necessary to conduct sampling or metering operations. During all inspections as provided herein, the enforcement official may take samples of materials, wastes, and/or effluent as deemed necessary to aid in the pursuit of the investigation or in the recordation of the activities onsite.

(Ord. NS-880 § 1, 2008)

#### **§ 15.12.120. Containment, cleanup, and notification of spills.**

Any person owning or occupying any premises who has knowledge of any release of materials, pollutants or waste which may result in pollutants or non-stormwater discharges entering any stormwater conveyance system shall immediately take all reasonable action to contain, minimize, and clean up such release. Such person shall notify the City of Carlsbad of the occurrence and any other appropriate federal, state or county agency of the occurrence as soon as possible, but no later than 24 hours from the time of the incident's occurrence.

(Ord. NS-880 § 1, 2008)

#### **§ 15.12.130. Testing, monitoring or mitigation requirements.**

A. The enforcement official may require that any person engaged in any activity and/or owning or operating any facility which causes or contributes to stormwater pollution or contamination, illegal discharges, prohibited discharges and/or discharge of non-stormwater to the stormwater conveyance system perform monitoring, including physical and chemical monitoring and/or analyses and furnish reports as the enforcement official may specify if:

1. The person, or facility owner or operator, fails to eliminate illegal or prohibited discharges within a specified time after receiving a written notice to do so by the enforcement official;
2. The enforcement official has documented repeated violations of this chapter by the person or facility owner or operator which has caused or contributed to stormwater pollution.

It is unlawful for such person or facility owner or operator to fail or refuse to undertake and provide the monitoring, analyses, and/or reports specified. Specific monitoring criteria shall bear a relationship to the types of pollutants which may be generated by the person's activities or the facility's operations. If the enforcement agency has evidence that a pollutant is originating from a specific source or premises, then the enforcement agency may require monitoring for that pollutant regardless of whether said pollutant may be generated by routine activities or operations. The person or facility owner or operator shall be responsible for all costs of these activities, analyses and reports.

B. Any persons required to monitor pursuant to subsection A of this section, shall implement a stormwater monitoring program including, but not limited to, the following:

1. Routine visual monitoring for dry weather flows;
2. Routine visual monitoring for spills which may pollute stormwater runoff;
3. A monitoring log including monitoring date, potential pollution sources, as noted in paragraphs 1 and 2 of this subsection, and a description of the mitigation measures taken to eliminate any potential pollution sources;
4. All samples must be collected using approved procedures and guidelines as set forth by federal Environmental Protection Agency (EPA) approved protocols; and
5. The samples must be analyzed by a State of California certified laboratory qualified to undertaken such analyses.

C. The enforcement official may require a person, or facility owner or operator, to install or implement stormwater pollution reduction or control measures, including, but not limited to, process modification to reduce the generation of pollutants if:

1. The person, or facility owner or operator fails to eliminate illegal or prohibited discharges after receiving a written notice from the enforcement official;
2. The person, or facility owner or operator, fails to implement a stormwater pollution prevention plan, as required by the enforcement official; or
3. The enforcement official has documented repeated violations of this chapter by any such person or facility owner or operator which has caused or contributed to stormwater pollution.

D. If testing, monitoring or mitigation required pursuant to this chapter are deemed no longer necessary by the enforcement official, then any or all of the requirements contained in subsections A, B, and C of this section may be discontinued.

E. A stormwater monitoring program prepared and implemented pursuant to any state-issued NPDES general permit shall be deemed to meet the requirements of a monitoring program for the purposes of this chapter.

(Ord. NS-880 § 1, 2008)

#### **§ 15.12.140. Concealment.**

Causing, permitting, aiding, abetting or concealing a violation of any provision of this chapter is unlawful and shall constitute a separate violation of this chapter.

(Ord. NS-880 § 1, 2008)

#### **§ 15.12.150. Administrative code enforcement powers and procedures.**

The enforcement agency and enforcement official can exercise any code enforcement powers and procedures as provided in Title 1 of this code. In addition to the general enforcement powers and procedures provided in Title 1 of this code, the enforcement agency and enforcement official have the authority to utilize the following administrative remedies as may be necessary to enforce this chapter:

- A. Cease and Desist Orders. When the enforcement official finds that a discharge has taken place or is likely to take place in violation of this chapter, the enforcement official may issue an order to cease and desist such discharge, practice, or operation likely to cause such discharge and direct that those persons not complying shall:
  - 1. Comply with the applicable provisions and policies of this chapter;
  - 2. Comply with a time schedule for compliance; and
  - 3. Take appropriate remedial or preventive action to prevent the violation from recurring.
- B. Notice to Clean, Test and/or Abate. Whenever the enforcement official finds any oil, earth, dirt, grass, weeds, dead trees, tin cans, rubbish, refuse, waste or any other material of any kind, in or upon the sidewalk abutting or adjoining any parcel of land, or upon any parcel of land or grounds, which may result in an increase in pollutants entering the city's stormwater conveyance system or a non-stormwater discharge to the city's stormwater conveyance system, the enforcement official may issue orders and give written notice to remove same in any reasonable manner. The recipient of such notice shall undertake the activities as described in the notice.
- C. Stop Work Orders. Whenever any work is being done contrary to the provisions of this chapter, the enforcement official may order the work stopped by notice in writing served on any person engaged in performing or causing such work to be done, and any such person shall immediately stop such work until authorized by the enforcement official to proceed with the work.
- D. Permit or License Suspension, Denial or Revocation. Violations of this chapter may be grounds for permit or license suspension or revocation, including, but not limited to, building permits, right-of-way permits, grading permits and conditional use permits.
- E. Civil Penalties. Any person who violates any of the provisions of this chapter, fails to prepare or implement a corrective action plan when requested by the enforcement official, fails to implement a storm-water monitoring plan, violates any cease and desist order or notice to clean and abate, or fails to adopt or implement a stormwater pollution prevention plan as directed by the enforcement official shall be liable for a civil penalty not to exceed \$2,500.00 for each day such a violation exists. The responsible party shall be charged for the full costs of any investigation, inspection, or monitoring

survey which led to the detection of any such violation, for abatement costs, and for the reasonable costs of preparing and bringing legal action under this subsection. In addition to any other applicable procedures, the enforcement agency may utilize the lien procedures listed in subsection F to enforce the responsible party's liability. The responsible party may also be liable for compensatory damages for impairment, loss or destruction to water quality, wildlife, fish and aquatic life.

- F. The enforcement official shall take all appropriate legal steps to collect these obligations, including referral to the City Attorney for commencement of a civil action to recover said funds. If collected as a lien, the enforcement official shall cause a notice of lien to be filed with the County Recorder, inform the county auditor and County Recorder of the amount of the obligation, a description of the real property upon which the lien is to be recovered, and the name of the agency to which the obligation is to be paid. Upon payment in full, the enforcement official shall file a release of lien with the County Recorder.
- G. Environmental Code Enforcement Civil Penalties Fund. Civil penalties collected pursuant to this chapter shall be deposited in the environmental code enforcement civil penalties fund as established by the City Manager for the enhancement of the city's code enforcement efforts, environmental public outreach or education, environmental improvement grants, and/or to reimburse city departments for investigative costs and costs associated with the hearing process that are not paid by the responsible party. Civil penalties deposited in this fund shall be appropriated and allocated in a manner determined by the City Manager. The city auditor shall establish accounting procedures to ensure proper account identification, credit and collection.

(Ord. NS-880 § 1, 2008)

#### **§ 15.12.160. Administrative notice, hearing, and appeal procedures.**

- A. Unless otherwise provided herein, any notice required to be given by the enforcement official under this chapter shall be in writing and served in person or by registered or certified mail. If served by mail, the notice shall be sent to the last address known to the enforcement official. Where the address is unknown, service may be made upon the owner of record of the property involved. Such notice shall be deemed to have been given at the time of deposit, postage prepaid, in a facility regularly serviced by the United States Postal Service whether or not the registered or certified mail is accepted.
- B. When the enforcement official determines that a violation of one or more provisions of this chapter exists or has occurred, any violator(s) or property owner(s) of record shall be served by the enforcement official with a written notice and order. The notice and order shall state the municipal code section violated, describe how violated, the location and date(s) of the violation(s), and describe the corrective action required. The notice and order shall require immediate corrective action by the violator(s) or property owner(s) and explain which method(s) of administrative enforcement are being utilized by the enforcement official: cease and desist order, notice to clean and abate, establishment of a stormwater pollution prevention plan, and/or establishment of an employee training program. The notice and order shall also explain the consequences of failure to comply, including that civil penalties shall begin to immediately accrue if compliance is not achieved within 10 days from the date the notice and order is issued. The notice and order shall identify all hearing rights. The enforcement official may propose any enforcement action reasonably necessary to abate the violation.
- C. If the violation(s) is not corrected within 10 days from the date the notice and order is issued, the enforcement official shall request the City Manager to appoint a hearing officer and fix a date, time, and place for hearing. The enforcement official shall give written notice thereof to the violator(s) or owner(s) of record, at least 10 days prior to the date for hearing.

1. The hearing officer shall consider any written or oral evidence presented to determine whether the violation(s) exists, a corrective action plan should be required, a cease and desist order should be required, a notice to clean and abate should be required, a stormwater pollution prevention plan should be required, an employee training program should be required, and/or civil penalties should be imposed, consistent with rules and procedures for the conduct of hearings and rendering of decisions established and promulgated by the City Manager.
2. In determining whether action should be taken or the amount of a civil penalty to be imposed, the hearing officer may consider any of the following factors:
  - a. Duration of the violation(s).
  - b. Frequency or recurrence.
  - c. Seriousness.
  - d. History.
  - e. Violator's conduct after notice and order.
  - f. Good faith effort to comply.
  - g. Economic impact of the penalty on the violator(s).
  - h. Impact of the violation on the community.
  - i. Any other factor which justice may require.
3. If the violator(s) or owner(s) of record fail to attend the hearing, it shall constitute a waiver of the right to a hearing and adjudication of all or any portion of the notice and order.
4. The hearing officer shall render a written decision within 10 days of the close of the hearing, including findings of fact and conclusions of law, identifying the time frame involved and the factors considered in assessing civil penalties, if any. The decision shall be effective immediately unless otherwise stated in the decision. The hearing officer shall cause the decision to be served on the enforcement official and all participating violators or owners of record.
5. If the persons assessed civil penalties fail to pay them within the time specified in the hearing officer's decision, the unpaid amount constitutes either a personal obligation of the person assessed or a lien upon the real property on which the violation occurred, in the discretion of the enforcement official. If the violation(s) is not corrected as directed the civil penalty continues to accrue on a daily basis. Civil penalties may not exceed \$100,000.00 in the aggregate. When the violation is subsequently corrected, the enforcement official shall notify the violator(s) and/or owner(s) of record of the outstanding civil penalties and provide an opportunity for hearing if the amount(s) is disputed within 10 days from such notice.
6. The enforcement official shall take all appropriate legal steps to collect these obligations, including referral to the City Attorney for commencement of a civil action to recover said funds. If collected as a lien, the enforcement official shall cause a notice of lien to be filed with the County Recorder, inform the county auditor and County Recorder of the amount of the obligation, a description of the real property upon which the lien is to be recovered, and the name of the agency to which the obligation is to be paid. Upon payment in full, the enforcement official shall file a release of lien with the County Recorder.

(Ord. NS-880 § 1, 2008)

**§ 15.12.170. Judicial enforcement.**

- A. Criminal Penalties. Any person who violates any provision of this chapter or who fails to implement a stormwater monitoring plan, violates any cease and desist order or notice to clean and abate, or fails to adopt or implement stormwater pollution prevention plans or employee training programs as directed by the enforcement official shall be punished, upon conviction, by a fine not to exceed \$1,000.00 for each day in which such violation occurs, or imprisonment in the San Diego County jail for a period not to exceed six months, or both.
- B. Injunction/Abatement of Public Nuisance. Whenever a discharge into the stormwater conveyance system is in violation of the provisions of this chapter or otherwise threatens to cause a condition of contamination, pollution, or nuisance, the enforcement official may also cause the city to seek a petition to the Superior Court for the issuance of a preliminary or permanent injunction, or both, or an action to abate a public nuisance, as may be appropriate in restraining the continuance of such discharge.
- C. Other Civil Action. Whenever a notice and order, notice of determination, hearing officer's decision or City Council's decision is not complied with, the City Attorney may, at the request of the enforcement official, initiate any appropriate civil action in a court of competent jurisdiction to enforce such notice and order and decision, including the recovery of any unpaid storm drain fees and/or civil penalties provided herein.

(Ord. NS-880 § 1, 2008)

**§ 15.12.180. Violations deemed a public nuisance.**

In addition to the other civil and criminal penalties provided herein, any condition caused or permitted to exist in violation of any of the provisions of this chapter is a threat to the public health, safety, and welfare and is declared and deemed a public nuisance, which may be summarily abated and/or restored as directed by the enforcement official in accordance with the procedures identified in Chapter 6.16. A civil action to abate, enjoin or otherwise compel the cessation of such nuisance may also be taken by the city, if necessary.

The full cost of such abatement and restoration shall be borne by the owner of the property and shall be a lien upon and against the property in accordance with the procedures set forth in Section 15.12.150(F).  
(Ord. NS-880 § 1, 2008)

**§ 15.12.190. Remedies not exclusive.**

Remedies set forth in this chapter are not exclusive but are cumulative to all other civil and criminal penalties provided by law, including, but not limited to, penalty provisions of the Federal Clean Water Act and/or the state Porter-Cologne Water Quality Control Act. The Porter-Cologne Water Quality Control Act is California Water Code Section 13000 et seq., and any future amendments. The seeking of such federal and/or state remedies shall not preclude the simultaneous commencement of proceedings pursuant to this chapter.

(Ord. NS-880 § 1, 2008)

## CHAPTER 15.16 GRADING AND EROSION CONTROL

### **§ 15.16.010. Title.**

This chapter shall be known as the "Grading Ordinance."

(Ord. NS-385 § 4, 1996)

### **§ 15.16.020. Purpose.**

The purpose of this chapter is to establish minimum requirements for grading, including clearing and grubbing of vegetation, to provide for the issuance of ministerial permits and to provide for the enforcement of the requirements. These provisions are supplementary and additional to Title 20, Subdivisions, and Title 21, Zoning, of this code and shall be read and construed as an integral part of these titles and the land development patterns and controls established thereby. It is the intent of the City Council to protect life and property and promote the general welfare; enhance and improve the physical environment of the community; and preserve, subject to economic feasibility, the natural scenic character of the city. The provisions of this chapter shall be administered to achieve the intent expressed above and, to the maximum extent feasible, the following goals:

- A. Facilitate the planning, design and construction of development sites to maximize safety and human enjoyment while protecting, insofar as possible, the surrounding natural environment;
- B. Ensure compatibility of graded land development sites with surrounding land forms and land uses;
- C. Prevent unnecessary and unauthorized grading, including clearing and grubbing of vegetation, on property within Carlsbad;
- D. Preserve natural plant communities and existing mature trees;
- E. Preserve significant cultural and archaeological sites;
- F. Promote the rapid restoration of graded slopes with fire resistant, drought tolerant landscaping that is aesthetically pleasing and which enhances adjacent habitat values; and
- G. Protect public and private property, stormwater conveyance systems, downstream riparian habitats, waterways, wetlands, and lagoons by controlling soil erosion, sedimentation and other potential adverse impacts caused by grading operations or which result as a consequence of the increased rate of surface water runoff from graded sites.

(Ord. NS-385 § 4, 1996; Ord. NS-623 § 1, 2002)

### **§ 15.16.030. City Engineer authority.**

This chapter shall be administered by the City Engineer who shall have the authority and responsibility to:

- A. Establish the form and procedures for application for grading permits required pursuant to this chapter including the certification of completed applications, the approval of grading plans, construction SWPPPs, the establishment of files, the processing of secured grading and erosion control agreements and the collection of fees and security deposits;
- B. Interpret the provisions of this chapter and advise the public regarding requirements for grading plans, construction SWPPPs, specifications and special provisions;

- C. Establish the format and content of grading plans, SWMPs, SWPPPs, specifications and special provisions pursuant to the provisions of this chapter;
- D. Establish and promulgate city standards to govern grading and stormwater standards in accordance with good engineering practice pursuant to the provisions of this chapter;
- E. Issue permits and approve amendments, including extensions, to permits found to conform with this chapter and applicable city standards and the landscape manual;
- F. Issue and maintain permanent records of determinations of exemption authorized by Section 15.16.060;
- G. Approve grading and erosion control agreements;
- H. Accept surety bonds and other forms of security in connection with grading and erosion control agreements;
- I. Monitor compliance of all grading work with city codes, city standards and any limitations of the grading permit;
- J. Record notices of grading violation and/or take other administrative actions against violators of the provisions of this chapter; and
- K. Grant authority to appropriate members of the City Engineer's staff to act on behalf of the City Engineer with regard to any aspect of the administration of the provisions of this chapter.

(Ord. NS-385 § 4, 1996; Ord. NS-881 § 1, 2008; Ord. CS-151 § 2, 2011)

#### **§ 15.16.040. Definitions.**

Whenever the following words, terms or phrases are used in this chapter they shall be construed as defined in the following subsections unless from the context in which the word, term, or phrase is used a different meaning is specifically defined or intended.

"Civil engineer" means a professional engineer in the branch of civil engineering holding a valid certificate of registration issued by the State of California.

"Clearing and grubbing of vegetation" means the removal of any and all types of vegetation, roots, stumps or other plant material and the clearing or breaking up of the surface of the land by digging or other means.

"Default" means the condition or situation which results when an applicant fails to perform in compliance with the terms and requirements of the grading and erosion control agreement required pursuant to Section 15.16.140 of this chapter.

"Engineer-of-work" means the civil engineer responsible for the preparation of the grading and/or construction plans, for the certification of the completed work and preparation of the record plans.

"Excavation" means the cutting, digging, removal, displacement or any other movement of soil, sand, gravel, rock or other similar material from its natural or preexisting location upon or beneath the surface of the earth by the direct action of humans and/or human invention.

"Fill" means the depositing of soil, sand, gravel, rock, or other similar materials upon or beneath the surface of the earth by the direct action of humans and/or human invention.

"Finished grade" means the vertical location of the ground surface upon completion of any excavation or fill.

"Geologist" means a person holding a valid certificate of registration as a geologist in the specialty of engineering geology issued by the State of California under provisions of the Geologist Act of the Business and Professions Code.

"Grading" means any excavation, fill, clearing and grubbing of vegetation or any combination thereof.

"Grading permit" means the document issued by the City Engineer pursuant to Section 15.16.110, after having determined that the application demonstrates compliance with this chapter, city standards, the landscape manual, and all applicable portions of Titles 15, 19, 20 and 21 of this code.

"Minor grading" means activities described by Section 15.16.062, whereby the City Engineer may modify certain provisions of Sections 15.16.067, 15.16.070 and 15.16.080.

"Site" is any lot or parcel of land or contiguous combination thereof, under the same ownership, where grading is proposed or performed.

"Soils engineer" means a person holding a valid certificate of registration as an engineer in the specialty of soils engineering issued by the State of California under the provisions of the Business and Professions Code.

"Uncontrolled stockpile" means any fill placed on land for which no soil testing was performed or no compaction reports or other soil reports were prepared or submitted.

In addition to the above defined words, terms and phrases, the definition of words, terms and phrases, as described in Chapter 15.04, shall apply to this chapter.

(Ord. NS-385 § 4, 1996; Ord. NS-623 §§ 2, 9, 10, 2002; Ord. NS-881 § 2, 2008; Ord. CS-151 § 3, 2011)

### **§ 15.16.050. Grading permit required.**

Except as provided in Section 15.16.060, no person shall do, or cause to be done, any grading, including clearing and grubbing of vegetation, without first having obtained a grading permit.

(Ord. NS-385 § 4, 1996)

### **§ 15.16.060. Work exempt from grading permit.**

A. A grading permit shall not be required for the following:

1. Cemetery graves.
2. Refuse disposal sites controlled by other regulations.
3. Excavations for wells or tunnels or utilities.
4. Exploratory excavations under the direction of soil engineers or engineering geologists.
5. Clearing and grubbing of vegetation done for the purpose of routine landscape maintenance, the removal of dead or diseased trees or shrubs or the removal of vegetation done upon order of the Fire Marshal to eliminate a potential fire hazard or for the abatement of weeds.
6. Clearing and grubbing of vegetation done preparatory to agricultural operations on land which has been used for agricultural purposes within the previous five years.

B. Unless the City Engineer determines that the work may adversely affect existing drainage patterns, result in a condition which may cause damage to adjacent property now or in the future, or may have a detrimental effect on the public health, safety or welfare, a grading permit shall not be required for

the following:

1. Grading on a site where the City Engineer finds that the following conditions exist:
  - a. The amount of soil material moved does not exceed 200 cubic yards;
  - b. No fill material is placed on an existing slope steeper than five units horizontal to one vertical;
  - c. No cut or fill material exceeds four feet in vertical depth at its deepest point, measured from the existing ground surface.
2. Grading in an isolated, self-contained area.
- C. All grading work, including any grading work exempted from the requirement of a grading permit as determined pursuant to subsection A of this section, shall comply with city standards and Titles 15, 19, 20 and 21 of this code, and within the coastal zone, shall also be consistent with all certified local coastal program provisions.

(Ord. NS-385 § 4, 1996; Ord. NS-623 §§ 3—6, 2002; Ord. NS-881 § 3, 2008; Ord. CS-151 § 3, 2011)

### **§ 15.16.062. Minor grading.**

- A. Work meeting the following criteria may qualify as minor grading, as approved by the City Engineer:
  1. The total earthwork volume (the larger of excavation or embankment, plus remedial) is less than 1,000 cubic yards;
  2. The grading work is proposed in connection with a building permit application.
- B. For minor grading, the City Engineer may modify the requirements of Sections 15.16.067, 15.16.070 and 15.16.080. Subject to a case-by-case determination, permissible modifications may include:
  1. Use of topography from city or other sources, or an assumed elevation datum;
  2. Preparation by a licensed architect or other qualified individual;
  3. Inclusion of the minor grading plan as a sheet in the building plans;
  4. Use of available, historical geotechnical data, with appropriate certifications by a geotechnical engineer.
- C. The grading plan review fee for plans showing minor grading per this section shall be 50% of the grading plan review fee calculated per the current fee schedule. A grading permit is required for minor grading.

(Ord. CS-151 § 5, 2011)

### **§ 15.16.065. Application for grading plan.**

- A. A separate application for a grading plan shall be made in advance of submittal for a grading permit.
- B. Unless otherwise approved by the City Engineer, each application for a grading plan review shall include a complete grading plan review application form, grading plans, specifications, engineering calculations, a soils investigation, a geotechnical report and other such documentation and information as may be necessary to demonstrate that the grading work will be carried out in

substantial compliance with all city codes, city standards and the requirements of the landscape manual. Each grading plan review application shall be accompanied by a SWMP and SWPPP prepared in accordance with city standards.

- C. The City Engineer may waive submission of a geotechnical report or other required documents if the applicant clearly demonstrates that the nature of the grading work applied for is such that reviewing of such report or other documents is not necessary to obtain compliance with this code.
- D. A grading plan review fee shall be charged by the city for the processing of the grading plan review. The fee shall be established by resolution of the City Council and is for the purpose of defraying the cost of processing the grading plan review. The grading plan review fee is in addition to any other plan review, inspection and permit issuance fees charged for the issuance of a grading permit or processing improvement plans and building plans or the issuance of permits thereto. An additional grading plan review fee of 25% of the current plan review fee may be charged for grading plan applications for which the city approval is not granted within 24 months following the original date of application.
- E. Grading plan applications for which city approval is not granted within three years following the date of application shall be deemed withdrawn, provided the improvement plans are not associated with a tentative map, tentative parcel map, vesting tentative map, or vesting tentative parcel map, in which case the grading plan application shall be deemed withdrawn on the date of the expiration of the associated tentative map. The grading plans and other documents submitted for review may thereafter be returned to the applicant or destroyed by the City Engineer. In order to renew action on an application after withdrawal, the applicant shall resubmit a new application and pay a new grading plan review application fee.
- F. The City Engineer may authorize refunding of not more than 80% of the grading plan review fee paid when an application for a grading plan is withdrawn (1) in accordance with this section; or (2) upon written application filed by the original permittee not later than 60 days after withdrawal of the grading plan application by the applicant, when withdrawn prior to completion of the grading plan review.
- G. Any application in process on the effective date of this code amendment shall be subject to the provisions of this section. The filing date for such application shall be considered to be the effective date of the code amendment.

(Ord. 881 § 4, 2008; Ord. CS-135 § 2, 2011; Ord. CS-151 § 6, 2011)

#### **§ 15.16.067. Information on grading plans, specifications and engineering reports.**

All grading plans, specifications and engineering reports required for grading permit submittal shall be prepared in accordance with the following requirements:

- A. Grading plans, specifications, engineering calculations and other relevant engineering data shall be prepared by a civil engineer. The grading plans shall be drawn to scale in accordance with city standards and be of sufficient clarity to indicate the location, nature and extent of the work proposed and show in detail that it will conform to the provisions of this chapter, city standards, the landscape manual and Titles 15, 19, 20 and 21 of this code. All grading plans must include provisions for implementation and maintenance of all stormwater pollution prevention measures identified in the construction SWPPP prepared for the project, pursuant to Title 15 and city standards.
- B. Geotechnical investigation reports shall be based upon the proposed grading plan. The geotechnical investigation report shall include an adequate description of the geology of the site and conclusions

and recommendations regarding the effect of geologic conditions on the proposed development. Recommendations included in the report shall be consistent with the provisions of this chapter and city standards and shall be incorporated into the grading plans and/or specifications.

- C. Preliminary soils investigations and report(s) shall be based upon the proposed grading plan. Such report(s) shall include data regarding the nature, distribution and strength of existing soil types at the proposed grading site, recommendations for grading procedures and design criteria for corrective measures, if required by the soils engineer. Recommendations included in the report and approved by the City Engineer shall be incorporated into the grading plans and/or specifications.
- D. SWMPs shall be prepared if the project is subject to priority development project requirements per the SUSMP. SWMPs shall demonstrate how the project satisfies SUSMP requirements and shall recommend all required TCBMPs, which shall be incorporated into the grading plans.

(Ord. 881 § 5, 2008; Ord. CS-151 § 7, 2011)

#### **§ 15.16.070. Application for grading permit.**

- A. To obtain a grading permit, the applicant shall first file an application therefor in writing on a form furnished by the City Engineer for that purpose. Every such application shall:
  1. Identify and describe the work to be covered by the grading permit for which the application is made;
  2. Describe the land on which the proposed work is to be done by legal description, street address, and/or similar description that will readily identify and definitely locate the proposed grading work;
  3. State the quantity of excavation and fill for the proposed grading work including the amount of excavation or fill to be imported to or exported from the grading site;
  4. State the name, address, telephone number and State of California certification number of the engineer-of-work, soils engineer and geotechnical engineer who prepared the grading plan, soils report and geotechnical report for the proposed grading work;
  5. State the name, address, telephone number, state contractor's license number and Carlsbad business license number for the contractor who will perform the grading work;
  6. State the name, address and telephone number of the property owner upon whose property the work will be done and the applicant requesting the grading permit;
  7. Be signed by the applicant and property owner or their authorized agent(s); and
  8. Give other such information as may be required by the City Engineer.
- B. Each grading permit application shall be accompanied by:
  1. Grading plans, specifications, calculations, reports and other data as required in Section 15.16.080;
  2. Proof of all other applicable discretionary approvals, including a site plan approved in accordance with such prior discretionary approvals, if any, pursuant to Title 20 or 21, except where:
    - a. The grading work is necessary to complete a major arterial roadway or other major public

facility, will significantly reduce the need to haul fill material over public roads, or is incidental to the grading for another project which has obtained all appropriate development approvals in accordance with Titles 20 and 21 of this code, or

- b. The grading work is found by the City Planner to be reasonably consistent with the future development of the site pursuant to the site's existing general plan land use classification;
3. A completed environmental impact assessment form or submittal of other environmental documentation which demonstrates compliance with the California Environmental Quality Act (CEQA) and Title 19 of this code;
4. All appropriate documentation evidencing the applicant's right to enter upon and grade property not within the ownership of the person signing the grading permit application form;
5. A grading permit application fee in an amount as established by the City Council by resolution. A separate plan review and/or inspection fee shall apply to retaining walls, SWMP, SWPPP or major drainage structures as provided for elsewhere in this code. There shall be no separate charge for standard terraced drains and similar facilities. If during the grading plan review the grading or other quantities, upon which the grading plan review fee is based, are changed, the applicant shall pay any balance of fees required.

(Ord. NS-385 § 4, 1996; Ord. NS-881 § 6, 2008; Ord. CS-151 § 8, 2011; Ord. CS-164 § 10, 2011)

#### **§ 15.16.080. Grading permit submittal documents.**

- A. Each application submittal for a grading permit shall be accompanied by city approved grading plans, SWMP, SWPPP and other such documentation and information as may be necessary to demonstrate that the grading work will be carried out in substantial compliance with all city codes, city standards and the requirements of the landscape manual.
- B. The number of copies and format of the submittal documents required pursuant to this chapter shall be as prescribed by the City Engineer.
- C. All documents shall, upon submittal to the City Engineer, become the property of the city and shall be kept on file with the City Engineer.

(Ord. NS-385 § 4, 1996; Ord. NS-881 § 7, 2008; Ord. CS-151 § 9, 2011)

#### **§ 15.16.085. Construction stormwater pollution prevention plan (SWPPP).**

- A. Each grading permit issued shall be accompanied by a SWPPP prepared in accordance with city standards and approved by the City Engineer.
- B. The City Engineer may also require preparation of a SWPPP, prepared in accordance with city standards, for any person conducting development or other construction activity, including grading activities which are exempt from a grading permit, in order to reduce the risk of contamination of stormwater and the discharge of non-stormwater pollutants to the city's stormwater conveyance system.
- C. Construction activities that have no potential to add pollutants to stormwater or non-stormwater runoff may be exempt from the preparation of a SWPPP, pursuant to the SWPPP exemption requirements of city standards, the general construction permit and the municipal permit. Any construction activity exempted from the preparation of a SWPPP must still comply with the stormwater pollution prevention requirements of city standards at all times during construction.

- D. Each construction SWPPP shall be prepared in a form and include the content as specified in city standards and shall be made to comply with all other applicable NPDES permit requirements.
- E. Construction SWPPP review and inspection fees shall be charged by the city for the processing of the plan review and field inspection of the construction work. The fee shall be established by resolution of the City Council and is for the purpose of defraying the cost of processing the plan review and ensuring compliance with the construction SWPPP during construction. The construction SWPPP review and inspection fees are in addition to any other plan review, inspection and permit issuance fees charged for processing grading plans, improvement plans and building plans or the issuance of permits thereto.
- F. The processing time limits, application withdrawal and refund provisions of Section 15.16.082, subsections C and D, shall be applicable to the processing of an application for a construction SWPPP.

(Ord. NS-881 § 8, 2008; Ord. CS-151 § 10, 2011)

#### **§ 15.16.100. Withdrawal of grading permit applications.**

- A. Applications for which no grading permit is issued within three years following the date of application shall be deemed withdrawn. Plans and other documents submitted for review may thereafter be returned to the applicant or destroyed by the City Engineer. In order to renew action on an application after withdrawal, the applicant shall resubmit a new application and pay a new grading permit application fee.
- B. The City Engineer may authorize refunding of the grading permit application fee paid when an application for a grading permit is withdrawn (1) in accordance with this section; or (2) upon written application filed by the original permittee not later than 60 days after withdrawal of the grading permit application by the applicant.
- C. Any application in process on the effective date of this code amendment shall be subject to the provisions of this section. The filing date for such application shall be considered to be the effective date of the code amendment.

(Ord. NS-385 § 4, 1996; Ord. NS-881 § 9, 2008; Ord. CS-124 § 3, 2011)

#### **§ 15.16.110. Grading permit issuance.**

- A. Following submittal of a completed grading permit application and completion of the following requirements, the City Engineer shall issue a grading permit:
  1. Approval and signature of the grading plans by the City Engineer;
  2. Payment of the grading permit application fee required pursuant to Section 15.16.070(B)(6);
  3. Submittal of a fully executed grading and erosion control agreement together with the required cash and/or other securities;
  4. Approval of a SWMP prepared in accordance with the SUSMP;
  5. Approval of a SWPPP prepared in accordance with this chapter and city standards;
  6. Submittal of proof of valid Coastal Development Permit, Stream Alteration Permit, Army Corps Permit, National Pollutant Discharge Elimination System Permit or other permits, if any, required by other departments or agencies with competent authority; and

7. Completion of all environmental documentation in accordance with Chapter 19.04 of this code.
- B. The issuance or granting of a grading permit or approval of grading plans, specifications and computations shall not be construed to be a permit for, or an approval of, any violation of any of the provisions of this chapter or any other chapter of this code. Permits presuming to give authority to violate or cancel the provisions of this chapter or any other chapter of this code shall not be valid.
- C. The issuance of a grading permit based on approved grading plans, construction SWPPP, specifications and other data shall not prevent the City Engineer from thereafter requiring correction of errors in said plans, specifications and other data, or from preventing grading operations being carried on thereunder when in violation of this chapter or any other chapter of this code.

(Ord. NS-385 § 4, 1996; Ord. NS-881 § 10, 2008; Ord. CS-151 § 11, 2011)

#### **§ 15.16.120. Grading permit limitations, requirements and procedures.**

All grading permits shall be subject to the following limitations, requirements and procedures:

- A. Scope of Work—Amendments. Issuance of a grading permit shall constitute authorization to do only that work which is described on the application for the permit and detailed on the grading plans and specifications approved by the City Engineer in accordance with the provisions of this chapter. No approved grading plans or specifications may be modified without approval by the City Engineer of a revised grading plan. Application for the revision of a grading plan shall be submitted to the City Engineer on the prescribed form, accompanied by a grading plan revision fee in the amount set forward in the fee schedule approved by City Council resolution. Modifications which substantially affect the basic tract design or land use as described on any prior discretionary approvals, issued pursuant to Titles 20 and 21 of this code, must have the approval of the appropriate approving authority.
- B. Jurisdictions of Other Agencies. Permits issued under the provisions of this chapter shall not relieve the owner of the responsibility for securing permits or licenses that may be required from other departments or divisions of all governing agencies.
- C. Time Limits—Extensions. The permittee shall fully perform and complete all of the work required to be done pursuant to the grading permit within the time limit specified therein or, if no time is so specified, within one year after the date of issuance of the permit. The specified time limit may be extended by action of the City Engineer upon written request of the permittee, owner or surety showing that good and sufficient cause has prevented the permittee from completing the grading work within the allotted time limit. All such extension requests shall be accompanied by an extension fee in an amount as established by City Council resolution.
- D. Time of Grading Operations. For permitted hours of operation and signage requirements, refer to Chapter 8.48.
- E. Noise Limitations. The noise limitation provisions of Chapter 8.48 of this code shall be observed.
- F. Hauling Operations. All hauling operations to or from the grading site shall be conducted in accordance with city code, over the route and in accordance with the procedures prescribed by the City Engineer in the grading permit.
- G. Storm Damage Precautions. All grading operations shall install protective measures to prevent unnecessary erosion and sedimentation as follows:
1. All grading permits issued during the rainy season or within 30 days of the start of the rainy

season shall require the installation of erosion and sedimentation control protective measures in advance of the start of the grading work in accordance with city standards;

2. All grading permits issued earlier than 30 days prior to the start of the rainy season shall require the installation of all erosion and sedimentation control protective measures within 30 days prior to the start of the rainy season in accordance with city standards;
3. All erosion and sedimentation control protective measures shall be maintained in good working order throughout the duration of the grading operation unless it can be demonstrated to the City Engineer that their removal at an earlier date will not result in any unnecessary erosion or sedimentation on public or private properties; and
4. All slopes required to be landscaped and irrigated shall be landscaped and irrigated within the time limits as specified in the landscape manual. All other erosion and sedimentation control protective measures shall be installed as quickly as practicable.

H. Inspection and Testing. The applicant shall ensure that the work is inspected and tested as follows:

1. Inspection and testing of the grading work by a soils or civil engineer to ensure proper compaction of fill materials, stability of the cut and fill slopes and general compliance of the grading work with the recommendations of the preliminary soils report, city standards, permit conditions and the provisions of this chapter.
2. Inspection and survey of the grading work by a civil engineer to ensure that all building pads, street grades and drainage facilities have been constructed in general conformance with the locations and elevations as shown on the approved grading plans.
3. Where unusual or hazardous geotechnical conditions exist upon or beneath the grading site, a geologist shall inspect all or any portion of the grading work to assure that all geologic and geotechnical conditions have been adequately addressed and that any recommended corrective measures are incorporated into the work.

I. Partial Releases. The City Engineer may authorize the partial release of a portion of the grading work to allow construction of a structure pursuant to a building permit issued in accordance with this code and in accordance with the following requirements:

1. Prior to the issuance of such building permit for any given lot or lots, the engineer-of-work, or another civil engineer as may be approved by the City Engineer, shall provide the City Engineer with a written statement certifying that, in their professional opinion, all grading for the proposed building pad was completed within the tolerances allowed pursuant to city standards and that all embankments, cut slopes and pad elevations are constructed as shown on the approved plans.
2. The soils or civil engineer shall provide the City Engineer with a written statement certifying that, in his or her professional opinion, all embankments beneath the proposed building pad site have been constructed in accordance with city standards and the recommendations of the preliminary soils report.
3. The City Engineer may also require compliance with any other requirement or condition as may be deemed necessary to ensure the health, safety and welfare of the public prior to release of the site for the purpose of issuing a building permit.

J. Final Reports. Upon completion of the grading work the permittee shall ensure that the following

reports and documents are submitted to the City Engineer:

1. A written statement signed by the engineer-of-work, or another civil engineer as may be approved by the City Engineer, which shall state that, in his or her professional opinion, all grading work and drainage facilities have been completed in substantial conformance with the grading permit. The approved grading plan on file with the city shall be amended by the engineer-of-work, or another civil engineer as may be approved by the City Engineer, to show the as-built elevations for all pads, streets and drainage facilities together with any other field modifications or changes made to the original approved plans.
  2. A report by a soils or civil engineer which shall include recommended soil bearing capacities for the project site, a statement as to the expansive qualities of the soil, and summaries of field and laboratory tests. The locations of such tests and the limits of the compacted fill shall be shown on a final plan, prepared by the soils or civil engineer and submitted to the City Engineer with the final soils report, which shall also show by plan and cross-section the location of any rock disposal areas, sub-drains and/or buttress fills if such were involved in the grading. The final soils report shall contain a written statement that all soils inspections and tests were made by, or under the supervision of, the soils or civil engineer and that in the professional opinion of the soils or civil engineer, all embankments have been constructed and compacted to city standards and in accordance with the earthwork specification of the preliminary soils report.
  3. A report and an as-graded geologic map of the site prepared by the geologist which shall include specific approval of the grading as affected by geological factors. Where necessary, such report shall include geologic cross-sections and recommendations regarding the location of buildings, sewage disposal systems or any other special requirements.
  4. TCBMP installation certification.
- K. Notification of Noncompliance. If, in the course of fulfilling their responsibility under this chapter, the engineer-of-work, soils engineer or geologist finds that the work is not being done in conformance with the grading permit, this chapter or the approved plans and specifications or with accepted engineering practices, they shall immediately notify the permittee and the City Engineer, in writing, of the nonconformity and of the recommended corrective measures to be taken.
- (Ord. NS-385 § 4, 1996; Ord. NS-623 § 8, 2002; Ord. CS-135 § 4, 2011; Ord. CS-151 § 12, 2011; Ord. CS-211 § 3, 2013)

#### **§ 15.16.130. Responsibility of permittee.**

- A. The permittee shall be responsible for the following:

1. Completion of all work in compliance with the approved grading permit, plans and specifications, city standards, the landscape manual and the requirements of this code;
2. Protection of public and/or franchise facilities, utilities or services from damage caused by the grading operation;
3. Protection of adjacent public or private properties from damage caused by the grading operation;
4. Preservation of adjacent and on site environmental resources, which are outside of the scope of work, from the impacts of the grading operation;
5. Installation and maintenance of drainage and erosion control measures to protect downstream

properties and habitats from flooding, sedimentation and other adverse impacts caused by the grading operation or the increase in surface water runoff resulting from the grading operation; and

6. Inspection and testing of the grading work to ensure conformance with the plans and specifications, the recommendations of the soils and geotechnical engineers, city standards, the landscape manual and the provisions of this chapter.
- B. The responsibilities described in this section shall also apply to the permittee's authorized agents, contractors or employees; however, any such application shall not in any way relieve or absolve the permittee from the responsibility to grade or to conduct the grading operation consistent with this section or this chapter. The permittee shall have ultimate responsibility over the actions and conduct of any and all authorized agents, contractors and employees with regard to the performance of the permitted work and compliance with this section.

(Ord. NS-385 § 4, 1996)

**§ 15.16.140. Grading and erosion control agreement and securities.**

- A. Secured Agreement Required. Prior to issuance of a grading permit, the permittee shall enter into a secured grading and erosion control agreement with the city to guarantee performance of the grading work in compliance with the grading permit.
- B. Form of Secured Agreement. The grading and erosion control agreement shall be in a form as prescribed by the City Attorney which shall include, but not be limited to, the following:
  1. Incorporation of the grading permit and the approved plans and specifications, including construction SWPPP, as part of the agreement;
  2. Agreement by the permittee to comply with all the terms and conditions of the grading permit including the grading permit time limits;
  3. Agreement by the permittee to comply with all provisions of this chapter and other applicable laws and ordinances;
  4. A cost estimate prepared by a civil engineer which provides for the construction of all earthwork, drainage facilities, retaining walls, TCBMPs, construction BMPs including the cost of maintenance during the period of time the permit is active, geotechnical mitigation measures, landscaping, irrigation and any other items needed to complete the grading work;
  5. Agreement to indemnify and hold the city harmless against any and all claims arising from the performance of the grading work; and
  6. Agreement by the permittee to maintain all safety and stormwater best management practices until the grading work is complete and stabilized against erosion in accordance with city standards.
- C. Security Types. The grading and erosion control agreement shall be secured using one or more of the security types listed in Section 20.16.070.
- D. Security Requirements. Security offered to guarantee performance in connection with the grading and erosion control agreement shall meet the following requirements:
  1. The amount of the security shall be sufficient to guarantee performance of all grading work

- described on the approved grading plans, construction SWPPP and specifications as estimated in subsection (B)(4);
2. Surety bonds shall be valid upon the date of filing with the city and shall remain valid until the work has been completed to the satisfaction of the City Engineer. Any extension of the time specified in the permit shall not be cause for release of a surety bond;
  3. The surety company which issues a surety bond shall meet or exceed the minimum qualifications established by the City Council by resolution;
  4. The City Engineer may require that up to 10% of the engineer's estimated cost for the grading work be submitted in the form of a cash deposit, provided however, that no such cash deposit shall be less than \$1,500.00. The cash deposit may be utilized by the city to cure any default in regard to the performance of work covered by the grading and erosion control agreement including, but not limited to, cleaning, repair and rehabilitation of public or private facilities that are damaged by sedimentation, erosion or construction activities and to insure that adequate safeguards for the prevention of erosion and sedimentation are in place when needed;
  5. The City Engineer may allow a single security to cover work under multiple grading permits when the work covered is either part of a progressive construction of a single project or when several concurrent projects are being constructed by one permittee. In such cases, the grading and erosion control agreement shall include reference to the multiple permit requirements or a grading and erosion control agreement shall be submitted for each separate permit; and
  6. The City Engineer may permit substitution of the required security either in kind or of any other type allowed for in Section 20.16.070; provided, however, that the substitute security is adequate to insure completion of the remaining work to be performed and the security is found to be of proper form and substance. The original security may be released upon acceptance of the new security and upon determination that all conditions of the permit are being complied with and there is no default as to the performance of the work up to the date of acceptance of the new security.
- E. Secured Agreement Waivers. The City Engineer may waive the requirement for a secured agreement or may waive all or any portion of the security amount if the applicant clearly demonstrates to the City Engineer that the proposed grading work will not adversely affect or will have minimal impact upon public or private property and upon the health, safety and welfare of the public. In no such case, shall the City Engineer reduce the security amount below the amount needed to ensure public safety and to secure the site with stormwater best management practices.
- F. Reduction of Security. The City Engineer may reduce the amount of the security commensurate with the value of the grading work which has been completed. In no case shall the security be reduced below the amount necessary to ensure public health, safety and welfare.
- G. Release of Security. The City Engineer shall release the security held by the city to secure the grading work upon completion of the work in substantial compliance with the terms and conditions of the permit and the provisions of this chapter.
- H. Default Procedures. Whenever the permittee fails to perform in compliance with the terms and requirements of the grading and erosion control agreement, the City Engineer may, in addition to any other administrative and judicial remedies allowed pursuant to this chapter, make a demand upon the cash, letter of credit, surety bond or other collateral held as security for the grading and erosion control agreement in accordance with the following procedures:

1. Notice of Default. The City Engineer shall send a written notice of default by certified mail to the permittee which specifies the permit number and identifies the location, nature and extent of the activity or condition which contributed to the default. The notice of default shall specify the work to be done to cure the default, the estimated cost of such work and the period of time deemed by the City Engineer to be reasonably necessary for the completion of such work. A copy of the notice of default shall be mailed to the owner of the grading site and to the surety company, bank or institution which provided the security for the grading and erosion control agreement.
2. Emergency Corrective Actions. In the event the work needed to cure the default is not completed by the permittee, surety company or financial institution within the period of time specified on the notice of default, the City Engineer may thereupon enter the property for the purpose of performing, by city forces or by other means, the necessary corrective or curative work. The cost for such corrective work shall be paid for by the permittee, surety company or financial institution as provided for in this section.
3. Surety Bond, Letter of Credit or Instrument of Credit. Upon receipt of the notice of default, the surety company or financial institution shall, within the time specified, cause or require the work needed to cure the default to be performed, or failing therein, shall pay over to the city the estimated cost of doing the work as set forth in the notice of default.
4. Cash Deposit. Upon expiration of the time period specified in the notice of default, the City Engineer may withdraw all or any portion of the cash deposit to reimburse the city for completing or having a third party complete the work needed to cure the default as specified in the notice of default. Upon utilizing the cash deposit, the City Engineer shall notify the applicant in writing of the amount utilized and the purpose for which the deposit was used.

(Ord. NS-385 § 4, 1996; Ord. NS-881 § 11, 2008; Ord. CS-135 § 5, 2011; Ord. CS-151 § 13, 2011)

#### **§ 15.16.150. Agreement for uncontrolled stockpile.**

- A. Applications for grading permits involving uncontrolled stockpiles shall be accompanied by an agreement signed by the property owner.
- B. The agreement shall be in a form as prescribed by the City Attorney which shall include, but not be limited to, the following:
  1. Owner acknowledgment that the grading or fill material is designated as an uncontrolled stockpile;
  2. Owner acknowledgment that the site is not eligible for a building permit unless special soils analysis and foundation design are submitted and approved by the City Engineer or, the site is subsequently graded pursuant to a valid grading permit issued in accordance with the provisions of this chapter;
  3. Agreement by the owner that the grading or stockpile work will be done in accordance with grading plans and specifications as approved by the City Engineer;
  4. Agreement by the owner that the stockpile will be maintained in a safe and sanitary manner at the sole cost, risk and responsibility of the owner;
  5. Agreement by the owner indemnifying and holding the city harmless against any and all claims arising from the grading or maintenance of the stockpile; and

6. Agreement by the owner that the agreement for uncontrolled stockpile will inure and be binding upon any and all successors in interest to the property.
- C. The agreement for uncontrolled stockpile shall be approved by the City Engineer and recorded by the City Clerk in the office of the County Recorder as constructive notice upon the land involved. The notice shall remain in effect until release of the agreement is filed by the City Engineer.
- (Ord. NS-385 § 4, 1996)

**§ 15.16.160. Appeals.**

- A. An individual may appeal the decision of the City Engineer made in regard to administration of this chapter to the City Council within 10 calendar days following the decision. Appeals shall be in writing, filed with the City Clerk and shall state the basis for the appeal. Fees for filing an appeal shall be in an amount as established by resolution of the City Council. The decision of the City Council shall be final.
- B. The City Clerk shall thereupon fix a time and place for hearing such appeal. The City Clerk shall give notice to the appellant and applicant/permittee of the time and place of hearing by serving the notice personally or by depositing it in the United States Post Office in the city, postage prepaid, addressed to such persons at their last known address.

(Ord. NS-385 § 4, 1996)

**§ 15.16.170. Unlawful acts.**

- A. It is unlawful to:
  1. Perform grading work without a grading permit when such permit is required pursuant to this chapter;
  2. Perform any grading work which is not in conformance with an approved grading permit;
  3. Make a false statement or furnish false data on any application, grading plan, engineering report or other document required pursuant to the provisions of this chapter; or
  4. Delay, frustrate or otherwise hinder the efforts of the City Engineer or designee from carrying out the duties required pursuant to the provisions of this chapter.
- B. Regardless of whether or not a grading permit has been issued or is required to be issued, it is unlawful for any person to commit or cause to be committed the following acts or, to maintain or cause to be maintained a property in such a manner as to result in the commission of the following acts:
  1. Grading in such a manner as to become a hazard to life and limb or to endanger property or to adversely affect the safe use or stability of a public property, place or way;
  2. Grading without application of appropriate stormwater best management practices (BMPs) in accordance with the provisions of this title, city standards and municipal permit;
  3. Dump, move or place any soil, sand, gravel, rock or other earthen material, or leave any bank, slope or other earthen surface unprotected so as to cause any such earthen material to be deposited upon or to roll, blow or wash upon or over the premises of another without the express consent of the owner of each such premises so affected or, upon or over any public property, place or way. Such consent shall be in writing and in a form acceptable to the City Engineer; or

4. Transport, haul or otherwise move any soil, sand, gravel, rock or other earthen material over any public or private street, place or way in such a manner as to allow such materials to blow or spill over and upon such public or private street, place or way.

(Ord. NS-385 § 4, 1996; Ord. NS-881 § 12, 2008)

#### **§ 15.16.180. Investigation fee.**

- A. Whenever any work for which a permit is required by this code has been commenced without first obtaining a grading permit or an unlawful act, as defined in Section 15.16.170, has been committed, the City Engineer shall conduct a special investigation into the cause, extent and potential remedial actions that must be undertaken before a new permit may be issued, the stop work notice is removed or the notice of grading violation is released. The City Engineer shall collect an investigation fee from the offender whether or not a permit is then or subsequently issued. The investigation fee shall be established by resolution of the City Council and shall be in addition to any required permit fee. The investigation fee may be reduced or waived if the City Engineer finds that:
  1. The amount of the investigation fee is significantly out of proportion to the cost of the administrative work necessary to investigate the violation or unlawful act;
  2. The violation or unlawful act was not in the control of the property owner and the property owner took immediate action to correct the violation upon notification by the City Engineer; or
  3. The violation or unlawful act was caused by or resulted from an unintentional action or misunderstanding of city codes or a directive issued by the City Engineer or the City Engineer's authorized representative.
- B. The payment of an investigation fee shall not exempt any person from compliance with all other provisions of this code nor from any penalty prescribed by law.

(Ord. NS-385 § 4, 1996)

#### **§ 15.16.190. Enforcement measures—Remedies.**

Whenever the City Engineer determines that an unlawful act, as defined in Section 15.16.170, has been committed by an individual operating with or without benefit of a grading permit, the following enforcement measures and remedies may be undertaken by the City Engineer, in lieu of or in addition to any remedial actions undertaken in accordance with Section 15.16.140.

- A. Stop Work Notice. The City Engineer may issue a stop work notice demanding that all unlawful activities, as defined in this chapter, be stopped until a valid grading permit is obtained or corrective action is authorized by the City Engineer. The City Engineer may allow continuance of the work to the extent necessary to install protective measures to safeguard the public or to secure the site against erosion, sedimentation and the discharge of non-stormwater pollutants. Prior to resumption of any work, other than as may be permitted by the City Engineer pursuant to this subsection, on a permitted grading operation, the permittee shall restore all cash deposits and/or other securities consumed by the city to the amount specified in the approved grading and erosion control agreement.
- B. Owner Notification. The owner of the property shall be notified in writing that a violation has occurred. The notification shall specify the location, nature and extent of the activity or condition which contributed to the violation, the corrective action needed to cure the violation and the period of time deemed necessary by the City Engineer to correct the violation.
- C. Record Notice of Grading Violation. In the event that the owner does not correct the violation in the

manner or within the time period requested by the City Engineer, the City Engineer shall record a notice of grading violation against the property with the County Recorder. Upon completion of any corrective action and/or issuance of a valid grading permit and upon payment of the investigation fee required pursuant to this section, the City Engineer shall file a notice of release of grading violation with the County Recorder releasing the property from the notice of grading violation.

- D. Prohibition of Development Permits. Any property which has a notice of grading violation recorded against it shall be prohibited from obtaining or using any development permit pursuant to Titles 18, 20 and 21 of this code until after all corrective actions are taken in accordance with the requirements of the City Engineer and, a notice of release of grading violation has been recorded with the County Recorder.
- E. Investigation Fee. An investigation fee shall be paid by the person responsible for the violation in accordance with the provisions of this chapter. The payment of such investigation fee shall not relieve any person from the performance of the corrective work or otherwise complying with the requirements of this chapter.
- F. Criminal Penalties. Each person, firm or corporation who commences or does any grading contrary to the provisions of this chapter, or otherwise violates the provisions of this chapter, is guilty of an infraction. Every day during any portion of which any violation of any provisions of this title is committed, continued or permitted by such person, firm or corporation, shall be deemed a separate violation and shall be punishable as provided in this title and in Section 1.08.010(B) of this code.
- G. Abatement of Public Nuisance. Any grading commenced or done contrary to the provisions of this chapter, or other violation of this chapter, shall be, and the same is declared to be, a public nuisance. Upon order of the City Council, the City Attorney shall commence necessary proceedings for the abatement of any such public nuisance in the manner provided by law. Any failure, refusal, or neglect to obtain a permit as required by this chapter shall be *prima facie* evidence of the fact that a public nuisance has been committed in connection with any grading commenced or done contrary to the provisions of this chapter.
- H. Civil Action. The City Attorney may, at the request of the City Engineer, initiate any appropriate civil action in a court of competent jurisdiction to enforce the stop work notice, including the required corrective actions, and/or the grading and erosion control agreement, including the recovery of any funds expended by the city to abate any public nuisance resulting from an unlawful act as defined in Section 15.16.170 and any additional civil penalties provided for by law.

(Ord. NS-385 § 4, 1996; Ord. NS-881 § 13, 2008)

**CHAPTER 17.04  
FIRE PREVENTION CODE**

**§ 17.04.010. Adoption.**

The City of Carlsbad adopts by reference the 2022 Edition of the California Fire Code, including Appendix Chapters 4, B, BB, C, CC, D, E, F, G, H and O, and the California Standards, with the amendments contained in the following sections of Chapter 17.04. As adopted and amended herein, the 2022 California Fire Code (hereinafter "California Fire Code") becomes the Fire Code of the City of Carlsbad. The City of Carlsbad further amends the provisions of the California Fire Code to include the requirements of the California Fire Code for those occupancies not subject to the 2022 California Fire Code.

(Ord. CS-436 § 2, 2022)

**§ 17.04.020. California Fire Code Chapter 1—Scope and Administration—Adopted and amended.**

California Fire Code, Chapter 1, Scope and Administration, is adopted in its entirety with the following amendments:

- A. Chapter 1, Division II, Part 2, is amended to add Section 107.7, Cost Recovery, to read as follows:

The city shall be entitled to recover the cost of emergency services as described in subsections 1 through 5 below. Service costs shall be computed by the fire department under the direction of the city finance department and shall include the costs of personnel, equipment facilities, materials and other external resources.

1. Any person or corporation who allows a hazard to exist on property under the control of that person or corporation, after having been ordered by the fire department or other city department to abate that hazard, is liable for the cost of services provided by the fire department should an emergency arise as a result of said unabated hazard.
2. Any person or corporation whose negligence causes an incident to occur on any public or private street, driveway or highway, which, for the purposes of life, property or environmental protection, places a service demand on the city fire department resources beyond the scope of routine service delivery, shall be liable for all costs associated with that service demand.
3. Any person or corporation responsible for property equipped with fire protection or detection devices which, due to malfunction, improper manipulation or negligent operation causes a needless response by the fire department to the property shall, for a period of twelve months after written notification by the fire prevention bureau be liable for all future costs associated with each subsequent needless response caused by those devices.
4. Any person or corporation who conducts unlawful activity which results in fire, explosion, chemical release or any other incident to which the fire department responds for the purpose of performing services necessary for the protection of life, property or the environment, shall be liable for the costs associated with the delivery of those services.
5. When, the interest of public safety, the Fire Chief, pursuant to Section 3107.17 of this code assigns fire department employees as standby personnel at any event, or upon any premise, the person or corporation responsible for the event or premises shall reimburse the fire department for all costs associated with the standby services.

- B. Chapter 1, Division II, Part 2, Section 112.4, Violation penalties, is amended to read as follows:

Any person who violates any of the provisions of this code or standards; or fails to comply with any provision of this code; or violates or fails to comply with any order made pursuant to this code; or who builds in violation of any detailed statement or specification or plans submitted and approved pursuant to this code, or any certificate or permit issued pursuant to this code, and from which no timely appeal has been taken; or who fails to comply with an order as affirmed or modified by the City Attorney of the City of Carlsbad or by a court of competent jurisdiction within the time fixed herein, shall severally for each and every violation and noncompliance respectively, be guilty of a misdemeanor, punishable by a fine not exceeding \$1,000.00 or by imprisonment in County Jail not exceeding six months, or both.

The imposition of one penalty for any violation shall not excuse the violation or permit it to continue, and all such persons shall be required to correct or remedy such violations or defects within a reasonable time; and when not otherwise specified, each day that prohibited conditions are maintained shall constitute a separate offense. The application of the above penalty shall not be held to prevent the enforced removal of prohibited conditions.

- C. Chapter 1, Division II, Part 2, Section 113.4, Failure to Comply, is amended to read as follows:

Any person, who continues any work having been served with a stop work order, except such work as that person is directed to perform to remove a violation or unsafe condition, shall be subject to a fine of not less than \$250.00 dollars or more than \$1,000.00 dollars.

(Ord. CS-436 § 2, 2022)

#### **§ 17.04.030. California Fire Code Chapter 2—Definitions—Adopted and amended.**

California Fire Code, Chapter 2, Definitions, is adopted in its entirety with the following amendments:

Chapter 2, Section 202, General Definitions is amended to add the following definitions:

**Fire Hazard.** Anything or act that increases or could cause an increase of the hazard or menace of fire to a greater degree than customarily recognized as normal by persons in the public service regularly engaged in preventing, suppressing or extinguishing fire or anything or act which could obstruct, delay, hinder or interfere with the operations of the fire department or the egress of occupants in the event of fire.

**Vegetation.** Weeds, grass, vines or other organic (cellulose) growth that is capable of being ignited and endangering property.

(Ord. CS-436 § 2, 2022)

#### **§ 17.04.040. California Fire Code Chapter 3—General Requirements—Adopted and amended.**

California Fire Code, Chapter 3, General Requirements, is adopted in its entirety with the following amendment:

Chapter 3, Section 304.1.2, Vegetation, is amended to read as follows:

Vegetation shall be cut down and removed by the owner or occupant of the premises. Vegetation clearance requirements in urban-wildland interface areas and fire suppression zones shall be in accordance with City of Carlsbad standards.

(Ord. CS-436 § 2, 2022)

#### **§ 17.04.050. California Fire Code Chapter 4—Emergency Planning and Preparedness—Adopted in**

**part.**

California Fire Code, Chapter 4, Emergency Planning and Preparedness, is amended to adopt only the sections listed below:

- A. 401—401.9;
- B. 402;
- C. 403.1;
- D. 403.2;
- E. 403.4—403.4.4;
- F. 403.10.2.1.1;
- G. 403.10.6;
- H. 403.12—403.12.3;
- I. 404.5—404.6.6;
- J. 407.

(Ord. CS-436 § 2, 2022)

**§ 17.04.060. California Fire Code Chapter 5—Fire Service Features—Adopted and amended.**

California Fire Code, Chapter 5, Fire Service Features, is adopted in its entirety with the following amendments:

- A. Chapter 5, Section 503.1.2 Additional access, is amended to add Section 503.1.2.1 Residential developments, to read as follows:

Projects having more than 40 dwelling units shall be provided with two separate and approved points of fire department access.
- B. Chapter 5 Section 503.2.1 Dimensions, is amended to read as follows:

Fire apparatus access roads shall have an unobstructed width of not less than 24 feet (7315 mm) exclusive of shoulders, except for approved security gates in accordance with Section 503.6 and an unobstructed vertical clearance of not less than 13 feet 6 inches (4115mm).
- C. Chapter 5, Section 503.2.1 Dimensions is amended to add Section 503.2.1.1 Minimum street width in fire hazard zones, to read as follows:

Public and private streets shall have a minimum unobstructed width of 28 foot clear travel way where adjacent lots are located within designated Fire Hazard Zones/Fire Suppression Zones within the property line.
- D. Chapter 5, Section 503.2.1 Dimensions is amended to add Section 503.2.1.2 Minimum fire apparatus access road widths for private driveways serving one or two single family dwellings to read as follows:

Private driveways used as required fire apparatus access roads serving no more than two dwellings

shall have a minimum width of 16 feet.

- E. Chapter 5, Section 503.2.1 is amended to add Section 503.2.1.3 Measurement of street width to read as follows:

Street widths are to be measured from the top face of the curb to top face of the curb on streets with curb and gutter, and from flow-line to flow-line on streets with rolled curbs.

- F. Chapter 5, Section 505.1 Address Identification is amended to add Section 505.1.1 as follows:

Street Numbers—Approved numbers and/or addresses shall be placed on the street-side of all new and existing buildings and at appropriate additional locations as to be plainly visible and legible from the street or roadway fronting the property from either direction of approach. Said numbers shall contrast with their background, and shall meet the following minimum standards as to size:

- Single family residences: 4" high with a 1/2" stroke;
- Unit identification of multi-family residential buildings: 6" high with a ½" stroke;
- Commercial, industrial and multi-family residential buildings: minimum 12" high with a 1.5" stroke.

Additional numbers shall be required where deemed necessary by the Fire Code Official, such as rear access doors, building corners, secondary access roadways and entrances to commercial centers. The Fire Code Official may establish different minimum sizes for numbers for various categories of projects.

- G. Chapter 5, Section 505 Premises identification is amended to add Section 505.3 Easement address signs to read as follows:

All easements which are not named differently from the roadway, from which they originate, shall have an address sign installed and maintained, listing all street numbers occurring on that easement, located where the easement intersects the named roadway. Minimum size of numbers on that sign shall be four inches in height with a minimum stroke of 3/8" and shall contrast with the background.

- H. Chapter 5, Section 505 Premises identification is amended to add Section 505.4 Map/directory to read as follows:

A lighted directory map, meeting current fire department standards, shall be installed at each driveway entrance to multiple unit residential projects and mobile home parks, where the number of units in such project exceeds 15.

- I. Chapter 5, Section 505 Premises identification is amended to add Section 505.5 Response Map Updates to read as follows:

Any new development, which necessitates updating of emergency response maps by virtue of new structures, hydrants, roadways or similar features, shall be required to provide map updates in a format approved by the fire department. The responsible party may be charged a reasonable fee for updating the City emergency response maps.

(Ord. CS-436 § 2, 2022)

#### **§ 17.04.070. California Fire Code Chapter 6—Building Services and Systems—Adopted.**

California Fire Code, Chapter 6, Building Services and Systems, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.080. California Fire Code Chapter 7—Fire and Smoke Protection Features—Adopted.**

California Fire Code, Chapter 7, Fire and Smoke Protection Features, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.090. California Fire Code Chapter 8—Interior Finish, Decorative Materials and Furnishings—Adopted.**

California Fire Code, Chapter 8, Interior Finish, Decorative Materials and Furnishings, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.100. California Fire Code Chapter 9—Fire Protection and Life Safety Systems—Adopted and amended.**

California Fire Code, Chapter 9, Fire Protection Systems, is adopted in its entirety with the following amendments:

Chapter 9, Section 903.2 Where required, is amended to read as follows:

An approved automatic fire sprinkler system shall be provided in all new non-residential buildings constructed in which the aggregate floor area exceeds 5,000 square feet ( $464m^2$ ), regardless of occupancy classification and locations described in Sections 903.2.1 through 903.2.12. Mezzanines shall be included in the total square footage calculation.

(Ord. CS-436 § 2, 2022)

**§ 17.04.110. California Fire Code Chapter 10—Means of Egress—Adopted.**

California Fire Code, Chapter 10, Means of Egress, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.120. California Fire Code Chapter 11—Construction Requirements for Existing Buildings—Adopted in part.**

California Fire Code, Chapter 11, Construction Requirements for Existing Buildings, is amended to adopt only those sections and subsections listed below:

- A. 1103.3.3;
- B. 1103.7;
- C. 1103.7.3;
- D. 1103.7.3.1;
- E. 1103.7.8—1103.7.8.2;
- F. 1103.7.9—1103.7.9.10;
- G. 1103.8—1103.8.5.3;

H. 1103.9.1;

I. 1107;

J. 1113;

K. 1114;

L. 1115;

M. 1116.

(Ord. CS-436 § 2, 2022)

**§ 17.04.130. California Fire Code Chapter 12—Energy Systems—Adopted.**

California Fire Code, Chapter 12, Energy Systems, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.140. California Fire Code Chapter 20—Aviation Facilities—Adopted.**

California Fire Code, Chapter 20, Aviation Facilities, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.150. California Fire Code Chapter 21—Dry Cleaning—Adopted.**

California Fire Code, Chapter 21, Dry Cleaning, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.160. California Fire Code Chapter 22—Combustible Dust-Producing Operations—Adopted.**

California Fire Code, Chapter 22, Combustible Dust-Producing Operations, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.170. California Fire Code Chapter 23—Motor Fuel-Dispensing Facilities and Repair Garages—Adopted.**

California Fire Code, Chapter 23, Motor Fuel-Dispensing Facilities and Repair Garages, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.180. California Fire Code Chapter 24—Flammable Finishes—Adopted.**

California Fire Code, Chapter 24, Flammable Finishes, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.190. California Fire Code Chapter 25—Fruit and Crop Ripening—Adopted.**

California Fire Code, Chapter 25, Fruit and Crop Ripening, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.200. California Fire Code Chapter 26—Fumigation and Insecticidal Fogging—Adopted.**

California Fire Code, Chapter 26, Fumigation and Insecticidal Fogging, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.210. California Fire Code Chapter 27—Semiconductor Fabrication Facilities—Adopted.**

California Fire Code, Chapter 27, Semiconductor Fabrication Facilities, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.220. California Fire Code Chapter 28—Lumber Yards and Agro-Industrial, Solid Biomass and Woodworking Facilities—Adopted.**

California Fire Code, Chapter 28, Lumber Yards and Agro-industrial, Solid Biomass and Woodworking Facilities, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.230. California Fire Code Chapter 29—Manufacture of Organic Coatings—Adopted.**

California Fire Code, Chapter 29, Manufacture of Organic Coatings, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.240. California Fire Code Chapter 30—Industrial Ovens—Adopted.**

California Fire Code, Chapter 30, Industrial Ovens, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.250. California Fire Code Chapter 31—Tents, and Other Membrane Structures—Adopted.**

California Fire Code, Chapter 31, Tents and Other Membrane Structures, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.260. California Fire Code Chapter 32—High-Piled Combustible Storage—Adopted.**

California Fire Code, Chapter 32, High-Piled Combustible Storage, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.270. California Fire Code Chapter 33—Fire Safety During Construction and Demolition—Adopted.**

California Fire Code, Chapter 33, Fire Safety During Construction and Demolition, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.280. California Fire Code Chapter 34—Tire Rebuilding & Tire Storage—Adopted.**

California Fire Code, Chapter 34, Tire Rebuilding & Tire Storage, is adopted in its entirety without

amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.290. California Fire Code Chapter 35—Welding and Other Hot Work—Adopted.**

California Fire Code, Chapter 35, Welding and Other Hot Work, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.300. California Fire Code Chapter 36—Marinas—Adopted.**

California Fire Code, Chapter 36, Marinas, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.310. California Fire Code Chapter 37—Combustible Fibers—Adopted.**

California Fire Code, Chapter 37, Combustible Fibers, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.320. California Fire Code Chapter 39—Processing and Extraction Facilities—Adopted.**

California Fire Code, Chapter 39, Processing and Extraction Facilities, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.330. California Fire Code Chapter 40—Storage of Distilled Spirits and Wine—Adopted.**

California Fire Code, Chapter 40, Storage of Distilled Spirits and Wine, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.340. California Fire Code Chapter 48—Motion Picture and Television Production Studio Sound Stages, Approved Production Facilities and Production Locations—Adopted.**

California Fire Code, Chapter 48, Motion Picture and Television Production Studio Sound Stages, Approved Production Facilities and Production Locations, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.350. California Fire Code Chapter 49—Requirements for Wildland-Urban Interface Fire Areas—Adopted.**

California Fire Code, Chapter 49, Requirements for Wildland-Urban Interface Fire Areas, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.360. California Fire Code Chapter 50—Hazardous Materials—General Provisions—Adopted.**

California Fire Code, Chapter 50, Hazardous Materials—General Provisions, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.370. California Fire Code Chapter 51—Aerosols—Adopted.**

California Fire Code, Chapter 51, Aerosols, is adopted in its entirety without amendments.  
(Ord. CS-436 § 2, 2022)

**§ 17.04.380. California Fire Code Chapter 53—Compressed Gases—Adopted.**

California Fire Code, Chapter 53, Compressed Gases, is adopted in its entirety without amendments.  
(Ord. CS-436 § 2, 2022)

**§ 17.04.390. California Fire Code Chapter 54—Corrosive Materials—Adopted.**

California Fire Code, Chapter 54, Corrosive Materials, is adopted in its entirety without amendments.  
(Ord. CS-436 § 2, 2022)

**§ 17.04.400. California Fire Code Chapter 55—Cryogenic Fluids—Adopted.**

California Fire Code, Chapter 55, Cryogenic Fluids, is adopted in its entirety without amendments.  
(Ord. CS-436 § 2, 2022)

**§ 17.04.410. California Fire Code Chapter 56—Explosives and Fireworks—Adopted and amended.**

California Fire Code, Chapter 56, Explosives and Fireworks, is adopted in its entirety with the following amendments:

- A. Chapter 56, Section 5601.1.3 is amended to add Section 5601.1.3.1 Retail Fireworks, to read as follows:

The storage, use, sale, possession, and handling of fireworks 1.4G (commonly referred to as Safe & Sane) and fireworks 1.3G are prohibited unless they are being used as part of a public display when permitted and conducted by a licensed pyrotechnic operator.

- B. Chapter 56, Section 5601.1.3 is amended to add Section 5601.1.3.2 Seizure of Fireworks, to read as follows:

The Fire Chief shall have the authority to seize, take, or remove all fireworks stored, sold, offered for sale, used or handled in violation of the provisions of Title 19 California Code of Regulations, Chapter 6.

(Ord. CS-436 § 2, 2022)

**§ 17.04.420. California Fire Code Chapter 57—Flammable and Combustible Liquids—Adopted.**

California Fire Code, Chapter 57, Flammable and Combustible Liquids, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.430. California Fire Code Chapter 58—Flammable Gases and Flammable Cryogenic Fluids—Adopted.**

California Fire Code, Chapter 58, Flammable Gases and Flammable Cryogenic Fluids, is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.440. California Fire Code Chapter 59—Flammable Solids—Adopted.**

California Fire Code, Chapter 59, Flammable Solids, is adopted in its entirety without amendments.  
(Ord. CS-436 § 2, 2022)

**§ 17.04.450. California Fire Code Chapter 60—Highly Toxic and Toxic Materials—Adopted.**

California Fire Code, Chapter 60, Highly Toxic and Toxic Materials, is adopted in its entirety without amendments.  
(Ord. CS-436 § 2, 2022)

**§ 17.04.460. California Fire Code Chapter 61—Liquefied Petroleum Gases—Adopted.**

California Fire Code, Chapter 61, Liquefied Petroleum Gases, is adopted in its entirety without amendments.  
(Ord. CS-436 § 2, 2022)

**§ 17.04.470. California Fire Code Chapter 62—Organic Peroxides—Adopted.**

California Fire Code, Chapter 62, Organic Peroxides, is adopted in its entirety without amendments.  
(Ord. CS-436 § 2, 2022)

**§ 17.04.480. California Fire Code Chapter 63—Oxidizers, Oxidizing Gases and Oxidizing Cryogenic Fluids—Adopted.**

California Fire Code, Chapter 63, Oxidizers, Oxidizing Gases and Oxidizing Cryogenic Fluids, is adopted in its entirety without amendments.  
(Ord. CS-436 § 2, 2022)

**§ 17.04.490. California Fire Code Chapter 64—Pyrophoric Materials—Adopted.**

California Fire Code, Chapter 64, Pyrophoric Materials, is adopted in its entirety without amendments.  
(Ord. CS-436 § 2, 2022)

**§ 17.04.500. California Fire Code Chapter 65—Pyroxylin (Cellulose Nitrate) Plastics—Adopted.**

California Fire Code, Chapter 65, Pyroxylin (Cellulose Nitrate) Plastics, is adopted in its entirety without amendments.  
(Ord. CS-436 § 2, 2022)

**§ 17.04.510. California Fire Code Chapter 66—Unstable (Reactive) Materials—Adopted.**

California Fire Code, Chapter 66, Unstable (Reactive) Materials, is adopted in its entirety without amendments.  
(Ord. CS-436 § 2, 2022)

**§ 17.04.520. California Fire Code Chapter 67—Water-Reactive Solids and Liquids—Adopted.**

California Fire Code, Chapter 67, Water-Reactive Solids and Liquids, is adopted in its entirety without amendments.  
(Ord. CS-436 § 2, 2022)

**§ 17.04.530. California Fire Code Chapter 80—Referenced Standards—Adopted.**

California Fire Code, Chapter 80, Referenced Standards, is adopted in its entirety without amendments.  
(Ord. CS-436 § 2, 2022)

**§ 17.04.540. California Fire Code Appendices—Adopted in part and amended.**

The Appendices to the California Fire Code are adopted as follows:

- A. Appendix 4 is adopted in its entirety without amendments.
- B. Appendix B is adopted in its entirety with the following amendments:

Table B105.2 is amended to read as follows:

<b>TABLE B105.2</b> <b>REQUIRED FIRE-FLOW FOR BUILDINGS OTHER THAN ONE-AND TWO-FAMILY DWELLINGS, GROUP R-3 AND R-4 BUILDINGS AND TOWNHOUSES</b>		
<b>AUTOMATIC SPRINKLER SYSTEM (Design Standard)</b>	<b>MINIMUM FIRE-FLOW (gallons per minute)</b>	<b>FLOW DURATION (hours)</b>
No automatic sprinkler system	Value in Table B105.1(2)	Duration in Table B105.1(2)
Section 903.3.1.1 of the <i>California Fire Code</i>	50% of the value in Table B105.1(2) <sup>a</sup>	Duration in Table B105.1(2) at the reduced flow rate
Section 903.3.1.2 of the <i>California Fire Code</i>	50% of the value in Table B105.1(2) <sup>b</sup>	Duration in Table B105.1(2) at the reduced flow rate

For SI: 1 gallon per minute = 3.785 L/m

- a. The reduced fire-flow shall be not less than 1,000 gallons per minute
- b. The reduced fire-flow shall be not less than 1,500 gallons per minute
- C. Appendix BB is adopted in its entirety without amendments.
- D. Appendix C is adopted in its entirety without amendments.
- E. Appendix CC is adopted in its entirety without amendments.
- F. Appendix D is adopted in its entirety with the following amendments:

**Appendix D, Section D106: Subsection D106.1 Multiple-family residential developments** is amended to read as follows:

Projects having more than 50 dwelling units: Multiple-family residential projects having more than 50 dwelling units shall be provided with two separate and approved fire apparatus access roads.

**Appendix D, Section D107: Subsection D107.1 One-or two-family residential developments** is amended to read as follows:

Developments of one-or two-family dwellings where the number of dwelling units exceeds 40 shall be provided with two separate and approved fire apparatus access roads.

Exceptions:

1. Deleted in entirety

**Appendix D, Section D107: Subsection D107.1.1 One-or two-family residential developments** is added to read as follows:

Developments of one-or two-family dwellings located in a high or very high fire hazard severity zone where the number of dwelling units exceeds 30 shall be provided with two separate and approved fire apparatus access roads.

- G. Appendix E is adopted in its entirety without amendments.
- H. Appendix F is adopted in its entirety without amendments.
- I. Appendix G is adopted in its entirety without amendments.
- J. Appendix H is adopted in its entirety without amendments.
- K. Appendix O is adopted in its entirety without amendments.

(Ord. CS-436 § 2, 2022)

**§ 17.04.550. Severability.**

The City Council of the City of Carlsbad hereby declares that should any section, paragraph, sentence or word of this chapter or of the City of Carlsbad Municipal Code hereby adopted be declared for any reason to be invalid, it is the intent of the City Council that it would have passed all other portions of this chapter independently of the elimination herefrom of any such portion as may be declared invalid.

(Ord. CS-436 § 2, 2022)

**CHAPTER 18.03  
GENERAL PROVISIONS**

**§ 18.03.010. California Building Standards Code.**

- A. This title shall serve as the technical codes for building, property, health, and safety regulations for the city, which are partially comprised of the 2022 edition of the California Title 24 Codes, or California Building Standards Codes, as defined in California Health and Safety Code Section 18901 et seq. At the time of the enactment of this title, the California Building Standards Codes is comprised of Part 1 California Administrative Code; Part 2 California Building Code; Part 2.5 California Residential Code; Part 3 California Electrical Code; Part 4 California Mechanical Code; Part 5 California Plumbing Code; Part 6 California Energy Code; Part 8 California Historical Building Code; Part 9 California Fire Code; Part 10 California Existing Building Code; Part 11 California Green Building Standards Code; and Part 12 California Referenced Standards Code.
- B. The provisions of the codes and standards referenced in the California Building Standards Codes shall be considered part of the requirements of this title to the prescribed extent of each such reference.
- C. The building official or designee shall enforce the applicable provisions of the California Building Standards Codes, with such additions, deletions, and modifications, as are adopted in them, with the exception of those provisions of the Fire Code, 2022 edition, which are to be enforced by the Fire Chief. The building official may develop guidelines or division policies to implement, administer, and enforce this title.
- D. Where the phrase or reference to "name of jurisdiction" or "jurisdiction" appears in the California Building Standards Codes, such phrase or reference shall be construed by the reader to mean the same thing as the "City of Carlsbad" and the use of the term shall be interchangeable.
- E. Amendments to the building standards contained in the codes published by the model code organizations (ICC, IAPMO, and NFPA) by California state agencies, are applicable only to those occupancies or uses which the state agency making the amendment is authorized to regulate.
- F. Existing and proposed legislation may affect the requirements contained in this title at any time. In the event of any conflict between this title and any applicable federal, state, or local law, rule, or regulation shall supersede this code and shall be effective and enforceable immediately. This section is declaratory of existing law and is not to be construed as suggesting that such was not the purpose and intent of previous adoptions of the California Building Standards Code.
- G. The provisions of this title shall not be construed as imposing upon the City of Carlsbad any liability or responsibility for damage to persons or property resulting from defective work, nor shall the City of Carlsbad, or any official, employee, or agent of the city, be held as assuming any such liability or responsibility by reason of the review or inspections authorized by the provisions of this title of any permits or certificates issued under this title.

(Ord. CS-437 § 2, 2022)

**§ 18.03.020. Violations.**

- A. Unless otherwise stated by ordinance, any person, firm, or corporation who violates any of the provisions of this title is guilty of an infraction except for the fourth or each additional violation of a provision within one year which shall be a misdemeanor. Penalties for a violation of this title shall be designated in Section 1.08.010 of this code.

B. The issuance or granting of a permit or approval of plans shall not prevent the building official from thereafter requiring the correction of errors in these plans and specifications, or from preventing construction operations from being carried on thereunder when in violation of this title or of any other ordinance, or from suspending or revoking any certificate of approval when issued in error.

(Ord. CS-437 § 2, 2022)

## CHAPTER 18.04 BUILDING CODE

### **§ 18.04.005. Adoption and scope.**

The 2022 California Building Code, California Code of Regulations, Title 24, Part 2, Volumes 1 and 2, a portion of the California Building Standards Code, hereinafter referred to as the building code, is adopted in its entirety and incorporated by this reference, except for changes, additions, deletions and amendments in this chapter, which shall supersede the provisions of said code. The following appendices of the building code are included in the adoption: Appendix H (Signs). The following appendices are deleted: Appendices A through G, and I through P.

(Ord. CS-437 § 3, 2022)

### **§ 18.04.010. Administrative regulations.**

Chapter 1 (Scope and Administration) to the California Building Code, 2022 edition, shall generally constitute the Administrative Code for the city, establishing the supplementary administrative, organizational and enforcement rules and regulations as applicable for the following technical codes: Uniform Housing Code, 1997 edition; California Electrical Code, 2022 edition; California Mechanical Code, 2022 edition; California Plumbing Code, 2022 edition; Uniform Swimming Pool, Spa and Hot Tub Code, 1997 edition; Uniform Solar, Hydronics and Geothermal Code, 2021 edition; California Energy Code, 2022 edition; California Solar Energy Code, 2022 edition; California Historical Building Code, 2022 edition; California Existing Building Code, 2022 edition; and California Green Building Standards Code, 2022 edition. Each and all of the regulations, provisions, conditions and terms therein shall supplement and apply to each of the technical codes. Whenever there are practical difficulties involved in carrying out the provisions of the Administrative Code or where there is a conflict between a general requirement and a specific requirement, the specific requirement shall be applicable with the force of law.

(Ord. CS-437 § 3, 2022)

### **§ 18.04.015. Section 101 (Scope and General Requirements) of the California Building Code amended.**

Section 101.4.4 is amended to read as follows:

#### **101.4.4 Property maintenance.**

The provisions of the *California Existing Building Code* shall apply to existing structures and premises; equipment and facilities; light, ventilation, space heating, sanitation, life and fire safety hazards; responsibilities of owners, operators and occupants; and occupancy of existing premises and structures. Decks and balconies on multi-family residential or commercial buildings or structures shall comply with Health and Safety Code Section 17973, as it may be amended from time to time.

(Ord. CS-437 § 3, 2022)

### **§ 18.04.020. Section 104 (Duties and Powers of the Building Official) of the California Building Code amended.**

A. Section 104.1 is amended to read as follows:

#### **104.1 General.**

The building official is hereby authorized and directed to enforce the provisions of this code. The building official shall have the authority to render interpretations of this code and to adopt policies

and procedures as supplemental to this code in order to clarify the application of its provisions or to implement or facilitate inspection functions, the issuance of permits and certificates. Such interpretations, policies and procedures shall be in compliance with the intent and purpose of this code. Such policies and procedures shall not have the effect of waiving requirements specifically provided for in this code.

- B. Section 104.2.2 is added to read as follows:

**104.2.2 Rebuild threshold and limits on repair and remodel.**

The building official shall determine the applicability of certain permitting procedures and requirements for repair and remodeling projects on a case-by-case basis. A project classified as "rebuild" pursuant to this section shall be treated as a new building or structure. Modification of fixtures, finishes, and systems shall not be considered in measuring project magnitude.

1. Generally applied rebuild threshold for construction projects. "New construction" is defined as any work, addition to, remodel, repair, renovation, or alteration of any building(s) or structure(s) when 75% or more of the exterior weight bearing walls is removed or demolished. A project shall also be defined as "new construction" when the scope of work for groups R3 and U occupancies involves the alteration, rebuild, removal, or combination thereof of any structural framing that meets or exceeds 75% or greater of the linear footage of interior and exterior walls, including the removal of roof structure in those wall areas.
2. Cumulative construction projects. The cumulative scope for permitted work within any three-year period shall be added together when determining whether the scope of work constitutes a rebuild. For the purposes of this section, the computation of time shall be measured from the latest permit's date of issuance. The calculation of the percentage of floor area affected and final determination of required improvements shall be made by the building official.
3. Special consideration for unforeseen defects and damages. If construction defects or damages (e.g., pest or water damage) are discovered after construction has begun that were not predictable or known by ordinary means such as pest damage reports and other inspections and precautions, work must cease until the building official has been notified. The building official shall have the discretion to evaluate the circumstances of the discovery and may allow the rebuild threshold to be increased provided procedures deemed appropriate by the building official are followed.

(Ord. CS-437 § 3, 2022)

**§ 18.04.025. Section 105 (Permits) of the California Building Code amended.**

- A. Section 105.1 is amended to read as follows:

**105.1 Required.**

Any owner or owner's authorized agent who intends to construct, enlarge, alter, repair, move, demolish or change the occupancy of a building or structure, or to erect, install, alter, repair, remove, convert or replace any electrical, gas, mechanical or plumbing system, the installation of which is regulated by this code, or to cause any such work to be performed shall first make application to the building official and obtain the required permit. The submission of a building permit application shall be construed as attestation that the property owner and/or permit applicant are aware of the scope of the project and will only perform or allow work within that scope unless a building permit revision is subsequently authorized by the building official.

B. Section 105.1.3 is added to read as follows:

**105.1.3 Personal or electronic submission.**

The property owner or permit applicant may submit the permit application and associated documentation to the building division by personal or electronic submittal together with any required permit processing and inspection fees. In the case of electronic submittal, the electronic signature of the applicant on all forms, applications, and other documentation may be used in lieu of a wet signature.

C. Section 105.1.4 is added to read as follows:

**105.1.4 Partial permits.**

At the discretion of the building official, a partial permit may be issued to allow construction to begin before the project plans are approved. To qualify for a partial permit, the permit applicant must submit plans for the primary permit, and the plans must be accepted as complete for the jurisdiction's review. Work authorized by the partial permit shall be limited to underground site work, including underground plumbing, electrical, and mechanical work.

D. Section 105.2 is amended to read as follows:

**105.2 Work exempt from permit.**

Exemptions from permit requirements of this code shall not be deemed to grant authorization for any work to be done in any manner in violation of the provisions of this code or any other laws or ordinances of this jurisdiction. Permits shall not be required for the following.

**Building:**

1. One-story detached accessory buildings or structures used as tool and storage sheds, playhouses and similar uses, provided the floor area is not greater than 120 square feet (11 square meters) and the building or structure is entirely above grade and is not located on a maintenance easement, on a public utilities easement, or within a setback area as required by any local ordinance or other applicable law. The building or structure shall not exceed the height requirements set forth in any local ordinance or other applicable law.
2. Fences not over six feet (1829 mm) high.
3. Oil derricks.
4. Retaining walls that are not over four feet (1219 mm) in height measured from the bottom of the footing to the top of the wall, unless supporting a surcharge or impounding Class I, II, or IIIA liquids.
5. Water tanks supported directly on grade if the capacity is not greater than 5,000 gallons (18,925 L) and the ratio of height to diameter or width is not greater than 2:1.
6. Sidewalks and driveways not more than 30 inches (762 mm) above adjacent grade, and not over any basement or story below and are not part of an accessible route.
7. Painting, papering, tiling, carpeting, cabinets, countertops, and similar finish work.
8. Temporary motion pictures, music, television and theater stage sets and scenery.
9. Prefabricated swimming pools accessory to a Group R-3 occupancy that are not greater than 5,000 gallons (18,925 L) and are installed entirely above ground.

10. Shade cloth structures constructed for nursery or agricultural purposes, not including service systems.
11. Swings and other playground equipment accessory to buildings and structures in this code.
12. Window awnings in Group R-3 and U occupancies, supported by an exterior wall that do not project more than 54 inches (1372 mm) from the exterior wall and do not require additional support.
13. Non-fixed and movable fixtures, cases, racks, counters and partitions not over 5 feet 9 inches (1753 mm) in height.
14. Skateboard ramps. The building or structure shall not exceed the height requirements set forth in any local ordinances or other applicable law.

**Electrical:**

1. Repairs and maintenance: Minor repair work, including the replacement of lamps or the connection of approved portable electrical equipment to approved permanently installed receptacles.
2. Radio and television transmitting stations: The provisions of this code shall not apply to electrical equipment used for radio and television transmissions, but do apply to equipment and wiring for a power supply and the installations of towers and antennas.
3. Temporary testing systems: A permit shall not be required for the installation of any temporary system required for the testing or servicing of electrical equipment or apparatus.

**Gas:**

1. Portable heating appliance.
2. Replacement of any minor part that does not alter approval of equipment or make such equipment unsafe.

**Mechanical:**

1. Portable heating appliance.
2. Portable ventilation equipment.
3. Portable cooling unit.
4. Steam, hot or chilled water piping within any heating or cooling equipment regulated by this code.
5. Replacement of any part that does not alter its approval or make it unsafe.
6. Portable evaporative cooler.
7. Self-contained refrigeration system containing 10 pounds (4.54 kg) or less of refrigerant and actuated by motors of 1 horsepower (0.75kW) or less.

**Plumbing:**

1. The stopping of leaks in drains, water, soil, waste or vent pipe, provided, however, that if any concealed trap, drain pipe, water, soil, waste or vent pipe becomes defective and it becomes necessary to remove and replace the same with new material, such work shall be considered as new work and a permit shall be obtained and inspection made as provided in this code.
2. The clearing of stoppages or the repairing of leaks in pipes, valves or fixtures and the removal and reinstallation of water closets, provided such repairs do not involve or require the replacement or rearrangement of valves, pipes or fixtures.

E. Section 105.3 is amended to read as follows:

**105.3 Application for permit.**

To obtain a permit, the applicant shall first file an application in writing on a form furnished by the department of building safety for that purpose. Such application shall:

1. Identify and describe the work to be covered by the permit for which application is made.
2. Describe the land on which the proposed work is to be done by legal description, street address or similar description that will readily identify and definitely locate the proposed building or work.
3. Indicate the use and occupancy for which the proposed work is intended.
4. Be accompanied by construction documents and other information as required in Section 107.
5. State the valuation of the proposed work. The valuations or value shall include the total value of work, including materials and labor for which the building permit is requested. Contract price valuations may be subject to further review and documentation.
6. Where applicable, state the area to be landscaped in square feet and the source of water for irrigation.
7. Be signed by the property owner or applicant, or the applicant's authorized agent, who may be required to submit evidence to indicate signature authority. Whenever any constructive work, including, but not limited to, excavation or fill, requires entry onto adjacent property for any reason, the permit applicant shall obtain the written consent or written proof of legal easements or other property rights of the adjacent property owner or their authorized representative. The consent shall be in a form acceptable to the building official.
8. Diversion requirement and waste management plans. Except as otherwise provided in this code, all property owners or permit applicants shall complete and submit a waste management plan as part of the application packet for the building permit, certifying that the diversion requirements will be satisfied for construction waste reduction, disposal, and recycling.
9. Give such other data and information as required by the building official.

**105.3.1 Action on application.**

The building official shall examine or cause to be examined applications for permits and amendments thereto within a reasonable time after filing. If the application or the construction drawings do not conform to the requirements of pertinent laws, the building official shall reject such application in writing, stating the reasons therefor. If the building official is satisfied that the proposed work conforms to the requirements of this code and laws and ordinances applicable thereto, the building official shall issue a permit therefor as soon as practicable to the property owner or the permit applicant. In the case of a new building, all fees required for connection to public water systems and to sewer systems provided by entities other than the jurisdiction must be paid or a bond posted before a permit is issued.

When the building official issues a permit, the building official shall endorse in writing or stamp on both sets of plans and specifications, "Approved." Such approval plans and specifications shall not be changed, modified, or altered without authorization from the building official, and all work shall be done in accordance with the approved plans.

**105.3.2 Time limitation of application.**

An application for a permit for any proposed work shall be deemed to have been abandoned 365 days after the date of filing, unless such application has been pursued in good faith or a permit has been issued; except that the building official is authorized to grant one or more extensions of time for additional periods not exceeding 180 days each. The extension shall be requested in writing and justifiable cause demonstrated.

- F. Section 105.4 is amended to read as follows:

**105.4 Validity of permit.**

The permit when issued shall be for such construction as is described in the building permit application and no deviation shall be made from the construction so described without the written approval of the building official. The permit holder (property owner or permit applicant) is obligated to maintain the accuracy of the building permit application and the approved building plan set, and shall promptly report to the building official any construction defects or damages discovered after construction has begun.

The issuance or granting of a permit shall not be construed to be a permit for, or an approval of, any violation of any of the provisions of this code or of any other ordinance, order or other requirement of the jurisdiction. Permits presuming to give authority to violate or cancel the provisions of this code or other ordinances, orders or other requirements of the jurisdiction shall not be valid. The issuance of a permit based on construction documents and other data shall not prevent the building official from requiring the correction of errors in the construction documents and other data. The building official is authorized to prevent occupancy or use of a structure where in violation of this code or of any other ordinances, orders or other requirements of this jurisdiction.

- G. Section 105.5.2 is added to read as follows:

**105.5.2 Limitations on extensions.**

An extension of time may require conditions of approval and additional fees. A fee will not be charged for the first extension of time, provided the permit is not expired.

Notwithstanding the above, all work authorized by a permit issued by the building official shall be completed within three years of issuance. A permit shall be considered abandoned if the work authorized by such building permit exceeds three calendar years to complete.

- H. Section 105.5.3 is added to read as follows:

**105.5.3 Defining commencement of work and substantial work.**

For the purpose of this section, commencement of work shall be defined as the successful completion, inspection, and approval of the entire foundation system for the permitted building or structure, including the placement of concrete. If the permit is for a building or structure that does not include a foundation, then the building official will determine that the work has commenced if the amount of work completed shows a good faith effort to substantially perform the work authorized by the permit, which shall be construed to mean measurable work such as, but not limited to, the addition of footings, structural members, flooring, wall coverings, plumbing systems, mechanical systems, and electrical systems.

- I. Section 105.5.4 is added to read as follows:

**105.5.4 Expired permits.**

It is unlawful for any person, firm, or corporation to maintain any building, structure, or equipment, or portion thereof, regulated by this code if permits required by this code are expired without final inspection approval and no application by the permittee has been made to obtain new permits to complete the work authorized under the expired permit.

Where a building or structure remains unfinished after the permit has expired, the property owner or permit applicant must, within 60 days after written notice by the building official, demolish and remove the building or structure or obtain a new permit. Before such work can be recommenced, a new building permit must be obtained.

The building permit fee collected by the building official to reinstate an expired permit shall be one half the amount required for a new permit for such work, provided no changes have been made or will be made in the original plans and specifications for such work, and provided further that such expiration has not exceeded one year.

- J. Section 105.5.5 is added to read as follows:

**105.5.5 Sewer allocation system.**

The provisions of any sewer allocation system adopted by local ordinance or other applicable law shall supersede the reinstatement of an expired permit if the building permit was issued pursuant to such system.

- K. Section 105.8 is added to read as follows:

**105.8 Unpermitted buildings and structures.**

No person shall own, use, occupy or maintain any "unpermitted structure." For purposes of this code, "unpermitted structure" shall be defined as any building or structure, or portion thereof, that was reconstructed, rehabilitated, repaired, altered, added to, improved, or equipped, at any point in time, without the required permit(s) having first been obtained from the building official, or any unfinished work for which a permit has expired.

(Ord. CS-437 § 3, 2022)

**§ 18.04.030. Section 107 (Submittal Documents) of the California Building Code amended.**

- A. Section 107.2.1 is amended to read as follows:

**107.2.1 Information on construction documents.**

Construction documents shall be dimensioned and drawn to scale upon suitable material. Electronic media documents are permitted to be submitted where approved by the building official. Construction documents shall be of sufficient clarity to indicate the location, nature and extent of the work proposed and show in detail that it will conform to the provisions of this code and relevant laws, ordinances, rules, and regulations, as determined by the building official. Computations, stress diagrams and other data sufficient to show the correctness of the plans shall be submitted when required by the building official. In lieu of detailed specifications, the building official may approve references on the plans to a specific section or part of this code or other applicable laws or ordinances.

- B. Section 107.2.6.2 is added to read as follows:

**107.2.6.2 Site drainage.**

Where proposed construction will affect site drainage, existing and proposed drainage patterns must

be shown on the plot plan.

- C. Section 107.2.6.3 is added to read as follows:

**107.2.6.3 Foundation survey.**

A survey of the lot is required by the building official to verify the proposed building or structure is located in accordance with the approved plans when a new foundation is proposed at five feet or closer to an adjacent property line.

- D. Section 107.2.6.4 is added to read as follows:

**107.2.6.4 Waiver.**

The building official may grant the omission of a site plan, design flood elevations, site drainage, and/or foundation survey information when the proposed work is of such a nature that no information is needed to determine compliance with all laws relating to the location of buildings or occupancies.

- E. Section 107.2.9 is added to read as follows:

**107.2.9 Prerequisite for pad certification.**

Except as otherwise provided in this code, upon completion of the rough grading work and prior to issuance of any building permit, the property owner or permit applicant must submit the required pad certifications and any supporting documentation to the applicable governing authority. This information shall also be maintained onsite and available to the building official at the foundation inspection, pursuant to Section 110.3.1 of this code.
